**REQUEST FOR PROPOSALS (RFP) FOR
INVESTMENT BIDDING AGENT (“BIDDING AGENT”)**

1.0 PURPOSE

The Treasurer of the State of New Jersey (the “State”) is soliciting proposals on behalf of the New Jersey Transportation Trust Fund Authority (“NJTTFA”) from qualified firms interested in assisting with the investment of bond proceeds, structuring of escrow agreements and purchase of securities for deposit in escrow funds. The NJTTFA is contemplating a refunding of a portion of its outstanding Transportation System Bonds (the “Bonds”). The State currently anticipates the use of up to 2 distinct escrow accounts. The estimated securities costs and purchase date for each account are as follows, in millions:

	<u>Cost</u>
Tax-Exempt Escrow:	\$726.4
<u>Taxable Escrow:</u>	<u>\$1,722.1</u>
Total:	\$2,448.5

The Bidding Agent will work with the State and the purchaser to determine whether the bids should be based upon (i) pre-defined portfolios of escrow securities identified by the purchaser, or (ii) the anticipated escrow cash flow requirements supplied by the purchaser.

Permitted securities will be limited to "Federal Securities" as defined in the General Bond Resolution, attached hereto as Appendix A. Upon consultation with the Bidding Agent and the purchaser, the State may elect to further limit the universe of permitted securities.

The Bidding Agent is expected to have or obtain a thorough understanding of the relevant covenants and contracts pertaining to the NJTTFA’s Bonds.

The contract’s term will begin upon the award of the contract and end with providing all post-issuance information after the successful closing of the refunding. The State and the NJTTFA reserve the right to terminate the engagement at their convenience and without cause.

There is no assurance that the services of the selected Bidding Agent will be required for the transaction. No compensation will be provided to the Bidding Agent unless the investments are bid and settled.

2.0 MINIMUM REQUIREMENT

A firm must meet the following minimum requirement in order to be given further consideration to be appointed:

Experience as a bidding agent or investment agent for at least three transactions of a governmental body, public corporation, authority or similar entity where each such transaction involved the investment of at least \$100 million in proceeds in open market Treasury securities or U.S. Agency securities.

Failure of a firm to meet the Minimum Requirement **will result in the immediate rejection of such firm's proposal.**

3.0 SCOPE OF SERVICES

A firm selected as Bidding Agent will be responsible for preparing all necessary documentation to qualify and select providers of a variety of investment products to ensure that the NJTTFA achieves the highest rate of return possible on its escrow investments. All documentation will be subject to review by Bond Counsel, the Attorney General's Office, and the Department of the Treasury. The firm appointed will be expected to be familiar with the laws of the State and the Bond documentation regarding the investment of bond proceeds and other available funds. The firm will be expected to perform and provide the following services:

- Review and provide the State and NJTTFA with advice concerning the investment language in the documents authorizing the Bonds;
- Provide suggestions as to appropriate investment strategy and review investment strategy for Bond proceeds and escrow agreements;
- Prepare term sheet(s) and request for proposals;
