TO: ALL STATE AGENCIES  
FROM: Amy Davis, Acting Director  
SUBJECT: Custom Agreement Expirations  
DATE: June 26, 2023  

The purpose of Term Contract T3121 Software License, Maintenance, Support and Related Services Contract is to provide Using Agencies with a mechanism to purchase software products and associated services through a Software Reseller. Certain purchases required the Division of Purchase and Property to negotiate and enter into a Custom Agreement with the Software Provider. A list of those Custom Agreements expiring prior to December 31, 2024 is below. When the Custom Agreement expires, the software products and associated services will no longer be available for purchase.

If your agency intends to continue purchasing software products and associated services from any of the providers listed below, after the Custom Agreement expiration date, you must notify the Division of Purchase and Property (DPPSoftware@treas.nj.gov) no later than the date listed below; otherwise, the Custom Agreement will not be renegotiated. It is the responsibility of the using Agency to send the Providers the necessary intake paperwork (forms and Terms and Conditions). Please contact Toni Dubernas at toni.dubernas@tech.nj.gov for the required paperwork for a custom agreement.
