Language Provisions

This section includes the General Language provisions which provide certain restrictions on the use of State and Federal Fund appropriations.
FEDERAL FUNDS PROVISIONS

Notwithstanding any State law to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first 25% of unanticipated grant awards, and up to 25% of increases in previously anticipated grant awards for which no State matching funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated, and any such grants intended to prevent threats to homeland security up to 100% of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants; and all other grants.

For the purposes of federal funds appropriations, “political subdivisions of the State” means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; “discretion” refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and “grants” refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The unexpended balances of federal funds as of June 30, 2004 are continued for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 2004 of any unexpended balances which are continued.

The appropriate executive agencies shall prepare and submit to the Senate Budget and Appropriations Committee and the Assembly Appropriations Committee, or their successors, by March 1, 2005, reports on proposed expenditures during fiscal year 2005 for the following federal programs: the alcohol, drug abuse and mental health block grant; the education block grant; the community services block grant; the jobs training partnership block grant; the low income energy assistance block grant; the maternal and child health block grant; the preventive health and health services block grant; the small cities block grant; the social services block grant; and the child care block grant. These reports shall account for all federal, State and local funds which are anticipated to be expended on block grant programs, shall provide an accounting of block grant expenditures during the prior fiscal year, and shall provide a detailed list of contracts awarded to provide services under the block grants.

Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendations of any department head or the department head’s designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the Director deems improper.

The sum herein appropriated to the Department of Transportation for the Hudson-Bergen Light Rail Transit System is hereby appropriated, to the extent necessary, to pay the principal of and interest on the grant anticipation notes issued by the New Jersey Transit Corporation.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification, and within the federal matching funding, in the Division of Medical Assistance and Health Services in the Department of Human Services, and within the Medical Services for the Aged program classification, and within the federal matching funding, in the Division of Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, any purchase by a state or local entity of federally approved homeland security equipment that is paid for or reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other federal agency may be made through direct purchase, without advertising for bids from the Combat Support and Logistics Equipment/NBC, Marine Corps Systems Command prime vendor list, the Defense Logistics Agency, Defense Supply Center Philadelphia prime vendor list or any other vendor list or other procurement program that has been established by a federal department or agency on the basis of federal procurement principles and has been approved by the State Treasurer and the Attorney General in consultation with the Domestic Security Preparedness Task Force. Any such purchases shall be subject to conditions as established by the Attorney General in consultation with the Domestic Security Preparedness Task Force.
There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting and with the approval of the Legislative Budget and Finance Officer, private contributions, revolving funds and dedicated funds received, receivable or estimated to be received for the use of the State or its agencies in excess of those anticipated, unless otherwise provided herein, and the unexpended balances as of June 30, 2004 of such funds, subject to the approval of the Director of the Division of Budget and Accounting.

There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, the following: sums required to refund amounts credited to the State Treasury which do not represent State revenue; sums received representing insurance to cover losses by fire and other casualties and the unexpended balance as of June 30, 2004 of such sums; sums received by any State department or agency from the sale of equipment, when such sums are received in lieu of trade-in value in the replacement of such equipment; and sums received in the State Treasury representing refunds of payments made from appropriations provided in this act.

There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, sums required to satisfy receivables previously established from which non-reimbursable costs and ineligible expenditures have been incurred.

There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, from federal or other non-State sources amounts not to exceed the cost of services necessary to document and support retroactive claims.

There are appropriated such sums as may be required to pay interest liabilities to the federal government as required by the Treasury/State agreement pursuant to the provisions of the Cash Management Improvement Act of 1990, Pub. L. 101-453 (31 U.S.C. s.6501 et seq.), subject to the approval of the Director of the Division of Budget and Accounting.

There are appropriated, subject to the approval of the Director of the Division of Budget and Accounting, from interest earnings of the various bond funds such sums as may be necessary for the State to comply with the federal “Tax Reform Act of 1986,” Pub. L. 99-514 (26 U.S.C. s.1 et seq.), which requires issuers of tax-exempt debt obligations to rebate any arbitrage earnings to the federal government.

There are appropriated from the General Fund, subject to the approval of the Director of the Division of Budget and Accounting, such sums as are necessary to pay interest, at the average rate of earnings during the fiscal year from the State’s general investments, to those bond funds that have borrowed money from the General Fund or other bond funds and that have insufficient resources to accrue and pay the interest expense on such borrowing.

In addition to the amounts appropriated hereinabove, such additional sums as may be necessary are appropriated to fund the costs of the collection of debts, taxes and other fees and charges owed to the State, including but not limited to the services of auditors and attorneys and enhanced compliance programs, subject to the approval of the Director of the Division of Budget and Accounting.

There is appropriated $11,600,000 from the Legal Services Trust Fund established pursuant to section 6 of P.L. 1996, c.52 (C.22A:2-51), for transfer to the General Fund as State revenue to fund the following programs: $8,000,000 for Legal Services of New Jersey grant, $3,000,000 for ten additional judgeships in the Judiciary, and $600,000 for Clinical Legal Programs for the Poor at the Rutgers-Camden Law School, the Rutgers-Newark Law School and Seton Hall Law School.

The unexpended balances as of June 30, 2004 in accounts of the several departments and agencies hereetofore appropriated or established in the category of Additions, Improvements and Equipment are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

The unexpended balances as of June 30, 2004 in the Capital Construction accounts for all departments and agencies are appropriated.

Unless otherwise provided, balances remaining as of June 30, 2004 in accounts of appropriations enacted subsequent to April 1, 2004 are appropriated.

The unexpended balances as of June 30, 2004 in accounts that are funded by Interfund Transfers are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding any other provisions in this act or the provisions of any other law to the contrary, no unexpended balances as of June 30, 2004 are appropriated without the approval of the Director of the Division of Budget and Accounting, except that the Legislative Branch of State government shall be exempt from this provision. The Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of those instances in which unexpended balances are not appropriated pursuant to this section.

The administrative costs of the Special Education Medicaid Initiative and the Early Periodic Screening, Diagnosis and Treatment (EPSDT) program, including the participation of a consultant, are appropriated and shall be paid from the revenue received, subject to the approval of the Director of the Division of Budget and Accounting.

The following transfer of appropriations rules are in effect for fiscal year 2005:

A. To permit flexibility in the handling of appropriations, any department or agency that receives an appropriation by law, may, subject to the provisions of this section, or unless otherwise provided in this act, apply to the Director of the Division of Budget and Accounting for permission to transfer funds from one item of appropriation to a different item of appropriation. For the purposes of this section, “item of appropriation” means the spending authority identified by an organization code, appropriation source, and program code, unique to the item. If the director consents to the transfer, the amount transferred shall be credited by the director to the designated item of appropriation and notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. However, the director, after consenting thereto, shall submit the following transfer requests to the Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise provided in this act:
The Director of the Division of Budget and Accounting shall make such correction of the title, text or account number of an appropriation.

The Legislative Budget and Finance Officer with the cooperation and assistance of the Director of the Division of Budget and Accounting is

None of the funds appropriated to the Executive Branch of State government for Information Processing, Development, Telecommunications,

If the sum provided in this act for a State aid payment pursuant to formula is insufficient to meet the full requirements of the formula, all recipients of State aid shall have their allocation proportionately reduced, subject to the approval of the Director of the Division of Budget and Accounting.
When the duties or responsibilities of any department or branch, except for the Legislature and any of its agencies, are transferred to any other department or branch, it shall be the duty of the Director of the Division of Budget and Accounting and the director is hereby empowered to transfer funds appropriated for the maintenance and operation of any such department or branch to such department or branch as shall be charged with the responsibility of administering the functions so transferred. The Director of the Division of Budget and Accounting shall have the authority to create such new accounts as may be necessary to carry out the intent of the transfer. Information copies of such transfers shall be transmitted to the Legislative Budget and Finance Officer upon the effective date thereof. If such transfers may be required among appropriations made to the Legislature and its agencies, the Legislative Budget and Finance Officer, subject to the approval of the President of the Senate and the Speaker of the General Assembly, is hereby empowered and it shall be that officer’s duty to effect such transactions hereinabove described and to notify the Director of the Division of Budget and Accounting upon the effective date thereof.

The Director of the Division of Budget and Accounting is empowered and it shall be the director’s duty in the disbursement of funds for payment of expenses classified as salary increases and other benefits, employee benefits, debt service, rent, telephone, data processing, motor pool, insurance, travel, postage, lease payments on equipment purchases, additions, improvements and equipment, and compensation awards to credit or transfer to the Department of the Treasury, to an Interdepartmental account, or to the General Fund, as applicable, from any other department, branch or non-State fund source out of funds appropriated or credited thereto, such sums as may be required to cover the costs of such payment attributable to such other department, branch or non-State fund source, or to reimburse the Department of the Treasury, an Interdepartmental account, or the General Fund for reductions made representing statewide savings in the above expense classifications, as the director shall determine. Receipts in any non-State funds are appropriated for the purpose of such transfer.

The Governor is empowered to direct the State Treasurer to transfer from any State department to any other State department such sums as may be necessary for the cost of any emergency occasioned by aggression, civil disturbance, sabotage, disaster, or for flood loss expenses for State owned structures to comply with Federal Insurance Administration requirements.

Upon request of any department receiving non-State funds, the Director of the Division of Budget and Accounting is empowered to transfer such funds from that department to other departments as may be charged with the responsibility for the expenditure thereof.

The Director of the Division of Budget and Accounting is empowered to transfer or credit appropriations to any State agency for services provided, or to be provided, by that agency to any other agency or department; provided further, however, that funds have been appropriated or allocated to such agency or department for the purpose of purchasing these services.

Notwithstanding any law to the contrary, should appropriations in the Property Tax Relief Fund exceed available revenues, the Director of the Division of Budget and Accounting is authorized to transfer General Fund unreserved, undesignated fund balances into the Property Tax Relief Fund, providing unreserved, undesignated fund balances are available from the General Fund, as determined by the Director of the Division of Budget and Accounting.

Notwithstanding any law to the contrary, should appropriations in the Casino Revenue Fund exceed available revenues, the Director of the Division of Budget and Accounting is authorized to transfer General Fund unreserved, undesignated fund balances into the Casino Revenue Fund, providing unreserved, undesignated fund balances are available from the General Fund, as determined by the Director of the Division of Budget and Accounting.

No funds shall be expended by any State Department in the Executive Branch in connection with a contract for the production of films, videotapes, video conferences, video-assisted training or multi-media projects that include video images unless the New Jersey Public Broadcasting Authority (PBA) has the opportunity to match any successful bid as part of any formal or informal contract award process. This is not a requirement to award a contract to PBA since the decision to award a contract may also be based on non-cost considerations.

Notwithstanding the provisions of P.L.1954, c.48 (C.52:34-6 et seq.), sums appropriated for services for the various State departments and agencies may be expended for the purchase of contract services from the New Jersey Marine Sciences Consortium as if it were a State government agency pursuant to subsection (a) of section 5 of P.L.1954, c.48 (C.52:34-10).

Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendation of any department head, or the department head’s designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the director deems improper.

Whenever any county, municipality, school district or a political subdivision thereof withholds funds from a State agency, or causes a State agency to make payment on behalf of a county, municipality, school district or a political subdivision thereof, then the Director of the Division of Budget and Accounting may withhold State aid payments and transfer the same as payment for such funds, as the Director of the Division of Budget and Accounting shall determine.

The Director of the Division of Budget and Accounting is empowered to establish revolving and dedicated funds as required. Notice of the establishment of such funds shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date thereof.

The Director of the Division of Budget and Accounting may, upon application therefore, allot from appropriations made to any official, department, commission or board, a sum to establish a petty cash fund for the payment of expenses under rules and regulations established by the director. Allotments thus made by the Director of the Division of Budget and Accounting shall be paid to such person as shall be designated as the custodian thereof by the official, department, commission or board making a request therefor, and the money thus allotted shall be disbursed by such custodian who shall require a receipt therefore from all persons obtaining money from the fund. The director shall make regulations governing disbursement from petty cash funds.

From appropriations to the various departments of State government, the Director of the Division of Budget and Accounting is empowered to transfer sums sufficient to pay any obligation due and owing in any other department or agency.
Notwithstanding any other provisions of this act, the State Treasurer, upon warrant of the Director of the Division of Budget and Accounting, shall:

- transfer from any fund in the State Treasurer’s custody, deposited with the appropriate agent, sufficient sums to enable payments from any appropriation made herein for any obligations due and owing.
- any such transfer shall be restored out of the taxes or other revenue received in the Treasury in support of this act. Except for transfers from the several funds established pursuant to statutes that provide for interest earnings to accrue to those funds, all such transfers shall be without interest. If the statute provides for interest earnings, it shall be calculated at the average rate of earnings during the fiscal year from the State’s general investments.

Any qualifying State aid appropriation, or part thereof, made from the General Fund may be transferred and recorded as an appropriation from the Property Tax Relief Fund, as deemed necessary by the State Treasurer, in order that the Director of the Division of Budget and Accounting may warrant the necessary payments; provided however, that the available unreserved, undesignated fund balance in the Property Tax Relief Fund, as determined by the State Treasurer, is sufficient to support the expenditure.

Notwithstanding any other provisions of this act, the State Treasurer, upon warrant of the Director of the Division of Budget and Accounting, shall:

- pay any claim not exceeding $4,000 out of any appropriations made to the several departments, provided such claim is recommended for payment by the head of such department. The Legislative Budget and Finance Officer shall be notified of the amount and description of any such claim at the time such payment is made. Any claimant who has presented a claim not exceeding $4,000, which has been denied or not recommended by the head of such department, shall be precluded from presenting said claim to the Legislature for consideration.
- Unless otherwise provided, federal grant and project receipts representing reimbursement for agency and central support services, indirect and administrative costs, as determined by the Director of the Division of Budget and Accounting, shall be transmitted to the Department of the Treasury for credit to the General Fund; provided however, that a portion of the indirect and administrative cost recoveries received which are in excess of the amount anticipated may be reclassified into a dedicated account and returned to State departments and agencies, as determined by the Director of the Division of Budget and Accounting, who shall notify the Legislative Budget and Finance Officer of the amount of such funds returned, the departments or agencies receiving such funds and the purpose for which such funds will be used, within 10 working days of any such transaction. Such receipts shall be forwarded to the Director of the Division of Budget and Accounting upon completion of the project or at the end of the fiscal year, whichever occurs earlier.

Notwithstanding any other law to the contrary, each local school district that participates in the Special Education Medicaid Initiative (SEMI) shall receive a percentage of the federal revenue realized for current year claims. The percentage share shall be 15% of the first $28,000,000 of federal reimbursements realized for claims submitted to the State by June 30. After federal reimbursements are realized in excess of $28,000,000, local school districts shall receive 50% of their pro rata share of federal revenues realized in excess of $28,000,000.

Notwithstanding any other law to the contrary, each local school district that participates in the Early Periodic Screening, Diagnosis and Treatment (EPSDT) initiative shall receive a percentage of the federal revenue realized for current year claims. The percentage share shall be 15% of federal reimbursements for claims submitted to the State by June 30.

Notwithstanding the provisions of P.L.1943, c.188 (C.52:14-17.1 et seq.), the rate of reimbursement for mileage allowed for employees traveling by personal automobile on official business shall be $.31 per mile.

State agencies shall prepare and submit a copy of their agency or departmental budget requests for Fiscal Year 2005 by October 1, 2004 to the Director of the Division of Budget and Accounting, and a copy of their spending plans involving all State, federal and other non-State funds to the Director of the Division of Budget and Accounting and the Legislative Budget and Finance Officer by November 1, 2004, and updated spending plans on February 1, and May 1, 2005. The spending plans shall account for any changes in departmental spending which differ from this appropriations act and all supplements to this act. The spending plans shall be submitted on forms specified by the Director of the Division of Budget and Accounting.

The Director of the Division of Budget and Accounting shall provide the Legislative Budget and Finance Officer with copies of all BB-4s, Application for Non-State funds, and accompanying project proposals or grant applications, which require a State match and that may commit or require State support after the grant’s expiration.

In order to provide effective cash flow management for revenues and expenditures of the General Fund and the Property Tax Relief Fund in the implementation of the fiscal year 2005 annual appropriations act, there are appropriated from the General Fund such sums as may be required to pay the principal of and interest on tax and revenue anticipation notes including notes in the form of commercial paper (hereinafter collectively referred to as short-term notes), together with any costs or obligations relating to the issuance thereof or contracts related thereto, in accordance with the terms set forth herein. Provided further that, to the extent that short-term notes are issued for cash flow management purposes in connection with the Property Tax Relief Fund, there are appropriated from the Property Tax Relief Fund such sums as may be required to pay the principal of those short-term notes.

The State Treasurer is authorized to issue short-term notes, which notes shall not constitute a general obligation of the State or a debt or a liability within the meaning of the State Constitution, and the State Treasurer is authorized to pay any costs or obligations relating to the issuance of such short-term notes or contracts relating thereto. Such short-term notes shall be issued in such amounts and at such times as the State Treasurer shall deem necessary for the above stated purposes and for the payment of related costs, and on such terms and conditions, sold in such manner and at such prices, bearing interest at such fixed or variable rate or rates, renewable at such time or times, and entitled to such security, and using such paying agents as shall be determined by the State Treasurer. The State Treasurer is authorized to enter into such contracts and to take such other actions, all as determined by the State Treasurer to be appropriate to carry out the above cash flow management purposes. The State Treasurer shall give consideration to New Jersey-based vendors in entering into such contracts. Whenever the State Treasurer issues such short-term notes, the State Treasurer shall report on such issuance to the Chairman of the Senate Budget and Appropriations Committee and the Chairman of the Assembly Appropriations Committee.
The Tobacco Settlement Fund, created and established in the Department of the Treasury as a separate non-lapsing fund pursuant to section 53 of P.L.1999, c.138, is reestablished and continued. The unexpended balances in the Tobacco Settlement Fund as of June 30, 2004 are appropriated. The Tobacco Settlement Fund shall be the repository for payments due to the State made by the tobacco manufacturers pursuant to the settlement agreement entered into by the tobacco manufacturers and the State on November 23, 1998 that resolved the State’s pending claims against the tobacco industry and all other moneys, including interest earnings on balances in the fund, credited or transferred thereto from any other fund or source pursuant to law. Balances in the Tobacco Settlement Fund shall be deposited in such depositories as the State Treasurer may select. Amounts transferred from the Tobacco Settlement Fund to the General Fund as anticipated revenue shall be excluded when calculating deposits to the Surplus Revenue Fund pursuant to P.L.1990, c.44 (C.52:9H-14 et seq.).

Notwithstanding any other provision of law, funds derived from the sale or conveyance of any lands and buildings or proceeds from the sale of all fill material held by a department are appropriated for demolition, acquisition of land, rehabilitation or improvement of existing facilities and construction of new facilities subject to the approval of the Director of the Division of Budget and Accounting.

With respect to appropriations provided to various departments for services provided by the Office of Information Technology, any change by the Office of Information Technology to their rate structure that would affect the rates charged to the various State agencies for Office of Information Technology services shall first be approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of section 32 of P.L.1983, c.303 (C.52:27H-80), or any other law to the contrary, interest earned in fiscal 2005 on balances in the Enterprise Zone Assistance Fund, shall be credited to the General Fund.

Notwithstanding any other law to the contrary, funds may be transferred from the State Disability Benefits Fund to the General Fund during the fiscal year ending June 30, 2005, which transfer amount shall be based upon the actual receipt of revenue in the State Disability Benefits Fund as shall be determined by the State Treasurer in consultation with the Commissioner of Labor, subject to the approval of the Director of the Division of Budget and Accounting.

There is appropriated $600,000 from the Casino Simulcasting Fund for transfer to the Casino Revenue Fund.

In all cases in which language authorizes the appropriation of additional receipts not to exceed a specific amount, and the specific amount is insufficient to cover the amount due for fringe benefits and indirect costs, there are appropriated from receipts such additional amounts as are required to fully cover the amount due for fringe benefits and indirect costs, subject to the approval of the Director of the Division of Budget and Accounting.

There are appropriated, out of receipts derived from any structured financing transaction, such sums as may be necessary to satisfy any obligation incurred in connection with any structured financing agreement, subject to the approval of the Director of the Division of Budget and Accounting. In addition, there are appropriated such sums as may be necessary to pay costs incurred in connection with any proposed structured financing transaction, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any departmental language or statute, no receipts in excess of those anticipated or appropriated as provided in the Departmental Revenue Statements (BB-103’s) in the fiscal 2005 budget submission are available for expenditure until a comprehensive expenditure plan is submitted to and approved by the Director of the Division of Budget and Accounting.

Such sums as may be necessary are appropriated or transferred from existing appropriations for the purpose of promoting awareness to increase participation in programs that are administered by the State subject to the approval of the Director of the Division of Budget and Accounting.

There are appropriated such additional sums as may be required to pay the amount of any civil penalty imposed on a State officer, employee or custodian pursuant to section 12 of P.L.2001, c.404 (C.47:1A-11), as recommended by the Attorney General and as the Director of the Division of Budget and Accounting shall determine.

Receipts derived from the provision of copies and other materials related to compliance with P.L.2001, c.404, are appropriated for the purpose of offsetting agency and departmental expenses of complying with the public access law, subject to the approval of the Director of the Division of Budget and Accounting.

There is appropriated $110,000,000 from the State Disability Benefits Fund for transfer to the General Fund as State revenue.

Notwithstanding any law to the contrary, there is appropriated from the Universal Service Fund $72,431,000 for transfer to the General Fund as State revenue.

Notwithstanding the provisions of section 32 of P.L.2002, c.40 (C.52:9H-38) to the contrary, revenues derived from the corporation business tax during fiscal year 2004 shall not be credited to the “Corporation Business Tax Excess Revenue Fund” but shall be available as undesignated funds in the General Fund except as are dedicated by Article VIII, Section II, paragraph 6 of the State Constitution.

Any qualifying State aid or Grants-In-Aid appropriation, or part thereof, made from the General Fund may be transferred and recorded as an appropriation from the Casino Revenue Fund, as deemed necessary by the State Treasurer, in order that the Director of the Division of Budget and Accounting may warrant the necessary payments; provided however, that the available unreserved, undesignated fund balance in the Casino Revenue Fund, as determined by the State Treasurer, is sufficient to support the expenditure.

Providing that the contributions made during fiscal year 2005 by the University of Medicine and Dentistry of New Jersey and its affiliates to the University of Medicine and Dentistry of New Jersey – Self Insurance Reserve Fund is equal to the amount established in a memorandum of agreement between the Department of the Treasury and the University, and if after such amount having been contributed, the receipts deposited within the University of Medicine and Dentistry of New Jersey’s Self Insurance Reserve Fund are insufficient to pay claims expenditures, there is appropriated from the General Fund to the Self Insurance Reserve Fund such sums as may be necessary to pay the remaining claims, subject to the approval of the Director of the Division of Budget and Accounting.
In addition to any amounts hereinabove appropriated to pay debt service on bonds, notes and other obligations by the various independent authorities, payment of which is to be made by the State subject to appropriation pursuant to a contract with the State Treasurer or pursuant to a lease with a State department, there is hereby appropriated such additional sums as the Director of the Division of Budget and Accounting shall determine are required to pay all amounts due from the State pursuant to such contracts or leases, as applicable.

All proceeds derived from the sale of real property shall be deposited in the General Fund, and notwithstanding any other law to the contrary there are appropriated from the proceeds of the sale of real property such sums as may be determined by the State Treasurer to the department which formerly owned or operated the asset for the purpose of capital improvements, purchase of equipment, or other program expenses, subject to the approval of the Director of the Division of Budget and Accounting.

This act shall take effect July 1, 2004.
