Each grant award shall be calculated using the charter school's average daily enrollment on October 15, 2019, the renaissance school project's enrollment on October 15, 2019, or the number of students in standalone preschool facilities in the school district as reported on October 15, 2019 Application for State School Aid, the facilities efficiency standards established pursuant to section 4 of P.L.2000, c.72 (C.18A:7G-4), and an allotment per square foot, as determined by the Commissioner of Education. The unexpended balance at the end of the preceding fiscal year in the School Security Compliance Funding account is appropriated for the same purpose, subject to the approval of the Director of the Division of Budget and Accounting.
- 22-495-034-5120-113 5120-495-030310-60 Notwithstanding the provisions of any law or regulation to the contrary, from the amount hereinabove appropriated for Preschool Facilities Lead Remediation, the Commissioner of Education shall award grants to school districts for water infrastructure improvement projects in schools serving solely preschool students, provided that eligibility for funding such projects shall be based on the eligibility requirements for water infrastructure improvement grants in schools serving K-12, pursuant to P.L.2018, c.119 and its implementing regulations. The unexpended balance at the end of the preceding fiscal year in the Preschool Facilities Lead Remediation account is appropriated for the same purpose, subject to the approval of the Director of the Division of Budget and Accounting.
- 22-495-034-5120-114 5120-495-030320-60 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Stabilization Aid is subject to the following condition: no funds shall be allocated by the Commissioner of Education unless a district experiences a reduction in State aid or otherwise confronts a structural budgetary imbalance and the district provides, in a format acceptable to the Commissioner, a written plan explaining how the district intends to fund operations in future years in which the district does not receive similar supplemental State aid. Of the amount hereinabove appropriated for Stabilization Aid, such amount as is necessary shall be allocated to provide State aid to military-impacted districts. A school district may receive State aid to military-impacted districts if, in the prebudget year, the school district received a Basic Support Payment of federal Impact Aid under section 7003 of the federal Elementary and Secondary Education Act of 1965 (20 U.S.C. s.7703) and the district provides free public education to federally connected children whose parents are on active duty in the uniformed services. The amount of aid provided to a military-impacted district pursuant to this section shall be calculated as $(PPLTL - PPIA) \times REFCMS$. For purposes of this calculation, PPLTL is the per pupil general fund tax levy, which is derived by dividing the prebudget year general fund tax levy by resident enrollment, without the inclusion of federally connected children whose parents are on active duty in the uniformed services and who otherwise are included in the calculation of resident enrollment as defined pursuant to section 3 of P.L.2007, c.260 (C.18A:7F-45); PPIA is the per pupil federal impact aid amount, which is the result of dividing the amount of a school district's Basic Support Payment received in the prebudget year by the number of federally connected children whose parents are on active duty in the uniformed services; and REFCMS is the resident enrollment of federally connected children whose parents are on active duty in the uniformed services. A school district shall not receive State aid to military-impacted districts pursuant to this section if the difference between PPTL and PPIA is negative. The remaining amount hereinabove appropriated for Stabilization Aid is subject to the following condition: no funds shall be allocated by the Commissioner of Education unless a district experiences a reduction in State aid or otherwise confronts a structural budgetary imbalance and the district provides, in a format acceptable to the Commissioner, a written plan explaining how the district intends to fund operations in future years in which the district does not receive similar supplemental State aid.

In the event that a hospital did not report its Medicaid managed care days on the cost report utilized in this calculation, the Department of Health (DOH) shall ascertain Medicaid managed care encounter days for Medicaid and NJ FamilyCare clients as reported by insurers to the State as per source data defined in (b) above; (d) Medicaid managed care DME cost begins with the intern and residency program costs using the 2019 submitted Medicaid cost report total residency costs, reported on Worksheet B Pt I Column 21 Line 21 plus Worksheet B Pt I Column 22 Line 22 divided by the 2019 resident full time equivalent employees (FTE), reported on Worksheet S-3 Pt 1 Column 9 line 14 to develop an average cost per resident FTE for each hospital; (e) median cost per resident FTE is calculated based on the average cost per resident FTE for each hospital; (f) the median cost per resident FTE is multiplied by the 2019 resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 to develop total median residency program cost for each hospital; (g) median residency costs are multiplied by the ratio of Medicaid managed care days, reported on Worksheet S-3 Column 7 Line 2, divided by the difference of total days, reported on Worksheet S-3 Column 8 Line 14, less nursery days, reported on Worksheet S-3 Column 8 Line 13 to determine the Medicaid managed care DME cost of each hospital; (h) Medicaid managed care IME cost is defined as the Medicare IME factor multiplied by Medicaid managed care encounter payments as per source data defined in (b) above; (i) the IME factor is calculated using the Medicare IME formula as follows: $1.35 * [(1 + x)^{0.405} - 1]$, in which "x" is the ratio of submitted IME resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 divided by the difference of total available beds, reported on Worksheet S-3 Column 2 Line 14, less nursery beds, reported on Worksheet S-3 Column 2 Line 13; (j) total 2019 Medicaid managed care GME costs shall equal total 2019 Medicaid managed care IME costs plus total 2019 Medicaid managed care DME costs; (k) the 2019 total Medicaid managed care DME costs is divided by the total 2019 Medicaid managed care GME costs; (l) the DME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (k) above; (m) each hospital's percentage of total 2019 Medicaid managed care DME costs shall be multiplied by the DME allocation to calculate its DME payment; (n) the 2019 total Medicaid managed care IME costs are divided by the total 2019 Medicaid managed care GME costs; (o) the IME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (n) above; (p) each hospital's percentage of total 2019 Medicaid managed care IME costs shall be multiplied by the IME allocation to calculate its IME payment; (q) the sum of a hospital's DME and IME payments shall equal its subsidy payment. The total GME Subsidy amount and these payments shall not exceed \$218,000,000 and shall be paid in 12 monthly payments; (r) in the event that a hospital believes that there are mathematical errors in the calculations, or data not matching the actual source documents used to calculate the subsidy as defined above, hospitals shall be permitted to file calculation appeals within 15 working days of receipt of the subsidy allocation letter. If upon review it is determined by the DOH that the error has occurred and would constitute at least a five percent change in the hospital's allocation amount, a revised industry-wide allocation shall be issued; (s) each hospital receiving a GME allocation shall, on or before May 31, 2022, provide a report to the Commissioner of Health indicating the total number of physicians who completed their training during the preceding calendar year, and the number of those physicians who plan to practice medicine within the State of New Jersey.

DEPARTMENT OF HEALTH

Notwithstanding the provisions of P.L.2005, c.237 or any other law or regulation to the contrary, \$32,000,000 from the surcharge on each general hospital and each specialty heart hospital is appropriated to fund federally qualified health centers. Any unexpended balance at the end of the preceding fiscal year in the Health Care Subsidy Fund received through the hospital and other health care initiatives account during the preceding fiscal year is appropriated for payments to federally qualified health centers.

Receipts from licenses, permits, fines, penalties, and fees collected by the Department of Health, in excess of those anticipated, are appropriated, subject to a plan prepared by the department and approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of section 7 of P.L.1992, c.160 (C.26:2H-18.57) or any law or regulation to the contrary, the first \$1,200,000 in per adjusted admission charge assessment revenues, attributable to \$10 per adjusted admission charge assessments made by the Department of Health, shall be anticipated as revenue in the General Fund available for health-related purposes. Furthermore, the remaining revenue attributable to this fee shall be available to carry out the provisions of section 7 of P.L.1992, c.160 (C.26:2H-18.57), as determined by the Commissioner of Health, and subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the State Treasurer shall transfer to the Health Care Subsidy Fund, established pursuant to section 8 of P.L.1992, c.160 (C.26:2H-18.58), only those additional revenues generated from third party liability recoveries, excluding NJ FamilyCare, by the State arising from a review by the Director of the Division of Budget and Accounting of hospital payments reimbursed from the Health Care Subsidy Fund with service dates that are after the date of enactment of P.L.1996, c.29.

Any change in program eligibility criteria and increases in the types of services or rates paid for services to or on behalf of clients for all programs under the purview of the Department of Health, not mandated by federal law, first shall be approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, fees, fines, penalties and assessments owed to the Department of Health shall be offset against payments due and owing from other appropriated funds.

In addition to the amount hereinabove appropriated, receipts from the federal Medicaid (Title XIX) program for health services-related programs throughout the Department of Health are appropriated for the same purpose, subject to the approval of the Director of the Division of Budget and Accounting.

In addition to the amounts hereinabove appropriated to the Office of the Chief State Medical Examiner, there are appropriated to the respective State departments and agencies such amounts as may be received or receivable from any instrumentality, municipality, or public authority for direct and indirect costs of all services furnished thereto, except as to such costs for which funds have been included in appropriations otherwise made to the respective State departments and agencies as the Director of the Division of Budget and Accounting shall determine.

22-491-054-7530-008	7530-493-245040-61	Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the Department of Human Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail-order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Human Services and the Director of the Division of Budget and Accounting.
22-491-054-7530-008	7530-493-245040-61	Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program is conditioned upon the Department of Human Services coordinating the benefits of the PAAD program with the prescription drug benefits of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, as the primary payer due to the current federal prohibition against State automatic enrollment of PAAD program recipients in the federal program. The PAAD program benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs, as determined by the Commissioner of Human Services, associated with enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold Prescription Discount Program, and for Medicare Part D premium costs for PAAD program beneficiaries.
22-491-054-7530-008	7530-493-245040-61	Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.
22-491-054-7530-008	7530-493-245040-61	Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD) program recipients, no funds hereinabove appropriated from the PAAD account shall be expended for any individual enrolled in the PAAD program unless the individual provides all data that may be necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.
22-491-054-7530-008	7530-493-245040-61	Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug paid by PAAD as a primary payer until such time as the original prescription is 85 percent finished.
22-491-054-7530-008	7530-493-245040-61	Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended to cover medications not on the formulary of a PAAD program beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by PAAD which are specifically excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.
22-491-054-7530-008	7530-493-245040-61	Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs used for baldness, weight loss, and skin conditions.
22-491-054-7530-008	7530-493-245040-61	Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for fee-for-service prescription drug claims with no Medicare Part D coverage except under the following conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance with subsection (f) of section 1927 of the Social Security Act; (ii) Wholesale Acquisition Cost less a volume discount, in the absence of a NADAC price, that is consistent with the NJ FamilyCare Program; (iii) the federal upper limit or (iv) the State upper limit (SUL); and (v) cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source drugs and multi-source drugs in the absence of any alternative pricing benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge; or (ii) the lower of cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source and multi-source drugs, where an alternative pricing benchmark is not available, plus a professional fee that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not available, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

The State appropriation for the State's developmental centers is based on ICF/IDD revenues of \$240,429,000, provided that if the ICF/IDD revenues exceed \$240,429,000, an amount equal to the excess ICF/IDD revenues may be deducted from the State appropriation for the developmental centers, subject to the approval of the Director of the Division of Budget and Accounting.

In order to permit flexibility in the handling of appropriations and ensure timely payments to service providers, funds may be transferred to and from the various items of appropriation in the Residential Care and Habilitation Services and Administration and Support Services program classifications within the developmental centers accounts, subject to the approval of the Director of the Division of Budget and Accounting.

In addition to the amount hereinabove appropriated for Operation and Support of Educational Institutions of the Division of Developmental Disabilities, such other amounts provided in Inter-Departmental accounts for Employee Benefits, as the Director of the Division of Budget and Accounting shall determine, are considered as appropriated on behalf of the developmental centers and are available for matching federal funds.

Funds appropriated to Rutgers University for purposes of medical education are authorized to be used as necessary by the Director of the Division of Budget and Accounting and the Division of Medical Assistance and Health Services, consistent with CMS guidelines, solely to maximize federal Medicaid payments to faculty physicians and non-physician professionals who are affiliated with the aforementioned respective medical schools.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the Outcomes-Based Allocation program in each of the senior public institutions of higher education shall be allocated and distributed to eligible senior public institutions based on a funding rationale determined by the Secretary of the Office of Higher Education, in consultation with the New Jersey Presidents Council, which shall be based upon the following criteria along with any other requirements the Secretary determines to be appropriate in order to advance equity and improve student outcomes, subject to the approval of the Director of the Division of Budget and Accounting: (1) the total number of degrees awarded by the institution, (2) the number of degrees awarded by the institution to individuals from underrepresented ethnic and racial minority groups, and (3) the number of students at the institution who receive Pell grants; provided further, however, that institutions receiving awards shall be required to: (a) adopt and publicly offer a predictable pricing guarantee to all full-time undergraduate students enrolling in the fall of 2022 that ensures that each such student with a family adjusted gross income of up to \$65,000 will receive enough financial aid from a combination of State, federal, institutional, and other grants or scholarships to eliminate the net cost of tuition and mandatory fees for the student for the third and fourth years of the student's enrollment at the institution, except that if the amount of the Fiscal Year 2022 appropriation for Outcomes Based Allocation that is in addition to the appropriation provided for Outcomes Based Allocation in the prior fiscal year are insufficient to cover the cost of the predictable pricing guarantee, the institution may submit to the Secretary of the Office of Higher Education for approval an alternative predictable pricing guarantee which utilizes a lower family adjusted gross income threshold or which ensures enough financial aid to partially offset the net cost of tuition and mandatory fees for a student's third and fourth years of enrollment at the institution, provided that such alternative predictable pricing guarantee shall be available to full-time undergraduate students newly enrolling in the fall of 2022. An institution receiving funds shall submit an expenditure plan, subject to the approval of the Director of Budget and Accounting, demonstrating that the amount of the Fiscal Year 2022 appropriation for Outcomes Based Allocation that is in addition to the appropriation provided for Outcomes Based Allocation in the prior fiscal year are sufficient to cover the cost of the predictable pricing guarantee or alternative pricing guarantee; (b) develop sliding-scale net prices for other students who have higher incomes to complement this pricing guarantee, consistent with a predictable pricing structure throughout the length of these students' academic program, (c) adopt a Financial Aid Shopping Sheet for all undergraduate students, (d) share program-level spending information to assist in the distribution of future funding, and (e) participate in good faith discussions led by the Secretary to improve future distribution of funding to institutions consistent with State priorities, subject to the approval of the Director of the Division of Budget and Accounting. Beginning with the data for academic year 2020-2021, each four-year institution shall report to the Secretary of Higher Education and the Higher Education Student Assistance Authority, at an individual student unit record level, the amount of institutional aid granted to each undergraduate student.

Notwithstanding the provisions of any State law or regulation to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds including grants for preventive measures; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first \$500,000 of unanticipated grant awards plus an additional 25 percent of any remaining award amount that is greater than \$500,000, and up to 25 percent of increases in previously anticipated grant awards for which no State matching funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated, and any such grants intended to prevent threats to homeland security up to 100 percent of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided, however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants.

For the purposes of federal funds appropriations, “political subdivisions of the State” means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; “discretion” refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and “grants” refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated for the same purposes, except for any unexpended prior-year balances of federal Coronavirus State Fiscal Recovery Fund assistance the State received under the American Rescue Plan Act of 2021. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1 of the current fiscal year of any unexpended balances which are continued, including any unexpended balances of federal Coronavirus State Fiscal Recovery Fund assistance.

Notwithstanding the provisions of any law or regulation to the contrary, funding allocated to the State from the federal “Coronavirus State Fiscal Recovery Fund” (SFRF) established pursuant to the federal “American Rescue Plan Act of 2021,” Pub. L. 117-2, and any other similar type of federal law that may be hereafter enacted, are appropriated and are subject to the following conditions:

- a. with regard to individual items of appropriation in this act, that are eligible for SFRF funding, as determined by the Executive Director of the Governor's Disaster Recovery Office, such eligible items may be paid for using SFRF funds, subject to the approval of the Director of the Division of Budget and Accounting;
- b. with regard to additional programs, projects, and uses of SFRF funds, moneys appropriated by this provision shall be used solely to pay for costs authorized to be paid pursuant to SFRF, which may include, but shall not be limited to, support for the public health response to the COVID-19 Pandemic and the public health emergency and economic distress resulting therefrom; grants to improve ventilation in school facilities and private businesses; responses to the negative economic impacts of the public health emergency, including rent, mortgage, or utility assistance to households; aid to businesses in impacted industries such as tourism, travel, and hospitality; costs of programs to address health disparities including through the remediation of lead hazards; water, sewer, and broadband infrastructure; costs to address educational disparities; and costs to promote healthy childhood environments, including the creation of a child care revitalization fund. The determination of eligibility of the specific programs, projects, and uses recommended to be funded by this appropriation shall be made by the Executive Director of the Governor's Disaster Recovery Office, who shall establish an application and review process based on Statewide need, in compliance with federal eligibility requirements, subject to the approval of the Director of the Division of Budget and Accounting. Funding recommendations shall be subject to the approval of the Joint Budget Oversight Committee (JBOC); provided, however, there is appropriated \$200,000,000 from federal funds provided to the State of New Jersey pursuant to the SFRF, which may be directly allocated to pandemic-related programs without JBOC approval, not to exceed \$10,000,000 for each such eligible program, as determined by the Executive Director of the Governor's Disaster Recovery Office, subject to the approval of the Director of the Division of Budget and Accounting. Notice shall be provided to JBOC with respect to each such appropriation. With respect to recommended appropriations of more than \$10,000,000, and with respect to appropriations exceeding a total of \$200,000,000, approval of the Joint Budget Oversight Committee shall be required; and
- c. subject to the approval of the Director of the Division of Budget and Accounting, appropriations shall include necessary administrative costs of the respective agencies in administering the individual programs and for the SFRF grants management costs incurred by the Department of Community Affairs, Division of Disaster Recovery & Mitigation, as the State's designated grants manager, in its oversight of the entire portfolio of funds, consistent with SFRF requirements. The administrative costs authorized in this subparagraph for an individual program shall be no more than 2.5 percent of the cost of that program and may not exceed \$150,000,000 in total across all programs. In the event that the administrative costs of the agencies and the division administering the programs and projects funded by the SFRF are not permitted to be paid from the federal monies received by the State, there are appropriated from the General Fund such additional sums as are required, subject to the limitations contained in this subparagraph and subject to the approval of the Director of the Division of Budget and Accounting and subject to the approval of the Joint Budget Oversight Committee.

The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State administrative agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred among accounts in the Children's System of Care Services program classification. Amounts may also be transferred to and from various items of appropriation within the General Medical Services program classification of the Division of Medical Assistance and Health Services in the Department of Human Services and the Children's System of Care Services program classification in the Department of Children and Families. All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

The federal grant funds hereinabove appropriated are subject to the following condition: in the event that the agency receiving the funds from the federal government enters into an agreement with another agency as the subgrantee of such federal funds, the funds may be transferred to such subgrantee agency, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, the federal funds hereinabove appropriated to the Department of Transportation are subject to the following condition: in order to ensure the continued flow of necessary federal funds for important State and local transportation projects, in the event the Federal Highway Administration (FHWA) objects to the form of the department's request for submission of competitive bids or to the form or contents of related grant agreements funded with federal funds, the department shall make any changes to such requests or contracts as may be determined by the FHWA to be necessary to comply with federal law; and any other department, agency or authority affected by such action is required to take any further actions required in order for it to be in accordance with the changes required by FHWA.

GENERAL PROVISIONS

87. Notwithstanding the provisions of section 17 of this act to the contrary, the Director of the Division of Budget and Accounting may establish accounts and transfer amounts appropriated to the Preserve New Jersey Green Acres Fund, Preserve New Jersey Blue Acres Fund, Preserve New Jersey Farmland Preservation Fund and the Preserve New Jersey Historic Preservation Fund pursuant to the “Preserve New Jersey Act,” P.L.2016, c.12 (C.13:8C-43 et seq.), as amended by P.L.2019, c.136, in a manner that is consistent with the provisions of the act and acts appropriating monies to these funds. The unexpended balances at the end of the preceding fiscal year in these accounts are appropriated for the same purpose.
88. Notwithstanding the provisions of any law or regulation to the contrary, in order to achieve cost savings, improve timeliness, and minimize fraud, State agencies may obtain employment and income information from a third-party commercial consumer reporting agency, in accordance with the federal “Fair Credit Reporting Act,” 15 U.S.C. s.1681 et seq., for the purpose of obtaining real-time employment and income information to help determine program eligibility.
89. Notwithstanding the provisions of any State bidding or procurement laws to the contrary, except for the provisions of P.L.2005, c.51 (C.19:44A-20.13 et seq.) and P.L.1975, c.127 (C.10:5-31 et seq.), and to take advantage of cost-savings and efficiencies, any funds appropriated to any State department that may otherwise be expended on advertising shall be available for the purchase of public education programming, public service announcements, public awareness and education messaging, and advertising from the providers to the same or their non-profit trade associations.
90. 92. Notwithstanding the provisions of any law or regulation to the contrary, the Director of the Division of Budget and Accounting, with the approval of the State Treasurer, shall provide that appropriations from the State General Fund be transferred and recorded as appropriations from the Property Tax Relief Fund to reflect the amounts as deemed necessary by the State Treasurer to offset the loss of the proceeds derived from the lottery contribution reallocated pursuant to P.L.2017, c.98 (C.5:9-22.5 et al.) from the State General Fund to Common Pension Fund L. Provided however, that any transfer shall take effect 20 days after written notice thereof is provided to the Joint Budget Oversight Committee, if the committee takes no action disapproving a transfer. Any appropriation shifted from the State General Fund to the Property Tax Relief Fund pursuant to this provision shall be appropriated in a manner consistent with the provisions of Article VIII, Section I, paragraph 7 of the New Jersey Constitution and the Director may warrant the necessary payments from the Property Tax Relief Fund, provided further however, that all available unreserved, undesignated fund balance in the Property Tax Relief Fund as determined by the State Treasurer shall be used to support the appropriations.
93. Any funds that may be received by the State of New Jersey from the Environmental Mitigation Trust established in partial settlement of In re: Volkswagen “Clean Diesel” Marketing, Sales Practices and Products Liability Litigation, Case No: MDL No. 2672 CRB (JSC) (N.D. Such projects shall be selected by the Department of Environmental Protection, as the lead agency previously designated by the Governor and shall be selected from among the categories of eligible mitigation actions described in the Environmental Mitigation Trust Agreement. Any funds received from the Trustee for projects to be administered by State departments shall be deposited in a separate non-lapsing fund to be known as the “Volkswagen Environmental Mitigation Fund,” and are appropriated solely for projects which are eligible mitigation actions consistent with the terms of the trust agreement and may include administrative costs in such amounts that are consistent with the terms of the trust agreement, subject to the approval of the Director of the Division of Budget and Accounting. Any projects administered by State departments which will award grants through new or existing grant programs will award such grants on a competitive basis, using criteria determined by the Department of Environmental Protection.
94. Notwithstanding the provisions of any law or regulation to the contrary, amounts deposited into the “Energy Tax Receipts Property Tax Relief Fund” pursuant to P.L.1997, c.167 (C.52:27D-438 et al.) are appropriated to the General Fund as State revenue.
95. The unexpended balances at the end of the preceding fiscal year in the Expanded Addiction Initiatives line item in the Division of Mental Health and Addiction Services in the Department of Human Services and the various accounts in the Departments of Children and Families, Corrections, Community Affairs, Education, Health, Human Services, Labor and Workforce Development, and Law and Public Safety reallocated from the Expanded Addiction Initiatives line item in the Division of Mental Health and Addiction Services in the Department of Human Services for anti-opioid initiatives, including, but not limited to, Integrated Population Health Data Project, Health Information Technology, Alternatives to Opioid Program, Syringe Access Programs, Single License for Primary Care, and other similar accounts, are appropriated for the same purpose and may be transferred among the same accounts, subject to the approval of the Director of the Division of Budget and Accounting.
96. Notwithstanding the provisions of P.L.2006, c.43, or any other law or regulation to the contrary, the amount hereinabove appropriated for the Health Care Subsidy Fund is subject to the following condition: the assessment on net written premiums received from each health maintenance organization shall be made available to fund any qualified expenditure that can be paid from the Health Care Subsidy Fund.
97. Notwithstanding the provisions of any law or regulation to the contrary, and in addition to the amounts hereinabove appropriated for the Department of Banking and Insurance and the Department of the Treasury, the amount necessary to pay for the operational costs incurred by various departments to meet the statutory requirements of P.L.2019, c.141 (C.17B:27A-57 et seq.) is appropriated from the Health Insurance Exchange Trust Fund, subject to the approval of the Director of the Division of Budget and Accounting.

GENERAL PROVISIONS

99. In addition to the amounts hereinabove appropriated for programs and services to address the COVID-19 pandemic, there are appropriated to the various departments and agencies, subject to the approval of the Director of the Division of Budget and Accounting in consultation with the State Treasurer, such amounts as are determined to be necessary to support COVID-19 pandemic-related costs that are not eligible for federal reimbursement.
100. Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of the Director of the Division of Budget and Accounting, the costs of State department purchases of products in compliance with P.L.2020, c.117 (C.13:1E-99.126 et seq.), which prohibited the provision or sale of certain single-use carryout bags, plastic straws, and polystyrene foam food service products, are appropriated from the Clean Energy Fund.
101. In addition to the amounts hereinabove appropriated for the Cannabis Regulatory Commission, there are appropriated such additional amounts to pay for costs associated with implementing the “New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act,” P.L.2021, c.16 (C.24:6I-31 et al.), and the legalization of medical and personal use cannabis as determined by the Cannabis Regulatory Commission, subject to the approval of the Director of the Division of Budget and Accounting.
102. Notwithstanding any law or regulation to the contrary, the Division of Medical Assistance and Health Services (DMAHS) in the Department of Human Services shall require all Medicaid Managed Care Organizations (MCOs) to annually report the percentage of total medical expenditures paid for primary care services, beginning with 2020. DMAHS shall require the MCOs to use and report on the two uniform definitions of primary care services which are delineated as “broad” and “narrow” as established by the Patient Centered Primary Care Collaborative and Milbank Memorial Fund. The data on these two measures shall be published annually, by MCO, on the NJ FamilyCare website. In addition, the New Jersey Division of Pensions and Benefits (DPB) shall annually report the data on the same two measures of primary care spending for each of the state funded plans that it administers and publish the information on its website annually. Nothing herein shall require DMAHS, DPB, or MCOs to report and publicly disclose any specific rates of reimbursement for any specific primary care services. In collaboration with DMAHS and the Department of Banking and Insurance, the Office of the Treasurer, the DPB shall conduct a market scan of State-funded team-based primary care models (including but not limited to the Comprehensive Primary Care initiatives and Patient Centered Medical Home models) currently in use in markets in the State that are funded in any part with State revenue. The market scan shall include a detailed description of all the quality, efficiency, and performance measures used in the models and shall be made publicly available on the DPB website. The market scan shall be used by the State to develop an aligned high-quality team-based primary care model or models (that emphasize capitation and performance payments over a fee for service reimbursement model) that shall be included in all State-funded health benefits and health insurance programs.
103. Any funds that may be received by the State of New Jersey in relation to a legal settlement entered into with, or litigation undertaken against, opioid manufacturers or distributors related to claims arising from the manufacture, marketing, distribution, or dispensing of opioids, shall be deposited in the “Opioid Recovery and Remediation Fund” established pursuant to P.L. c. (C.) (pending before the Legislature as Senate Bill No. 3867 and Assembly Bill No. 5868). No funds appropriated by this act shall be drawn from the fund, except as expressly indicated.
104. In addition to the amounts hereinabove appropriated, there are appropriated such additional amounts, subject to the approval of the Director of the Division of Budget and Accounting, as are determined to be required to satisfy federal maintenance-of-effort and maintenance-of-equity requirements pursuant to the American Rescue Plan Act of 2021.
105. This act shall take effect July 1, 2021.
