

New Jersey Department of Transportation

1035 Parkway Avenue, PO Box 600, Trenton, New Jersey 08625-0600

Baseline Document Change Announcement

ANNOUNCEMENT: BDC17S-02

DATE: January 19, 2017

**SUBJECT: Revisions to Subsection 107.04 NEW JERSEY CONTRACTUAL
LIAABILITY ACT of the SI2007 STANDARD INPUT (SI).**

The fourth paragraph of Subsection 107.04 has been revised to change the word "Acceptance" to "acceptance" since "Acceptance" is a defined term and it is inappropriate in this instance.

The following revision has been incorporated into the Standard Input, SI2007 as of January 19, 2017.

**107.04 NEW JERSEY CONTRACTUAL LIABILITY ACT
THE FOURTH PARAGRAPH IS CHANGED TO:**

For purposes of determining the date of "completion of the contract" pursuant to N.J.S.A. 59:13-5, "completion of the contract" occurs on the date that the Contractor provides written notice to the Department of acceptance of the Proposed Final Certificate or conditional acceptance of the Proposed Final Certificate or the 30th day after the Department issues the Proposed Final Certificate, whichever event occurs first.

Implementation Code R (ROUTINE)

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
