Instructions for Form 325 Public Infrastructure Tax Credit

Purpose of this Form

This form must be completed by any taxpayer that claims a tax credit as provided for in N.J.S.A. 34:1B-251. The credit is for the development of public infrastructure by the applicant, which is then given to a municipality provided the statutory criteria are met. The credit is used to offset a taxpayer's liability for the Realty Transfer Fees and Corporation Business Tax.

If the credit exceeds the amount of tax liability otherwise due from a business that pays tax otherwise due, the taxpayer may apply with the Executive Director of the Economic Development Authority for a tax credit transfer certificate. Any unused credit can be carried forward for up to 20 privilege periods.

Parts III and IV are used to calculate the allowable credit and carryforward. Taxpayers filing Forms CBT-100 or CBT-100S, complete Part III and CBT-100U filers complete Part IV.

Taxpayers that purchased the tax credit through the Economic Development Authority tax benefit transfer program may also claim the credit using this form and are bound by the rules and limitations in the applicable credit transfer statute for the credit program.

Combined Return Filers

If filing a combined return, this form must be completed by the member that earned the credit. All combined return filers must check the combined return filers box at the top of the form and complete Part IV, Section A.

Members Opting Not to Share. In general, tax credits are earned by a member of the combined group and are shareable with the combined group. However, members are not required to share their credits. See N.J.S.A. 54:10A-4.6.i and TB-90(R), *Tax Credits and Combined Returns*. In addition to Section A, members that choose not to share must also complete Part IV, Section B and fill in the oval at the top of the form to indicate they are not sharing the credit.

Taxpayers must include the appropriate credit form in the year the credit was earned even if they are not claiming the credit on their tax return.

Part I – Qualifications

To be eligible for the tax credit, the answer to questions 1 and 3 must be “YES.” If the answer to question 1 or 3 is “NO,” the taxpayer is not entitled to the Public Infrastructure Tax Credit.

A completed Form 325 must be included with the CBT-100, CBT-100S, or CBT-100U return to validate the claim. A copy of the tax credit certificate and a copy of the completed Form 325 must be submitted by mail to the New Jersey Division of Taxation, CBT Refunds/Tax Credits, PO Box 259, Trenton, NJ 08695-0259. Failure to submit this documentation by mail will result in the delay and/or denial of the tax credit claimed.

Part II – Calculation of Available Credit

Follow the instructions on lines 4 through 7 to calculate the total Public Infrastructure Tax Credit.

Part III – Calculation of the Residential Economic Redevelopment and Growth Tax Credit (for CBT-100 and CBT-100S Filers only)

For CBT-100 and CBT-100S, the allowable Public Infrastructure Tax Credit is calculated in Part III. Combined return filers do not complete Part III, and must complete Part IV instead.

Line 9 – Taxpayers claiming multiple credits must list any credits already applied to the group tax liability to ensure accuracy of the calculation for maximum credit allowable.

Part IV – Calculation of the Allowable Credit Amount for Combined Return Filers

For CBT-100U filers, the total and allowable Public Infrastructure Tax Credit for the current year is calculated in Part IV. All combined return filers must complete Section A. Members that choose not to share their credit must also complete Section B.

Section A – To be completed by ALL combined return filers

This section calculates the amount of credit allowable for the group. If a member chooses not to share their credit with the group, Section A must still be completed to ensure the credit allowed for the member does not exceed the amount that would otherwise be allowed against the group tax liability.

Line 14 – Combined groups claiming multiple credits must list any credits already applied to the group tax liability to ensure accuracy of the calculation for maximum credit allowable.

Section B

This section is used to calculate the amount of credit allowable for members that choose not to share their credit with the group. Section B is completed based on the member's share of the group tax liability. The amount of the credit is also limited to the amount that would otherwise be allowed against the group tax liability if the member had been sharing the credit.

Line 19 – Members claiming multiple credits must list any credits already applied to the member's tax liability to ensure accuracy of the calculation for maximum credit allowable.
