STATE OF NEW JERSEY
DEPARTMENT OF THE TREASURY - DIVISION OF PURCHASE AND PROPERTY

This Supplement to the State of New Jersey Standard Terms and Conditions ("Supplement") shall apply to all contracts or purchase agreements made with the State of New Jersey ("State") under N.J.S.A. 52:34-9 or -10 ("Waiverred Contracts"). The terms in this Supplement are in addition to, or modify the State of New Jersey Standard Terms and Conditions (SSTCs) as applicable and noted below.

I. ADDITIONS TO THE STANDARD TERMS AND CONDITIONS FOR ALL WAIVERED CONTRACTS

A. ORDER OF PRECEDENCE

The "Contract" shall consist of the following documents: (1) this Supplement; (2) the State of New Jersey Standard Terms and Conditions; (3) the agency's scope of work; and, (4) the Contractor's proposal including any attachments or documents incorporated by reference. In the event of a conflict in the terms and conditions among the documents comprising this Contract, the order of precedence, for purposes of interpretation thereof, listed from highest ranking to lowest ranking as noted above.

B. NO ARBITRATION

Notwithstanding anything to the contrary in Contractor's Standard Form Agreement ("SFA") or Scope of Work ("SOW"), the State does not agree to binding arbitration.

C. NO AUTO-RENEWAL

Notwithstanding anything to the contrary in Contractor's SFA or SOW, the State does not agree to auto-renewal of any services, standard software maintenance, technical support or service fees.

II. ADDITIONS TO THE STANDARD TERMS AND CONDITIONS FOR WAIVERED CONTRACTS, AS APPLICABLE

A. STATE'S RIGHT TO INSPECT CONTRACTOR'S FACILITIES

The State reserves the right to inspect the contractor's establishment before making an award, for the purposes of ascertaining whether the contractor has the necessary facilities for performing the Contract. The State may also consult with clients of the contractor to assist the State in making a contract award that is most advantageous to the State.

B. STATE'S RIGHT TO REQUEST FURTHER INFORMATION

The Director reserves the right to request all information which may assist him or her in making a contract award, including factors necessary to evaluate the contractor's financial capabilities to perform the Contract. Further, the Director reserves the right to request a contractor to explain, in detail, how the proposal price was determined.

C. DELIVERY TIME AND COSTS

Unless otherwise noted elsewhere in the scope of work, all delivery times are 30 calendar days after receipt of order (ARO) and prices for items in proposals shall be submitted Freight On Board (F.O.B.) Destination (30 calendar days ARO/F.O.B.). The contractor shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's Using Agency or designated purchaser. Thirty calendar days ARO/F.O.B. does not cover "spotting" but does include delivery on the receiving platform of the Using Agency at any destination in the State of New Jersey unless otherwise specified. No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at the contractor's convenience when a single shipment is ordered. The weights and measures of the State's Using Agency receiving the shipment shall govern.

D. COLLECT ON DELIVERY (C.O.D) TERMS

C.O.D. terms will not be accepted.

E. CASH DISCOUNTS

The contractor is encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts. Should the contractor choose to offer cash discounts the following shall apply:

1. Discount periods shall be calculated starting from the next business day after the Using Agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest; and
2. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

F. PERFORMANCE SECURITY

If performance security is required, such security must be submitted with the bid in the amount listed in the scope of work. N.J.A.C. 17:12-2.5. Acceptable forms of performance security are as follows:

1. A properly executed individual or annual performance bond issued by an insurance or security company authorized to do business in the State of New Jersey,

2. A certified or cashier's check drawn to the order of "Treasurer, State of New Jersey," or
3. An irrevocable letter of credit issued by a federally insured financial institution and naming "Treasurer, State of New Jersey," as beneficiary.

The Performance Security must be submitted to the State within 30 days of the effective date of the Contract award and cover the period of the Contract and any extensions thereof. Failure to submit performance security may result in cancellation of the Contract for cause and nonpayment for work performed.

Although the performance bond is required for the full term of the Contract, the Director recognizes that the industry practice of sureties is to issue a one (1) year performance bond for goods and services contracts. Thus, the contractor is permitted to submit a one (1) year performance bond for the amount required under the Contract and, on each succeeding anniversary date of the Contract, provide a continuation or renewal certificate to evidence that the bond is in effect for the next year of the Contract. This procedure will remain in place for each year of the Contract thereafter until the termination of the Contract. Failure to provide such proof on the anniversary date of the Contract shall result in suspension of the Contract, and possibly, termination of the Contract.

For performance bonds based on a percentage of the total estimated Contract price. On each anniversary of the effective date of the Contract, the amount of the required performance bond, unless otherwise noted, is calculated by applying the established RFQ performance bond percentage to the outstanding balance of the estimated amount of the Contract price to be paid to the contractor.

In the event that the Contract price is increased by a Contract Amendment, the contractor may be required to provide, within 30 calendar days of the effective date of the Contract Amendment, performance bond coverage for the increase in Contract price. The required increase in the performance bond amount is calculated by applying the established bond percentage set forth above to the increase in Contract price. Failure to provide such proof to the Director of this required coverage may result in the suspension of payment to the contractor until such time the contractor complies with this requirement.

G. RETAINAGE

If retainage is required on the Contract as stated in the scope of work, the state and/or agency will retain the stated percentage or retainage from each invoice. Payment of retainage will be authorized after satisfactory completion and submission of all services, deliverables or work products by the contractor and acceptance by the agency of all services, deliverables or work products required by the Contract.

For ongoing contracts, the agency will retain the stated percentage of each invoice submitted. At the end of the three (3) month period after payment of each invoice, the agency will review the contractor's performance and if performance has been satisfactory, the agency will release the retainage for the preceding three (3) month period. Following the expiration of the Contract, retained fees will be released to the contractor after certification by the agency's project manager, if any, that all services have been satisfactorily performed.

H. AUDIT NOTICE AND DISPUTE RESOLUTION

To the extent the contractor's proposal or Standard Form Agreement permits the contractor to conduct periodic audits of the State's usage of the Contractor Intellectual Property provided thereunder, such provision is amended to include the following audit notice and dispute resolution process:

1. **AUDIT NOTICE** – Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, in the event that the contractor seeks to exercise a right in its proposal or Standard Form Agreement to audit the State's use of Contractor Intellectual Property, the contractor shall deliver simultaneous written notice, no less than thirty days in advance of the audit start date (unless the contractor's notice provides a longer notice period), to the: Agency requesting the waiver contract.
2. The notice shall reference the specific audit provision(s) in the contractor's proposal or Standard Form Agreement being exercised and include copies of same, specify the means by which the contractor will conduct the audit, and shall require the audit to be conducted in accordance with generally accepted standards in the field of such audits.
3. **AUDIT DISPUTE RESOLUTION** -- If the State, in good faith, provides the contractor with written notice of an alleged error in the amount of underpaid fees due the contractor as a result of an audit (the "dispute"), then the parties will endeavor to resolve the dispute in accordance with this paragraph. Each party will appoint a Vice President, Assistant Director, or the equivalent (hereinafter referred to as "Representative") to discuss the dispute and no formal proceedings for the judicial resolution of such dispute, except for the seeking of equitable relief or those required to avoid non-compliance with the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq., may begin until either such Representative concludes, after a good faith effort to resolve the dispute, that resolution through continued discussion is unlikely. In addition, the parties shall refrain from exercising any termination right related to the dispute being considered under this paragraph and shall continue to perform their respective obligations under the Contract while they endeavor to resolve the dispute under this paragraph.
4. **STATE NOT LIABLE FOR AUDIT COSTS** -- Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, the State will not reimburse the contractor for any costs related to an audit.
5. **NO AUDIT RIGHT CREATED** -- In the event that the contractor's proposal or Standard Form Agreement does not permit audits of the State's usage of Contractor Intellectual Property, Section 5.19 of this Supplement shall not be interpreted to provide such an audit right.
