

LEGISLATURE  
OVERVIEW

**Mission and Goals**

The Legislature is the State’s highest lawmaking body. It is one of the three separate and independent branches of government that make up the checks and balances system created by the New Jersey Constitution, and is empowered to appropriate funds for the operation of State government. The 40 members of the Senate are elected for a term of four years. The 80 members of the Assembly are elected for a term of two years. The Office of Legislative Services, a nonpartisan agency that provides legislators with economic and budget analyses required for making legislative decisions, is also a part of the legislative branch. Legislative commissions assist in the legislative process by providing in-depth studies, holding public hearings, and making recommendations on select issues as they arise.

**Budget Highlights**

The Fiscal 2010 Budget recommendation for the Legislature is \$73.8 million. It provides \$11.4 million to the Senate and \$17.9 million to the Assembly. The recommendation also provides \$29 million to the Office of Legislative Services and \$15.5 million to the various legislative commissions.

The proposed Budget recommends line-item appropriations to five legislative commissions:

The Intergovernmental Relations Commission provides funding which permits the State of New Jersey to participate as a member of national and regional organizations.

The Joint Committee on Public Schools provides an ongoing study of the system of free public schools--its financing, administration, and operations.

The State Commission of Investigation probes organized crime and improprieties in the conduct of publicly-funded programs. The Commission has repeatedly demonstrated its ability to uncover and document waste, fraud, and abuse at all levels of government via investigations that have recouped millions of dollars in tax revenues.

The objective of the Law Revision Commission is to simplify, clarify, and modernize New Jersey statutes. It conducts an ongoing review of the statutes in order to identify areas that require revision and considers suggestions and recommendations from the American Law Institute, the National Conference of Commissioners on Uniform State Laws, and other learned bodies as well as from judges, public officials, bar associations, members of the bar, and the general public. The Commission recommends the correction of inconsistent, obsolete and redundant statutes, and comprehensive modifications of select areas of the law.

The State Capitol Joint Management Commission ensures the artistic, historical, and architectural integrity of any restoration or preservation project at the State House, the State House Annex, and adjacent environs, and also manages the Capitol Complex, including security and janitorial services.
