Fax: 800-396-8232
Hours: 7:30 a.m. to 4:30 p.m. (CST)

VIRCO 2009 WHOLESALE AND DEALER PRODUCT ASSORTMENT

This price list describes over 6000 skus of educational and institutional furniture, all of which are stocked year-round at our warehouses in Conway, Arkansas, and Torrance, California. Furniture selected from this price list will be ready to ship in four weeks or less except during mid-summer, when lead-times may stretch to six weeks. For customers requiring expedited delivery, we offer 350 varieties of our most popular items in a Quick Ship program. These items are highlighted with **bold** print throughout this price list, and will be ready to ship within 5-10 business days. To receive Quick Ship service, your purchase order must contain only Quick Ship items. Mixed orders of Quick Ship and standard furniture will ship within the standard four-week lead-time.

TO OPEN AN ACCOUNT with Virco, a minimum initial order of \$5,000 is required. Customers desiring an open line of credit are required to fill-out a credit application and submit a financial statement. This information will be reviewed to determine whether a credit line will be activated and what its size will be.

Regular mailings of catalogs, price lists and promotional literature will be sent to all customers whose orders total \$20,000 or more per year. Accounts with lower annual volume will be closed at year-end. Accounts closed for this reason may be reactivated at any time by placing a \$5,000 order.

INVOICE TERMS for credit accounts are 1%, 10 days, or Net 30 days. Customers without a Virco credit line must submit payment at the time of order entry.

PURCHASE ORDERS

You can send purchase orders via fax, phone, or the Internet. All purchase orders should include:

- Your six digit Virco account number
- Your complete billing address
- Complete ship-to information (extremely important)
- Contact names and phone numbers (extremely important)
- Requested delivery date

If you're requesting Quick Ship service, don't mix Quick Ship and standard items on the same purchase order. Sorry, but we cannot accept C.O.D. orders.

All orders are confirmed with a printed acknowledgement, which is mailed (or e-mailed on request) to the sold-to address within two days of receipt. Please check the acknowledgement carefully to ensure that your order has been entered correctly. We will make every effort to accommodate requested delivery dates. Some orders may ship sooner than our stated lead-times, especially during winter, spring and fall. Summer lead-times may extend one or two weeks longer than normal. Please note critical delivery dates, such as openings or special events, on your purchase order. This is essential to help us manage your enduser's expectations.

WILL-CALL ORDERS

Will-call orders will be accepted only for merchandise normally stocked at the designated warehouse or Distribution Center.

Will-call orders will be held for 30 days after Virco has notified customer that merchandise is ready for pick-up. After 30 days, Virco reserves the right to release such merchandise for other orders.

WHOLESALE/DEALER ORDER INFORMATION

F.O.B. FACTORY SHIPMENTS/FREIGHT COLLECT

Title changes hands at shipping point upon tender of shipment to carrier in good condition. All charges for freight are paid by the customer or beneficial owner. Claims for loss or damage in transit are resolved by the carrier and the customer or beneficial owner.

F.O.B. DELIVERED SHIPMENTS/FREIGHT PREPAID

Title changes hands at the delivery point upon receipt in good condition. Virco pays freight charges and resolves all claims for loss or damage in transit.

PREPAID AND CHARGE AND PREPAID SHIPMENTS

Virco reserves the right to select at its sole discretion the most economical mode of transportation. Instructions for use of a specific carrier will be honored only when shipping costs are comparable to Virco's normal method of shipment.

LOSS OR DAMAGE IN TRANSIT

Virco will honor requests for credit due to loss or damage in transit only when terms of sale are F.O.B. Delivered.

MERCHANDISE RETURNS

No merchandise will be returned by customers without the express written approval of the Conway or Torrance factory. Unauthorized returns will be refused and returned to customer at customer's own expense.

DELIVERY OPTIONS

- WILL CALL F.O.B. FACTORY is the standard delivery option for wholesalers and dealers. Most wholesale and dealer partners select F.O.B. Factory pricing and arrange their own freight. When a Will Call order is ready, you will be contacted to schedule an appointment for pickup. Once the appointment is set, Virco will stage the product for pickup. Virco's Will Call does not include loading of the product. Our dock hours are 8:00 a.m. – noon, and 1:00 – 3:00 p.m., Monday through Friday. All Will Call orders are staged and held for one day. If you miss your scheduled appointment, Virco may choose to restock your order, which would require you to reschedule your appointment. Will Call privileges may be revoked due to excessive missed appointments.

For those who desire additional service, we offer the following options:

- DROP SHIPMENTS are available at F.O.B. Factory pricing for a \$250.00 minimum surcharge on orders under \$1,000. For orders over \$1,000 a 20% or \$200.00 minimum surcharge will apply. Drop Shipments also require contact names and phone numbers at both the end user and billing address. Please remember that many end users are not familiar with commercial shipping procedures or the demands of handling heavy furniture.
- TAILGATE DELIVERY is available for a \$250.00 minimum surcharge on orders under \$1,000. For orders over \$1,000 a 20% or \$200.00 minimum surcharge will apply. Tailgate Delivery assumes consolidation and does not allow for partial line item shipments. Additional shipping and handling charges will apply to partial shipments, if necessary.

Tailgate delivery means that the driver is responsible for moving the goods to the tailgate of the truck only. Therefore, you must have personnel on hand to unload the truck. We can arrange for 24 hours advance notice of the delivery at your request.

FedEx

Items with an (*) in the FedEx column of this price list may be shipped via FedEx. These items do not exceed the maximum limits for FedEx Express U.S. packages of 150 lbs. and 119 inches in length and 165 inches in length and girth. However, customers should familiarize themselves with changes by carriers for oversized packages. Furthermore, caution should always be taken when shipping heavy items via FedEx or UPS Express services as they are increasingly susceptible to damage.

Please review the copy below taken directly from FedEx.

OVERSIZE PACKAGES

<http://www.fedex.com/us/services/terms/us.html#oversize>

"The maximum limits for FedEx Express U.S. packages are 150 lbs. and 119 inches in length and 165 inches in length and girth. Packages that weigh 150 lbs. or less and exceed 108 inches in length or 130 inches in length and girth will be considered "oversize" packages. Oversize packages will be rated based on the greater of the package's actual rounded weight, dimensional weight, or a 90-lb. minimum billable weight. In addition, an oversize charge will apply; see Rates in the FedEx Service Guide.

Packages that exceed 119 inches in length and 165 inches in length and girth may be refused or, if found in the express package network, may be considered for transportation at our sole discretion. These packages also will be rated based on the greater of the package's actual rounded weight, dimensional weight, or a 90-lb. minimum billable weight, and an oversize charge will apply.

WHOLESALE/DEALER ORDER INFORMATION

FedEx continued

Effective February 5, 2007, 90-lb. minimum billable weight will not be included in the rate calculation for oversize packages. Oversize packages will be rated based on the greater of the package's actual rounded weight or dimensional weight, and an oversize charge will apply.

The length and girth of a package is length plus (two times the height) plus (two times the width). If the dimension includes a fraction, a fraction of one-half or greater will be rounded up to the next whole number; less than one-half will be rounded down to the next whole number."

REDELIVERY AND RESTOCKING CHARGES

When consignees refuse or are unable to accept delivered orders, we will charge 100% of the original freight cost plus demurrage charges to redeliver the order. Returned orders are subject to a minimum 20% restocking fee. Merchandise returns can only be accepted with prior authorization from customer service. Authorization to return merchandise must be approved by customer service no later than 90 days after initial delivery.

STEPS TO TAKE WHEN RECEIVING SHIPMENTS

VERIFY COUNT

Make sure you receive as many cartons as are listed on the delivery receipt. If any shortage is discovered, note exactly how many cartons are short on the carrier's delivery receipt and have the driver note the shortage on your copy.

CAREFULLY EXAMINE EACH CARTON FOR DAMAGE

If damage is visible, note this fact on the delivery receipt and have the driver clearly note the damage on your copy. If you suspect that the carton contents may be damaged, insist that the driver remain present while you open the carton and jointly inspect the contents. Any concealed damage discovered should also be noted on the delivery receipt and on your copy. Be sure to retain your copy.

IMMEDIATELY AFTER DELIVERY, OPEN ALL CARTONS AND INSPECT FOR CONCEALED DAMAGE

All cartons should be opened and contents inspected for possible concealed damage.

REPORT ANY PROBLEMS TO VIRCO CUSTOMER SERVICE IMMEDIATELY (800-448-4726)

If damage is found, details should be reported to Virco immediately. According to ICC regulations, failure to report concealed damage within 15 calendar days of the delivery date could result in the carrier denying the claim and any replacement costs may be your responsibility.

STEPS TO TAKE WHEN CARRIER MAKES INSPECTION OF DAMAGED ITEMS

HAVE DAMAGED ITEMS IN THE RECEIVING AREA

Make certain that the damaged items have not been moved from the receiving area. Allow the inspector to inspect the damaged items, cartons, inner packing materials and freight bill. Be sure to retain your delivery receipt since it will be needed as supporting documentation when the claim is filed.

AFTER THE INSPECTOR FILLS OUT THE REPORT, READ IT CAREFULLY BEFORE SIGNING

If you do not agree with any statements made by the inspector on the report, do not sign it. Unless repairs will be completely satisfactory, be sure the inspector requests replacement on the inspection report. A new item can be ordered only if the report specifies "replace."

CONTINUE TO RETAIN DAMAGED MERCHANDISE

Even though the inspection has been completed, damaged items cannot be used or disposed of without written permission from the carrier or Virco. After the claim has been settled, the carrier will either pick-up the damaged items or send a letter asking you to dispose of the merchandise.

COLORS, FINISHES, AND UPHOLSTERY MATERIALS

Our price list describes over 6,000 skus of educational and institutional furniture. We have selected the most popular colors and finishes as noted by customer orders and made them an important part of our offering.

Virco offers three distinctive product color programs, all of which are driven by lead-times. When evaluating your needs, please consider the various lead-times for each color palette.

Also, because our peak delivery season is during the summer months, extended lead-times may apply for all color programs during that time. Please consult with your local Sales Representative if you have questions regarding specific color combinations and lead-times.

1. QUICK SHIP

For customers requiring expedited delivery, we offer over 350 varieties of our most popular items in our Quick Ship program. These items and their specific color combinations are highlighted in bold print throughout our price list, and will be ready to ship within 5-10 business days.

NOTE: To receive Quick Ship service, your purchase order must contain only Quick Ship items. Mixed orders of Quick Ship and Standard furniture will ship within the standard four-week lead-time.

2. STANDARD

These popular colors, finishes and upholstery materials can be used without minimums across most models and series in this price list. These colors and combinations will be ready to ship in four weeks or less except during our peak summer season, when some models may take longer.

Refer to pages x and xi to review the list of Standard colors.

3. DESIGNER OPTIONS

Many Virco products also come in an exciting array of Designer Options. Depending on lot size, material availability and the time of year, products with Designer colors may ship in four weeks, or may require extended lead-times, especially during Virco's peak summer season. Please ask your Virco Sales Representative for the current lead-time on Designer Colors.

Refer to pages x and xi to review the list of Designer Options colors.

Even with these expanded programs, if you don't find the exact color, finish or upholstery material you need, please let us know and we will do our best to meet those needs. We handle hundreds of special requests each year and look forward to working with you in this regard.

NOTE: Special requests for colors, finishes, or upholstery materials not listed in our three programs above may incur a longer lead time. Those requests would be considered Custom and their lead-time driven by the supplier and by seasonality, particularly during our peak summer season. Consult with your Sales Service Representative for more information.

COLORS, FINISHES, AND UPHOLSTERY MATERIALS

QUICK SHIP COLORS

These items and their specific color combinations are highlighted in **bold** print throughout this price list, and will be ready to ship within 5-10 business days.

SOFT PLASTICS		
STANDARD COLORS These popular colors, finishes and upholstery materials can be used without minimums across most models and series in this price list. These color combinations will be ready to ship in four weeks or less except during mid-summer, when lead-times may be extended. GENERAL INFORMATION

PRODUCT DEVELOPMENT

In April 2008, Virco introduced the **TEXT™** table collection for higher learning environments. Designed by the award-winning team of Peter Glass and Bob Mills, TEXT tables feature heavy-gauge tubular steel and proven Virco construction for extended product life, as well as elliptical legs, swooping yokes and arched feet for exceptional elegance. All TEXT models are GREENGUARD® certified for indoor air quality.

Lunada® tables make their debut in this price list. Combining Virco's popular Lunada bi-point bases with a selection of 20 top sizes, Lunada tables are great choices for seminar, conference and related settings.

Metaphor® introduced in October 2007, was designed by Glass & Mills as a sequel to Virco's best-selling Classic Series™ furniture with improvements in comfort, ergonomics, stackability, and manufacturing efficiencies. The Classic Series debuted in 1965 and has registered more than 47,500,000 units sold. Metaphor products include: an ergonomically sculpted shell with a wider, larger backrest for greater comfort; a heavy-gauge, unitized tubular steel frame with a full-perimeter backrest and a locking front-U for 360° shell support; and truly vertical stacking capabilities that enable 4-leg chairs to stack 12-high.

Like TEXT, Lunada and Metaphor, other recent Virco product additions – such as SAGE™, ZUMA® and I.Q.® classroom furniture, and Ph.D.® task chairs – offer unsurpassed performance and value, as well as GREENGUARD certification. And because Virco is continually researching ways to provide our customers with new product solutions to meet their changing needs, we're always eager to hear about new product ideas.

If you have a new product suggestion that you'd like to share with us, please contact Randal Smith, Virco's Vice President of Marketing, at 310-533-0474, extension 492.

PRODUCT EVALUATION & TESTING

As a service to our customers and to assure superior levels of quality control, Virco tests and evaluates our products according to rigorous standards. Virco's product evaluation program includes applicable performance testing for strength, durability and stability as established by the Business and Institutional Furniture Manufacturer's Association and accepted by the American National Standards Institute.

ANSI/BIFMA TESTED

Virco's Ph.D.®, Ultrastack®, Virtuoso® and 8800 Series chairs; model 2018, 2260PGC, 264517, 264617, 266017GC, 266017GCLS, 3018, 3860GC, 3860GCLS, 3318, 4300, 4301, 8915, 8917, 8925, 8926, 9018, 9018P, 9618, 9260GC, 9260PGC, 9260GCLS, N318, N3LAB, N3TASK18, N918, N9LAB, N9TASK18, SG418, SG419, SGCANT18, SGCANT18FLT, SGCANT18FLTSG, SGTASK18, SGLAB, SG418TAFBR, ZCANT18, ZCANT18FLT, ZCANT18SG, ZFRD418BR, ZFRDCANT18, ZFRDCANT18FLT, ZFRDCANT18SG, ZLAB, ZROCK18, ZTASK18 and ZU418 chairs; model 2645TAF, 3700BR and ZU418TAFBR tablet arm chairs; model 2800PN, 73325, 73325M, 73327, 73327M, 73330, 73330M, 751, 751M, 765, 785, 785M, 785DDMBB, 785DDMBBM, 785MBB, 785MBBM, 792026BB, 792026BBM, 792448BB, 79HEXM, 79OCTM, 871, 871M, 878, ZADJ2026BOXM, ZADJ2031BOXM, ZDESKM, ZDESK2260, ZHEXBRTM and ZOCTM desks; TEXT™, Lunada®, 6000, 6100 (Core-a-Gator®), 62000, 6800, 7900, 8700 and Future Access® Series tables; round and rectangular 4000 Series tables with standard-height legs; round, rectangular and racetrack Plateau® tables; Plateau desks and overhead storage units; mobile pedestal units; free-standing vertical file models FVF15282D, FVF15524D, FVF18282D and FVF18524D; and lateral files included in this catalog have passed applicable performance tests for strength, durability, and stability as established by the Business and Institutional Furniture Manufacturer's Association International and accepted by the American National Standards Institute.

FURNITURE WITH OAK FINISH

Virco's Oak finish highlights the grain and color accents of each furniture item. Because they're crafted from natural hardwood, no two pieces of Oak furniture have exactly the same grain pattern and color; instead, variations in grain and color result in uniquely complementary furniture groupings.

60", 72" AND 84" BOOKCASES

To avoid the risk of a serious tip-over accident, these bookcases must be securely anchored to a wall. Refer to the assembly instructions for more information.

GENERAL INFORMATION

GUIDELINES FOR STACKING & MOVING FURNITURE

The number of pieces of furniture that can be safely stacked or moved on Virco's mobile storage equipment will vary depending on many factors, including the furniture's height, weight and general design; the speed at which the unit will be moved; the terrain over which it will travel; and the strength of the operator(s). Care should be taken not to stack to the point of unsteadiness. Virco recommends starting with small, easily handled loads and adding one to two pieces of furniture at a time to determine the safe capacity for each set of conditions. Use Virco mobile storage equipment with appropriate Virco furniture only.

CARE & USE INSTRUCTIONS

NOTICE: To prevent structural failures and possible injury, furniture should not be used other than for its intended purpose and should be inspected regularly for loose or missing screws or rivets, metal fatigue, cracks, broken welds, missing attachments, loose staples and general instability. Furniture that is damaged or appears to be unstable should immediately be removed from service, reported to the facility manager and replaced or repaired. Repairs should only be made using factory-authorized parts and methods. For information on furniture maintenance, or to report furniture which requires service, call Virco toll-free at 1-800-448-4726. Furniture should be wiped down with mild soap and water as needed.

TEN YEAR LIMITED WARRANTY

Virco warrants that its products shall be free of all substantial defects in original material and workmanship that may become evident within ten (10) years from the date of purchase. This limited warranty does not cover apparent defects caused by abusive or abnormal use of the product, modification or alteration of the product, improper assembly or failures resulting from inadequate inspection and maintenance. Virco may repair or replace, at its option, any portion of the subject product, which proves to be defective under the terms of this limited warranty at no further cost to the buyer. THERE ARE NO IMPLIED WARRANTIES OF FITNESS OR MERCHANTABILITY, AND THERE ARE NO OTHER EXPRESS WARRANTIES BEYOND THE WARRANTIES EXPRESSED HERE. Virco shall be liable under this limited warranty only for the cost or, at its option, the repair or replacement of defective products. All incidental or consequential damages, which may arise, including, but not limited to business losses, personal property damage, and third party liabilities are hereby expressly excluded. Also expressly excluded under this warranty are glides, torsion bars, and vinyl and fabric upholstery material, except as may be offered by the product source.

VIRCO AND THE ENVIRONMENT

GREENGUARD®

Hundreds of Virco furniture models have earned indoor air quality certification according to the stringent GREENGUARD® for Children and Schools Program. When this icon  is shown at the bottom of a page in this price list, all products on that page are GREENGUARD certified. For the most current listing of Virco's GREENGUARD-certified products – including models that may have been certified since the publication of this price list – go to www.greenguard.org and click on the Find Products link.

The widely recognized GREENGUARD Certification ProgramSM is a third-party, industry-independent testing program that evaluates low-emitting materials and products. To date, over 100 manufacturers – including Virco – provide customers with GREENGUARD Indoor Air Quality Certified® products.

LEED®

Many of Virco's customers are interested in the LEED® program. LEED, which stands for Leadership in Energy and Environmental Design, is a program of the non-profit U.S. Green Building Council. LEED is a well-known standard for environmentally-friendly buildings.

Virco furniture can help earn points under the LEED for Schools and rating systems. Hundreds of Virco's Greenguard-certified products can help earn an Indoor Air Quality (IAQ) credit under the LEED for Schools rating system. Depending on the project, Virco furniture can also earn LEED credits for Materials & Resources (MR). ZUMAFrd™ and Virco's other Greenguard-certified products are well suited to green building projects. Virco's Take-Back program can also help reduce the environmental impact of a renovation project.

For any questions about how Virco products can help your building project earn LEED points, please contact your Virco Sales Representative; or contact:

Bob Roskos, Corporate Copywriter, at bobroskos@virco.com, or at 310-533-0474, Ext. 485.

WASTEWISE

WasteWise – according its website – is “a free, voluntary, EPA (United States Environmental Protection Agency) program helping U.S. organizations eliminate costly municipal solid waste, benefiting the bottom line and the environment.”

Virco joined the EPA's WasteWise Program as a charter member in 1994. Over the years, we've been privileged to receive a number of WasteWise honors, including: WasteWise Program Champion (1998, 1999 & 2001); WasteWise Partner of the Year for Large Businesses (2000 & 2002); and WasteWise Climate Change Partner of the Year (2002). In 2003, Virco was designated as a charter member of the WasteWise Hall of Fame.

If your organization isn't already a member, we strongly encourage you to join WasteWise; information is available at: <http://www.epa.gov/epaoswer/non-hw/reduce/wstewise/about/reg.htm>.

CHPS

If your school or district participates in any of the programs of the Collaborative for High Performance Schools (CHPS), you'll be excited to know that Virco's GREENGUARD® certified products are included in the CHPS Low-Emitting Materials List! To access this list online, go to www.chps.net/manual/lem_table.htm.

The CHPS Criteria, which enable the design of high-performance schools, were developed initially for California and have been adapted by Washington, New York, Massachusetts, Connecticut, Maine, New Hampshire, and Rhode Island. For more on CHPS, go to www.chps.net.

TAKE-BACK PROGRAM

Through this ground-breaking program – launched in 2006 – Virco takes back out-of-service furniture from qualifying schools, colleges and universities and recycles the components. Some of this recycled material can then be included in the Fortified Recycled Wood™ that's used to make seats backrests and work surfaces for our highly sustainable Telos™ and ZUMAFrd™ furniture. For more on Virco's Take-Back program, go to www.virco.com and see the press release entitled “Virco Launches Trail-Blazing Take-Back Program.” You can also contact:

Bob Roskos, Corporate Copywriter, at bobroskos@virco.com, or at 310-533-0474, Ext. 485.

VIRCO AND THE ENVIRONMENT

CASH FOR CARDBOARD

Virco's "Cash for Cardboard" Program helps 35 schools near our Conway, Arkansas facility reap the benefits of recycling. Virco builds recycling bins for these schools, collects their cardboard and transports it to a recycling vendor, then returns the proceeds to the schools. To date, the Cash for Cardboard Program has enabled these schools to earn over \$100,000. For more information about Cash for Cardboard, contact:

Bob Roskos, Corporate Copywriter, at bobroskos@virco.com, or at 310-533-0474, Ext. 485.

RESOURCE RECOVERY

Over 293,354,152 pounds of recyclables have been processed by Virco since 1989

Through out comprehensive resource recovery program - which includes over 40 items - Virco recycles:

- More than 1.0 million lbs. of cardboard and paper per year (since 1989, 30.5 million lbs. have been recycled);
- More than 130,000 lbs. of plastics per year (since 1991, more than 9.4 million lbs. have been recycled);
- More than 2.3 million lbs. of steel and other metals per year (since 1991, more than 113.1 million lbs. of steel and other metals have been recycled);
- In addition, Virco has recycled more than 124.1 million pounds of wood dust, particleboard, and pallets over the last nine years.
- In 2007, we diverted more than 3,500,000 pounds of demolition waste from landfill disposal.
- These efforts have enabled over 15,000,000 pounds of waste to be diverted from landfill disposal each year, on average since 1989; we average approximately, \$130,000 in annual savings by diverting waste from the landfill.

USE OF RECYCLABLE MATERIALS

- All steel used in Virco products is recyclable.
- Virco cartoning: 100% recyclable.
- Foam upholstery material: 100% recyclable
- Plastics used in Virco products: 100% recyclable

In summary, the materials used to manufacture Virco products are 95% recyclable.

RECYCLED CONTENT

Virco uses recycled material in the following:

- Steel: Our steel averages more than 30% post-consumer recycled material.
- Cartoning: Up to 60% post-consumer recycled material.
- Our wood products are also made with post-industrial recycled material.
- Our plastic products are also made with post-industrial recycled material.

Virco purchases over \$25,000,000 worth of recycled-content materials every year to produce and ship our furniture.

DIRECTED MANUFACTURING PROCESSES

Virco uses a wide range of environmentally friendly manufacturing processes leading to:

- The development of more than 175 production innovations, contributing to the recovery and recycling of waste products in nearly all production areas. As a result, manufacturing processes in Virco's Conway, Arkansas facilities have been largely waste-free since 2003.
- The elimination of all "wet" paint lines at Virco (replaced by powder coat paint, substantially reducing VOCs).

HOW TO ORDER:

- Quick Ship color combinations and model numbers are shown in bold type.
- Plastic, laminate and frame finish colors and color codes are listed on pages x-xi.
- To order chairs, specify the model number, plastic seat and frame finish color codes (e.g., SG418-BLU40-CHRM).
- To order task and lab chairs, specify the model number, plastic seat and base color codes (e.g., SGTASK18-BLU40-BLK01).
- To order combo units, specify the model number, plastic seat, top and frame finish color codes (e.g., SG418TAFBR-BLU40-MPL385-CHRM).
- To order optional accessories for indicated Sage models, please refer to pages 86 and 87.

Products on this page are Greenguard® certified.

HOW TO ORDER:

- Quick Ship color combinations and model numbers are shown in bold type.
- Plastic, laminate and frame finish colors and color codes are listed on pages x-xi.
- To order optional accessories, please specify model no. (e.g., UTOTE).

OPTIONAL CONFIGURATIONS *(pages 90-133)*

Many Virco products are available as optional configurations of standard models. These optional configurations may ship in four weeks or less; some configurations may take longer, especially during Virco's peak summer season.

Other factors affecting lead-times for optional configurations include lot size and material availability, as well as color and finish selection. Your Virco Sales Representative can provide you with the current lead-time for optional configurations in this price list.

OPTIONAL CONFIGURATIONS SOLD IN FULL CARTONS ONLY.

Optional configurations of standard models may ship in 4 weeks or less; some configurations may take longer, especially during summer.

SAGE™ AND METAPHOR® SERIES WITH FLAME RETARDANT ADDITIVE

Models listed on this page include a shell with a flame retardant additive that enables these models to comply with the State of Massachusetts DAS Fire Regulation 527 CMR, Section 29. All other Sage models listed on this page include a shell with the same flame retardant additive; all of these models also include a work surface. Because the State of Massachusetts DAS Fire Regulation 527 CMR, Section 29 testing criteria do not apply to units with a work surface, these models cannot be certified according to the State of Massachusetts DAS Fire Regulation 527 CMR, Section 29.
