Waiver of Shared Responsibility Payment

You are required to make a shared responsibility payment for the months that you and any family members did not have minimum essential health coverage or a coverage exemption. The shared responsibility payment is often more than the cost of a health plan on GetCoveredNJ.

If you fill in the "Yes" oval at Step 3, and you and any uninsured members of your household enroll in minimum essential health coverage and keep that coverage in place for the remainder of the year, any shared responsibility payment assessed on your 2025 NJ-1040 will be waived. However, if you do not enroll in and maintain minimum essential health coverage, any waived shared responsibility payment will be reinstated. If you fill in the "No" oval at Step 3, the shared responsibility payment will not be waived and you will be responsible for paying any amount due.
