## **Route 139 Lower Level eastbound and westbound closed tonight for restriping to enhance visibility Traffic will be diverted to Route 139 Upper Level**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced Route 139 Lower Level eastbound and westbound will be closed and detoured tonight to restripe the roadway.

Beginning at 11 p.m. tonight, Tuesday, April 30 until 5 a.m. tomorrow, NJDOT's contractor, Schiavone Construction, is scheduled to close Route 139 Lower Level eastbound and westbound to restripe the roadway to improve visibility in the covered roadway. Route 139 Lower Level traffic in both directions will be diverted to the Upper Level and Route 139 Lower Level eastbound will be closed and detoured at Tonnele Circle. The following detours will be in place:

### **Route 139 eastbound detour:**

- Traffic in Tonnele Circle will be directed south on Tonnele Avenue
- Turn left onto St. Paul's Avenue
- Turn right onto Route 139 Upper Level

### **Route 139 westbound traffic heading toward the Pulaski Skyway:**

- Route 139 Lower Level westbound will be diverted to the Upper Level
- Turn left onto Kennedy Boulevard
- Turn right onto the ramp leading to Tonnele Circle
- Use the left lane to enter the circle and take the ramp onto Route 1&9 South/Newark

### **Route 139 westbound traffic heading toward the Route 1&9 Truck or Route 7 west:**

- Route 139 Lower Level westbound will be diverted to the Upper Level
- Turn left onto Kennedy Boulevard
- Turn right onto the ramp leading to Tonnele Circle
- Take the appropriate ramp for either Route 1&9 Truck or Route 7 west

Motorist are advised to take the NJ Turnpike-Hudson County Extension tonight to avoid this construction. Motorists traveling westbound from the Holland Tunnel should stay to the far right following signs to I-78 Westbound and the NJ Turnpike to all destinations west and south.

Motorists going to the Holland Tunnel from points west and south should utilize NJ Turnpike-Hudson County Extension /Interstate 78 Eastbound at NJ Turnpike Exit 14.

To complete Pulaski Skyway Contract 2, later this spring Route 139 Lower Level will have one lane closed with the moveable barrier in place to allow for the construction of a new median barrier and for final paving of the roadway. In addition, there will be periodic midday closures on the Route 139 Upper Level and cross streets to complete sidewalks, landscaping, highway lights and Intelligent Transportation System work. NJDOT will provide advance notification before any lane closures. Contract 2 is expected to be complete in late spring 2019.

This work is part of the [\\$104 million Pulaski Contract 2](#), which will repair and improve the upper and lower levels of Route 139. Route 139 links the eastern end of the Pulaski Skyway to the Jersey City waterfront. During this contract, the deck on Route 139 Upper Level eastbound was replaced, along with five cross street bridges from Palisade Avenue to Kennedy Boulevard. Contract 2, which is nearing completion, is part of the \$1 billion Pulaski Skyway rehabilitation project, which is being advanced through 10 separate construction contracts into the year 2024. The massive improvement project will extend the life of the Skyway by 75 years.

### **Community Outreach**

NJDOT created a project-specific website - [www.pulaskiskyway.com](http://www.pulaskiskyway.com) - which contains a wealth of information about the Skyway and the project, and will be updated with relevant new information as work progresses. The Department is carefully coordinating the Pulaski Skyway project with other regional transportation infrastructure projects to minimize traffic congestion.

The Department has a project hotline telephone number, 973-776-7400, and email, [Pulaski.Skyway@dot.nj.gov](mailto:Pulaski.Skyway@dot.nj.gov). Anyone who has questions, concerns, or suggestions is encouraged to contact the Project Outreach Team as work progresses.

NJDOT will be using Variable Message Signs to provide advance notification to motorists of traffic pattern changes associated with the work. The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for real-time travel information and for NJDOT news follow us on Twitter [@NJDOT\\_info](#) or on the [NJDOT Facebook page](#).

**Please note, the NJDOT Communications office has a new phone number – 609.963.1975**
