1 P.L.2007, c.63 (C.40A:65-1 et seq.) and P.L.2009, c. 118 (C.54:1-86 et seq.), or to a
3 municipality that is wholly annexed by another municipality pursuant to N.J.S.40A:7-1 et
5 seq., for non-recurring costs that the Director of the Division of Local Government Services,
7 or in the case of a school district consolidation the Commissioner of Education, determines
9 to be necessary to implement such consolidation or annexation, subject to the approval of
11 the Director of the Division of Budget and Accounting; provided, however, that in addition
13 to the amounts hereinabove appropriated, there are appropriated such additional amounts
15 as are determined to be necessary for reimbursement of non-recurring costs associated with
17 local government unit consolidations, subject to the approval of the Director of the Division
19 of Budget and Accounting.

21 Of the amount hereinabove appropriated for Transitional Aid to Localities, an amount may be
23 allocated by the Director of the Division of Local Government Services to provide
25 short-term financial assistance to a local government unit that is determined by the director
27 to be experiencing financial distress caused by the destruction or loss of a major local
29 business ratable. For purposes of this paragraph, a “major local business ratable” means one
31 or more related parcels of property owned by a single business entity, classified as
33 commercial or industrial, which comprised the largest assessed valuation of any one or more
35 line items of taxable property in a municipality, or generated an annual PILOT payment in
37 excess of 10% of the total municipal levy, or is otherwise determined by the director to be
39 of such significance to a municipality that its destruction or loss has resulted in financial
41 distress; provided, however, that notwithstanding the provisions of any law or regulation to
43 the contrary, the Director of the Division of Local Government Services may direct that part
45 of any such allocation be paid to an affected school district or county, or to both, in the same
47 manner as if the award of Transitional Aid were raised as revenue from the municipal tax
49 levy; and provided further that a local government unit determined to be experiencing
51 financial distress because of the loss or destruction of a major local business ratable shall
53 not be required to be subject to any additional conditions, requirements, orders, or other
55 operational efficiency or oversight measures authorized pursuant to P.L.2011, c.144
57 (C.52:27D-118.42a), except as determined to be appropriate by the Director of the Division
59 of Local Government Services.

The amount hereinabove appropriated for Transitional Aid to Localities is subject to the
following condition: notwithstanding the provisions of R.S.43:21-14, or any other law or
regulation to the contrary, the Commissioner of Labor and Workforce Development, in
consultation with the Commissioner of Community Affairs, is authorized to enter into
individualized payment plan agreements with municipalities that receive Transitional Aid
for the reimbursement of unemployment benefits paid to former employees of such
municipal government units, at reasonable interest rates based on current market conditions,
and on such other terms and conditions as may be determined to be appropriate by the
Commissioner of Labor and Workforce Development. Any municipality that enters into an
individualized payment plan agreement pursuant to this section shall be required to expend
all funds budgeted for this activity remaining as of the last day of its budget year for the
repayment of outstanding obligations under the plan.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for Transitional Aid to Localities shall be allocated to provide short-term
financial assistance where needed to help a municipality that is in serious fiscal distress
meet immediate budgetary needs and regain financial stability. A municipality shall be
deemed to be eligible for transitional aid if it is identified by the Director of the Division of
Local Government Services as experiencing serious fiscal distress where the director
determines that, despite local officials having implemented substantive cost reduction
strategies, there continue to exist conditions of serious fiscal distress, which may include but
shall not be limited to: substantial structural or accumulated deficits; ongoing reliance on
non-recurring revenues; limited ability to raise supplemental non-property tax revenues;
extraordinary demands for public safety appropriations; and other factors indicating a
constrained ability to raise sufficient revenues to meet budgetary requirements that
substantially jeopardizes the fiscal integrity of the municipality. Municipalities seeking
transitional aid shall file an application on a form prescribed by the director, which
application, among other things, shall set forth the minimum criteria that must be met in
order for an application to be considered by the director for a determination of eligibility.
The director shall determine whether a municipality which files an application meeting such
minimum criteria is in serious fiscal distress, and, if so, what amount of transitional aid

1 should be provided to address the municipality's serious fiscal distress. The transitional aid
2 shall be provided to the municipality subject to the provisions of subsection a. of section 1
3 of P.L.2011, c.144 (C.52:27D-118.42a); provided, however, that an amount of Transitional
4 Aid to Localities as determined by the Director of the Division of Local Government
5 Services for a municipality may be deemed to constitute Consolidated Municipal Property
6 Tax Relief Aid in an amount not in excess of the amount of Transitional Aid to Localities
7 such municipality received in the previous fiscal year and shall not reduce the amount of
8 Consolidated Municipal Property Tax Relief Aid such municipality shall receive for the
9 current fiscal year. Provided, however, if the Director of the Division of Local Government
10 Services deems an amount of Transitional Aid to Localities for a municipality as
11 constituting Consolidated Municipal Property Tax Relief Aid pursuant to this provision, that
12 municipality is not relieved from compliance with the requirements for transitional aid.

13 Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29)
14 or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to
15 the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State
16 and non-profit organizations for recreation and conservation purposes shall be retained by
17 the municipality and not apportioned in the same manner as the general tax rate of the
18 municipality.

19 Notwithstanding the provisions of any law or regulation to the contrary, payments to
20 municipalities in lieu of taxes for lands acquired by the State and non-profit organizations
21 for recreation and conservation purposes shall be provided only to municipalities whose
22 payments received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds
23 of the payment amount provided in fiscal year 2010.

24 Notwithstanding the provisions of any law or regulation to the contrary, any qualifying
25 municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous
26 fiscal year, shall continue to be a qualifying municipality thereunder during the current fiscal
27 year.

28 Notwithstanding the provisions of any law or regulation to the contrary, whenever funds
29 appropriated as State Aid and payable to any municipality, which municipality requests and
30 receives the approval of the Local Finance Board, such funds may be pledged as a guarantee
31 for payment of principal and interest on any bond anticipation notes issued pursuant to
32 section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant
33 to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available
34 by the State Treasurer upon receipt of a written notification by the Director of the Division
35 of Local Government Services that the municipality does not have sufficient funds available
36 for prompt payment of principal and interest on such notes, and shall be paid by the State
37 Treasurer directly to the holders of such notes at such time and in such amounts as specified
38 by the director, notwithstanding that payment of such funds does not coincide with any date
39 for payment otherwise fixed by law.

40 The State Treasurer, in consultation with the Commissioner of Community Affairs, is
41 empowered to direct the Director of the Division of Budget and Accounting to transfer
42 appropriations from any State department to any other State department as may be necessary
43 to provide a loan for a term not to exceed 180 days to a local government unit faced with a
44 fiscal crisis, including but not limited to a potential default on tax anticipation notes and on
45 such other terms and conditions as may be required by the commissioner.

46 Notwithstanding the provisions of N.J.S.40A:4-39 or any other law or regulation to the contrary,
47 a county that assumes responsibility for the provision of local police services in one or more
48 municipalities utilizing a new or expanded county police force may display the anticipated
49 revenues and appropriations associated with such county police force in its annual budget
50 by annexing to that budget a statement describing the sources and amounts of anticipated
51 dedicated revenues and appropriating those dedicated amounts for the purposes of the
52 county police force.

53 The amount hereinabove appropriated for the County Prosecutor Funding Initiative Pilot
54 Program shall be distributed as follows: Camden County, \$895,000; Essex County,
55 \$1,811,000; Hudson County, \$802,500; and Mercer County, \$491,500.

5 from the "School District Deficit Relief Account" established pursuant to P.L.2006, c.15
6 (C.18A:7A-54 et seq.), such debt, as reduced by the liquidation of all available assets of the

review the board’s request and determine whether to grant the request after an assessment
49 of whether the district needs to spend the funds prior to September and after considering the
availability of district surplus. The commissioner shall transfer the payment for the portion
of the tuition payable for which need has been demonstrated.

51 Notwithstanding the provisions of section 1 of P.L.1997, c.53 (C.18A:39-11.1) districts shall not

6 Notwithstanding the provisions of any law or regulation to the contrary, in the event that the
7 State's waiver extension for the Hospital Delivery System Reform Incentive Payments
8 (DSRIP) program does not receive federal approval, the amounts hereinabove appropriated
9 for that purpose may be transferred to either Charity Care or Graduate Medical Education,
10 or both, to ensure payments to hospitals continue to include federal matching funds;
11 provided, however, that any such reallocation of DSRIP funds shall be provided to the same
12 hospitals in the same amounts as in FY2017, subject to the approval of the Director of the
13 Division of Budget and Accounting.

14 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
15 appropriated for the Hospital Delivery System Reform Incentive Payments (DSRIP) program
16 of \$166,600,000 are subject to the following condition: a hospital's payment shall be
17 calculated and distributed as set forth in the final approved version of New Jersey's Hospital
18 Delivery System Reform Incentive Payments (DSRIP) funding and mechanics protocol
19 approved on March 27, 2014, as amended, by the Centers for Medicare and Medicaid
20 Services (CMS), in connection with the New Jersey Comprehensive Medicaid 1115 Waiver,
21 consistent with the Special Terms and Conditions of the approved Waiver, including but not
22 limited to Section XIII, paragraphs 91 through 97 thereof as may be amended by CMS.

23 The amount hereinabove appropriated for the Hospital Delivery System Reform Incentive
24 Payments program is subject to the following condition: the Department of Health shall
25 promptly file with the Presiding Officers of the Legislature copies of any reports or other
26 determinations regarding DSRIP eligibility or plan performance, including but not limited
27 to whether or not a hospital has satisfied any eligibility benchmarks required for receipt of
28 DSRIP funding, which are made by the State or received from the Centers for Medicare and
29 Medicaid Services (CMS).

30 Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise
31 provided and subject to such modifications as may be required by the Centers for Medicare
32 and Medicaid Services in order to achieve any required federal approval and full Federal
33 Financial Participation, the amounts hereinabove appropriated for Graduate Medical
34 Education (GME) are conditioned upon the following: the subsidy payment shall be split into
35 a Direct Medical Education (DME) allocation, which is calculated by multiplying the total
36 subsidy amount by the ratio of 2015 total median Medicaid managed care DME costs-to-total
37 2015 median Medicaid managed care GME costs; and an Indirect Medical Education (IME)
38 allocation, which is calculated by multiplying the total subsidy amount by the ratio of 2015
39 total Medicaid managed care IME costs-to-total 2015 Medicaid managed care GME costs.
40 Each hospital's percentage of total 2015 Medicaid managed care DME costs shall be
41 multiplied by the DME allocation to calculate its DME payment. Each hospital's percentage
42 of total 2015 Medicaid managed care IME costs shall be multiplied by the IME allocation to
43 calculate its IME payment. The sum of a hospital's DME and IME payments equal its
44 subsidy payment. The total amount of these payments shall not exceed \$218,000,000 and
45 shall be paid in 12 monthly payments. In the event that a hospital reported less than 12
46 months of 2015 Medicaid costs, the number of reported months of data regarding days, costs,
47 or payments shall be annualized. In the event the hospital completed a merger, acquisition,
48 or business combination resulting in two cost reports filed during the calendar year, the two
49 cost reports will be combined into one cost report for the calendar year. In the event that a
50 hospital did not report its Medicaid managed care days on the cost report utilized in this
51 calculation, the Department of Health (DOH) shall ascertain Medicaid managed care
52 encounter days for Medicaid and NJ FamilyCare clients as reported by insurers to the State
53 for the following reporting period: services dates between January 1, 2015 and December 31,
54 2015; payment dates between January 1, 2015 and December 31, 2016; and a run-date not
55 later than January 31, 2017. Medicaid managed care DME cost is defined as the approved
56 intern and residency program costs using the 2015 Medicaid cost report total residency costs,
57 reported on Worksheet B Pt I Column 21 line 21 plus Worksheet B Pt I Column 22 Line 22
58 divided by 2015 resident full time equivalent employees (FTE), reported on Worksheet S-3
59 Pt 1 Column 9 line 14 to develop an average cost per FTE for each hospital used to calculate
the overall median cost per FTE. The median cost per FTE is multiplied by the 2015 resident

1 FTEs reported on Worksheet S-3 Pt 1 Column 9 line 14 to develop approved total residency
3 program costs. The approved residency costs are multiplied by the quotient of Medicaid
5 managed care days, reported on Worksheet S-3 Column 7 line 2, divided by the quantity of
7 total days, on Worksheet S-3 Column 8 line 14, less nursery days, on Worksheet S-3 Column
9 8 line 13. Medicaid managed care IME cost is defined as the Medicare IME factor multiplied
11 by Medicaid managed care encounter payments for Medicaid and NJ FamilyCare clients as
13 reported by insurers to the State for the following reporting period: services dates between
15 January 1, 2015 and December 31, 2015; payment dates between January 1, 2015 and
17 December 31, 2016; and a run-date of not later than January 31, 2017. The IME factor is
19 calculated using the Medicare IME formula as follows: $1.35 * [(1 + x)^{0.405} - 1]$, in which “x”
21 is the quotient of submitted IME resident full-time equivalencies reported on Worksheet S-3
23 Pt 1 Column 9 line 14 divided by the quantity of total available beds less nursery beds
25 reported on Worksheet S-3 Column 2 line 14. In the event that a hospital believes that there
27 are mathematical errors in the calculations, or data not matching the actual source documents
29 used to calculate the subsidy as defined above, hospitals shall be permitted to file calculation
31 appeals within 15 working days of receipt of the subsidy allocation letter. If upon review it
33 is determined by the DOH that the error has occurred and would constitute at least a five
35 percent change in the hospital’s allocation amount, a revised industry-wide allocation shall
37 be issued. Each hospital receiving a GME allocation shall, on or before October 31, provide
39 a report to the Commissioner of Health indicating the total number of physicians who
41 completed their training during the preceding calendar year, and the number of those
43 physicians who plan to practice medicine within the State of New Jersey.

45 In addition to the amount hereinabove appropriated for Health Care Systems Analysis, an amount
47 not to exceed \$1,000,000 is appropriated from amounts assessed and collected by the
49 Department of Banking and Insurance pursuant to section 9 of P.L.2007, c.330 (C.17:1D-2),
51 for the purpose of funding costs associated with the development and maintenance of the
53 New Jersey Health Information Network, subject to a plan prepared by the Department of
55 Health and approved by the Director of the Division of Budget and Accounting.

57 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
59 appropriated for Graduate Medical Education (GME) is subject to the following condition:
61 participating hospitals shall provide to residents and fellows participating in the GME
63 program instruction concerning prevention of opioid addiction as well as diagnosis,
65 assessment, and treatment strategies: provided, however, that such instruction may also be
67 provided to other students and providers including, but not limited to, physicians, nurses,
69 pharmacists, and social workers, working within the hospital or in the outpatient setting. To
71 satisfy this condition, participating hospitals may develop an internal training program, enter
73 into a partnership with a school or university, or provide financial support for residents and
75 fellows to participate in independent educational programs or conferences that provide
77 continuing medical education credits that are specifically focused in the subject area of
79 addiction. To document compliance, participating hospitals shall complete a report to the
81 Department of Health no later than May 31, 2018.

83 Notwithstanding the provisions of any law or regulation to the contrary, in addition to the amount
85 hereinabove appropriated for Health Care Subsidy Fund Payments, there are appropriated
87 such amounts as are required to the Health Care Subsidy Fund, subject to the approval of the
89 Director of the Division of Budget and Accounting, to provide supplemental Charity Care,
91 upon a determination by the State Treasurer after conferring with the Commissioner of
93 Human Services and the Commissioner of Health that fiscal year 2018 documented charity
95 care is increased or likely to be increased as a result of enactment of any federal law or
97 regulation modifying eligibility criteria for enrollment of individuals in the Medicaid
99 program pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) or the NJ FamilyCare program
101 pursuant to P.L.2005, c.156 (C.30:4J-8 et al.). The distribution of supplemental Charity Care
103 shall be determined by the Commissioner of Health.

08 Support of Patients in County Psychiatric
 Hospitals (PTRF) (\$105,214,000)

19 The unexpended balance at the end of the preceding fiscal year in the Support of Patients in
 County Psychiatric Hospitals account is appropriated for the same purpose.

21 Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State
 share of payments from the Support of Patients in County Psychiatric Hospitals account to
 23 the several county psychiatric facilities on behalf of the reasonable cost of maintenance of
 patients deemed to be county indigents shall be at the rate of 125% of the rate established by
 25 the Commissioner of Human Services for the period July 1 to December 31 and at the rate
 of 45% of the rate established by the Commissioner of Human Services for the period
 27 January 1 to June 30 such that the total amount to be paid by the State on behalf of county
 indigent patients for the calendar year shall not exceed 85% of the total reasonable per capita
 29 cost; and further provided that the rate at which the State will reimburse the county
 psychiatric hospitals shall not exceed 100% of the per capita rate at which each county pays
 31 to the State for the reasonable cost of maintenance and clothing of each patient residing in
 a State psychiatric facility, excluding the depreciation, interest and carry-forward adjustment
 33 components of this rate, and including the depreciation, interest, and carry-forward
 adjustment components of each individual county psychiatric hospital’s rate established for
 35 the period January 1 to December 31 by the Commissioner of Human Services. The initial
 determination of whether a county hospital rate exceeds the per capita rate that counties pay
 37 to the State on behalf of applicable patients residing in a State psychiatric facility will be
 based on a comparison of estimated cost used to set reimbursement rates for the upcoming
 39 calendar year. A second comparison of the actual per diem costs of the county psychiatric
 hospital and State psychiatric hospitals will be completed after actual cost reports for the
 41 period are available including an inflationary adjustment for the six-month difference in
 fiscal reporting periods between State and county hospitals. The county hospital
 43 carry-forward adjustment to be included in rates paid by the State will exclude costs found
 to exceed 100% of the actual cost rate of the State psychiatric facilities.

45 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
 appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the
 47 following provision: payments to county psychiatric hospitals will only be made after receipt
 of their claims by the Division of Mental Health and Addiction Services. County psychiatric
 49 hospitals shall submit such claims no less frequently than quarterly and within 15 days of the
 close of each quarter.

51 With the exception of all past, present, and future revenues representing federal financial
 participation received by the State from the United States that is based on payments to
 53 hospitals that serve a disproportionate share of low-income patients, which shall be retained
 by the State, the sharing of revenues received to defray the State Aid appropriation for the
 55 costs of maintaining patients in State and county psychiatric hospitals shall be based on the
 same percent as costs are shared between the State and counties.

1 The amount hereinabove appropriated for State Aid reimbursement payments for maintenance
of patients in county psychiatric facilities shall be limited to inpatient services only, except
3 that such reimbursement shall be paid to a county for outpatient and partial hospitalization
services as defined by the Department of Human Services, if outpatient and/or partial
5 hospitalization services had been previously provided at the county psychiatric facility prior
to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed
7 the amount of State Aid funds paid to reimburse outpatient and partial hospitalization
services provided during calendar year 1997. In addition, any revision or expansion to the
9 number of inpatient beds or inpatient services provided at such hospitals which will have a
material impact on the amount of State Aid payments made for such services, must first be
11 approved by the Department of Human Services before such change is implemented.

The amount hereinabove appropriated for the Division of Mental Health and Addiction Services
13 for State facility operations and the amount appropriated as State Aid for the costs of county
facility operations are first charged to the federal Disproportionate Share Hospital (DSH)
15 reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues
earned by the State related to services provided by county psychiatric hospitals which are
17 supported through this State Aid appropriation shall be considered as the first source
supporting the State Aid appropriation.

19 In addition to the amounts hereinabove appropriated for the Support of Patients in County
Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental
21 Health and Addiction Services determines that, in order to provide the least restrictive setting
appropriate, a patient should be admitted to a county psychiatric hospital in a county other
23 than the one in which the patient is domiciled rather than to a State psychiatric hospital, there
are hereby appropriated such additional amounts as may be required, as determined by the
25 Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred
in connection with the care of such patient in a county psychiatric hospital which exceeded
27 the cost of care which would have been incurred had the patient been placed in a State
psychiatric hospital, subject to the approval of the Director of the Division of Budget and
29 Accounting.

The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is
31 conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and
continue to maintain enrollment as providers in the State's NJ FamilyCare program; (2)
33 complete or pursue in good faith the completion of eligibility applications for patients who
could be NJ FamilyCare eligible; (3) bill the NJ FamilyCare program for all applicable
35 services; and (4) neither admit nor discharge patients based upon NJ FamilyCare eligibility.

37 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the
county psychiatric hospitals providing and certifying all information that is required by the
39 State, in the form specified by the Division of Mental Health and Addiction Services, to
prepare a complete, accurate, and timely claim to federal authorities for Medicaid
41 Disproportionate Share Hospital (DSH) claim revenues.

43 Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, the
amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is
45 conditioned upon the following provisions: for rates effective January 1, 2013, and any prior
year rate adjustments that may be required beginning January 1, 2013, the approval of the
47 State House Commission shall not be required for the setting of such rates and the
Commissioner of Human Services shall set the per capita cost rates to be paid by the State
49 to the several counties on behalf of the reasonable cost of maintenance of State and county
patients in any county psychiatric facility, including outpatient psychiatric services, the per
capita rates which each county shall pay to the Treasurer for the reasonable cost of
51 maintenance and clothing of each patient residing in a State psychiatric facility having a legal
settlement in such county ("County Patients"), the rates to be paid for the reasonable cost of
53 maintenance and clothing of the convict and criminal mentally ill in any State psychiatric
facility and the cost of maintenance of County Patients residing in State developmental
55 centers or receiving other residential functional services for the developmentally disabled.
Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates
57 shall be provided by the Commissioner of Human Services to the clerk of the respective
boards of chosen freeholders.

59 In the event that the Division of Mental Health and Addiction Services is notified that a county
psychiatric hospital will cease operations for the current fiscal year, or any portion thereof,

1 in order to assure continuity of care for patients who otherwise would have been served by
 3 the county hospital, as well as to preserve patient and public safety, the Division shall have
 5 the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals
 7 account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health
 9 and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the
 11 Division of Budget and Accounting.

All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, any third party as defined in subsection m. of section 3 of P.L.1968, c.413 (C.30:4D-3), or in 42 U.S.C. s. 1396a(a)(25)(A), including, but not limited to, a pharmacy benefit manager, writing health, casualty, workers' compensation, or malpractice insurance policies in the State or covering residents of this State, shall enter into an agreement with the Division of Medical Assistance and Health Services to permit and assist the matching no less frequently than on a monthly basis of the NJ FamilyCare, Charity Care, and Work First New Jersey General Public Assistance eligibility files and/or adjudicated claims files against that third party's eligibility file, including indication of coverage derived from the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" (Pub.L.108-173), and/or adjudicated claims file for the purpose of coordination of benefits, utilizing, if necessary, social security numbers as common identifiers.

Notwithstanding the provisions of subparagraphs (8) of subsection i. of section 3 of P.L.1968, c.413 (C.30:4D-3) and subparagraphs (3), (4), and (5) of subsection g of section 6 of P.L.1968, c.413 (C.30:4D-6), or any other law or regulation to the contrary, the amounts hereinabove appropriated in the General Medical Services program classification are subject to the following conditions: in order to encourage home and community services as an alternative to nursing home placement, consistent with the federally approved Section 1115 Medicaid demonstration waiver and any approved amendments thereto, the Commissioner of Human Services is authorized to adjust financial eligibility and other requirements and services for medically needy eligibility groups and the Managed Long Term Services and Supports population, subject to the approval of the Director of the Division of Budget and Accounting and subject to any other required federal approval.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated in the General Medical Services program classification are subject to the following condition: effective January 1, 2015, the Commissioner of Human Services is authorized to provide any or all types and levels of services that are provided through the Medicaid State Plan's Alternative Benefit Plan to any or all of the types of qualified applicants described in subparagraphs (1), (2), (4), (6), (7), (9), (10), (11), (12), (13), (16(a)), (17), (18), and (19) of subsection i. of section 3 of P.L.1968, c.413 (C.30:4D-3), subject to the approval of the Director of the Division of Budget and Accounting and subject to any required federal approval.

Of the amount hereinabove appropriated within the General Medical Services program classification, the Division of Medical Assistance and Health Services, subject to federal approval, shall implement policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current NJ FamilyCare rules to avoid payment for that care. The Division shall require, in the case of a married individual requiring long-term care services, that the portion of the couple's resources that is not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Notwithstanding the provisions of any law or regulation to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: when any action by a county welfare agency, whether alone or in combination with the Division of Medical Assistance and Health Services, results in a

1 recovery of improperly granted medical assistance, the Division of Medical Assistance and
2 Health Services may reimburse the county welfare agency in the amount of 25% of the gross
3 recovery.

4 In addition to the amounts hereinabove appropriated for payments to providers on behalf of
5 medical assistance recipients, such additional amounts as may be required are appropriated
6 from the General Fund to cover costs consequent to the establishment of presumptive
7 eligibility for children, pregnant women, single adults or couples without dependent children,

16 receipts generated or savings realized in Medical Assistance Grants-In-Aid accounts from

18 accounts to fund costs incurred in realizing these additional receipts or savings, subject to the
19 approval of the Director of the Division of Budget and Accounting.

20 Notwithstanding the provisions of any law or regulation to the contrary, and subject to federal
21 approval, of the amounts appropriated in the General Medical Services program
22 classification, the Commissioner of Human Services is authorized to develop and introduce
23 optional service plan innovations to enhance client choice for users of NJ FamilyCare
24 optional services, while containing expenditures.

25 The appropriations within the General Medical Services program classification are subject to the
26 following conditions: the Division of Medical Assistance and Health Services (DMAHS), in
27 coordination with the county welfare agencies, shall continue a program to outstation
28 eligibility workers in disproportionate share hospitals and federally qualified health centers,

31 be removed from the outstation location.

32 For the purposes of account balance maintenance, all object accounts appropriated in the General
33 Medical Services program classification shall be considered as one object. This will allow
34 timely payment of claims to providers of medical services but ensure that no overspending
35 will occur in the program classification.

36 The amounts hereinabove appropriated for the General Medical Services program classification
37 are conditioned upon the Commissioner of Human Services making changes to such
38 programs to make them consistent with the federal "Deficit Reduction Act of 2005"
39 (Pub.L.109-171).

40 All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194
41 (C.30:4D-20 et seq.) during the current fiscal year are appropriated for payments to providers
42 in the same program classification from which the recovery originated.

43 The amount hereinabove appropriated for the Division of Medical Assistance and Health Services
44 first shall be charged to the federal disproportionate share hospital reimbursements
45 anticipated as Medicaid uncompensated care.

46 Notwithstanding the provisions of P.L.1962, c.222 (C.44:7-76 et seq.) or any law or regulation
47 to the contrary, no funds are appropriated to the Medical Assistance for the Aged program,

59 FamilyCare members enrolled in the managed care program shall accept as payment in full
90% of the amounts that the non-contracted hospital would receive from NJ FamilyCare for
the emergency services and/or any related hospitalization if the beneficiary were enrolled in
NJ FamilyCare fee-for-service.

subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, effective at the beginning

 obtained through the efforts of any entity authorized to undertake the prevention and
17 detection of NJ FamilyCare fraud, waste, and abuse are appropriated to General Medical
 Services program classification in the Division of Medical Assistance and Health Services.

19 Notwithstanding the provisions of any law or regulation to the contrary and subject to notice
 provisions of 42 CFR, Subchapter 447.205 where applicable, the amount hereinabove
21 appropriated for fee-for-service prescription drugs in the General Medical Services program
 classification is subject to the following conditions: the maximum allowable cost for legend
23 and non-legend drugs shall be calculated based on Actual Acquisition Cost (AAC) defined
 as the lowest of: (i) the National Average Drug Acquisition Cost (NADAC) Retail Price
25 Survey, in accordance with section 1927(f) of the Social Security Act (SSA); (ii) Wholesale
 Acquisition Cost (WAC) less a volume discount of two (2) percent in the absence of a

 acquisition data submitted by providers of pharmaceutical services for brand-name
29 multi-source and multi-source drugs in the absence of any alternative pricing benchmarks.

33 ceiling price, the alternative benchmark used shall be the Wholesale Acquisition Cost (WAC)
 minus a volume discount of twenty-five (25) percent. The 340B ceiling price or the

 formulas described by (i.) through (v.) above. Reimbursement for covered outpatient drugs
37 shall be calculated based on the lower of the AAC plus a professional fee of \$10.92; or a
 provider's usual and customary charge; or (ii) the lower of cost acquisition data submitted
39 by providers of pharmaceutical services for brand-name multi-source and multi-source drugs,
 where an alternative pricing benchmark is not available, plus a professional fee of \$10.92;
41 or a provider's usual and customary charge. To effectuate the calculation of SUL rates
 and/or the calculation of single-source and brand-name multi-source legend and non-legend
43 drug costs where an alternative pricing benchmark is not available, the Department of Human
 Services shall mandate ongoing submission of current drug acquisition data by providers of
45 pharmaceutical services and no funds hereinabove appropriated shall be paid to any entity
 that fails to submit required data. Reimbursement for covered outpatient drugs dispensed to
47 beneficiaries residing in long-term-care facilities shall be calculated based on the lower of
 the AAC plus a professional fee of \$10.92; or a provider's usual and customary charge; or
49 (ii) the lower of cost acquisition data submitted by providers of pharmaceutical services for
 brand-name multi-source and multi-source drugs, where an alternative pricing benchmark is
51 not available, plus a professional fee of \$10.92; or a provider's usual and customary charge.
 To effectuate the calculation of SUL rates and/or the calculation of single-source and
53 brand-name multi-source legend and non-legend drug costs where an alternative pricing
 benchmark is not available, the Department of Human Services shall mandate ongoing
55 submission of current drug acquisition data by providers of pharmaceutical services and no
 funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

57 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
 the General Medical Services program classification shall be conditioned upon the following
59 provision: each prescription order for protein nutritional supplements and specialized infant
 formulas dispensed shall be filled with the generic equivalent unless the prescription order

1 states "Brand Medically Necessary" in the prescriber's own handwriting.

3 Notwithstanding the provisions of any law or regulation to the contrary, no funds hereinabove
5 appropriated for the General Medical Services program classification are available to any
7 pharmacy that does not agree to allow NJ FamilyCare to bill on its behalf any third party, as
9 defined in subsection m. of section 3 of P.L.1968, c.413 (C.30:4D-3), by participating in a
11 billing agreement executed between the State and the pharmacy.

13 Notwithstanding the provisions of any law or regulation to the contrary, of the amount
15 hereinabove appropriated to the General Medical Services program classification, no
17 payment shall be expended for drugs used for the treatment of erectile dysfunction, select
19 cough/cold medications as defined by the Commissioner of Human Services, or cosmetic
21 drugs, including, but not limited to: drugs used for baldness, weight loss, and purely cosmetic
23 skin conditions.

27 provisions of 42 C.F.R. s.447.205, approved nutritional supplements which are hereinabove
29 appropriated in the General Medical Services program classification shall be consistent with
31 reimbursement for legend and non-legend drugs.

33 Notwithstanding the provisions of any law or regulation to the contrary, the hereinabove
35 appropriation for the General Medical Services program classification shall be conditioned
37 upon the following provision: no funds shall be appropriated for the refilling of a prescription
39 drug until such time as the original prescription is 85% finished.

41 Of the amount hereinabove appropriated for the General Medical Services program classification,
43 the Commissioners of Human Services and Health shall establish a system to utilize
45 unopened and unexpired prescription drugs previously dispensed but not administered to
47 individuals residing in nursing facilities.

Services increasing the hourly nursing rates for Early and Periodic Screening, Diagnosis and
Treatment/Private Duty Nursing (EPSDT/PDN) services by \$10 per hour above the fiscal

1 year 2008 rate.

2 Of the amount hereinabove appropriated for the General Medical Services program classification,
3 an amount not to exceed \$1,900,000 is allocated for limited prenatal medical care provided

27 determination and redetermination process from one or more county welfare agencies, as
28 determined by the Commissioner of Human Services, subject to any required federal
29 approval.

30 Of the amount hereinabove appropriated in the General Medical Services program classification,

50 be eligible to be enrolled in the NJ FamilyCare program; provided, however, that this
51 termination of enrollment and benefits shall not apply to such persons who are either (i)
52 pregnant or (ii) under the age of 19.

53 Notwithstanding the provisions of subsection d. of section 5 of P.L.2005, c.156 (C.30:4J-12) or
54 any law or regulation to the contrary, the amounts hereinabove appropriated for NJ
55 FamilyCare are subject to the following condition: the Department of Human Services may
56 determine eligibility for the NJ FamilyCare program by verifying income through any means

59 if required, under State or federal law for such matching are obtained.

Premiums received from families enrolled in the NJ FamilyCare program established pursuant

1 to P.L.2005, c.156 (C.30:4J-8 et al.) are appropriated for NJ FamilyCare payments.
Such amounts as may be necessary are hereinabove appropriated from enhanced audit recoveries
3 obtained by the Department of Human Services to fund the costs of enhanced audit recovery
efforts of the department within the General Medical Services program classification, subject
5 to the approval of the Director of the Division of Budget and Accounting.

7 The amounts hereinabove appropriated for the General Medical Services program classification
are available for the payment of obligations applicable to prior fiscal years.

9 Notwithstanding the provisions of any law or regulation to the contrary, payments from
appropriations hereinabove in the General Medical Services program classification for

year prospective per diem rate shall be equal to the per diem rate in effect and paid on June
17 30, 2015 and may be updated by the economic factor specified in N.J.A.C. 10:52-5.13,

25 The unexpended balance at the end of the preceding fiscal year in the Medical Coverage - Aged,
Blind and Disabled account is appropriated for the same purpose.

27 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
appropriated to the General Medical Services program classification are subject to the
following condition: assisted living facilities, comprehensive personal care homes, and

respectively, as reimbursement for each NJ FamilyCare beneficiary under their care.

31 Subject to federal approval, the appropriations for those programs within the General Medical
Services program classification are conditioned upon the Department of Human Services
33 implementing policies that would limit the ability of individuals who have the financial
ability to provide for their own long-term care needs to manipulate current NJ FamilyCare
35 rules to avoid payment for that care. The Division of Medical Assistance and Health Services
shall require, in the case of a married individual requiring long-term care services, that the
37 portion of the couple's resources which are not protected for the needs of the community
spouse be used solely for the purchase of long-term care services.

39 Notwithstanding the provisions of any law or regulation to the contrary, no payment for NJ
FamilyCare Adult or Pediatric Medical Day Care Services, as hereinabove appropriated in
41 the General Medical Services program classification, shall be provided unless the services

49 Care Services shall be conditioned on the following provision: physical therapy, occupational
therapy, and speech therapy shall no longer serve as a permissible criteria for eligibility in
51 the adult Medical Day Care Program.

53 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
appropriated within the General Medical Services program classification for Medical Day
Care Services shall be conditioned on the following provision: effective August 15, 2010, no
55 payments for NJ FamilyCare adult medical day care services shall be provided on behalf of
any beneficiary who received prior authorization for these services based exclusively on the
57 need for medication administration.

59 Notwithstanding the provisions of chapter 166 of Title 10 of the New Jersey Administrative Code
or any other law or regulation to the contrary, the amounts hereinabove appropriated within
the General Medical Services program classification for Medical Day Care Services shall

2 medical day care shall remain at the rate established in the preceding fiscal year.

3 Notwithstanding the provisions of chapter 85 of Title 8 of the New Jersey Administrative Code
4 or any other law or regulation to the contrary, and subject to any required federal approval,
5 the amounts hereinabove appropriated within the General Medical Services program
6 classification are subject to the following conditions: (1) Class I (private), Class II (county),
7 and Class III (special care) nursing facilities being paid on a fee-for-service basis, shall be
8 reimbursed at the rate received on June 30, 2017 plus a per diem adjustment that shall be

16 negotiated a rate shall receive the equivalent fee-for-service per diem reimbursement rate as
17 it received as of June 30, 2017 plus a per diem adjustment that shall be calculated based upon
18 an additional \$5,250,000 in State and \$5,250,000 in federal appropriations and any Class II
19 nursing facility that is being paid by an MCO but has not yet negotiated a rate shall receive
20 the equivalent fee-for-service per diem reimbursement rate received on June 30, 2017, had
21 it been a Class I nursing facility plus a per diem adjustment that shall be calculated based
22 upon an additional \$5,250,000 in State and \$5,250,000 in federal appropriations; (4) monies
23 designated pursuant to subsection c. of section 6 of P.L.2003, c.105 (C.26:2H-97) for
24 distribution to nursing facilities, less the portion of those funds to be paid as pass-through
25 payments in accordance with paragraph (1) of subsection d. of section 6 of P.L.2003, c.105
26 (C.26:2H-97), shall be combined with amounts hereinabove appropriated for the General
27 Medical Services program classification for the purpose of calculating NJ FamilyCare
28 reimbursements for nursing facilities; and (5) for the purposes of this paragraph, a nursing
29 facility's per diem reimbursement rate or negotiated rate shall not include, if the nursing
30 facility is eligible for reimbursement, the difference between the full calculated provider tax
31 add-on and the quality-of-care portion of the provider tax add-on, which difference shall be
32 payable as an allowable cost pursuant to subsection d. of section 6 of P.L.2003, c.105
33 (C.26:2H-97). Provided further, that on or before September 15, 2017, the Department shall
34 calculate and disseminate to the MCOs the amount of the add-on payable during the year
35 starting October 1, 2017 as an allowable cost, as well as the list of nursing facilities that will
36 receive this add-on, and the MCOs shall adjust the rates paid to nursing facilities accordingly;
37 the add-ons calculated for FY 2017 shall be applied from July 1, 2017, through September
38 30, 2017 and the first add-on shall be applied to fee-for-service per diem reimbursement rates
39 effective October 1, 2017. There shall be reallocated from amounts included in the
40 appropriation for Medical Coverage - Community - Based Long-Term Care Recipients, for
41 Managed Long-Term Services and Supports, such sums as are necessary for the additional

47 reserve beds for NJ FamilyCare beneficiaries who are hospitalized or on therapeutic leave
48 as required by N.J.A.C.8:85-1.14.

49 Notwithstanding the provisions of any law or regulation to the contrary, as a condition of receipt
50 of any NJ FamilyCare payments a nursing home shall provide to the Commissioner of Human
51 Services information on the facility's finances comparable to the information provided by
52 hospitals to the Department of Health pursuant to N.J.A.C.8:31B-3.1 et seq. and
53 N.J.A.C.8:31B-4.1 et seq., as requested by the commissioner, and the commissioner shall
54 periodically assess the financial status of the industry.

55 Such amounts as may be necessary are hereinabove appropriated from the General Fund for the
56 payment of increased nursing home rates to reflect the costs incurred due to the payment of
57 a nursing home provider assessment, pursuant to the "Nursing Home Quality of Care
58 Improvement Fund Act," P.L.2003, c.105 (C.26:2H-92 et seq.), and P.L.2004, c.41, subject
59 to the approval of the Director of the Division of Budget and Accounting.

¹[Notwithstanding the provision of any law or regulation to the contrary, the amounts hereinabove appropriated in the General Medical Services program classification are subject to the following condition: effective July 1, 2017, the Commissioner of Human Services may make an advance payment to a nursing facility or an assisted living facility licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.), at the facility's request, whenever the facility is providing uncompensated services to one or more residents whose eligibility for Medicaid has not been determined more than 90 days after an application has been filed. Any such advance payment shall be made with State funding only and shall not exceed fifty percent of the estimated amount due for the uncompensated services. No later than 30 days after any such application is granted and payment has been made to the facility, or after any such application has been denied, the commissioner shall provide reimbursement for any balance due to the facility, or recover any advance payments made on behalf of an applicant deemed ineligible for Medicaid by reducing any payments due to the facility.]¹

28 to the Aged and Disabled (PAAD) programs are conditioned upon the Department of Human
29 Services coordinating the benefits of the PAAD programs with the prescription drug benefits
30 of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003"
31 (MMA), Pub.L.108-173, as the primary payer due to the current federal prohibition against
32 State automatic enrollment of PAAD program recipients in the federal program. The PAAD
33 program benefit and reimbursement shall only be available to cover the beneficiary cost share
34 to in-network pharmacies and for deductible and coverage gap costs (as determined by the
35 Commissioner of Human Services) associated with enrollment in Medicare Part D for
36 beneficiaries of the PAAD and Senior Gold Prescription Discount programs, and for
37 Medicare Part D premium costs for PAAD beneficiaries.

38 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
39 in the Pharmaceutical Assistance to the Aged or Pharmaceutical Assistance to the Aged and
40 Disabled (PAAD) program and Senior Gold Prescription Discount Program accounts shall
41 be available as payment as a PAAD program or Senior Gold Prescription Discount Program
42 benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy
43 network under Medicare Part D.

44 Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
45 Modernization Act of 2003" (MMA), Pub.L.108-173, and the current federal prohibition
46 against State automatic enrollment of Pharmaceutical Assistance to the Aged and
47 Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs and Senior Gold
48 Prescription Discount Program recipients, no funds hereinabove appropriated to the PAAD
49 program or Senior Gold Prescription Discount Program accounts shall be expended for any
50 individual unless the individual enrolled in the PAAD program or Senior Gold Prescription
51 Discount Program provides all data necessary to enroll the individual in Medicare Part D,
52 including data required for the subsidy assistance, as outlined by the Centers for Medicare
53 and Medicaid Services.

54 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
55 appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
56 to the Aged and Disabled (PAAD) programs, and Senior Gold Prescription Discount Program
57 shall be conditioned upon the following provision: no funds shall be appropriated for the
58 refilling of a prescription drug when paid by PAAD or the Senior Gold Prescription Discount
59 Program as the primary payer until such time as the original prescription is 85% finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove

1 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
or the Senior Gold Prescription Discount Program shall be expended to cover medications
3 not on the formulary of a PAAD program or Senior Gold Prescription Discount Program
beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
5 by the PAAD program and Senior Gold Prescription Discount Program which are specifically
excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion
7 shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription Drug,
Improvement, and Modernization Act of 2003" (MMA), Pub.L.108-173, to appeal the
9 medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

11 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
or the Senior Gold Prescription Discount Program shall be expended for diabetic testing
13 materials and supplies which are covered under the federal Medicare Part B program, or for
vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or
15 cosmetic drugs, including, but not limited to: drugs used for baldness, weight loss, and skin
conditions.

17 From the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged -
Claims and Senior Gold Prescription Discount Program, an amount not to exceed \$2,850,000
19 may be transferred to various accounts as required, including Direct State Services accounts,
subject to the approval of the Director of the Division of Budget and Accounting.

21 Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize
drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription
23 Discount Program is conditioned on the Senior Gold Prescription Discount Program being
designated the authorized representative for the purpose of coordinating benefits with the
25 Medicare drug program, including appeals of coverage determinations. The Senior Gold
Prescription Discount Program is authorized to represent program beneficiaries in the pursuit
27 of such coverage. Senior Gold Prescription Discount Program representation shall include,
but not be limited to, the following actions: pursuit of appeals, grievances, and coverage
29 determinations.

31 In order to permit flexibility in implementing the ElderCare Advisory Commission Initiatives,
hereinabove appropriated as part of Community Based Senior Programs within the Programs
for the Aged program classification, amounts may be transferred between Direct State
33 Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division
of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and
35 Finance Officer on the effective date of the approved transfer.

37 Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
receipts generated or savings realized in the Casino Revenue Fund or Pharmaceutical
Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the
39 current fiscal year's annual appropriations act may be transferred to administration accounts
to fund costs incurred in realizing these additional receipts or savings, subject to the approval
41 of the Director of the Division of Budget and Accounting.

43 In addition to the amounts hereinabove appropriated for Pharmaceutical Assistance to the Aged
and Disabled and Hearing Aid Assistance for the Aged and Disabled programs, there are
45 appropriated from the Casino Revenue Fund and available federal matching funds such
additional amounts as may be required for the payment of claims, credits, and rebates, subject
to the approval of the Director of the Division of Budget and Accounting.

47 All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20
et seq.), during the current fiscal year are appropriated for payments to providers in the same
49 program classification from which the recovery originated.

51 The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the
payment of obligations applicable to prior fiscal years.

53 Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD)
program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits,
55 notwithstanding any provision contained in contracts, wills, agreements, or other instruments.
Any provision in a contract of insurance, will, trust agreement, or other instrument which
57 reduces or excludes coverage or payment to an individual because of that individual's
eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be
59 made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and

1 Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194
3 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical
Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand
name drugs.

5 Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval
of a plan by the Commissioner of Human Services, no funds appropriated for the
7 Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975,
c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer, unless
9 participating pharmaceutical manufacturing companies execute contracts with the
Department of Human Services. Name brand manufacturers must provide for the payment
11 of rebates to the State on the same basis as provided for in subsections (a) through (c) of
section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

13 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
15 P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical
manufacturing companies execute contracts with the Department of Human Services,
17 providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical
manufacturing companies for prescriptions purchased by the PAAD program shall continue
19 during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid
as secondary to Medicare Part D shall apply only to the amount paid by the State under the
21 PAAD program. All revenues from such rebates during the current fiscal year are
appropriated for the PAAD program.

23 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the
25 Department of Human Services coordinating benefits with any voluntary prescription drug
mail-order or specialty pharmacy in a Medicare Part D provider network or private third party
27 liability plan network for beneficiaries enrolled in a Medicare Part D program or
beneficiaries with primary prescription coverage that requires use of mail-order. The
29 mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order
pharmacy providers may dispense up to a 90-day supply on prescription refills with the
31 voluntary participation of the beneficiary, subject to the approval of the Commissioner of
Human Services and the Director of the Division of Budget and Accounting.

33 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
35 is conditioned upon the Department of Human Services coordinating the benefits of the
PAAD program with the prescription drug benefits of the federal "Medicare Prescription
37 Drug, Improvement, and Modernization Act of 2003" (MMA), Pub.L.108-173, as the primary
payer due to the current federal prohibition against State automatic enrollment of PAAD
39 program recipients in the federal program. The PAAD program benefit and reimbursement
shall only be available to cover the beneficiary cost share to in-network pharmacies and for
41 deductible and coverage gap costs (as determined by the Commissioner of Human Services)
associated with enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior
43 Gold Prescription Discount Program, and for Medicare Part D premium costs for PAAD
program beneficiaries.

45 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior
47 Gold Prescription Discount Program accounts shall be available as payment as a PAAD
program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not
49 enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
51 Modernization Act of 2003" (MMA), Pub.L.108-173, and the current federal prohibition
against State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled
53 (PAAD) program recipients, no funds hereinabove appropriated from the PAAD account
shall be expended for any individual enrolled in the PAAD program unless the individual
55 provides all data that may be necessary to enroll the individual in Medicare Part D, including
data required for the subsidy assistance, as outlined by the Centers for Medicare and
57 Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
59 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
shall be conditioned upon the following provision: no funds shall be appropriated for the

1 refilling of a prescription drug paid by PAAD as a primary payer until such time as the
 2 original prescription is 85% finished.

3 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
 4 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
 5 shall be expended to cover medications not on the formulary of a PAAD program
 6 beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
 7 by PAAD which are specifically excluded by the federal Medicare Prescription Drug
 8 Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by
 9 the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" (MMA),
 10 Pub.L.108-173, to appeal the medical necessity of coverage for drugs not on the formulary
 11 of a Medicare Part D plan.

12 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
 13 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
 14 shall be expended for diabetic testing materials and supplies which are covered under the
 15 federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the
 16 treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs used
 17 for baldness, weight loss, and skin conditions.

18 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
 19 in the Pharmaceutical Assistance to the Aged and Disabled program classification and the
 20 Senior Gold Prescription Discount Program account shall be expended for fee-for-service
 21 prescription drug claims with no Medicare Part D coverage except under the following
 22 conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be
 23 calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National
 24 Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance with
 25 Section 1927(f) of the Social Security Act; (ii) Wholesale Acquisition Cost (WAC) less a
 26 volume discount, in the absence of a NADAC price, that is consistent with the NJ FamilyCare
 27 Program; (iii) the federal upper limit (FUL); or (iv) the State upper limit (SUL); and (v) cost
 28 acquisition data submitted by providers of pharmaceutical services for brand-name
 29 multi-source drugs and multi-source drugs in the absence of any alternative pricing
 30 benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be
 31 calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with
 32 the NJ FamilyCare Program; or a provider's usual and customary charge; or (ii) the lower of
 33 cost acquisition data submitted by providers of pharmaceutical services for brand-name
 34 multi-source and multi-source drugs, where an alternative pricing benchmark is not available,
 35 plus a professional fee that is consistent with the NJ FamilyCare Program; or a provider's
 36 usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation
 37 of single-source and brand-name multi-source legend and non-legend drug costs where an
 38 alternative pricing benchmark is not available, the Department of Human Services shall
 39 mandate ongoing submission of current drug acquisition data by providers of pharmaceutical
 40 services. No funds hereinabove appropriated shall be paid to any entity that fails to submit
 41 required data.

42 Notwithstanding the provisions of any law or regulation to the contrary, of the amount
 43 hereinabove appropriated for the Community Based Senior Programs (CRF) account,
 44 \$175,000 shall be charged to the Casino Simulcasting Fund.

45 Notwithstanding the provisions of any State law or regulation to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise

1 provided in this act.

3 In addition to the federal funds appropriated in this act, there are appropriated the following
5 federal funds, subject to the approval of the Director of the Division of Budget and
7 Accounting: emergency disaster aid funds including grants for preventive measures;
9 pass-through grants to political subdivisions of the State over which the State is not permitted
11 to exercise discretion in the use or distribution of the funds and for which no State matching
13 funds are required; the first 25% of unanticipated grant awards, and up to 25% of increases
15 in previously anticipated grant awards for which no State matching funds are required except,
17 for the purpose of this section, federal funds received by one executive agency that are
19 ultimately expended by another executive agency shall not be considered pass-through grants;
21 federal financial aid funds for students attending post-secondary educational institutions in
23 excess of the amount specifically appropriated, and any such grants intended to prevent
25 threats to homeland security up to 100% of previously anticipated or unanticipated grant
27 award amounts for which no State matching funds are required, provided, however, that the
29 Director of the Division of Budget and Accounting shall notify the Legislative Budget and
31 Finance Officer of such grants; and all other grants of \$500,000 or less.

33 For the purposes of federal funds appropriations, "political subdivisions of the State" means
35 counties, municipalities, school districts, or agencies thereof, regional, county or municipal
37 authorities, or districts other than interstate authorities or districts; "discretion" refers to any
39 action in which an agency may determine either the amount of funds to be allocated or the
41 recipient of the allocation; and "grants" refers to one-time, or time limited awards, which are
43 received pursuant to submission of a grant application in competition with other grant
45 applications.

47 The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated
49 for the same purposes. The Director of the Division of Budget and Accounting shall inform
51 the Legislative Budget and Finance Officer by November 1 of the current fiscal year of any
53 unexpended balances which are continued.

55 Out of the appropriations herein, the Director of the Division of Budget and Accounting is
57 empowered to approve payments to liquidate any unrecorded liabilities for materials
59 delivered or services rendered in prior fiscal years, upon the written recommendations of any
department head or the department head's designated representative. The Director of the
Division of Budget and Accounting shall reject any recommendations for payment which the
Director deems improper.

61 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
63 claims to providers of medical services, amounts may be transferred to and from the various
65 items of appropriation within the General Medical Services program classification, and
67 within the federal matching funding, in the Division of Medical Assistance and Health
69 Services and Division of Disability Services in the Department of Human Services, and
71 within the Medical Services for the Aged program classification, and within the federal
73 matching funding, in the Division of Aging Services in the Department of Human Services,
75 subject to the approval of the Director of the Division of Budget and Accounting. Notice
77 thereof shall be provided to the Legislative Budget and Finance Officer on the effective date
79 of the approved transfer.

81 Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any
83 purchase by the State or by a State agency or local government unit of equipment, goods or
85 services related to homeland security and domestic preparedness, that is paid for or
87 reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other
89 federal agency, appropriated in the current fiscal year, may be made through the receipt of
91 public bids or as an alternative to public bidding and subject to the provisions of this
93 paragraph, through direct purchase without advertising for bids or rejecting bids already
95 received but not awarded. The equipment, goods or services purchased by a local
97 government unit shall be referred to in the grant agreement issued by the State administrative
99 agency administering such funds and shall be authorized by resolution of the governing body
of the local government unit entering into the grant agreement. Such resolution may, without
subsequent action of the local governing body, simultaneously accept the grant from the State
administrative agency, authorize the insertion of the revenue and offsetting appropriation in
the budget of the local government unit, and authorize the contracting agent of the local
government unit to procure the equipment, goods or services. A copy of such resolution shall
be filed with the chief financial officer of the local government unit, the State administrative
agency and the Division of Local Government Services in the Department of Community

1 Affairs. Purchases made without public bidding shall be from vendors that shall either (1)
2 be holders of a current State contract for the equipment, goods or services sought, or (2) be
3 participating in a federal procurement program established by a federal department or agency,
4 or (3) have been approved by the State Treasurer in consultation with the New Jersey
5 Domestic Security Preparedness Task Force. All homeland security purchases herein shall
6 continue to be subject to all grant requirements and conditions approved by the State
7 administrative agency. The Director of the Division of Purchase and Property may enter into
8 or participate in purchasing agreements with one or more other states, or political
9 subdivisions or compact agencies thereof, for the purchase of such equipment, goods or
10 services, using monies appropriated under this act, to meet the domestic preparedness and
11 homeland security needs of this State. Such purchasing agreement may provide for the
12 sharing of costs and the methods of payments relating to such purchases. Furthermore, a
13 county government awarding a contract for Homeland Security equipment, goods or services,
14 may, with the approval of the vendor, extend the terms and conditions of the contract to any
15 other county government that wants to purchase under that contract, subject to notice and
16 documentation requirements issued by the Director of the Division of Local Government
17 Services.

18 Of the amounts appropriated for Income Maintenance Management, amounts may be transferred
19 to the various departments in accordance with the Division of Family Development's
20 agreements, subject to the approval of the Director of the Division of Budget and Accounting.
21 Any unobligated balances remaining from funds transferred to the departments shall be
22 transferred back to the Division of Family Development subject to the approval of the
23 Director of the Division of Budget and Accounting.

24 Notwithstanding the provisions of any law or regulation to the contrary, in addition to the federal
25 funds hereinabove appropriated, there are appropriated to the appropriate executive agencies,
26 subject to the approval of the Director of the Division of Budget and Accounting, such
27 additional federal funds received during this fiscal year pursuant to any federal law
28 authorizing a federal economic stimulus program or any other similar federal program for the
29 purposes, projects, and programs set forth in such law; provided, however, that if the federal
30 law does not delineate the specific purposes, projects, and programs to be funded by the
31 federal funds, the purposes, projects, and programs to be funded by the federal funds shall
32 be subject to the approval of the Joint Budget Oversight Committee, and further provided,
33 however, that the State Treasurer shall report to the President of the Senate, the Speaker of
34 the General Assembly, the Chair of the Senate Budget and Appropriations Committee, and
35 the Chair of the Assembly Budget Committee at least quarterly on the receipt and utilization
36 of all additional federal funds received during this fiscal year pursuant to any federal law
37 authorizing a federal economic stimulus program.

38 Officials from the appropriate executive agencies are hereby authorized to take such steps, if any,
39 as may be necessary to qualify for, apply for, receive and expend such federal funds and to
40 make such commitments, representations and other agreements as may be required by the
41 federal government to receive federal funds under federal law authorizing the federal
42 economic stimulus program or any other similar federal law. Furthermore, and
43 notwithstanding the provisions of any other law or regulation to the contrary, officials from
44 the appropriate executive agencies may encumber any of these federal funds appropriated
45 pursuant to this provision prior to entering into any contract, grant or other agreement
46 obligating the federal funds, subject to the approval of the Director of the Division of Budget
47 and Accounting.

48 Notwithstanding the provisions of any law or regulation to the contrary, federal funds provided
49 under the State Energy Program (SEP) and the Energy Efficiency and Conservation Block
50 Grant Program (Block Grant Program), pursuant to the American Recovery and Reinvestment
51 Act, Pub.L. 111-5 and any other similar type of federal stimulus law which may be
52 hereinafter enacted (collectively referred to as ARRA), are appropriated. Subject to the
53 approval of the Director of the Division of Budget and Accounting as set forth below, such
54 appropriations are to include the administrative costs of the respective agencies in
55 administering the specified programs provided such use is consistent with ARRA and federal
56 approvals. In the event that the administrative costs are not permitted to be paid from the
57 ARRA monies received by the State, there is hereby appropriated from the Clean Energy
58 Fund, subject to the approval of the Director of the Division of Budget and Accounting such
59 amounts as shall be necessary to pay for the administrative costs of the agencies
administering the specified programs listed below. Notwithstanding the specific

1 appropriations made below, in the event that the federal funds received under ARRA are not
2 in their entirety or in part allocated to the specific purposes listed below, to permit flexibility
3 in the handling of appropriations, amounts may be transferred to and from the various items
4 of the appropriations listed below or may be used for such other purposes permitted under
5 ARRA subject to the approval of the Director of the Division of Budget and Accounting and
6 upon the recommendation of the State Treasurer. The federal funds provided pursuant to
7 ARRA with respect to the SEP shall be used only for purposes allowed under part D of Title
8 III of the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.), and the federal funds
9 provided pursuant to ARRA with respect to the Block Grant Program shall be used only for
10 implementation of programs authorized under subtitle E of Title V of the Energy
11 Independence and Security Act of 2007 (42 U.S.C. 17151 et seq.). With respect to all federal
12 funds which are appropriated pursuant to this provision, New Jersey Economic Development
13 Authority (NJEDA), New Jersey Housing Mortgage Finance Agency (HMFA), the Office of
14 Energy Savings and the Board of Public Utilities (BPU) shall prepare and timely submit to

10 paragraph are not expended by the date required by the USDOE, the appropriations
11 of such funds pursuant to the preceding paragraph are hereby cancelled, and such

35 legislative intent of the appropriations;

36 (4) Requests for the transfer of State funds, in amounts greater than \$50,000,
37 between items of appropriation in different departments or between items of
38 appropriation in different appropriation classifications herein entitled as

45 appropriation authority for that item, as defined by the program class;

46 (6) Requests for such other transfers as are appropriate in order to ensure
47 compliance with the legislative intent of this act.

48 b. The Joint Budget Oversight Committee or its successor may review all transfer requests

working days of the physical receipt of the request, the officer has not disapproved

1 the request and so notified the requesting officer. However, this time period shall
2 not pertain to any transfer request under review by the Joint Budget Oversight
3 Committee or its successor, provided notice of such review has been given to the
4 director.

5 d. No amount appropriated for any capital improvement shall be used for any temporary
6 purpose except extraordinary snow removal or extraordinary transportation
7 maintenance, subject to the approval of the Director of the Division of Budget and
8 Accounting. However, an amount from any appropriation for an item of capital
9 improvement may be transferred to any other item of capital improvement subject
10 to the approval of the director, and, if in an amount greater than \$300,000, subject
11 to the approval of the Legislative Budget and Finance Officer.

12 e. The provisions of subsections a. through d. of this section shall not apply to

28 Director of the Division of Budget and Accounting and filed in the Division of Budget and
29 Accounting of the Department of the Treasury as an official record thereof, and any action
30 thereunder, including disbursement and the audit thereof, shall be legally binding and of full force

32 Budget and Finance Officer, upon the effective date of the ruling.

33
34 19. The Legislative Budget and Finance Officer with the cooperation and assistance of the
35 Director of the Division of Budget and Accounting is authorized to adjust this appropriations bill
36 to reflect any reorganizations which have been implemented since the presentation of the
37 Governor's Budget Message and Recommendations that were proposed for this fiscal year.

48 of Budget and Accounting.

49

59 required among appropriations made to the Legislature and its agencies, the Legislative Budget
and Finance Officer, subject to the approval of the President of the Senate and the Speaker of the

1 General Assembly, is hereby empowered and it shall be that officer's duty to effect such
3 transactions hereinabove described and to notify the Director of the Division of Budget and

7 director's duty in the disbursement of funds for payment of expenses classified as salary increases
9 and other benefits, employee benefits, debt service, rent, telephone, data processing, motor pool,

Director's duty in the disbursement of funds to credit or transfer to the Department of the
Treasury, to an Interdepartmental account, or to the General Fund, as applicable, from any other
department or non-State fund source, but not from the Legislature or the Judiciary, out of funds

47 appropriations in the Property Tax Relief Fund exceed available revenues, the Director of the
Division of Budget and Accounting is authorized to transfer General Fund unreserved,
49 undesignated fund balances into the Property Tax Relief Fund, providing unreserved,
undesignated fund balances are available from the General Fund, as determined by the Director
51 of the Division of Budget and Accounting.
