## **Daytime site surveys and drainage repairs tomorrow and next week in Brooklawn, Camden County Traffic not expected to be affected during construction**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) is advising the public of a survey work and priority repairs a drainage outfall near the Route 130 Bridge over Big Timber Creek in Brooklawn, Camden County.

At 7 a.m. tomorrow, Friday, October 7, until 3:30 p.m., NJDOT crews will be performing a site survey near the Route 130 Bridge over Big Timber Creek in preparation for temporary flood gate repairs to a drainage outfall.

At 7 a.m. Monday, October 10, until 3:30 p.m., and if necessary, on Tuesday, October 11, at the same times, the flood gate will be temporarily repaired. More permanent repairs are expected to be made in the next few months.

**This work will not require any lane closures or detours. Traffic is not expected to be affected by construction.**

NJDOT has two capital projects that are expected to begin construction in the next year or two that will replace the Route 130 Bridge over Big Timber Creek and replace the Route 47 Bridge over Big Timber Creek. Both projects include drainage improvements to help mitigate flooding in the area as best as possible.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for construction updates and real-time travel information and for NJDOT news follow us on Twitter [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) or on the [NJDOT Facebook page](#).
