I-80 eastbound lane closure needed next week for guiderail work in Knowlton, Warren County Motorists advised to slow down and use caution in work zone

(Trenton) – The New Jersey Department of Transportation (NJDOT) has scheduled a closure of the right lane on I-80 eastbound on Tuesday in Knowlton, Warren County.

From 9 a.m. until 3 p.m. Tuesday, January 3, the right lane on I-80 eastbound is scheduled to be closed after the S-curve near mile post 1.4. The closure is necessary to install less than 100 feet of construction barrier in the shoulder for guiderail work. One lane will remain open. If work is completed early, the lane will reopen sooner.

Motorists are advised to slow down and use caution when driving through the work zone. The precise timing of the work is subject to change due to weather or other factors.

Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information. For NJDOT news follow us on Twitter [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) and our [Facebook page](#).
