FROM: New Jersey Division of Pensions & Benefits (NJDPB)

SUBJECT: Introducing Amino: NJ SHBP/SEHBP's Preferred Healthcare Search & Booking Platform

In partnership with Horizon, we're excited to be offering [Amino](#) as a new healthcare benefit to all of our NJ SHBP and SEHBP members.

What is Amino?

Amino is a healthcare search and booking platform available free to all NJ SHBP and SEHBP members through our benefits program.

How do members get started?

Eligible plan members can visit amino.com/nj to claim their free account. They can access their account on any device (desktop, tablet, mobile) after they sign up.

What can members do with Amino?

- Search for high-quality, experienced doctors and facilities covered by our health plans.
- Book appointments online. (Amino's Booking Assistants take care of all the details.)
- Access healthcare benefits programs like telemedicine and joint pain management when you need them.

This benefit not only makes employees' lives easier—it will also ensure that everyone has access to the right care in the right setting when they need it most.

How can I tell employees about Amino?

Attached, we've provided information you can use to educate your employees about Amino and help them activate their accounts. If you have any questions about this benefit or the materials provided, please reply to this email for assistance.
