M-1 New Business

Trustee Polkowitz requested that one of the first orders of business for the new Actuarial team be to address the PFRS's COLA standing. He would like them to analyze different scenarios of reinstatement.

Chairman Donnelly indicated that the intent is to have the Actuary on Board early next year and the Actuary Committee is in the process of putting together procedures for the Board to review various equations. The Executive Director will work with Trustee Colacci to present to the Board at the January Board meeting.

Trustee Megariotis advised the Board that the Treasurer set the new loan rate for 2021. Any member taking a loan January 1, 2021 or later will have an interest rate of 5.75% and if they take a new loan it will all be refinanced into the new loan rate of 5.75%. The current rate is 7.25%
