Instructions for Form 336 Food Desert Relief Tax Credit

Purpose of this Form

Form 336 must be completed by any taxpayer that claims a Food Desert Relief Tax Credit (N.J.S.A. 34:1B-303 et seq.) against the tax due pursuant to N.J.S.A. 54:10A-5. The Food Desert Relief Tax Credit Program has two different tax credits, one for supermarkets and grocery stores in food deserts, and one for providing funding at New Jersey Economic Development Authority auction for grant and loan funding for the program.

The credit is available for the first or second new supermarket or grocery store located in a designated food desert community. Credits that are awarded to eligible taxpayers that are a supermarket or grocery store (pursuant to N.J.S.A. 34:1B-307) are taken over a four-year period at the rate of 25% of the total amount of the credit each year beginning with the privilege period in which the store is opened for business.

Credits that are sold by the New Jersey Economic Development Authority via auction for grant and loan funding for the program (pursuant to N.J.S.A. 34:1B-306) are taken in the privilege period purchased.

The credit cannot reduce the tax liability below the statutory minimum tax. Credits that are awarded to eligible taxpayers can be carried forward for up to 10 tax years. Credits sold by the New Jersey Economic Development Authority via auction can be carried forward for 7 years.

Parts III and IV are used to calculate the allowable credit and carryforward. Taxpayers filing Forms CBT-100 or CBT-100S complete Part III and CBT-100U filers complete Part IV.

Taxpayers that purchased the tax credit through the Economic Development Authority tax benefit transfer program may also claim the credit using this form and are bound by the rules and limitations in the applicable credit transfer statute for the credit program.

Taxpayers may sell back tax credits to the state under the Division of Taxation tax credit purchase program. For more information, see [Director's Tax Credit Purchase Program](#).

Combined Return Filers

If filing a combined return, this form must be completed by the member that earned (purchased) the credit. All combined return filers must check the combined return filers box at the top of the form and complete Part IV, Section A.

Members Opting Not to Share. In general, tax credits are earned by a member of the combined group and are shareable with the combined group. However, members are not required to share their credits. See N.J.S.A. 54:10A-4.6.i and TB-90(R), *Tax Credits and Combined Returns*. In addition to Section A, members that choose not to share must also complete Part IV, Section B and fill in the oval at the top of the form to indicate they are not sharing the credit.

Taxpayers must include the appropriate credit form in the year the credit was earned even if they are not claiming the credit on their tax return.

Part I – Qualifications

To be eligible for the tax credit, the answer to questions 1 and 2 must be “YES.” If the answer to question 1 or 2 is “NO,” the taxpayer is not entitled to the Food Desert Relief Tax Credit.

A completed Form 336 must be included with the CBT-100, CBT-100S, or CBT-100U return to validate the claim. A copy of the tax credit certificate and a copy of the completed Form 336 must be submitted by mail to the New Jersey Division of Taxation, CBT Refunds/Tax Credits, PO Box 259, Trenton, NJ 08695-0259. Failure to submit this documentation by mail will result in the delay and/or denial of the tax credit claimed.

Part II – Calculation of Available Credit

Line 3 – Enter the amount of the approved Food Desert Relief Tax Credit that is applied to the privilege period covered by the Corporation Business Tax return.

Part III – Calculation of the Allowable Credit and Carryforward (for CBT-100 and CBT-100S Filers only)

For CBT-100 and CBT-100S filers, the allowable Food Desert Relief Tax Credit is calculated in Part III. Combined return filers do not complete Part III, and must complete Part IV instead. The amount of this credit in addition to the amount of any other tax credits taken cannot exceed an amount that would reduce the total tax liability below the statutory minimum.

Line 7 – The minimum tax is assessed based on the New Jersey Gross Receipts as follows:

| New Jersey Gross Receipts | CBT-100 | CBT-100S |
|---|---------|----------|
| Less than \$100,000 | \$500 | \$375 |
| \$100,000 or more but less than \$250,000 | \$750 | \$562 |
| \$250,000 or more but less than \$500,000 | \$1,000 | \$750 |
| \$500,000 or more but less than \$1,000,000 | \$1,500 | \$1,125 |
| \$1,000,000 or more | \$2,000 | \$1,500 |

If a taxpayer is filing a separate return and is a member of an affiliated or controlled group that has a total payroll of \$5,000,000 or more for the return period, the minimum tax is \$2,000. Tax periods of less than 12 months are subject to the higher minimum tax if the prorated total payroll exceeds \$416,667 per month. The minimum tax is \$2,000 for each member of a combined group that has nexus with New Jersey.

Line 9 – Taxpayers claiming multiple credits must list any credits already applied to the tax liability to ensure accuracy of the calculation for maximum credit allowable.

Part IV – Calculation of the Allowable Credit Amount and Carryforward for Combined Return Filers

For CBT-100U filers, the total and allowable Food Desert Relief Tax Credit for the current year is calculated in Part IV. All combined return filers must complete Section A. Members that choose not to share their credit must also complete Section B.

Section A – To be completed by ALL combined return filers

This section calculates the amount of credit allowable for the group. If a member chooses not to share their credit with the group, Section A must still be completed to ensure the credit allowed for the member does not exceed the amount that would otherwise be allowed against the group tax liability.

The amount of the credit calculated in this section cannot reduce the tax liability to an amount less than the aggregate statutory minimum tax of the group members.

Line 16 – Combined groups claiming multiple credits must list any credits already applied to the group tax liability to ensure accuracy of the calculation for maximum credit allowable.

Section B

This section is used to calculate the amount of credit allowable for members that choose not to share their credit with the group. Section B is completed based on the member's share of the group tax liability. The amount of the credit calculated in this section cannot reduce the tax liability to an amount less than \$2,000. The amount of the credit is also limited to the amount that would otherwise be allowed against the group tax liability if the member had been sharing the credit.

Line 23 – Members claiming multiple credits must list any credits already applied to the member's tax liability to ensure accuracy of the calculation for maximum credit allowable.
