Raritan Street closed for emergency repairs to the bridge carrying Route 9 over Raritan Street in South Amboy Repairs expected to be completed before morning commute

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced that Raritan Street is closed for emergency repairs to the bridge carrying Route 9 over the street in South Amboy, Middlesex County.

At approximately 4:30 p.m., Wednesday, January 5, Raritan Street was closed and detoured to repair loose concrete falling from the bridge carrying Route 9 over the street. Route 9 remains open. Motorists on Raritan Street are being directed onto Route 9, where they can take the next exit to make a U-turn back to the Raritan Street exit. The work is expected to be completed before the morning commute tomorrow, Thursday, January 6.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
