September 10th, 2025

The New Jersey Department of Transportation will be accepting bids for the removal and replacement of asphalt shingles at our Bridgeport Maintenance Yard, **Building #4246** and **Building #4273**

Address:

92 Springer Lane
Bridgeport, NJ 08016

Scope of Work:

- Remove the existing roof and other related roofing materials from the buildings.
- Supply and install ice and water shield to the lower edges of the roof and valley.
- Supply and install synthetic underlayment to the roof.
- Supply and install drip edge where required.
- Supply and install aluminum collars & step flashing where required.
- Supply and apply sealant to all required areas.
- Install GAF Timberline HDZ heavyweight shingles with matching ridge caps or an approved equivalent (Color to be determined).
- Supply a dumpster for daily cleanup and removal of all related debris and material.
- Use a magnetic nail sweeper to ensure all nails are removed.
- Any equipment required for the work will be the contractor's responsibility, **as the use of NJDOT equipment is prohibited.**
- A manufacturer's warranty shall be provided for the shingles.
-

Important Notes:

- Include an all-inclusive price for random wood decking replacement if required, per square foot.
- **The NJDOT will provide GAF Timberline HDZ heavyweight shingles with matching ridge caps, based on measurements from the awarded contractor.**

Project Details:

- The work will be conducted during regular business hours, 7:30 AM – 4:00 PM, Monday through Friday.
- A lift will be required for this project and will be the responsibility of the winning bidder.

- Upon the issuance of the purchase order, the colors will be provided, and a work schedule will be required.
- The project must be completed within 30 business days.

Thank you,
Nicholas Toth
