14.	Quarterly Activities/Project Description (include number of visits to meet with recipient and sub recipient, including who you met with, and any site visits warranted to where work was completed)	For the Hudson River Project, during Q-4 2022, the NJ DEP Project team was preparing to move forward with the Resist/ Cove Park phase of the Project, which includes the construction of green infrastructure, a sea wall, and pump stations to redirect water. Selection of a General Contractor is anticipated in Q1 2023. The IOM Team has its plans in place to monitor this phase of the Project, once it moves forward. For the Meadowlands Project, the NJ DEP Project team anticipates the selection of a General Contractor in Q2 2023 and the start of work in summer 2024. The NJ DEP Project team has been engaged in preparatory activities, including the acquisition of property and property easements in accordance with the requirements of the Uniform Relocation Act (URA).	
15.	Brief Description to confirm appropriate data/information has been provided by recipient and what activities have been taken to review in relation to the project/contract/program.	During the monitorship, in addition to Thacher Associates' initial request for documents required of NJDEP's financial, administrative, and procurement processes, NJDEP has periodically been providing additional documents it believes are relevant to our scope of services. Thacher Associates has supplemented those document requests with additional requests as needed, all of which have been complied with. Thacher Associates has reviewed those documents for compliance with CDBG-DR laws, rules, and regulations, and to track the status and progress of the projects. For more detail regarding relevant activities during Q4-2022, please see the answer to question 14.	
16.	Description of quarterly auditing activities that have been conducted to ensure procurement compliance with terms and conditions of the contracts and agreements.	No procurement related activities were monitored during the reporting period.	
17.	Have payment requisitions in connection with the contract/program been reviewed? Please describe	During the period covered by this report, Thacher Associates did not review payment requisitions.	
18.	Description of quarterly activity to prevent and detect waste, fraud and abuse.	During Q-4 2022, the IOM Team's fraud prevention activities consisted of reviewing the PGP documents for project procedures in order to identify possible vulnerabilities, recommend improvements, and monitor compliance, as described in the answer to Question 14.	
19.	Provide details of any integrity issues/findings	None noted.	
20.	Provide details of any work quality or safety/environmental/historical preservation issue(s).	None noted.
