The required format is 11 3/4 X 16 1/2 inches or the nearest possible equivalent. Artwork must not be framed or outlined with borders.

MEDIUM

All artwork must be done by hand (or, in the case of children with disabilities, by foot or mouth).

Any of the following media are permitted:

- Watercolor • Acrylic • Oil paint
- Indelible marker pens • Felt-tip pens
- Soft ball-point pens • Indelible ink
- Crayola/similar indelible medium

The following media are NOT permitted:

- No pencil, charcoal or other non-permanent medium may be used.
- No computer-generated artwork is permitted.
- No collage work involving the use of photo copies is permitted.

MARKINGS

The following details should be clearly shown on the back of art:

- Title • Family name • Given name • Post address
- Email address • Date of birth (Month/Day/Year)
- Country of residence • Name and address of child's school • Certificate of Authenticity

TITLE

There is no need for a title on the poster and entrants can decide for themselves whether or not to include one; however, there should be a clearly recognizable link to the contest theme.

Questions?

Art contact representatives for each state can be found at www.nasao.org. For inquiries about the national level contest, contact Taylor Bryan at tbryan@nasao.org

The National Association of State Aviation Officials (NASAO) is proud to manage the U.S. national art contest in partnership with the National Aeronautic Association (NAA).

The U.S. contest is part of an international program run by the Fédération Aéronautique Internationale (FAI). All contest rules (with the exception of the U.S. contest deadline dates) are set by FAI.

Air Sports For A Peaceful World

2024

Aviation Art Contest

2024 THEME: AIR SPORTS FOR A PEACEFUL WORLD

Let us imagine a peaceful world in which people live together in harmony, uniting through common interests - such as air sports - to create friendships, show kindness and respect.

All sports have the power to bring people together, promoting positive relationships that cross borders and contribute to a better, more peaceful world. Sports helps people to learn universal values such as solidarity and fair play which extend far beyond the boundaries of a football pitch, an ice rink or an airfield.

The many people around the world who participate in air sports enjoy meeting new friends in new places. Air sports such as Aerobatics, Aeromodelling, Airships, Amateur-Built and Experimental Aircraft, Balloons, Drones, Gliding, Hang Gliding, Helicopters, Manpowered Flying, Microlights, Parachuting, Paragliding, Paramotors and Power Flying, all have the power to contribute to a peaceful society, by bringing people together.

Practicing these sports doesn't only mean knowing how to fly an aircraft or jump from an airplane; or even acquiring new skills, breaking records, and winning competitions... These activities also give us the opportunity to develop our social skills and help us to learn a sense of solidarity, friendship, and tolerance on and off the airfield. By showing kindness and respect to the people we meet, we can learn to see beyond differences and actively work to overcome difficulties and conflicts.

It's time to grab your brushes and pencils! Let's imagine air sports in a peaceful world. Can you use your imagination to show how pilots, skydivers, and astronauts show kindness and respect and become friends? Your picture could show people enjoying air sports at a friendly competition, helping others at the airfield, or even working together in space! How does peace look in the freedom of the air or among astronauts? Air sports bring people together, no matter what they think about politics, religion, or race. Let's unite through art and and air sports, and show others how to inspire love, respect, and unity in the sky and beyond!
