<b>ITEM</b>	<b>DESCRIPTION</b>	<b>STATUS</b>	<b>STARTED</b>	<b>DUE</b>	<b>BALL IN COURT</b>
00001	A brief overview of the project and the changes as a result of the rightsizing was presented at a regularly scheduled council meeting by Tom Johnson, Bruce Riegel and Peter Agnello. The major item of concern was the pump station. Who would maintain, how many pumps, what kind of filters. The Council asked that before the Department comes back with a request for a renewed Resolution of Support that they have this information.	NEW
