NJ DEPARTMENT OF THE  
**TREASURY**

## NJ Benefits for Veterans and Active Duty Service Members

The State of New Jersey and the Department of the Treasury sincerely value the sacrifices of our military veterans and active duty service members. Information on vital resources available through the Treasury and other State agencies can be found inside.

## Tax Benefits for Veterans

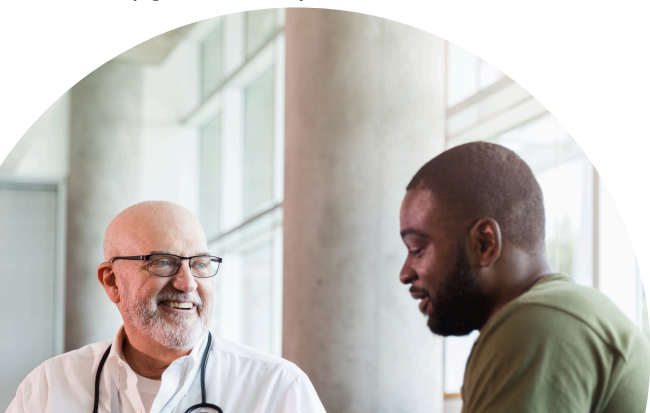

Treasury's Division of Taxation oversees a number of tax benefits for veterans across the spectrum, including an annual \$6,000 income tax exemption, ensuring combat pay and military pension are exempt from taxation, relief against property taxes and sales tax, and tax credits for Wounded Warriors Caregivers and Gold Star Family Counseling.

## Business Registration and Certifications

Treasury's Division of Revenue and Enterprise Services helps every business register to operate in New Jersey and oversees certification for Veteran-owned and Disabled Veteran-owned businesses. Get certified to take advantage of the state's multi-billion dollar contracting universe.

## Doing Business With the State:

Treasury's Division of Purchase and Property has everything you need to know to pursue contracts with the state, including information on the Veteran-Owned Business (VOB) Set-Aside Program, which requires that state agencies give due consideration to certified VOBs when awarding contracts, and the Disabled Veteran-Owned Business (DVOB) Set-Aside Program, which awards three percent of state contracting and purchase order dollars to certified DVOBs.

## Find Unclaimed Property:

Treasury's Unclaimed Property Administration (UPA) is the custodian of over \$5 billion in unclaimed property and works year round to return these assets to their rightful owners or heirs, including targeted outreach to veterans. Find out if you have any monetary assets in our possession.
