I-80 daytime lane closures next week needed for retaining wall survey work in Knowlton Motorists advised to slow down and use caution in work zone

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced lane closures on I-80 eastbound and westbound before the S-curve are scheduled for next week.

Tuesday, August 9

On Tuesday, August 9 (from 8 a.m. until 12 noon), NJDOT is scheduled to close the right lane on I-80 westbound just before the S-curve near mile post 1.7 through mile post 0.8. One lane will remain open.

Wednesday, August 10

On Wednesday, August 10 (from 10 a.m. until 3 p.m.), NJDOT is scheduled to close the right lane on I-80 eastbound just before the S-curve near mile post 0.8 through mile post 1.7. One lane will remain open. This work may continue on Thursday, August 11 and Friday, August 12 if necessary.

The closures are needed to conduct survey work and to complete a field investigation as part of the Preliminary Engineering phase for an upcoming retaining wall project. Motorists are advised to slow down and use caution when driving through the work zone.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
