Baseline Document Change Announcement

ANNOUNCEMENT: **BDC15MR-01**
DATE: **November 18, 2015**
SUBJECT: **Release of the 2015 Roadway Design Manual**

The Department is hereby releasing a new edition of the Roadway Design Manual, 2015. This manual incorporates all of the BDC Announcements made in the past regarding the Roadway Design manual. In summary, this has been a repackaging of nineteen announcements to create a “2015” edition of the Roadway Design Manual. It does not contain any substantial technical changes.

The future changes to the RDM will be referred to as revisions to the “2015 Roadway Design Manual”.

The following BDC announcements have been incorporated and are therefore superseded.

Implementation Code R (ROUTINE)

Instructions to Designers

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
