- Plastic or cosmetic surgery unless it is covered by Original Medicare
- Custodial care
- Experimental procedures or treatments that Original Medicare doesn't cover
  
- Outpatient prescription drugs unless covered under Original Medicare Part B

You may pay more for out-of-network services. Prior approval from Aetna is required for some network services. For services from a non-network provider, prior approval from Aetna is recommended. Providers must be licensed and eligible to receive payment under the federal Medicare program and willing to accept the plan.
