**Note: This is for informational purposes only. Certification is to be completed upon award.**

Governor Jon S. Corzine recently signed Executive Order No. 117, which is designed to enhance New Jersey’s efforts to protect the integrity of government contractual decisions and increase the public’s confidence in government. The Executive Order builds on the provisions of P.L. 2005, c. 51 (“Chapter 51”), which limits contributions to certain political candidates and committees by for-profit business entities that are, or seek to become, State government vendors.

Executive Order No. 117 extends the provisions of Chapter 51 in two ways:

1. The definition of “business entity” is revised and expanded so that contributions by the following individuals also are considered contributions attributable to the business entity:
  - Officers of corporations and professional services corporations, with the term “officer” being defined in the same manner as in the regulations of the Election Law Enforcement Commission regarding vendor disclosure requirements (N.J.A.C. 19:25-26.1), with the exception of officers of non-profit entities;
  - Partners of general partnerships, limited partnerships, and limited liability partnerships and members of limited liability companies (LLCs), with the term “partner” being defined in the same manner as in the regulations of the Election Law Enforcement Commission regarding vendor disclosure requirements (N.J.A.C. 19:25-26.1); and
  - Spouses, civil union partners, and resident children of officers, partners, LLC members and persons owning or controlling 10% or more of a corporation’s stock are included within the new definition, except for contributions by spouses, civil union partners, or resident children to a candidate for whom the contributor is eligible to vote or to a political party committee within whose jurisdiction the contributor resides.
2. Reportable contributions (those over \$300.00 in the aggregate) to legislative leadership committees, municipal political party committees, and candidate committees or election funds for Lieutenant Governor are disqualifying contributions in the same manner as reportable contributions to State and county political party committees and candidate committees or election funds for Governor have been disqualifying contributions under Chapter 51.

***Executive Order No. 117 applies only to contributions made on or after November 15, 2008, and to contracts executed on or after November 15, 2008.***

Updated forms and materials are currently being developed and will be made available on the website as soon as they are available. In the meantime, beginning November 15, 2008, prospective vendors will be required to submit, in addition to the currently required Chapter 51 and Chapter 271 forms, the Certification of Compliance with Executive Order No. 117. The Certification of Compliance form for Executive Order No. 117 can be found here:

## **1.0 INFORMATION FOR BIDDERS**

### **1.1 PURPOSE AND INTENT**

This Request for Proposal (RFP) is issued by the Purchase Bureau, Division of Purchase and Property, Department of the Treasury on behalf of the State Agencies, Quasi-State Agencies and other Cooperative Purchasing Program participants. The purpose of this RFP is to solicit bid proposals for parts and repairs for spraying, dusting and fogging equipment.

The intent of this RFP is to award contracts to those responsible bidders whose bid proposals, conforming to this RFP are most advantageous to the State, price and other factors considered. However, the State reserves the right to separately procure individual requirements that are the subject of the contract during the contract term, when deemed by the Director to be in the State's best interest.

The NJ Standard Terms and Conditions version 07/27/07 will apply to all contracts or purchase agreements made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in this RFP and should be read in conjunction with them unless the RFP specifically indicates otherwise.

The State intends to extend the awarded contracts to the Purchase Bureau's cooperative purchasing partners. These partners include quasi-State agencies, counties, municipalities, school districts, volunteer fire departments, first aid squads, independent institutions of higher learning, County colleges and State colleges. Although the State, with the assent of the vendor(s), is making the use of any contract resulting from this RFP available to non-State Agencies, the State makes no representation as to the acceptability of any State RFP terms and conditions under the Local Public Contracts Law or any other enabling statute or regulation.

### 1.4 ADDITIONAL INFORMATION

#### 1.4.1 ADDENDA: REVISIONS TO THIS RFP

In the event that it becomes necessary to clarify or revise this RFP, such clarification or revision will be by addendum. Any addendum to this RFP will become part of this RFP and part of any contract awarded as a result of this RFP.

ALL RFP ADDENDA WILL BE ISSUED ON THE DIVISION OF PURCHASE AND PROPERTY WEB SITE. TO ACCESS ADDENDA, SELECT THE BID NUMBER ON THE BIDDING OPPORTUNITIES WEB PAGE AT THE FOLLOWING ADDRESS:

[HTTP://WWW.STATE.NJ.US/TREASURY/PURCHASE/BID/SUMMARY/BID.SHTML](http://www.state.nj.us/treasury/purchase/bid/summary/bid.shtml).

There are no designated dates for release of addenda. Therefore interested bidders should check the Purchase Bureau "Bidding Opportunities" website on a daily basis from time of RFP issuance through bid opening.

It is the sole responsibility of the bidder to be knowledgeable of all addenda related to this procurement.

#### 1.4.2 BIDDER RESPONSIBILITY

The bidder assumes sole responsibility for the complete effort required in submitting a bid proposal in response to this RFP. No special consideration will be given after bid proposals are opened because of a bidder's failure to be knowledgeable as to all of the requirements of this RFP.

#### 1.4.3 COST LIABILITY

The State assumes no responsibility and bears no liability for costs incurred by a bidder in the preparation and submittal of a bid proposal in response to this RFP.

#### 1.4.4 CONTENTS OF BID PROPOSAL

Subsequent to bid opening, all information submitted by bidders in response to the bid solicitation is considered public information, except as may be exempted from public disclosure by the Open Public Records Act, N.J.S.A. 47:1A-1 et seq., and the common law. If the State proposes to negotiate and/or pursue a Best and Final Offer, bid proposals will not be made public until the Letter of Intent to Award is issued.

A bidder may designate specific information as not subject to disclosure when the bidder has a good faith legal/factual basis for such assertion. The State reserves the right to make the determination and will advise the bidder accordingly. The location in the bid proposal of any such designation should be clearly stated in a cover letter. **The State will not honor any attempt by a bidder either to designate its entire bid proposal as proprietary and/or to claim copyright protection for its entire proposal.**

By signing the cover sheet of this RFP, the bidder waives any claims of copyright protection set forth within the manufacturer's price list and/or catalogs. The price lists and/or catalogs must be accessible to State using agencies and cooperative purchasing partners and thus have to be made public to allow all eligible purchasing entities access to the pricing information.

All bid proposals, with the exception of information determined by the State or the Court to be proprietary, are available for public inspection. Interested parties can make an appointment with the Purchase Bureau to inspect bid proposals received in response to this RFP.

#### 1.4.5 PRICE ALTERATION

Bid prices must be typed or written in ink. Any price change (including "white-outs") must be initialed. Failure to initial price changes shall preclude a contract award from being made to the bidder.

#### 1.4.6 BID ERRORS

In accordance with N.J.A.C. 17:12-1.22, "Bid Errors," a bidder may withdraw its bid as follows:

A bidder may request that its bid be withdrawn prior to bid opening. Such request must be made, in writing, to the Supervisor of the Business Unit. If the request is granted, the bidder may submit a revised bid as long as the bid is received prior to the announced date and time for bid opening and at the place specified.

If, after bid opening but before contract award, a bidder discovers an error in its proposal, the bidder may make written request to the Supervisor of the Business Unit for authorization to withdraw its proposal from consideration for award. Evidence of the bidder's good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the

proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the bidder's exercise of reasonable care; and that the State will not be significantly prejudiced by granting the withdrawal of the proposal. Note: a PB-36 complaint form may be filed and forwarded to the Division's Contract Compliance and Audit Unit (CCAU) for handling. A record of the complaint will also be maintained in the Division's vendor performance file for evaluation of future bids submitted.

All bid withdrawal requests must include the bid identification number and the final bid opening date and sent to the following address:

Department of the Treasury  
Purchase Bureau, PO Box 230  
33 West State Street – 9<sup>th</sup> Floor  
Trenton, New Jersey 08625-0230  
Attention: Supervisor, Business Unit

If during a bid evaluation process, an obvious pricing error made by a potential contract awardee is found, the Director shall issue written notice to the bidder. The bidder will have five days after receipt of the notice to confirm its pricing. If the vendor fails to respond, its bid shall be considered withdrawn, and no further consideration shall be given it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the bidder's intention is not readily discernible from other parts of the bid proposal, the Director may seek clarification from the bidder to ascertain the true intent of the bid.

#### 1.4.7 JOINT VENTURE

If a joint venture is submitting a bid proposal, the agreement between the parties relating to such joint venture should be submitted with the joint venture's bid proposal. Authorized signatories from each party comprising the joint venture must sign the bid proposal. A separate Ownership Disclosure Form, Disclosure of Investigations and Actions Involving Bidder, Affirmative Action Employee Information Report, MacBride Principles Certification, and Business Registration or Interim Registration must be supplied for each party to a joint venture.

#### 1.5 PRICE LIST AND/OR CATALOG PRICING

The bidder's signature guarantees that prices set forth within the manufacturer's preprinted price lists and/or catalogs will govern for the period of the contract. The bidder also acknowledges that, notwithstanding any reference to price escalation clauses, FOB shipping point, and shipping charges contained in the preprinted price lists, catalogs, and/or literature, such references will not be part of any State contract awarded as a result of this RFP.

##### **4.4.4.2 RFP SPECIFIC INFORMATION**

###### **4.4.4.2.1 COOPERATIVE PURCHASING**

The bidder should complete the attached Cooperative Purchasing Form indicating willingness or unwillingness to extend State contract pricing and terms to Cooperative Purchasing partners.

#### **4.4.5 FINANCIAL CAPABILITY OF THE BIDDER**

Upon request, in order to provide the State with the ability to judge the bidder's financial capacity and capabilities to undertake and successfully complete the contract, the bidder should submit two years of certified financial statements that include a balance sheet, income statement and statement of cash flow, and all applicable notes for the most recent calendar year or the bidder's most recent fiscal year. If certified financial statements are not available, the bidder should provide either a reviewed or compiled statement from an independent accountant setting forth the same information required for the certified financial statements, together with a certification from the Chief Executive Officer and the Chief Financial Officer, that the financial statements and other information included in the statements fairly present in all material respects the financial condition, results of operations and cash flows of the bidder as of, and for, the periods presented in the statements. In addition, the bidder should submit a bank reference.

If the information is not supplied with the bid proposal, the State may still require the bidder to submit it. If the bidder fails to comply with the request within seven (7) business days, the State may deem the proposal non-responsive.

The bidder may designate specific financial information as not subject to disclosure when the bidder has a good faith legal/factual basis for such assertion. The bidder may submit specific financial documents in a separate, sealed package clearly marked "Confidential-Financial Information" along with its Bid Proposal.

The State reserves the right to make the determination whether to accept the bidder's assertion of confidentiality and will advise the bidder accordingly.

#### **4.4.6 PRICING**

The bidder must submit its pricing using the format set forth in the State supplied price sheet(s) attached to this RFP. Failure to submit all information required will result in the bid being considered non-responsive. Each bidder is required to hold its prices firm through issuance of contract.

#### **4.4.7 METHOD OF BIDDING**

##### **4.4.7.1 PARTS (PRICE LINES 00001 – 00010)**

4.4.7.1.1 The bidder shall offer a percentage discount from the manufacturer's most current published pre-printed price list for each brand of spraying, fogging and dusting equipment bid. Outdated price lists subject to a percentage increase will not be acceptable and will be rejected.

4.4.7.1.2 Only the most current dated pre-printed manufacturer's price list will be considered for award. The most current dated price list will be that price list with the latest pre-printed date submitted by any bidder responding to this RFP for the product line offered.

4.4.7.1.3 In a case where two or more price lists are submitted for the same brand, the State will adopt the latest pre-printed price list.

4.4.7.1.4 A letter of authorization from the brand manufacturer must be submitted for each brand bid. Failure to provide the required manufacturer's certification will result in the bid rejection for the brand affected.

4.4.7.1.5 Multiple or series discounts will not be acceptable.

4.4.7.1.6 The bidder is to indicate on each line item bid the price list number, price list date, type of price list (i.e. jobber, distributor, retail, etc.) and region(s) served.

##### **4.4.7.2 REPAIRS SERVICES (PRICE LINE 00011)**

4.4.7.2.1 The bidder must provide a single hourly labor rate for all brands of spraying, fogging and dusting equipment for which repair services are offered. The bidder must also indicate the region or regions to be serviced.

4.4.7.2.2 The bidder shall not bid multiple or range of hourly rates.

4.4.7.2.3 The bidder shall not provide any information or pricing on price line 00012 of this RFP. This line will be used by using agencies for payment of cost of parts associated with a repair service.

#### **4.4.7.3 GENERAL**

4.4.7.3.1 One primary award and one secondary award will be made per region per line item for parts (price lines 00001-00010) and repair services (price line 00011).

4.4.7.3.2 Line 12 shall be awarded to the repair contractors (line 11 contractors) who do not hold any parts contract (price lines 00001-00010).

4.4.7.3.3 Bidders can bid on one, several or all price lines, using price lines on the price sheet.

4.4.7.3.4 **IMPORTANT NOTE:** Even if a bidder is an incumbent contractor and/or had obtained a Business Registration Certificate from the Division of Revenue previously, the bidder needs to be sure that it is still, indeed, registered at the time of bid opening in order for its bid proposal to be considered responsive. It is strongly suggested that the bidder verifies its Business Registration Certificate status at the following web site: <https://www1.state.nj.us/TYTRBRC/jsp/BRCLoginJsp.jsp> or by contacting the Division of Revenue hotline at 609 292-1730.

4.4.7.3.5 For a bid proposal to be considered and awarded, the bidder must provide all submittals, preferably in the order listed: Signatory Page, Standard RFP Forms, Bidder Data Sheet, RFP specific information (RFP text), Price Sheet, Price Lists and Product Literature – and satisfy Business Registration requirement.

4.4.7.3.6 **IMPORTANT NOTE:** Bidders are reminded of the requirement stated in 4.3. Bidders failing to provide one (1) full, complete and exact copy of the original bid proposal will be charged the cost incurred by the State in producing the requested copy. Both the original bid proposal and copy bid proposal should include all required submittals along with all documents downloaded (and duly completed) from the DPP web site **in the following order:** Signatory page, any Addenda to the RFP, Standard RFP text, Ownership Disclosure Form, Affirmative Action Forms, MacBride Principles Certification, Disclosure of Investigations and Actions Involving Bidder, Bidder's Data Packet, Cooperative Purchasing Form, Business Registration documentation, Price Sheets and product literature/price lists (Section 4.4.4).

4.4.7.3.7 The bidder's signature guarantees that prices bid will govern for the entire contract period, if awarded, and any extensions thereof. The bidder also acknowledges that, notwithstanding any reference to price escalation clauses, FOB shipping point, and shipping charges contained in the preprinted price lists, catalogs, and/or literature, such references will not be part of any State contract awarded as a result of this RFP.

4.4.7.3.8 Price bid shall be legible. Any alteration or appearance of alteration must be initialed by the authorized person. Any missing or illegible price or price correction or appearance of price alteration without bidder's qualifying initials shall cause the bid to be disqualified for that price line item and the group that price line item is part of.

4.4.7.3.9 **NOTE:** Bidders are advised to initial prices bid regardless of price alteration, to avoid bid rejection due to causes mentioned in requirement 5.0 on the signatory page of this RFP, including, but not limited to, appearance of alteration.

4.4.7.3.10 Quantity (third column – "quantity") shown on each price line is for bid evaluation purposes only. The State guarantees neither any minimum or average or maximum quantity per order nor total quantity during contract term, including any extension thereof.

4.4.7.3.11 Bid proposals may be withdrawn, modified, and re-submitted prior to bid opening. Modifications submitted in any other manner will not be considered. No bid proposal can be withdrawn after the bid opening without the State's approval to do so. The State may subject a bidder requesting bid withdrawal after bid opening to penalty for any damages incurred by the State for processing and evaluating the bid proposal.

4.4.7.3.12 Notwithstanding any other provision to the contrary, including the cooperative purchasing form included in this RFP (pbcop1, rev 8/96), any contract resulting from this RFP will be made available to quasi-State agencies, as defined in NJSA 52:27b-56.1. Bidders should note that all other non-State agencies will be precluded from using any contracts resulting from this RFP if the bidder does not agree in its bid proposal to extend the contract to these entities.

## **5.0 SPECIAL CONTRACTUAL TERMS AND CONDITIONS**

### **5.1 PRECEDENCE OF SPECIAL CONTRACTUAL TERMS AND CONDITIONS**

The contract awarded as a result of this RFP shall consist of this RFP, addendum to this RFP, the contractor's bid proposal and the Division's Notice of Award.

Unless specifically stated within this RFP, the Special Contractual Terms and Conditions of the RFP take precedence over the NJ Standard Terms and Conditions version 07/27/07 located on the Advertised Solicitation, Current Bid Opportunities webpage:  
<http://www.state.nj.us/treasury/purchase/bid/summary/09x20772.shtml>.

In the event of a conflict between the provisions of this RFP, including the Special Contractual Terms and the NJ Standard Terms and Conditions version 07/27/07, and any Addendum to this RFP, the Addendum shall govern.

In the event of a conflict between the provisions of this RFP, including any Addendum to this RFP, and the bidder's bid proposal, the RFP and/or the Addendum shall govern.

### **5.2 CONTRACT TERM AND EXTENSION OPTION**

The term of the contract shall be for a period of three (3) years. The anticipated "Contract Effective Date" is provided on the signatory page of this RFP:  
<http://www.state.nj.us/treasury/purchase/bid/summary/09x20772.shtml>. If delays in the procurement process result in a change to the anticipated Contract Effective Date, the bidder agrees to accept a contract for the full term of the contract. The contract may be extended for all or part of three (3) one-year periods, by the mutual written consent of the contractor and the Director.

### **5.3 CONTRACT TRANSITION**

In the event that a new contract has not been awarded prior to the contract expiration date, as may be extended herein, it shall be incumbent upon the contractor to continue the contract under the same terms and conditions until a new contract can be completely operational. At no time shall this transition period extend more than 120 days beyond the expiration date of the contract.

### **5.4 CONTRACT AMENDMENT**

Any changes or modifications to the terms of the contract shall be valid only when they have been reduced to writing and signed by the contractor and the Director.

### **5.5 CONTRACTOR'S WARRANTY**

- a) The Contractor is responsible for the quality, technical accuracy, timely completion and delivery of all deliverables and other services to be furnished by the Contractor under the Contract. The Contractor agrees to perform in a good, skillful and timely manner all services set forth in the Contract.
- b) The Contractor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its services and deliverables furnished under the Contract. The approval of interim deliverables furnished under the Contract shall not in any way relieve the Contractor of fulfilling all of its obligations under the Contract. The acceptance or payment for any of the services rendered under the Contract shall not be construed as a waiver by the State or Agency, of any rights under the agreement or of any cause of action arising out of the Contractor's performance of the Contract.
- c) The acceptance of, approval of or payment for any of the services performed by the Contractor under the Contract shall not constitute a release or waiver of any claim the State or Agency, has or may have for latent defects or errors or other breaches of warranty or negligence.

#### **5.6 ITEMS ORDERED AND DELIVERED**

The using agencies are authorized to order and the contractors are authorized to ship only those items covered by the contracts resulting from this RFP. If a review of orders placed by the using agency reveals that material other than that covered by the contract has been ordered and delivered, such delivery shall be a violation of the terms of the contract and may be considered by the Director as a basis to terminate the contract and/or as a basis not to award the contractor a subsequent contract. The Director may take such steps as are necessary to have the items returned by the Agency, regardless of the time between the date of delivery and discovery of the violation. In such event, the contractor shall reimburse the State the full purchase price.

The contract involves items which are necessary for the continuation of ongoing critical State services. Any delay in delivery of these items would disrupt State services and would force the State to immediately seek alternative sources of supply on an emergency basis. Timely delivery is critical to meeting the State's ongoing needs.

#### **5.7 REMEDIES FOR FAILURE TO COMPLY WITH MATERIAL CONTRACT REQUIREMENTS**

In the event that the contractor fails to comply with any material contract requirements, the Director may take steps to terminate the contract in accordance with the State administrative code and/or authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor.

#### **5.8 MANUFACTURING/PACKAGING REQUIREMENTS**

5.8.1 All products must conform in every respect to the standards and regulations established by Federal and New Jersey State laws.

5.8.2 All products shall be manufactured and packaged under modern sanitary conditions in accordance with federal and state law and standard industry practice.

5.8.3 All products are to be packaged in sizes as specified in this RFP and shall be packaged in such a manner as to ensure delivery in first class condition and properly marked for identification. All shipments must be comprised of original cartons associated with the commercial industry represented by the actual product contained within each carton. Deliveries

containing re-used, re-labeled, re-worked or alternate cartons are subject to rejection by the Using Agency at the contractor's expense.

## **5.9 CLAIMS**

All claims asserted against the State by the contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1.1, et seq., and/or the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq.

## **5.10 CONTRACT ACTIVITY REPORT**

In conjunction with the standard record keeping requirements of this contract, as required by in paragraph 3.19 of the NJ Standard Terms and Conditions version 07/27/07, located on the Advertised Solicitation, Current Bid Opportunities webpage

<http://www.state.nj.us/treasury/purchase/bid/summary/09x20772.shtml>, contractor(s) must provide, on a calendar quarter basis, to the Purchase Bureau buyer assigned, a record of all purchases made under their contract award resulting for this Request for Proposal. This includes purchases made by all using agencies including the State and political sub-divisions thereof. This reporting requirement includes sales to State using agencies and, if permitted under the terms of the contract, sales to counties, municipalities, school districts, volunteer fire departments, first aid squads and rescue squads, and independent institutions of higher education. The requirement also includes sales to State and County Colleges and Quasi-State Agencies. Quasi-State Agencies include any agency, commission, board, authority or other such governmental entity which is established and is allocated to a State department or any bi-state governmental entity of which the State of New Jersey is a member.

This information must be provided in a tabular format such that an analysis can be made to determine the following:

- Contractor's total sales volume to each purchaser under the contract, subtotaled by product, including, if applicable, catalog number and description, price list with appropriate page reference and/or contract discount applied.
- Total dollars paid to subcontractors.

Submission of purchase orders, confirmations, and/or invoices do not fulfill this contract requirement for information.

Contractors are strongly encouraged to submit the required information in electronic spreadsheet format. The Purchase Bureau uses Microsoft Excel.

Failure to report this mandated information will be a factor in future award decisions.

## **5.11 PUBLIC WORKS CONTRACT-ADDITIONAL AFFIRMATIVE ACTION REQUIREMENT**

N.J.S.A. 10:5-33 requires that: "During the performance of this contract, the contractor agrees as follows.

a) The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender

identity or expression, disability, nationality or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause;

b) The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex;

c) The contractor or subcontractor where applicable, will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment."

## **6.0 PROPOSAL EVALUATION**

### **6.1 EVALUATION CRITERIA**

The following criteria will be used to evaluate all bid proposals that meet the requirements of this RFP. The criteria are not necessarily listed in order of importance:

6.1.1 Price

6.1.2 Experience of the bidder

6.1.3 The bidder's past performance under similar contracts, including if applicable, the Division's vendor performance database.

6.1.4 Delivery schedule bid

6.1.5 Bidders compliance with the submission requirements

**Note:** The State reserves the right to request any information necessary to carry out the bid evaluation, confirm that the bid proposal submitted is complete and accurate and/or clarify any ambiguity in the bid proposal. Bidders shall provide the required information within twenty-four (24) hours of notification of such request. Failure to do so may necessitate rejection of the bid proposal as non-responsive.

### **6.2 ORAL PRESENTATION AND/OR CLARIFICATION OF BID PROPOSAL**

After the submission of bid proposals, unless requested by the State as noted below, vendor contact with the State is still not permitted.

The bidder may be required to give an oral presentation to the State concerning its bid proposal. The State may also require the bidder to submit written responses to questions regarding its bid proposal.

The purpose of such communication with the bidder, either through an oral presentation or a letter of clarification, is to provide an opportunity for the bidder to clarify or elaborate on its bid proposal. Original bid proposals submitted, however, cannot be supplemented, changed, or corrected in any way. No comments regarding other bid proposals are permitted. Bidders may not attend presentations made by their competitors.

It is within the State's discretion whether to require the bidder to give an oral presentation or require the bidder to submit written responses to questions regarding its bid proposal. Action by the State in this regard should not be construed to imply acceptance or rejection of a bid proposal. The Purchase Bureau buyer will be the sole point of contact regarding any request for an oral presentation or clarification.

### **6.3 BID DISCREPANCIES**

In evaluating bids:

- Discrepancies between words and figures will be resolved in favor of words.
- Discrepancies between unit prices and totals of unit prices will be resolved in favor of unit prices.

### **7.1 DOCUMENTS REQUIRED BEFORE CONTRACT AWARD**

#### **7.1.1 REQUIREMENTS OF N.J.S.A. 19:44A-20.13-25 (FORMERLY EXECUTIVE ORDER 134)**

In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the negotiation and award of State contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, the Legislature enacted N.J.S.A. 19:44A-20.13 – 25 on March 22, 2005 the "Legislation"), retroactive to October 15, 2004, superseding the terms of Executive Order 134. a) Contribution – means a contribution reportable as a recipient under "The New Jersey Campaign Contributions and Expenditures Reporting Act." P.L. 1973, c. 83 (C.19:44A-1 et seq.), and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq. Through December 31, 2004, contributions in excess of \$400 during a reporting period were deemed "reportable" under these laws. #### 7.1.1.2 BREACH OF TERMS OF THE LEGISLATION

It shall be a breach of the terms of the contract for the Business Entity to (i)make or solicit a contribution in violation of the Legislation, (ii)knowingly conceal or misrepresent a contribution given or received; (iii)make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv)make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate of holder of the public office of Governor, or to any State or county party committee; (v)engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of the Legislation; (vi)fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii)engage in any exchange of contributions to circumvent the intent of the Legislation; or (viii)directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of the Legislation.

#### 7.1.1.3 CERTIFICATION AND DISCLOSURE REQUIREMENTS

b) Prior to awarding any contract or agreement to any Business Entity, the Business Entity proposed as the intended awardee of the contract shall submit the Certification and Disclosure form, certifying that no contributions prohibited by the Legislation have been made by the Business Entity and reporting all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C.527 of the Internal Revenue Code that also meets the definition of a “continuing political committee” within the mean of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. The required form and instructions, available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134>, shall be provided to the intended awardee for completion and submission to the Purchase Bureau with the Notice of Intent to Award. Upon receipt of a Notice of Intent to Award a Contract, the intended awardee shall submit to the Division, in care of the Purchase Bureau Buyer, the Certification and Disclosure(s) within five (5) business days of the State’s request. Failure to submit the required forms will preclude award of a contract under this RFP, as well as future contract opportunities.

c) Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is

made. The required form and instructions, available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134>, shall be provided to the intended awardee with the Notice of Intent to Award.

#### **7.1.1.4 STATE TREASURER REVIEW**

The State Treasurer or his designee shall review the Disclosures submitted pursuant to this section, as well as any other pertinent information concerning the contributions or reports thereof by the intended awardee, prior to award, or during the term of the contract, by the contractor. If the State Treasurer determines that any contribution or action by the contractor constitutes a breach of contract that poses a conflict of interest in the awarding of the contract under this solicitation, the State Treasurer shall disqualify the Business Entity from award of such contract.

#### **7.1.1.5 ADDITIONAL DISCLOSURE REQUIREMENT OF P.L. 2005, C. 271**

Contractor is advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission (ELEC), pursuant to P.L. 2005, c. 271, section 3 if the contractor receives contracts in excess of \$50,000 from a public entity in a calendar year. It is the contractor's responsibility to determine if filing is necessary. Failure to so file can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at [www.elec.state.nj.us](http://www.elec.state.nj.us).

#### **7.2 FINAL CONTRACT AWARD**

Contract awards shall be made with reasonable promptness by written notice to that responsible bidder(s), whose bid proposal(s), conforming to this RFP, is(are) most advantageous to the State, price, and other factors considered. Any or all bid proposals may be rejected when the State Treasurer or the Director determines that it is in the public interest to do so.

#### **7.3 INSURANCE CERTIFICATES**

The contractor shall provide the State with current certificates of insurance for all coverages required by the terms of this contract, naming the State as an Additional Insured.

### **8.0 CONTRACT ADMINISTRATION**

#### **8.1 CONTRACT MANAGER**

The State Contract Manager is the State employee responsible for the overall management and administration of the contract.

All persons and agencies that use the contract must notify and coordinate the use of the contract with the State Contract Manager.

#### **8.1.2 COORDINATION WITH THE STATE CONTRACT MANAGER**

Any contract user that is unable to resolve disputes with a contractor shall refer those disputes to the State Contract Manager for resolution. Answers to Questions

Note: Some of the questions have been paraphrased in the interest of readability and clarity. Each question is referenced by the appropriate RFP page number(s) and section where applicable.

#	Page #	RFP Section Ref.	Question	Answer
1.		Price Sheets	Can Monroe brand be added to this RFP?	The list of brands that the RFP includes is compiled based on feedback provided by major using agencies. Including a brand name that agencies do not use will only create a contract with no business transaction.
2.		Price Sheets	Who are the manufacturers on price lines 0001-00010?	Manufacturers (brand name) are listed on each price line; for example, price line 00001 is for Bonnell.
3.		Price Sheets	On line 2, should Crushman be spell Cushman?	Yes, this is a typographical error; the brand name is Cushman.
4.		Price Sheets	Who pays for freight to the agency?	<p>The contractor pays for freight and charges to the agency and any other charges associated with parts and repairs of spraying, dusting and fogging equipment.</p> <p>Bid prices (percentage discount and hourly rates) must be inclusive of all freight and other charges.</p>

## Standard Terms and Conditions

Applicable to all advertised DPP Procurements unless otherwise indicated

### **STANDARD TERMS AND CONDITIONS:**

- I. Unless the bidder is specifically instructed otherwise In the Request for Proposal, the following terms and conditions will apply to all contracts or purchase agreements made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in the Request for Proposal (RFP) and should be read in conjunction with same unless the RFP specifically indicates otherwise. If a bidder proposes changes or modifications or takes exception to any of the State's terms and conditions, the bidder must so state specifically in writing in the bid proposal. Any proposed change, modification or exception in the State's terms and conditions by a bidder will be a factor in the determination of an award of a contractor purchase agreement.
- II. All of the State's terms and conditions will become a part of any contract(s) or order(s) awarded as a result of the Request for Proposal, whether stated in part, in summary or by reference. In the event the bidder's terms and conditions conflict with the State's, the State's terms and conditions will prevail, unless the bidder is notified in writing of the State's acceptance of the bidder's terms and conditions.
