

**WAIVERED CONTRACTS SUPPLEMENT TO THE  
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**  
(Rev. 6/14/2018)

- A. WAIVERED CONTRACTS SUPPLEMENT TO THE STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS** - This Supplement to the State of New Jersey Standard Terms and Conditions (“Supplement”) shall apply to all contracts or purchase agreements made with the State of New Jersey (“State”) under N.J.S.A. 52:34-9 or -10 (“Waivered Contracts”). The terms in this Supplement modify the terms of the New Jersey Division of Purchase and Property’s Standard Terms and Conditions as may be updated from time to time (“Standard Terms and Conditions”). The combined terms of the Standard Terms and Conditions and this Supplement, in addition to the terms and conditions set forth in the Request for Proposal, Request for Quotation, and/or other agency request (“Solicitation”), if applicable, shall prevail over any conflicts set forth in or incorporated by reference into a contractor’s proposal submitted in response to a Solicitation including any standard license, service or other agreement (“Contractor Standard Form Agreement”).

The “Contract” shall consist of this Supplement, the Standard Terms and Conditions, the Solicitation, and the proposal submitted by the contractor.

The Standard Terms and Conditions are hereby incorporated by reference. Section numbering of the changes and additions enumerated below continue the number scheme of the Standard Terms and Conditions.

- B. CHANGES/ADDITIONS TO THE STANDARD TERMS AND CONDITIONS FOR ALL GOODS, SERVICES, AND INFORMATION TECHNOLOGY WAIVERED CONTRACTS:**

**2.13 OWNERSHIP DISCLOSURE**

Pursuant to N.J.S.A. 52:25-24.2, in the event the contractor is a corporation, partnership or limited liability company, the contractor must complete an Ownership Disclosure Form.

A current completed Ownership Disclosure Form must be received prior to or accompany the submitted proposal. A contractor’s failure to submit the completed and signed form with its proposal will result in the rejection of the proposal as non-responsive and preclude the award of a Contract to said contractor unless the Division has on file a signed and accurate Ownership Disclosure Form dated and received no more than six (6) months prior to the receipt of the proposal. If any ownership change has occurred within the last six (6) months, a new Ownership Disclosure Form must be completed, signed and submitted with the proposal.

In the alternative, to comply with this section, a contractor with any direct or indirect parent entity which is publicly traded may submit the name and address of each publicly traded entity and the name and address of each person that holds a 10 percent or greater beneficial interest in the publicly traded entity as of the last annual filing with the federal Securities and Exchange Commission or the foreign equivalent, and, if there is any person that holds a 10 percent or greater beneficial interest, also shall submit links to the websites containing the last annual filings with the federal Securities and Exchange Commission or the foreign equivalent and the relevant page numbers of the filings that contain the information on each person that holds a 10 percent or greater beneficial interest. N.J.S.A. 52:25-24.2.

**2.14 PROHIBITED INVESTMENT IN IRAN**

Pursuant to N.J.S.A. 52:32-58, the contractor must utilize this Disclosure of Investment Activities in Iran form to certify that neither the contractor, nor one (1) of its parents, subsidiaries, and/or affiliates (as defined in N.J.S.A. 52:32-56(e)(3)), is listed on the Department of the Treasury’s List of Persons or Entities Engaging in Prohibited Investment Activities in Iran and that neither the contractor, nor one (1) of its parents, subsidiaries, and/or affiliates, is involved in any of the investment activities set forth in N.J.S.A. 52:32-56(f). If the contractor is unable to so certify, the contractor shall provide a detailed and precise description of such activities as directed on the form.

**WAIVERED CONTRACTS SUPPLEMENT TO THE  
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS  
(Rev. 6/14/2018)**

**2.15 STATE'S RIGHT TO INSPECT CONTRACTOR'S FACILITIES**

The State reserves the right to inspect the contractor's establishment before making an award, for the purposes of ascertaining whether the contractor has the necessary facilities for performing the Contract.

The State may also consult with clients of the contractor to assist the State in making a contract award that is most advantageous to the State.

**2.16 STATE'S RIGHT TO REQUEST FURTHER INFORMATION**

The Director reserves the right to request all information which may assist him or her in making a contract award, including factors necessary to evaluate the contractor's financial capabilities to perform the Contract. Further, the Director reserves the right to request a contractor to explain, in detail, how the proposal price was determined.

**2.17 DELIVERY TIME AND COSTS**

Unless otherwise noted elsewhere in the Solicitation, all delivery times are 30 calendar days after receipt of order (ARO) and prices for items in proposals shall be submitted Freight On Board (F.O.B.) Destination (30 calendar days ARO/F.O.B.). The contractor shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's Using Agency or designated purchaser. Thirty calendar days ARO/F.O.B. does not cover "spotting" but does include delivery on the receiving platform of the Using Agency at any destination in the State of New Jersey unless otherwise specified.

No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at the contractor's convenience when a single shipment is ordered.

The weights and measures of the State's Using Agency receiving the shipment shall govern.

**2.18 COLLECT ON DELIVERY (C.O.D) TERMS**

C.O.D. terms will not be accepted.

**2.19 CASH DISCOUNTS**

The contractor is encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts.

Should the contractor choose to offer cash discounts the following shall apply:

- A. Discount periods shall be calculated starting from the next business day after the Using Agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest; and
- B. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

**2.20 CLAIMS AND REMEDIES**

- A. All claims asserted against the State by the contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1, et seq., and/or the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq.

**WAIVERED CONTRACTS SUPPLEMENT TO THE  
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**  
(Rev. 6/14/2018)

- B. Nothing in this Contract shall be construed to be a waiver by the State of any warranty, expressed or implied, of any remedy at law or equity, except as specifically and expressly stated in a writing executed by the Director.
- C. In the event that the contractor fails to comply with any material Contract requirements, the Director may take steps to terminate this Contract in accordance with the Standard Terms and Conditions, authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor, as provided for in the State administrative code, or take any other action or seek any other remedies available at law or in equity.

**2.21 NEWS RELEASES & ADVERTISING**

- A. The contractor is not permitted to issue news releases pertaining to any aspect of the services being provided under this Contract without the prior written consent of the Director.
- B. The contractor shall not use the State's name, logos, images, or any data or results arising from this Contract as a part of any commercial advertising without first obtaining the prior written consent of the Director.

**2.22 ORGAN DONATION**

As required by N.J.S.A. 52:32-33.1, the State encourages the contractor to disseminate information relative to organ donation and to notify its employees, through information and materials or through an organ and tissue awareness program, of organ donation options. The information provided to employees should be prepared in collaboration with the organ procurement organizations designated pursuant to 42 U.S.C. 1320b-8 to serve in this State.

**3.8 PERFORMANCE SECURITY**

If performance security is required, such security must be submitted with the bid in the amount listed in the Solicitation. N.J.A.C. 17:12-2.5. Acceptable forms of performance security are as follows:

1. A properly executed individual or annual performance bond issued by an insurance or security company authorized to do business in the State of New Jersey,
2. A certified or cashier's check drawn to the order of "Treasurer, State of New Jersey," or
3. An irrevocable letter of credit issued by a federally insured financial institution and naming "Treasurer, State of New Jersey," as beneficiary.

The Performance Security must be submitted to the State within 30 days of the effective date of the Contract award and cover the period of the Contract and any extensions thereof. Failure to submit performance security may result in cancellation of the Contract for cause and nonpayment for work performed.

Although the performance bond is required for the full term of the Contract, the Director recognizes that the industry practice of sureties is to issue a one (1) year performance bond for goods and services contracts. Thus, the contractor is permitted to submit a one (1) year performance bond for the amount required under the Contract and, on each succeeding anniversary date of the Contract, provide a continuation or renewal certificate to evidence that the bond is in effect for the next year of the Contract. This procedure will remain in place for each year of the Contract thereafter until the termination of the Contract. Failure to provide such proof on the anniversary date of the Contract shall result in suspension of the Contract, and possibly, termination of the Contract.

**WAIVERED CONTRACTS SUPPLEMENT TO THE  
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS  
(Rev. 6/14/2018)**

For performance bonds based on a percentage of the total estimated Contract price. On each anniversary of the effective date of the Contract, the amount of the required performance bond, unless otherwise noted, is calculated by applying the established RFQ performance bond percentage to the outstanding balance of the estimated amount of the Contract price to be paid to the contractor.

In the event that the Contract price is increased by a Contract Amendment, the contractor may be required to provide, within 30 calendar days of the effective date of the Contract Amendment, performance bond coverage for the increase in Contract price. The required increase in the performance bond amount is calculated by applying the established bond percentage set forth above to the increase in Contract price. Failure to provide such proof to the Director of this required coverage may result in the suspension of payment to the contractor until such time the contractor complies with this requirement.

**3.9 RETAINAGE**

If retainage is required on the Contract as stated in the Solicitation, the state and/or agency will retain the stated percentage or retainage from each invoice. Payment of retainage will be authorized after satisfactory completion and submission of all services, deliverables or work products by the contractor and acceptance by the agency of all services, deliverables or work products required by the Contract.

For ongoing contracts, the agency will retain the stated percentage of each invoice submitted. At the end of the three (3) month period after payment of each invoice, the agency will review the contractor's performance and if performance has been satisfactory, the agency will release the retainage for the preceding three (3) month period. Following the expiration of the Contract, retained fees will be released to the contractor after certification by the agency's project manager, if any, that all services have been satisfactorily performed.

**3.10 SUBCONTRACTOR UTILIZATION PLAN**

A contractor that will subcontract any of the work or services to be provided under the Contract shall submit to the agency along with its proposal a Subcontractor Utilization Plan located at the following webpage: <http://www.state.nj.us/treasury/purchase/forms/subcontracting.pdf>. See also Section 5.8 of the Standard Terms and Conditions.

**5.17 CONFIDENTIALITY**

- a. The State's obligation to maintain the confidentiality of the contractor's confidential information provided to the State under the Contract is conditioned upon and subject to the State's obligations under the New Jersey Public Records Act, N.J.S.A. 47:1A-1 et seq., ("OPRA"), the New Jersey common law right to know, and any other lawful document request or subpoena.
- b. By virtue of the Contract, the parties may have access to information that is confidential to one another. The parties agree to disclose only information that is required for the performance of their obligations under the Contract. The contractor's confidential information, to the extent not expressly prohibited by law, shall consist of all information clearly identified as confidential at the time of disclosure ("Contractor Confidential Information"). Notwithstanding the previous sentence, the contractor acknowledges the terms and pricing of the Contract are subject to disclosure under OPRA, the New Jersey common law right to know, and any other lawful document request or subpoena.
- c. The State's Confidential Information shall consist of all information or data in any form whatsoever supplied by the State, any information or data gathered by the contractor in fulfillment of the Contract and any analysis thereof (whether in fulfillment of the Contract or not).
- d. A party's Confidential Information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party, except that if the information is personally identifying to a person or entity regardless of whether it has become part of the public

**WAIVERED CONTRACTS SUPPLEMENT TO THE  
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS  
(Rev. 6/14/2018)**

- e. The parties agree to hold each other's Confidential Information in confidence, using at least the same degree of care in doing so that it uses to protect its own confidential information.
- f. In the event that the State receives a request for Contractor Confidential Information related to the Contract pursuant to a court order, subpoena, lawful document request or other operation of law, the State agrees, if permitted by law, to provide the contractor with as much notice, in writing, as is reasonably practicable and the State's intended response to such request. The contractor shall take any action it deems appropriate to protect its documents and/or information.
- g. In addition, in the event the contractor receives a request for State Confidential Information pursuant to a court order, subpoena, or other operation of law, the contractor shall, if permitted by law, provide the State with as much notice, in writing, as is reasonably practicable and the contractor's intended response to such request. The State shall take any action it deems appropriate to protect its documents and/or information. Notice to the State shall not relieve the contractor of its obligation to take action to protect such information if the contractor is aware of a legal reason to do so.
- h. Notwithstanding the requirements of nondisclosure described in this Section 5.17, either party may release the other party's Confidential Information (i) if directed to do so by a court or arbitrator of competent jurisdiction, (ii) pursuant to a lawfully issued subpoena or other lawful document request, (iii) in the case of the State, if the State determines the documents or information are subject to disclosure and the contractor does not exercise its rights as described in subsection (f), or if the contractor is unsuccessful in defending its rights as described in subsection (f), or (iv) in the case of the contractor, if the contractor determines the documents or information are subject to disclosure and the State does not exercise its rights as described in subsection (g), or if the State is unsuccessful in defending its rights as described in subsection (g).

Under no circumstances will the State accept a license for Third Party Intellectual Property that contains terms and conditions that conflict with the terms and conditions of the Contract. If the contractor uses Third Party Intellectual Property, the contractor must indemnify the State for infringement claims with respect to the Third Party Intellectual Property. The contractor agrees that its use of Third Party Intellectual Property shall be consistent with the license for the Third Party Intellectual Property, whether supplied by the contractor, secured by the State as required by the Solicitation, or otherwise supplied by the State.
- c. The items described in the preceding sentence shall be delivered or returned to the State of New Jersey upon thirty (30) days’ notice by the State or thirty (30) days after the expiration or termination of the Contract. Only to fulfill the purposes of the Contract does the State grant the contractor a non-exclusive, royalty-free, world-wide license to use, copy, display, distribute, transmit and prepare derivative works of State Intellectual Property and State data and background information. Notwithstanding anything to the contrary contained in the Terms and Conditions or this Supplement, no part of the State’s data will be disclosed, sold, assigned, leased or otherwise disposed of to any person or entity other than the State unless specifically directed to do so in writing by the Contract Manager. The State’s license to the contractor is limited by the term of the Contract and the confidentiality obligations set forth in Section 5.17 of this Supplement.
- f. No Rights – Except as expressly set forth in the Contract, nothing in the Contract shall be construed as granting to or conferring upon the contractor any right, title, or interest in State Intellectual Property or any intellectual property that is now owned or licensed to or subsequently owned by or licensed by the State. Except as expressly set forth in the Contract, nothing in the Contract shall be construed as granting to or conferring upon the State any right, title, or interest in any Contractor Intellectual Property that is now owned or subsequently owned by the contractor. Except as expressly set forth in the Contract, nothing in the Contract shall be construed as granting to or conferring upon the State any right, title, or interest in any Third Party Intellectual Property that is now owned or subsequently owned by a Third Party.

The State will (1) promptly notify the contractor in writing of the claim or suit; (2) the contractor shall have control of the defense and settlement of any claim that is subject to subsection (a); provided, however, that the State must approve any settlement of the alleged claim, which approval shall not be unreasonably withheld. The State shall

**WAIVERED CONTRACTS SUPPLEMENT TO THE  
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**  
(Rev. 6/14/2018)

notify the contractor of any COTS or Customized Software product deficiency within ninety (90) days after Acceptance. For a Contract requiring the delivery of COTS or Customized Software and Custom Software, a notice within one hundred eighty (180) days that describes a deficiency in functional terms without specifying whether the deficiency is with COTS, Customized Software or Custom Software shall be deemed a notice that triggers the warranty provisions in both Section 5.11(a) and 5.11(b) of this Supplement.

- b. Except for the portion of the contractor's COTS or Customized Software product that intentionally contains one or more of the following for the purpose of anti-virus protection, the contractor warrants that, at the time of delivery and installation of the COTS or Customized Software provided pursuant to the Contract, its product shall be free of what are commonly defined as viruses, backdoors, worms, spyware, malware and other malicious code that will hamper performance of the COTS or Customized Software, collect unlawful personally identifiable information on users, or prevent the COTS or Customized Software from performing as required under the Contract.
- c. In the event of any breach of this warranty, the contractor shall correct the product errors that caused the breach of warranty, or if the contractor cannot substantially correct such breach in a commercially reasonable manner, the State may end its usage and recover the fees paid to the contractor for the license and any unused, prepaid, technical support fees paid. Under no circumstances does this warranty provision limit the contractor's obligation in the event of a breach of confidentiality.
- d. The contractor does not warrant that COTS or Customized Software is error-free or that it will operate uninterrupted.

2. Custom Software

- a. Unless the Contractor Standard Form Agreement provides greater coverage, as determined by the State, in its sole discretion, the contractor warrants that Custom Software Deliverables shall operate in all material respects as described in the applicable specification documentation for one hundred and eighty (180) days after Acceptance. The State shall notify the contractor of any Custom Software deficiency within one hundred and eighty (180) days after Acceptance of the Custom Software Deliverable (the "Notice Period"). Where the contractor is providing multiple Custom Software Deliverables over the term of the Contract, the Notice Period shall begin to run after the Acceptance of the final Custom Software Deliverable under the Contract. At that time, the State may assert defect claims relating to any and all of the Custom Software Deliverables provided under the Contract; however, the State may also assert claims earlier, in its discretion, without waiving the Notice Period.

For a Contract requiring the delivery of COTS or Customized Software and Custom Software, a notice within one hundred eighty (180) days that describes a deficiency in functional terms without specifying whether the deficiency is with COTS, Customized Software or Custom Software shall be deemed a notice that triggers the warranty provisions in both Section 5.11(a) and 5.11(b) of this Supplement.
- c. The contractor warrants that, at the time of Acceptance of the Custom Software Deliverable provided pursuant to the Contract, its product shall be free of what are commonly defined as viruses, backdoors, worms, spyware, malware and other malicious code that will hamper performance of the Custom Software, collect unlawful personally identifiable information on users, or prevent the Custom Software from performing as required under the Contract. Under no circumstances does this warranty provision limit the contractor's obligation in the event of a breach of confidentiality.
- d. In the event of any breach of this warranty, the contractor shall correct the Custom Software errors that caused the breach of warranty, or if the contractor cannot substantially correct such breach in a commercially reasonable manner, the State may recover a portion of the fees paid to the contractor for the Custom Software with the uncorrected defect or in the event that the Custom Software is still deemed, by the State in its sole discretion, to be usable by the State even with the uncorrected defect, the State may recover a portion of the fees paid to the

- b. In the event of any breach of this warranty, the contractor shall re-perform the deficient Services, or if the contractor cannot substantially correct a breach in a commercially reasonable manner, the State may end the relevant Services and recover the fees paid to the contractor for the deficient Services.

4. Hardware

- a. Unless the Contractor Standard Form Agreement provides greater coverage, as determined by the State, in its sole discretion, the contractor warrants that the equipment offered is standard new equipment, and is the manufacturer's latest model in production, with parts regularly used for the type of equipment offered; that such parts are all in production and not likely to be discontinued; and that no attachment or part has been substituted or applied contrary to manufacturer's recommendations and standard practice.

**5.19 AUDIT NOTICE AND DISPUTE RESOLUTION**

To the extent the contractor's proposal or Standard Form Agreement permits the contractor to conduct periodic audits of the State's usage of the Contractor Intellectual Property provided thereunder, such provision is amended to include the following audit notice and dispute resolution process:

- a. **AUDIT NOTICE** – Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, in the event that the contractor seeks to exercise a right in its proposal or Standard Form Agreement to audit the State's use of Contractor Intellectual Property, the contractor shall deliver simultaneous written notice, no less than thirty days in advance of the audit start date (unless the contractor's notice provides a longer notice period), to the:
  - i. Director of the New Jersey Department of Treasury, Division of Purchase and Property:  
Procurement Bureau, Technology Unit  
P.O. Box 230  
Trenton, NJ 08625-0230
  - ii. Chief of Staff of the New Jersey Office of Information Technology:  
Office of the Chief Technology Officer  
300 Riverview Plaza  
Trenton, NJ 08625
  - iii. State Contract Manager.

The notice shall reference the specific audit provision(s) in the contractor's proposal or Standard Form Agreement being exercised and include copies of same, specify the means by which the contractor will conduct the audit, and shall require the audit to be conducted in accordance with generally accepted standards in the field of such audits.

- b. **AUDIT DISPUTE RESOLUTION** -- If the State, in good faith, provides the contractor with written notice of an alleged error in the amount of underpaid fees due the contractor as a result of an audit (the "dispute"), then the parties will endeavor to resolve the dispute in accordance with this paragraph. Each party will appoint a Vice President, Assistant Director, or the equivalent (hereinafter referred to as "Representative") to discuss the dispute and no formal proceedings for the judicial resolution of such dispute, except for the seeking of equitable relief or those required to avoid non-compliance with the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq., may begin until either such Representative concludes, after a good faith effort to resolve the dispute, that resolution through continued discussion is unlikely. In addition, the parties shall refrain from exercising any termination right related to the dispute being considered under this paragraph and shall continue to perform their respective obligations under the Contract while they endeavor to resolve the dispute under this paragraph.
- c. **STATE NOT LIABLE FOR AUDIT COSTS** -- Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, the State will not reimburse the contractor for any costs related to an audit.
- d. **NO AUDIT RIGHT CREATED** -- In the event that the contractor's proposal or Standard Form Agreement does not permit audits of the State's usage of Contractor Intellectual Property, Section 5.19 of this Supplement shall not be interpreted to provide such an audit right.
