6.	Contract/Program Person/Title	Barbara Geary, Chief Procurement Officer	
7.	Brief Description, Purpose and Rationale of Project/Program	<p>Provide Integrity Oversight Monitoring Services for the Delco Lead Safe Haven Inspection and Storage Facility Project, including:</p> <ul style="list-style-type: none"> <li>- <b>Design of the Delco Lead Project:</b> NJT01045 - Jacobs Engineering has been retained to perform preliminary design, final design and construction support services for the Delco Lead Project.</li> <li>- <b>Construction Management (CM) Services:</b> Urban Engineers / Tishman Construction Corporation was retained for CM services for the General Construction Contract 1 and General Construction Contract 2.</li> <li>- <b>Construction Contracts:</b> This project involves construction of the two new tracks, catenary structures, associated switches and signal work for DELCO Lead emergency storage, as well as S&amp;I facility for routine inspection. It is anticipated that the project construction will be completed in phases. The first contract GC-01 is for site work, and is under Procurement at this time. The contract GC-02 will mainly be for the railroad infrastructure along DELCO Lead.</li> </ul>	<p>Based on the current value of the federally-funded component for GC.01 construction contract falling below the threshold for monitoring, this contract is no longer under the IOM scope of work.</p> <p>Additionally, during the October 11, 2023 NJ Transit Board of Directors meeting, NJ Transit authorized to amend the current construction management services contract with the joint venture team of Urban Engineers / Tishman as well as the design contract with Jacobs Engineering. The change order for Urban Engineers / Tishman resulted in the contract monitoring falling within the IOM scope of work.</p>
