JOB DESCRIPTION

The New Jersey Department of the Treasury, Division of Property Management and Construction (DPMC) is seeking an Information Technology Specialist for the Office of the Director. Under direct supervision of a supervisor in the Office of the Director, the incumbent will be responsible for the following duties:

- Learn the Tririga software application and how it relates to DPMC while serving as support for Tririga by assisting maintaining base system (portfolio) data, as well as work with staff to update data/add base system data as required.
- Serve as support contact for problems with Tririga received via shared mailbox and by monitoring daily job runs. Provide "in-house" technical support to end-users.
- Responsible for documenting all IT problems and questions from DPMC staff. Will answer questions about our applications if possible.
- Assist in preparation of e-mail correspondence to staff regarding IT processes and outages. Assist managers in acquiring needed reports or metrics which may include the development of new queries or reports.
- Assist IT Representatives for DPMC by interfacing with DPMC staff and Management to ensure the appropriate technology and access is in place to best suit the needs of DPMC. Prepares forms, flowcharts, and block diagrams for application systems development.
- Attend meetings and training to keep current with the technology of the State and the Department of Treasury, Property Management and Construction. Learn Real Estate Management best practices and analyze existing business flow for the State specifically DPMC.
- Supports Records Management of DPMC files by utilizing FileNet and the network's designated drive to commit for File Digitalization.
- Performs other related duties as assigned.

The standard workweek is Monday through Friday. This position may be eligible to participate in the Department's telework program, which allows eligible employees to work remotely for up to two (2) days per week, as approved by management.
