## **Route 152 eastbound shoulder closure on bridge over Broad Thorofare as painting project begins in Atlantic County Traffic will be maintained in both directions throughout the project**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced a shoulder closure on Route 152 eastbound over Broad Thorofare as a Maintenance Bridge Painting project begins in Egg Harbor Township, Atlantic County.

Beginning today, Monday, July 25, traffic will be shifted to the northern side of the Route 152 eastbound bridge over Broad Thorofare to create a work zone in the right shoulder. The shoulder will remain closed for approximately six months while NJDOT's contractor, Commodore Maintenance, Inc., conducts sandblasting and painting operations. Traffic and access to the sidewalk will be maintained throughout the project.

The project is part of a \$27 million federally-funded bridge painting contract to perform preventative maintenance on bridges statewide.

The precise timing of the work is subject to change due to weather or other factors. Check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for real-time travel information.
