Information For New Applicants

A *Carrier Election and Allocation* form must be completed to identify the investment carrier(s) with which you want your contributions invested.

If you are eligible for immediate vesting, the employer contributions become your property immediately upon investment in your account. You may elect any number of investment carriers and designate the percentage (in whole numbers) of the total contributions they each should receive.

If you are not eligible for immediate vesting, the employer contributions do not become your property until the beginning of the 13th month of your employment. You may elect only one investment carrier.

If you do not file a *Carrier Election and Allocation* form, the ABP Administrator will enroll you with the investment carrier selected as the default carrier for the current plan.

You must file an application directly with the investment carrier(s) you have elected or with the default investment carrier if you fail to complete this form. If you fail to do so, you may lose possible revenue from your contributions. Additionally, the carrier(s) you elected will return your contributions to your employer and the ABP administrator will enroll you with the default investment carrier.

Information For Vested ABP Members

ABP members may change their investment carrier election and/or allocation once each quarter of the calendar year.
