I-80 eastbound on-ramp from Landing Road southbound to be closed tonight for bridge work in Roxbury Closures required for deck repairs

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced that the I-80 eastbound on-ramp from Landing Road southbound will be closed tonight for bridge work in Roxbury, Morris County.

Beginning at 9 p.m. tonight, Friday, April 29, until 5 a.m. tomorrow, Saturday, April 30, NJDOT's contractor, Mount Construction, is scheduled to close and detour the ramp from Landing Road southbound to I-80 eastbound. The closure is necessary to make concrete repairs to the bridge deck over Ledgewood Road. The following detour will be in place:

Landing Road southbound to I-80 eastbound ramp detour:

- Motorists on Landing Road southbound wishing to take the ramp to I-80 eastbound will be directed to continue on Landing Road southbound, which becomes Route 46
- Take the jughandle to make a U-Turn/to I-80
- Turn left onto Route 46 northbound, which becomes Ledgewood Road
- Take the ramp to I-80 eastbound

The work is part of a \$21.6 million state-funded maintenance project to repair concrete structures at various locations in eight counties throughout North Jersey.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
