## **Route 20 southbound lane and shoulder closures start tomorrow as safety, drainage, and resurfacing project begins in Passaic County** **The closures are necessary for curb, sidewalk and drainage work**

**(Trenton)** – The right lane and shoulder on Route 20 southbound between 8th Avenue and Edward Street will be closed daily from 9 a.m. until 3 p.m. starting tomorrow, Thursday, October 27 in Paterson, Passaic County.

The closures are necessary for curb, sidewalk and drainage work and are scheduled to continue daily, Monday through Friday, for approximately eight weeks.

The \$48.5 million federally-funded Route 20 Paterson Safety, Drainage, and Resurfacing project will make upgrades and repairs along approximately five miles of Route 20 in Clifton and Paterson, Passaic County. In addition to drainage improvements, the project will include repaving, guiderail replacement, lighting and overhead sign installation, and upgrades to traffic signals, curbs and sidewalks. The project is expected to be completed by the fall of 2025.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for construction updates and real-time travel information.
