# Affordable New Jersey Communities for Homeowners and Renters (ANCHOR) Application for Tenants/Renters

Read all instructions carefully.

### **General Information**

#### When to File

File your application by December 29, 2023. All applications postmarked on or before the due date are considered filed on time.

#### Where to Send Your Application

Mail your application in the envelope provided to:

ANCHOR Application Revenue Processing Center PO Box 636 Trenton, New Jersey 08646-0636

Send only one application per envelope, even if several people in the same house (e.g., multiple renters) are filing applications.

#### **Confirmation Number**

If you file a *paper* application, you will *not* receive a confirmation number. Keep a copy of your application and supporting documents for your records.

#### Eligibility

You are eligible for a 2020 ANCHOR benefit as a renter if you meet the following requirements:

- You were a New Jersey resident; and
- You rented (your name was on the lease or rental agreement) and occupied a residence in New Jersey that was your principal residence (main home) on October 1, 2020; and
- If your building had more than one dwelling unit, you had access to kitchen and bath facilities; and
- Your main home was subject to local property taxes, and you paid rent on that home (see Tax-Exempt, Subsidized, P.I.L.O.T., and Campus Housing); and
- Your 2020 New Jersey gross income was not more than \$150,000.

If you **owned** your main home on October 1, 2020, you are not eligible for an ANCHOR benefit as a renter; however, you may be eligible as a homeowner. Do not file Form ANCHOR-T. See the Division's website at *www.nj.gov/treasury/apps/homeowner/* for eligibility and filing information for homeowners.

**Note:** The Division of Taxation reviews applications to ensure renters meet the eligibility requirements. If you provide inaccurate information when filing, and we send you a larger benefit as a result, you must repay any amount you are not eligible to receive.

**Principal residence (main home)** means a home you occupied as your permanent residence. You are not eligible for a benefit for a vacation home, a "second home," or a property you owned and rented to someone else.

**Mobile Homes.** If you own or rent a mobile home that is located in a mobile home park, you are considered a renter for purposes of applying for the ANCHOR benefit.

Condominiums and Co-ops. If you rent a condominium unit or a unit in a cooperative housing complex, you are considered a renter for purposes of applying for the ANCHOR benefit. If you are a resident shareholder of a cooperative housing complex or you own a condominium and you pay property taxes on your unit, you are considered a homeowner for purposes of applying for the ANCHOR benefit. See the Division's website at <a href="https://www.nj.gov/treasury/apps/homeowner/">www.nj.gov/treasury/apps/homeowner/</a> for eligibility and filing information for homeowners.

Continuing Care Communities. If you are a resident of a continuing care retirement community and your continuing care contract requires you to pay the proportionate share of property taxes attributable to your unit, you are considered a homeowner for purposes of applying for the ANCHOR benefit. See the Division's website at <a href="https://www.nj.gov/treasury/apps/homeowner/">www.nj.gov/treasury/apps/homeowner/</a> for eligibility and filing information for homeowners.

Tax-Exempt, Subsidized, P.I.L.O.T., and Campus Housing. Renters living in residences that are not subject to local property taxes are not eligible for the ANCHOR benefit. This includes: tax-exempt housing or other residences owned by the State, county, municipal, or federal government; on-campus housing at State colleges and universities; residences owned by religious, charitable, or other nonprofit organizations (including on-campus housing at private nonprofit colleges and universities), if the property is exempt from local property taxes. Renters living in buildings that are under a P.I.L.O.T. (Payment-In-Lieu-Of-Taxes) agreement are eligible to apply.

If you are not sure whether the residence you rent is subject to local property taxes or P.I.L.O.T. payments, contact your building manager or the municipal tax assessor for information.

#### **Deceased Renters**

If an eligible renter died before filing an application, either the surviving spouse/civil union partner or a personal representative (executor or administrator of an estate, or anyone who is in charge of the decedent's personal property) should file the application. Follow the instructions below to ensure that we issue the benefit payment correctly.

#### Name and Address

Widow(er)/surviving civil union partner. Enter only your name on this application, even if your spouse/civil union partner died during 2020 and your filing status is married/CU couple, filing joint return.

Personal Representative. If you are filing on behalf of an eligible renter who died on or after October 1, 2020, you must:

- Enter the deceased person's last name, followed by "estate of" and the decedent's first name; and
- Enter the current mailing address.

#### **Signatures**

Personal Representative. A personal representative filing on behalf of a deceased renter must sign in their official capacity. If it is a joint application, the surviving spouse/civil union partner must also sign.

No Personal Representative. If filing a joint application when there is no personal representative for the deceased renter, the spouse/civil union partner signs the application and writes "Filing as Surviving Spouse" or "Filing as

Surviving Civil Union Partner" in the signature section. If there is no personal representative and no surviving spouse/ civil union partner, the person in charge of the decedent's property must file and sign as "personal representative."

Check the box above the signature line if filing on behalf of a deceased renter. You may be asked to provide a copy of the death certificate at a later date.

**Note:** ANCHOR payments will be issued in the name of the widow(er)/surviving civil union partner **or** the name of the estate entered on the form. Payments cannot be issued in the name of the executor, administrator, or personal representative.

#### **ANCHOR Payments**

We will issue your benefit payment by check or direct deposit. You can expect to receive your benefit approximately 90 days after filing your application.

#### **Privacy Act Notification**

The Federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used. The Division of Taxation uses your Social Security number primarily to account for and give credit for tax payments. We also use Social Security numbers in the administration and enforcement of all tax laws for which we are responsible. In addition, the Division is required by law to forward an annual list to the Administrative Office of the Courts containing the names, addresses, and Social Security numbers of individuals who file a New Jersey tax return or ANCHOR application. This list will be used to avoid duplication of names on jury lists.

### **Line-by-Line Instructions**

#### Social Security Number(s)

Enter your Social Security number or Individual Taxpayer Identification number (ITIN) in the boxes at the top of the application, one digit in each box. If you are married or in a civil union, you **must** enter the Social Security numbers or ITINs for both of you.

#### **County/Municipality Code**

Enter the four-digit code for the residence that was your main home on October 1, 2020, one digit in each box, from the table on pages 8–9. If the table does not include the local name of the place where you lived, go to www.state.nj.us/nj/gov/county/localities.html for a listing

of local names in the State and the county and municipality in which they are located.

#### Name and Address

Print or type your name (last name first), current mailing address, and ZIP Code in the spaces provided. Include your spouse's/civil union partner's name unless you are filing separate applications.

#### Address of Main Home on October 1, 2020

Enter the street address and municipality of the New Jersey residence you are applying for **only** if it is different from the address at the top of the application.

#### **ANCHOR Filing Status**

Fill in the oval that corresponds to your filing status on your 2020 New Jersey Income Tax return. Using a filing status that is different than the filing status used on your 2020 return may delay your benefit. If you were not required to file a return, enter the filing status you would have used if you had filed. Fill in only one filing status oval.

Head of Household. You can use this filing status if you were unmarried or not a partner in a civil union on the last day of the tax year, and you paid more than one-half of the cost of keeping up a home for yourself and at least one qualifying person. Certain married individuals/civil union partners living apart can file as head of household for New Jersey if they meet the requirements to file as head of household for federal purposes. You may also qualify to file as head of household if you are no longer eligible to file as qualifying widow(er)/surviving CU partner, and you have not remarried or entered into a new civil union.

Qualifying Widow(er)/Surviving CU Partner. You may be eligible to use this filing status for 2020 only if your spouse/civil union partner died in either 2018 or 2019, and you meet the other requirements to file as qualifying widow(er) for federal purposes.

Married/CU Couple, Filing Joint Return. If you filed your 2020 New Jersey Resident Income Tax return as "married/CU couple, filing joint return" and you and your spouse/civil union partner want to receive separate checks, each for half of the ANCHOR benefit amount, fill in the oval below your filing status. If you are requesting separate checks, you must each file a separate Form ANCHOR-T and report combined gross income.

Married/CU Partner, Filing Separately. If you filed your 2020 New Jersey Resident Income Tax return as "married/CU partner, filing separate return," you must indicate whether on October 1, 2020, you and your spouse/civil union partner maintained the same or separate main homes.

Same Residence. If you both maintained the same residence, you should file one ANCHOR application and fill in the oval for filing status F, "Married/CU Partner, filing separately: both maintain same residence."

If you and your spouse/civil union partner want to receive separate checks, each for half of the ANCHOR benefit amount, fill in the oval below your filing status. You must each file a separate Form ANCHOR-T and report combined gross income.

Separate Residences. If you each maintained a separate residence, you should file separate applications and fill in the oval for filing status D, "Married/CU Partner, filing separately: each maintains separate residence."

#### Birth Year(s)

Enter your birth year in the boxes on the application. If you are married or in a civil union, you **must** enter the birth years of both spouses/civil union partners unless you maintained separate residences on October 1, 2020.

#### Line 1 — Renter on October 1, 2020

If you rented and occupied a residence in New Jersey that was your main home on October 1, 2020, fill in "Yes" and continue completing the application. If you answer "No" here, you are not eligible for a 2020 ANCHOR benefit as a renter. Do not file this application.

If you **owned** your main home on October 1, 2020, see the Division's website at *www.nj.gov/treasury/apps/homeowner/* for eligibility and filing information for homeowners.

#### Line 2 — Blind or Disabled

Indicate whether you were eligible to claim a personal exemption as a blind or disabled taxpayer on the last day of the 2020 Tax Year. Fill in the appropriate oval to the right of "Yourself." If you were married or in a civil union, fill in the appropriate oval to the right of "Spouse/CU partner" unless you maintained separate main homes on October 1, 2020.

#### Line 3 — Gross Income

Enter the amount of your 2020 or 2022 New Jersey gross income. Spouses/CU partners who filed separately but maintained the same main home must enter combined income. Do not include Social Security or Railroad Retirement Benefits as income on line 3. If your income for the entire year for either 2020 or 2022 was not over the filing threshold, enter zero.

#### **Filing Thresholds:**

- \$20,000 for Married/CU couple, filing joint return; Head of household; Qualifying widow(er)/surviving CU partner;
- \$20,000 for Married/CU partner, filing separate returns but maintaining same residence (Amount is for ANCHOR purposes only.);
- \$10,000 for Single; Married/CU partner filing separate return and maintaining separate residence.

If you do not know the amount of gross income from your 2020 or 2022 New Jersey Income Tax return, you can use the ANCHOR Income Calculation worksheet on page 5 to calculate the 2020 amount. Eligibility is based on 2020 gross income. 2022 gross income will be used only for verification purposes.

**Do not** use information from your 2022 Income Tax return to complete any other part of your ANCHOR application.

Part-year residents must enter income from all sources for the **entire year**.

**Note:** If you understate your income and we send you a larger benefit as a result, you must repay any amount you are not eligible to receive.

#### Line 4a — Multiple Renters

Fill in "Yes" at line 4a only if you lived with someone (other than your spouse/civil union partner) and shared the rent with them for the rental property that was your main home on October 1, 2020. (For example, you and your daughter lived together and shared the rent for the apartment where you lived October 1, 2020.) If you answer "Yes," you must complete lines 4b and 4c. If you (and your spouse/civil union partner) were the sole renter(s), fill in "No."

#### Lines 4b — 4c

Do not complete lines 4b and 4c unless you answered "Yes" at line 4a.

#### Line 4b — Number of Renters

Enter on line 4b the number of renters, including yourself, who shared the rent on October 1, 2020. For this purpose you and your spouse/civil union partner are considered one renter.

#### Line 4c — Renters' Names

Enter the name(s) of all other renters who shared the rent (other than your spouse/civil union partner). If the spaces

provided are not sufficient, list the name(s) for each additional renter on a separate sheet of paper and enclose it with your application.

#### **Direct Deposit Information**

You can have your benefit deposited directly into your account at a bank or other financial institution. Complete the Direct Deposit Information the signature section. Your bank routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. Contact your financial institution to get the correct routing number if you are unsure. Your account number can be up to 17 characters (numbers only). Omit hyphens, spaces, special symbols, and letters. We cannot deposit benefit payments into an account at a financial institution that is located outside the United States.

**Note:** The Division of Taxation is not responsible for a lost benefit if you enter the wrong account information for a direct deposit. You must contact your financial institution for assistance in such cases.

#### **Signatures**

Sign and date your application in ink. Both spouses/civil union partners must sign a joint application. The signature(s) on the application must be original; photocopied signatures are not acceptable. We cannot process an application without the proper signature(s) and will return it to you. This may delay your ANCHOR benefit.

# Daytime Phone Number and/or Email Address

Providing your daytime phone number and/or email address may help us process your application if we have questions. If you are filing a joint application, you can enter either your or your spouse's/civil union partner's daytime phone number and/or email address.

### **Income Calculation (Lines 5–19)**

If you do not know the amount of gross income from your 2020 or 2022 New Jersey Income Tax return, you can use the ANCHOR Income Calculation worksheet on page 5 to calculate the 2020 amount. Report your 2020 income from all sources for the **entire year** (including your spouse's/civil union partner's if applicable), even if you were a New Jersey resident for only part of the year. If you understate your income, you must repay any benefit amount you are not eligible to receive.

**Do not report** income that is exempt from New Jersey Income Tax: for example, Social Security Benefits, unemployment, or U.S. military pensions.

#### **Line-by-Line Instructions**

Lines 5–19 of the worksheet on page 5 correspond to the categories of income and the income exclusions on the New Jersey Resident Income Tax return. You must report all taxable income you receive, regardless of where you

earned it. We may ask you to submit documentation to verify your income.

A brief description of how to complete lines 5–19 follows. If you need more information on the type or amount of income to report on a particular line, or the types of income that are not taxable (e.g., Social Security), or on the qualifications for the pension and other retirement income exclusions, see the instructions for the 2020 New Jersey resident return, Form NJ-1040, on our website.

**Reporting a Loss.** If you have a net loss in any category of income, enter zero. You can apply a loss in one category only against other income in the same category. You cannot apply a net loss in one category against income or gains in another.

Rounding. Round all items to the nearest dollar.

#### Line 5 — Wages, Salaries, Tips, etc.

Enter the wages, salaries, tips, fees, commissions, bonuses, and other payments you received from all employment both inside and outside New Jersey. Take the amount from

Box 16 of your W-2. If you were employed outside New Jersey, you may need to adjust your wages to reflect New Jersey tax law.

#### Line 6 — Taxable Interest Income

Enter your taxable interest income.

#### Line 7 — Dividends

Enter the taxable dividend income you received from investments (e.g., from stocks, mutual funds) or other income-producing activities that do not constitute a trade or business. Report capital gains distributions from mutual funds or other regulated investment companies on line 9, not on this line.

#### Line 8 — Net Profits From Business

Enter the net profits from your business, trade, or profession. Use the amount from federal Schedule C (or Schedule C-EZ or F) as adjusted to reflect New Jersey tax law.

The maximum exclusion amount depends on your filing status:

## Line 18b — Other Retirement Income Exclusion

Complete the Unclaimed Pension Exclusion Worksheet to calculate your unclaimed pension exclusion amount. Part-year residents must use earned income (wages, net profits from business, partnership income, and S corporation income) received for

the entire year. The exclusion amounts in the worksheet for married/CU partners filing separately but maintaining the same residence are for ANCHOR application purposes **ONLY.** Do not use them for Income Tax purposes.

If you (and your spouse/civil union partner if filing jointly) will never be able to receive Social Security or Railroad Retirement benefits because your employer did not participate in either program, you may also qualify for the Special Exclusion.
