TO: Certifying Officers of Local Government and Local Education Employers

FROM: New Jersey Division of Pensions & Benefits (NJDPB)

RE: **Transmittal Electronic Payment System (TEPS)**

The Transmittal Electronic Payment System (TEPS) was developed for the use of local employers for the transmittal of pension contributions, life insurance premiums, SACT monies, transmittal shortages, employer appropriations, health benefits, and retroactive payments. TEPS is an easy, convenient way make payments from employer bank accounts to the NJDPB almost immediately, ensuring payments are received by the due date as long as the transmittal is made in a timely manner.

Beginning July 1, 2019, employers will no longer be able to make payments via telephone and will only be able to make payments online through the TEPS website. You may log in or establish your online account at: www.payments-govonesolutions.com/njpenmenu A user-friendly program will guide you through the payment, inquiry, or payment cancellation process.

FOR ADDITIONAL INFORMATION

If you have additional questions regarding establishing an online TEPS account, please contact First Data at 1-800-332-4125.
