1.0 INFORMATION FOR BIDDERS

1.1 PURPOSE AND INTENT

This Request for Proposal (RFP) is issued by the Purchase Bureau, Division of Purchase and Property, Department of the Treasury on behalf of the State of New Jersey and Cooperative Purchasing Members. The purpose of this RFP is to solicit bid proposals for Automatic External Defibrillators, related accessories and operating supplies.

The intent of this RFP is to award contracts to those responsible bidders whose bid proposals, conforming to this RFP are most advantageous to the State, price and other factors considered.

The Standard Terms & Conditions, [Appendix 1](#) of this RFP, will apply to all contracts or purchase agreements made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in this RFP and should be read in conjunction with same unless the RFP specifically indicates otherwise.

The State intends to extend the contracts awarded to the Purchase Bureau's cooperative purchasing partners. These partners include quasi-state agencies, counties, municipalities, school districts, volunteer fire departments, first aid squads, independent institutions of higher learning, County colleges and State colleges.

Although the State, with the assent of the vendor(s), is making the use of any contract resulting from this RFP available to non-State Agencies, the State makes no representation as to the acceptability of any State RFP terms and conditions under the Local Public Contracts Law or any other enabling statute or regulation.

1.2 BACKGROUND

This is a new procurement that will result in a term contract for Automatic External Defibrillators (AED), Accessories and Operating Supplies.

The State has appropriated approximately \$1,700,000.00 for the purchase of AEDs in the short term, with a single purchase of \$1,600,000.00 anticipated to be accomplished shortly after the bid opening date.

The contract resulting from this RFP will be open to the Cooperative Purchasing Members (CPM) throughout the State. Due to the large number of CPMs it is impossible to estimate the amount of additional purchases that may be anticipated using this contract. As an example the State has over 600 school districts with more than 2400 actual schools (kindergarten through 12th grade). These CPM partners include quasi-state agencies, counties, municipalities, school districts, volunteer fire departments, first aid squads, independent institutions of higher learning, County colleges and State colleges. Be aware that State is not stating that the CPMs will in fact purchase AEDs, however the awarded contractor will have the opportunity to offer its product to all CPMs.

1.3 KEY EVENTS

1.3.1 ELECTRONIC QUESTION AND ANSWER PERIOD

It is the policy of the Purchase Bureau to accept questions and inquiries from all vendors by e-mail. Telephone inquiries will not be accepted. Written questions should be e-mailed to the Purchase Bureau to the attention of the assigned Purchase Bureau buyer at the following address:

E- Mail: **robert.burton@treas.state.nj.us**

After the submission of bid proposals, unless requested by the State, contact with the State is limited to status inquiries only and such inquiries are only to be directed to the buyer. Any further contact or information about the proposal to the buyer or any other

State official connected with the solicitation will be considered an impermissible supplementation of the bidder's bid proposal.

1.3.1.1 QUESTION PROTOCOL

Questions should be e-mailed in writing to the attention of the assigned Purchase Bureau buyer. Questions should be directly tied to the RFP by the writer. Questions should be asked in consecutive order, from beginning to end, following the organization of the RFP. Each question should begin by referencing the RFP page number and section number to which it relates.

No special consideration will be given after bid proposals are opened because of a bidder's failure to be knowledgeable as to all of the requirements of this RFP. By submitting a bid proposal in response to this RFP, the bidder represents that it has satisfied itself, from its own investigation, as to all of the requirements of this RFP.

1.4.5 COST LIABILITY

This is the case notwithstanding any statement to the contrary made by a bidder in its bid proposal. All bid proposals, as public records, are available for public inspection. Interested parties can make an appointment to inspect bid proposals received in response to this RFP by contacting the Purchase Bureau buyer.

1.4.7 PRICE ALTERATION

Bid prices must be typed or written in ink. Any price change (including "white-outs") must be initialed. Failure to initial price changes shall preclude a contract award being made to the bidder.

Authorized signatories from each party comprising the joint venture must sign the bid proposal. The contract may be extended for all or part of **two (2)** one-year periods, by the mutual written consent of the contractor and the Director. **Purchase orders may be placed against the contract up to and including the end of business on the last day of the contract, for delivery no more than 45 days after contract expiration.**
