The amounts above for Interdepartmental Accounts do not include recommended funding of \$77,429 for New Jersey Building Authority.

***DEPARTMENT OF ENVIRONMENTAL PROTECTION***

## ENVIRONMENTAL PROTECTION

### **Overview**

The mission of the Department of Environmental Protection (DEP) is to assist the residents of New Jersey to preserve, sustain, protect, and enhance the environment and to integrate environmental quality with public health and economic vitality. The Department strives to accomplish its mission in partnership with the public, the business community, environmental groups, and all levels of government.

The Department's goals are to provide clean air and plentiful water supplies, combat suburban sprawl, protect viable ecosystems, and promote development and acquisition of parks and open space that is accessible to all of New Jersey's citizens. Included in the goals is the elimination of hazardous waste sites and remediation and reuse of industrial "brownfields" for commerce, homes, parks, and schools, thereby promoting sensible growth while ensuring the health and safety of the State's communities.

To accomplish these goals, the Department develops and enforces clear and reasonable scientific standards to protect public health, the environment, and natural resources. As part of the effort to protect and preserve the environment, DEP encourages use of environmentally friendly building materials, conservation of water supplies and energy, and recycling programs. To ensure a dynamic decision-making process for protection of the environment, the Department plans to increase public access to facility and resource data. Finally, the Department plans to provide increased public access to parks, waterfronts, protected open space, historic sites, and other natural resources.

### **State Parks and Open Space Preservation**

The State's parks are one of the most capital-intensive areas within the Department. DEP operates and maintains thirty-eight state parks, four marinas, twenty-seven historic sites, and many other natural and interpretive facilities. All of these facilities provide a major source of recreational, educational, and cultural activities for more than 13 million people annually.

The current funding source for open space acquisitions is the Garden State Preservation Trust Act, which dedicates \$98 million annually for open space acquisition, parks development, farmland purchases, and historic preservation. To ensure that the program is effective, the DEP will focus not only on the quantity, but also the quality of the open space that is acquired. This will include open space purchases to support the long-term protection of the State's precious drinking water resources, wildlife, and other natural resources. As part of the State's Anti-Sprawl policy, every effort will be made to discouraging undue growth and preserve unspoiled land.

### **Shore Protection, Flood Control, and Dam Repairs**

The Jersey Shore, the State's most valuable tourist attraction, is integral to the State's economy. To protect the beaches, the Shore Protection Program receives an annual dedication of \$25 million from the Realty Transfer Fee.

Funding for flood control projects will leverage millions in federal funds. Projects planned include the Ramapo River, the Green Brook, the Mill Brook, Molly Ann's Brook, Manish Park, South River, Harrison/Passaic River, and the Mahwah/Suffern River and Saddle River.

In 2003, voters approved a \$200 bond act that provided up to \$95 million for loans and other assistance for private dam restoration and repair. A total of \$15 million was allocated to departments for State-owned dams. State flood control projects received \$25 million and \$15 million was made available for dredging and cleaning privately-owned lakes and streams. The bond act also authorized \$50 million for water resource management and wastewater treatment projects.

### **Site Remediation, Community Revitalization: Brownfields Remediation**

The 1996 constitutional dedication of 4% of the annual revenue raised from the State's Corporation Business Tax (CBT) continues to finance the cleanup of privately owned underground storage tanks and remediation of contaminated sites. Funding from the CBT is also dedicated to watershed monitoring and planning programs to addresses water resource issues at each of the State's watersheds.

Abandoned or/and contaminated industrial sites are a major problem in older towns and cities. To address this problem, the Department created the Office of Brownfields to help towns remediate approximately 1,300 contaminated industrial sites. To fund these projects, in 2003 voters approved a constitutional amendment to allocate funds from the CBT for Brownfields redevelopment. Plans for such sites include commercial uses, residential developments, parks, and schools.

EQUIPMENT REPLACEMENT-URGENT

LOCATION: STATEWIDE

Dept Priority 5

Project ID: 42-127

Project Type Code: D02 Project Type Description: Acquisition-Equipment

<b>General:</b>	\$2,201	\$890	\$649	\$662	\$0
-----------------	---------	-------	-------	-------	-----

<b>Sub-Total:</b>	\$2,201	\$890	\$649	\$662	\$0
-------------------	---------	-------	-------	-------	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

Funding is requested for replacement equipment for the control of the state mosquito population. The commission annually expends a significant portion of its budget to maintain and make major repairs to this existing equipment, which is old and becoming too costly to repair. The State Mosquito Control Commission provides various types of equipment to the counties and the NJ Agricultural Experiment Station, on a year to year basis, under its Equipment Use Program. Equipment needed: Bulldozer/Backhoe (\$147,000), Tracked Vehicle (\$113,450), hydraulic Excavator (\$154,000), Bulldozer (\$147,000) and Amphibious Hydraulic Excavator (\$329,000). ADVERSE IMPACT- There is a substantial potential risk that the current aging equipment will not be economically repairable, which could impair ongoing statewide mosquito control and surveillance operations.

**ENGINEERING & CONSTRUCTION FLOOD CONTROL**

BAYSHORE FLOODGATE FACILITY-URGENT

LOCATION: KEANSBURG

Dept Priority 6

Project ID: 42-225

-------------------	---------	---------	---------	---------	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

Continued repair and rehabilitation is required to the storm water outfalls at the Bayshore Floodgate Facility in order to maintain flood control and prevent a safety hazard. In addition, existing storage sheds need to be replaced due to their advanced state of deterioration, and certain maintenance equipment used to maintain the entire area needs to be replaced. ADVERSE IMPACT: IF repairs and rehabilitation is not completed, adequate flood control cannot be maintained and will result in an increased safety hazard.

OPEN MARSH WATER MANAGEMENT

LOCATION: FORSYTHE WILDLIFE REFUGE

Dept Priority 8

Project ID: 42-201

Project Type Code: G10 Project Type Description: Public Purpose-Other

<b>General:</b>	\$501	\$167	\$167	\$167	\$0
-----------------	-------	-------	-------	-------	-----

<b>Sub-Total:</b>	\$501	\$167	\$167	\$167	\$0
-------------------	-------	-------	-------	-------	-----

**Operating Impact: Increase: \$0 Decrease: \$0**

Funds are requested for a multi-year open marsh water management project on breeding habitat at the Forsythe National Wildlife Refuge. This critical ongoing project will provide for mosquito control via source reduction and eliminate the use of pesticides. Mosquito control via non-pesticide intensive methods is critical to the health of both the state's residents and the fragile ecology of this area. Adverse Impact: Failure to complete the open marsh water project will result in continued applications of aerially applied pesticides on the refuge.

**PUBLIC FUNDED SITE REMEDIATION**

HAZARDOUS WASTE

LOCATION: STATEWIDE

Dept Priority 9

Project ID: 42-004

Project Type Code: G03 Project Type Description: Public Purpose-Hazardous Waste Site Clean-up

<b>Federal:</b>	\$70,000	\$10,000	\$10,000	\$10,000	\$40,000

-------------------	-----------	----------	----------	----------	-----------

**Operating Impact: Increase: \$0 Decrease: \$0**

Continue the clean-up efforts now in progress that are of the highest priority to protect human health and the environment. The State's portion of funding is premised upon continuation of Superfund (federal) monies at an estimated annual allocation of \$10 million annually. Lack of funding for this project would have a potentially negative impact on both the health and well being of the State's residents and on the environment. Of the projected Corporate Business Tax dedication, approximately \$19.2 million will be dedicated to Hazardous Waste Cleanup.

**PUBLIC FUNDED SITE REMEDIATION**

BROWNFIELDS REMEDIATION

LOCATION: STATEWIDE

Dept Priority 10

Project ID: 42-203

<b>Sub-Total:</b>	\$4,500	\$1,500	\$1,500	\$1,500	\$0

**Operating Impact:** Increase: \$0 Decrease: \$0

Funds are urgently needed for asbestos removal, radon mitigation, removal of underground storage tanks, and the removal of lead paint to comply with health and safety requirements at various facilities. Adverse impact: Lack of funding for this project will mean a critical lack of compliance with various health and safety standards and the possible danger to the safety of park clients. Some facilities may need to be closed until work is completed.

**FISH GAME AND WILDLIFE RECREATIONAL DEVELOPMENT**

STATEWIDE, HEALTH & LIFE SAFETY IMPROVEMENTS-URG.

LOCATION: STATEWIDE

Dept Priority 12

Project ID: 42-190

Project Type Code: E03 Project Type Description: Construction-Renovations and Rehabilitation

<b>General:</b>	\$1,200	\$400	\$400	\$400	\$0
<b>Sub-Total:</b>	\$1,200	\$400	\$400	\$400	\$0

**Operating Impact:** Increase: \$0 Decrease: \$0

This program is designed to deal with life safety upgrades at all Division structures and facilities including radon, carbon monoxide, asbestos abatement, fire safety inspections and compliance, septic system upgrades, roof replacements and other structural upgrades that need to be dealt with on a priority basis. The Division is responsible for maintaining dozens of buildings, offices, recreational facilities and other structures to which this program would apply. ADVERSE IMPACT: The impacts of not funding this program include significant maintenance costs at all existing buildings as well as the continuation of chronic employee and public safety problems.

**PARKS AND FORESTRY RECREATIONAL DEVELOPMENT**

ROADS, PARKING & BRIDGE REPAIRS

LOCATION: STATEWIDE

<b>Sub-Total:</b>	\$200	\$120	\$40	\$40	\$0

**Operating Impact: Increase: \$0 Decrease: \$0**

Six distribution wells supply the Pequest Hatchery with water to produce over 750,000 trout a year. The trout are distributed to approximately 200 locations, throughout the State, and generate approximately 50 million dollars to the State's economy each year. All the pumps have been operational since the late 1980's and urgently need to be upgraded. This project will involve upgrading well pumps and related equipment to maintain a consistent water supply to the hatchery. Two pumps per fiscal year will be pulled and upgraded. A large dump truck must come in and pull the well and install a new replacement pump at each locations. ADVERSE IMPACT: If this project is not funded then the well pump upgrading can not be completed. These wells are the hatchery's backbone and upgrading this equipment is vital to the success of the State's fish culture program.

<b>General:</b>	\$100	\$100	\$0	\$0	\$0
<b>Sub-Total:</b>	\$100	\$100	\$0	\$0	\$0

**Operating Impact:** Increase: \$0 Decrease: \$5

This project will involve upgrading the heating system that supplies heat to the three buildings that make up the Pequest Hatchery and Natural Resource and Education Center. There are 6 units that have outlived their normal working life and require upgrading. The efficiency of heating systems has greatly improved since the construction of the hatchery and a system upgrade should provide a savings in annual heating costs to the facility. ADVERSE IMPACT: If this project is not funded the heating system will continue to run inefficiently and the significant annual heating costs savings can not be achieved. Also, the continual maintenance and repair costs can not be alleviated.

<b>General:</b>	\$4,570	\$1,570	\$1,500	\$1,500	\$0
<b>Sub-Total:</b>	\$4,570	\$1,570	\$1,500	\$1,500	\$0

**Operating Impact:** Increase: \$0 Decrease: \$0

The division is requesting to install three boat ramps on the following lakes in the Assunpink WMA: Rising Sun Lake and Stone Tavern Lake. The new boat ramp facilities will include a concrete boat ramp, paved parking lot and increased lighting. Additionally, a boat launch ramp is needed to provide access to Splitrock Reservoir in Morris County. Urgent repairs are also needed to existing state ramps on Dennis Creek in Cape May County and on the Maurice River in Cumberland County. ADVERSE IMPACT: Fisherman, hunters and the general public will continue with poor boat launching facilities and increased maintenance costs to the Division. People with disabilities will continue to be denied reasonable access to these recreational facilities.

**PARKS AND FORESTRY RECREATIONAL DEVELOPMENT**

STATE FOREST CAMPGROUNDS-URGENT

LOCATION: STATEWIDE

Dept Priority 21

Project ID: 42-152

Project Type Code: E03 Project Type Description: Construction-Renovations and Rehabilitation

<b>General:</b>	\$3,050	\$450	\$1,300	\$1,300	\$0
<b>Sub-Total:</b>	\$3,050	\$450	\$1,300	\$1,300	\$0

**Operating Impact:** Increase: \$0 Decrease: \$0

Funding is requested to improve and expand the existing campground facilities located within Stokes State Forest, Belleplain State Forest and Bass River State Forest. The current facilities are inadequate to support demand from clients. Adverse impact: Lack of Funding will result in severely limiting the number of clients who use the facilities and impairing their safety. It will also result in potential lost revenue for these parks.

**FISH GAME AND WILDLIFE RECREATIONAL DEVELOPMENT**

STATEWIDE ROADS, BRIDGES, PARKING AREAS-URGENT

LOCATION: STATEWIDE

Dept Priority 22

Project ID: 42-039

Project Type Code: F02 Project Type Description: Infrastructure-Roads and Approaches

<b>General:</b>	\$4,500	\$1,500	\$1,500	\$1,500	\$0
<b>Sub-Total:</b>	\$4,500	\$1,500	\$1,500	\$1,500	\$0

**Operating Impact:** Increase: \$0 Decrease: \$0

Funds are requested to repair access roads, bridges and parking areas on WMA's. Repairs include blacktopping, gravel, structural refurbishment, road grading, bush clearing and the creation of firebreaks. The division has over 100 WMAs that are utilized by bird watchers, fisherman, hunters and for the citizens of the State that enjoy wildlife viewing and other types of outdoor recreation. In order to maintain these facilities, new equipment in the form of a D-6 size bulldozer for statewide use and 2 front end loaders are needed. There are continual needs to grade heavily traveled dirt roads and move soil and gravel. ADVERSE IMPACT: Failure to receive funds for access road, bridge and parking area repairs will limit access to the public. This diminishes the public's opportunity to utilize the wildlife areas and public facilities which include boat ramps, interpretive trails and signs, observation platforms, and general wildlife viewing. It also hampers the Division's ability to patrol these areas and to respond to emergencies. Lack of firebreak development negatively impacts public safety.

-------------------	---------	---------	-----	-----	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

Funds are requested in order to meet the Dam Safety Act requirement that Class II (pose a significant hazard) dams be inspected bi-yearly, and that needed repairs recommended as a result of these inspections be done so immediately. The requested funds are to do required repairs to 9 Class II and 2 Class III dams. Adverse impact: Lack of funding for this project will mean failure to comply with the Dam Safety Act.

**FISH GAME AND WILDLIFE RECREATIONAL DEVELOPMENT**

BUILDING DEMOLITION-URGENT

LOCATION: STATEWIDE

Dept Priority 28

Project ID: 42-042

Project Type Code: E01 Project Type Description: Construction-Demolition

<b>General:</b>	\$2,000	\$500	\$500	\$500	\$500
-----------------	---------	-------	-------	-------	-------

<b>Sub-Total:</b>	\$2,000	\$500	\$500	\$500	\$500
-------------------	---------	-------	-------	-------	-------

**Operating Impact:** Increase: \$0 Decrease: \$0

Over the past twenty years or so, we have been accumulating derelict buildings but have had limited funds available to demolish them. As a result, we have developed a serious backlog of buildings that require demolition and more will be acquired in the not too distant future. Approximately \$500,000 per year is needed to demolish all the structures currently on our list. These old structures are magnets for illegal uses and represent significant sources of potential liability as attractive nuisances. The division regularly receives complaints from local officials about dealing with them. This is an urgent and growing need. This funding would also be used to clean up dumped tar at the site of the former Kramer Tar Plant on Pequest WMA. ADVERSE IMPACT: The State will be exposed to serious liability issues as long as the demolition of these buildings is not accomplished.

**Department of Environmental Protection**

STATEWIDE WMA STORAGE BUILDINGS-URGENT

LOCATION: STATEWIDE

Dept Priority 29

Project ID: 42-035

Project Type Code: E03 Project Type Description: Construction-Renovations and Rehabilitation

<b>General:</b>	\$800	\$400	\$400	\$0	\$0
<b>Sub-Total:</b>	\$800	\$400	\$400	\$0	\$0

**Operating Impact:** Increase: \$0 Decrease: \$0

Storage Buildings -- Northern, Central and Southern Regions. Regional storage building upgrades are needed to house and maintain existing equipment inventories. The crews assigned to these areas are responsible for over 100 WMA's approximately 300,000 acres in size. Heavy equipment operations for much of the State are administered from these field offices. Over the last ten years, one garage and one storage building have been demolished. The storage building was never replaced. The existing shops and office structures are in poor condition. In some cases, tractors, graders and other heavy equipment are stored outdoors due to a lack of storage facilities. This results in accelerated deterioration and increased maintenance costs. ADVERSE IMPACT: There could be significant maintenance costs for equipment stored at all existing buildings, some of which are over 50 years old.

**PARKS AND FORESTRY RECREATIONAL DEVELOPMENT**

FORKED RIVER MARINA DREDGING-URGENT

LOCATION: OCEAN COUNTY

Dept Priority 30

Project ID: 42-199

Project Type Code: E03 Project Type Description: Construction-Renovations and Rehabilitation

<b>General:</b>	\$2,300	\$300	\$2,000	\$0	\$0
<b>Sub-Total:</b>	\$2,300	\$300	\$2,000	\$0	\$0

**Operating Impact:** Increase: \$0 Decrease: \$0

Funding is required to perform dredging at Forked River State Marina. This work is necessary to allow both continued safe access to and safe operation of the marina. Adverse impact: Lack of funding would have a severe negative impact on the ability of boats to access the marina safely without striking bottom.

**FISH GAME AND WILDLIFE RECREATIONAL DEVELOPMENT**

STATEWIDE WMA ADA-URGENT

<b>General:</b>	\$6,000	\$2,000	\$2,000	\$2,000	\$0
<b>Sub-Total:</b>	\$6,000	\$2,000	\$2,000	\$2,000	\$0

**Operating Impact:** Increase: \$150 Decrease: \$0

The renovation of the Hackettstown State Fish Hatchery has been ongoing for the past 5 years. This phase will be concerned with upgrading the water supply to the rearing units and hatchery, expanding the Visitor's Center facilities, and renovation of the outside rearing facilities and water delivery system. This hatchery was built in 1912, and is in need of repair and upgrade. Phases 1 and 2 began this process; therefore, Phase 3 is the logical continuation of this work. The new intensive culture facility currently relies on 96 year old pipeline for it's water supply. Presently, hatchery conditions are unsafe for general visitation. The Hackettstown Hatchery supplies the warmwater/coolwater fish stocked within the state. Over 2,000,000 fish, 16 species, are raised annually and supply fish for the Children's Fishing Derby program, State Mosquito Control Program and the State's 150,000+ anglers. ADVERSE IMPACT: The annual hatchery output is one of the prime revenue sources for the Division. If this project is not funded, money is lost by the eliminatin of Children's Derby Day, decreased fishing license sales and the elimination of stocking programs. The failing rearing tanks could result in the loss of intensive culture abilities at the hatchery, greatly reducing the production of a number of species of fish at the hatchery.

Project ID: 42-031

Project Type Code: G05 Project Type Description: Public Purpose-Recreational or Open Space Development

<b>General:</b>	\$800	\$100	\$350	\$350	\$0
-----------------	-------	-------	-------	-------	-----

<b>Sub-Total:</b>	\$800	\$100	\$350	\$350	\$0
-------------------	-------	-------	-------	-------	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

Funding of this project would allow us to increase the spawning habitat available to American shad, river herring, striped bass and other species of fish by providing them a way to pass through dams that currently block their migration upstream in a variety of locations throughout the state. This will increase recreational opportunities, and provide economic benefits to those business' that would cater to fishermen. The Raritan River fishways are of particular importance where the American Cyanamid, Nevia St. and Lower Dukes Island dams restrict migratory fish passage to the lower urbanized portions of the river. ADVERSE IMPACT: If the fishways are not installed in the dams, the spawning grounds for anadromous fish will continue to be restricted.

**PARKS AND FORESTRY RECREATIONAL DEVELOPMENT**

STATEWIDE DAM REPAIRS & INSPECT-CLASS II

LOCATION: STATEWIDE

Dept Priority 55

Project ID: 42-164

Dept Priority 68

Project ID: 42-063

Project Type Code: E03 Project Type Description: Construction-Renovations and Rehabilitation

<b>General:</b>	\$450	\$250	\$200	\$0	\$0
-----------------	-------	-------	-------	-----	-----

<b>Sub-Total:</b>	\$450	\$250	\$200	\$0	\$0
-------------------	-------	-------	-------	-----	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

In 1986 the NJ Division of Fish & Wildlife invested more than \$300,000 in developing a series of interpretive exhibits at Pequest. These exhibits have been enjoyed by millions of visitors over the past ten years. However, several of these displays are in need of repair/replacement. Based upon an evaluation of existing displays and the advice of a professional exhibit house, the funds are being requested to complete the renovation/replacement project at Pequest. ADVERSE IMPACT: Failure to implement this project will prevent visitors to the Pequest Education center from gaining a better understanding of the importance of the State's natural resource to people and the quality of life for all who live and work in the Garden State.

**Operating Impact:** Increase: \$0 Decrease: \$0

Capital funds are being requested for the conservation of artifacts and furnishings located in historic structures throughout the state to preserve them for future generations. Adverse impact: Lack of funding for this project may cause irreparable damage to these artifacts, which due to their unique historical nature cannot be replaced.

**FISH GAME AND WILDLIFE RECREATIONAL DEVELOPMENT**

HACKETTSTOWN HATCHERY EDUCATION EXHIBIT DEV.

LOCATION: WARREN COUNTY

Dept Priority 70

Project ID: 42-067

Project Type Code: E03 Project Type Description: Construction-Renovations and Rehabilitation

<b>General:</b>	\$900	\$0	\$900	\$0	\$0
-----------------	-------	-----	-------	-----	-----

<b>Sub-Total:</b>	\$900	\$0	\$900	\$0	\$0
-------------------	-------	-----	-------	-----	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

Funds are needed to develop educational exhibits for the Hackettstown Hatchery's visitor center. Approximately 25,000 visitors and school children are expected to visit this facility annually. These educational displays will help DEP achieve its mission by enhancing environmental awareness and stewardship through education and communication. It is imperative that as our population continues to grow, we do not lose touch with the natural resources found in the environment which are critical to our survival. ADVERSE IMPACT: Failure to implement this project will prevent visitors to the Hackettstown Hatchery from gaining a better understanding of the importance of the State's natural resources to people and the quality of life for all who live and work in the state.

MAGNESITE INTERPRETIVE FACILITY SITE IMPROVEMENT

LOCATION: CAPE MAY COUNTY

Dept Priority 71

Project ID: 42-145

Project Type Code: E04 Project Type Description: Construction-Other

<b>General:</b>	\$5,900	\$900	\$2,500	\$2,500	\$0
-----------------	---------	-------	---------	---------	-----

<b>Sub-Total:</b>	\$5,900	\$900	\$2,500	\$2,500	\$0
-------------------	---------	-------	---------	---------	-----

**Operating Impact:** Increase: \$220 Decrease: \$0

Funding is requested to prepare the old Magnesite industrial site for the new Cape May Point interpretive center. This includes demolition of old structures as well as generalized site preparation work. Also included are construction costs for the new interpretive center. Adverse impact: Not funding this request will mean that the Cape May Point interpretive center cannot be constructed. This will deprive visitors of the opportunity to learn important environmental and historical information about the Cape May Point area.

**PARKS AND FORESTRY SPECIAL/HISTORICAL DEVELOPMENT**

SITWORK-SPECIAL/HISTORIC

LOCATION: STATEWIDE

Dept Priority 72

Project ID: 42-157

Project Type Code: E03 Project Type Description: Construction-Renovations and Rehabilitation

<b>General:</b>	\$3,050	\$900	\$1,100	\$1,050	\$0

-------------------	---------	-------	---------	---------	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

Funding is requested for sitework improvements at the following special/historic locations: Double Trouble; Monmouth Battlefield expansion; Washington Crossing S.P.; Princeton Battlefield; D&R Canal S.P. towpath restoration. Adverse Impact: Lack of funding for these projects will result in safety concerns for clients as well as reduced usability of the areas.

**FISH GAME AND WILDLIFE RECREATIONAL DEVELOPMENT**

PEQUEST HATCHERY FEED BINS

LOCATION: WARREN COUNTY

Dept Priority 73

Project ID: 42-181

Project Type Code: E02 Project Type Description: Construction-New

<b>General:</b>	\$50	\$50	\$0	\$0	\$0
-----------------	------	------	-----	-----	-----

<b>Sub-Total:</b>	\$50	\$50	\$0	\$0	\$0
-------------------	------	------	-----	-----	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

This project will involve painting/upgrading the feed storage bins at the hatchery. This structure is approximately 50' tall by 20' square and holds up to 200,000 pounds of fish food. This structure is exposed to the elements all year round. It was painted 12 years ago. Painting will extend the life of this structure and improve the overall appearance of the hatchery. ADVERSE IMPACT: If this project is not funded, the feed bins will eventually rust through and become unusable. Fish feed will break down and develop mold if it gets wet. A new feed bin would cost around \$500,000 to purchase and install.

WILDCAT RIDGE HAWK WATCH

LOCATION: ROCKWAY TWP, MORRIS COUNTY

Dept Priority 91

Project ID: 42-081

Project Type Code: E04 Project Type Description: Construction-Other

<b>General:</b>	\$1,700	\$200	\$1,500	\$0	\$0
-----------------	---------	-------	---------	-----	-----

<b>Sub-Total:</b>	\$1,700	\$200	\$1,500	\$0	\$0
-------------------	---------	-------	---------	-----	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

In 1995, a hawk watch was established on a ridge top located within the Wildcat Ridge WMA. The hawk watch is registered as an official data collection point with the Hawk Migration Association of North America. Each spring and fall thousands of migrating hawks, eagles, osprey and songbirds, are recorded as they pass the watch. Visitation has grown extensively during the last 5 years, through word of mouth only. If the type of marketing that is done for Hawk Mountain in PA is done for this site, visitation could easily grow to 1,000 visitors per weekend and provide a quality educational experience. A visitor center similar to the one located at Hawk Mountain in PA is necessary. This request is for funds to plan and build a visitor center and for the interpretive displays and signs that will be developed within the facility. This would provide a significant economic and ecotourism development opportunity for the surrounding communities that would provide services to visitors. It would also provide quality educational programs to children and adults that would build support for wildlife and open space conservation. ADVERSE IMPACT: A visitor center can not be developed and additional visitation can't be accommodated. The public will be denied a quality outdoor experience and educational opportunity and a significant economic opportunity for surrounding communities will be forfeited. The state will also miss an opportunity to be recognized as a national leader in hawk migration study and education.

**FISH GAME AND WILDLIFE RECREATIONAL DEVELOPMENT**

HUNTER EDUCATION TRAINING CENTERS-URGENT

LOCATION: STATEWIDE

Dept Priority 92

Project ID: 42-129

Project Type Code: E02 Project Type Description: Construction-New

<b>General:</b>	\$2,950	\$700	\$750	\$1,500	\$0
-----------------	---------	-------	-------	---------	-----

<b>Sub-Total:</b>	\$2,950	\$700	\$750	\$1,500	\$0
-------------------	---------	-------	-------	---------	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

The DEP Division of Fish, Game and Wildlife currently maintains hunter training ranges on 13 WMA's to improve hunter safety and proficiency. There is a need to upgrade existing ranges and to provide additional ranges as evidenced by the intense use of existing areas. All shooting training areas using rifles should be upgraded to no-blue sky baffling to contain errant projectiles. The funds requested would be to upgrade existing ranges and to construct seven shotgun and bow and arrow training areas and ten no-blue sky rifle training areas and make them accessible for handicapped sportsmen. ADVERSE IMPACTS: NJ law requires all persons wishing to purchase a hunting license shall present a hunter education course completion card or a previously issued resident license from this or any State. Failure to provide these training areas will impede the goal of the Hunter Education Unit to place a safe, responsible, knowledgeable, and involved hunter in the field.

Project Type Code: E03 Project Type Description: Construction-Renovations and Rehabilitation

<b>General:</b>	\$2,150	\$600	\$1,550	\$0	\$0
-----------------	---------	-------	---------	-----	-----

<b>Sub-Total:</b>	\$2,150	\$600	\$1,550	\$0	\$0
-------------------	---------	-------	---------	-----	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

Repairs/renovations are required to the site area including the interpretive center, the maintenance area and ramp areas. Adverse impact: Lack of funding for this project will result in increased future costs if the work is deferred and diminished accessibility and safety for clients.

**FISH GAME AND WILDLIFE RECREATIONAL DEVELOPMENT**

NACOTE CREEK BOAT BASIN ACCESS CHANNEL DREDGING

LOCATION: ATLANTIC COUNTY

Dept Priority 95

Project ID: 42-055

Project Type Code: E04 Project Type Description: Construction-Other

<b>General:</b>	\$400	\$400	\$0	\$0	\$0
-----------------	-------	-------	-----	-----	-----

<b>Sub-Total:</b>	\$400	\$400	\$0	\$0	\$0
-------------------	-------	-------	-----	-----	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

Funding is requested to enable the maintenance dredging of the division's South Jersey Nacote Creek Research Facility's boat basin. This mooring area is a man-made lagoon which was constructed back in the 1950's and maintenance dredged in 1984. The Bureau of Marine Fisheries, Shellfisheries, Law Enforcement, Wildlife and Land Management are provided tidewater access and mooring at this facility by a lagoon, bulkhead, floating docks constructed in 1966 and a boat ramp. Presently there is heavy shoaling of the canal, beginning at the entrance and extending the entire length. This condition prevents both division and other State boats from transiting the canal except at high water. ADVERSE IMPACT: The shoaling conditions are continuing to affect scheduling of field operations which are weather dependant. Not correcting this situation will limit the division's ability to conduct federal programs, respond to DEP priority issues/emergencies and reduce marine law enforcement activities.

<b>Sub-Total:</b>	\$500	\$200	\$300	\$0	\$0

**Operating Impact:** Increase: \$0 Decrease: \$0

Improvements to parking facilities and trailheads at Ramapo State Park. Adverse impact: Lack of funding for this project will severely compromise the ability of clients to use the facility and will also have a negative impact on their safety.

**FISH GAME AND WILDLIFE RECREATIONAL DEVELOPMENT**

MARINE FISHERIES RESOURCE EDUCATION CENTER  
LOCATION: ATLANTIC COUNTY

Dept Priority 97  
Project ID: 42-061  
Project Type Code: E03 Project Type Description: Construction-Renovations and Rehabilitation

<b>General:</b>	\$13,500	\$0	\$6,500	\$7,000	\$0
<b>Sub-Total:</b>	\$13,500	\$0	\$6,500	\$7,000	\$0

**Operating Impact:** Increase: \$0 Decrease: \$0

The South Jersey Nacote Creek field office complex, located on the federally-owned U.S. Fish and Wildlife Service's Forsythe National Wildlife refuge is a 1930's vintage residence that was converted into offices, laboratories, and storage for division staff. The Bureau's housed here represent 40 fulltime and 20 part-time employees that work in an old residential building, including the basement, and in several scattered trailers. A new joint facility, developed in cooperation with the US Fish and Wildlife Service, could centralize the staff, reduce overcrowding, improve interagency communication and provide a processing area for issuing licenses. ADVERSE IMPACTS: The overcrowded conditions continue to make it difficult to maintain and organize a quiet, healthy, productive work place. Without this new facility, it will probably be necessary to purchase/rent temporary office space.

**PARKS AND FORESTRY - LIBERTY STATE PARK**

LIBERTY STATE PARK TRAIN SHEDS  
LOCATION: HUDSON COUNTY

PEQUEST TRAIL AND FISHING ACCESS

LOCATION: WARREN COUNTY

Dept Priority 102

Project ID: 42-064

Project Type Code: G04 Project Type Description: Public Purpose-Road and Bridge Repair or Construction

<b>General:</b>	\$300	\$300	\$0	\$0	\$0
-----------------	-------	-------	-----	-----	-----

<b>Sub-Total:</b>	\$300	\$300	\$0	\$0	\$0
-------------------	-------	-------	-----	-----	-----

**Operating Impact: Increase:** \$0      **Decrease:** \$0

Funds are requested to improve an abandoned rail bed to a multi-use trail for biking, hiking and fishing access and for administrative vehicular and recreational foot traffic. Fishing access and trout stocking at the present time is from the shoulder of state Route 46, which is a hazard due to high speed traffic. Access from the south side of the Pequest river would dovetail with the Governor's and Commissioner's fishing access initiatives and would also allow safer stocking of the various sites along the river. ADVERSE IMPACT: If not implemented, this project would miss a real opportunity to provide meaningful educational wildlife recreation and vastly improved fishing opportunities. It would also take away from significant ecotourism developmental potential from Warren County and local governments. Also, there is a great potential for safety hazards with the continuous use of Route 46 for fishing access.

**MUNICIPAL WASTEWATER ASSISTANCE**

WASTEWATER TREATMENT

LOCATION: STATEWIDE

Dept Priority 103

Project ID: 42-006

<b>General:</b>	\$1,000	\$250	\$250	\$250	\$250
<b>Sub-Total:</b>	\$1,000	\$250	\$250	\$250	\$250

**Operating Impact: Increase: \$0 Decrease: \$0**

More than 3 million citizens annually participate in wildlife recreational activities in NJ, contributing \$3.8 billion annually to the State's economy. Funds requested are for the expansion of natural resource interpretative signs and wayside exhibits that are part of the Watchable Wildlife Project at select WMA's throughout the State. In addition, funds will be used to improve the infrastructure at these areas. Projects will include the development of boardwalk trails, parking areas, clivus multirum rest rooms and observation platforms. These amenities and educational displays will help DEP achieve its mission by enhancing environmental awareness and stewardship through education and communication. ADVERSE IMPACT: Visitors to the WMA's will be prevented from gaining a better understanding of the importance of the State's natural resources to people and the quality of life for all who live and work in the state. It is imperative that as our population continues to grow, we do not lose touch with the natural resources found in the environment which are critical to our survival.

**FISH GAME AND WILDLIFE RECREATIONAL DEVELOPMENT**

SPARTA MOUNTAIN WILDLIFE MANAGEMENT AREA  
LOCATION: SUSSEX COUNTY

Dept Priority 105

Project ID: 42-130

***DEPARTMENT OF HUMAN SERVICES***

## HUMAN SERVICES

### **Overview**

The New Jersey Department of Human Services is the State's health and social services agency that assists more than one million of New Jersey's most vulnerable citizens, or about one of every eight New Jersey residents.

DHS serves individuals and families with low incomes; people with mental illnesses, developmental disabilities, or late on-set disabilities; people who are blind, visually impaired, deaf, hard of hearing or deaf-blind; parents needing child care services, child support and/or healthcare for their children; and families facing catastrophic medical expenses for their children.

### **Institutional Care**

The State maintains five psychiatric facilities to serve voluntarily admitted or legally committed persons with mental illnesses. The State administers seven developmental centers, which provide residential, rehabilitative, and educational services for the developmentally disabled. Also, the State administers one rehabilitation center for the blind and visually impaired.

### **Community Services**

In addition to the direct care facilities, the Department offers a wide array of residential and support services for the developmentally disabled and for individuals with mental illnesses who are capable of living under less restrictive community setting. The Division of Mental Health Services coordinates and provides community-based supports such as counseling, emergency screening, case management, and residential and day program services. For the developmentally disabled who can function under less restrictive settings, the Division of Developmental Disabilities provides essential programs in a community setting to meet the specific needs of clients and their families, with the goal of preventing institutionalization.

### **Health Care Services**

Medicaid is the State's principal health care safety net for more than one million low-income parents and children, the elderly, and people with chronic illnesses and disabilities. However, for uninsured families and their dependent children who are ineligible for Medicaid health insurance coverage is provided through The NJ FamilyCare Program.

### **Family Development Services**

The responsibility of the Division of Family Development is to establish, maintain, and supervise an effective public assistance system. This includes the State Work First New Jersey program, health care, food stamps, childcare, child support, and training programs designed to increase the economic self-sufficiency of individuals and families receiving public assistance. The program also provides housing and rental subsidy to eligible families.

All 7 DDD Developmental Centers and 2 DMHS Hospitals are requesting funding for improvements and replacement of their HVAC systems in order to ensure that adequate heat, ventilation and air conditioning are supplied to all buildings. The existing HVAC systems do not maintain adequate comfort levels. This issue has been cited in recent surveys and poses a threat to the health and safety of our residents. Due to the age of the systems, replacement parts are no longer available for repairs. The Hunterdon amount relates to the High Temperature Hot Water System (HTHW) that is desperately in need of replacement. The existing systems are also not energy efficient. Projects in priority order:

- 1.Hunterdon HVAC \$5.5M (Includes 2 new Chillers) 2.New Lisbon HVAC \$7.5M 3.Woodbine HVAC \$3.6M, 4.Vineland HVAC \$4.6M, 5.Green Brook HVAC \$1.5M, 6.Woodbridge HVAC \$7.7M, 7.Ancora HVAC \$3M, 8.Trenton HVAC \$5M, 9.North Jersey HVAC \$2.535M

REPLACE STEAM LINES

LOCATION: NORTH JERSEY & WOODBRIDGE DC

Dept Priority 3

Project ID: 54-226

Project Type Code: A02 Project Type Description: Preservation-HVAC

<b>General:</b>	\$12,000	\$1,000	\$11,000	\$0	\$0
-----------------	----------	---------	----------	-----	-----

<b>Sub-Total:</b>	\$12,000	\$1,000	\$11,000	\$0	\$0
-------------------	----------	---------	----------	-----	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

North Jersey; The existing piping system is more than 30 years old. The system consists of condensate and steam lines in an encased conduit filled with asbestos-containing insulating material. The lines provide steam for heating and cooking throughout the campus. Numerous leaks have been reported. due to the poor condition of the lines, the boilers require 90% of make up water which in turn increases operating costs.

WoodBridge; Operating at full pressure has resulted in pressure leaks in the remaining steam and condensate line distribution network which is more than 33 years old. The frequency and severity of the leaks is increasing and could lead to a total system-wide failure. Underground high pressure return lines have been shutdown due to major leaks.

**ANCORA PSYCHIATRIC HOSPITAL**

CAPPING LANDFILLS

LOCATION: ANCORA PSYCHIATRIC HOSPITAL

Dept Priority 4

Project ID: 54-280

Project Type Code: C01 Project Type Description: Environmental-Hazardous Substances

<b>General:</b>	\$6,050	\$750	\$1,200	\$1,800	\$2,300
-----------------	---------	-------	---------	---------	---------

<b>Sub-Total:</b>	\$6,050	\$750	\$1,200	\$1,800	\$2,300
-------------------	---------	-------	---------	---------	---------

**Operating Impact:** Increase: \$0 Decrease: \$0

Ancora has closed landfills (3) which must be capped per NJDEP and Pineland Commission requirements. Design costs for sites is (\$750), Ballfield capping cost (\$1,200), Northern site capping cost is (\$1,800) and the Railroad site capping cost is (\$2,300).

**NEW LISBON DEVELOPMENTAL CENTER**

NEW WELLS

LOCATION: NEW LISBON DEVELOPMENTAL CTR

Dept Priority 5

Project ID: 54-225

Project Type Code: F03 Project Type Description: Infrastructure-Water Supply-State Facilities

<b>General:</b>	\$2,000	\$2,000	\$0	\$0	\$0
-----------------	---------	---------	-----	-----	-----

<b>Sub-Total:</b>	\$2,000	\$2,000	\$0	\$0	\$0
-------------------	---------	---------	-----	-----	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

Three new wells are needed. Well #3 has been out of service for several years due to a high sulfur content. The two wells in service are only 83 feet deep. They are not deep enough to service the facility in a drought and are more susceptible to contamination. Deeper wells must be drilled to at least 300 feet.

CORRECT FIRE SAFETY VIOLATIONS

LOCATION: VARIOUS BUILDINGS

Dept Priority 6

Project ID: 54-282

Project Type Code: B02 Project Type Description: Compliance-Fire Safety Over \$50,000

<b>General:</b>	\$3,352	\$3,352	\$0	\$0	\$0
-----------------	---------	---------	-----	-----	-----

<b>Sub-Total:</b>	\$3,352	\$3,352	\$0	\$0	\$0
-------------------	---------	---------	-----	-----	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

Vineland has received multiple DCA Bureau of Fire Safety citations for exit signage and emergency egress for 20 buildings. This project will install exit signage and emergency egress lighting in 20 buildings. (\$500,000)

DCA Bureau of Fire Safety has also cited 4 Vineland patient buildings on the West Campus and 10 support buildings on the East and West Campus for the poor condition of the fire escapes. The existing structures are encased with lead based paint. This project will replace a total of 19 fire escapes. (\$2 million)

At Woodbine they need to retrofit their fire suppression system with exterior sprinkler heads in accordance with NFPA 101 Life Safety code and upgrade their fire alarm panels in 10 buildings to to their age and condition(\$300k).

Hagdorn: Three non-patient buildings (#6,9,and 27) have been cited for fire code non-conformance re fire alarm systems and egress issues. The engineering design for these upgrades as been completed. (\$.552)

**DIVISION OF MENTAL HEALTH SERVICES**

DMHS PROGRAM SPACE, A/C & FIRE SUPPRESSION

LOCATION: IVY HALL, LINCOLN

Dept Priority 7

Project ID: 54-053

Project Type Code: E03 Project Type Description: Construction-Renovations and Rehabilitation

<b>General:</b>	\$3,500	\$3,500	\$0	\$0	\$0
-----------------	---------	---------	-----	-----	-----

<b>Sub-Total:</b>	\$3,500	\$3,500	\$0	\$0	\$0
-------------------	---------	---------	-----	-----	-----

**Operating Impact:** Increase: \$0 Decrease: \$0

Trenton Psychiatric Hospital has recently seen a change in the type of patients cared for. They are younger and more active requiring more space and activities in their rehabilitation. Due to this change in the type of patient from limited mobility to active, an area will be needed to provide additional programming for these patients inside the Lincoln Building. This project would include renovation of the space and installation of a fire suppression system. This is a corrective action for a deficiency identified by JCAHO. Ivy Hall (Gym) is used by the hospital as a therapeutic rehabilitative program space. It is not air-conditioned. During the summer months the heat is unbearable to both patients & staff, which renders this space as unuseable. This proposal would provide for the installation of A/C to this area so that it can be used year round.

**Department of Human Services**

**Agency Capital Budget Request (000's)**

TOTAL COST 7 YR PROG	REQUESTED FY - 2011	REQUESTED FY- 2012	REQUESTED FY - 2013	REQUESTED FY 2014 - 2017

BATHROOM RENOVATIONS

LOCATION: VARIOUS BUILDINGS

Dept Priority 8

Project ID: 54-236

Project Type Code: B01 Project Type Description: Compliance-ADA

<b>General:</b>	\$10,250	\$10,250	\$0	\$0	\$0
-----------------	----------	----------	-----	-----	-----

<b>Sub-Total:</b>	\$10,250	\$10,250	\$0	\$0	\$0
-------------------	----------	----------	-----	-----	-----

**Operating Impact:**    **Increase:** \$0                      **Decrease:** \$0

Woodbridge: Upgrade the bathrooms in all 20 patient cottages. Increase the number of bathing units in each cottage to allow for handicapped accessible bathing. (\$2.25 million)

North Jersey: Bathroom partitions need to be replaced in 12 cottages, Health Center, Food Service and Meese. Also new bathing equipment is needed in 9 cottages and Meese. Bathroom facilities do not meet ADA standards. (\$4.0 million)

Vineland: Renovation of 17 bathrooms in client living areas for handicap access. There is currently 1 handicap toilet in each bathroom. The bathrooms were originally constructed in 1970 for an ambulatory population. Units must be redesigned including relocation of fixtures, showers and additional toilets. All plumbing must also be replaced. (\$2.5 million)

Trenton: Renovate the shower rooms in the Drake Building, 8 showers need total renovation. The tile walls are loose from the metal stud work which has rusted and become detached from the floor plates. These conditions compromise the structural integrity of the walls. Poor exhaust ventilation and the lack of floor drains cause excessive moisture in the rooms. (\$1 million)

Green Brook: The current bathrooms are 40 years old and in need of major renovation. This project will provide one bathroom for every two client rooms. All new tile and toilets are needed. (\$500,000)

**DIVISION OF MANAGEMENT AND BUDGET**

DOMESTIC WATER SAFETY

LOCATION: 3 FACILITIES

Dept Priority 9

Project ID: 54-190

Project Type Code: F03 Project Type Description: Infrastructure-Water Supply-State Facilities

<b>General:</b>	\$3,295	\$3,295	\$0	\$0	\$0
-----------------	---------	---------	-----	-----	-----

<b>Sub-Total:</b>	\$3,295	\$3,295	\$0	\$0	\$0
-------------------	---------	---------	-----	-----	-----

**Operating Impact:**    **Increase:** \$0                      **Decrease:** \$0

Hagedorn: Renovations to the facility's water tower which provides water volume and pressure for the entire campus. The tower is in disrepair. It requires painting, inside and out, and upgrades to the existing controls. A by-pass is also needed so that work can be done on the tower without the facility being without water. Also needed is a second pump serving the facility's one functional well to provide back-up to the primary pump if it should fail. Includes providing emergency power to the pumps via a stand alone deisel generator. The engineering design for both projects has already been completed. (\$1.225m)

Vineland: Provide design and installation of new domestic hot water safety mechanisms, transmission, cultivating and control. The existing system is pneumatically controlled, providing inadequate monitoring and relaxed safeguards. Installation of audible alarm indicator, emergency fail safe, shut-off enunciators and indicator driven, setpoint calibration with positive solenoid activated shot-offs is needed. (\$1.2 million)

North Jersey: Present system of converting steam to hot water is over 30 years old and corroded beyond repair. Install hot water steam generators in 8 cottages and 2 buildings. (\$870k)

ELECTRICAL UPGRADES

LOCATION: VARIOUS BUILDINGS

Dept Priority 10

Project ID: 54-010

Project Type Code: A01 Project Type Description: Preservation-Electrical

<b>General:</b>	\$17,650	\$16,150	\$1,500	\$0	\$0
-----------------	----------	----------	---------	-----	-----

<b>Sub-Total:</b>	\$17,650	\$16,150	\$1,500	\$0	\$0
-------------------	----------	----------	---------	-----	-----

**Operating Impact: Increase:** \$0 **Decrease:** \$0

Hagedorn: Tie existing emergency generator to additional loads to assure emergency power to the facility's only kitchen and patient program areas. Also relocate an existing transformer that is situated adjacent to an occupied building, presenting a fire hazard. Note, engineering designs for both projects are already completed. (\$1.775m)

North Jersey: Replace feeders: These units supply electricity to Cottages 6 and 7, 9, 10, 12, Annex, OSD and Maintenance. Water infiltration has deteriorated feeder #2-B causing electrical failure to the Meese and Health Care Buildings. Service panel upgrade: Meese and Cottage 12. Existing breakers are weak and require upgrade and replacement. Food Service electrical upgrade: Upgrade to 1200 amp, including transformer/panel. Existing building service is obsolete. Existing lighting and fixtures are for the most part inoperable. (\$1.8m)

Greenbrook: Replace emergency generators (\$3,200).

Trenton: Replace 30 year old main feeder cables throughout the facility. (\$1.375m)

Woodbine: Upgrade transformers, electrical service, interior wiring and electrical panels that supply power to buildings C-2,3,4, and 6. C-2,3, and 4 were built in 1928 and C-6 in 1945. There have been no upgrades to the electrical systems. Upgrade existing transformers that supply power to C-13, Laundry, Maintenance, Galley and Administration Building. (\$1.15m)

Vineland: Upgrade the aged interior electrical wiring system in all residential cottages. (\$1.95m).

Trenton: Replace the 3 backup generators that are 35, 25 and 23 years old. (\$2.1m)

Ancora: Correct the electrical violations in Main Building and install a transformer and distribution system in Maple Hall (\$1.7 million.) Replace two 750KW backup generators that are 30 years old. (\$700k). Upgrade electrical service to Ivy Hall (\$400k)

Greystone: Equip new hospital building with 100% emergency power supply/UPS. Due to design flaw they do not have full coverage. Issue not discovered until after building was occupied. This issue will be addressed with the EDA and may result in funding coming from them or the architects who did the design in order to resolve this dilemma (\$1,500m).

**DIVISION OF MANAGEMENT AND BUDGET**

COMMUNITY MAJOR MAINTENANCE

LOCATION: STATEWIDE

Dept Priority 11

Project ID: 54-150

<b>Sub-Total:</b>	\$40,709	\$5,000	\$5,250	\$5,513	\$24,946
-------------------	----------	---------	---------	---------	----------

**Operating Impact: Increase:** \$0 **Decrease:** \$0

In November 2006, DCA rescinded formal technical opinion #8. This requires all existing DHS community residences to be retrofitted with a sprinkler system. The funds requested will protect the prior investment of public funds by maintaining the value of the facilities already purchased and developed for services and will be critical in improving client health and safety. Although the Divisions provide operating funds for routine maintenance for these facilities through its operational contracts with the non-profit agencies using the facilities, additional assistance is required to address replacement or repair of major facility systems, such as heating or cooling systems, roofing and plumbing. Other facility components, such as windows or carpeting, must also be replaced or repaired due to deterioration or accidental damage.

Drain, internally clean and remove sediment, inspect weld seams and make necessary repairs, inspect and replace valves as necessary to improve water circulation, install/repair cathodic protection, power wash exterior with anti-fungal solution, painting (inside and out), address any lead based paint present, update controls and assure compliance with all applicable codes and standards. The towers are past due for repairs and upgrades. the work must be done to assure compliance with clean water standards. also the towers serve as water flow and pressure to the facility's fire suppression systems.

**DIVISION OF MANAGEMENT AND BUDGET**

KITCHEN RENOVATIONS

LOCATION: FOOD SERVICE

Dept Priority 13

Project ID: 54-112

Project Type Code: A03 Project Type Description: Preservation-Critical Repairs

<b>General:</b>	\$6,800	\$6,800	\$0	\$0	\$0
-----------------	---------	---------	-----	-----	-----

<b>Sub-Total:</b>	\$6,800	\$6,800	\$0	\$0	\$0
-------------------	---------	---------	-----	-----	-----

**Operating Impact:**    **Increase:** \$0                      **Decrease:** \$0

Green Brook: The present kitchen was installed 35 years ago. Replace the walk-in freezers, the present freezers are too small to store all the required food. Extension of the wall for air handler intake: Raise the wall of the air intake pit to minimize exhaust fumes entering the building from the loading dock. Kitchen hood replacement: The main kitchen hood does not meet code and can no longer be certified. Replace the dish machine and air conditioning. Construct storage space. (\$1.3 million)

North Jersey: Main kitchen was last renovated in the 1950's. The work includes new floors, replace pipes, valves and faucets, install a central ventilation system, upgrade the electric, resurface walls, install loading platform cover, and purchase all new cooking equipment. (\$1 million)

Trenton: The main kitchen is over 100 years old. The equipment has not been replaced since the 1960s. The equipment is in constant disrepair and parts are hard to obtain. This project would replace all the equipment and remodel and modernize the kitchen work area. (\$4 million)

Ancora: Replace water cooled refrigeration equipment. (\$500,000)

**Operating Impact:**    *Increase:* \$0                      *Decrease:* \$0

Many of the current connections have deteriorated creating blockages and clogged sewer lines. One connection is needed for non-compliance areas at engineering. The sewer manhole near the grinder has to be raised to prevent further spills. In June of 1999, an overflow resulted in a \$15,000 fine. There were two spills in 2001, one in 2002, three in 2003, one in 2004, one in 2005 and three in 2007.

<b>Sub-Total:</b>	\$13,000	\$3,500	\$3,500	\$3,000	\$3,000
-------------------	----------	---------	---------	---------	---------

**Operating Impact:** Increase: \$0 Decrease: \$0

This project will clean and abate asbestos at all DHS facilities. Asbestos presents a significant health and safety issue for all DHS clients and staff. Numerous requests were received this year for asbestos abatement including 9 cottages at Hunterdon, the utility tunnels at Vineland and various buildings on the campus of the North Jersey, Trenton and Hagedorn. For Vineland replace approximately 10,000 square feet of terrazzo floor in the food storage section and the quarry tile floor in front of the large oven. These floors contain asbestos. (\$500k) For Woodbridge remove existing wall carpeting attached to asbestos-containing transite panels in 15 cottages. OSHA has recommended the removal to prevent a possible health and safety issue in the future. (\$500k)

When asbestos becomes friable it must be abated immediately.

**HAGEDORN GERO-PSYCHIATRIC HOSPITAL**
