
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is **only a summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, [insert contact information]. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-609-292-7524 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0 – Deductible does not apply	First day, first dollar coverage. You do not have to meet a deductible amount before this plan begins to pay for covered services you use. See the chart starting on page 2 for how much you pay for covered services.
Are there services covered before you meet your deductible ?	Yes. All eligible services.	This plan covers items and services that do not require a deductible to be met.
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
What is the out-of-pocket limit for this plan ?	Yes. For in-network and out-of-network providers \$1,000 out of pocket maximum. This is a combined annual maximum for in-network and out-of-network services.	The out-of-pocket limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit ?	Premiums, balance-billed charge for a Medicare provider who does not accept Medicare Assignment, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes, but not required as long as the provider accepts Medicare. For a list of in-network providers, see http://www.aetnamedicare.com/group/group_plans_intro.jsp or call 1-866-234-3129.	In and out-of-network benefits do not apply to the Medicare PPO ESA plan. However, members need to use a licensed provider with Medicare.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
