

NIKITA MOORE

New Jersey Division of Taxation
Stakeholder Liaison

Outreach.Tax@treas.nj.gov

Nikita Moore began her career with the State of New Jersey in 2018 at the Department of Transportation, working as a Communications Operator in the Emergency Communications Department. In this role, she assisted both the public and emergency personnel in responding to incidents on state roadways.

In 2021, she transitioned to the Division of Taxation, where she joined the Business Audit Department as a Clerk Typist. There, she developed a strong foundation in New Jersey business tax procedures, helped taxpayers navigate the online business portal, and provided guidance on business dissolution and reinstatement processes. In 2022, she was promoted to **Technical Assistant**, continuing her clerical responsibilities while taking on additional tasks to support department operations.

That same year, Nikita volunteered to assist with the ANCHOR program, helping taxpayers file their applications and access critical resources. Her dedication to helping others sparked an interest in public engagement, leading her to volunteer at Outreach events in early 2025. In May 2025, she officially joined the Division of Taxation's Stakeholder Liaison and Community Relations team.

Nikita is passionate about public service and is committed to supporting and educating New Jersey residents through clear communication and compassionate assistance.
