

LEGISLATURE  
OVERVIEW

The Legislature is the State’s highest lawmaking body. It is one of the three separate and independent branches of government that make up the checks and balances system created by the New Jersey Constitution, and is empowered to appropriate funds for the operation of State government. The 40 members of the Senate are elected for a term of four years. The 80 members of the Assembly are elected for a term of two years. The Office of Legislative Services, a nonpartisan agency that provides legislators with economic and budget analyses required for making legislative decisions, is also a part of the legislative branch. Legislative commissions assist in the legislative process by providing in-depth studies, holding public hearings, and making recommendations on select issues as they arise.

**Budget Highlights**

The Fiscal 2008 recommendation for the Legislature is \$59.5 million. It provides \$11.9 million to the Senate and \$18.3 million to the Assembly. The recommendation also provides \$29.3 million to the Office of Legislative Services and \$15.2 million to the various legislative commissions.

The Fiscal 2008 Budget recommends line-item appropriations to seven legislative commissions:

The Intergovernmental Relations Commission provides funding which permits the State of New Jersey to participate as a member of national and regional organizations.

The Joint Committee on Public Schools provides an ongoing study of the system of free public schools--its financing, administration, and operations.

The Commission on Business Efficiency of the Public Schools studies and recommends improvements that will result in greater efficiency in the operation of public schools.

The State Commission of Investigation probes organized crime and improprieties in the conduct of public-funded programs. The Commission has repeatedly demonstrated its ability to uncover and document waste, fraud, and abuse at all levels of government via investigations that have recouped millions of dollars in tax revenues.

The objective of the Law Revision Commission is to simplify, clarify, and modernize New Jersey statutes. It conducts an ongoing review of the statutes in order to identify areas that require revision and considers suggestions and recommendations from the American Law Institute, the National Conference of Commissioners on Uniform State Laws, and other learned bodies and from judges, public officials, bar associations, members of the bar, and from the public generally. The Commission recommends the correction of inconsistent, obsolete and redundant statutes, and comprehensive modifications of select areas of the law.

The State Capitol Joint Management Commission ensures the artistic, historical, and architectural integrity of any restoration or preservation project at the State House, the State House Annex, and adjacent environs, and manages the Capitol Complex, including security and janitorial services.

The Clean Ocean and Shore Trust Committee studies strategies to enhance coastal tourism and preserve, protect, maintain, and restore the natural and scenic resources and the environmental integrity of the Hudson-Raritan estuary and the New York/New Jersey Bight area. The coasts of New York and New Jersey, along with a strong ocean current, create a triangular mini-sea wedge within the ocean, which is officially known as the New York/New Jersey Bight.

## 70. GOVERNMENT DIRECTION, MANAGEMENT, AND CONTROL

### 77. LEGISLATIVE COMMISSIONS AND COMMITTEES

The functions of the Intergovernmental Relations Commission (C52:9B-1 et seq.) are to participate as a member of regional and national commissions; to confer with officials of other states and the federal government; to formulate proposals for cooperation between this State and other states and with the federal government and to maintain liaison with inter-governmental agencies.

The functions of the Joint Committee on Public Schools Commission (C52:9B-1 et seq.) are to participate as a member of regional and national commissions; to confer with officials of other states and the federal government; to formulate proposals for cooperation between this State and other states and with the federal

government and to maintain liaison with inter-governmental agencies.

The State Commission of Investigation (C52:9M-1) conducts investigations in connection with the effective enforcement of the laws of the State, with a particular focus on organized crime and racketeering, the conduct of public officers and public employees, and of officers and employees of public corporations and authorities. The Commission, in addition, performs investigations at the direction of the Legislature or the Governor and recommends legislative or regulatory changes.

The Commission on Business Efficiency in the Public Schools (P.L. 1979, c.69) was established to develop and implement a five-year plan to monitor the recommendations of the task force on business efficiency and to recommend to the Legislature such statutory changes as may become necessary to facilitate improvements in the business efficiency of the public schools.

The functions of the Apportionment Commission, pursuant to Article IV, Section III of the New Jersey State Constitution, are to establish Senate and Assembly districts and apportion the senators and members of the General Assembly among them within one month of receipt by the Governor of the official decennial census of the United States for New Jersey.

The New Jersey Law Revision Commission (created by P.L. 1985, c.498) was established to promote and encourage the clarification and simplification of the laws of New Jersey. The Commission continually examines general and permanent statutory law and related judicial decisions to identify defects and anachronisms.

The function of the New Jersey Redistricting Commission is to formulate Congressional districts in New Jersey for the election of members to the United States House of Representatives. The

districts remain unaltered through the next year ending in zero in which a federal census for New Jersey is taken, unless the districts are ruled invalid by New Jersey or United States courts.

The State Capitol Joint Management Commission was created by P.L. 1992, c.67 for the purpose of maintaining, monitoring, and preserving the architectural, historical, cultural and artistic integrity of any completed project whose purpose is to restore, preserve or improve the capitol complex. The complex consists of the State House, the State House Annex and the adjacent environs. The eight-member commission is equally balanced with four members from the executive branch of State government and four members from the legislative branch.

The Clean Ocean and Shore Trust Commission was created by P.L. 1993, c.57 for the purpose of creating an 18 member bi-state committee, to be known as the Clean Ocean and Shore Trust (COAST) Committee. The committee studies strategies to preserve, protect, maintain, and restore the natural and scenic resources and the environmental integrity of the Hudson--Raritan estuary and the New York--New Jersey Bight area and to enhance coastal tourism.
