He introduced himself and made the following statement: *"I wish to announce that adequate notice of today's meeting has been provided in accordance with the Open Public Meetings Act. Notice was filed with the Secretary of State. This notice was also e-mailed and mailed to five newspapers of general distribution (The Trentonian, Trenton Times, Courier Post, Star Ledger, and the Atlantic City*

Press); posted on the Authority's website and posted in the main entrance of the New Jersey Department of Transportation's Headquarters."

Secretary Raquel Rangel called the roll. The following Board members acknowledged their presence: Francis O'Connor, Robert Briant, Jr., Nelson Ferreira, Gregory Lalevee, and Anthony Longo. Due to audio malfunction, Board Member Jack Kocsis was advised to call in to the meeting so he could verbally acknowledge his presence. Secretary Raquel Rangel confirmed that a quorum was present.

Chairperson Francis O'Connor reminded Board members to identify themselves before making or seconding a motion due to the virtual setting of the meeting.

Chairperson Francis O'Connor reminded everyone that public comment will be limited to three minutes per person, members of the public may speak on topics related to the NJTTFA, and they should identify themselves before they begin.

Chairperson Francis O'Connor opened the floor for public comment.

Board Member Jack Kocsis acknowledged his presence.

There were no public comments.

Chairperson Francis O'Connor called the first order of business by restating that the minutes of the June 20, 2024 Board Meeting of the Authority are currently pending Governor's approval. Therefore, the resolution to approve these minutes, found in Item C of the agenda package, will be deferred for a future meeting.

Chairperson Francis O'Connor stated that the remaining agenda items for this meeting pertain to a proposed refunding transaction under consideration for September 2024. The Board discussed this matter at the last meeting but did not take formal action in order to allow time for consideration. He called upon David McCarthy from BofA Securities, senior managing

underwriter for the transaction, to provide an overview of the transaction along with a market update.

David McCarthy stated: *“First, I would like to thank the State and the Authority for the opportunity to work with the group on this important transaction; we greatly appreciate it. As a reminder from the transaction overview presented at last month’s meeting, the overall goal of the transaction is to use opportunities to refund outstanding debt of the Authority to re-shape the debt profile and increase the amount of projects funded with pay-as-you-go during the reauthorization period. While market conditions can change, we expect that this transaction will result in between \$900 million and \$1 billion of additional pay-as-you-go funding through Fiscal Year 2029, saving the Authority between \$2.2 billion and \$2.4 billion in debt service. As required under the NJTTFA Act, the transaction will produce positive present value savings (approximately \$87 million in the current market) and will also meet the Treasurer’s 3-pronged refunding test – positive present value savings, positive gross savings and no extension of final maturity. The transaction is currently anticipated to include four series of bonds – two System and two Program, with each credit comprised of a tax-exempt series and a taxable series. In aggregate, these four series will accomplish a current refunding of bonds with call dates in the near future, fund a tender offer on certain outstanding bonds, and fund a taxable advance refunding of other outstanding bonds – all with the goal of maximizing the amount of pay-as-you-go used to fund projects during the reauthorization. Since last month’s meeting, I can report that current financial markets continue to be supportive of primary issuances including the Authority’s upcoming offering. Over this time period, interest rates have decreased by between 3 basis points and 26 basis points across the curve with the near-term maturities seeing the largest decreases.”*

Board Member Khalid Anjum joined the meeting and acknowledged his presence.

David McCarthy continued: *“The one spot on the curve with the least interest seems to be the very long end which is not a concern for this transaction because we will be offering most of the Authority’s bonds well inside of the longer maturities. A good recent example of a large transaction in the marketplace is yesterday’s NYC Transitional Finance Authority transaction. Originally a \$2.1 billion transaction, it was increased by \$400 million and interest rates were decreased by up to 6 basis points based on strong demand from the market.”*

The floor was opened for questions and discussion.

There being no further discussion, Chairperson Francis O’Connor moved on to the next order of business: the approval of the Authority’s Thirty-Fourth Supplemental Transportation System Bond Resolution that authorizes the Authority to issue the Transportation System Bonds, 2024 Series A and 2024 Series B. The Board discussed this matter at the last meeting but did not take formal action in order to allow time for consideration. He called upon Tricia Gasparine of CSG Law, co-Bond Counsel to the Authority, to provide a brief overview of the resolution.

Tricia Gasparine stated: *“The Thirty-Fourth Supplemental Resolution authorizes the issuance of one or more Series of Transportation System Bonds (the “Refunding Bonds”) in an aggregate principal amount not exceeding \$1,787,500,000 for the purposes of refunding certain of the Authority’s Outstanding Transportation System Bonds, including Bonds that have been tendered to the Authority for purchase, and paying costs of issuance of the Refunding Bonds, including any tender offer transaction costs. The Resolution provides that the true interest cost of each series of Refunding Bonds shall not exceed seven percent (7.00%) per annum and that the Refunding Bonds shall mature no later than June 15, 2042. The Resolution authorizes a negotiated sale of the Refunding Bonds to BofA Securities, Inc., as Manager, appoints BofA Securities, Inc.*

as the dealer manager in connection with the Tender Offer, and authorizes other matters in connection therewith, including the distribution of a Preliminary Official Statement, the execution and delivery of an Invitation to Tender, Dealer Manager Agreement, Bond Purchase Contract, Escrow Deposit Agreements, and a Continuing Disclosure Agreement, as applicable. Chairperson Francis O'Connor moved on to the next order of business: the approval of the Fifteenth Supplemental Transportation Program Bond Resolution that authorizes the Authority to issue the Transportation Program Bonds, 2024 Series AA and 2024 Series BB. The Board discussed this matter at the last meeting but did not take formal action in order to allow time for consideration. He called upon Tricia Gasparine of CSG Law, co-Bond Counsel to the Authority, to provide a brief overview of the resolution.

Tricia Gasparine stated: *“The Fifteenth Supplemental Resolution authorizes the issuance of one or more series of Transportation Program Bonds (the “Refunding Bonds”) in an aggregate principal amount not exceeding \$1,462,500,000 for the purposes of refunding certain of the*

Authority's Outstanding Transportation Program Bonds, including Bonds that have been tendered to the Authority for purchase, and paying costs of issuance of the Refunding Bonds, including any tender offer transaction costs. The Board discussed this matter at the last meeting but did not take formal action in order to allow time for consideration. He called

upon Anthony Longo, Deputy Director of the Office of Public Finance, to provide a brief overview of this resolution.

The resolution authorizes the authority to submit their request which contains a summary of the transaction.”*

The Series 2024 Refunding Bonds shall be designated as “Transportation System Bonds” and shall be further distinguished by the designation of the year of issue and the letter of the Series, as such designation may be determined by an Authorized Authority Official in the Series Certificate with the first such Series of Series 2024 Refunding Bonds being designated “2024 Series A”. The Series 2024 Refunding Bonds may be issued and sold in one or more sub-Series as may be provided in the Series Certificate.

(b) Notwithstanding anything contained herein to the contrary, in accordance with Section 9(o) of the Act, no Series 2024 Refunding Bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal of and interest on the Series 2024 System/Program Refunding Bonds is less than the present value of the aggregate principal of and interest on the Refunded System/Program Bonds, except that, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of the Series 2024 System/Program Refunding Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of the Series 2024 System/Program Refunding Bonds.

Underwriter in connection with each Series of the Series 2024 Refunding Bonds herein authorized and, upon recommendation of the Treasurer based upon Treasury's competitive RFP/Rfq process and in accordance with Executive Order 26, an Authorized Authority Official is hereby authorized to select additional co-senior managers and co-managers for each Series of the Series 2024 Refunding Bonds. (e) Prior to the issuance of the first Series of Series 2024 Refunding Bonds, to make such revisions to this Thirty-Fourth Supplemental Resolution as may be requested by any Rating Agency in connection with its respective rating of such Series of Series 2024 Refunding Bonds, or by the issuer of any municipal bond insurance policy insuring any of the Series 2024 Refunding Bonds, provided such revisions, if any, shall be set forth in the Series Certificate for such Series of the Series 2024 Refunding Bonds.

(f) To file with the Trustee a copy of this Thirty-Fourth Supplemental Resolution certified by an Authorized Authority Official, along with an opinion of Bond Counsel, which filing is required by Article X of the Resolution.

(h) To determine the application of the proceeds of each Series of the Series 2024 Refunding Bonds in accordance with the provisions of Section 2.2 hereof.

(i) To determine the Series, maturities and/or sinking fund installments within a Series and the principal amounts within each maturity of the Refunded Bonds that are to be refunded with the proceeds of each Series of the Series 2024 Refunding Bonds, including by means of a Tender Offer, and, if applicable, to give notice to the Trustee, pursuant to the Resolution, directing the optional redemption of any such Refunded Bonds to be redeemed, and to determine the amounts to be credited toward each sinking fund installment to become due (if other than pro rata) in the case of any partial refunding of Refunded Bonds of any Series and maturity for which sinking fund redemption provisions shall have been established; provided, however, that no Series 2024 Refunding Bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal of and interest on the Series 2024 System/Program Refunding Bonds is less than the present value of the aggregate principal of and interest on the Refunded System/Program Bonds, except that, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of the Series 2024 System/Program Refunding Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of the Series 2024 System/Program Refunding Bonds.

(j) To purchase one or more policies of municipal bond insurance with respect to any or all of the maturities of each Series of the Series 2024 Refunding Bonds if an Authorized Authority Official determines that such policy or policies of municipal bond insurance are necessary or desirable to achieve the economic objectives of the Authority, to include in the Series Certificate for such Series of the Series 2024 Refunding Bonds such provisions relating to the insurance policy or policies as such Authorized Authority Official, with the advice of Bond Counsel and the State Attorney General, deems appropriate and to include on the form of any Series 2024 Refunding Bond which is insured by a municipal bond insurance policy a statement of insurance in the form requested by the issuer of such municipal bond insurance policy. The cost of any such policy or policies of municipal bond insurance may be paid from the proceeds of the applicable Series of the Series 2024 Refunding Bonds.

(k) To purchase, or cause the Escrow Agent to purchase, United States Treasury Securities - State and Local Government Series with a portion of the proceeds of each Series of the Series 2024 Refunding Bonds in connection with the refunding of any Refunded Bonds (that are not Tendered Refunded Bonds), and, in the event that such Authorized Authority Official determines that it is necessary or advantageous to the Authority to purchase other Federal Securities in which a portion of the proceeds of each Series of the Series 2024 Refunding Bonds may be invested in connection with the refunding of any Refunded Bonds, to select and appoint a firm, through a competitive RFP process, to serve as bidding agent to solicit bids to purchase such other Federal Securities and to purchase, or cause the Escrow Agent to purchase, such other Federal Securities and to take all other actions as may be necessary or advisable to effectuate the redemption of all or a portion of the Refunded Bonds in accordance with the provisions of the Resolution.

(l) To determine the application of the balance of moneys, if any, remaining in the Escrow Fund (as defined in the Escrow Deposit Agreement), subject to the provisions of the Escrow Deposit Agreement.

(m) To prepare, execute and submit an application for one or more ratings by the Rating Agencies for the Series 2024 Refunding Bonds, and to include in the Series Certificate for the Series 2024 Refunding Bonds such provisions relating to the rating(s) as an Authorized Authority Official, with the advice of Bond Counsel and the State Attorney General, deems appropriate. The cost of any such rating(s) may be paid from the proceeds of such Series of the Series 2024 Refunding Bonds.

(n) To enter into such agreements and to open such accounts with DTC as may be necessary or desirable to effectuate a Tender Offer.

All matters determined by an Authorized Authority Official under the authority of this Thirty-Fourth Supplemental Resolution shall constitute and be deemed matters incorporated into this Thirty-Fourth Supplemental Resolution and approved by the Authority, and whenever an Authorized Authority Official is authorized, directed or delegated the power to take or refrain from taking any action pursuant to this Thirty-Fourth Supplemental Resolution with or upon the advice, consent or consultation with or by any other person, agency, office or official, a certificate of such Authorized Authority Official may be relied upon as being determinative that such advice, consultation or consent has in fact occurred and that such actions or omissions of the Authorized Authority Official are valid and binding.

2.10. Denomination, Numbers and Letters.

Each Series of the Series 2024 Refunding Bonds shall be issued in fully registered form in the denominations of \$5,000 or any integral multiple thereof, or as otherwise set forth in the applicable Series Certificate. Unless the Authority shall otherwise direct, each Series of the Series 2024 Refunding Bonds shall be lettered and numbered from one upward preceded by the letter "R" prefixed to the number. Subject to the provisions of the Resolution, the form of the Series 2024 Refunding Bonds and the Trustee's Certificate of Authentication thereon shall be substantially in the form set forth in Section 2.14 of this Thirty-Fourth Supplemental Resolution.

2.11. Redemption.

Each Series of the Series 2024 Refunding Bonds may be subject to redemption prior to maturity as provided in the applicable Series Certificate.

2.12. Book-Entry Only System.

1. Except as provided in subparagraph (3) of this Section 2.12, the registered Holder of all of the Series 2024 Refunding Bonds shall be, and the Series 2024 Refunding Bonds shall be registered in the name of, Cede & Co., as nominee of DTC. With respect to the Series 2024 Refunding Bonds for which Cede & Co. shall be the registered Holder, payment of interest on such Series 2024 Refunding Bonds shall be made by wire transfer of same day funds to the account of Cede & Co. on the Interest Payment Dates for the Series 2024 Refunding Bonds at the address indicated for Cede & Co. in the registration books of the Authority kept by the Trustee, as Bond Registrar.

2. The Series 2024 Refunding Bonds of each Series shall be initially issued in the form of a separate fully registered bond in the amount of each separate maturity. Upon initial issuance, the ownership of each such Series 2024 Refunding Bond shall be registered on the registration books of the Authority kept by the Trustee in the name of Cede & Co. With respect to Series 2024 Refunding Bonds so registered in the name of Cede & Co., the Authority and the Trustee shall have no responsibility or obligation to any DTC participant, indirect DTC participant, or any beneficial owner of a Series 2024 Refunding Bond. Without limiting the immediately preceding sentence, the Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC participant or indirect DTC participant with respect to any beneficial ownership interest in a Series 2024 Refunding Bond, (ii) the delivery to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any notice with respect to a Series 2024 Refunding Bond, or (iii) the payment to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any amount with respect to the principal of, redemption premium, if any, or interest on a Series 2024 Refunding Bond. The Authority and the Trustee may treat DTC as, and deem DTC to be, the absolute registered Holder of each Series 2024 Refunding Bond for the purpose of (i) payment of the principal of, redemption premium, if any, and interest on each such Series 2024 Refunding Bond, (ii) giving notices with respect to the Series 2024 Refunding Bond, (iii) registering transfers with respect to a Series 2024 Refunding Bond and (iv) for all other purposes whatsoever. The Trustee shall pay the principal of, redemption premium, if any, and interest on each Series 2024 Refunding Bond only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to such principal and interest to the extent of the sum or sums so paid. No person other than DTC shall receive a Series 2024 Refunding Bond evidencing the obligation of the Authority to make payments of principal and interest thereon pursuant to this Thirty-Fourth Supplemental Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the words "Cede & Co." in this Thirty-Fourth Supplemental Resolution shall refer to such new nominee of DTC.

3. (a) DTC may determine to discontinue providing its services with respect to a particular Series of the Series 2024 Refunding Bonds at any time by giving written notice to the Authority and discharging its responsibilities with respect thereto under applicable law. Upon receipt of such notice, the Authority shall promptly deliver a copy of same to the Trustee.

(b) The Authority, (i) in its sole discretion and without the consent of any other person, may discontinue the use of book-entry-only transfer through DTC (or a successor securities depository) with respect to a particular Series of the Series 2024 Refunding

Bonds, in which event certificates for such Series 2024 Refunding Bonds shall be printed and delivered to DTC, and (ii) shall terminate the services of DTC with respect to a particular Series of the Series 2024 Refunding Bonds upon receipt by the Authority and the Trustee of written notice from DTC to the effect that DTC has received written notice from DTC participants or indirect DTC participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding Series 2024 Refunding Bonds of such Series to the effect, that (A) DTC is unable to discharge its responsibilities with respect to such Series 2024 Refunding Bonds; or (B) a continuation of the requirement that all of the Outstanding Series 2024 Refunding Bonds of such Series be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Series 2024 Refunding Bonds of such Series.

(c) Upon the termination of the services of DTC with respect to the Series 2024 Refunding Bonds of a Series pursuant to subsection 2.12(3)(b)(ii)(A) hereof, or upon the discontinuance or termination of the services of DTC with respect to the Series 2024 Refunding Bonds of such Series pursuant to subsection 2.12(3)(a) or 2.12(3)(b)(ii)(B) hereof, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, such Series 2024 Refunding Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Holders of such Series 2024 Refunding Bonds transferring or exchanging such Series 2024 Refunding Bonds shall designate, in accordance with the provisions of the Resolution. Upon the determination by any party authorized herein that the Series 2024 Refunding Bonds of such Series shall no longer be limited to book-entry only form, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such Series 2024 Refunding Bonds from such book-entry only form to a fully registered form.

4. Notwithstanding any other provision of this Thirty-Fourth Supplemental Resolution to the contrary, so long as any Series 2024 Refunding Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, redemption premium, if any, and interest on, and all notices with respect to, such Series 2024 Refunding Bond shall be made and given, respectively, to DTC as provided in the Letter of Representations of the Authority and the Trustee, addressed to DTC, with respect to the applicable Series of Series 2024 Refunding Bonds.

5. In connection with any notice or other communication to be provided to Holders of the Series 2024 Refunding Bonds of any Series pursuant to the Resolution by the Authority or the Trustee with respect to any consent or other action to be taken by such Holders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

6. The Authority hereby authorizes the Treasurer, by and on behalf of the Authority, and in consultation with an Authorized Authority Official, to determine from time to time, subject to confirmation and ratification by the Authority, whether or not it is advisable for the Authority to continue the book-entry system or to replace DTC with another qualified securities depository as successor to DTC.

2.13. Application of Proceeds of the Series 2024 Refunding Bonds.

The proceeds of each Series of the Series 2024 Refunding Bonds shall be applied as set forth in the applicable Series Certificate with respect to such Series, subject to the following provisions:

1. In the event an Authorized Authority Official determines to purchase one or more policies of municipal bond insurance and/or commitments for municipal bond insurance as authorized pursuant to Section 2.9(j) of this Thirty-Fourth Supplemental Resolution, there shall be sent by wire transfer directly from the Senior Managing Underwriter to the provider of such policy or policies of municipal bond insurance, an amount as shall be specified in the applicable Series Certificate constituting the premium for such policy or policies;

2. (a) With respect to Refunded Bonds to be purchased by means of a Tender Offer, there is hereby established a special account to be known as the "Tendered Bonds Purchase Account" in the Debt Service Fund established under the Resolution. There shall be deposited in the Tendered Bonds Purchase Account a portion of the proceeds of each Series of the Series 2024 Refunding Bonds in the amount specified in the applicable Series Certificate, such amount to be applied to pay the purchase price of and accrued interest on the Refunded Bonds to be purchased by means of such Tender Offer;

(b) In the event that the Refunded Bonds are not purchased by means of a Tender Offer, there shall be paid to the Escrow Agent, for deposit into the Escrow Fund a portion of the proceeds of such Series of the Series 2024 Refunding Bonds in the amount specified in the applicable Series Certificate; and

3. There shall be deposited in the Transportation Improvement Fund established under the Resolution in a special account hereby established therein with respect to each Series of the Series 2024 Refunding Bonds, to be known as the "2024 Series [Letter Designation] Bonds Transportation System Improvement Account," which may be combined with any other moneys in the Transportation Improvement Fund for purposes of investment, such amount as may be designated by an Authorized Authority Official to be applied to the payment of the costs of issuance of the applicable Series of the Series 2024 Refunding Bonds, including any Tender Offer Transaction Costs, as specified in the applicable Series Certificate.

2.14. Form of the Series 2024 Refunding Bonds and Trustee's Certificate of Authentication.

Subject to the provisions of the Resolution, the form of each Series of the Series 2024 Refunding Bonds and the Trustee's Certificate of Authentication thereon shall be of substantially the following tenor:

As provided in the Resolution, the 2024 Series ___ Bonds and all other bonds issued under the Resolution on a parity with the 2024 Series ___ Bonds (herein collectively called the "Bonds") are direct and special obligations of the Authority payable solely from and secured as to payment of the principal and Redemption Price thereof, and interest thereon, in accordance with their terms and the provisions of the Resolution, solely by the Pledged Property, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution. No such modification or amendment shall permit a change in the terms of redemption (including sinking fund installments) or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or Redemption Price thereof or in the rate of interest thereon without the consent of the holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written assent thereto.

ARTICLE III
AUTHORIZATION OF TENDER OFFER

3.1. Authorization of Tender Offer

(a) In lieu of calling any Refunded Bonds for redemption, an Authorized Authority Official is hereby authorized, with the written consent of the Treasurer, to purchase such Refunded Bonds by means of a Tender Offer. The purchase price and other details of such Tender Offer shall be as set forth in the Series Certificate.

(b) Notwithstanding any other provisions of this Thirty-Fourth Supplemental Resolution or any Series Certificate, all Tendered Refunded Bonds purchased by the Authority in a Tender Offer shall be surrendered by the Authority to the Trustee for cancellation and destruction. The Trustee is hereby authorized and directed to cancel and destroy all Tendered Refunded Bonds received by it.

(c) The purchase price for Tendered Refunded Bonds and any accrued and unpaid interest on such Tendered Refunded Bonds shall be paid from a portion of the proceeds of the Series 2024 Refunding Bonds. The purchase of Tendered Refunded Bonds from a portion of the proceeds of the Series 2024 Refunding Bonds and the surrender of such Tendered Refunded Bonds to the Trustee for cancellation shall constitute a refunding of the Tendered Refunded Bonds for all purposes of the Resolution and of the Act.

The General Bond Resolution, as amended and supplemented by the Thirty-Fourth Supplemental Resolution and the Series Certificate, is collectively referred to herein as the "Resolution." Capitalized terms used but not defined in this Purchase Contract shall have the meanings given to them in the Resolution or in the Official Statement (as hereinafter defined). U.S. Bank Trust Company, National Association, Edison, New Jersey, has been appointed trustee (the "Trustee") for obligations to be issued under the Resolution.

The 2024 Series Bonds are being issued for the purposes of paying or providing for the refunding and defeasance of the Refunded Bonds, including the purchase of Refunded Bonds by means of a Tender Offer, from the proceeds of the 2024 Series Bonds as set forth in the Series Certificate including costs of issuance of the 2024 Series Bonds, including any Tender Offer Transaction Costs.

For purposes of paragraph 3 hereof, the term "Underwriters" shall include the Manager on behalf of itself and the underwriters named in the bond purchase contract for the 2024 Program Bonds.

The Act provides for certain payments to be made from the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds (as defined in the Act) in the State General Fund to the Authority subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature (the "State Legislature") for such purpose. Pursuant to the Act, the Authority has entered into an agreement entitled "Fourth Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation System Bonds," dated as of October 3, 2018 (the "State Contract"), with the Treasurer (the "State Treasurer") of the State of New Jersey (the "State" or "New Jersey") and the Commissioner of the New Jersey Department of Transportation (the "Commissioner") to implement such payments and other arrangements provided for in the Act. All amounts payable under the State Contract are subject to and dependent upon appropriations being made from time to time by the State Legislature for such purpose. The State Legislature has no legal obligation to make any such appropriations.

NEITHER THE STATE NOR ANY POLITICAL SUBDIVISION THEREOF IS OBLIGATED TO PAY, AND NEITHER THE FAITH AND CREDIT NOR TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY TO THE LIMITED EXTENT SET FORTH IN THE RESOLUTION) IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE 2024 SERIES BONDS. THE 2024 SERIES BONDS ARE SPECIAL OBLIGATIONS OF THE AUTHORITY, PAYABLE SOLELY OUT OF PROPERTY PLEDGED UNDER THE RESOLUTION AND FROM ANY AMOUNTS OTHERWISE AVAILABLE UNDER THE RESOLUTION FOR PAYMENT OF THE 2024 SERIES BONDS. THE 2024 SERIES BONDS DO NOT NOW AND SHALL NEVER CONSTITUTE A CHARGE AGAINST THE GENERAL CREDIT OF THE AUTHORITY. THE AUTHORITY HAS NO TAXING POWER. NOTHING IN THE RESOLUTION SHALL BE CONSTRUED TO AUTHORIZE THE AUTHORITY TO INCUR

INDEBTEDNESS ON BEHALF OF OR IN ANY WAY OBLIGATE THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY TO THE LIMITED EXTENT SET FORTH IN THE RESOLUTION).

Subject to the provisions of Section 3 hereof, the Underwriters hereby agree to make an initial public offering of the 2024 Series Bonds, solely pursuant to the Official Statement, at the initial offering prices or yields set forth on the inside cover page of the Official Statement, reserving, however, the right to change such initial offering prices or yields as the Underwriters shall deem necessary in connection with the marketing of the 2024 Series Bonds and to offer and sell the 2024 Series Bonds to certain dealers (including dealers depositing the 2024 Series Bonds into investment trusts) at concessions to be determined by the Underwriters. In accordance with L. 2005, c. 92, the Underwriters agree that all services performed under this Purchase Contract or any subcontract under this Purchase Contract shall be performed within the United States.

In addition, the Underwriters agree that the allocation of 2024 Series Bonds and fees received by each member of the underwriting syndicate, if applicable, shall be reported to the Authority within thirty (30) days after the Closing (as hereinafter defined) of the 2024 Series Bonds. The parties agree and acknowledge that the failure by the Underwriters to comply with the provisions of this paragraph will not void the sale hereunder of the 2024 Series Bonds or otherwise constitute a default or breach by the Underwriters hereunder.

(b) Executive Order No. 9 (Codey 2004) Compliance. Pursuant to Executive Order No. 9 (Codey 2004) ("Executive Order No. 9"), dated and effective as of December 6, 2004, it is the policy of the State that in all cases where bond underwriting services are or may be required by the State or any of its departments, agencies or independent authorities, such department, agency or independent authority shall deal directly with the principals of the underwriting firms or their registered lobbyists. The department, agency, or independent authority shall not discuss, negotiate, or otherwise interact with any third-party consultant, other than the principals of underwriting firms and their registered lobbyists, with respect to the possible engagement of the firm to provide bond underwriting services. Compliance with Executive Order No. 9 is a material term and condition of this Purchase Contract and is binding upon the parties hereto, including all of the Underwriters.

(c) Compliance with L. 2005, c. 271. The Manager hereby acknowledges for itself, and, based upon the representations and warranties received by the Manager from the other Underwriters under the Agreement Among Underwriters, dated September __, 2024 (the "AAU"), for the other Underwriters, that each Underwriter has been advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission ("ELEC") pursuant to N.J.S.A. 19:44A-20.13 (L. 2005, c. 271, section 3) if such Underwriter enters into agreements or contracts, such as this Purchase Contract, with a public entity, such as the Authority, and receives compensation or fees in excess of \$50,000 or more in the aggregate from public entities, such as the Authority, in a calendar year. It is the Underwriters' responsibility to determine if filing is necessary. Failure to do so can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

2. **Good Faith Deposit.** The Manager herewith delivers, as a good faith deposit, either a corporate check payable to the order of the Authority or a wire transfer of federal funds in the amount of \$_____ (the "Good Faith Deposit") as security for the performance by the Underwriters of their obligation to accept and pay for

the 2024 Series Bonds at the Closing in accordance with the provisions of this Purchase Contract. In the event that the Authority does not accept this offer, the Good Faith Deposit shall be immediately returned to the Manager. If said Good Faith Deposit is in the form of a check, such check shall be held uncashed by the Authority, subject to the provisions of the last paragraph of this Section 2. No interest shall be deemed earned by or payable to the Underwriters on the Good Faith Deposit. Concurrently with the delivery of and payment for the 2024 Series Bonds at the Closing, the Good Faith Deposit shall be returned to the Manager, or, if agreed to by the parties hereto, retained by the Authority and applied as a credit against the total Purchase Price to be paid by the Underwriters.

Upon the Authority's failure to deliver the 2024 Series Bonds at the Closing, or if the conditions to the obligations of the Underwriters contained in this Purchase Contract are not satisfied or waived by the Manager, or if such obligations shall be terminated for any reason permitted by this Purchase Contract, the Good Faith Deposit shall be immediately returned to the Manager and such return shall constitute a full release and discharge of all claims and rights hereunder of the Underwriters against the Authority.

In the event that the Underwriters fail (other than for a reason permitted under this Purchase Contract) to accept and pay for the 2024 Series Bonds at the Closing, the Good Faith Deposit shall be retained by the Authority as and for full, liquidated damages for such failure and as and for all defaults hereunder on the part of the Underwriters, and thereupon all claims and rights hereunder of the Authority against the Underwriters shall be fully released and discharged. Notwithstanding anything to the contrary contained herein, the respective obligations of the Authority and the Underwriters for the payment of expenses set forth in Section 10 hereof shall survive any such termination.

3. **Establishment of Issue Price.** The Manager, on behalf of the Underwriters, agrees to assist the Authority in establishing the issue price of the Tax-Exempt 2024 Series Bonds and shall execute and deliver to the Authority at the Closing an "issue price" or similar certificate signed by an authorized representative of the Manager, in substantially the form attached hereto as Exhibit F, in final form and substance satisfactory to Chiesa Shahinian & Giantomasi PC and M. Jeremy Ostow, Esq., as co-bond counsel to the Authority (collectively, "Bond Counsel") together with the supporting pricing wires or equivalent communications, with such modifications to such certificate as may be deemed appropriate or necessary, in the reasonable judgment of the Manager, the Authority and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Tax-Exempt 2024 Series Bonds or the "issue price" of the Tax-Exempt 2024 Series Bonds, as such term is defined in the Internal Revenue Code of 1986, as amended (the "Code"), and the Treasury Regulations, and such other information reasonably requested by Bond Counsel.

The Authority will treat the first price at which 10% of each maturity of the Tax-Exempt 2024 Series Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test).

[The Manager confirms that the Underwriters have offered the Tax-Exempt 2024 Series Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the “Initial Offering Price”), or at the corresponding yield or yields, set forth in Schedule II to this Purchase Contract and in the final Official Statement.] [INSERT HOLD THE OFFERING PRICE PROVISIONS IF NECESSARY]

The Underwriters acknowledge that sales of any Tax-Exempt 2024 Series Bonds to any person that is a related party to an Underwriter shall not constitute sales to the public for purposes of this Section 3. Additionally, for purposes of this Section 3:

(i) “public” means any person other than an Underwriter or a related party to an Underwriter,

(ii) “Underwriter” means (A) any entity listed on Schedule I to this Purchase Contract, and (B) any person that agrees pursuant to a written contract directly or indirectly with any entity described in clause (A) to participate in the initial sale of the Tax-Exempt 2024 Series Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Tax-Exempt 2024 Series Bonds to the public),

(iii) a purchaser of any of the Tax-Exempt 2024 Series Bonds is a “related party” to an Underwriter if the Underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(iv) “sale date” means the date of execution of this Purchase Contract by all parties.

4. **Official Statement.** The Authority has previously authorized the distribution of the Preliminary Official Statement, dated September __, 2024 relating to the 2024 Series Bonds (the “Preliminary Official Statement”), and, by its execution of this Purchase Contract, has deemed such Preliminary Official Statement final for the purposes and within the meaning of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the provisions of the Securities Exchange Act of 1934, as amended (the “Rule”). The Authority will provide, within seven (7) business days after the date of this Purchase Contract (but no later than the date of the Closing), an electronic copy, subject to customary disclaimers regarding the transmission of electronic copies, of the final Official Statement relating to the 2024 Series Bonds (the “Official Statement”) to the Underwriters in the currently required designated format stated in Municipal Securities Rulemaking Board (“MSRB”) Rule G-32 and the EMMA Dataport Manual (as hereinafter defined). The Official Statement shall be substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Authority and the Underwriters and as are permitted by the Rule. By acceptance of this Purchase Contract, the Authority authorizes the use by the

Underwriters of the Official Statement in connection with the public offering and sale of the 2024 Series Bonds. Within one (1) business day after the receipt of the Official Statement from the Authority, but in no event later than the date of the Closing, the Manager shall, at its own expense, submit the Official Statement to EMMA (as hereinafter defined). The Manager will comply with the provisions of MSRB Rule G-32 as in effect on the date hereof, including, without limitation, the submission of Form G-32 and the Official Statement, and notify the Authority of the date on which the Official Statement has been filed with EMMA.

“EMMA” shall mean the MSRB’s Electronic Municipal Market Access system, or any other electronic municipal securities information access system designated by the MSRB for collecting and disseminating primary offering documents and information.

“EMMA Dataport Manual” shall mean the document(s) designated as such published by the MSRB from time to time setting forth the processes and procedures with respect to submissions to be made to the primary market disclosure service of EMMA by underwriters under MSRB Rule G-32.

In addition, the Manager will provide to the Authority the copy of the notice sent to all purchasers of the 2024 Series Bonds from the Underwriters advising them as to the manner pursuant to which such purchasers can obtain a copy of the Official Statement from EMMA and indicating to them that a printed copy of the Official Statement will be provided to them upon their request. The Authority agrees to provide the Underwriters with an amount of printed Official Statements in such quantities that the Underwriters may reasonably request; provided, that the number of copies the cost for which the Authority is responsible will not exceed 250 copies. Should the Underwriters require additional copies of the Official Statement, the Authority agrees to cooperate with the Underwriters in obtaining such copies, the cost of such additional copies to be borne by the Underwriters.

(vii) The Manager represents and warrants for itself, and in reliance upon the representations and warranties made by the other Underwriters to the Manager in the AAU, for the other Underwriters, that all information, certifications and disclosure statements previously provided in connection with L. 2005, c.51, as amended by L. 2023, c. 30 and Executive Order No. 333 (Murphy 2023) ("Executive Order No. 333") and as required by law, are true and correct as of the date hereof and that all such statements have been made with full knowledge that the Authority and the State shall rely upon the truth of the statements contained herein in engaging the Manager and the Underwriters in connection with this transaction. The Manager agrees to execute and deliver at Closing a "L. 2005, c.51 and Executive Order No. 333 Certification of No Change" in the form attached hereto as Exhibit C, and the Manager has agreed on behalf of itself and, in reliance upon the representations and warranties made by the other Underwriters to the Manager in the AAU, for the other Underwriters to continue to comply with the provisions of L. 2005, c. 51 and Executive Order No. 333 and as required by law,

during the term of this Purchase Contract and for so long as the Underwriters have any obligation under this Purchase Contract;

(viii) The Manager represents and warrants for itself, and in reliance upon the representations and warranties made by the other Underwriters to the Manager in the AAU, for the other Underwriters, that the information contained under the heading “UNDERWRITING” in the Preliminary Official Statement did not, as of the date thereof, and does not, as of the date hereof, contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading. The Manager agrees to execute and deliver at Closing (defined herein) a certificate in the form attached hereto as Exhibit G;

(ix) In accordance with Executive Order No. 9, the Manager certifies for itself and, in reliance upon the representations and warranties made by the other Underwriters to the Manager in the AAU, for the other Underwriters, that neither the Manager nor any of the other Underwriters has employed or retained, directly or indirectly, any consultant who will be paid on a contingency basis if the Authority engages such firm to provide underwriting services in connection with the 2024 Series Bonds;

(x) The Manager represents and warrants for itself, and in reliance upon the representations and warranties made by the other Underwriters to the Manager in the AAU, for the other Underwriters, that each Underwriter has complied with the requirements of N.J.S.A. 52:32-58 and has filed a certification with the Authority that it is not identified on the list of persons engaging in investment activities in Iran; and

(xi) The Manager represents and warrants for itself, and in reliance upon the representations and warranties made by the other Underwriters to the Manager in the AAU, for the other Underwriters, that in accordance with N.J.S.A. 52:32-60.1 et seq. (P.L. 2022, c. 3) each Underwriter has executed and delivered to the Authority a “Certification of Non-Involvement in Prohibited Activities in Russia or Belarus” in the form available at www.nj.gov/treasury/administration/pdf/DisclosureofProhibitedActivitesinRussiaBelarus.pdf certifying that it is not identified on the list of persons or entities engaging in prohibited activities in Russia or Belarus..

6. **Cooperation.** The Authority agrees to reasonably cooperate with the Manager and counsel to the Underwriters in any endeavor to qualify the 2024 Series Bonds for offering and sale under the securities or “Blue Sky” laws of such states as the Manager may request and will assist, if necessary, in continuing the effectiveness of such qualification so long as required for the distribution of the 2024 Series Bonds. The Authority consents to the use of the Official Statement by the Underwriters in obtaining such qualifications; provided, however, that the Authority shall not be required to consent to service of process or to file a written consent to suit or service of process. The Authority’s failure to consent to service of process or to file a written consent to suit or service of process shall not relieve the Underwriters of their obligation to purchase the 2024 Series Bonds under this Purchase Contract.

7. **Closing.** At 10:00 a.m. prevailing Eastern Time, on September __, 2024, or at such other time or on such earlier or later date as the Authority and the Manager mutually agree upon (herein called the “Closing”), the Authority will deliver or

cause to be delivered the 2024 Series Bonds to the Trustee, as custodian for The Depository Trust Company ("DTC"), for the account of the Underwriters. The Underwriters will accept delivery of the 2024 Series Bonds and pay the Purchase Price at the Closing in Federal Reserve Funds or other immediately available funds payable to the Authority or to the Trustee (or upon the Authority's direction to any other account). Simultaneously with the payment of the Purchase Price, the Underwriters shall pay \$50,000 (the "Retainage"), or cause the Retainage to be paid, to the Trustee, which Retainage shall be applied by the Trustee in accordance with the provisions of Section 10(d) hereof. It is anticipated that CUSIP identification numbers will be printed on the 2024 Series Bonds, but neither the failure to print such numbers on any 2024 Series Bond, nor any error with respect thereto, shall constitute cause for a failure or refusal by the Underwriters to accept delivery of and make payment for the 2024 Series Bonds in accordance with the terms of this Purchase Contract. The 2024 Series Bonds shall be printed on safety paper and delivered in the form of a single fully registered bond for each stated maturity of each Series and interest rate within a maturity of each 2024 Series Bond, registered in the name of and to be held by or on behalf of Cede & Co., as nominee of DTC. The 2024 Series Bonds will be made available to the Underwriters or their designee for review at the offices of Bond Counsel via electronic means, or at such other location as may be agreed upon by the Authority and the Manager, at least one (1) business day prior to the Closing. After execution by the Authority and authentication by the Trustee, the 2024 Series Bonds shall be transferred to and held in safe custody by the Trustee, on behalf of DTC, in accordance with its FAST procedures, subject to such conditions as may be agreed upon by the Authority and the Manager. In addition, the Authority and the Underwriters agree that there shall be a preliminary closing held at the office of Bond Counsel, or at such other location as may be agreed upon by the Authority and the Manager, commencing at least one (1) day prior to the Closing.

8. **Conditions Precedent to Closing.** The Underwriters have entered into this Purchase Contract in reliance upon the representations and agreements herein and the performance by the Authority of its obligations hereunder, both as of the date hereof and as of the date of Closing. 9. **Amendments and Supplements to the Official Statement.** The “end of the underwriting period” for the 2024 Series Bonds for all purposes of the Rule is the date of the Closing. During the period from the date hereof to and including a date which is twenty-five (25) days following the end of the underwriting period for the 2024 Series Bonds (as determined in accordance with this Section 9), the Authority will (a) not adopt any amendment of or supplement to the Official Statement to which, after having been furnished with a copy, the Manager shall reasonably object in writing, unless the Authority has obtained the written opinion of Bond Counsel, stating that such amendment or supplement is necessary in order to make the Official Statement not misleading in light of the circumstances existing at the time that it is delivered to the Manager, and (b) if any event relating to or affecting the Authority, the State or the 2024 Series Bonds shall occur as a result of which it is necessary, in the written opinion of Bond Counsel addressed to the Authority, to amend or to supplement the Official Statement in order to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered, forthwith prepare and furnish to the Manager, subject to customary disclaimers regarding the transmission of electronic copies, an electronic copy of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Authority and the Manager) in the currently designated format stated in MSRB Rule G-32, which will amend or supplement the Official Statement so that the Official Statement, as amended or supplemented, will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements and information contained therein, in light of the circumstances existing at the time the Official Statement is delivered to the Manager, not misleading. Within one (1) business day of the receipt of such amendment and supplement, the Manager shall, at its own expense, file such amendment and supplement with EMMA in accordance with Rule G-32 and will provide notice of such filing to the Authority. (iii) the fees and disbursements of Bond Counsel and any other experts or consultants retained by the Authority; (iv) the fees and disbursements of the Trustee and its counsel; and (v) the charges of the rating services and filing and listing fees.

(b) The Authority shall not be responsible for the payment of costs incurred by the Underwriters relating to any expenses incurred by them, including, without limitation, the fees and expenses of their counsel, "Blue Sky" filing fees or advertising expenses in connection with the public offering of the 2024 Series Bonds and the fees of Digital Assurance Certification, L.L.C. for a continuing disclosure undertaking compliance review, and the payment of the Underwriters' discount referred to in Section 1 hereof constitutes the only amount due to the Underwriters from the Authority in connection with the sale and issuance of the 2024 Series Bonds.

(c) In addition, the Manager shall not charge the Underwriters under the AAU or other similar agreement for a proportionate share of any expenses, unless the amount and type of such expenses have been approved in writing for such proportionate sharing by the State Treasurer.

(d) The Retainage paid by the Underwriters to the Trustee simultaneously with the payment of the Purchase Price shall be held by the Trustee until such time as the Manager has provided the Authority and the State Treasurer with all reports or other documents to which the Authority and the State Treasurer may be entitled to pursuant to the Resolution, this Purchase Contract or the other documents executed and delivered in connection herewith or therewith. Upon the delivery of written notice by the State Treasurer to the Trustee stating that the Underwriters have satisfied the condition set forth in the preceding sentence, the Trustee shall disburse the Retainage to the Underwriters.

Redemption Provisions

Optional Redemption. The 2024 Series A Bonds maturing on or after June 15, 203_ are subject to optional redemption prior to maturity at the option of the Authority, at any time on or after June 15, 203_, either in whole or in part, from maturities and, where applicable, interest rates within maturities, selected by the Authority at a Redemption Price equal to 100% of the principal amount of the 2024 Series A Bonds being redeemed, plus accrued interest thereon to the redemption date.

The 2024 Series B Bonds are subject to make-whole redemption prior to maturity by written direction of the Authority, in whole or in part, on any Business Day, at the "Make-Whole Redemption Price" (as hereinafter defined).

The "Make-Whole Redemption Price" is the greater of (i) 100% of the principal amount of the 2024 Series B Bonds being redeemed or (ii) the sum of the present value of the remaining scheduled payments of principal, plus accrued interest, if any, to the maturity date of the 2024 Series B Bonds being redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the 2024 Series B Bonds are redeemed, discounted to the date on which the 2024 Series B Bonds are redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the adjusted "Treasury Rate" (as hereinafter defined), plus __ basis points, plus, in each case, accrued and unpaid interest on the 2024 Series B Bonds being redeemed on the redemption date.

The “Treasury Rate” will be, as of the redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least five (5) Business Days prior to the redemption date (excluding inflation indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the maturity date of the 2024 Series B Bonds being redeemed; provided, however, that if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

The Make-Whole Redemption Price of the 2024 Series B Bonds being redeemed pursuant to the make-whole redemption provisions described above will be determined by an independent accounting firm, investment banking firm or financial advisor retained by the Authority at the Authority's expense to calculate such Make-Whole Redemption Price. The Trustee and the Authority may conclusively rely upon the determination of such Make-Whole Redemption Price by such independent accounting firm, investment banking firm or financial advisor, and neither the Trustee nor the Authority will be liable for such reliance.

Selection of 2024 Series Bonds to be Redeemed. If less than all 2024 Series Bonds are called for redemption, the Authority will select the maturity or maturities of the 2024 Series Bonds to be redeemed. If less than all of the 2024 Series Bonds of like maturity shall be called for prior redemption, the particular 2024 Series Bonds or portions of 2024 Series Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate. However, the portion of any 2024 Series Bond to be redeemed shall be in the principal amount of \$5,000 or any multiple thereof, and in selecting 2024 Series Bonds for redemption, the Trustee is required to treat each such 2024 Series Bond as representing that number of 2024 Series Bonds which is obtained by dividing the principal amount of such 2024 Series Bond by \$5,000. While the 2024 Series Bonds are in book-entry only form, DTC's practice is to determine by lot the amount of the interest of each Direct Participant (as such term is defined in APPENDIX VI to the POS) to be redeemed.

Adjustment of Sinking Fund Installments Upon Redemption of Bonds. Upon any purchase or redemption (other than mandatory sinking fund redemption) of the 2024 Series Bonds of any maturity for which sinking fund redemption provisions shall have been established, there shall be credited toward each such sinking fund installment thereafter to become due, unless otherwise directed by the Authority, an amount bearing the same ratio to such sinking fund installment as the total principal amount of such 2024 Series Bonds so purchased or redeemed bears to the total amount of all such sinking fund installments to be so credited.

Notice of Redemption

When the Trustee receives notice from the Authority of its election or direction to redeem the 2024 Series Bonds, and provided that the redemption of the 2024 Series Bonds is authorized or required pursuant to the Resolution, then the Trustee shall give notice, in the name of the Authority, of the redemption of such 2024 Series Bonds, which notice shall specify the maturities (and, if applicable, interest rates within a maturity) of the 2024 Series Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the 2024 Series Bonds of the same maturity are to be redeemed, the letters and numbers or other distinguishing marks of such 2024 Series Bonds to be so redeemed, and, in the case of 2024 Series Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2024 Series Bond to be redeemed the Redemption Price thereof, or, in the case of 2024 Series Bonds to be redeemed in part only, the Redemption Price of the specified portions of the principal amount of each 2024 Series Bond to be redeemed, together with interest accrued to the redemption date, shall become due and payable on the redemption date, and that from and after such redemption date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by the Trustee, postage prepaid, not less than twenty-five (25) days prior to the redemption date, to the registered owners of any 2024 Series Bonds or portions of 2024 Series Bonds that are to be redeemed, at their last addresses, if any, appearing upon the registry books. Such notice shall also be given by publication once a week for at least two (2) successive weeks in any Authorized Newspaper, the first such publication to be made not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. Failure of the registered owner of any 2024 Series Bonds that are to be redeemed to receive any such notice, or failure of the Authority to publish notice of redemption as provided in the immediately preceding sentence, shall not affect the validity of the proceedings for the redemption of 2024 Series Bonds.

So long as DTC is acting as securities depository for the 2024 Series Bonds, all notices of redemption required to be given to the registered owners of the 2024 Series Bonds will be given to DTC.

Transportation System Bonds, 2024 Series B (Federally Taxable)

Ladies and Gentlemen:

[I] [We] have acted as bond counsel in connection with the issuance of \$_____ aggregate principal amount of Transportation System Bonds, 2024 Series A (Tax-Exempt) (the “2024 A Series Bonds”) and \$_____ aggregate principal amount of Transportation System Bonds, 2024 Series B (Federally Taxable) (the “2024 Series B Bonds” and, together with the 2024 Series A Bonds, the “2024 Series Bonds”), by the New Jersey Transportation Trust Fund Authority (the “Authority”), a public body corporate and politic organized and existing under the laws of the State of New Jersey (the “State”) created pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, constituting Chapter 73 of the Laws of New Jersey of 1984, as amended and supplemented (the “Act”).

The 2024 Series Bonds are being issued under and pursuant to the Act, and under and pursuant to the Authority’s 1995 Transportation System Bond Resolution adopted by the Authority on June 15, 1995, as amended and supplemented (the “Bond Resolution”), including as supplemented by the Thirty-Fourth Supplemental Transportation System Bond Resolution adopted by the Authority on July 18, 2024 (the “Thirty-Fourth Supplemental Resolution”), and a Series Certificate of the Authority, dated the date hereof (the “Series Certificate”). The Bond Resolution, as amended and supplemented, including as supplemented by the Thirty-Fourth Supplemental Resolution, and, together with the Series Certificate, is referred to collectively herein as the “Resolution.” Capitalized terms used herein and not otherwise defined have the meaning given to such terms in the Resolution or the Bond Purchase Contract relating to the 2024 Series Bonds, dated September __, 2024 (the “Purchase Contract”), between the Authority and BofA Securities, Inc., as Manager, acting on behalf of itself and the other Underwriters named therein.

The 2024 Series Bonds are being issued for the purposes of paying or providing for the refunding and defeasance of the Refunded Bonds, including the purchase of Refunded Bonds by means of a Tender Offer, from the proceeds of the 2024 Series Bonds as set forth in the

Series Certificate, including costs of issuance of the 2024 Series Bonds, including any Tender Offer Transaction Costs.

The Act provides for certain payments to be made from the Transportation Trust Fund Account in the State General Fund to the Authority, subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature for such purpose. Pursuant to the Act, the Authority has entered into an agreement entitled “Fourth Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation System Bonds,” dated as of October 3, 2018 (the “State Contract”), with the State Treasurer and the Commissioner of the New Jersey Department of Transportation (the “Commissioner”) to implement such payments and other arrangements provided for in the Act.

In rendering the opinions set forth below, [I] [We] have examined such matters of law and documents, certificates, records and other instruments as [I] [We] have deemed necessary or appropriate to express the opinions set forth below, including, without limitation, the Act, original counterparts or certified copies of the Resolution, the State Contract, the Purchase Contract, the Escrow Deposit Agreement, the Continuing Disclosure Agreement and the other documents, certifications, instruments, opinions and records delivered in connection with the issuance of the 2024 Series Bonds. In rendering the opinions set forth below, [I] [We] have assumed and relied upon, with your permission, the genuineness of all signatures, the authenticity of all documents submitted to[me] [us]as originals and the conformity to the original documents of all documents submitted to[me] [us]as copies. As to any facts material to [my] [our] opinions, [I] [We] have relied, with your permission, upon the truthfulness, completeness and accuracy of the aforesaid instruments, certificates, opinions (other than the Attorney General’s opinion), records and other documents without any independent investigation or inquiry.

Based on the foregoing, I am of the opinion that:

(1) The Purchase Contract, the Escrow Deposit Agreement and the Continuing Disclosure Agreement have been duly authorized, executed and delivered by the Authority and constitute legal, valid and binding obligations of the Authority, enforceable against the Authority in accordance with their respective terms, except as the enforcement thereof may be affected by applicable bankruptcy, insolvency, moratorium or other similar laws or legal principles relating to the enforcement of creditors’ rights generally from time to time in effect and to the scope of equitable remedies which may be available.

(2) The Continuing Disclosure Agreement has been duly executed and delivered by the State Treasurer and constitutes a legal, valid and binding obligation of the State Treasurer, enforceable against the State Treasurer in accordance with its terms, except as the enforcement thereof may be affected by applicable bankruptcy, insolvency, moratorium or other similar laws or legal principles relating to the enforcement of creditors’ rights generally from time to time in effect and to the scope of equitable remedies which may be available.

(3) The information in the sections of the Official Statement (except for the financial, tabular and other statistical information included therein) entitled “INTRODUCTION,” “DESCRIPTION OF THE 2024 SYSTEM BONDS,” “SECURITY FOR THE 2024 SYSTEM BONDS,” “STATUTORY DEBT ISSUANCE LIMITATIONS,” “TRANSPORTATION PROGRAM BONDS,” “PLAN OF FINANCE,” “THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY – Legal Authority and Responsibilities,” “THE NEW JERSEY TRANSPORTATION

The statements on the front cover and contained in the sections of the Official Statement entitled “TAX MATTERS” insofar as such statements purport to summarize certain provisions of Federal and State tax law, regulations and rulings, are true and accurate summaries in all material respects of the provisions so summarized.

(4) The Authority has duly authorized the execution, delivery, and distribution of the Official Statement.

(5) The 2024 Series Bonds are not required to be registered under the Securities Act of 1933, as amended, and the Resolution is not required to be qualified under the Trust Indenture Act of 1939, as amended.

(6) All approvals, consents and orders of any governmental authority, board, agency or commission having jurisdiction (other than any Blue Sky or other state securities laws approvals) which constitute a condition precedent to the performance by the Authority of its obligations under the Purchase Contract and the 2024 Series Bonds, and its obligations under the Resolution and the State Contract relating to the 2024 Series Bonds, have been obtained and are in full force and effect.

The opinions expressed herein are based upon, and limited to, the laws and judicial decisions of the State, exclusive of conflicts of law provisions, and the federal laws and judicial decisions of the United States as of the date hereof and are subject to any amendment, repeal or other modification of the applicable laws or judicial decisions that served as the basis for our opinions, or laws or judicial decisions hereafter enacted or rendered. [My] [our] engagement by the Authority with respect to the opinions expressed herein does not require, and shall not be construed to constitute, a continuing obligation on [my] [our] part to notify or otherwise inform

the addressees hereof of the amendment, repeal or other modification of the applicable laws or judicial decisions that served as the basis for this opinion letter or of laws or judicial decisions hereafter enacted or rendered which impact on this opinion letter.

This opinion is furnished by [me] [us] as bond counsel to the Authority and may be relied upon only by the addressees hereto in connection with the issuance and sale of the 2024 Series Bonds. Re: New Jersey Transportation Trust Fund Authority
\$ _____ Transportation System Bonds, 2024 Series A (Tax-Exempt)
\$ _____ Transportation System Bonds, 2024 Series B (Federally
Taxable)

Dear State Treasurer and Members of the Authority:

We have acted as counsel to the State of New Jersey ("State") and the New Jersey Transportation Trust Fund Authority (the "Authority"), a public body corporate and politic of the State in connection with the sale and issuance of the above-referenced obligations (collectively, the "Bonds"). The Bonds are being issued in accordance with the provisions of the New Jersey Transportation Trust Fund Authority Act of 1984, L. 1984, c.73, as amended and supplemented (the "Act").

We have examined executed copies of: (i) the Fourth Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation System Bonds, dated as of October 3, 2018 (the "State Contract"), by and among the State Treasurer, the Authority, and the Commissioner of the New Jersey Department of Transportation; (ii) the 1995 Transportation System Bond Resolution adopted by the Authority on June 15, 1995, as amended and supplemented (the "Bond Resolution"), including as amended and supplemented by the Thirty-Fourth Supplemental Transportation System Bond Resolution adopted by the Authority on July 18, 2024 (the "Thirty-Fourth Supplemental Resolution"), and a Series Certificate of the Authority, dated September __, 2024 (the "Series Certificate") (collectively, the Bond Resolution, the Thirty-Fourth Supplemental Resolution and the Series Certificate are referred to herein as the "Resolution"); (iv) the Bond Purchase Contract, dated September __, 2024, between the Authority and BofA Securities, Inc., the manager on behalf of the underwriters listed on Schedule I to the Bond Purchase Contract; (v) the Official Statement, dated September __, 2024 (the "Official Statement"); (vi) the Continuing Disclosure Agreement, dated September __, 2024 (the "Continuing Disclosure Agreement"), among the Authority, the State Treasurer and U.S. Bank Trust Company, National Association, as Dissemination Agent; and (vii) the Escrow Deposit Agreement dated September __, 2024 (the "Escrow Deposit Agreement") by and between the Authority and U.S. Bank Trust Company, National Association, as Escrow Agent.

In connection with the opinions set forth below, we have examined such other documents, records of the Authority and other instruments, including original counterparts or certified copies of the State Contract, the Bond Resolution, the Thirty-Fourth Supplemental Resolution, the Series Certificate, the Bond Purchase Contract, the Continuing Disclosure Agreement, the Escrow Deposit Agreement, the Official Statement, and the other documents listed in the closing memorandum relating to the Bonds and such matters of law and other proofs, as we deemed necessary to enable us to express the opinions set forth below. Capitalized terms used but not defined herein shall have the meanings given to them in the Resolution.

Based upon the foregoing, we are of the opinion that:

1. Based on such inquiry and investigation as we have deemed sufficient, except as otherwise set forth in the Official Statement, there is no litigation or other proceeding pending in any court or in any State agency or other administrative body which would affect the adoption of the Bond Resolution or the Thirty-Fourth Supplemental Resolution, or would restrain or enjoin the execution and delivery by the Authority of the State Contract, the Continuing Disclosure Agreement, the Escrow Deposit Agreement, the Series Certificate, the Bond Purchase Contract or the Bonds or would have a materially adverse effect on the ability of the Authority to carry out its obligations under such documents or in any way questioning the validity of any of the provisions of the Bond Resolution, the Thirty-Fourth Supplemental Resolution, the Series Certificate, the Continuing Disclosure Agreement, the Bond Purchase Contract, the Escrow Deposit Agreement, or the State Contract or the validity of the Bonds, nor do we have direct personal knowledge that any such litigation or proceeding is threatened.

2. The adoption of the Bond Resolution and the Thirty-Fourth Supplemental Resolution, the execution and delivery of the State Contract, the Bond Purchase Contract, the Continuing Disclosure Agreement, the Escrow Deposit Agreement and the Series Certificate and compliance with the provisions thereof under the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute on the part of the Authority a breach of or default under any regulation, court order or consent decree to which the Authority is subject.

3. No additional or further approval, consent or authorization of any governmental or public agency or authority or any institution not already obtained is required for the adoption and execution by the Authority and performance of its obligations under the Bond Resolution, the Thirty-Fourth Supplemental Resolution, the Series Certificate, the State Contract, the Bond Purchase Contract, the Continuing Disclosure Agreement or the Escrow Deposit Agreement, with the exception that the offer and sale of the Bonds in certain jurisdictions may be subject to the provisions of the securities or "Blue Sky" laws of such jurisdictions.

4. Based upon such inquiry and investigation as we have deemed sufficient, except as otherwise set forth in the Official Statement, there is no litigation or other proceeding in any court or in any State agency or other administrative body which would restrain or enjoin the execution and delivery by the State Treasurer of the State Contract or the Continuing Disclosure Agreement or would have a materially

adverse effect on the State Treasurer's power to make the payments under the State Contract or in any way questioning the validity of any of the provisions of the State Contract or the Continuing Disclosure Agreement, nor do we have direct personal knowledge that any such litigation or proceeding is threatened.

5. No approval or other action by any governmental body, authority or agency is required in connection with the execution or performance by the State Treasurer of the obligations under the State Contract or the Continuing Disclosure Agreement which has not already been obtained or taken; provided, however, that any payments under the State Contract are subject to, and dependent upon appropriation by the State Legislature.

6. To the best of our knowledge, the statements appearing under the caption "LITIGATION" in the Official Statement are accurate and complete in all material respects as of the date of the Official Statement and as of the date hereof.

In addition, we wish to advise you that no opinion is being rendered as to the availability of any particular remedy under any of the documents set forth above. This opinion is given as of the date of delivery hereof and no opinion is expressed as to any matter not explicitly set forth herein. This opinion is rendered solely in connection with the issuance of the Bonds by the Authority and may not be relied upon by any person other than the addressees hereof.

Sincerely yours,

MATTHEW J. PLATKIN

**Re: \$ _____ New Jersey Transportation Trust Fund Authority
Transportation System Bonds, 2024 Series A (Tax-Exempt) and 2024 Series
B (Federally Taxable) (collectively, the “Bonds”)**

Ladies and Gentlemen:

We have acted as co-counsel to you, in connection with issuance of the above referenced Bonds, under that certain Bond Purchase Contract dated September __, 2024 (the “Bond Purchase Contract”) by and between the New Jersey Transportation Trust Fund Authority (the “Authority”) and BofA Securities, Inc. as representative, acting for and on behalf of itself and the other underwriters identified therein (collectively, the “Underwriters”).

In our capacity as your co-counsel, we have examined and relied upon originals or copies, certified or otherwise identified to our satisfaction as being true copies of the following: (1) the Preliminary Official Statement relating to Bonds dated September __, 2024 (the “Preliminary Official Statement”); (2) the Official Statement relating to the Bonds dated September __, 2024 (the “Official Statement”); (3) executed copies of certificates delivered pursuant to the Bond Purchase Contract; (4) the opinion letters of (i) [Eckert Seamans Cherin & Mellott, LLC][Connell Foley, LLP] as Co-Underwriters Counsel and (ii) M. Jeremy Ostow, Esq. and Chiesa Shahanian & Giantomasi PC as Co-Bond Counsel; (5) an executed copy of the Bond Purchase Contract and (6) the Continuing Disclosure Agreement, dated as of the date hereof.

Based on the foregoing, and subject to the limitations and qualifications below, we are of the opinion that:

1. The Bonds are exempted securities described in Section 3(a)(2) of the Securities Act of 1933, as amended. No registration with the Securities and Exchange Commission under the Securities Act of 1933, as amended, need be made in connection with the offering and sale of the Bonds.
2. The Continuing Disclosure Agreement satisfies Section (b)(5)(i) of Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”), which if applicable, requires an undertaking for the benefit of the holders, including beneficial owners, of the Bonds to provide certain annual financial information and event notices to Municipal Securities Rulemaking Board at the time and in the manner required by the Rule.

In accordance with our understanding with you, we are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of any of the statements

contained in the Preliminary Official Statement or the Official Statement and make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. We have rendered legal advice and assistance to you in the course of your investigation pertaining to, and your participation in the preparation of, the Preliminary Official Statement and the Official Statement. Rendering such assistance involved, among other things, discussions, telephone conferences and inquiries concerning various legal and related subjects, and reviews of certain documents with you and your representatives, representatives of the State and its bond counsel, and our co-underwriters counsel, Eckert Seamans Cherin & Mellott, LLC, during which the contents of the Preliminary Official Statement and the Official Statement and related matters were discussed and reviewed. We do not express any opinion or belief as to the financial, tabular or statistical data contained in the Preliminary Official Statement and the Official Statement or as to the information contained in the Appendices to the Official Statement.

In the course of our participation in the preparation of the Preliminary Official Statement, and the Official Statement and our representation of you, and without having undertaken to determine independently the accuracy or completeness of the statements contained in the Preliminary Official Statement, and the Official Statement, nothing has come to our attention that would lead us to believe that the Official Statement (except for the financial, tabular and statistical data included therein, information contained under the headings "BOOK-ENTRY-ONLY SYSTEM", "TAX MATTERS," and "RATINGS", and the corresponding provisions in "INTRODUCTION," and information contained in Appendices to the Official Statement, as to all of which we express no view), as of its date and as of the date hereof, contained or contains any untrue statement of a material fact or omitted or omits to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

We are authorized to practice law in the State of New Jersey, and we do not purport to be experts on, or to express any opinion herein concerning, any law, other than the laws of the State of New Jersey, and the applicable laws of the United States of America.

The opinions expressed herein are solely for the benefit of, and may only be relied upon by, the Underwriters. This opinion may not be relied upon by any other person or entity. The opinions expressed herein are as of the date hereof and is limited to the matters expressly stated in the numbered paragraphs herein. We make no undertaking to amend or supplement such opinions as facts and circumstances come to our attention or changes in the law occur which could affect such opinions.

Notwithstanding anything herein to the contrary, we acknowledge that this opinion is a government record subject to release under the Open Public Records Act (N.J.S.A. 47:1A-1 et. seq.)

Re: New Jersey Transportation Trust Fund Authority
\$ _____ Transportation System Bonds, 2024 Series A and
\$ _____ Transportation Program Bonds, 2024 Series AA

BofA Securities, Inc., has acted as manager (the “Manager”) for and on behalf of itself and the respective underwriters (collectively, the “Underwriters”) of the New Jersey Transportation Trust Fund Authority’s (i) \$ _____ Transportation System Bonds, 2024 Series A (the “System Bonds”), pursuant to the Bond Purchase Contract dated September __, 2024, with respect to the System Bonds (the “System Bonds Purchase Contract”) and (ii) \$ _____ Transportation Program Bonds, 2024 Series AA (the “Program Bonds” and, together with the System Bonds, the “Bonds”), pursuant to the Bond Purchase Contract dated September __, 2024, with respect to the Program Bonds (the “Program Bonds Purchase Contract” and, together with the System Bonds Purchase Contract, the “Purchase Contract”). We have been advised by Bond Counsel that the System Bonds and the Program Bonds are treated as a single issue for federal income tax purposes. The undersigned hereby represents in connection with the sale and issuance of the Bonds, to the best of its knowledge and belief, as follows:

1. ***Sale of the General Rule Maturities.*** The Manager confirms that the Underwriters have offered the Bonds to the public on or before the date of the Purchase Contract at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Schedule A attached hereto. [INSERT HOLD THE OFFERING PRICE PROVISIONS IF NECESSARY]

2. ***Defined Terms.***

(a) *General Rule Maturities* means all Maturities of the Bonds listed in Schedule II to the Purchase Contract.

(b) *Issuer* means the New Jersey Transportation Trust Fund Authority.

(c) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(d) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.

(e) *Related Party* means any entity if an Underwriter and such entity are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(f) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is September __, 2024.

(g) *Underwriter* means (i) the Manager, (ii) any other entity listed on Schedule I to the Purchase Contract, and (iii) any person that agrees pursuant to a written contract directly or indirectly with an entity described in clauses (i) or (ii) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

4. **Yield.** We have been asked by the Issuer and Bond Counsel to perform certain calculations with respect to the Bonds. Specifically, we have been asked to calculate the arbitrage yield of the Bonds under Section 148 of the Internal Revenue Code of 1986, as amended and the Treasury Regulations thereunder (collectively, the “Code”), and the weighted average maturity of the Bonds. We have performed these calculations with the express understanding and agreement of Bond Counsel and the Issuer that, notwithstanding the performance of these calculations and the delivery of this Issue Price Certificate: (i) in doing so we are not acting as Municipal Advisor (as defined in Section 15B of the Securities Exchange Act); (ii) we do not have a fiduciary duty to the Issuer; and (iii) we are not to be construed as a “paid preparer” of any tax returns of the Issuer, including specifically (but not limited to) Internal Revenue Service Form 8038-G. We have been advised by Bond Counsel that the yield on an issue of tax-exempt bonds (“Yield”) is the discount rate that produces the same present value on the date of issue thereof that, when used in computing the present value of all payments of principal and interest and qualified guarantee fees to be made with respect to such issue of bonds, equals the present value of the aggregate of the “issue prices” of such issue of bonds.

[Certain Callable Premium Bonds. The System Bonds maturing on June 15 in each of the years ____ through and including ____ and the Program Bonds maturing on June 15 in each of the years ____ through and including ____ (collectively, the “Callable Premium Bonds”) are each issued at an issue price that exceeds their stated redemption price at maturity by more than one-fourth of one percent (0.25%) multiplied by the product of the stated redemption price

at maturity and the number of complete years to the first optional redemption date of the Callable Premium Bonds. The Callable Premium Bonds are subject to optional early redemption. As advised by Bond Counsel, in calculating the yield on the Bonds, the Callable Premium Bonds have been treated as redeemed at their stated redemption prices on the optional redemption date that would produce the lowest yield on the Bonds.]

The Yield on the Bonds calculated in the manner described in this Section 4 is ____%. For purposes hereof, Yield has been calculated on the basis of a 360-day year consisting of twelve 30-day months, with interest compounded semiannually.

5. **Weighted Average Maturity.** Bond Counsel has instructed us to calculate the weighted average maturity of the Bonds using the following formula: The weighted average maturity of the Bonds equals the sum of the products of the issue price of each maturity of the Bonds and years to maturity from delivery date (and by taking into account mandatory redemptions) divided by the aggregate issue price of the Bonds. As so calculated, the weighted average maturity of the Bonds is ____ years. We have been advised by Bond Counsel that we may assume that the “issue price” of the Bonds is the aggregate of their initial offering prices and that the methodology described in this paragraph is appropriate. A portion of the proceeds of the Bonds are being applied on the date hereof to the refunding of _____ (the “Refunded Bonds”), as further described on Schedule B. We have been advised by Bond Counsel that the proceeds of the Refunded Bonds were applied [to pay State Transportation System Costs] [to the refunding of portions of the Authority’s _____ Bonds]. The remaining weighted average maturity of the Refunded Bonds, using the methodology described in this paragraph, is ____ years.

6. **Underwriters’ Fees.** Based on our experience in similar transactions, the amount paid as underwriters’ fees or discount in connection with the sale and issuance of the Bonds is reasonable and customary under the circumstances.

7. **Market Based Premium.** The amount of the premium included in the pricing of the Bonds is reasonable to efficiently market the Bonds.

Notwithstanding the foregoing paragraphs 4-7, we remind you that we are not accountants or actuaries, nor are we engaged in the practice of law. Accordingly, while we believe the calculations described above to be correct, we do not warrant them to be so, nor do we warrant their validity for purposes of Sections 103 and 141-150 of the Code.

[Remainder of Page Intentionally Left Blank]

We understand that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate and by Chiesa Shahinian & Giantomasi PC and M. Jeremy Ostow, Esq. in connection with rendering their opinions to the Issuer that the interest on the Bonds is not includable in gross income of the owners thereof for federal income tax purposes. The undersigned is certifying only as to facts in existence on the date hereof. Nothing herein represents the undersigned's interpretation of any laws; in particular the regulations under the Internal Revenue Code of 1986, as amended, or the application of any laws to these facts. The certifications contained herein are not necessarily based on personal knowledge, but may instead be based on either inquiry deemed adequate by the undersigned or institutional knowledge (or both) regarding the matters set forth herein. INTRODUCTION

The purpose of this Official Statement (which includes the cover page, the inside front cover and the Appendices hereto) is to set forth certain information concerning the New Jersey Transportation Trust Fund Authority (the “Authority”) and its \$ _____* Transportation System Bonds, 2024 Series A (Tax-Exempt) (the “2024 Series A Bonds”) and its \$ _____* Transportation System Bonds, 2024 Series B (Federally Taxable) (the “2024 Series B Bonds”) and together with the 2024 Series A Bonds, the “2024 System Bonds”) (the “2024 System Bonds”).

Simultaneously with the offering, sale and issuance of the 2024 System Bonds, the Authority will be offering, selling and issuing \$ _____* aggregate principal amount of its Transportation Program Bonds, 2024 Series AA (Tax-Exempt) (the “2024 Series AA Bonds”) and its \$ _____* aggregate principal amount of its Transportation Program Bonds, 2024 Series BB (Federally Taxable) (the “2024 Series BB Bonds”) and together with the Series 2024 AA Bonds, the “2024 Program Bonds”) for the primary purpose of paying the purchase price of certain outstanding Transportation Program Bonds of the Authority which have been tendered for purchase by the Authority and refunding certain outstanding Transportation Program Bonds of the Authority. The 2024 System Bonds and the 2024 Program Bonds are expected to be issued by the Authority on or about _____, 2024. **The 2024 Program Bonds are not being offered pursuant to this Official Statement.**

The Authority was created by the State of New Jersey (the “State”) in 1984 pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, as amended and supplemented, constituting N.J.S.A. 27:1B-1 *et seq.* (the “Act”), to provide a stable, predictable funding mechanism for transportation system improvements undertaken by the New Jersey Department of Transportation (the “Department”). Transportation system improvements financed by the Authority include expenditures for the planning, acquisition, engineering, construction, repair, maintenance and rehabilitation of public facilities for ground, water or air transportation of people or goods. The Authority also finances State aid to counties and municipalities for transportation system improvements.

The Authority is governed by seven members, including the Commissioner of the New Jersey Department of Transportation (the “Commissioner”) and the Treasurer of the State (the “State Treasurer”), both of whom serve as *ex officio* members.

* Preliminary, subject to change.

* Preliminary, subject to change.

The Act, among other things, provides for (i) the funding of transportation projects and (ii) the issuance of bonds, notes or other obligations, including subordinated obligations, by the Authority. The Act, as amended by L. 2016, c. 56, enacted on October 14, 2016 (the “2016 Legislation”) and as further amended by L. 2024, c. 7, enacted on March 26, 2024 (the “2024 Legislation”), sets certain limits on the maximum amount of debt that can be incurred by the Authority through June 30, 2029. The issuance of bonds, notes or other obligations, including subordinated obligations of the Authority, for refunding purposes is not subject to the foregoing limits; except that any net premiums received in connection with the issuance of Transportation Program Bonds during such period (whether for new money purposes or for refunding purposes) shall count against any limitation as to the amount of new money Transportation Program Bonds the Authority may issue during such period. See “STATUTORY DEBT ISSUANCE LIMITATIONS” herein.

The Act provides that no refunding bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the outstanding bonds to be refinanced, with present value computed using a discount rate equal to the yield of those refunding bonds, and yield computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those refunding bonds. The issuance of refunding bonds is also subject to the approval of the Joint Budget Oversight Committee (the “JBOC”) of the New Jersey State Legislature (the “State Legislature”). In accordance with the Act, the present value of the aggregate principal amount of and interest on the Outstanding Bonds to be refinanced will be determined with respect to the 2024 System Bonds and the 2024 Program Bonds in the aggregate.

The Authority is issuing the 2024 System Bonds for the purposes of paying (i) the purchase price of certain outstanding Transportation System Bonds of the Authority, which have been tendered for purchase by the Authority pursuant to the Invitation (as defined herein) and are more fully described in APPENDIX VII to this Official Statement (the “Bonds to be Purchased”), (ii) the cost of redeeming or defeasing certain outstanding Transportation System Bonds of the Authority more fully described in APPENDIX VII to this Official Statement (the “Bonds to be Defeased” and, together with the Bonds to be Purchased, the “Bonds to be Purchased and/or Defeased”), and (iii) paying the costs of issuance of the 2024 System Bonds and the costs of the Invitation (as defined herein). See “PLAN OF FINANCE” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The 2024 System Bonds are being issued pursuant to the Act and the Authority's 1995 Transportation System Bond Resolution, adopted on June 15, 1995 (the “1995 Transportation System Bond Resolution”), as amended and supplemented, including by the Thirty-Fourth Supplemental Transportation System Bond Resolution, adopted on _____, 2024 (the “Thirty-Fourth Supplemental Resolution”) and a 2024 Series Certificate of the Authority dated the date of sale of the 2024 System Bonds (the “2024 Series Certificate”). The 1995 Transportation System Bond Resolution, as amended and supplemented, including by the Thirty-Fourth Supplemental Resolution and the 2024 Series Certificate, as the same may be amended and supplemented from time to time, is collectively referred to herein as the “Resolution”. Bonds issued under the Resolution are, pursuant to the Resolution, designated as “Transportation System Bonds.” U.S. Bank Trust Company, National Association, Edison, New Jersey, has been appointed as trustee (the “Trustee”) and paying agent (the “Paying Agent”) by the Authority for obligations issued under the Resolution, including the 2024 System Bonds.

The Resolution constitutes a contract between the Authority and the holders of the bonds issued and outstanding thereunder. All such bonds issued pursuant to the Resolution, including the 2024 System Bonds, are referred to collectively as the “Bonds”. All capitalized terms used but not defined in this Official Statement shall have the meanings given to them in the Resolution. See “APPENDIX II — SUMMARY OF THE RESOLUTION” herein.

The 2024 System Bonds are secured by the Pledged Property (as defined in the Resolution), which consists primarily of revenues received by the Authority from the State pursuant to the Act and the State Contract (as hereinafter defined). The payment of all such revenues to the Authority is subject to and dependent upon appropriations being made from time to time by the State Legislature. However, the State Legislature has no legal obligation to make any such appropriations. The 2024 System Bonds will be secured on parity with all Bonds issued and to be issued from time to time under the Resolution. The Authority may, in its discretion, issue one or more series of Reserve Fund Bonds (as hereinafter defined). However, if the Authority issues Reserve Fund Bonds, any funds on deposit in the Debt Service Reserve Fund will not be security for, and will not be available to pay debt service on, the 2024 System Bonds. See “SECURITY FOR THE 2024 SYSTEM BONDS – Property Pledged to the 2024 System Bonds; the State Contract; the Act; the Resolution” herein.

The 2016 Legislation authorized the Authority to issue Transportation Program Bonds for the period commencing on the day that Assembly Concurrent Resolution No. 1 of 2015, an amendment to Article VIII, Section II, paragraph 4 of the New Jersey State Constitution (the “State Constitution”), took effect (December 8, 2016), and ending June 30, 2024, in an amount not in excess of \$12,000,000,000. Transportation Program Bonds are payable solely from revenues dedicated pursuant to the State Constitution, including Article VIII, Section II, paragraph 4 (the “Constitutionally Dedicated Revenues”). Transportation Program Bonds are issued under the New Jersey Transportation Trust Fund Authority 2012 Transportation Program Bond Resolution, adopted October 26, 2012 (the “2012 Transportation Program Bond Resolution”). The Authority has previously issued bonds under the 2012 Transportation Program Bond Resolution and, as of _____, had outstanding \$_____ aggregate principal amount of Transportation Program Bonds. The 2024 Legislation extends and increases the Authority’s existing authorization to issue Transportation Program Bonds as are necessary to fund the Annual Transportation Capital Program from its former maximum level of \$12,000,000,000, which authorization expired on June 30, 2024, to its current funding maximum level of \$15,600,000,000 through June 30, 2029. The Constitutionally Dedicated Revenues pledged to the payment of the Transportation Program Bonds are also a source of payment for the 2024 System Bonds. However, Transportation Program Bonds are not payable from the statutorily dedicated revenues that may be used to pay debt service on the Transportation System Bonds, including the 2024 System Bonds. See “SECURITY FOR THE 2024 SYSTEM BONDS – Constitutional Dedication of Certain State Revenues” and “SECURITY FOR THE 2024 SYSTEM BONDS – Statutory Dedication of Certain State Revenues” herein.

It is anticipated that no further bonds will be issued under the Resolution other than Refunding Bonds. Bonds issued by the Authority to finance future State Transportation System Costs are expected to be issued as either (i) Transportation Program Bonds under the 2012 Transportation Program Bond Resolution or (ii) Federal Highway Reimbursement Revenue Notes.

All references in this Official Statement to the Act and the Resolution are qualified in their entirety by reference to the complete text of the Act and the Resolution, copies of which are available from the Authority, and all references to the 2024 System Bonds are qualified in their entirety by reference to the definitive forms thereof and the provisions with respect thereto contained in the Resolution. See “APPENDIX II — SUMMARY OF THE RESOLUTION” herein.

DESCRIPTION OF THE 2024 SYSTEM BONDS

General

The Resolution, the State Contract and all provisions thereof are incorporated by reference in the text of the 2024 System Bonds. Copies of the Resolution, including the full text of the form of the 2024

System Bonds, and the State Contract are on file at the principal corporate trust office of the Trustee and are available there for inspection and copying. The following is a summary of certain provisions of the 2024 System Bonds and is qualified by reference thereto.

The 2024 System Bonds will be dated their date of delivery and will mature on the dates and in the principal amounts shown on the inside front cover of this Official Statement. The 2024 System Bonds will be issued in denominations of \$5,000 or any integral multiple in excess thereof (an “Authorized Denomination”) and will bear interest at the rates shown on the inside front cover of this Official Statement, payable semiannually on June 15 and December 15 in each year, commencing on December 15, 2024, until maturity or prior redemption. Interest will be payable by the Trustee to those registered owners of the applicable 2024 System Bonds whose names appear on the bond register as of the fifteenth (15th) day next preceding each June 15 and December 15 (the “Record Date”). Interest on the 2024 System Bonds will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The Depository Trust Company (“DTC”) will act as securities depository for the 2024 System Bonds. So long as DTC or its nominee is the registered owner of the 2024 System Bonds, payments of the principal of and interest on the 2024 System Bonds will be made by the Paying Agent directly to DTC or its nominee, Cede & Co., which will in turn remit such payments to DTC Participants, which will in turn remit such payments to the Beneficial Owners of the 2024 System Bonds. See “APPENDIX VI – DTC BOOK-ENTRY-ONLY SYSTEM” herein.

The 2024 System Bonds will be issued in the form of a fully registered certificate for each maturity of the 2024 System Bonds and, if applicable, each interest rate within a maturity of the 2024 System Bonds, with such certificates being in the aggregate principal amount of the 2024 System Bonds and, when issued, will be registered in the name of Cede & Co., as nominee of DTC. See “APPENDIX VI – DTC BOOK-ENTRY-ONLY SYSTEM” herein.

Redemption Provisions*

Optional Redemption. The 2024 Series A Bonds maturing on or after June 15, 203_*, are subject to optional redemption prior to maturity at the option of the Authority, at any time on or after June 15, 203_*, either in whole or in part, from maturities and, where applicable, interest rates within maturities, selected by the Authority at a Redemption Price equal to 100% of the principal amount of the 2024 Series A Bonds being redeemed, plus accrued interest thereon to the redemption date.

The 2024 Series B Bonds are subject to make-whole redemption prior to maturity by written direction of the Authority, in whole or in part, on any Business Day, at the “Make-Whole Redemption Price” (as hereinafter defined).

The “Make-Whole Redemption Price” is the greater of (i) 100% of the principal amount of the 2024 Series B Bonds being redeemed or (ii) the sum of the present value of the remaining scheduled payments of principal, plus accrued interest, if any, to the maturity date of the 2024 Series B Bonds being redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the 2024 Series B Bonds are redeemed, discounted to the date on which the 2024 Series B Bonds are redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the adjusted “Treasury Rate” (as hereinafter defined), plus __ basis points plus, in each case, accrued and unpaid interest on the 2024 Series B Bonds being redeemed on the redemption date.

The “Treasury Rate” will be, as of the redemption date, the yield to maturity as of such redemption

* Preliminary, subject to change.

date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least five (5) Business Days prior to the redemption date (excluding inflation indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the maturity date of the 2024 Series B Bonds being redeemed; provided, however, that if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

The Make-Whole Redemption Price of the 2024 Series B Bonds being redeemed pursuant to the make-whole redemption provisions described above will be determined by an independent accounting firm, investment banking firm or financial advisor retained by the Authority at the Authority's expense to calculate such Make-Whole Redemption Price. The Trustee and the Authority may conclusively rely upon the determination of such Make-Whole Redemption Price by such independent accounting firm, investment banking firm or financial advisor, and neither the Trustee nor the Authority will be liable for such reliance.

Selection of 2024 Series Bonds to be Redeemed. If less than all 2024 Series Bonds are called for redemption, the Authority will select the maturity or maturities of the 2024 Series Bonds to be redeemed. If less than all of the 2024 Series Bonds of like maturity shall be called for prior redemption, the particular 2024 Series Bonds or portions of 2024 Series Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate. However, the portion of any 2024 Series Bond to be redeemed shall be in the principal amount of \$5,000 or any multiple thereof, and in selecting 2024 Series Bonds for redemption, the Trustee is required to treat each such 2024 Series Bond as representing that number of 2024 Series Bonds which is obtained by dividing the principal amount of such 2024 Series Bond by \$5,000. While the 2024 Series Bonds are in book-entry only form, DTC's practice is to determine by lot the amount of the interest of each Direct Participant (as such term is defined in APPENDIX VI to the POS) to be redeemed.

Adjustment of Sinking Fund Installments Upon Redemption of Bonds. Upon any purchase or redemption (other than mandatory sinking fund redemption) of the 2024 Series Bonds of any maturity for which sinking fund redemption provisions shall have been established, there shall be credited toward each such sinking fund installment thereafter to become due, unless otherwise directed by the Authority, an amount bearing the same ratio to such sinking fund installment as the total principal amount of such 2024 Series Bonds so purchased or redeemed bears to the total amount of all such sinking fund installments to be so credited.

Notice of Redemption

When the Trustee receives notice from the Authority of its election or direction to redeem the 2024 System Bonds, and provided that the redemption of the 2024 System Bonds is authorized or required pursuant to the Resolution, then the Trustee shall give notice, in the name of the Authority, of the redemption of such 2024 System Bonds, which notice shall specify the maturities (and, if applicable, interest rates within a maturity) of the 2024 System Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the 2024 System Bonds of the same maturity are to be redeemed, the letters and numbers or other distinguishing marks of such 2024 System Bonds to be so redeemed, and, in the case of 2024 System Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2024 System Bond to be redeemed the Redemption Price thereof, or, in the case of 2024 System Bonds to be redeemed in part only, the Redemption Price of the specified portions of the principal amount of each 2024 System Bond to be redeemed, together with interest accrued to the redemption date, shall become due

and payable on the redemption date, and that from and after such redemption date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by the Trustee, postage prepaid, not less than twenty-five (25) days prior to the redemption date, to the registered owners of any 2024 System Bonds or portions of 2024 System Bonds that are to be redeemed, at their last addresses, if any, appearing upon the registry books. Such notice shall also be given by publication once a week for at least two (2) successive weeks in any Authorized Newspaper, the first such publication to be made not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. Failure of the registered owner of any 2024 System Bonds that are to be redeemed to receive any such notice, or failure of the Authority to publish notice of redemption as provided in the immediately preceding sentence, shall not affect the validity of the proceedings for the redemption of 2024 System Bonds.

So long as DTC is acting as securities depository for the 2024 System Bonds, all notices of redemption required to be given to the registered owners of the 2024 System Bonds will be given to DTC.

Book-Entry-Only System

The information in APPENDIX VI – DTC BOOK-ENTRY-ONLY SYSTEM concerning DTC and DTC's book-entry system has been obtained from sources that the Authority believes to be reliable, but the Authority takes no responsibility for the accuracy thereof.

Neither the DTC Participants nor the Beneficial Owners (as such terms are defined in APPENDIX VI – DTC BOOK-ENTRY-ONLY SYSTEM) should rely on such information with respect to such matters but should instead confirm the same with DTC or the DTC Participants, as the case may be.

THE AUTHORITY, THE TRUSTEE AND THE PAYING AGENT CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC WILL DISTRIBUTE TO THE DIRECT PARTICIPANTS OR THAT THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE 2024 SYSTEM BONDS, (I) PAYMENTS OF PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE 2024 SYSTEM BONDS, (II) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTEREST IN 2024 SYSTEM BONDS OR (III) NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE HOLDER OF THE 2024 SYSTEM BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN APPENDIX VI TO THIS OFFICIAL STATEMENT. NONE OF THE AUTHORITY, THE TRUSTEE OR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DIRECT PARTICIPANTS, ANY PERSON CLAIMING A BENEFICIAL OWNERSHIP INTEREST IN THE 2024 SYSTEM BONDS UNDER OR THROUGH DTC OR ANY DIRECT PARTICIPANT OR ANY OTHER PERSON WHO IS NOT SHOWN ON THE BOND REGISTER OF THE AUTHORITY KEPT BY THE TRUSTEE AS BEING A 2024 SYSTEM BONDHOLDER.

NONE OF THE AUTHORITY, THE TRUSTEE OR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION, EITHER SINGULARLY OR JOINTLY, TO DTC PARTICIPANTS, TO INDIRECT PARTICIPANTS OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DTC PARTICIPANT OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2024 SYSTEM BONDS UNDER THE RESOLUTION; (III) THE SELECTION BY DTC OR ANY DTC PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2024 SYSTEM BONDS; (IV) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST DUE WITH RESPECT TO THE 2024 SYSTEM BONDS; (V) ANY CONSENT GIVEN OR

OTHER ACTION TAKEN BY DTC AS THE OWNER OF 2024 SYSTEM BONDS; OR (VI) ANY OTHER MATTER.

SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF ALL OF THE 2024 SYSTEM BONDS, REFERENCES HEREIN TO THE OWNERS, HOLDERS OR REGISTERED OWNERS OF THE 2024 SYSTEM BONDS (OTHER THAN UNDER THE CAPTIONS “TAX MATTERS” AND “CONTINUING DISCLOSURE AGREEMENT” HEREIN) SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE 2024 SYSTEM BONDS.

In the event that the 2024 System Bonds are no longer subject to the book-entry-only system, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such 2024 System Bonds from such book-entry-only form to a fully registered form. Thereafter, bond certificates will be printed and delivered as described in the Resolution and Beneficial Owners will become the registered owners of the 2024 System Bonds.

SECURITY FOR THE 2024 SYSTEM BONDS

Property Pledged to the 2024 System Bonds; the State Contract; the Act; the Resolution

The 2024 System Bonds are payable and secured under the Resolution on parity with all other Bonds issued and to be issued from time to time thereunder. All Bonds issued under the Resolution are special obligations of the Authority payable solely from the property pledged to their payment as hereinafter described. Pursuant to the Resolution, all of such property is pledged and assigned as security for the payment of the principal of and interest on the Bonds as well as (i) the Authority's reimbursement obligations or scheduled swap payments with respect to any Financing Facility (which include Swap Agreements and reimbursement agreements for credit facilities) that it may obtain in connection with the issuance of any Series of Bonds and (ii) any Subordinated Debt that may be issued under the Resolution. Currently, there is no Subordinated Debt or Financing Facilities outstanding under the Resolution. The Resolution provides that all Pledged Property shall immediately become subject to the lien of said pledge without any physical delivery thereof or further act, and that such lien shall be valid and binding against all persons having claims of any kind in tort, contract or otherwise against the Authority. See “APPENDIX II – SUMMARY OF THE RESOLUTION – Pledge of Pledged Property” herein.

Pursuant to the Resolution, the “Pledged Property” consists of:

(i) with respect to the Bond Payment Obligations and, to the extent provided in any Supplemental Resolution or Series Certificate authorizing a Series that is to be secured, in whole or in part, by, or payable, in whole or in part, from, a Financing Facility, the applicable Financing Facility Payment Obligations: the Revenue Contracts (defined in the fifth succeeding paragraph), the Revenues (defined in the third succeeding paragraph) and Funds, other than the Debt Service Reserve Fund and the Rebate Fund, including Investment Securities held in any such Fund, together with all proceeds and revenues of the foregoing and all of the Authority's right, title and interest in and to the foregoing, and all other moneys, securities or funds pledged for the payment of the Bonds in accordance with the terms and provisions of the Resolution,

(ii) with respect to any Series of Bonds in connection with which the Authority has obtained a Financing Facility, and to the extent provided in the applicable Supplemental Resolution or Series Certificate, the applicable Financing Facility and Financing Facility Revenues and all moneys from time to time held in any applicable subaccount within the Debt Service Fund, and

(iii) with respect to any Subordinated Debt, the amounts, if any, on deposit from time to time in the Subordinated Debt Fund and available for such payment.

Under the Resolution, “Revenues” means: (i) all amounts appropriated by the State Legislature and paid to the Authority by the State Treasurer from the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds (described below); (ii) any other amounts appropriated by the State Legislature and paid to the Authority by the State Treasurer, or received by the Authority from any other source and pledged by the Authority as security for the payment of Bonds (including the expected cash subsidy of 35% of the interest payable on each of the Authority's Transportation System Bonds, 2009 Series B, 2010 Series B and 2010 Series C (each issued as Build America Bonds) from the United States Treasury*); and (iii) interest received on any moneys or securities held pursuant to the Resolution and paid or required to be paid into the Transportation Improvement Fund (established under the Resolution). However, the term “Revenues” does not include Financing Facility Revenues, which are all amounts received by the Authority or the Trustee pursuant to any Financing Facility.

The Act defines bonds issued pursuant to the authorization contained in L. 1995, c. 108, L. 2006, c. 3, and L. 2016, c. 56, and any bonds issued to refund such bonds as “Prior Bonds”. Transportation System Bonds issued and to be issued under the Resolution, including the 2024 System Bonds, are Prior Bonds. The Act creates three subaccounts within the Transportation Trust Fund Account (established under the Act) within the State General Fund. Such subaccounts are respectively defined as the “Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds,” the “Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds” and the “Transportation Trust Fund Account – Subaccount for Capital Reserves.” In furtherance of the Act's requirement that debt service on Transportation Program Bonds be paid solely from Constitutionally Dedicated Revenues, only amounts derived from Constitutionally Dedicated Revenues are to be deposited into the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds. Additionally, the Act also provides that only amounts derived from Constitutionally Dedicated Revenues are to be deposited into the Transportation Trust Fund Account – Subaccount for Capital Reserves. Debt Service on Prior Bonds is to be paid solely from amounts on deposit in the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds. The State Contract clarifies that payments under the State Contract will be credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds.

“Funds” constituting the Pledged Property are any Funds established pursuant to the Resolution, including any moneys or Investment Securities held therein, other than the Debt Service Reserve Fund (which currently is not funded and does not and will not secure the 2024 System Bonds or any other Bonds currently outstanding pursuant to the Resolution) and the Rebate Fund. “Revenue Contracts” under the Resolution means the State Contract, the Toll Road Authority Contracts (described below) or any assignment thereof or any other agreement of the Authority of whatever nature. “Toll Road Authority Contracts” means, collectively, (i) the contract between the State Treasurer, acting on behalf of the State, and the New Jersey Turnpike Authority (the “Turnpike Authority”) and (ii) the contract between the South Jersey Transportation Authority, as successor to the New Jersey Expressway Authority (the “South Jersey Transportation Authority”; and together with the Turnpike Authority, the “Toll Road Authorities”), and the Department, pursuant to which amounts are payable to the State. Pursuant to the Act and the State Contract, amounts equivalent to the moneys received by the State in accordance with the Toll Road Authority Contracts are to be credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds, provided that the amount so credited shall not be less than \$24,500,000, which payment may

* As a result of the federal budget sequestration presently in effect for the current federal fiscal year ending September 30, 2024, the Build America Bonds cash subsidy amounts payable to the Authority on June 15, 2024 were reduced by 5.7%. As noted on Page 10, for Fiscal Year 2025, the State Legislature has appropriated sufficient funds to pay the debt service on all of the currently outstanding indebtedness under the Resolution coming due in Fiscal Year 2024.

then be appropriated by the State to the Authority. See “APPENDIX II – SUMMARY OF THE RESOLUTION – Events of Default” herein for a description of the application of Pledged Property during an Event of Default.

Pursuant to the Act, the Authority, the State Treasurer and the Commissioner have entered into an agreement entitled “Fourth Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with respect to Transportation System Bonds” (the “State Contract”), a copy of which is attached as APPENDIX III to this Official Statement. The State Contract implements the financing and funding arrangements contemplated by the Act, as amended by the 2016 Legislation, with respect to the Authority’s Transportation System Bonds. See “APPENDIX III – COPY OF THE FOURTH AMENDED AND RESTATED STATE CONTRACT” herein.

All payments by the State to the Authority are subject to and dependent upon appropriations being made from time to time by the State Legislature for the purposes of the Act. See APPENDIX I attached hereto for a summary of certain financial and other information relating to the State. The State Legislature has always made appropriations in previous Fiscal Years in amounts sufficient to pay debt service on the Authority’s Bonds and applicable Financing Facility Payment Obligations. However, the State Contract does not legally obligate the State Legislature to appropriate moneys sufficient to pay amounts when due on the 2024 System Bonds or otherwise due under the State Contract. Thus, although the Resolution provides for the remedy of specific performance to require the Authority to perform its covenants in the Resolution (including its covenants to enforce the terms of the State Contract), there are no remedies available to the Bondholders in the event that the State Legislature does not appropriate sufficient funds to make payments when due under the State Contract.

Statutory Dedication of Certain State Revenues

The Act, as amended by the 2016 Legislation, provides that during each Fiscal Year in which the Authority has Bonds outstanding, the State Treasurer shall, to the extent appropriated by the State Legislature, credit to the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds, a portion of the revenues derived from the following, as determined by the State Treasurer:

(a) an amount equivalent to all revenue derived from the collection of the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes (the “Motor Fuels Tax”), as provided in Article VIII, Section II, paragraph 4 of the State Constitution, plus

(b) an amount equivalent to moneys received by the State annually from the Toll Road Authorities pursuant to the Toll Road Authority Contracts, provided that the amount so credited shall not be less than \$24,500,000 in any Fiscal Year, plus

(c) an amount equivalent to the sum of the revenues due from the increase of fees for motor vehicle registrations collected pursuant to the amendment to R.S. 39:3-20 made by section 32 of L. 1984, c. 73, and from the increase in the tax on diesel fuels imposed pursuant to the amendment to R.S. 54:39-27 made by section 35 of L. 1984, c. 73, and by L. 1987, c. 460, and as amended by section 18 of L. 1992, c. 23, and repealed by section 56 of L. 2010, c. 22, and now imposed pursuant to section 3 of L. 2010, c. 22 (C. 54:39-103), but not less than \$30,000,000, plus

(d) the additional motor vehicle registration fees collected pursuant to subsection a. of section 68 of L. 1990, c. 8 (C. 17:33B-63), but not less than \$60,000,000 during any Fiscal Year, plus

(e) an amount equivalent to all revenue derived from the tax imposed on the sale of petroleum products pursuant to L. 1990, c. 42 (C. 54:15B-1 *et seq.*), plus

(f) an amount equivalent to the revenue derived from the tax imposed under the “Sales and Use Tax Act,” L. 1966, c. 30 (C. 54:32B-1 *et seq.*) on the sale of new motor vehicles, but not less than \$200,000,000 for any Fiscal Year, as provided in Article VIII, Section II, paragraph 4 of the State Constitution, plus

(g) such additional amounts as are necessary to carry out the provisions of the Act.

The Act further provides that, subject to appropriations being made from time to time by the State Legislature for the purposes of the Act, the State Treasurer shall pay to the Authority, no later than the fifth (5th) business day of the month following the month in which a credit has been made, the amounts credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds. See “SECURITY FOR THE 2024 SYSTEM BONDS – Constitutional Dedication of Certain State Revenues” below.

In accordance with the Act, the State Contract provides for the payments of these revenues to the Authority, subject to appropriations being made by the State Legislature for the purposes of the Act.

Constitutional Dedication of Certain State Revenues

Assembly Concurrent Resolution No. 1 of 2015, which was passed by the State General Assembly and State Senate on January 11, 2016 and approved by the voters of the State in the November 2016 general election, amended Article VIII, Section II, paragraph 4 of the State Constitution to provide as follows:

There shall be credited to a special account in the General Fund the following:

A. for each Fiscal Year commencing on and after July 1, 2007 through the Fiscal Year commencing on July 1, 2015, an amount equivalent to the revenue derived from \$0.105 per gallon from the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes, and for each Fiscal Year thereafter, an amount equivalent to all revenue derived from the collection of the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes or any other subsequent law of similar effect;

B. for the Fiscal Year 2001 an amount not less than \$100,000,000 derived from the State revenues collected from the tax on the gross receipts of the sale of petroleum products imposed pursuant to L. 1990, c. 42 (C. 54:15B-1 *et seq.*), as amended and supplemented, or any other subsequent law of similar effect, for each Fiscal Year from Fiscal Year 2002 through Fiscal Year 2016 an amount not less than \$200,000,000 derived from those revenues, and for each Fiscal Year thereafter, an amount equivalent to all revenue derived from the collection of the tax on the gross receipts of the sale of petroleum products imposed pursuant to P.L.1990, c.42 (C.54:15B-1 *et seq.*) as amended and supplemented, or any other subsequent law of similar effect; and

C. for the Fiscal Year 2002 an amount not less than \$80,000,000 from the State revenue collected from the State tax imposed under the “Sales and Use Tax Act”, pursuant to L. 1966, c. 30 (C. 54:32B-1 *et seq.*), as amended and supplemented, or any other subsequent law of similar effect, for the Fiscal Year 2003 an amount not less than \$140,000,000 from those revenues, and for each Fiscal Year thereafter an amount not less than \$200,000,000 from those revenues;

provided, however, the dedication and use of such revenues as provided in this paragraph shall be subject and subordinate to (i) all appropriations of revenues from such taxes made by laws enacted on or before December 7, 2006 in accordance with Article VIII, Section II, paragraph 3 of the New Jersey State Constitution in order to provide the ways and means to pay the principal and interest on bonds of the State presently outstanding or authorized to be issued under such laws or (ii) any other use of those revenues enacted into law on or before December 7, 2006.

These amounts shall be appropriated from time to time by the State Legislature, only for the purposes of paying or financing the cost of planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of the transportation system in the State, and it shall not be competent for the State Legislature to borrow, appropriate or use these amounts or any part thereof for any other purpose, under any pretense whatsoever. (Article VIII, Section II, paragraph 4 of the State Constitution).

The above provision of the State Constitution does not require that the constitutionally dedicated amounts be appropriated to the Authority and any such amounts not appropriated to the Authority can be used by the State to pay the costs of various transportation system related projects in the State, including the payment of debt service on any indebtedness issued to finance the costs of such projects. However, pursuant to the Act and the State Contract, the State Treasurer must, subject to appropriation by the State Legislature, credit to the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds and pay to the Authority, an amount equivalent to a portion of the revenues derived from the dedicated amount of the Motor Fuels Tax and of the dedicated amounts of the other taxes described in clauses B and C above.

State Appropriations and Legislation

Although the State Legislature has always made appropriations to the Authority in each Fiscal Year in amounts sufficient to timely pay the debt service on all of the Authority's outstanding indebtedness coming due in such Fiscal Year, the State Legislature, in several Fiscal Years, has made appropriations to the Authority that were less than the minimum amounts specified in the State Contract for such Fiscal Year.

For Fiscal Year 2025, which began on July 1, 2024, the State Legislature appropriated \$_____ to the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds and \$_____ to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds. The combined amount is expected to be sufficient to pay the debt service on all of the currently outstanding indebtedness under the Resolution, and under the 2012 Program Bond Resolution, coming due in such Fiscal Year. See also the footnote on page 8 for more information on the impact of the federal budget sequester on the Authority.

There can be no assurance that, in the event the State experiences financial difficulty, or the adoption of the annual appropriations act is delayed or is subsequently amended, or for any other reason, the State Legislature will appropriate sufficient funds in the future to enable the Authority to timely pay the principal of or interest on the Outstanding Transportation System Bonds of the Authority, including the 2024 System Bonds. In addition, any appropriation is subject to the availability of funds. See APPENDIX I – “STATE FINANCES – Budget and Appropriation Process” herein.

As noted in Footnote 1 to the table under the heading “DEBT SERVICE SCHEDULE – TRANSPORTATION SYSTEM BONDS” herein, the debt service payable on the New Jersey Economic Development Authority’s Transportation Project Sublease Revenue and Revenue Refunding Bonds (New Jersey Transit Corporation Projects) 2017 Series and the New Jersey Economic Development Authority’s NJ Transit Transportation Project Bonds, 2020 Series A and NJ Transit Transportation Project Bonds, 2022 Series A (Portal North Bridge Project) is also payable from funds appropriated to the Authority and the Transportation Trust Fund Account -- Subaccount for Capital Reserves.

Statutes concerning taxes, including the sales and use tax, motor fuels taxes and petroleum products gross receipts taxes, which are appropriated to pay principal of and interest on the Authority’s Bonds are subject to amendment or repeal by the State Legislature at any time.

Pursuant to N.J.S.A. 54:15B-3(a)(2)(a), the Petroleum Products Gross Receipts Tax is imposed on the gross receipts from the first sale of gasoline, blended fuel that contains gasoline or is intended for use

as gasoline, liquefied petroleum gas and aviation fuel at a rate of 4.0 cents per gallon, which rate is fixed and is not subject to adjustment (the “Gasoline PPGR Tax”). Pursuant to N.J.S.A. 54:15B-3(a)(2)(b), the Petroleum Products Gross Receipts Tax is imposed on the gross receipts from the first sale of diesel fuel, blended fuel that contains diesel fuel or is intended for use as diesel fuel, and kerosene, other than aviation grade kerosene, at a rate of 4.0 cents per gallon, before July 1, 2017 (the “Original Diesel Fuel PPGR Tax,” and together with the Gasoline PPGR Tax, the “Original PPGR Tax”) and at a rate of 8.0 cents per gallon on and after July 1, 2017 (the “Diesel Fuel PPGR Tax”), which rate is fixed and is not subject to adjustment.

Chapter 57, which was adopted in October 2016 and amended N.J.S.A. 54:15B-1 et seq., was amended by the 2024 Legislation. Chapter 57 imposed a new separate tax on “highway fuel” (the “Highway Fuels PPGR Tax”), which became a component of the Petroleum Products Gross Receipts Tax, of 22.6 cents per gallon on gasoline and 22.7 cents per gallon on diesel fuel. For purposes of Chapter 57, “highway fuel” is defined to mean gasoline, blended fuel that contains gasoline or is intended for use as gasoline, liquefied petroleum gas, diesel fuel, blended fuel that contains diesel fuel or is intended for use as diesel fuel, and kerosene, other than aviation grade kerosene. Chapter 57 at the time of its original enactment in October 2016 provided that, for Fiscal Year 2018 and each Fiscal Year thereafter through and including Fiscal Year 2026, the rate at which the Highway Fuels PPGR Tax is imposed is required to be adjusted annually so that total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax in each such Fiscal Year will not exceed a capped amount, as adjusted, determined in accordance with the provisions of Chapter 57 (the “Cap Amount”). In order to implement such annual adjustment of the Highway Fuels PPGR Tax rate, on or before August 15 of each Fiscal Year following Fiscal Year 2017, the State Treasurer and the Legislative Budget and Finance Officer were required to determine the total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected in the prior Fiscal Year (the “Prior Year Total Revenues”). On the basis of such Prior Year Total Revenues, and in consultation with the Legislative Budget and Finance Officer, the State Treasurer then determined the Highway Fuels PPGR Tax rate to be imposed in the current Fiscal Year which is expected to result in the total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected in such current Fiscal Year being equal to the Cap Amount. Pursuant to Chapter 57, the Highway Fuels PPGR Tax rate so determined by the State Treasurer, in consultation with the Legislative Budget and Finance Officer, became effective on October 1 of the then current Fiscal Year, without the need for any further legislative action. Additionally, if the amount of the Prior Year Total Revenues for any prior Fiscal Year exceeded the Cap Amount for such prior Fiscal Year, the Cap Amount for the succeeding Fiscal Year would be decreased by the amount of such excess for the purposes of establishing the Highway Fuels PPGR Tax rate for such succeeding Fiscal Year. If the amount of the Prior Year Total Revenues for any prior Fiscal Year was less than the Cap Amount for such prior Fiscal Year, the Cap Amount for the succeeding Fiscal Year would be increased by the amount of such shortfall for the purposes of establishing the Highway Fuels PPGR Tax rate for such succeeding Fiscal Year.

On September 1, 2023, the State Treasurer announced that, as a result of a projected shortfall in revenues collected from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax in Fiscal Year 2023, the Cap Amount for Fiscal Year 2024 would be \$1,961,000,000 and that, in order to generate sufficient revenue to reach such Cap Amount assuming stable motor fuels consumption, the Highway Fuels PPGR Tax rate for Fiscal Year 2024, which became effective on October 1, 2023, would be 27.8 cents per gallon, an increase of 0.9 cents per gallon over the then current Fiscal Year 2023 rate.

The 2024 Legislation amended Chapter 57, by revising the Highway Fuels PPGR Tax by setting the Cap Amount for Fiscal Years 2025 to 2029 as follows:

- (a) for Fiscal Year 2025, \$2,032,000,000;
- (b) for Fiscal Year 2026, \$2,115,000,000;

- (c) for Fiscal Year 2027, \$2,199,000,000;
- (d) for Fiscal Year 2028, \$2,282,000,000; and
- (e) for Fiscal Year 2029, \$2,366,000,000.

Pursuant to the 2024 Legislation, for Fiscal Years 2025 to 2029, if the actual amount of the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected for a fiscal year is less than the Cap Amount for the fiscal year, the Highway Fuels PPGR Tax for the succeeding fiscal year shall be increased by the amount of the shortfall. Similarly, if the actual amount of the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected for a fiscal year is greater than the Cap Amount for that fiscal year, the Highway Fuels PPGR Tax for the succeeding fiscal year shall be decreased by the amount of the excess collected.

The 2024 Legislation also amended Chapter 57 to revise the date to implement such annual adjustment of the Highway Fuels PPGR Tax rate, to on or before November 15 of each State Fiscal Year beginning in Fiscal Year 2025, and the Highway Fuels PPGR Tax rate so determined by the State Treasurer, in consultation with the Legislative Budget and Finance Officer, would become effective on January 1 of the then current Fiscal Year, without the need for any further legislative action.

The following chart is a summary of the cents per gallon tax rate for the Motor Fuels Tax, the Gasoline PPGR Tax, the Diesel Fuel PPGR Tax and the Highway Fuels PPGR Tax as of October 1, 2023:

**Highway Fuel Tax Rates
(cents per gallon)
As of October 1, 2023**

<u>Tax Rate</u>	<u>Gasoline</u>	<u>Diesel Fuel</u>
Motor Fuels Tax	\$0.105	\$0.135
Petroleum Products Gross Receipts Tax (imposed pursuant to N.J.S.A. 54:15B-3(a)(2)(a) & (b))	0.040	0.080
Highway Fuels PPGR Tax	<u>0.278</u>	<u>0.278</u>
TOTAL:	\$0.423	\$0.493

The 2024 Legislation also created a new additional annual fee for zero emission vehicles to be credited to the Transportation Trust Fund Account – Subaccount for Capital Reserves. Pursuant to the 2024 Legislation, unless dedicated pursuant to the State Constitution, no portion of these revenues shall be appropriated to pay debt service on Transportation System Bonds, Transportation Program Bonds or any other bonds, notes or other obligations, including subordinated obligations, of the Authority.

State's General Taxing Power Not Pledged

Pursuant to the Act and the Resolution, the 2024 System Bonds shall be special obligations of the Authority and shall not be in any way a debt or liability of the State or any political subdivision thereof (other than the Authority to the limited extent set forth in the Resolution) and shall not create or constitute any indebtedness, liability or obligation of the State or of any political subdivision thereof (other than the Authority to the limited extent set forth in the Resolution) or be or constitute a pledge of the faith and credit of the State or of any political subdivision thereof. The Authority has no taxing power. All Prior Bonds, Financing Facility Payment Obligations and other obligations of the Authority under the Resolution, unless funded or refunded by bonds, notes or other obligations of the Authority issued under the Resolution, shall

be payable solely from the Pledged Property under the Resolution.

Flow of Funds

Pursuant to the Resolution, all Revenues are required to be promptly deposited by the Authority as received into the Transportation Improvement Fund. The Authority is required to pay, transfer or credit to the Trustee, for deposit in the following Funds and Accounts, on the following dates and in the following order of priority the amounts set forth below, but only to the extent the amount in the Transportation Improvement Fund shall be sufficient therefor:

(1) On or before each Payment Date with respect to each Series of Bonds:

(a) For deposit in the Debt Service Fund, the amount, if any, required so that the balance in said Fund shall equal the amounts of Debt Service on all Series of Bonds coming due on such Payment Date; and

(b) For deposit to the Debt Service Reserve Fund, the amount, if any, required so that the balance in said Fund shall equal the sum of the amounts of Debt Service Reserve Requirement on all Reserve Fund Bonds, if any, for such Payment Date. See “SECURITY FOR THE 2024 SYSTEM BONDS – No Debt Service Reserve Fund” below.

(2) On or before the due dates thereof, for deposit in the Debt Service Fund, the amount of any Financing Facility Payment Obligations.

(3) On or before the due dates thereof, and subject and subordinate at all times to the payments, credits or transfers required as described in paragraphs 1 and 2 above, for deposit in the Subordinated Debt Fund, the amount of any principal, prepayment or Redemption Price, interest or other amounts payable in connection with any Subordinated Debt, including swap termination payments, if any.

Certain Covenants of the State and the Authority

Pursuant to the Act, the State has covenanted (i) that it will not limit or alter the rights or powers of the Authority in any way that would jeopardize the interests of the holders of the bonds, notes or other obligations of the Authority, (ii) that it will not inhibit or prevent performance or fulfillment by the Authority of the terms of any agreements made with the holders of the bonds, notes or other obligations of the Authority, and (iii) that it will not prevent the Authority from (a) obtaining sufficient revenues that, together with other available funds, shall be sufficient to meet all expenses of the Authority and fulfill the terms of any agreement made with the holders of the bonds, notes or other obligations of the Authority, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses in connection with any action or proceeding by or on behalf of the holders of the bonds, notes or other obligations of the Authority, or (b) receiving payment of funds of the Toll Road Authorities or other State agencies as provided in any agreement with such Toll Road Authorities or other State agencies, until the bonds, notes or other obligations of the Authority, together with interest thereon, are fully met and discharged or provided for. However, the Act further provides that the failure of the State to appropriate moneys for any purpose of the Act shall not be deemed or construed to be a violation of these covenants.

Under the Resolution, the Authority has covenanted with the Bondholders to enforce the State Contract and not to amend the State Contract in a manner that would reduce the amounts payable to the Authority or to extend the times when such payments are to be made thereunder. The Authority has also covenanted to pay, but solely from the Pledged Property, the Debt Service coming due on the Bonds in each year in which Bonds issued by the Authority are outstanding.

No Debt Service Reserve Fund

Although the Authority may issue Transportation System Bonds pursuant to the Resolution that are further secured by an Account in the Debt Service Reserve Fund established under the Resolution (“Reserve Fund Bonds”), the 2024 System Bonds are not Reserve Fund Bonds and there currently are no Reserve Fund Bonds Outstanding under the Resolution. However, the Authority may, in its discretion, issue one or more series of Reserve Fund Bonds in the future. If the Authority does so, any funds on deposit in the Debt Service Reserve Fund will not be security for, and will not be available to pay debt service on, the 2024 System Bonds.

Refunding Bonds

One or more series of Refunding Bonds may be issued at any time to refund any or all Outstanding Bonds. Such Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make the deposits in the Funds and Accounts under the Resolution required by the provisions of the Supplemental Resolution authorizing such Refunding Bonds. The Act provides that no Refunding Bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal of and interest on the refunding bonds is less than the present value of the aggregate principal of and interest on the outstanding bonds to be refinanced, with present value to be computed using a discount rate equal to the yield of those Refunding Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those Refunding Bonds. See “APPENDIX II – SUMMARY OF THE RESOLUTION – Refunding Bonds.” Any decision by the Authority to issue Refunding Bonds must be approved by JBOC. The 2024 System Bonds constitute Refunding Bonds. JBOC approved the issuance of the 2024 System Bonds on [_____, 2024]. In accordance with the Act, the present value of the aggregate principal amount of and interest on the Outstanding Bonds to be refinanced will be determined with respect to the 2024 System Bonds and the 2024 Program Bonds in the aggregate.

Transportation Program Bonds

The Act authorizes the issuance of Transportation Program Bonds. Although Transportation Program Bonds are not issued under the Resolution, the source of payment for debt service on Transportation Program Bonds is and will be the Constitutionally Dedicated Revenues, which Constitutionally Dedicated Revenues are also the primary source of payment for the Transportation System Bonds, including the 2024 System Bonds. See “SECURITY FOR THE 2024 SYSTEM BONDS – Constitutional Dedication of Certain State Revenues”, “SECURITY FOR THE 2024 SYSTEM BONDS – Statutory Dedication of Certain State Revenues” and “TRANSPORTATION PROGRAM BONDS” herein.

STATUTORY DEBT ISSUANCE LIMITATIONS

Transportation System Bonds – New Money Bonds

The statutory debt issuance limitations for the Transportation System Bonds were last set by L. 2006, c. 3. As of the date hereof, there is no remaining unused statutory debt cap under the Act, as amended by L. 2006, c. 3, for the Transportation System Bonds (except for a nominal amount representing the amount thereof in excess of the nearest integral multiple of \$5,000). Accordingly, under the Act, only Refunding Bonds may be issued under the Resolution.

Transportation System Bonds - Refunding Bonds

The Act provides that no refunding bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the outstanding bonds to be refinanced, with present value computed using a discount rate equal to the yield of those refunding bonds, and yield computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those refunding bonds. The Act further provides that upon the decision by the Authority to issue refunding bonds, and prior to the sale of those refunding bonds, the Authority shall transmit to JBOC a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the Authority relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the Authority to issue and sell the refunding bonds at public or private sale and the reasons therefor. In accordance with the Act, the present value of the aggregate principal amount of and interest on the refunding bonds and on the Outstanding Bonds to be refinanced will be determined with respect to the 2024 System Bonds and the 2024 Program Bonds in the aggregate.

Transportation Program Bonds – New Money Bonds

The Act, as amended by the 2016 Legislation, authorized the issuance of new money Transportation Program Bonds during the period that commenced on the day that Assembly Concurrent Resolution No. 1 of 2015, a constitutional amendment to Article VIII, Section II, paragraph 4 of the New Jersey State Constitution, took effect (December 8, 2016) and ending June 30, 2024 in an amount not in excess of \$12,000,000,000. The 2024 Legislation amended the 2016 Legislation by increasing the existing authorization limits for new money Transportation Program Bonds to not to exceed \$15,600,000,000 through June 30, 2029. Any net premiums received in connection with the issuance of Transportation Program Bonds during such period (whether for new money purposes or for refunding purposes) shall count against any limitation as to the amount of new money Transportation Program Bonds the Authority may issue during such period. The 2024 System Bonds are not Transportation Program Bonds. See “TRANSPORTATION PROGRAM BONDS” herein.

Transportation Program Bonds – Refunding Bonds

The issuance by the Authority of bonds, notes or other obligations, including subordinated obligations, for refunding purposes is not subject to the limitations described in the preceding paragraph, except that any premiums received in connection with the issuance of Transportation Program Bonds issued for refunding purposes shall count against the limitations described in the preceding paragraph with respect to the issuance of Transportation Program Bonds for new money purposes.

The Act provides that no refunding bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the outstanding bonds to be refinanced, with present value computed using a discount rate equal to the yield of those refunding bonds, and yield computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those refunding bonds. The Act further provides that upon the decision by the Authority to issue refunding bonds, and prior to the sale of those refunding bonds, the Authority shall transmit to JBOC a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the Authority relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the Authority to issue and sell the refunding bonds at public or private sale and the reasons therefor. In accordance with the Act, the present value of the aggregate principal

amount of and interest on the refunding bonds and on the Outstanding Bonds to be refinanced will be determined with respect to the 2024 System Bonds and the 2024 Program Bonds in the aggregate.

TRANSPORTATION PROGRAM BONDS

The Act provides that the payment of debt service on Transportation Program Bonds and any agreements issued in connection therewith shall be paid solely from Constitutionally Dedicated Revenues deposited into the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds established pursuant to the Act.

To implement the provisions of the Act, the Authority adopted the 2012 Transportation Program Bond Resolution. In connection with the issuance of the first series of Transportation Program Bonds under the 2012 Transportation Program Bond Resolution, the State Treasurer, the Commissioner and the Authority entered into a Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with respect to Transportation Program Bonds.

For Fiscal Year 2025, which began on July 1, 2024, the State Legislature appropriated \$_____ to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, which amount will be sufficient to pay the debt service on the outstanding Transportation Program Bonds coming due in such Fiscal Year.

Bonds issued to finance future State Transportation System Costs are expected to be issued as (i) Transportation Program Bonds under the 2012 Transportation Program Bond Resolution, or (ii) Federal Highway Reimbursement Revenue Notes.

PLAN OF FINANCE

The 2024 System Bonds are being issued for the purposes of (i) paying the purchase price of certain outstanding Transportation System Bonds of the Authority which have been tendered for purchase by the Authority pursuant to the Invitation, (ii) the cost of redeeming or defeasing certain outstanding Transportation System Bonds of the Authority (see “APPENDIX VII – LIST OF BONDS TO BE PURCHASED AND/OR DEFEASED”), and (iii) paying the costs of issuance of the 2024 System Bonds and the costs of the Invitation (as defined herein). See “APPENDIX VII – LIST OF BONDS TO BE PURCHASED AND/OR DEFEASED” for a list of the Transportation System Bonds to be purchased and/or defeased.

On _____, 2024, the Authority released an Invitation to Tender Bonds (the “Invitation”), inviting the beneficial owners of the Authority’s Outstanding Bonds (as defined in the Invitation) of certain Series and maturities identified in the Invitation (the “Target Bonds”) to tender their Target Bonds for purchase by the Authority on the terms and conditions set forth in the Invitation (the “Tender Offer”). Pursuant to the Invitation, the owners of the Target Bonds may tender their Target Bonds and, subject to the conditions set forth in the Invitation, the Authority expects to purchase some or all of the tendered Target Bonds for cash at the purchase prices and on the other terms and conditions set forth in the Invitation. The tendered Target Bonds to be purchased by the Authority (which constitute the “Bonds to be Purchased” for purposes of this Official Statement and are more fully described in APPENDIX VII to this Official Statement) will be cancelled on the date of issuance and delivery of the 2024 System Bonds and will no longer be Outstanding under the Resolution. The proceeds of the 2024 System Bonds will be used by the Authority to pay (i) the purchase prices of the Bonds to be Purchased and/or the costs of defeasing the Bonds to be Defeased, and (ii) the costs of issuance of the 2024 System Bonds and the costs of the Invitation. See “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Target Bonds will be tendered to the Authority under the terms of the Invitation with the assistance of BofA Securities (“BofA”), in its capacity as the Dealer Manager of the Tender Offer. BofA will be reimbursed for any expenses it incurs as the Dealer Manager of the Tender Offer. BofA is also the Representative for the underwriters of the 2024 System Bonds. See “UNDERWRITING” herein.

This discussion is not intended to summarize the terms of the Invitation, or to solicit offers to tender Target Bonds, and reference is made to the Invitation for a complete discussion of the terms of the Invitation and the conditions for the settlement of the Target Bonds validly tendered and accepted for purchase. The Authority has filed the Invitation with the Municipal Securities Rulemaking Board (“MSRB”) through its Electronic Municipal Market Access service (“EMMA”).

Concurrently with the issuance and delivery of the 2024 System Bonds, the Authority and U.S. Bank Trust Company, National Association, as escrow agent (in such capacity, the “Escrow Agent”), will enter into an escrow deposit agreement (the “Escrow Deposit Agreement”). Pursuant to the Escrow Deposit Agreement, on the delivery date of the 2024 System Bonds, proceeds of the 2024 System Bonds will be deposited with the Escrow Agent and invested in certain “Federal Securities” (as such term is defined in the Resolution), the principal of and interest on which, when due, has been calculated to be sufficient to pay (1) the interest coming due on the Bonds to be Defeased to their respective maturity or redemption dates and (2) the principal or Redemption Price of the Bonds to be Defeased on their respective maturity or redemption dates.

Upon the deposit of proceeds of the 2024 System Bonds pursuant to the Escrow Deposit Agreement and the investment in Federal Securities as provided therein, the Bonds to be Defeased shall no longer be deemed to be Outstanding under the Resolution.

THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY

Legal Authority and Responsibilities

The Authority is a public body corporate and politic, with corporate succession, constituted as an instrumentality of the State organized and existing under and pursuant to the Act. For the purpose of complying with Article V, Section IV, paragraph 1 of the New Jersey State Constitution, the Authority is allocated within, but is independent of any supervision or control by, the Department. The purpose of the Authority is to provide the payment for and financing of all or a portion of the costs incurred by the Department for the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of the State's transportation system, including, without limitation, (i) the State's share (which may include State advances with respect to any Federal share) under Federal aid highway laws of the costs of planning, acquisition, engineering, construction, reconstruction, repair, resurfacing and rehabilitation of public highways, (ii) the State's share (which may include State advances with respect to any Federal share) of the costs of planning, acquisition, engineering, construction, reconstruction, repair, permitted maintenance and rehabilitation of public transportation projects and other transportation projects in the State, and (iii) State aid to counties and municipalities for transportation projects (collectively, the "State Transportation System Costs").

Under the Act, the Commissioner is also authorized to enter into agreements with public or private entities for the loan of federal funds appropriated to the Department for the purpose of financing all, or a portion of, the costs incurred for the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of a transportation project by that public or private entity.

Pursuant to the Act, the Commissioner may from time to time (but not more frequently than monthly) certify to the Authority an amount necessary to fund payments made, or anticipated to be made, by or on behalf of the Department from legislative appropriations to the Department of Authority funds. Under the Act, the Authority is obligated to provide such amount from its revenues or other funds, including proceeds of Bonds. The Act directs the Authority, within fifteen (15) days of receipt of the Commissioner's certificate, to transfer funds to the State Treasurer for deposit in a special fund maintained by the State Treasurer (the "Special Transportation Fund") in an amount equal to the amount so certified by the Commissioner. Expenditures from the Special Transportation Fund may be made on behalf of the Department only pursuant to project-specific legislative appropriations. The Department currently provides such certificates on a monthly basis, when cash is necessary for disbursements for transportation system improvements, to attempt to minimize the amounts maintained in the Special Transportation Fund. The Special Transportation Fund is not pledged as security for obligations issued by the Authority under the Resolution.

Membership and Officers of the Authority

The Act provides that the Authority shall consist of seven members as follows: the Commissioner and the State Treasurer, who are members *ex-officio*, and five public members. Three of the public members are appointed by the Governor of the State (the "Governor"), with the advice and consent of the State Senate, one of whom must represent the interests of trade unions that work on the construction of public highways and another of whom must represent the interests of owners of firms that are eligible to submit bids for the construction of public highways. The two remaining public members also are appointed by the Governor, one upon the recommendation of the President of the State Senate and the other upon the recommendation of the Speaker of the State General Assembly. The public members serve a four-year term; *provided, however*, that the public member appointed by the Governor upon recommendation of the Speaker of the State General Assembly serves a two-year term. Each public member holds office for the term of the member's appointment and until a successor has been appointed and qualified. A member shall be eligible for reappointment. No more than four members of the Authority may be of the same political

party. All members of the Authority serve without compensation but may be reimbursed for their actual expenses necessarily incurred in the discharge of their official duties.

The Act provides that the Commissioner shall serve as Chairperson of the Authority and that the members of the Authority annually shall elect one of their members as Vice Chairperson. The members of the Authority also elect a secretary and a treasurer who need not be members of the Authority, and the same person may be elected to serve as both secretary and treasurer.

The present members of the Authority are:

Francis K. O'Connor: *ex-officio*, Chairperson; Acting Commissioner of the New Jersey Department of Transportation.

Elizabeth Maher Muoio: *ex-officio*; Treasurer of the State of New Jersey.

Greg Lalevee: Vice Chairperson; Statutory Representative of Interest of Trade Unions; Public Member.

Robert A. Briant, Jr.: Chief Executive Officer of the Utility and Transportation Contractors Association; Statutory Representative of Interest of Firm Owners; Public Member.

Nelson Ferreira: President & Chief Executive Officer of Ferreira Construction Company, Inc., Statutory Representative of a Transportation Firm; Public Member.

Jack Kocsis, Jr.: Chief Executive Officer of the Associated Construction Contractors of New Jersey; Public Member.

Khalid Anjum: Chief Innovation Officer of Middlesex County, New Jersey; Public Member.

The officers of the Authority are:

Charles Maciejunes: Executive Director; Chief Financial Officer of the New Jersey Department of Transportation.

David Moore: Treasurer; Director, Office of Public Finance, New Jersey Department of the Treasury.

Anthony Longo: Assistant Treasurer; Deputy Director, Office of Public Finance, New Jersey Department of the Treasury.

Naileen Rodriguez: Comptroller; Division of Budget, New Jersey Department of Transportation.

Raquel Rangel: Secretary; Division of Budget, New Jersey Department of Transportation.

Kimberly Minter: Assistant Secretary; Division of Budget, New Jersey Department of Transportation.

Powers of the Authority

Under the terms of the Act, the powers of the Authority are vested in the members thereof in office and four members of the Authority shall constitute a quorum at any meeting thereof. No vacancy in the membership of the Authority shall impair the right of a quorum of the members to exercise all the powers and perform all the duties of the Authority. Action may be taken and motions adopted by the Authority at

any meeting thereof by the affirmative vote of at least four members of the Authority. No action taken by the Authority at any meeting shall have force or effect until fifteen (15) days after a true copy of the minutes of such meeting has been delivered by and under the certification of the secretary of the Authority to the Governor, unless during such fifteen (15) day period the Governor (i) vetoes such action, in which case such action shall not become effective, or (ii) approves in writing the same or any part thereof, in which case the action becomes effective upon such approval.

In addition to the power to enter into the contracts with the State described under the heading “SECURITY FOR THE 2024 SYSTEM BONDS— Property Pledged to the 2024 System Bonds; the State Contract; the Act; the Resolution” herein, the Authority has (among others) the following powers:

- i. borrow money and issue its bonds, notes and other obligations and to secure the same by its revenues and other funds and to otherwise provide for and secure the payment thereof, and to provide for the refunding thereof;
- ii. to issue subordinated indebtedness and to enter into revolving credit agreements, lines of credit, letters of credit, reimbursement agreements, interest rate exchange agreements, insurance contracts, surety bonds, bond purchase agreements and other security agreements;
- iii. subject to any agreements with holders of its bonds, notes or other obligations, to invest any moneys not required for immediate use, including proceeds from the sale of bonds, notes or other obligations, at the discretion of the Authority, in such obligations, securities and other investments as the Authority shall deem prudent;
- iv. in its own name, or in the name of the State or in the name of New Jersey Transit Corporation (“NJ Transit”), to apply for and receive and accept appropriations or grants of property, money, services or reimbursements for money previously spent and other assistance made available to it by or from any person, government agency, public authority or any public or private entity whatever for any lawful corporate purpose of the Authority;
- v. subject to any agreement with holders of its bonds, notes or other obligations, to purchase bonds, notes or other obligations of the Authority out of any funds or moneys of the Authority available therefor, and to hold, cancel or resell the bonds, notes or other obligations; and
- vi. to acquire, lease as lessee or lessor, hold and dispose of real and personal property or any interest therein in the exercise of its powers and the performance of its duties under the Act.

No resolution or other action of the Authority providing for the issuance of the bonds, refunding bonds or other obligations shall be adopted by the Authority, or otherwise made effective, without prior written approval of the Governor and the State Treasurer. Any decision by the Authority to issue refunding bonds must be approved by JBOC.

THE TRANSPORTATION SYSTEM IMPROVEMENTS

The transportation system (which includes, but is not limited to, highways, roads, bridges, public transit facilities, pedestrian and bicycle trails, railroad rights-of-way, airports and intermodal facilities) of the State is among the most heavily used in the United States. The Department is implementing transportation system improvements which are expected to enable the State to construct, modernize, reconstruct, rehabilitate and maintain a safe, balanced, sound and efficient transportation system necessary for the well-being of the State’s citizens. The State’s commitment to the payment for and the financing of the transportation system improvements in a stable fashion is intended to ensure a predictable and

continuing public investment in the State's transportation system.

Pursuant to the Act, the transportation system improvements encompass the planning, acquisition, engineering, construction, reconstruction, repair, capital maintenance assistance, maintenance, operations, resurfacing and rehabilitation and improvement of, and acquisition of easements and rights-of-way with respect to, the transportation system, and any equipment, facility or property useful and related to the provision of any ground, waterborne or air transportation for the movement of people and goods. The transportation system improvements also include State aid to counties and municipalities for local transportation system improvements.

Improvements undertaken by the Department are to be funded primarily by a combination of Federal moneys, Authority funds and funds from the Port Authority of New York and New Jersey and from the New Jersey Turnpike Authority. Pursuant to legislative directive, the Authority is responsible for funding that portion of the State's share of these improvements that are not provided by other sources. Pursuant to the Act, the Authority is required to minimize debt incurrence by first relying on appropriations and other revenues available to the Authority before incurring debt to meet its statutory purposes.

THE NEW JERSEY DEPARTMENT OF TRANSPORTATION

The State Transportation System

New Jersey's transportation system consists of approximately 2,330 center line miles of state highways maintained by the Department, 35,906 center line miles maintained by independent state toll road authorities, county governments and municipal governments, and 545 center line miles maintained by other private and public entities. Approximately 6,805 bridges are located throughout the State, of which 2,590 are owned by the Department, 108 are maintained by NJ Transit, 1,326 are owned by independent state toll road authorities, 2,701 are owned by counties and municipalities and the remainder are owned by other private and public entities.

The State's transportation system also consists of commuter rail, light rail, and bus lines in the State, which are principally operated by NJ Transit. Covering a service area of 5,325 square miles, NJ Transit is one of the nation's largest providers of bus, rail and light rail transit, linking major points in New Jersey, New York and Philadelphia. NJ Transit operates a fleet of over 2,259 buses, 1,291 locomotives and rail cars, and 20 light rail cars. NJ Transit also provides more than 539 buses for local and community service. Riders took over 198 million unlinked trips in Fiscal Year 2023 on 263 bus routes, 12 heavy rail lines, and three light rail lines.

NJ Transit also provides connections to other transit systems. At New York's Penn Station, connections are available from NJ Transit lines to Amtrak, the Long Island Railroad and the New York City subway lines. In Trenton, riders can transfer to Southeastern Pennsylvania Transportation Authority ("SEPTA") and Amtrak trains. Hoboken Terminal and Newark Penn Station are transfer points to the Port Authority Trans-Hudson ("PATH") trains to Jersey City and New York City. At Lindenwold in Camden County, the Atlantic City Rail Line operated by NJ Transit connects with New Jersey-Pennsylvania Port Authority Transportation Company ("PATCO") rapid transit services to Camden and Philadelphia and with Amtrak trains.

Organization

The State has an integrated approach to all transportation needs. The Department's responsibilities have steadily changed since its establishment in 1966, with emphasis shifting from primarily highway-related programs to a balanced concern for highways and the preservation and improvement of rail and bus transportation. The Department is responsible for the maintenance and improvement of all State highways and bridges, the provision of assistance to counties and municipalities and the overall planning and coordination of the State's transportation system. The Department also reviews the operations of NJ Transit. Although NJ Transit is self-regulating as to fares and levels of service which it operates or supports, with the exception of interstate bus service, the Department retains certain regulatory control over safety and maintenance. The Department's mission is to provide for the movement of people and goods with a commitment to safety, excellence, efficiency, the environment and its customers-the citizens of the State.

The Department is headed by a Commissioner appointed by and directly responsible to the Governor for fulfilling the purposes and supervising the activities of the Department. The Commissioner is responsible for all policies and directives of the Department and serves as Chairperson of the Authority and of NJ Transit. A Deputy Commissioner, a Chief of Staff, and several Assistant Commissioners assist the Commissioner in managing the Department.

The Deputy Commissioner is responsible for the day-to-day operations of the Department, enabling the Commissioner to better balance his or her time in his or her roles as Chief Executive Officer of the Department, Chairperson of the Authority and of NJ Transit, and an *ex-officio* member of each of the State transportation authorities.

The Chief of Staff is responsible for legislative relations, communications, and customer advocacy.

The Assistant Commissioner of Administration is responsible for the planning and implementation of human resource strategy, plant facilities, and support services.

The Chief Financial Officer's areas of responsibility include budget, accounting and external auditing, information systems, and procurement. The Chief Financial Officer provides general oversight of the Department's financial affairs, ensures that financial transactions are in compliance with State and Federal regulations and implements sound financial management principles. In addition, as the Chief Financial Officer, he also acts as Executive Director of the Authority.

The Assistant Commissioner for Local Resources and Community Development is responsible for local aid, economic development, environmental resources, grant administration, aeronautics, the Major Access Permit Program, outdoor advertising, and concept development.

The Assistant Commissioner of Statewide Planning, Safety, and Capital Investment is responsible for capital investment program coordination, statewide planning, and highway safety. This area is responsible for the development of the Statewide Transportation Capital Investment Strategy, the Annual Capital Program and the Statewide Transportation Improvement Program.

The Assistant Commissioner for Capital Program Management ("CPM") is responsible for the development and delivery of the Department's annual Capital Program to ensure that program objectives, project commitments and schedules are met. CPM is comprised of seven divisions: Construction Services and Materials, Project Management, Right of Way and Access Management, Capital Program Support, Highway and Traffic Design, Bridge Engineering and Infrastructure Management, and Maritime Resources. This includes oversight of all aspects of: project management, environmental services, property acquisition, design, quality assurance, and construction management for all active projects. CPM is also responsible for

a number of other engineering functions that are ancillary to the delivery of the Capital Program including: pavement management, the “Good Neighbor” landscaping program, railroad grade crossing safety programs, the Wireless Communications License Program, and statewide compliance with National Bridge Inspection Standards.

The Assistant Commissioner of Operations is responsible for maintenance and operation of the State highway system, including snow and ice removal, emergency patrols, intelligent transportation systems and the equipment fleet and regional maintenance yards. The Assistant Commissioner coordinates the traffic operations centers and incident management services provided by the Department and the State’s independent toll road authorities. The Assistant Commissioner is also responsible for the Department’s physical plant facilities.

NJ Transit maintains its own financial management and accounting systems, in accordance with its statutory powers and in conformity with general State practices and Federal requirements. As a general practice, NJ Transit draws funds appropriated by the State on a periodic basis and administers its own investments and disbursements. NJ Transit’s finances are audited annually by an independent auditor and are reported to the State Legislature.

LEGALITY FOR INVESTMENT

The Act provides that the State and all public officers, governmental units and agencies thereof, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds or notes issued pursuant to the Act, and the bonds or notes shall be authorized security for any and all public deposits.

LITIGATION

There is no litigation of any nature now pending, or, to the knowledge of the Authority, threatened, restraining or enjoining the issuance, sale, execution or delivery of the 2024 System Bonds, or the contemplated uses of the proceeds of the 2024 System Bonds, or in any way contesting or affecting the validity of the 2024 System Bonds, the State Contract, the Act or any proceedings of the Authority or the State taken with respect to the issuance, sale, execution or delivery thereof, or the pledge or application of any moneys or security provided for the payment of the 2024 System Bonds, or the existence or powers of the Authority or the State Contract or the title of any officers or members of the Authority to their respective positions.

CERTAIN LEGAL MATTERS

Legal matters related to the authorization, execution, issuance and delivery of the 2024 System Bonds are subject to the approval of M. Jeremy Ostow, Esq., South Orange, New Jersey and Chiesa Shahinian & Giantomasi PC, Roseland, New Jersey, Co-Bond Counsel to the Authority (“Co-Bond Counsel”). The opinions of Co-Bond Counsel will be delivered with the 2024 System Bonds in substantially the form included in this Official Statement as Appendix V. Certain legal matters in connection with the 2024 System Bonds will be passed upon for the Authority by the Attorney General of the State and for the Underwriters by their co-counsel, Eckert Seamans Cherin & Mellott, LLC, Philadelphia, Pennsylvania and Princeton, New Jersey and Connell Foley LLP, Jersey City, New Jersey.

TAX MATTERS

2024 Series A Bonds

The Internal Revenue Code of 1986, as amended (the “Code”), imposes certain requirements that must be met on a continuing basis subsequent to the issuance and delivery of the 2024 Series A Bonds in order that interest on the 2024 Series A Bonds will be and remain excluded from the gross income of the owners thereof for federal income tax purposes under Section 103 of the Code. In its Tax Regulatory Agreement (the “Tax Certificate”) dated the date of issuance and delivery of the 2024 Series A Bonds, the Authority represents that the Authority expects and intends to be able to comply with, and will, to the extent permitted by law, comply with, the provisions and procedures set forth in the Tax Certificate and will do and perform all acts and things necessary or desirable in order to ensure that interest on the 2024 Series A Bonds will be and remain excluded from gross income for federal income tax purposes. Failure of the Authority to comply with the requirements of the Code may cause interest on the 2024 Series A Bonds to be included in gross income of the owners thereof, retroactive to the date of issuance of the 2024 Series A Bonds. Co-Bond Counsel has relied upon the representations made in the Tax Certificate and has assumed continuing compliance by the Authority with all applicable federal tax law requirements in rendering its opinions with respect to the exclusion of interest on the 2024 Series A Bonds from gross income for federal income tax purposes. Based upon the foregoing, Co-Bond Counsel is of the opinion that, pursuant to the applicable provisions of the Code and related regulations, rulings and judicial decisions, interest on the 2024 Series A Bonds is not includable in gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Code and is not treated as a preference item in calculating the alternative minimum tax under the Code. However, interest on the 2024 Series A Bonds is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code.

The 2024 Series A Bonds are being sold on the same date as the Authority’s 2024 Series AA Bonds. The 2024 Series AA Bonds are being issued under and pursuant to a separate bond resolution from the 2024 Series A Bonds and are being sold pursuant to a separate official statement from the 2024 Series A Bonds. Pursuant to Treasury Regulations Section 1.150-1(c)(1), in general, if two or more bond issues are sold at substantially the same time, pursuant to a common plan of finance, and are reasonably expected to be paid from the same source of funds for federal income tax purposes, then such bonds will be treated as part of the same issue for federal income tax purposes. The effect of being treated as one issue for federal income tax purposes is that the failure of one of the bond issues to comply with the requirements of the Code and Treasury Regulations applicable to such bond issue could cause interest on such bond issue to be includable in gross income of the holders of the bonds of such bond issue retroactive to the date of issuance of such bond issue, and could also cause interest on such other bond issue to be includable in gross income of the holders of the bonds of such other bond issue retroactive to the date of issuance of such other bond issue. Accordingly, pursuant to Treasury Regulations Section 1.150-1(c)(1), the 2024 Series A Bonds and the 2024 Series AA Bonds are being treated as part of the same issue for federal income tax purposes, including those provisions of the Code that relate to arbitrage and rebate. Therefore, the continuing federal tax exemption of the 2024 Series A Bonds will be dependent upon, among other things, compliance by the Authority with the applicable requirements of the Code with respect to the 2024 Series A Bonds and with respect to the 2024 Series AA Bonds.

[Under Section 171(a)(2) of the Code, no deduction is allowed for the amortizable bond premium (determined in accordance with Section 171(b) of the Code) on tax-exempt bonds. Under Section 1016(a)(5) of the Code, however, an adjustment must be made to the owner’s basis in such bond to the extent of any amortizable bond premium that is disallowable as a deduction under Section 171(a)(2) of the Code.]

Certain Federal Tax Consequences Relating to the 2024 Series A Bonds

Although interest on the 2024 Series A Bonds is excluded from gross income for federal income tax purposes, the accrual or receipt of interest on the 2024 Series A Bonds may otherwise affect the federal income tax liability of the recipient. The nature and extent of these other tax consequences will depend upon the recipient's particular tax status and other items of income or deduction. Co-Bond Counsel expresses no opinion regarding any federal tax consequences other than as expressly set forth herein. Prospective purchasers of the 2024 Series A Bonds are advised to consult their own tax advisors as to the tax consequences of purchasing or holding the 2024 Series A Bonds.

The Internal Revenue Service (the "Service") has an ongoing program of auditing state and local government obligations, which may include randomly selecting bond issues for audit, to determine whether interest paid to the holders thereof is properly excludable from gross income for federal income tax purposes. It cannot be predicted whether the 2024 Series A Bonds will be audited. If an audit is commenced, under current Service procedures, the holders of the 2024 Series A Bonds may not be permitted to participate in the audit process. The commencement of an audit could adversely affect the value and liquidity of the 2024 Series A Bonds until the audit is concluded, regardless of the ultimate outcome.

2024 Series B Bonds

Interest on the 2024 Series B Bonds is includable in gross income for federal income tax purposes. Each prospective purchaser of the 2024 Series B Bonds should consult with its own tax advisor concerning the federal income tax and other tax consequences to it of the acquisition, ownership and/or disposition of the 2024 Series B Bonds, including any tax consequences that may arise under the laws of any governmental authority or local or foreign tax jurisdiction.

New Jersey Gross Income Tax

In the opinion of Co-Bond Counsel, interest on and any gain realized on the sale of the 2024 System Bonds are not includable in gross income under the existing New Jersey Gross Income Tax Act.

Future Events

Tax legislation, administrative action taken by tax authorities, and court decisions at the federal level may adversely affect the exclusion from gross income of interest on the 2024 Series A Bonds for federal income tax purposes, and tax legislation, administrative action taken by tax authorities and court decisions at the State level may adversely affect the exclusion of interest on and any gain realized on the sale of the 2024 System Bonds under the existing New Jersey Gross Income Tax Act, and any such legislation, administrative action or court decisions could adversely affect the market value or marketability of the 2024 System Bonds.

Co-Bond Counsel is rendering its opinions under existing law as of the issue date of the 2024 System Bonds and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation thereof, or otherwise.

ALL PURCHASERS OF THE 2024 SYSTEM BONDS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS REGARDING ANY CHANGES IN THE STATUS OF PENDING OR PROPOSED FEDERAL OR NEW JERSEY STATE TAX LEGISLATION, ADMINISTRATIVE ACTIONS TAKEN BY TAX AUTHORITIES, OR COURT DECISIONS.

ALL PURCHASERS OF THE 2024 SYSTEM BONDS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS IN ORDER TO UNDERSTAND THE IMPLICATIONS OF THE CODE.

In addition, filings with respect to certain bond insurer ratings changes were either posted late or the filings were not posted at all. The State Treasurer and the Authority are not always made aware of or may not have received notices from the rating agencies or the bond insurers of changes in the bond insurers' ratings. (Section 509A of the Bond Resolution)

Subordinated Debt.

The Authority may, at any time, or from time to time, issue Subordinated Debt pursuant to a Supplemental Resolution or any other resolution of the Authority for any of its corporate purposes payable out of, and which may be secured by a pledge of, the Revenues as may from time to time be available for deposit to and deposited in the Subordinated Debt Fund for the purpose of payment thereof; provided, however, that such pledge shall be, and shall be expressed to be, subordinate in all respects to the pledge created by the Resolution as security for the Bonds and any Financing Facility Payment Obligations which are secured on a parity with the Bonds.

The Authority may also, at any time or from time to time, issue Subordinated Debt to refund any Subordinated Debt issued as provided in Section 511 of the Bond Resolution or to refund Outstanding Bonds of one or more Series or one or more maturities within a Series. Such Subordinated Debt issued for refunding purposes may be payable out of, and may be secured by a pledge of, the Revenues as may from time to time be available therefor, provided that any such payment or pledge shall be, and shall be expressed to be, subordinate and junior in all respects to the pledge and lien created under the Resolution as security for the Bonds.

The resolution, indenture or other instrument securing or evidencing each issue of Subordinated Debt shall contain provisions (which shall be binding on all holders of such Subordinated Debt) not more favorable to the holders of such Subordinated Debt than the following:

(a) In the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, relative to the Authority or to its creditors, as such, or to its property, and in the event of any proceedings for voluntary liquidation, dissolution or other winding up of the Authority, whether or not involving insolvency or bankruptcy, the Holders of all Bonds then Outstanding shall be entitled to receive payment in full of all principal, premium, if any, and interest on all such Bonds before the holders of the Subordinated Debt are entitled to receive any payment from the trust estate under the Resolution consisting of the Revenues and Funds held under the Resolution (referred to in Section 511 of the Bond Resolution as the "Trust Estate") on account of principal (and premium, if any) and interest upon the Subordinated Debt.

(b) In the event that any issue of Subordinated Debt is declared due and payable before its expressed maturity because of the occurrence of an event of default (under circumstances when the provisions of (a) above shall not be applicable), the Holders of all Bonds Outstanding at the time such Subordinated Debt so becomes due and payable because of such occurrence of such an event of default shall be entitled to receive payment in full of all principal and interest on all such Bonds before the holders of the Subordinated Debt are entitled to receive any accelerated payment from the Trust Estate of principal (and premium, if any) or interest upon the Subordinated Debt.

(c) If any Event of Default with respect to the Bonds shall have occurred and be continuing (under circumstances when the provisions of (a) above shall not be applicable), the Holders of all Bonds then Outstanding shall be entitled to receive payment in full of all principal and interest on all such Bonds before the holders of the Subordinated Debt are entitled to receive any accelerated payment from the Trust Estate of principal (and premium, if any) or interest upon the Subordinated Debt.

(d) No Bondholder shall be prejudiced in his, her or its right to enforce subordination of the Subordinated Debt by any act or failure to act on the part of the Authority.

(e) The Subordinated Debt may provide that the provisions of (a), (b), (c) and (d) above are solely for the purpose of defining the relative rights of the Holders of the Bonds on the one hand, and the holders of Subordinated Debt on the other hand, and that nothing therein shall impair, as between the Authority and the holders of the Subordinated Debt, the obligation of the Authority, which is unconditional and absolute, to pay to the holders thereof the principal thereof and premium, if any, and interest thereon in accordance with its terms, nor shall anything therein prevent the holders of the Subordinated Debt from exercising all remedies otherwise permitted by applicable law or thereunder upon default thereunder, subject to the rights under (a), (b), (c) and (d) above of the Holders of Bonds to receive cash, property or securities otherwise payable or deliverable to the holders of the Subordinated Debt; and the Subordinated Debt may provide that, insofar as a trustee or paying agent for such Subordinated Debt is concerned, the foregoing provisions shall not prevent the application by such trustee or paying agent of any moneys deposited with such trustee or paying agent for the purpose of the payment of or on account of the principal (and premium, if any) and interest on such Subordinated Debt if such trustee or paying agent did not have knowledge at the time of such application that such payment was prohibited by the foregoing provisions.

Any issue of Subordinated Debt may have such rank or priority with respect to any other issue as may be provided in the Supplemental Resolution, resolution, indenture or other instrument securing such issue of Subordinated Debt and may contain such other provisions as are not in conflict with the provisions of the Resolution.

(Section 511 of the Bond Resolution)

Investment of Certain Funds.

Moneys held in the Debt Service Fund and the Debt Service Reserve Fund shall be invested and reinvested by the Trustee to the fullest extent practicable in Federal Securities which mature, (a) in the case of moneys held in the Debt Service Reserve Fund without restriction as to time, and (b) in the case of moneys held in the Debt Service Fund not later than such times as shall be necessary to provide moneys when needed for payments to be made from such Fund. Moneys held in the Transportation Improvement Fund, the Subordinated Debt Fund and the Authority Reserve Fund may be invested and reinvested in Investment Securities which mature not later than such times as shall be necessary to provide moneys when needed for payments to be made from such Fund. The Trustee shall make all such investments of moneys held by it in accordance with written instructions from time to time received from any Authorized Officer of the Authority. In making any investment in any Investment Securities with moneys in any Fund or Account established under the Resolution, the- Authority may instruct the Trustee or any Depository to

combine such moneys with moneys in any other Fund or Account, but solely for purposes of making such investment in such Investment Securities.

Interest (net of that which represents a return of accrued interest paid in connection with the purchase of any investment) earned or any gain realized on any moneys or investments in such Funds or Accounts, other than the Debt Service Fund shall be held for the benefit of the Transportation Improvement Fund and shall be paid into the Transportation Improvement Fund on a periodic basis at least quarterly as shall be directed by the Authority. Interest earned or gain realized on any moneys or investments in the Debt Service Fund shall be held in such Fund for the purposes thereof.

Nothing in the Resolution shall prevent any Investment Securities acquired as investments of or security for funds held under the Resolution from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

Nothing in the Resolution shall preclude the Trustee from investing or reinvesting moneys through its bond department; provided, however, that the Authority may, in its discretion, direct that such moneys be invested or reinvested in a manner other than through such bond department.

(Section 603 of the Bond Resolution)

Swap Agreements; Financing Facilities.

Whenever the Authority desires to enter into a Swap Agreement, it shall give notice to each Rating Agency of its intent and shall provide to the Rating Agency copies of the proposed Swap Agreement and any other documentation or information reasonably requested by the Rating Agency at least fifteen (15) days prior to entering into such an agreement so that the Rating Agency may comment on the proposed Swap Agreement and indicate the effect of such agreement on the rating assigned by that Rating Agency to any Series of Bonds. Any proposed Swap Provider must be assigned a rating by each Rating Agency which has assigned or will assign a rating to the applicable Series of Bonds of (a) at least A, or (b) such higher rating as any such Rating Agency shall then require in order to obtain or maintain the rating then assigned or to be assigned to the applicable Series of Bonds.

Any Swap Agreement shall provide that, if the rating assigned by a Rating Agency to the Swap Provider shall be withdrawn or shall be lowered below the required minimum, the Authority shall have the option of (i) declaring a termination event under such agreement; or (ii) requiring the Swap Provider to post collateral or a guaranty or other surety sufficient to satisfy the minimum rating requirement.

Prior to obtaining any Financing Facility, the Authority shall give each Rating Agency notice of its intent to do so and shall provide to the Rating Agency copies of the Financing Facility, any reimbursement or purchase agreement relating thereto and any other documentation or information reasonably requested by the Rating Agency at least fifteen (15) days prior to obtaining the Financing Facility so that the Rating Agency may comment on the proposed Financing Facility and indicate the effect of such Financing Facility on the rating assigned by the Rating Agency to any Series of Bonds.

(Section 605 of the Bond Resolution)

Revenue Contracts.

The Authority shall collect and forthwith cause to be deposited with a Depository in the Transportation Improvement Fund all amounts, if any, payable to it pursuant to the Revenue Contracts. The Authority shall enforce the provisions of the Revenue Contracts and agreements thereunder. The Authority will not consent or agree to or permit any amendment, change or modification to any Revenue Contracts which would reduce the amounts payable to the Authority or extend the times when such payments are to be made thereunder. A copy of each of the Revenue Contracts certified by an Authorized Officer of the Authority shall be filed with the Trustee, and a copy of any such amendment certified by an Authorized Officer of the Authority shall be filed with the Trustee.

(Section 708 of the Bond Resolution)

Events of Default.

The following events shall constitute an Event of Default under the Resolution:

(i) if default shall be made in the due and punctual payment of the principal or Redemption Price of any Bond when and as the same shall become due and payable, whether at maturity or by call for redemption, or otherwise;

(ii) if default shall be made in the due and punctual payment of any installment of interest on any Bond when and as such interest shall become due and payable;

(iii) if default shall be made in the due and punctual payment of principal, interest or any other amounts payable in connection with any Subordinated Debt;

(iv) if default shall be made by the Authority in the performance or observance of any other covenants, agreements or conditions on its part in the Resolution or in the Bonds contained, and such default shall continue for a period of sixty (60) days after written notice thereof to the Authority by the Trustee or to the Authority and to the Trustee by the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds Outstanding;

(v) if the Authority shall commence a voluntary case or similar proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect or shall authorize, apply for or consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator or similar official and/or its rents, fees, charges or other revenues therefrom, or shall make any general assignment for the benefit of creditors, or shall make a written declaration or admission to the effect that it is unable to meet its debts as such debts mature, or shall authorize or take any action in furtherance of any of the foregoing;

(vi) if a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Authority in an involuntary case or similar proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or a decree or order appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official for the Authority, and/or the rents, fees, charges or other revenues therefor, or a decree or order for the dissolution, liquidation or winding up of the Authority and its affairs or a decree or order finding or determining that the Authority is unable to meet its debts as such debts mature, and any such decree or order shall remain unstayed and in effect for a period of sixty (60) consecutive days; or

(vii) if, pursuant to the terms of any Financing Facility, the Trustee shall receive a notice from the issuer of such Financing Facility stating that an event of default has occurred in respect of the Authority's

obligations under such Financing Facility and directing the Trustee to declare the principal of and interest on the applicable Bonds to be immediately due and payable.

Upon the occurrence of an Event of Default, and so long as such Event of Default shall not have been remedied, unless the principal of all the Bonds shall have already become due and payable, the Trustee may, and at the written request of the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds Outstanding shall, declare the principal of all the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and be immediately due and payable, anything in the Resolution or in any of the Bonds contained to the contrary notwithstanding. The right of the Trustee to make any such declaration as aforesaid, however, is subject to the condition that if, at any time after such declaration, but before the Bonds shall have matured by their terms, all overdue installments of principal, Redemption Price and interest upon the Bonds, together with interest on such overdue installments to the extent permitted by law and the reasonable and proper fees, charges, expenses and liabilities of the Trustee, and all other sums then payable by the Authority under the Resolution (except the principal of, and interest accrued since the next preceding Payment Date on the Bonds due and payable solely by virtue of such declaration) shall either be paid by or for the account of the Authority or provision satisfactory to the Trustee shall be made for such payment, and all defaults under the Bonds or under the Resolution (other than the payment of principal and interest due and payable solely by reason of such declaration) shall be made good or be secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, then and in every such case the Holders of twenty-five percent (25%) in principal amount of the Bonds Outstanding, by written notice to the Authority and the Trustee, may rescind such declaration and annul such default in its entirety, or, if the Trustee shall have acted itself, and if there shall not have been theretofore delivered to the Trustee written direction to the contrary by the Holders of twenty-five percent (25%) in principal amount of the Bonds Outstanding, then any such declaration shall *ipso facto* be deemed to be rescinded and any such default shall *ipso facto* be deemed to be annulled, but no such rescission or annulment shall extend to or affect any subsequent default or impair or exhaust any right or power consequent thereon.

Notwithstanding the foregoing, and unless otherwise provided in the applicable Supplemental Resolution or Series Certificate, if an Event of Default described in subsection (ii) above shall occur by reason of the failure by any Swap Provider to make any payment to the Authority or to the Trustee when due as required pursuant to the terms of the applicable Swap Agreement, neither the Trustee nor the Bondholders shall have any right to declare an acceleration of the Bonds as aforesaid unless and until there shall occur an early termination of the applicable Swap Agreement. If such Event of Default is cured (including, to the extent permitted by law, the payment of interest on overdue payments to the extent provided in the applicable Swap Agreement) prior to such early termination date (or on such date if the cure is effected by entering into a substitute Swap Agreement), no acceleration shall be declared with respect to such Event of Default and the Bonds shall remain Outstanding and in full force and effect.

(Section 801 of the Bond Resolution)

Application of Pledged Property and Debt Service Reserve Fund After Default.

The Authority covenants that if an Event of Default shall occur and shall not have been remedied, the Authority, upon the demand of the Trustee, shall pay over or cause to be paid over to the Trustee (a) forthwith, all Pledged Property then held by the Authority under the Resolution, (b) the Debt Service Reserve Fund, and (c) all revenues which are not paid directly to the Trustee as promptly as practicable after receipt thereof.

During the continuance of an Event of Default, the Trustee shall apply the Pledged Property, including all moneys, securities, funds and Revenues received by the Trustee pursuant to any right given or action taken under the provisions of Article VIII of the Resolution together with all Funds held by the

Trustee under the Resolution (other than the Debt Service Reserve Fund and the Rebate Fund) as follows and in the following order:

(i) Expenses of Fiduciaries -- to the payment of the reasonable and proper fees (including reasonable attorneys' fees), charges, expenses and liabilities of the Fiduciaries;

(ii) Principal or Redemption Price and Interest -- to the payment of the interest and principal or Redemption Price then due on the Bonds, as follows:

(a) unless the principal of all of the Bonds shall have become or have been declared due and payable,

First: Interest -- To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, together with accrued and unpaid interest on the Bonds theretofore called for redemption, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; provided, however, that with respect to any Related Swap Bonds, interest shall be calculated at the effective fixed rate of interest (as set forth in the applicable Series Certificate and Swap Agreement) to be paid by the Authority by reason of the operation of the applicable Swap Agreement, and shall be applied, pro rata, to the payment of interest on such Related Swap Bonds at the actual rate of interest then in effect and Swap Payment Obligations payable by the Authority (including Swap Termination Payments) under such Swap Agreement; and

Second: Principal or Redemption Price -- To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference; provided, however, that amounts which would otherwise be payable in respect of the principal of any Related Swap Bonds will be applied, pro rata, to the payment of such principal and to the payment of any Swap Termination Payments payable by the Authority if so provided in the applicable Swap Agreement;

(b) if the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds; provided, however, that with respect to any Related Swap Bonds, interest shall be calculated at the fixed rate of interest (as set forth in the applicable Series Certificate and Swap Agreement) to be used in determining the Authority's Bond Payment Obligations in respect of the Related Swap Bonds and shall be applied, together with all amounts which would otherwise be payable in respect of the principal of any Related Swap Bonds, pro rata, to the payment of the principal of and interest on such Related Swap Bonds at the actual rate of interest then in effect and Swap Payment Obligations (including Swap Termination Payments) under such Swap Agreement.

(c) Notwithstanding the foregoing, to the extent provided in the applicable Supplemental Resolution or Series Certificate, Financing Facility Revenues shall be applied to the payment of principal or Redemption Price of, and interest on, the Bonds to which such Financing Facility relates,

and amounts which would otherwise be paid to the Holders of such Bonds shall be paid to the applicable Financing Facility Provider.

During the continuance of an Event of Default and after application of the Pledged Property as provided above, the Trustee shall apply each Account in the Debt Service Reserve Fund to the extent necessary to make up any deficiency in the payment of Fiduciary expenses and in the payment of principal or Redemption Price of or interest on Reserve Fund Bonds, as follows and in the following order:

(i) Expenses of Fiduciaries -- to the payment of the reasonable and proper fees (including reasonable attorneys' fees), charges, expenses and liabilities of the Fiduciaries;

(ii) Principal or Redemption Price and Interest -- to the payment of the interest and principal or Redemption Price then due on the applicable Reserve Fund Bonds, as follows:

(a) unless the principal of all of such Reserve Fund Bonds shall have become due or have been declared due and payable,

First: Interest -- To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, together with accrued and unpaid interest on the Reserve Fund Bonds theretofore called for redemption, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and

Second: Principal or Redemption Price -- To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Reserve Fund Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Reserve Fund Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference;

(b) if the principal of all of the Reserve Fund Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Reserve Fund Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Reserve Fund Bond over any other Reserve Fund Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Reserve Fund Bonds.

During the continuance of an Event of Default, but subject and subordinate to the amounts required to be paid pursuant to the first two paragraphs under this subheading, and only after all amounts required to be paid pursuant to the first two paragraphs under this subheading have been paid in full, the Trustee shall apply any and all moneys, securities and Revenues then on deposit in or available for deposit to the Subordinated Debt Fund first to the payment of the reasonable and proper fees (including reasonable attorneys' fees), charges, expenses and liabilities of the Fiduciaries, and second to the payment to the persons entitled thereto of all installments of principal, redemption or prepayment price of, interest on and any other amounts payable in connection with any Subordinated Debt then outstanding, in such order of priority as shall be specified in the Supplemental Resolutions or other resolutions of the Authority authorizing the issuance of such Subordinated Debt or, if not so specified, pro rata.

If and whenever all overdue installments of principal or Redemption Price of, and interest on, all Bonds and Financing Facility Payment Obligations, together with the reasonable and proper charges, fees

(including reasonable attorneys' fees), expenses and liabilities of the Trustee, and all other sums payable by the Authority under the Resolution, including the principal and Redemption Price of and accrued unpaid interest on all Bonds which shall then be payable, by declaration or otherwise shall either be paid by or for the account of the Authority, or provisions satisfactory to the Trustee shall be made for such payment, and all defaults under the Resolution or the Bonds shall be made good or secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, the Trustee shall pay over to the Authority all moneys, securities and funds then remaining unexpended in the hands of the Trustee (except moneys, securities and funds deposited or pledged, or required by the terms of the Resolution to be deposited or pledged, with the Trustee), and thereupon the Authority and the Trustee shall be restored, respectively, to their former positions and rights under the Resolution. No such payment over to the Authority by the Trustee nor such restoration of the Authority and the Trustee to their former positions and rights shall extend to or affect any subsequent default under the Resolution or impair any right consequent thereon.

(Section 803 of the Bond Resolution)

Proceedings Brought by Trustee.

If an Event of Default shall happen and shall not have been remedied, then and in every such case, the Trustee, by its agents and attorneys, may proceed, and upon written request of the Holders of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding shall proceed, to protect and enforce its rights and the rights of the Holders of the Bonds under the Resolution forthwith by a suit or suits in equity or at law, whether for the specific performance of any covenant herein contained, or in aid of the execution of any power herein granted, or for an accounting against the Authority as if the Authority were the trustee of an express trust, or in the enforcement of any other legal or equitable right as the Trustee, being advised by counsel, shall deem most effectual to enforce any of its rights or to perform any of its duties under the Resolution.

All rights of action under the Resolution may be enforced by the Trustee without the possession of any of the Bonds or the production thereof at the trial or other proceedings, and any such suit or proceedings instituted by the Trustee shall be brought in its name.

The Holders of not less than a majority in principal amount of the Bonds at the time Outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, provided that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action or proceeding so directed may not lawfully be taken, or if the Trustee in good faith shall determine that the action or proceeding so directed would involve the Trustee in personal liability or be unjustly prejudicial to the Bondholders not parties to such direction.

Upon commencing a suit in equity or upon other commencement of judicial proceedings by the Trustee to enforce any right under the Resolution, the Trustee shall be entitled to exercise any and all rights and powers conferred in the Resolution and provided to be exercised by the Trustee upon the occurrence of any Event of Default.

Regardless of the happening of an Event of Default, the Trustee shall have power to, but unless requested in writing by the Holders of twenty-five percent (25%) in principal amount of the Bonds then Outstanding and furnished with reasonable security and indemnity, shall be under no obligation to, institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under the Resolution by any acts which may be unlawful or in violation of the Resolution, and such suits and proceedings as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders.

(Section 804 of the Bond Resolution)

Restrictions on Bondholder's Action.

No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provision of the Resolution or the execution of any trust under the Resolution or for any remedy under the Resolution, unless such Holder shall have previously given to the Trustee written notice of the happening of an Event of Default, as provided in Article VIII of the Resolution, and the Holders of at least twenty-five percent (25%) in principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity, either to exercise the powers granted in the Resolution or by the Act or by the laws of the State of New Jersey or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity against the costs, fees (including reasonable attorneys' fees), expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his, her, its or their action to affect, disturb or prejudice the pledge created by the Resolution, or to enforce any right under the Resolution, except in the manner therein provided; and that all proceedings at law or in equity to enforce any provision of the Resolution shall be instituted, had and maintained in the manner provided in the Resolution and for the equal benefit of all Holders of the Outstanding Bonds, subject only to the provisions of the Resolution.

Nothing in the Resolution or in the Bonds contained shall affect or impair the obligation of the Authority, which is absolute and unconditional, to pay at the respective dates of maturity and places therein expressed the principal of (and premium, if any) and interest on the Bonds to the respective Holders thereof, or affect or impair the right of action, which is also absolute and unconditional, of any Holder to enforce such payment of his Bond.

(Section 805 of the Bond Resolution)

The Resolution requires the appointment by the Authority of a Trustee and one or more Paying Agents (which may include the Trustee). The Trustee may at any time resign by giving not less than ninety (90) days' written notice to the Authority and mailing notice thereof to the Holders of Bonds then Outstanding, may be removed at any time with or without cause by the Holders of a majority in principal amount of the Bonds then Outstanding and may be removed at any time with or without cause by the Authority. Any Paying Agent may at any time resign by giving at least sixty (60) days' written notice to the Authority, the Trustee and the other Paying Agents and may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by an Authorized Officer of the Authority. Any successor Trustee or Paying Agent must be a bank or trust company organized under the laws of any state of the United States or a national banking association having capital stock, surplus and undivided earnings aggregating \$50,000,000.

(Sections 901, 902, 907, 908, 909 and 913 of the Bond Resolution)

(1) To authorize Bonds of a Series and, in connection therewith, specify and determine the matters and things referred to in Article n of the Resolution, and also any other matters and things relative to such Bonds which are not contrary to or inconsistent with the Resolution as theretofore in effect, or to amend, modify or rescind any such authorization, specification or determination at any time prior to the first authentication and delivery of such Bonds;

(2) To close the Resolution against, or provide limitations and restrictions in addition to the limitations and restrictions contained in the Resolution on, the authentication and delivery of Bonds or the issuance of other evidences of indebtedness;

(3) To add to the covenants and agreements of the Authority in the Resolution, other covenants and agreements to be observed by the Authority which are not contrary to or inconsistent with the Resolution as theretofore in effect;

(5) To authorize, in compliance with all applicable law, Bonds of each Series to be issued in the form of coupon Bonds registrable as to principal only and, in connection therewith, specify and determine the matters and things relative to the issuance of such coupon Bonds, including provisions relating to the timing and manner of provision of any notice required to be given under the Resolution to the Holders of such coupon Bonds, which are not contrary to or inconsistent with the Resolution as theretofore in effect, or to amend, modify or rescind any such authorization, specification or determination at any time prior to the first authentication and delivery of such coupon Bonds;

(6) To authorize, in compliance with all applicable law, Bonds of each Series to be issued in the form of Bonds issued and held in book-entry form on the books of the Authority and Fiduciary or custodian appointed for that purpose by the Authority and, in connection therewith, make such additional changes in the Resolution, not adverse to the rights of the Holders of the Bonds, as are necessary or appropriate to accomplish or recognize such book-entry form Bonds, substitute for any such Fiduciary or custodian, provide for in, and amend any provisions in, the Resolution relating to the giving of notice, and specify and determine the matters and things relative to the issuance of such book-entry form Bonds as are appropriate or necessary;

(9) To authorize the issuance of Subordinated Debt in accordance with the Resolution and the Act.

For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution may be adopted, which, upon (i) the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Authority, and (ii) the filing with the Authority of an instrument in writing made by the Trustee consenting thereto, shall be fully effective in accordance with its terms:

(1) To cure any ambiguity, supply any omission, or correct any defect or inconsistent provision in the Resolution; or

(2) To insert such provisions clarifying matters or questions arising under the Resolution as are necessary or desirable and are not contrary to or inconsistent with the Resolution as theretofore in effect.

(Sections 1001 and 1002 of the Bond Resolution)

Amendments; Consent.

Any modification or amendment of the Resolution and of the rights and obligations of the Authority and of the Holders of the Bonds thereunder, in any particular, may be made by a Supplemental Resolution with the written consent, given as provided in the following paragraph, of the Holders of at least a majority in principal amount of the Bonds Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under Section 1102 of the Bond Resolution. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto, or shall permit a change in the terms of redemption or prepayment of any Subordinated Debt or the payment of interest thereon or any other amount payable in connection therewith without the consent of the holder of such Subordinated Debt. For the purpose of Section 1102 of the Bond Resolution, a Series shall be deemed to be affected by a modification or amendment of the Resolution if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. The Trustee may in its discretion determine whether or not, in accordance with the foregoing powers of amendment, Bonds of any particular Series or maturity would be affected by any modification or amendment of the Resolution and any such determination shall be binding and conclusive on the Authority and all Holders of Bonds.

The Authority may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the foregoing paragraph to take effect when and as provided in this paragraph. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Authority to Bondholders (but failure to mail such copy and request shall not affect the validity of the Supplemental Resolution when consented to as in this paragraph provided). Such Supplemental Resolution shall not be effective unless and until (i) there shall have been filed with the Trustee (a) the written consents of Holders of the percentages of Outstanding Bonds specified in the foregoing paragraph, (b) the written consent of any Financing Facility Provider the consent of which is required pursuant to the applicable Financing Facility and (c) an opinion of Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Authority in accordance with the provisions of the Resolution, is authorized or permitted by the Resolution, and is valid and binding upon

the Authority and enforceable in accordance with its terms, subject to any applicable bankruptcy, insolvency or other laws affecting creditors' rights generally, and (ii) a notice shall have been given as hereinafter in this paragraph provided. Each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given. A certificate or certificates executed by the Trustee and filed with the Authority stating that it has examined such proof and that such proof is sufficient shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates of the Trustee. Any such consent shall be binding upon the Holder of the Bonds giving such consent and upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof) unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this paragraph provided for is filed, such revocation and, if such Bonds are transferable by delivery, proof that such Bonds are held by the signer of such revocation. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Authority to the effect that no revocation thereof is on file with the Trustee. At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Authority a written statement that the Holders of such required percentages of Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. At any time thereafter, notice stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Authority on a stated date, a copy of which is on file With the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this paragraph, may be given to Bondholders by the Authority by mailing such notice to Bondholders (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this paragraph provided). The Authority shall file with the Trustee proof of the mailing thereof. A record, consisting of the certificates or statements required or permitted by this paragraph to be made by the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Authority, the Fiduciaries and the Holders of all Bonds at the expiration of forty (40) days after the filing with the Trustee of the proof of the mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such forty (40) day period; provided, however, that any Fiduciary and the Authority during such forty (40) day period and any such further period during which any such action or proceeding may be pending shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

(Sections 1102 and 1103 of the Bond Resolution)

Defeasance.

If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and in the Resolution, then the pledge of the Pledged Property, Debt Service Reserve Fund, any Revenues, and other moneys and securities pledged under the Resolution and all covenants, agreements and other obligations of the Authority to the Bondholders, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Authority to be prepared and filed with the Authority and, upon the request of the Authority, shall execute and deliver to the Authority all such instruments as may be desirable to evidence such discharge and satisfaction, and the Fiduciaries shall pay over or deliver to the Authority the Pledged Property and the Debt Service Reserve Fund, including all moneys or securities held by them pursuant to the Resolution which are not required for

the payment of principal or Redemption Price, if applicable, and interest on Bonds not theretofore surrendered for such payment or redemption. If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of the Outstanding Bonds of a particular Series, or of a particular maturity or particular Bonds within a maturity within a Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Resolution, such Bonds shall cease to be entitled to any lien, benefit or security under the Resolution, and all covenants, agreements and obligations of the Authority to the Holders of such Bonds shall thereupon cease, terminate and become void and he discharged and satisfied.

Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Paying Agents (through deposit by the Authority of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in the foregoing paragraph. Subject to the provisions of the third through sixth paragraphs under this subheading, any Outstanding Bonds shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in the foregoing paragraph if (a) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee irrevocable instructions to mail notice of redemption of such Bonds (other than Bonds which have been purchased by the Trustee at the direction of the Authority or purchased or otherwise acquired by the Authority and delivered to the Trustee as hereinafter provided prior to the mailing of such notice of redemption) on said date, (b) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities (including any Federal Securities issued or held in book entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be, and (c) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee irrevocable instructions to mail a notice to the Holders of such Bonds that the deposit required by (b) above has been made with the Trustee and that said Bonds are deemed to have been paid and stating such maturity or redemption date upon which moneys are expected, subject to the sixth paragraph under this subheading, to be available for the payment of the principal or Redemption Price, if applicable, of and accrued and unpaid interest on said Bonds (other than Bonds which have been purchased by the Trustee at the direction of the Authority or purchased or otherwise acquired by the Authority and delivered to the Trustee as hereinafter provided prior to the mailing of the notice of redemption referred to in clause (a) hereof). Any notice of redemption mailed pursuant to the preceding sentence with respect to Bonds which constitute less than all of the Outstanding Bonds of any maturity within a Series shall specify the letter and number or other distinguishing mark of each such Bond. The Trustee shall, as and to the extent necessary, apply moneys held by it to the payment when due of the principal or Redemption Price of and interest on such Bonds, all in the manner provided in the Resolution. The Trustee shall, if so directed by the Authority (i) prior to the maturity date of Bonds deemed to have been paid which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the notice of redemption referred to in clause (a) above with respect to any Bonds deemed to have been paid which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee in respect of such Bonds and redeem or sell Federal Securities so deposited with the Trustee and apply the proceeds thereof to the purchase of such Bonds and the Trustee shall immediately thereafter cancel all such Bonds so purchased; provided, however, that the moneys and Federal Securities remaining on deposit with the Trustee after the purchase and cancellation of such Bonds shall be sufficient to pay when due the principal or Redemption Price, if applicable, of, and interest due or to become due on all Bonds, in respect of which such moneys and Federal Securities are being held by the Trustee on or prior to the redemption date or maturity date thereof, as the case may be. If, at any time (i) prior to the maturity date of Bonds deemed to have been paid which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the

notice of redemption referred to in clause (a) with respect to any Bonds deemed to have been paid which are to be redeemed on any date prior to their maturity, the Authority shall purchase or otherwise acquire any such Bonds and deliver such Bonds to the Trustee prior to their maturity date or redemption date, as the case may be, the Trustee shall immediately cancel all such Bonds so delivered; such delivery of Bonds to the Trustee shall be accompanied by directions from the Authority to the Trustee as to the manner in which such Bonds are to be applied against the obligation of the Trustee to pay or redeem Bonds deemed paid. The directions given by the Authority to the Trustee referred to in the preceding sentence shall also specify the portion, if any, of such Bonds so purchased or delivered and cancelled to be applied against the obligation of the Trustee to pay Bonds deemed paid upon their maturity date or dates and the portion, if any, of such Bonds so purchased or delivered and cancelled to be applied against the obligation of the Trustee to redeem Bonds deemed paid on any date or dates prior to their maturity. In the event that on any date as a result of any purchases, acquisitions and cancellations of Bonds the total amount of moneys and Federal Securities remaining on deposit with the Trustee is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of the remaining Bonds in order to satisfy subclause (b) of this paragraph, the Trustee shall, if requested by the Authority, pay the amount of such excess to the Authority free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under the Resolution. Except as otherwise provided in the third through sixth paragraphs under this subheading, neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, of, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the Authority as received by the Trustee, free and clear of any trust, lien or pledge securing said Bonds or otherwise existing under the Resolution, and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Authority, as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under the Resolution. For the purposes of Section 1201 of the Bond Resolution, Federal Securities shall mean and include only (A) Federal Securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof, (B) Federal Securities as to which an irrevocable notice of redemption of such securities has been given and such securities are not otherwise subject to redemption prior to such specified date other than at the option of the holder thereof, or (C) upon compliance with the provisions of the fifth paragraph under this subheading, Federal Securities which are subject to redemption prior to maturity at the option of the issuer thereof on a specified date or dates.

For purposes of determining whether Variable Interest Rate Bonds shall be deemed to have been paid prior to the maturity or redemption date thereof, as the case may be, by the deposit of moneys, or Federal Securities and moneys, if any, in accordance with the second sentence of the foregoing paragraph, the interest to come due on such Variable Interest Rate Bonds on or prior to the maturity date or redemption date thereof, as the case may be, shall be calculated at the Maximum Interest Rate permitted by the terms thereof; provided, however, that if on any date, as a result of such Variable Interest Rate Bonds having borne interest at less than such Maximum Interest Rate for any period, the total amount of moneys and Federal Securities on deposit with the Trustee for the payment of interest on such Variable Interest Rate Bonds is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of such Variable Interest Rate Bonds in order to satisfy the second sentence of the foregoing paragraph, the Trustee shall, if requested by the Authority, pay the amount of such excess to the Authority free and clear of any trust, lien, pledge or assignment securing the Bonds or otherwise existing under the Resolution.

Federal Securities described in clause (C) of the second paragraph under this subheading may be included in the Federal Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of the second paragraph under this subheading only if the determination as to whether the moneys and Federal Securities to be deposited with the Trustee in order to satisfy the requirements of such clause (b) would be sufficient to pay when due either on the maturity date thereof or, in the case of any Bonds to be redeemed prior to the maturity date thereof, on the redemption date or dates specified in any notice of redemption to be mailed by the Trustee, the principal and Redemption Price, if applicable, and interest on the Bonds which will be deemed to have been paid is made both (i) on the assumption that the Federal Securities described in clause (C) were not redeemed at the option of the issuer prior to the maturity date thereof and (ii) on the assumptions that such Federal Securities would be redeemed by the issuer thereof at its option on each date on which such option could be exercised, that as of such date or dates interest ceased to accrue on such Federal Securities and that the proceeds of such redemption would not be reinvested by the Trustee.

In the event that after compliance with the provisions of the foregoing paragraph, the Federal Securities described in clause (C) of the second paragraph under this subheading are included in the Federal Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of the second paragraph under this subheading and any such Federal Securities are actually redeemed by the issuer thereof prior to their maturity date, then the Trustee at the direction of the Authority, provided that the aggregate of the moneys and Federal Securities to be held by the Trustee, taking into account any changes in redemption dates or instructions to give notice of redemption given to the Trustee by the Authority in accordance with the following paragraph, shall at all times be sufficient to satisfy the requirements of clause (b) of the second paragraph under this subheading, shall reinvest the proceeds of such redemption in Federal Securities.

Any notice of redemption to be mailed by the Trustee and any set of instructions relating to a notice of redemption given to the Trustee may provide, at the option of the Authority, that any redemption date or dates in respect of all or any portion of the Bonds to be redeemed on such date or dates may at the option of the Authority be changed to any other permissible redemption date or dates and that redemption dates may be established for any Bonds deemed to have been paid upon their maturity date or dates at any time prior to the actual mailing of any applicable notice of redemption.

Option Bonds shall be deemed to have been paid in accordance with the second sentence of the second paragraph under this subheading, only if, in addition to satisfying the requirements of clauses (a) and (c) of such sentence, there shall have been deposited with the Trustee moneys in an amount which shall be sufficient to pay when due the maximum amount of principal of and premium, if any, and interest on such Bonds which could become payable to the Holders of such Bonds upon the exercise of any options provided to the Holders of such Bonds; provided, however, that if, at the time a deposit is made with the Trustee pursuant to the second paragraph under this subheading, the options originally exercisable by the Holder of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this paragraph. If any portion of the moneys deposited with the Trustee for the payment of the principal of and premium, if any, and interest on Option Bonds is not required for such purpose the Trustee shall, if requested by the Authority, pay the amount of such excess to the Authority free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under the Resolution.

Related Swap Bonds and the Authority's Swap Payment Obligations under the applicable Swap Agreements shall be deemed to have been paid if (a) there shall have been deposited with the Trustee moneys and Federal Securities of the type described in the second paragraph under this subheading in an amount which, together with amounts due and to become due from the Swap Provider under the applicable Swap Agreement, shall be sufficient to pay when due (i) during the term of the applicable Swap Agreement, the Authority's Bond Payment Obligations, Related Swap Bond Payment Obligations and Swap Payment

Obligations (other than Swap Termination Payments) in respect of such Related Swap Bonds and (ii) thereafter, all principal of and premium, if any, and interest on such Bonds to maturity or prior redemption and (b) the Authority shall have given to the Trustee irrevocable written instructions directing the Trustee to pay, during the term of the applicable Swap Agreement to the applicable Paying Agent or Swap Provider, as the case may be, the amount required to pay the Authority's Bond Payment Obligations, Related Swap Bond Payment Obligations and Swap Payment Obligations in respect of such Related Swap Bonds. Neither moneys nor Federal Securities deposited with the Trustee pursuant to this paragraph nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payments to be made pursuant to subsections (i) and (ii) above; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee, if not then needed for such purpose, shall to the extent practicable, be reinvested in Federal Securities maturing at the times and in amounts sufficient, together with other moneys available for the purpose, to make the payments set forth in subsections (i) and (ii) above, and interest earned from such reinvestments shall be paid over to the Authority, as received by the Trustee, free and clear of any trust, lien or pledge, and provided, further that any Federal Securities may be sold, transferred, redeemed or otherwise disposed of and the proceeds thereof applied to the purchase of other Federal Securities of the type permitted for this purpose, the principal of and interest on which, when due, together with moneys and other Federal Securities then held by the Trustee for such purpose, shall be sufficient to make the payments set forth in subsections (i) and (ii) above. Notwithstanding the defeasance of any Bonds and discharge of the lien of the Resolution, during the term of any Swap Agreement for which the Related Swap Bonds have been defeased, the Trustee shall, subject to the foregoing provisions, hold and apply (i) the Federal Securities deposited with it as provided in Section 505 of the Resolution, and (ii) all payments from the Swap Provider under the applicable Swap Agreement as Swap Revenues pursuant to Section 506 of the Resolution. If any portion of the moneys deposited with the Trustee for the payment of the amounts set forth in subsection (a) above is not required for such purpose, the Trustee shall pay the amount of such excess as the Authority shall direct in writing.

Anything in the Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for two (2) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when such Bonds became due and payable, shall, at the written request of the Authority, be repaid by the Fiduciary to the Authority, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Authority for the payment of such Bonds; provided, however, that before being required to make any such payment to the Authority the Fiduciary shall, at the expense of the Authority, cause to be published at least twice, at an interval of not less than seven (7) days between publications, in an Authorized Newspaper, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than thirty (30) days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the Authority.

Any Subordinated Debt shall be defeased in the manner and subject to the terms and conditions set forth in the Supplemental Resolution or other resolution of the Authority authorizing the issuance thereof.

DTC BOOK-ENTRY-ONLY SYSTEM

DTC BOOK-ENTRY-ONLY SYSTEM

The information set out below is subject to any change in or interpretation of the rules, regulations and procedures of The Depository Trust Company (“DTC”) currently in effect. The information in this Appendix VI concerning DTC has been obtained from sources that the Authority believes to be reliable, but none of the Authority or the Trustee take any responsibility for the accuracy, completeness or adequacy of the information in this Appendix VI. Investors wishing to use the facilities of DTC are advised to confirm the continued applicability of the rules, regulations and procedures of DTC. The Authority will not have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the 2024 System Bonds held through the facilities of DTC or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

DTC Book-Entry-Only System. DTC will act as Securities Depository for the 2024 System Bonds. The 2024 System Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered certificate will be issued for each maturity of the 2024 System Bonds and, if applicable, each interest rate within a maturity of the 2024 System Bonds, in the aggregate principal amount of each such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC is rated AA+ by Standard & Poor's. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of 2024 System Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2024 System Bonds on DTC's records. The ownership interest of each actual purchaser of each 2024 System Bond (“Beneficial Owner”) is in turn to be recorded on the Direct Participants' and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2024 System Bonds are to be accomplished by entries made on the books of Direct Participants and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in 2024 System Bonds, except in the event that use of the book-entry system for the 2024 System Bonds is discontinued.

To facilitate subsequent transfers, all 2024 System Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2024 System Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2024 System Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2024 System Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the 2024 System Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2024 System Bonds, such as redemptions, tenders, defaults and proposed amendments to the 2024 System Bonds documents. For example, Beneficial Owners of the 2024 System Bonds may wish to ascertain that the nominee holding the 2024 System Bonds for their benefit has agreed to obtain and transmit notices to the Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the 2024 System Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to 2024 System Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts 2024 System Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the 2024 System Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2024 System Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, 2024 System Bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, 2024 System Bond certificates will be printed and delivered to DTC.

NONE OF THE AUTHORITY, THE TRUSTEE OR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION, EITHER SINGULARLY OR JOINTLY, TO DTC PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DTC PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE HOLDERS OF THE 2024 SYSTEM BONDS UNDER THE RESOLUTION; (III) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR INTEREST DUE WITH RESPECT TO THE 2024 SYSTEM BONDS; (IV) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT/INTEREST OF A PARTIAL REDEMPTION OF THE 2024 SYSTEM BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE HOLDER OF THE 2024 SYSTEM BONDS; OR (VI) ANY OTHER MATTER.

SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF ALL OF THE 2024 SYSTEM BONDS, REFERENCES IN THIS APPENDIX VI TO THE OWNERS, HOLDERS OR REGISTERED OWNERS OF THE 2024 SYSTEM BONDS (OTHER THAN UNDER THE CAPTIONS “TAX MATTERS” AND “CONTINUING DISCLOSURE AGREEMENT” HEREIN) SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE 2024 SYSTEM BONDS.

The New Jersey Transportation Trust Fund Authority (the “Authority”), plans to commence an Offer to Tender Bonds, dated _____ (the “Invitation”), in substantially the form attached hereto as Exhibit __, whereby the Authority will offer to the beneficial owners (the “holders”) of certain of the Authority’s outstanding Transportation System Bonds listed in the Invitation (the “Invited Bonds”) to purchase the Invited Bonds for cash (the “Tender Offer”), such purchase for cash to be funded with a portion of the proceeds from the sale of the Authority’s Transportation System Bonds, 2024 Series A (the “2024 System Bonds”), upon the terms and subject to the conditions set forth in the Invitation. The Authority shall post or cause to be posted on EMMA (as such term is defined herein) any other offering materials and information relating to the Invitation that the Authority prepares, or causes to be prepared, and approves, in its sole discretion, and provides to the Information Agent (as such term is defined herein) including any amendments or supplements thereto, as of the Launch Date. Such materials, together with the Preliminary Official Statement and the Invitation, as may be amended and supplemented, are collectively referred to herein as the “Offer Material”. The Authority and the Dealer Manager agree that the Invitation and the proposed Tender Offer shall only be offered to the holders of the Invited Bonds by means of the Offer Material. Capitalized terms not defined herein shall have the meanings ascribed to them in the Preliminary Official Statement or the Invitation.

The Offer Material has been prepared or caused to be prepared and approved by the Authority, and the Dealer Manager is authorized to use the Offer Material delivered on or prior to the date hereof in connection with the Tender Offer in the manner contemplated herein and by the Offer Material. The Dealer Manager is also authorized to use such other offering materials and information that (i) is approved by the Authority, in its sole discretion, (ii) provided to the

Information Agent, and (iii) posted on EMMA, for use subsequent to the Launch Date in connection with the Invitation and the Tender Offer (the “Additional Material”).

In connection with the Invitation, the Authority will purchase Invited Bonds tendered for purchase with a portion of the proceeds from the sale of the 2024 System Bonds. The purchase of any Invited Bonds pursuant to the Tender Offer is contingent upon the issuance of the 2024 System Bonds. The 2024 System Bonds are expected to be issued and secured under the provisions of Act (as defined herein), and the Authority’s 1995 Transportation System Bond Resolution adopted by the Authority on June 15, 1995, as amended and supplemented, including as supplemented by the Thirty-Fourth Supplemental Transportation System Bond Resolution adopted by the Authority on July 18, 2024. The date on which Invited Bonds are purchased for cash pursuant to the Tender Offer is referred to herein as the “Settlement Date”, which Settlement Date shall be the date of issuance and delivery of the 2024 System Bonds.

The Authority shall cause to be delivered or otherwise made available by Globic Advisors Inc., as Information Agent and Tender Agent (the “Information Agent and Tender Agent”) to each registered owner of any Invited Bonds, to each participant in The Depository Trust Company (“DTC”) appearing in the most recent DTC securities position listing obtained by the Information Agent and Tender Agent as a holder of Invited Bonds (each such registered owner or participant, a “Registered or Beneficial Owner”), as soon as practicable, by electronic means and other means, including (i) by posting on the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access website, located at <http://emma.msrb.org>, using the CUSIP numbers for the Invited Bonds; (ii) to DTC; and (iii) by posting electronically on the website of the Information Agent and Tender Agent at <https://www.globic.com/ttfa>, copies of the Offer Material and any Additional Material, all as set forth in the Tender Offer. Thereafter, to the extent practicable until the expiration of the Tender Offer, the Authority authorizes the Dealer Manager and the Information Agent and Tender Agent to cause copies of such material to be delivered or otherwise made available to each person and/or entity who becomes a Registered or Beneficial Owner of Invited Bonds, provided, however, that the Dealer Manager shall have no obligation to cause any Offer Material to be transmitted generally to the holders of the Invited Bonds.

II. Solicitation of Tender Offers

(a) Dealer Manager agrees to use its best efforts to solicit offers to sell the Invited Bonds to the Authority in connection with the Tender Offer in accordance with instructions from the Authority and in a manner consistent with the performance of such services as are customarily performed by investment banking concerns in connection with invitations of like nature to the Tender Offer.

(b) The Information Agent shall advise the Authority and Dealer Manager as to such matters relating to the Invitation as the Authority and Dealer Manager may reasonably request. In addition, the Authority hereby authorizes the Dealer Manager to communicate with the Information Agent with respect to matters relating to the Invitation and the transactions contemplated thereby. The Authority has instructed or will instruct the Information Agent to advise the Authority and the Dealer Manager at least daily, in writing, as to the principal amount of the Invited Bonds tendered and not validly withdrawn pursuant to the Invitation prior to the Expiration Date(s) (as defined in the Invitation) set forth in the Invitation and such other matters in connection with the Invitation as the Authority and the Dealer Manager may request.

While the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. is not applicable by its terms to claims arising under contracts with the Authority, the Dealer Manager, by entering into this Agreement, agrees that such statute (except N.J.S.A. 59:13-9) shall be applicable to all claims against the Authority arising under this Agreement.

(ii) Neither the Dealer Manager, nor its respective affiliates, nor any of their respective partners, directors, officers, agents, employees or controlling persons (if any) (collectively, the "Dealer Manager - Related Persons") shall have any liability in tort, contract or otherwise to the Authority hereunder except for its own breach of contract, gross negligence, willful misconduct or bad faith

(d) The Authority agrees to furnish to the Dealer Manager as many copies as they may reasonably request (not to exceed 10 copies) of the Offer Material and any Additional Material in final form for use by them in connection with the Tender Offer. The Authority shall not amend or supplement the Offer Material, or prepare or approve any Additional Material for use in connection with the Tender Offer, without the Dealer Manager's prior consent, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, the Authority shall have the right in its sole discretion to supplement the Preliminary Official Statement at any time and from time to time. All such supplements, if any, shall be delivered or otherwise made available to the Registered and Beneficial Owners of the Invited Bonds in accordance with Section II of this Agreement.

(e) The Authority agrees to advise the Dealer Manager promptly of (i) the occurrence of any event which could cause the Authority to withdraw, rescind, terminate or modify the Tender Offer, (ii) any supplement to the Preliminary Official Statement, (iii) any proposal or requirement of the Authority to amend or supplement the Offer Material

or Additional Material, or (iv) any other information from the Authority relating to the Tender Offer which the Dealer Manager may from time to time reasonably request.

(f) The Authority will not use or publish any Additional Material other than supplements to the Preliminary Official Statement, if any, in connection with the Tender Offer, or refer to the Dealer Manager in any such Additional Material, without the Dealer Manager's consent, which consent shall not be unreasonably withheld. Notwithstanding anything to the contrary contained in this Agreement, the Dealer Manager acknowledges that this Agreement, the Offer Material and the Additional Material are government records subject to release under the Open Public Records Act (N.J.S.A. 47:1A-1 et seq.)

(g) The Authority will promptly inform the Dealer Manager of any litigation or administrative action or claim against the Authority with respect to the Tender Offer.

(h) At the Authority's request and direction, the Dealer Manager obtained or were provided by the Information Agent and Tender Agent the names and addresses of, and principal amount of Invited Bonds held by, the Registered or Beneficial Owners of Invited Bonds as of a recent date. The Authority agrees to use its best efforts to assist and cooperate with the Dealer Manager during the period of the Tender Offer to determine identity of the Registered or Beneficial Owners of Invited Bonds. The Dealer Manager agrees to use such information only in connection with the Tender Offer and not to furnish such information to any other person except in connection with the Tender Offer.

(i) The Authority shall arrange, or cause the Information Agent and Tender Agent to arrange with DTC, to inform the Authority during each business day prior to the expiration of the Tender Offer as to the principal amount of Invited Bonds which have been tendered pursuant to the Tender Offer during the interval since its previous daily report to the Authority under this provision.

III. Compensation and Expenses.

(a) The Authority shall pay to Dealer Manager, as compensation for services as Dealer Manager for the Invitation, a fee (i) of \$2.50 for each \$1,000 in principal amount of those Invited Bonds that are tendered and purchased pursuant to the Tender Offer, and (ii) \$2.50 for each \$1,000 of accreted value as of the Settlement Date for those Invited Bonds that are capital appreciation bonds and that are tendered and purchased pursuant to the Tender Offer (collectively, the "Dealer Manager Fee"). The Dealer Manager Fee and reasonable expenses will be paid from a portion of the proceeds from the sale of the 2024 System Bonds issued by the Authority to fund the Invitation.

(b) The Authority shall pay all reasonable expenses incurred in connection with the Invitation, whether or not any Invited Bonds are tendered pursuant to the Tender Offer, including, without limitation, all fees and expenses relating to preparation, printing, mailing, and publishing of the Offer Material and any Additional Material, and all amounts payable to securities dealers (including the Dealer Manager), brokers, banks, trust companies, and

This Section III(b) shall survive the termination of this Agreement (other than pursuant to Section VI(b)(ii)). The provisions of this Section III(b) shall not be construed as an agreement or obligation of the Authority to indemnify or hold the Dealer Manager, any Dealer Manager - Related Persons or any other person harmless for any losses, claims, damages or liabilities arising from this Agreement or the transactions contemplated hereby (other than with respect to the reasonable expenses set forth in this Section 2(b)).

(c) For the avoidance of doubt, the Authority shall not be obligated to pay or reimburse any party for any solicitation or similar fees paid in connection with the Tender Offer.

IV. Representations and Warranties by the Authority

The Authority represents and warrants to, and agrees with, the Dealer Manager that:

(the "Act"), and has the power and authority to make and commence the Tender Offer and perform its obligations set forth in this Agreement and any other document, instrument or agreement to which the Authority is a party relating to the Tender Offer (the "Authority Documents"); to deliver the Offer Material and to deliver the Additional Material; and to engage in the transactions to which it is or is to be a party as contemplated hereby and by the Offer Material and the Additional Material. The delivery of the Offer Material, the delivery of the Additional Material and the use by the Dealer Manager of the Offer Material and the Additional Material has been duly authorized by all necessary action on the part of the Authority.

(b) The Offer Material and any Additional Material (as amended or supplemented, if amended or supplemented) are and will be true and complete in all material respects and, as of the date hereof, do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading in any material respect.

(f) As of the date hereof, there is not, except as described in the Offer Material or the Additional Material, any action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending against the Authority, and the Authority has no knowledge of any such action, suit, proceeding, or investigation, at law or in equity, before or by any court, public board or body in any other jurisdiction, and, to the knowledge of the Authority, no such action is threatened, which, if decided adversely to the Authority, would have a material adverse effect on the power or ability of the Authority to perform its obligations hereunder or with respect to the Tender Offer or to consummate the transactions to which it is or is to be a party as contemplated by the Offer Material or the Additional Material.

(g) Any certificates signed by any Authorized Officer and delivered to the Dealer Manager pursuant to this Agreement shall be deemed a representation and warranty by the Authority to the Dealer Manager as to the statements made therein with the same effect as if such representation and warranty were set forth herein.

(h) Subject to the issuance and sale of the Authority's 2024 System Bonds, the Authority has or will have available funds, and is authorized to use such funds under applicable law, to pay the full purchase price of the Invited Bonds that it may become committed to purchase pursuant to the Tender Offer and all related fees and expenses.

(i) Subject to the consummation of the Authority's offering of the 2024 System Bonds and the other conditions set forth in the Tender Offer, the Authority agrees to pay promptly, in accordance with the terms and subject to the conditions of the Offer Material and any Additional Material, such full purchase price and all related fees and expenses.

BofA Securities, Inc., as Dealer Manager

Re: New Jersey Transportation Trust Fund Authority
Dealer Manager Agreement

Ladies and Gentlemen:

[I] [We] have acted as co-bond counsel to the New Jersey Transportation Trust Fund Authority (the "Authority") in connection with the execution and delivery of the Dealer Manager Agreement, dated the date hereof (the "Agreement"), by and among the Authority and BofA Securities, Inc., as Dealer Manager (the "Dealer Manager"), relating to the Invitation to Tender Bonds, dated the date hereof (the "Invitation"), with respect to certain of the Authority's outstanding Transportation System Bonds listed therein (the "Invited Bonds"). In such capacity, I have been requested to deliver this opinion pursuant to Section V(e) of the Agreement.

In connection with the opinions set forth below, [I] [we] have examined such documents, records of the Authority and other instruments, including original counterparts or certified copies of the Agreement, the Preliminary Official Statement and the other documents listed in the record of proceedings relating to the issuance of the Bonds, and such matters of law and other proofs, as [I] [we] deemed necessary to enable me to express the opinions set forth below. In [my] [our] examination [I] [we] have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents tendered to [me] [us] as originals and the conformity to original documents of all documents submitted to [me] [us] as certified, conformed or photostatic copies.

In accordance with [my] [our] understanding with the Authority, as its bond counsel, [I] [we] have rendered legal advice and assistance to the Authority in connection with the preparation of the Invitation and the Preliminary Official Statement. Rendering such advice and assistance involved, among other things, discussions concerning various legal and related subjects, and reviews of and the closing transcripts for the Invited Bonds and the Authority's Transportation

_____ Bonds, 2024 Series _____ (the “2024 Series Refunding Bonds”) and such other documents, instruments and agreements, and such matters of law as [I] [we] have deemed necessary. [I] [We] also participated in conferences with representatives of the Authority, the Dealer Manager, the State of New Jersey and their respective counsel, during which the Invitation, the Preliminary Official Statement, and related matters were discussed and reviewed.

Based on the foregoing, [I am] [we are] of the opinion that, as of the date hereof:

1. The Authority has the authority to purchase tendered Invited Bonds as described in the Invitation.

2. The Authority has the power and authority to execute and deliver the Agreement and to perform its obligations thereunder. The Agreement has been duly authorized, executed and delivered by the Authority, and, assuming the due authorization, execution and delivery of the Agreement by the Dealer Manager and that the Agreement constitutes a legal, binding and enforceable obligation of the Dealer Manager, the Agreement constitutes a legal, valid and binding obligation of the Authority enforceable against the Authority in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency and other laws affecting creditors’ rights or remedies heretofore or hereafter enacted, and is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

3. The Issuer has good right and lawful authority to undertake the activities with respect to which the Tender Offer is to be consummated.

4. The Tender Offer, including the Preliminary Official Statement, has been duly authorized, executed and delivered by the Issuer.

5. All authorizations, consents, approvals and reviews of governmental bodies or regulatory authorities required for the execution and delivery by the Issuer of the Invitation and Preliminary Official Statement and the making and consummation by Issuer of the Tender Offer have been obtained or effected and are in full force and effect.

6. The information contained in the Preliminary Official Statement under the headings “INTRODUCTION”, “DESCRIPTION OF THE 2024 SERIES A BONDS: General”, “SECURITY FOR THE 2024 SERIES A BONDS”, and “STATUTORY DEBT ISSUANCE LIMITATIONS,” insofar as such information or statements summarize certain provisions of the Act, the 2024 Series Refunding Bonds, and the Resolution, or matters of law, are as of the date hereof, fair and accurate summaries of such provisions of the Act, the 2024 Series Refunding Bonds, and the Resolution and such matters of law. The statements on the front cover and contained in the section of the Official Statement entitled “TAX MATTERS,” insofar as such statements purport to summarize certain provisions of Federal and State tax law, regulations and rulings, are true and accurate summaries in all material respects of the provisions so summarized.

Without having undertaken to determine independently the accuracy or completeness of the statements contained in the Invitation, [I] [we] further advise you that nothing has come to [my] [our] attention which would lead [me] [us] to believe that, as of the date of hereof, the

Invitation (except for any CUSIP numbers, financial, accounting, statistical, economic, or demographic data, including any indicative pricing information contained in the Invitation, any estimates, forecasts, projections, assumptions, or expressions of opinion, and any information concerning ratings, rating agencies, The Depository Trust Company and its book-entry only system, or the Underwriters, which [I] [we] expressly exclude from the scope of this paragraph and as to which [I] [we] express no view) contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

This opinion is issued as of the date hereof, is limited to the matters expressly stated in the numbered paragraphs herein and is based on the assumptions and qualifications set forth herein. [I] [We] assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may come to [my] [our] attention after the date of this opinion, or any changes in law or interpretations thereof that may occur after the date of this opinion, or for any reason whatsoever.

[I am] [We are] admitted to practice law in the State of New Jersey, and [I] [we] express no opinion as to the laws of any jurisdiction other than those of the State of New Jersey and the applicable laws of the United States of America.

This letter is solely for the information of, and assistance to, the addressees hereof and is not to be used, circulated, quoted or otherwise referred to in connection with the Invitation relating to the Invited Bonds or the offering of the 2024 Refunding Bonds, except that reference may be made to this letter in any list of closing documents pertaining to the Invitation relating to the Invited Bonds or the sale of the 2024 Refunding Bonds.

Notwithstanding anything to the contrary contained herein, the undersigned acknowledges that this opinion is a government record subject to release under the Open Public Records Act (N.J.S.A. 47:1A-1 et seq.).

Very truly yours,

Exhibit B

CERTIFICATE OF THE AUTHORITY PURSUANT TO SECTION V(f) OF THE DEALER MANAGER AGREEMENT

I, Charles Maciejunes, Executive Director of the New Jersey Transportation Trust Fund Authority (the "Authority"), pursuant to Section V(f) of the Dealer Manager Agreement dated September __, 2024, by and between the Authority and BofA Securities, Inc., as Dealer Manager, DO HEREBY CERTIFY that:

A. To the best of our knowledge, the delivery of the Preliminary Official Statement, the execution, delivery and performance of the Tender Offer and the Dealer Manager Agreement, the making and consummation of the Tender Offer, under the circumstances contemplated by the Tender Offer, the Dealer Manager Agreement and the Preliminary Official Statement, and compliance with the provisions thereof, will not in any material respect conflict with or constitute on the part of the Issuer a breach of, or a default under, any material agreement or other instrument to which the Issuer is a party and of which we have knowledge or any existing law, court or administrative regulation, decree or order to which the Issuer is subject or by which it is bound and of which we have knowledge.

B. Except as described in the Preliminary Official Statement, there is no litigation or other proceeding pending or, to the best of our knowledge, threatened in any court, agency or other administrative body (either State or Federal) restraining or enjoining or threatening or seeking to restrain or enjoin the making or consummation of the Tender Offer, or in any way questioning or affecting (i) the making or consummation of the Tender Offer, (ii) the proceedings under which the Tender Offer is to be made, (iii) the validity or enforceability of any provision of the Tender Offer or the Dealer Manager Agreement, (iv) the accuracy, completeness or fairness of the Preliminary Official Statement or (v) the legal existence of the Issuer, the right of the Issuer or its subsidiaries or affiliates to use and operate their respective facilities or the title of the members or officers of the Issuer to their respective offices in such manner as to adversely affect the ability of the Issuer to authorize the making or consummation of the Tender Offer or to consummate any of the transactions to which it is or is to be a party as contemplated by the Tender Offer, the Dealer Manager Agreement or the Preliminary Official Statement, or the right of the Issuer to continue to conduct its operations as currently conducted, to perform its obligations under the Dealer Manager Agreement or with respect to the Tender Offer.

C. The Authority is not in default in any material respect under the terms of the Invited Bonds and Issuer will not, as a consequence of the making and consummation of the Tender Offer, be in default in any material respect under the terms of the Invited Bonds.

IN WITNESS WHEREOF, I have executed this Certificate this __ day of September, 2024.

This Invitation to Tender Bonds, dated __, __ 2024 (as it may be amended or supplemented, this “**Tender Offer**”), describes an invitation by the New Jersey Transportation Trust Fund Authority (the “**Authority**”), with the assistance of BofA Securities, Inc., as dealer manager (the “**Dealer Manager**”), to the beneficial owners (the “**Holders**” or “**Bondholders**”) of the Authority’s outstanding bonds of the series and certain maturities listed on pages (i) through (ii) of this Tender Offer (collectively, the “**Bonds**”) to tender their Bonds for purchase, at the offer price on the Bonds tendered and accepted for purchase to but not including the Settlement Date (as hereinafter defined) based on the following:

- with respect to the federally taxable Bonds listed in Table 1 on page (i) of this Tender Offer (the “**Taxable Bonds**”), the offer price for each CUSIP will be based on a fixed spread set forth in the Tender Offer to be added to the yields on certain reference United States Treasury Securities (each a “**Reference Treasury Security**”), corresponding thereto to arrive at a yield (the “**Taxable Purchase Yield**”) used to calculate the purchase price (the “**Taxable Purchase Price**”) for each CUSIP of the Taxable Bonds; and
- with respect to the federally tax-exempt Bonds listed in Table 2 and Table 3 on pages (ii) and (iii) of this Tender Offer (the “**Tax-Exempt Bonds**”), the offer price will be the purchase price set forth in the Tender Offer (the “**Tax-Exempt Purchase Price**”) and together with the Taxable Purchase Price, the “**Purchase Price**”).
- In addition to the Purchase Price, Bondholders of Bonds accepted for purchase will also receive accrued and unpaid interest (“**Accrued Interest**”) on Bonds listed in Tables 1 and 2 validly tendered and accepted for purchase from the applicable last interest payment date up to, but not including, the Settlement Date (as defined below), as applicable. Bondholders who tender the Tax-Exempt Bonds in Table 3 on page (iii) of this Tender Offer (“**CABs**”) tendered for purchase on the Settlement Date will solely receive the Purchase Price, and will not receive any Accrued Interest).

Subject to the terms and conditions of this Tender Offer and assuming all conditions to this Tender Offer have then been satisfied or waived by the Authority, the Authority will purchase the Bonds tendered for purchase on _____, 2024, unless extended by the Authority (such date being the “**Settlement Date**”) provided that such Bonds have been validly tendered for purchase by the Expiration Date set forth below. Bondholders whose Bonds are tendered and purchased by the Authority will receive the Purchase Price (as defined herein) and Accrued Interest on such Bonds (other than CABs) on the Settlement Date. The source of funds to purchase the Bonds validly tendered and purchased by the Authority pursuant to this Tender Offer will be a portion of the proceeds from the sale of the Authority’s Transportation System Bonds, 2024 Series A (the “**Tax-Exempt Refunding Bonds**”). Concurrently with the issuance of the Tax-Exempt Refunding Bonds, the Authority plans to issue the 2024 Series B Bonds (the “**Taxable Refunding Bonds**” and, together with the Tax-Exempt Refunding Bonds, the “**Refunding Bonds**”). If issued, the Refunding Bonds will be dated the Settlement Date and be issued in the manner, on the terms and with the security therefor described in the Preliminary Official Statement dated _____, 2024 attached hereto as APPENDIX A (the “**Refunding Bonds POS**”). The purchase of any Bonds tendered pursuant to this Tender Offer is contingent on, among other things, the issuance of the Tax-Exempt Refunding Bonds, and is also subject to certain other conditions, including, without limitation, the Financing Conditions (as defined herein). See “INTRODUCTION – General” and “TERMS OF THE TENDER OFFER – Conditions to Purchase” herein.

HOLDERS OF BONDS WHO DO NOT TENDER THEIR BONDS, AS WELL AS HOLDERS OF BONDS WHO TENDER BONDS FOR PURCHASE THAT THE AUTHORITY DOES NOT PURCHASE PURSUANT TO THIS TENDER OFFER (THE “UNPURCHASED BONDS”), WILL CONTINUE TO HOLD SUCH UNPURCHASED BONDS AND SUCH UNPURCHASED BONDS WILL REMAIN OUTSTANDING UNDER THE RESOLUTION (AS

DEFINED HEREIN). THE AUTHORITY RESERVES THE RIGHT TO DEFEASE THE BONDS WITH CASH, AND MAY DECIDE TO, REFUND IN THE FUTURE SOME OR ALL OF THE UNPURCHASED BONDS THROUGH THE ISSUANCE OF PUBLICLY-OFFERED OR PRIVATELY-PLACED TAXABLE OR TAX-EXEMPT OBLIGATIONS OF THE AUTHORITY. THE AUTHORITY RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO NOT ACCEPT ANY BONDS, IN WHOLE OR IN PART, FOR PURCHASE.

THE AUTHORITY RESERVES THE RIGHT TO ADVANCE REFUND UNPURCHASED BONDS MATURING FROM 2025 – 2029 USING PROCEEDS OF THE TAXABLE REFUNDING BONDS. See “INTRODUCTION – Unpurchased Bonds” and “ADDITIONAL CONSIDERATIONS” herein.

INTRODUCTION

General

This Invitation to Tender Bonds, dated __, __ 2024 (as it may be amended or supplemented, this “**Tender Offer**”), describes an invitation by the New Jersey Transportation Trust Fund Authority (the “**Authority**”), with the assistance of BofA Securities, Inc., as dealer manager (the “**Dealer Manager**”), to the beneficial owners (the “**Holders**” or “**Bondholders**”) of the Authority’s outstanding bonds of the series and certain maturities listed in Tables 1 through 3 on pages (i) through (iii) of this Tender Offer (collectively, the “**Bonds**”) to tender their Bonds for purchase at the offer price on the Bonds tendered and accepted for purchase at the offer price on the Bonds tendered and accepted for purchase to but not including the Settlement Date (as hereinafter defined) based on the following::

- with respect to the federally taxable Bonds listed in Table 1 on page (i) of this Tender Offer (the “**Taxable Bonds**”), the offer price for each CUSIP will be based on a fixed spread set forth in the Tender Offer to be added to the yields on certain reference United States Treasury Securities (each a “**Reference Treasury Security**”), corresponding thereto to arrive at a yield (the “**Taxable Purchase Yield**”) used to calculate the purchase price (the “**Taxable Purchase Price**”) for each CUSIP of the Taxable Bonds; and
- with respect to the federally tax-exempt Bonds listed in Table 2 and Table 3 on pages (ii) and (iii) of this Tender Offer (the “**Tax-Exempt Bonds**”), the offer price will be the purchase price set forth in the Tender Offer (the “**Tax-Exempt Purchase Price**” and together with the Taxable Purchase Price, the “**Purchase Price**”).
- In addition to the Purchase Price, Bondholders whose Bonds are tendered and accepted for purchase will also receive accrued and unpaid interest (“**Accrued Interest**”) on Bonds validly tendered and accepted for purchase from the applicable last interest payment date up to, but not including, the Settlement Date, as applicable. Bondholders who tender the Tax-Exempt Bonds in Table 3 on page (iii) of this Tender Offer (“**CABs**”) tendered for purchase on the Settlement Date will solely receive the Purchase Price and will not receive any Accrued Interest).

The source of funds to purchase the Bonds validly tendered and purchased by the Authority pursuant to this Tender Offer will be a portion of the proceeds from the sale of the Authority’s Transportation System Bonds, 2024 Series A (the “**Tax-Exempt Refunding Bonds**”). Concurrently with the issuance of the Tax-Exempt Refunding Bonds, the Authority plans to issue the 2024 Series B Bonds (the “**Taxable Refunding Bonds**” and, together with the Tax-Exempt Refunding Bonds, the “**Refunding Bonds**”). The Refunding Bonds are being issued for the primary purpose of providing funds to refund certain outstanding bonds of the Authority and, as part of such refunding, to purchase Bonds pursuant to this Tender Offer. If issued, the Refunding Bonds will be dated the Settlement Date and will be issued in the manner, on the terms and with the security therefor, all as set forth in the Preliminary Official Statement, dated ____, __, 2024, relating to the Refunding Bonds attached hereto as APPENDIX A (the “**Refunding Bonds POS**”). See “Source of Funds” herein. For certain information concerning the Authority, the Refunding Bonds, and the security for the Refunding Bonds, see the Refunding Bonds POS. The Bonds were issued by the Authority pursuant to the Authority’s 1995 Transportation System Bond Resolution, adopted on June 15, 1995, as amended and supplemented from time to time (the “**Resolution**”).

Notwithstanding any other provision of this Tender Offer, the Authority has no obligation to accept for purchase any tendered Bonds, and its obligation to pay for Bonds validly tendered (and not validly withdrawn) and accepted pursuant to this Tender Offer is subject to the satisfaction of or waiver of the following conditions on or prior to the Settlement Date: (a) the successful completion by the Authority of the issuance of the Refunding

Bonds, the proceeds of which will be sufficient to (x) fund the purchase of all Bonds validly tendered and accepted for purchase pursuant to this Tender Offer and (y) pay all fees and expenses associated with the issuance of the Refunding Bonds and this Tender Offer; (b) the Authority obtaining satisfactory and sufficient economic benefit as a result of the consummation of this Tender Offer when taken together with the issuance of the Refunding Bonds (collectively, the “*Financing Conditions*”), all on terms and conditions that are satisfactory to the Authority in its sole and absolute discretion; and (c) the other conditions set forth in “TERMS OF THE TENDER OFFER – Conditions to Purchase” herein. The Authority reserves the right, subject to applicable law, to amend or waive any of the conditions to this Tender Offer, in whole or in part, at any time prior to the Expiration Date (as defined herein) or from time to time. This Tender Offer may be withdrawn by the Authority at any time prior to the Expiration Date.

TO MAKE AN INFORMED DECISION AS TO WHETHER AND HOW TO TENDER THEIR BONDS FOR PURCHASE, BONDHOLDERS MUST READ THIS TENDER OFFER AND ALL APPENDICES TO THIS TENDER OFFER.

None of the Authority, the Dealer Manager or the Tender and Information Agent (as defined herein) makes any recommendation that any Bondholder tender or refrain from tendering all or any portion of such Bondholder’s Bonds for purchase. Bondholders must make their own decisions and should read this Tender Offer carefully and consult with their broker, account executive, financial advisor, attorney and/or other appropriate professional in making these decisions.

Subject to the terms and conditions of this Tender Offer, the Authority may purchase Bonds tendered for purchase, provided that such Bonds have been validly tendered by 5:00 p.m., New York City time, on _____, _____, 2024 (as extended from time to time in accordance with this Tender Offer, the “**Expiration Date**”) and accepted by the Authority on or before 5:00 p.m., New York City time, on Friday, _____, 2024 (as extended from time to time in accordance with this Tender Offer, the “**Acceptance Date**”), assuming all conditions to this Tender Offer have then been satisfied or waived by the Authority on or prior to _____, _____, 2024, (such date being the “**Settlement Date**”). Subject to the conditions set forth herein, Bondholders whose Bonds are tendered for purchase in accordance with the provisions of this Tender Offer and purchased by the Authority will receive payment of the applicable purchase price for each maturity and corresponding CUSIP (individually and collectively, the “**Purchase Price**”), plus Accrued Interest on the Bonds of the maturity corresponding thereto tendered for purchase to but not including the Settlement Date.

The Notice of the Taxable Bonds Purchase Prices will be made available: (i) by posting on the EMMA Website, using the CUSIP numbers for the Bonds; (ii) to DTC and to the DTC participants holding the Bonds; and (iii) by posting electronically on the website of the Information Agent at <https://www.globic.com/ttfa>.

For Bonds with sinking fund installments, the amount of such Bonds validly tendered and accepted for purchase by the Authority shall be allocated against the scheduled sinking fund installments in such manner as the Authority may direct, and the average lives of the Unpurchased Bonds associated with these CUSIP numbers may change.

In the event tendered Bonds are not purchased by the Authority, or all conditions to this Tender Offer are not satisfied or waived by the Authority on or prior to the Settlement Date, any Bonds tendered pursuant to this Tender Offer shall be returned to the Holder and remain outstanding.

The purchase of any Bonds tendered and accepted for purchase pursuant to this Tender Offer is contingent on the issuance of the Refunding Bonds, and is also subject to certain other conditions, including, without limitation, the Financing Conditions (as defined herein). Pursuant to the Thirty-Fourth Supplemental Transportation System Bond Resolution, the maximum authorized principal amount of the Refunding Bonds is \$1,787,500,000. See “INTRODUCTION – General” and “TERMS OF THE TENDER OFFER – Conditions to Purchase” herein.

HOLDERS OF BONDS WHO DO NOT TENDER THEIR BONDS, AS WELL AS HOLDERS OF BONDS WHO TENDER BONDS FOR PURCHASE THAT ARE NOT PURCHASED BY THE AUTHORITY PURSUANT TO THIS TENDER OFFER (THE “UNPURCHASED BONDS”), WILL CONTINUE TO HOLD SUCH UNPURCHASED BONDS AND SUCH UNPURCHASED BONDS WILL REMAIN OUTSTANDING UNDER THE RESOLUTION. THE AUTHORITY RESERVES THE RIGHT TO, AND MAY DECIDE TO,

REFUND IN THE FUTURE SOME OR ALL OF THE UNPURCHASED BONDS THROUGH THE ISSUANCE OF PUBLICLY-OFFERED OR PRIVATELY-PLACED TAXABLE OR TAX-EXEMPT OBLIGATIONS OF THE AUTHORITY OR FROM ANY OTHER AVAILABLE FUNDS OF THE AUTHORITY OR OTHER FUNDS MADE AVAILABLE TO THE AUTHORITY. IF CERTAIN CONDITIONS ARE NOT MET, THE AUTHORITY RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO NOT ACCEPT ANY BONDS, IN WHOLE OR IN PART, FOR PURCHASE.

THE AUTHORITY RESERVES THE RIGHT TO ADVANCE REFUND UNPURCHASED BONDS MATURING FROM 2025 – 2029 USING PROCEEDS OF THE 2024 SERIES B BONDS. See “INTRODUCTION – Unpurchased Bonds” and “ADDITIONAL CONSIDERATIONS” herein.

Purpose

This Tender Offer is being issued as part of a plan of finance to use proceeds from the sale of the Refunding Bonds that includes the retirement of the Bonds by purchasing them pursuant to this Tender Offer. Further, as described herein, the Authority’s purchase of Bonds pursuant to this Tender Offer is contingent upon receipt of sufficient proceeds for such purpose from the issuance of the Refunding Bonds. There can be no assurance that the Refunding Bonds will be issued or when they will be issued, or that the proceeds thereof will be sufficient to enable the Authority to purchase any or all of the Bonds validly tendered for purchase.

The purpose of the issuance of the Refunding Bonds is to produce targeted debt service savings as part of a comprehensive, integrated transaction that will reduce the potential amount of the Authority’s overall need for new money debt issuance in the future. Thus, the final decision to purchase Bonds, and, if less than all of the Bonds that are tendered are purchased, which Bonds will be accepted for purchase by the Authority, will be based upon market conditions associated with the sale of the Refunding Bonds and other factors outside of the control of the Authority.

Considerations for the Tender Offer

Tax-Exempt Bonds. The Tax-Exempt Purchase Price for Tax-Exempt Bonds for each particular CUSIP tendered pursuant to this Tender Offer is set forth on pages (ii) and (iii) of this Tender Offer

Taxable Bonds. The applicable Fixed Spread for a CUSIP as set forth on page (i) of this Tender Offer will represent the spread, expressed as an interest rate percentage, which will be added to the yield on the Reference U.S. Treasury Security corresponding thereto to arrive at the Taxable Purchase Yield used to calculate the Taxable Purchase Price for each corresponding CUSIP of the Taxable Bonds.

The yields on the Reference Treasury Securities (the “***Treasury Security Yields***”) will be determined at 10:00 A.M. New York City time, on _____, 2024, based on the bid-side price of the Reference U.S. Treasury Security as quoted on the Bloomberg Bond Trader FIT1 series of pages. The Fixed Spread will be added to the Treasury Security Yield to arrive at a Taxable Purchase Yield. The Reference Treasury Security for each CUSIP is identified on the inside cover page of the Tender Offer.

For each Taxable Bond, the Taxable Purchase Yield will be used to calculate the Taxable Purchase Price. The Taxable Purchase Price will be equal to: the sum of (i) the present value of all remaining scheduled principal and interest on the applicable Taxable Bond, discounted at the Taxable Purchase Yield to the Settlement Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), minus (ii) Accrued Interest up to but not including the Settlement Date. In addition to the Taxable Purchase Price of the Taxable Bonds accepted for purchase by the Authority, Accrued Interest on such Taxable Bonds to, but not including, the Settlement Date will be paid by the Authority to the tendering Bondholders on the Settlement Date. The Notice of the Taxable Bonds Purchase Prices will be made available: (i) by posting on the EMMA Website, using the CUSIP numbers for the Bonds listed in Table 1; (ii) to DTC and to the DTC participants holding the Bonds; and (iii) by posting electronically on the website of the Information Agent at <https://www.globic.com/tffa>.

The table below provides an example of the Taxable Purchase Price for each CUSIP realized by Taxable Bond Bondholders that tendered Taxable Bonds based on the following closing yields as of _____, 2024 for the Reference Treasury Securities provided below and the Fixed Spreads. THIS EXAMPLE IS BEING PROVIDED FOR

ILLUSTRATIVE PURPOSES ONLY AND IS NOT TO BE RELIED UPON BY A BONDHOLDER AS AN INDICATION OF THE TAXABLE PURCHASE YIELD OR TAXABLE PURCHASE PRICE THAT MAY BE ACCEPTED BY THE AUTHORITY.

Based on these Treasury Security Yields, the following Taxable Purchase Prices would be derived:

[Table to be provided by BofA]

Source of Funds

The source of funds to pay the purchase price of the Bonds validly tendered and purchased by the Authority pursuant to this Tender Offer and to pay the Accrued Interest on such Bonds to but not including the Settlement Date will be proceeds of the Tax-Exempt Refunding Bonds. **THE PURCHASE OF ANY BONDS VALIDLY TENDERED IS CONTINGENT ON THE ISSUANCE BY THE AUTHORITY OF THE TAX-EXEMPT REFUNDING BONDS.** The Refunding Bonds are described in the Refunding Bonds POS attached hereto as APPENDIX A.

Brokerage Commissions and Solicitation Fees

Bondholders will not be obligated to pay any brokerage commissions or solicitation fees to the Authority, the Dealer Manager, or the Tender and Information Agent in connection with this Tender Offer. However, Bondholders should check with their broker, bank, account executive or other financial institution which maintains the account in which their Bonds are held (their “**Financial Representative**”) to determine whether it will charge any commissions or fees.

Unpurchased Bonds

Any Unpurchased Bonds will continue to be outstanding, and payable and secured, pursuant to the terms of the Resolution. THE AUTHORITY RESERVES THE RIGHT TO, AND MAY DECIDE TO, REFUND IN THE FUTURE SOME OR ALL OF THE UNPURCHASED BONDS THROUGH THE ISSUANCE OF PUBLICLY-OFFERED OR PRIVATELY-PLACED TAXABLE OR TAX-EXEMPT OBLIGATIONS OF THE AUTHORITY OR TO DEFEASE SUCH BONDS WITH ANY OTHER AVAILABLE FUNDS OF THE AUTHORITY OR OTHER FUNDS MADE AVAILABLE TO THE AUTHORITY. THE AUTHORITY RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO NOT ACCEPT ANY BONDS, IN WHOLE OR IN PART, FOR PURCHASE.

THE AUTHORITY RESERVES THE RIGHT TO ADVANCE REFUND UNPURCHASED BONDS MATURING FROM 2025 – 2029 USING PROCEEDS OF THE TAXABLE REFUNDING BONDS. See “ADDITIONAL CONSIDERATIONS” herein.

Dealer Manager, Tender and Information Agent

BofA Securities, Inc. is serving as the Dealer Manager for this Tender Offer. Investors with questions about this Tender Offer should contact the Dealer Manager or Globic Advisors Inc., the Tender and Information Agent (the “**Tender and Information Agent**”) for this Tender Offer, at the addresses and telephone numbers set forth on the page preceding the Appendices appended to this Tender Offer. The Bonds are held in book-entry-only form through the facilities of The Depository Trust Company (“DTC”). The Authority, through the Tender and Information Agent, will establish an Automated Tender Offer Program (“ATOP”) account (the “**Authority’s ATOP Account**”) at DTC for the Bonds to which this Tender Offer relates promptly after the date of this Tender Offer. Bondholders who wish to tender Bonds pursuant to this Tender Offer must do so through the Authority’s ATOP account.

ALL TENDERS FOR PURCHASE MUST BE MADE THROUGH THE AUTHORITY’S ATOP ACCOUNT. THE AUTHORITY WILL NOT ACCEPT ANY TENDERS FOR PURCHASE THAT ARE NOT MADE THROUGH THE AUTHORITY’S ATOP ACCOUNT. LETTERS OF TRANSMITTAL ARE NOT BEING USED IN CONNECTION WITH THIS TENDER OFFER.

Any financial institution that is a participant in DTC may make a book-entry tender of the Bonds by causing DTC to transfer such Bonds into the Authority’s ATOP account relating to this Tender Offer and the applicable series, maturity and CUSIP number in accordance with DTC’s procedures for such transfer. Bondholders who are not DTC participants can only tender Bonds pursuant to this Tender Offer by making arrangements with and instructing their Financial Representative to tender the Bondholder’s Bonds through the Authority’s ATOP account. To ensure a Bondholder’s Bonds are tendered to the Authority’s ATOP account by 5:00 p.m., New York City time, on the Expiration Date, the Bondholder must provide instructions to the Bondholder’s Financial Representative in sufficient time for the Financial Representative to tender the Bonds to the Authority’s ATOP account by this deadline. A Bondholder should contact its Financial Representative for information as to when the Financial Representative needs the Bondholder’s instructions in order to tender the Bondholder’s Bonds to the Authority’s ATOP account by 5:00 p.m., New York City time, on the Expiration Date. See “TERMS OF THE TENDER OFFER– Tender of Bonds by Financial Institutions; Authority’s ATOP Account.”

THE AUTHORITY, THE DEALER MANAGER, AND THE TENDER AND INFORMATION AGENT ARE NOT RESPONSIBLE FOR THE TRANSFER OF ANY TENDERED BONDS TO THE AUTHORITY’S ATOP ACCOUNT OR FOR ANY MISTAKES, ERRORS OR OMISSIONS IN THE TRANSFER OF ANY TENDERED BONDS.

Information to Bondholders

The Authority may give information about this Tender Offer to the market and Bondholders by posting on the EMMA Website. Additionally, the Authority may give information about this Tender Offer to the Tender and Information Agent (collectively referred to herein, together with the EMMA Website, as the “**Information Services**”). The Tender and Information Agent will deliver information provided to it by the Authority through its website, <https://www.globic.com/ttfa>. Posting by the Authority of information on the EMMA Website will be deemed to constitute delivery of this information to each Bondholder.

The Authority, the Dealer Manager, and the Tender and Information Agent have no obligation to ensure that a Bondholder actually receives any information given to the Information Services.

Bondholders who would like to receive information transmitted by or on behalf of the Authority to the Information Services may receive such information from the Dealer Manager or the Tender and Information Agent by contacting them using the contact information on the page preceding the Appendices appended to this Tender Offer.

Any updates to this Tender Offer, including, without limitation any supplements to the Refunding Bonds POS, will be distributed through the EMMA Website and will additionally be made available to the Tender and Information Agent. The final Official Statement with respect to the Refunding Bonds (which will set forth the maturities, principal

amounts and interest rates on the Refunding Bonds) will be posted to the EMMA Website subsequent to the Acceptance Date and prior to the Settlement Date.

Priority of Allocation of Refunding Bonds

The Authority has advised BofA Securities Inc., as representative of the underwriters (the “Representative”) for the Refunding Bonds, that any Holder of the Bonds who tenders Bonds pursuant to this Tender Offer and who submits an order to purchase any Refunding Bonds may, subject to certain limitations, have a preference of allocation of the Refunding Bonds up to the principal amount of the Bonds that such Bondholder is tendering. The Representative has the discretion to accept orders outside of the Authority’s advised priorities if it determines that it is in the best interests of the underwriters of the Refunding Bonds, as provided in the rules of the Municipal Securities Rulemaking Board. The Authority also has the discretion to alter its advised priorities.

Minimum Denominations

A Bondholder may tender Bonds for purchase of a particular CUSIP number that it owns in an amount of its choosing, but only in a principal amount equal to the minimum denomination of \$5,000 or with respect to the CABs, such amount so that the accreted value of such bonds on their maturity date shall be \$5,000 (the “**Minimum Authorized Denomination**”) or any multiple of \$5,000 in excess thereof.

Accrued Interest

The Purchase Price of the Bonds tendered and accepted for purchase will not include any Accrued Interest on a tendered Bond of a particular CUSIP number from the last payment of interest thereon to but not including the Settlement Date. In addition to the Purchase Price of the Bonds purchased by the Authority pursuant to this Tender Offer, Accrued Interest on such Bonds from the last payment of interest thereon to but not including the Settlement Date will be paid by, or on behalf of, the Authority to the tendering Bondholders on the Settlement Date. Bondholders who tender the CABs tendered for purchase on the Settlement Date will solely receive the Purchase Price, and will not receive any Accrued Interest).

Provisions Applicable to All Tenders

Need for Advice. A Bondholder should ask its Financial Representative or financial advisor for help in determining: (i) whether to tender Bonds of a particular CUSIP number for purchase, and (ii) the principal amount of Bonds of such CUSIP number to be tendered. A Bondholder also should inquire as to whether its Financial Representative or financial advisor will charge a fee for submitting tenders. The Authority, the Dealer Manager, and the Tender and Information Agent will not charge any Bondholder for tendering Bonds.

Need for Specificity of Tender. A tender cannot exceed the par amount of Bonds owned by the Bondholder and must include the following information: (1) the CUSIP number(s) of the Bond(s) being tendered, and (2) the principal amount of the Bonds of such CUSIP number being tendered (such principal amount must be equal to or greater than the Minimum Authorized Denomination and, if greater than the Minimum Authorized Denomination, must be stated in integral multiples of \$5,000 and if not so stated, for tenders of less than all of the Holder’s position in the Bonds, such principal amount will be reduced to the greatest integral multiple of \$5,000). Any Bondholder located outside of the United States should check with their broker to determine if there are any additional minimal increments, alternative settlement timing or other limitations.

“All or none” offers are not permitted. A Bondholder also cannot condition its offer for any single Bond CUSIP on the acceptance of its offer for a separate Bond CUSIP. No alternative, conditional or contingent tenders will be accepted.

Bonds may be tendered for payment only in principal amounts equal to the Minimum Authorized Denomination and multiples of \$5,000 in excess thereof.

ALL TENDERS FOR PURCHASE MUST BE MADE THROUGH THE AUTHORITY'S ATOP ACCOUNT. THE AUTHORITY WILL NOT ACCEPT ANY TENDERS FOR PURCHASE THAT ARE NOT MADE THROUGH THE AUTHORITY'S ATOP ACCOUNT. LETTERS OF TRANSMITTAL ARE NOT BEING USED IN CONNECTION WITH THIS TENDER OFFER. See "TERMS OF THE TENDER OFFER—Tender of Bonds by Financial Institutions; Authority's ATOP Account" herein.

General. A Bondholder may only tender Bonds it owns or controls. By tendering Bonds pursuant to this Tender Offer, a Bondholder will be deemed to have represented and agreed with the Authority as set forth below under "TERMS OF THE TENDER OFFER—Representations by Tendering Bondholders to the Authority." All tenders shall survive the death or incapacity of the tendering Bondholder.

Bondholders who would like to receive information furnished by the Authority to the Information Services can review the EMMA Website or the website of the Tender and Information Agent at <https://www.globic.com/ttfa>, or otherwise must make appropriate arrangements with their Financial Representatives or the Tender and Information Agent.

Representations by Tendering Bondholders to the Authority

By tendering Bonds for purchase, each tendering Bondholder will be deemed to have represented to and agreed with the Authority that:

(a) the Bondholder has received this Tender Offer, including the Refunding Bonds POS, and has had the opportunity to review this Tender Offer, including the Refunding Bonds POS, in its entirety, prior to making its decision to tender Bonds, and agrees if the purchase of any tendered Bonds is consummated, the purchase of such Bonds shall be on the terms and conditions set forth in this Tender Offer;

(b) the Bondholder has full power and authority to tender, sell, assign and transfer the tendered Bonds; and on the Settlement Date, the Authority will acquire good, marketable and unencumbered title thereto, free and clear of all liens, charges, encumbrances, conditional sales agreements or other obligations and not subject to any adverse claims, upon payment to the Bondholder of the applicable Purchase Price(s) plus Accrued Interest (if applicable);

(c) the Bondholder has made its own independent decision to tender its Bonds for purchase pursuant to this Tender Offer, and as to the terms thereof, and such decision is based upon the Bondholder's own judgment and upon advice from its Financial Representative or such advisors with whom the Bondholder has determined to consult;

(d) the Bondholder is not relying on any communication from the Authority, the Dealer Manager or the Tender and Information Agent as investment advice or as a recommendation to tender the Bondholder's Bonds at the applicable Purchase Price, it being understood that the information from the Authority, the Dealer Manager and the Tender and Information Agent related to the terms and conditions of this Tender Offer shall not be considered investment advice or a recommendation to tender Bonds; and

(e) the Bondholder is capable of assessing the merits of and understanding (on its own and/or through independent professional advice), and understands, agrees and accepts, the terms and conditions of this Tender Offer.

Tender of Bonds by Financial Institutions; Authority's ATOP Account

The Authority, through the Tender and Information Agent, will establish the Authority's ATOP account at DTC for the CUSIP numbers to which this Tender Offer relates promptly after the date of this Tender Offer. Tenders of Bonds pursuant to this Tender Offer may only be made by transfer to the Authority's ATOP account as an offer to sell Bonds for cash. Any financial institution that is a participant in DTC may make a book-entry tender of the Bonds by causing DTC to transfer such Bonds into the Authority's ATOP account in accordance with DTC's procedures.

Concurrently with the delivery of Bonds through book-entry transfer into the Authority's ATOP account, an Agent's Message (as described below) in connection with such book-entry transfer must be transmitted to and received at the Authority's ATOP account by not later than 5:00 p.m., New York City time, on the Expiration Date; provided,

however, a tender of Bonds related to an Agent's Message transmitted to the Authority's ATOP account after such time may be accepted by the Authority for purchase if the Authority, in its sole discretion, waives the defect in the timing of the delivery of such message. The confirmation of a book-entry transfer to the Authority's ATOP account as described above is referred to herein as a **"Book-Entry Confirmation."** The term **"Agent's Message"** means a message transmitted by DTC to, and received by, the Tender and Information Agent and forming a part of a Book-Entry Confirmation which states that DTC has received an express acknowledgment from the DTC participant tendering Bonds that are the subject of such Book-Entry Confirmation, stating the CUSIP number(s) and the principal amount(s) of the Bonds that have been tendered by such DTC participant pursuant to this Tender Offer, and to the effect that such participant agrees to be bound by the terms of this Tender Offer. By causing DTC to transfer Bonds into the Authority's ATOP account, a financial institution warrants to the Authority that it has full authority, and has received from the Bondholder(s) of such Bonds all direction necessary, to tender and sell such Bonds as set forth in this Tender Offer.

ALL TENDERS FOR PURCHASE MUST BE MADE THROUGH THE AUTHORITY'S ATOP ACCOUNT. THE AUTHORITY WILL NOT ACCEPT ANY TENDERS FOR PURCHASE THAT ARE NOT MADE THROUGH THE AUTHORITY'S ATOP ACCOUNT. LETTERS OF TRANSMITTAL ARE NOT BEING USED IN CONNECTION WITH THIS TENDER OFFER.

Bondholders who are not DTC participants can only tender Bonds pursuant to this Tender Offer by making arrangements with and instructing their Financial Representative to tender the Bondholder's Bonds through the Authority's ATOP account. To ensure a Bondholder's Bonds are tendered to the Authority's ATOP account by 5:00 p.m., New York City time, on the Expiration Date, a Bondholder must provide instructions to its Financial Representative in sufficient time for the Financial Representative to tender the Bondholder's Bonds to the Authority's ATOP account by this deadline. A Bondholder should contact its Financial Representative for information as to when the Financial Representative needs the Bondholder's instructions in order to tender the Bondholder's Bonds to the Authority's ATOP account by 5:00 p.m., New York City time, on the Expiration Date.

THE AUTHORITY, THE DEALER MANAGER, AND THE TENDER AND INFORMATION AGENT ARE NOT RESPONSIBLE FOR THE TRANSFER OF ANY TENDERED BONDS TO THE AUTHORITY'S ATOP ACCOUNT OR FOR ANY MISTAKES, ERRORS OR OMISSIONS IN THE TRANSFER OF ANY TENDERED BONDS.

Determinations as to Form and Validity of Tender Offer; Right of Waiver and Rejection

All questions as to the validity (including the time of receipt of Agent's Messages by the Tender and Information Agent), form, eligibility and acceptance of any Bonds tendered for purchase pursuant to this Tender Offer will be determined by the Authority in its sole discretion and such determinations will be final, conclusive and binding.

The Authority reserves the right to waive any irregularities or defects in any tender. The Authority, the Dealer Manager and the Tender and Information Agent are not obligated to give notice of any defects or irregularities in tenders and will have no liability for failing to give such notice.

The Authority reserves the absolute right to reject any and all offers, whether or not they comply with the terms of this Tender Offer.

Amendment or Withdrawals of Tenders Prior to an Expiration Date

A Bondholder may amend its offer to tender for purchase in respect of the amount being tendered by causing an amended offer to be received at the Authority's ATOP account at or before 5:00 p.m. on the Expiration Date.

An offer to tender for purchase may be withdrawn by a Bondholder by causing a withdrawal notice to be received at the Authority's ATOP Account at or before 5:00 p.m. on the Expiration Date.

An amended offer or a notice of withdrawal must be submitted in substantially the same manner as an offer.

Bondholders who have tendered their Bonds for purchase will not receive any information from the Authority, the Dealer Manager or the Tender and Information Agent concerning offers by other Bondholders. Bondholders will not be afforded an opportunity to amend their offers after 5:00 p.m. on the Expiration Date. An amended or withdrawn offer must specify the applicable CUSIP number, and with respect to amended offers, the principal amount previously offered and the new amount being offered. All questions as to the validity (including the time of receipt) of an amendment or withdrawal will be determined by the Authority in its sole discretion and will be final, conclusive and binding.

ALL TENDERS OF BONDS SHALL BE IRREVOCABLE AT 5:00 P.M. UPON THE EXPIRATION DATE.

Acceptance of Tenders for Purchase; Notice of Acceptance

On the Acceptance Date (i.e., _____, ____ __, 2024, unless extended), upon the terms and subject to the conditions of this Tender Offer, the Authority will announce its acceptance for purchase of the Bonds listed in Table 1, Table 2 and Table 3, if any, validly tendered by Bondholders pursuant to this Tender Offer by giving notice in the manner described in “INTRODUCTION – Considerations for the Tender Offer,” with acceptance subject to the satisfaction or waiver by the Authority of the conditions to the purchase of tendered Bonds. See “TERMS OF THE TENDER OFFER– Acceptance of Tenders Constitutes Irrevocable Agreement” and – Conditions to Purchase.”

The Authority intends to purchase up to all of the Bonds listed in Table 1, Table 2 and Table 3 pursuant to this Tender Offer, though if certain conditions are not met, the Authority, in its sole discretion, may purchase a lesser principal amount of Bonds. The Authority shall be under no obligation to accept any Bonds tendered for purchase pursuant to this Tender Offer.

The Authority will determine the amount (if any) of the tendered Bonds that it will purchase upon satisfaction or waiver of the Financing Conditions. Should the Authority choose to purchase some but not all the Bonds tendered for purchase of a particular CUSIP, the Authority will accept those Bonds on a pro rata basis reflecting the ratio of (a) the principal amount, if any, the Authority determines to purchase of such CUSIP to (b) the aggregate principal amount of valid offers to sell received (the “Proration Factor”). To avoid returning Bonds to any Bondholder that are not in a Minimum Authorized Denomination, the amount of such Bonds tendered by any Bondholder will be multiplied by the applicable Proration Factor and rounded down to the nearest \$5,000 principal amount and the remainder will be returned to such Bondholder. The Proration Factor will take into consideration the rounding procedure.

With respect to Unpurchased Bonds, the Authority shall have the right in the future to either refund some or all of the Bonds or invite Bondholders to tender their Bonds for purchase by the Authority. The acceptance of Bonds tendered for purchase is expected to be made by notification to the Information Services no later than 5:00 p.m., New York City time, on the Acceptance Date. This notification will state: (i) the principal amount of the Bonds of each maturity and corresponding CUSIP that the Authority has agreed to accept for tender for purchase in accordance with this Tender Offer, which may be zero for a particular maturity and corresponding CUSIP, or (ii) that the Authority has decided not to purchase any Bonds.

All Bonds that were tendered but were not accepted for purchase will be released from the Authority’s ATOP account in accordance with DTC’s ATOP procedures. The Authority, the Dealer Manager, and the Tender and Information Agent are not responsible or liable for the operation of the Authority’s ATOP account by DTC to properly credit such released Bonds to the applicable account of the DTC participant or Financial Representative or by such DTC participant or Financial Representative for the account of the Bondholder.

The Authority is not required to purchase any Bond offered. As described above under “INTRODUCTION – Purpose,” the final decision to purchase Bonds, and, if less than all of the Bonds that are tendered are purchased, which Bonds will be accepted for purchase by the Authority, will be based upon market conditions associated with the sale of the Refunding Bonds and other factors outside of the control of the Authority. Subject to the terms and conditions of the Tender Offer set forth herein, the Authority will determine which Bonds (and the corresponding CUSIP), if any, it will purchase. The Authority therefore expressly reserves the right to purchase none, some, or all of the Bonds.

The Authority reserves the right to, and may decide to, refund in the future some or all of the Unpurchased Bonds through the issuance of publicly-offered or privately-placed taxable or tax-exempt obligations of the Authority.

THE AUTHORITY RESERVES THE RIGHT TO ADVANCE REFUND UNPURCHASED BONDS MATURING FROM 2025 – 2029 USING PROCEEDS OF THE TAXABLE REFUNDING BONDS. See also “INTRODUCTION–Unpurchased Bonds” and “ADDITIONAL CONSIDERATIONS” for certain potential impacts on any Unpurchased Bonds.

Notwithstanding any other provision of this Tender Offer, the consummation of this Tender Offer and the Authority’s obligation to purchase Bonds validly tendered (and not validly withdrawn) and accepted for purchase pursuant to this Tender Offer is subject to the satisfaction of or waiver of the Financing Conditions (see “INTRODUCTION – General” herein) and the other conditions set forth in “Conditions to Purchase” herein. The Authority reserves the right, subject to applicable law, to amend or waive any of the conditions to this Tender Offer, in whole or in part, at any time prior to the Expiration Date or from time to time, in its sole discretion. This Tender Offer may be withdrawn by the Authority at any time prior to the Expiration Date.

Acceptance of Tenders Constitutes Irrevocable Agreement

Acceptance by the Authority of validly tendered Bonds will constitute an irrevocable agreement between the tendering Bondholder and the Authority to sell and purchase such Bonds, subject to the conditions and terms of this Tender Offer. See “Minimum Denominations” herein and “– Conditions to Purchase” herein.

Settlement Date; Purchase of Bonds

Subject to satisfaction of all conditions to the Authority’s obligation to purchase Bonds tendered and accepted for purchase, as described herein, including, without limitation, the Financing Conditions, the Settlement Date is the day on which such Bonds will be purchased at the applicable Purchase Price(s), together with Accrued Interest thereon. The Settlement Date will occur following the Acceptance Date, subject to all conditions to this Tender Offer having been satisfied or waived by the Authority. The expected Settlement Date is Thursday, _____, 2024, unless extended by the Authority, assuming all conditions to this Tender Offer have been satisfied or waived by the Authority. Bondholders whose Bonds are purchased on the Settlement Date will receive Accrued Interest up to but not including the Settlement Date. Bondholders who tender the CABs tendered for purchase on the Settlement Date will solely receive the Purchase Price, which will include compounded interest on such CABs, and will not receive any Accrued Interest.

The Authority may, in its sole discretion, change the Settlement Date by giving notice to the Information Services prior to the change. See “TERMS OF THE TENDER OFFER – Conditions to Purchase.”

Subject to satisfaction of all conditions to the Authority’s obligation to purchase Bonds tendered and accepted for purchase pursuant to this Tender Offer, as described herein, payment by the Authority, or on the Authority’s behalf, will be made in immediately available funds on the Settlement Date by deposit with DTC of the aggregate Purchase Price and Accrued Interest on the Bonds accepted for purchase. The Authority expects that, in accordance with DTC’s standard procedures, DTC will transmit the aggregate Purchase Price plus Accrued Interest in immediately available funds to each of its participant financial institutions holding the Bonds accepted for purchase on behalf of Bondholders for delivery to the Bondholders. **The Authority, the Dealer Manager and the Tender and Information Agent have no responsibility or liability for the distribution of the aggregate Purchase Price plus Accrued Interest paid by DTC to DTC participants or by DTC participants to the tendering Bondholders.**

Purchase and Accrued Interest Funds

The source of funds to purchase the Bonds validly tendered and accepted for purchase pursuant to this Tender Offer and to pay the Accrued Interest on such Bonds to but not including the Settlement Date will be proceeds of the Tax-Exempt Refunding Bonds. The purchase of any Bonds tendered pursuant to this Tender Offer is contingent on the issuance by the Authority of the Tax-Exempt Refunding Bonds, as well as certain other conditions which must be

satisfied or waived on or prior to the Settlement Date. See “INTRODUCTION – General” and “TERMS OF THE TENDER OFFER – Conditions to Purchase” herein for more information on the conditions precedent to this Tender Offer.

Conditions to Purchase

In addition to the Financing Conditions (see “INTRODUCTION – General” herein), if after the Acceptance Date, but prior to payment for the Bonds accepted by the Authority on the Settlement Date, any of the following events should occur, the Authority will have the absolute right to cancel its obligations to purchase Bonds without any liability to any Bondholder:

- The Refunding Bonds are not issued for any reason;
- Litigation or another proceeding is pending or threatened which the Authority believes may, directly or indirectly, have an adverse impact on this Tender Offer or the expected benefits of this Tender Offer to the Authority or the Bondholders;
- A war, national emergency, banking moratorium, suspension of payments by banks, a general suspension of trading by the New York Stock Exchange or a limitation of prices on the New York Stock Exchange exists and the Authority believes this fact makes it inadvisable to proceed with the purchase of Bonds and/or with the sale of the Refunding Bonds;
- A material change in the affairs of the Authority or the State has occurred which the Authority believes makes it inadvisable to proceed with the purchase of Bonds and/or with the sale of the Refunding Bonds;
- A material change in the net economics of the transaction has occurred due to a material change in market conditions which the Authority, in its sole discretion, believes makes it inadvisable to proceed with the purchase of Bonds and/or with the sale of the Refunding Bonds; or
- There shall have occurred a material disruption in securities settlement, payment or clearance services.

These conditions (together with the Financing Conditions, the “**Conditions to Purchase**”) are for the sole benefit of the Authority and may be asserted by the Authority, prior to the time of payment of the Bonds it has agreed to purchase on the Settlement Date, regardless of the circumstances giving rise to any of these conditions or may be waived by the Authority in whole or in part at any time and from time to time in its sole discretion, and may be exercised independently for each CUSIP. The failure by the Authority at any time to exercise any of these rights will not be deemed a waiver of any of these rights, and the waiver of these rights with respect to particular facts and other circumstances will not be deemed a waiver of these rights with respect to any other facts and circumstances. Each of these rights will be deemed an ongoing right of the Authority which may be asserted at any time and from time to time prior to the time of payment of the Bonds it has agreed to purchase. Any determination by the Authority concerning the events described in this section will be final and binding upon all parties.

HOLDERS OF UNPURCHASED BONDS WILL CONTINUE TO HOLD SUCH BONDS AND SUCH UNPURCHASED BONDS WILL REMAIN OUTSTANDING UNDER THE RESOLUTION. THE AUTHORITY RESERVES THE RIGHT TO, AND MAY DECIDE TO, REFUND IN THE FUTURE SOME OR ALL OF THE UNPURCHASED BONDS THROUGH THE ISSUANCE OF PUBLICLY-OFFERED OR PRIVATELY-PLACED TAXABLE OR TAX-EXEMPT OBLIGATIONS OF THE AUTHORITY OR TO DEFEASE SUCH UNPURCHASED BONDS FROM OTHER AVAILABLE FUNDS OF THE AUTHORITY OR FROM OTHER FUNDS MADE AVAILABLE TO THE AUTHORITY. THE AUTHORITY RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO NOT ACCEPT ANY BONDS, IN WHOLE OR IN PART, FOR PURCHASE.

THE AUTHORITY RESERVES THE RIGHT TO ADVANCE REFUND UNPURCHASED BONDS MATURING FROM 2025 – 2029 USING PROCEEDS OF THE TAXABLE REFUNDING BONDS. See “INTRODUCTION – Unpurchased Bonds” and “ADDITIONAL CONSIDERATIONS” herein.

Extension, Termination and Amendment of the Tender Offer; Changes to Terms

Through and including the Expiration Date, the Authority has the right to extend this Tender Offer, as to any or all of the Bonds, to any date in its sole discretion, provided that a notice of any extension of the Expiration Date is given to the Information Services, including by posting such notice to the EMMA Website on or about 11:00 a.m., New York City time, on the first business day after the Expiration Date.

The Authority also has the right, prior to acceptance of Bonds tendered for purchase as described above under the heading “TERMS OF THE TENDER OFFER – Acceptance of Tenders Constitutes Irrevocable Agreement,” to terminate this Tender Offer at any time by giving notice to the Information Services. The termination will be effective at the time specified in such notice.

The Authority also has the right, prior to acceptance of Bonds tendered for purchase as described above under the heading “TERMS OF THE TENDER OFFER – Acceptance of Tenders Constitutes Irrevocable Agreement,” to amend or waive the terms of this Tender Offer in any respect and at any time by giving notice to the Information Services. Any such amendment or waiver will be effective at the time specified in such notice.

If the Authority extends the Tender Offer, or amends the terms of the Tender Offer to the change the consideration offered for the Bonds, the Authority shall provide notice thereof at least five (5) business days prior to the Expiration Date, as extended. **In such event, any offers submitted with respect to the affected Bonds prior to such change for such Bonds pursuant to the Tender Offer, will remain in full force and effect and any Bondholder of such affected Bonds wishing to revoke their offer to tender such Bonds must affirmatively withdraw such offer prior to the Expiration Date.**

If the Authority amends the terms of this Tender Offer (other than any term that relates to the consideration offered for the Bonds), which amendment may include a waiver of any term, in any material respect, notice of such amendment or waiver will be given no later than three (3) business days before the Expiration Date, as extended to provide reasonable time for dissemination of such amendment or waiver to Holders and for Holders to respond.

No extension, termination or amendment of this Tender Offer (or waiver of any terms of this Tender Offer) will change the Authority’s right to decline to purchase any Bonds without liability. See “TERMS OF THE TENDER OFFER – Conditions to Purchase.”

The Authority, the Dealer Manager and the Tender and Information Agent have no obligation to ensure that a Bondholder actually receives any information given to the Information Services.

AVAILABLE INFORMATION

Certain information relating to the Bonds and the Authority may be obtained by contacting the Dealer Manager or Tender and Information Agent at the contact information set forth on the page preceding the Appendices appended to this Tender Offer. Such information is limited to (i) this Tender Offer, including the information set forth in the Refunding Bonds POS which is attached hereto as APPENDIX A, and (ii) information about the Authority available through the EMMA Website.

References to website addresses herein are for informational purposes only and may be in the form of a hyperlink solely for the reader’s convenience. Unless specified otherwise, such websites and the information or links contained therein are not incorporated into, and are not a part of, this Tender Offer.

ADDITIONAL CONSIDERATIONS

None of the Authority, the Dealer Manager or the Tender and Information Agent make any recommendation that any Bondholder tender or refrain from tendering all or any portion of the Bonds. Each Bondholder must make its own informed decision and should read this Tender Offer and the Refunding Bonds POS in their entirety and consult with its broker, account executive, financial advisor and/or other financial professional in making such decision.

In deciding whether to participate in this Tender Offer, each Bondholder should consider carefully, in addition to the other information contained in this Tender Offer, the following:

- In the event that the Tax-Exempt Refunding Bonds are not issued and sold, tendered Bonds accepted for purchase are not required to be purchased by the Authority and in such event, Bondholders will continue to hold their respective tendered Bonds.
- Even if the Authority does not purchase any tendered Bonds, the Authority shall have the right now or in the future to refund all or any portion of the tendered Bonds or may in the future invite Bondholders to tender such tendered Bonds for purchase by the Authority.
- The Authority reserves the right to advance refund Unpurchased Bonds maturing from 2025 – 2029 using proceeds of the Taxable Refunding Bonds
- The purchase or redemption by the Authority of Bonds of any CUSIP number may have certain potential adverse effects on holders of Bonds with such CUSIP not purchased pursuant to this Tender Offer, including, but not limited to, the principal amount of the Bonds of such CUSIP number available to trade publicly may be reduced, which could adversely affect the liquidity and market value of any Unpurchased Bonds of that CUSIP number that remain outstanding.
- For Bonds with sinking fund installments, the amount of such Bonds validly tendered and accepted for purchase by the Authority shall be allocated against the scheduled sinking fund installments in such manner as the Authority may direct, and the average lives of the Unpurchased Bonds associated with these CUSIP numbers may change.

The Authority May Later Acquire Bonds at More Favorable Prices with More Favorable Terms Than Those Offered Pursuant to this Tender Offer

The Authority reserves the right to, and may in the future decide to, acquire some or all of the Bonds not purchased pursuant to this Tender Offer through open market purchases, privately negotiated transactions, subsequent tender offers, exchange offers or otherwise, upon such terms and at such prices as it may determine, which may be more or less than the consideration set forth in this Tender Offer, and which could be for cash or other consideration. Any future acquisition of Bonds may be on the same terms or on terms that are more or less favorable to Bondholders than the terms described in this Tender Offer. The decision to make future purchases or exchanges by the Authority and the terms of such future transactions will depend on various factors existing at that time. There can be no assurance as to which of these alternatives, if any, the Authority will ultimately choose to pursue in the future.

Timeliness of Offers

This Tender Offer will expire at 5:00 p.m., New York City time, on the Expiration Date (currently scheduled for _____, __ __, 2024), unless extended or terminated as described in “TERMS OF THE TENDER OFFER – Extension, Termination and Amendment of the Tender Offer; Changes to Terms.” Bonds tendered for purchase as described in this Tender Offer after 5:00 p.m., New York City time, on the Expiration Date will not be accepted for tender, except in the Authority’s sole discretion.

Acceptance Date

The Authority will accept tenders of Bonds, if at all, on or before 5:00 p.m., New York City time, on _____, __ __, 2024, unless extended as set forth in this Tender Offer (the “**Acceptance Date**”). Notification of acceptance of Bonds tendered pursuant to this Tender Offer will be given on or before 5:00 p.m., New York City time on the

Acceptance Date, unless an Expiration Date is extended or a Tender Offer is terminated. See “TERMS OF THE TENDER OFFER – Acceptance of Tenders for Purchase; Notice of Acceptance” herein.

SUMMARY OF CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The following is a general summary of the U.S. federal income tax consequences for Bondholders that respond to this Tender Offer and have their offer to tender their Bonds accepted by the Authority. The discussion is based on the Internal Revenue Code of 1986, as amended (the “Code”), the Treasury Regulations promulgated thereunder, and relevant rulings and decisions now in effect, all of which are subject to change and differing interpretations. No assurances can be given that future changes in U.S. federal income tax laws will not alter the conclusions reached herein. The discussion below does not purport to deal with U.S. federal income tax consequences applicable to all categories of Bondholders. Further, this summary does not discuss all aspects of U.S. federal income taxation that may be relevant to a particular Bondholder of the Bonds in light of the Bondholder’s particular circumstances or to certain types of Bondholders subject to special treatment under U.S. federal income tax laws (including individuals who are neither citizens nor residents of the United States; foreign corporations, trusts and estates, in each case, as defined for U.S. federal income tax purposes; insurance companies; tax-exempt organizations; financial institutions; brokers-dealers; partnerships and other entities classified as partnerships for U.S. federal income tax purposes; and persons who have hedged the risk of owning the Bonds). Tendering Bondholders should note that no rulings have been or will be sought from the Internal Revenue Service (the “IRS”), and no assurance can be given that the IRS will not take contrary positions with respect to any of the U.S. federal income tax consequences discussed below. This U.S. federal income tax discussion is included for general information only and should not be construed as a tax opinion nor tax advice by the Authority or any of its advisors or agents to the Bondholders, and Bondholders therefore should not rely upon such discussion.

The discussion does not deal with special classes of Bondholders of the Bonds, such as dealers or traders in securities, investors that elect mark-to-market accounting, banks, financial institutions, insurance companies, retirement plans or other tax-deferred or tax advantaged accounts, tax-exempt organizations, partnerships or other pass-through entities (or entities treated as such for U.S. federal income tax purposes), U.S. expatriates, persons holding their Bonds as a part of a hedging, integration, conversion or constructive sale transaction or a straddle, Bondholders that are “United States persons,” as defined in section 7701(a)(30) of the Code (“U.S. Holders”) and are subject to the alternative minimum tax, U.S. Holders that have a functional currency other than the U.S. Dollar, and persons who are not U.S. Holders (all of such holders of the Bonds should consult their tax advisors).

If a partnership or other flow-through entity holds the Bonds, the tax treatment of a partner in the partnership or beneficial owner of the flow-through entity generally will depend upon the status of the partner or beneficial owner and the activities of the partnership or flow-through entity. A partner of a partnership or a beneficial owner of a flow-through entity holding Bonds should consult its own tax advisor regarding the U.S. federal income tax consequences of this Tender Offer.

Non-tendering Bondholders will not be subject to any U.S. federal income tax consequences in connection with this Tender Offer.

BONDHOLDERS SHOULD CONSULT THEIR OWN TAX ADVISORS IN DETERMINING THE U.S. FEDERAL, STATE, LOCAL, FOREIGN AND ANY OTHER TAX CONSEQUENCES TO THEM FROM THE PURCHASE OF THEIR BONDS PURSUANT TO THIS TENDER OFFER.

The tender of a Bond for cash will be a taxable event for U.S. federal income tax purposes. A Bondholder that sells Bonds tendered pursuant to this Tender Offer generally will recognize a gain or loss for U.S. federal income tax purposes in an amount equal to the difference between the (i) the amount of cash received (except to the extent attributable to accrued but unpaid interest on the Bonds) and (ii) the Bondholder’s adjusted U.S. federal income tax basis in the Bonds (generally, the purchase price paid by the Bondholder for the Bonds, decreased by any amortized premium, and increased by the amount of any original issue discount previously included in income by such Bondholder with respect to such Bond). Any such gain or loss generally will be a capital gain or loss. In the case of a non-corporate Bondholder, the maximum marginal U.S. federal income tax rate applicable to any such gain will be lower than the

maximum marginal U.S. federal income tax rate applicable to ordinary income if such Bondholder's holding period for the Bonds exceeds one year. The deductibility of capital losses is subject to limitations.

Cash received by a Bondholder that sells Bonds tendered pursuant to this Tender Offer that is attributable to accrued but unpaid interest on such Bonds will be taxed as ordinary income.

Bondholders that are U.S. Holders will be subject to "backup withholding" of federal income tax in the event they fail to furnish a taxpayer identification number or there are other, related compliance failures.

SECTION 2. (a) There is hereby created and established with the Escrow Agent a special and irrevocable escrow fund designated as the “2024 Series A Transportation System Bonds Escrow Fund” (the “Escrow Fund”). The Escrow Fund is to be held by the Escrow Agent as a trust fund for the benefit of the holders of the Refunded Bonds in accordance with the

terms and provisions hereof. The Escrow Fund shall be held by the Escrow Agent separate and apart from all other funds of the Authority and the Escrow Agent.

(b) Concurrently with the execution and delivery of this Agreement, there is hereby deposited with the Escrow Agent, and the Escrow Agent hereby acknowledges the receipt of, immediately available moneys from the Authority in the amount of \$_____ from the proceeds of the sale of the Refunding Bonds, to be deposited in the Escrow Fund as follows: \$_____ shall be applied on the date hereof to purchase the Federal Securities described on **Schedule B** attached hereto and made a part hereof, and \$_____ of which shall be held uninvested in cash until needed to pay the principal or Redemption Price of and interest due on the Refunded Bonds on each Payment Date.

SECTION 3. (a) The Escrow Agent shall use the amounts received from the maturing principal of and interest on the Federal Securities, together with the other moneys available in the Escrow Fund, to pay the principal of and interest due on the Refunded Bonds on each Payment Date.

(b) Based solely upon the verification report, dated the date hereof, issued by Samuel Klein & Company, the Authority represents and warrants to the Escrow Agent that the amounts to be received from the maturing principal of and interest on the Federal Securities, together with the other moneys deposited in the Escrow Fund pursuant to Section 2, will be sufficient to pay the principal of and interest on the Refunded Bonds on each Payment Date.

SECTION 4. The Escrow Agent shall, at the written direction of the Authority, invest and reinvest any moneys remaining from time to time in the Escrow Fund in Federal Securities which mature in amounts at least equal to their purchase price at or prior to the time such moneys are needed. All interest income received as a result of investments made pursuant to this Section 4 shall be applied to the payment of the principal of and/or interest on the Refunded Bonds on each Payment Date. Notwithstanding the foregoing, the Escrow Agent shall not make any such investment or reinvestment, or enter into a float forward, escrow reinvestment or similar agreement with respect to uninvested moneys in the Escrow Fund, unless the Authority shall obtain and the Escrow Agent shall receive [(a) the opinion of nationally recognized bond counsel or special tax counsel, addressed to the Authority and the Escrow Agent, to the effect that entering into such agreement would not cause any of the [Refunding] [Refunded] Bonds to be an "arbitrage bond" within the meaning of Section 148 of the Internal Revenue Code of 1986, and the regulations thereunder in effect on the date of such investment and applicable to obligations issued on the issue date of the [Refunding] [Refunded] Bonds, and (b)] written confirmation from each rating agency then maintaining a rating on the Refunded Bonds that the execution and delivery of the proposed agreement will not cause a reduction or withdrawal of such rating, provided that the Authority obtained a rating on the Refunded Bonds based on the Federal Securities in the Escrow Fund prior to the execution and delivery of the proposed agreement. In the absence of any such instructions from the Authority pursuant to this Section 4, any moneys from time to time on deposit in the Escrow Fund, including amounts to be received from the maturing principal of and interest on the Federal Securities, shall be held uninvested until needed to pay the principal of and interest due on the Refunded Bonds on each Payment Date. The maturing principal from investments and reinvestments of moneys remaining from time to time in an Escrow Fund shall be retained in such Escrow Fund and applied to pay the principal of and/or interest on the Refunded Bonds on each Payment Date, and interest earned on such investments and reinvestments not required to be applied to the payment of the Refunded Bonds shall, after the final payment in full of the Refunded Bonds, be applied as provided in Section 10 hereof free and clear of the lien of this Agreement.

SECTION 5. [Reserved].

SECTION 6. The trust created by this Agreement shall be irrevocable and the holders of the Refunded Bonds shall have an express lien on, security interest in and an irrevocable pledge of all Federal Securities and moneys on deposit in the Escrow Fund until used and applied in accordance with this Agreement. As a result of the trust created hereby and the deposit of the Federal Securities and moneys into the Escrow Fund described in Sections 2 and 3 hereof and the instructions to the Escrow Agent set forth in Section 8 hereof, the pledge of the Pledged Property, the Debt Service Reserve Fund, any Revenues, and other moneys and securities pledged under the Resolution and all covenants, agreements and other obligations of the Authority to the holders of the Refunded Bonds, have ceased, terminated and become void and are discharged and satisfied, and the Refunded Bonds have ceased to be entitled to any lien, benefit or security under the Resolution.

SECTION 7. The Escrow Agent shall not be liable for any loss resulting from any investment made pursuant to the terms and provisions of this Agreement, except for losses resulting from the Escrow Agent's negligence or misconduct. The liability of the Escrow Agent for the payment of the principal or Redemption Price of and interest on the Refunded Bonds shall be limited to the amounts deposited pursuant to this Agreement and the earnings thereon when invested in accordance with this Agreement. The Escrow Agent shall assert no lien whatsoever upon any of the Federal Securities or moneys on deposit in the Escrow Fund for the payment of fees and expenses for services rendered by the Escrow Agent under this Agreement. The Authority shall pay to the Escrow Agent, in accordance with the Escrow Agent's fee proposal, compensation for all services performed by it hereunder and all of its reasonable expenses, charges, and other disbursements and those of its attorneys, agents and employees, incurred in and about the administration and execution of the trusts hereby created, and the performance of its powers and duties hereunder. In addition, the provisions of paragraph 2 of Section 905 of the Resolution are incorporated herein by reference, shall apply to the performance by the Escrow Agent of its obligations under this Agreement, and shall survive the discharge and defeasance of the Resolution with respect to the Refunded Bonds.

SECTION 8. The Escrow Agent is hereby directed to mail, in the name of the Authority, as soon as practicable after the execution of this Agreement, to The Depository Trust Company ("DTC"), as the registered holder of the Refunded Bonds, at its address as it appears in the registry books, a notice of defeasance of the Refunded Bonds in substantially the form of **Exhibit A** attached hereto and made a part hereof. The Escrow Agent shall be entitled to add such provisions to such notice which it deems appropriate. The Escrow Agent is hereby directed to provide DTC with written notice of the defeasance of the Refunded Bonds in accordance with the Blanket Issuer Letter of Representations, dated January 14, 2019, by and between the Authority and DTC (the "Letter of Representations") executed in connection with all bonds issued or to be issued by the Authority, including the Refunded Bonds. Any notice of defeasance of the Refunded Bonds sent by the Escrow Agent to DTC in accordance with this paragraph shall also be filed by the Escrow Agent with the Municipal Securities Rulemaking Board in accordance with the continuing disclosure agreement relating to the Refunded Bonds.

The Escrow Agent is hereby irrevocably instructed and the Escrow Agent hereby agrees: (i) to take all steps that are necessary or required under the Resolution to cause the Refunded Bonds to be redeemed on the Redemption Date in the principal amounts and at the Redemption Price set forth on **Schedule C** attached hereto; (ii) to apply the amounts on deposit in the Escrow Fund to the payment of the principal of and/or interest on the Refunded Bonds as the same shall become due on and prior to the Redemption Date as set forth on **Schedule C**

attached hereto; (iii) not less than 25 days prior to the Redemption Date, mail notice, postage prepaid, to The Depository Trust Company ("DTC"), as the registered holder of the Refunded Bonds, of the redemption of the Refunded Bonds substantially in the form of **Exhibit B** attached hereto and made a part hereof and (iv) not less than thirty (30) nor more than sixty (60) days prior to the Redemption Date, to publish notice of such redemption, once a week for at least two (2) successive weeks, in any Authorized Newspaper. The Escrow Agent shall be entitled to add such provisions to such notice which it deems appropriate. The Escrow Agent is also hereby directed to provide DTC with written notice of the redemption of the Refunded Bonds in accordance with the Blanket Issuer Letter of Representations, dated January 14, 2019, by and between the Authority and DTC (the "Letter of Representations") executed in connection with all bonds issued or to be issued by the Authority, including the Refunded Bonds. Any notice of redemption of each of the Refunded Bonds sent by the Escrow Agent to DTC in accordance with this paragraph shall also be filed by the Escrow Agent with the Municipal Securities Rulemaking Board in accordance with the continuing disclosure agreement relating to the Refunded Bonds.

SECTION 9. This Agreement is made for the benefit of the Authority, the Escrow Agent, and the holders from time to time of the Refunded Bonds and it shall not be repealed, revoked, altered or amended without the written consent of all such holders, the Escrow Agent and the Authority; provided, however, that the Authority and the Escrow Agent may, without the consent of, or notice to, such holders, enter into such agreements supplemental to this Agreement as shall not materially adversely affect the rights of such holders, as shall not be inconsistent with the terms and provisions of this Agreement and as shall not adversely affect the tax exempt status of the Refunding Bonds or the Refunded Bonds, as applicable, for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Agreement;
 - (b) To grant to, or confer upon, the Escrow Agent for the benefit of the holders of the Refunded Bonds, any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such holders or the Escrow Agent;
 - (c) To include under this Agreement additional funds, securities or properties;
- and
- (d) To effect any other changes which shall not materially adversely affect the rights of such holders.

The Escrow Agent shall be entitled to receive and rely conclusively upon an opinion of nationally recognized bond counsel with respect to compliance with this Section 9, including the compliance of any instrument executed in accordance with this Agreement with the conditions and provisions of this Section 9.

If the Authority shall have obtained a rating on the Refunded Bonds based upon the Federal Securities and moneys on deposit in the Escrow Fund in accordance with this Agreement, the Authority shall provide each rating agency then maintaining a rating on the Refunded Bonds with a draft of any amendment or supplement to this Agreement prior to its execution.

SECTION 10. Except with respect to the provisions of Section 7 hereof, this Agreement shall terminate when all transfers and payments required to be made by the Escrow

Agent under the provisions hereof shall have been made. The balance of moneys, if any, remaining in the Escrow Fund shall thereafter either (i) be transferred to the Trustee for deposit to the Transportation Improvement Fund to pay State Transportation System Costs, or (ii) be applied in such other manner as may be approved by an Authorized Officer of the Authority; provided however that the Authority shall receive an opinion of nationally recognized bond counsel to the effect that the proposed use of such funds would not adversely affect the exclusion from gross income of interest on the Refunding Bonds for Federal income tax purposes.

SECTION 11. The Escrow Fund shall be and constitute a trust fund for the purposes provided in this Agreement and shall be kept separate and distinct from all other funds of the Authority and the Escrow Agent and used only for the purposes and in the manner provided in this Agreement.

SECTION 12. The Escrow Agent agrees to perform all the duties and obligations expressly imposed upon it by this Agreement, and, except for such duties and obligations, the Escrow Agent shall not have any implied duties.

The Escrow Agent may resign and be discharged of its duties and obligations created by this Agreement, and may be removed and discharged as Escrow Agent under this Agreement, upon the same terms and conditions as are set forth in Article IX of the Resolution relating to the resignation or removal of the Trustee, which terms and conditions are incorporated herein by reference. If the Escrow Agent shall resign or be removed as Escrow Agent under this Agreement as aforesaid, then, upon appointment of a successor escrow agent for such purpose, in the same manner as provided in the Resolution for the appointment of a successor Trustee, which provision in the Resolution is incorporated herein by reference, the said successor escrow agent shall become the Escrow Agent hereunder and all the title, rights, duties and obligations of the former Escrow Agent under this Agreement and with respect to the moneys deposited or to be deposited in the Escrow Fund in accordance with this Agreement shall become those of the successor escrow agent, and upon acceptance by such successor escrow agent of the trusts created hereunder, all further title, rights, duties and obligations of the former Escrow Agent under this Agreement shall cease and be discharged, except for any rights or liabilities theretofore accrued by the Authority or the former Escrow Agent. No resignation or discharge of the Escrow Agent shall take effect until a successor shall have been appointed and shall have accepted its appointment as Escrow Agent hereunder, and until the Escrow Fund shall have been transferred to such successor.

Any company into which the Escrow Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which all or substantially all of the corporate trust business shall be sold or transferred, shall be the successor to the Escrow Agent without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and shall be authorized by law to perform all the duties imposed upon it by this Agreement.

SECTION 13. If any one or more of the covenants or agreements provided in this Agreement on the part of the Authority or the Escrow Agent to be performed should be determined by a court of competent jurisdiction to be contrary to law, such covenant or agreement shall be deemed and construed to be severable from the remaining covenants and agreements herein contained and shall in no way affect the validity of the remaining provisions

of this Agreement. If the Authority receives notice that any provision of this Agreement shall be severed and if the Authority shall have obtained a rating on the Refunded Bonds based upon the Federal Securities and moneys on deposit in the Escrow Fund in accordance with this Agreement, the Authority shall so notify each rating agency then maintaining a rating on the Refunded Bonds as soon as practicable after receiving such notice.

SECTION 14. All the covenants, promises and agreements in this Agreement contained by or on behalf of the Authority or by or on behalf of the Escrow Agent shall bind and inure to the benefit of their respective successors and assigns, whether so expressed or not.

SECTION 15. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New Jersey.

SECTION 16. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as an original but all of which, together, shall constitute and be but one and the same instrument.

SECTION 17. This Agreement constitutes the necessary action and irrevocable instructions by the Authority to the Escrow Agent as required by Section 1201 of the Resolution in order for the Refunded Bonds to be deemed to have been paid within the meaning and with the effect expressed in Section 1201 of the Resolution.

SECTION 18. Any notice required or permitted to be given under or in connection with this Agreement shall be in writing and shall be mailed by first-class mail, registered or certified, return receipt requested, or recognized overnight carrier, postage prepaid, or sent by e-mail, telex, telegram, telecopy or other similar form of rapid transmission confirmed by mailing (by first-class mail, registered or certified, return receipt requested, or recognized overnight carrier, postage prepaid) written confirmation at substantially the same time as such rapid transmission, or personally delivered to an officer of the receiving party. The 2024 Series Bonds may be issued and sold in one or more sub-Series as may be provided in the Series Certificate.

(b) Notwithstanding anything contained herein to the contrary, in accordance with Section 9(o) of the Act, no Series 2024 Refunding Bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal of and interest on the Series 2024 System/Program Refunding Bonds is less than the present value of the aggregate principal of and interest on the Refunded System/Program Bonds, except that, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of the Series 2024 System/Program Refunding Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of the Series 2024 System/Program Refunding Bonds.

2.2. Purpose.

The 2024 Series Bonds shall be issued pursuant to the Resolution for the purposes of (i) paying or providing for the payment of the principal or Redemption Price of and interest on the Refunded Bonds through their respective redemption or maturity dates or tender dates, including to purchase Refunded Bonds by means of a Tender Offer and to surrender such Refunded Bonds that are tendered and accepted by the Authority for purchase to the Trustee for cancellation and destruction, and (ii) paying the costs of issuance of such Series 2024 Refunding Bonds including and any Tender Offer Transaction Costs.

2.3. Determination in Accordance with Section 9(i) of the Act.

The Authority hereby finds and determines that it has minimized the incurrence of debt by first relying on appropriations and other revenues available to it for its statutory purposes; and that such finding and determination hereby and the issuance of the 2024 Series Bonds as aforesaid are and will be in accordance with Section 9(i) of the Act.

2.4. Authorization of Negotiated Sale.

(a) In accordance with Executive Order No. 26 (Whitman 1994) (“Executive Order No. 26”), the Authority hereby determines to sell the 2024 Series Bonds pursuant to a “negotiated sale” and finds that a negotiated sale is permissible as a result of the complex financing structure and volatile interest rate conditions. Upon recommendation of the Treasurer based upon Treasury’s competitive RFQ process and in accordance with Executive Order No. 26, the Authority hereby appoints BofA Securities, Inc. as Senior Managing Underwriter in connection with each Series of the 2024 Series Bonds herein authorized and, upon recommendation of the Treasurer based upon Treasury’s competitive RFQ process and in accordance with Executive Order No. 26, an Authorized Authority Official is hereby authorized to select additional co-senior managers and co-managers for each Series of the 2024 Series Bonds. arrangement. All such appointment(s) shall be evidenced by the execution of the Bond Purchase Contract(s). Notwithstanding anything to the contrary contained herein, the appointment of a firm to serve as a co-senior manager or co-manager for any Series of the 2024 Series Bonds does not provide any assurance that such firm will serve as a co-senior manager or co-manager for any other Series of the 2024 Series Bonds authorized to be issued under this Fifteenth Supplemental Resolution.

(b) The purchase of one or more Series of the 2024 Series Bonds from time to time by the Underwriters and the sale of one or more Series of the 2024 Series Bonds from time to time by the Authority to the Underwriters shall be subject to the execution by the Authority and the Senior Managing Underwriter, as representative of the Underwriters, of a Bond Purchase Contract (collectively, the "Bond Purchase Contract(s)") for the applicable Series or all Series of the 2024 Series Bonds in substantially the form presented to this meeting. The Authorized Authority Officials are, and each such Authorized Authority Official is, hereby authorized and directed on behalf of the Authority to approve the terms of the Bond Purchase Contract(s) relating to the sale of each Series of the 2024 Series Bonds and to execute and deliver such Bond Purchase Contract(s) to the Senior Managing Underwriter, as representative of the Underwriters; provided that the provisions of the Bond Purchase Contract(s) are acceptable to counsel to the Authority (including Bond Counsel and the State Attorney General) and (i) the amount of the compensation to be paid to the Underwriters does not exceed \$5.00 per \$1,000.00 of the applicable Series of the 2024 Series Bonds, and (ii) the aggregate principal amount, the final maturity date or dates, the true interest cost and the redemption price of such Series of the 2024 Series Bonds does not exceed the limitations set forth in Section 2.1(a) of this Fifteenth Supplemental Resolution.

2.5. Approval of the Preliminary Official Statement.

A Preliminary Official Statement (the "Preliminary Official Statement") relating to the sale of the 2024 Series Bonds in substantially the form presented to this meeting is hereby approved, provided that Appendix I (which is provided by the State) shall be included therein, and provided further that an Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to make such changes, insertions or deletions to and omissions from the form of the Preliminary Official Statement, as may be necessary or appropriate with respect to the 2024 Series Bonds. An Authorized Authority Official is hereby authorized, with the advice of Bond Counsel and the State Attorney General, to execute and deliver a certificate, or to include a provision in the Bond Purchase Contract(s), that "deems final" the Preliminary Official Statement relating to the 2024 Series Bonds pursuant to the provisions of Rule 15c2-12, and such certificate or provision relating thereto shall be in a form acceptable to Bond Counsel and the State Attorney General.

An Authorized Authority Official is further authorized and directed to take all such other actions as such Authorized Authority Official shall deem necessary or desirable to effect a public sale of each Series of the 2024 Series Bonds.

(l) To determine the application of the balance of moneys, if any, remaining in the Escrow Fund (as defined in the Escrow Deposit Agreement), subject to the provisions of the Escrow Deposit Agreement.

Subject to the provisions of the Resolution, the form of the 2024 Series Bonds and the Trustee's Certificate of Authentication thereon shall be substantially in the form set forth in Section 1301 of the Resolution.

2.11. Redemption.

Each Series of the 2024 Series Bonds may be subject to redemption prior to maturity as provided in the applicable Series Certificate.

2.12. Book-Entry Only System.

1. Except as provided in subparagraph (3) of this Section 2.12, the registered Holder of all of the 2024 Series Bonds shall be, and the 2024 Series Bonds shall be registered in the name of, Cede & Co., as nominee of DTC. With respect to the 2024 Series Bonds for which Cede & Co. shall be the registered Holder, payment of interest on such 2024 Series Bonds shall be made by wire transfer of same day funds to the account of Cede & Co. on the Interest Payment Dates for the 2024 Series Bonds at the address indicated for Cede & Co. in the registration books of the Authority kept by the Trustee, as Bond Registrar.

2. The 2024 Series Bonds of each Series shall be initially issued in the form of a separate fully registered bond in the amount of each separate maturity. Upon initial issuance, the ownership of each such 2024 Series Bond shall be registered on the registration books of the Authority kept by the Trustee in the name of Cede & Co. With respect to 2024 Series Bonds so registered in the name of Cede & Co., the Authority and the Trustee shall have no responsibility or obligation to any DTC participant, indirect DTC participant, or any beneficial owner of a 2024 Series Bond. Without limiting the immediately preceding sentence, the

Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC participant or indirect DTC participant with respect to any beneficial ownership interest in a 2024 Series Bond, (ii) the delivery to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any notice with respect to a 2024 Series Bond, or (iii) the payment to any DTC participant, indirect DTC participant, beneficial owner or any other person, other than DTC or Cede & Co., of any amount with respect to the principal of, redemption premium, if any, or interest on a 2024 Series Bond. The Authority and the Trustee may treat DTC as, and deem DTC to be, the absolute registered Holder of each 2024 Series Bond for the purpose of (i) payment of the principal of, redemption premium, if any, and interest on each such 2024 Series Bond, (ii) giving notices with respect to the 2024 Series Bond, (iii) registering transfers with respect to a 2024 Series Bond and (iv) for all other purposes whatsoever. The Trustee shall pay the principal of, redemption premium, if any, and interest on each 2024 Series Bond only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to such principal and interest to the extent of the sum or sums so paid. No person other than DTC shall receive a 2024 Series Bond evidencing the obligation of the Authority to make payments of principal and interest thereon pursuant to this Fifteenth Supplemental Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the words "Cede & Co." in this Fifteenth Supplemental Resolution shall refer to such new nominee of DTC.

3. (a) DTC may determine to discontinue providing its services with respect to a particular Series of the 2024 Series Bonds at any time by giving written notice to the Authority and discharging its responsibilities with respect thereto under applicable law. Upon receipt of such notice, the Authority shall promptly deliver a copy of same to the Trustee.

(b) The Authority, (i) in its sole discretion and without the consent of any other person, may discontinue the use of book-entry-only transfer through DTC (or a successor securities depository) with respect to a particular Series of the 2024 Series Bonds, in which event certificates for such 2024 Series Bonds shall be printed and delivered to DTC, and (ii) shall terminate the services of DTC with respect to a particular Series of the 2024 Series Bonds upon receipt by the Authority and the Trustee of written notice from DTC to the effect that DTC has received written notice from DTC participants or indirect DTC participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding 2024 Series Bonds of such Series to the effect, that (A) DTC is unable to discharge its responsibilities with respect to such 2024 Series Bonds; or (B) a continuation of the requirement that all of the Outstanding 2024 Series Bonds of such Series be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the 2024 Series Bonds of such Series.

(c) Upon the termination of the services of DTC with respect to a particular Series of the 2024 Series Bonds pursuant to subsection 2.12(3)(b)(ii)(A) hereof, or upon the discontinuance or termination of the services of DTC with respect to a particular Series of the 2024 Series Bonds pursuant to subsection 2.12(3)(a) or 2.12(3)(b)(ii)(B) hereof, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, such 2024 Series Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Holders of

such 2024 Series Bonds transferring or exchanging such 2024 Series Bonds shall designate, in accordance with the provisions of the Resolution. Upon the determination by any party authorized herein that the 2024 Series Bonds of such Series shall no longer be limited to book-entry only form, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such 2024 Series Bonds from such book-entry only form to a fully registered form.

4. Notwithstanding any other provision of this Fifteenth Supplemental Resolution to the contrary, so long as any 2024 Series Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, redemption premium, if any, and interest on, and all notices with respect to, such 2024 Series Bond shall be made and given, respectively, to DTC as provided in the Letter of Representations of the Authority and the Trustee, addressed to DTC, with respect to the applicable Series of 2024 Series Bonds.

5. In connection with any notice or other communication to be provided to Holders of the 2024 Series Bonds of any Series pursuant to the Resolution by the Authority or the Trustee with respect to any consent or other action to be taken by such Holders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

6. The Authority hereby authorizes the Treasurer, by and on behalf of the Authority, and in consultation with an Authorized Authority Official, to determine from time to time, subject to confirmation and ratification by the Authority, whether or not it is advisable for the Authority to continue the book-entry system or to replace DTC with another qualified securities depository as successor to DTC.

2.13. Application of Proceeds of the 2024 Series Bonds.

The proceeds of each Series of the 2024 Series Bonds shall be applied as set forth in the applicable Series Certificate with respect to such Series, subject to the following provisions:

1. 2. (a) With respect to Refunded Bonds to be purchased by means of a Tender Offer, there is hereby established a special account to be known as the "Tendered Bonds Purchase Account" in the Debt Service Fund established under the Resolution. There shall be deposited in the Tendered Bonds Purchase Account a portion of the proceeds of each Series of the Refunding Bonds in the amount specified in the applicable Series Certificate, such amount to be applied to pay the purchase price of and accrued interest on the Refunded Bonds to be purchased by means of such Tender Offer, and;

(b) In the event that the Refunded Bonds are not purchased by means of a Tender Offer, there shall be paid to the Escrow Agent, for deposit into the Escrow Fund a portion of the proceeds of such Series of the Refunding Bonds in the amount specified in the applicable Series Certificate; and

3. There is hereby established a special subaccount to be known as the “2024 Series AA Transportation Program Improvement Proceeds Costs of Issuance Subaccount” in the Proceeds Account of the Transportation Program Improvement Fund established under the Resolution, and separate special subaccounts shall be established in the Proceeds Account of the Transportation Program Improvement Fund for each other Series of 2024 Series Bonds issued pursuant to this Fifteenth Supplemental Resolution, if any, as shall be specified in the applicable Series Certificate. There shall be deposited in any such subaccount such amount as may be designated by an Authorized Authority Official to be applied to the payment of the costs of issuance of the applicable Series of the 2024 Series Bonds, including any Tender Offer Transaction Costs, as specified in the applicable Series Certificate.

ARTICLE III AUTHORIZATION OF TENDER OFFER

3.1. Authorization of Tender Offer

The purchase price and other details of such Tender Offer shall be as set forth in the Series Certificate.

(b) Notwithstanding any other provisions of this Fifteenth Supplemental Resolution or any Series Certificate, all Tendered Refunded Bonds purchased by the Authority in a Tender Offer shall be surrendered by the Authority to the Trustee for cancellation and destruction. The Dealer Manager Agreement, in substantially the form presented to this meeting, is hereby approved, provided that an Authorized Authority Official is hereby authorized, with the advice of Bond

This offer is made subject to the acceptance by the Authority at or prior to 10:00 P.M., prevailing Eastern time, on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriters upon written notice delivered to the Authority at any time prior to acceptance hereof by the Authority.

1. Purchase and Sale of the 2024 Series Bonds and Payment of Underwriters’ Discount. On the basis of the representations, warranties, covenants and agreements set forth herein, the Underwriters jointly and severally hereby agree to purchase from the Authority for offering to the public, and the Authority hereby agrees to sell to the Underwriters, all (but not less than all) of its \$_____ Transportation Program Bonds, 2024 Series AA (Tax-Exempt) (the “2024 Series AA Bonds”), at an aggregate purchase price of \$_____ (representing the principal amount of the 2024 Series AA Bonds, plus net original issue premium of \$_____, less an Underwriters’ discount of \$_____) (the “2024 Series AA Purchase Price”) and \$_____ Transportation Program Bonds, 2024 Series BB (Federally Taxable) (the “2024 Series BB Bonds” and, together with the 2024 Series AA Bonds, the “2024 Series Bonds”), at an aggregate purchase price of \$_____ (representing the principal amount of the 2024 Series BB Bonds, less an Underwriters’ discount of \$_____) (the “2024 Series BB Purchase Price”), all as set forth in **Schedule 2**. The 2024 Series Bonds will be dated the date of delivery thereof, will be issued in the principal amounts, at the rates and yields, and will mature on the dates, and will be subject to redemption as provided in the Official Statement (as defined below) and in **Schedule 3** attached hereto.

The 2024 Series Bonds are being issued under and pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, L. 1984, c.73, as amended and supplemented, constituting N.J.S.A. 27:1B-1 et seq. (the “Act”), and the Authority’s 2012 Transportation Program Bond Resolution, adopted on October 26, 2012 (the “2012 Transportation Program Bond Resolution”), as amended and supplemented, including by the Fifteenth Supplemental Transportation Program Bond Resolution adopted on July 18, 2024 (the “Fifteenth Supplemental Resolution”), and a certificate of the Authority, dated the date hereof and entitled “2024 Series AA Certificate” (the “Series Certificate”). The 2012 Transportation Program Bond Resolution, as amended and supplemented, including as supplemented by the Fourteenth Supplemental Resolution and the Series Certificate, are collectively referred to herein as the “Resolution.” U.S. Bank Trust Company, National Association, Edison, New Jersey, is acting as trustee (the “Trustee”) under the Resolution. Certain capitalized terms not otherwise defined herein shall have

the meanings ascribed thereto in the Resolution or in the Official Statement (as hereinafter defined).

The 2024 Series Bonds are being issued for the purposes of paying or providing for the refunding and defeasance of the Bonds to be Refunded, including the purchase of Refunded Bonds by means of a Tender Offer, from the proceeds of the 2024 Series Bonds as set forth in the Series Certificate (the "Bonds to be Refunded"), including costs of issuance of the 2024 Series Bonds and any Tender Offer Transaction Costs.

Simultaneously with the issuance of the 2024 Series Bonds, the Authority will be issuing its \$_____ aggregate principal amount of its Transportation System Bonds, 2024 Series A (Tax-Exempt) (the "2024 Series A System Bonds") and \$_____ aggregate principal amount of its Transportation System Bonds, 2024 Series B (Federally Taxable) (the "2024 Series B System Bonds" and, together with the 2024 Series A System Bonds, the "2024 System Bonds") in part for the purposes refunding certain outstanding Transportation System Bonds of the Authority. The 2024 Series AA Bonds and the 2024 Series A System Bonds are treated as a single issue for federal income tax purposes. Therefore, as used herein, the term "Tax-Exempt 2024 Series Bonds" shall include the 2024 Series A System Bonds. For purposes of paragraph 3 hereof, the term "Underwriters" shall include the Manager on behalf of itself and the underwriters named in the bond purchase contract for the 2024 System Bonds.

The Act provides for certain payments to be made from the Transportation Trust Fund Account - Subaccount for Debt Service for Transportation Program Bonds (as defined in the Act) in the State General Fund to the Authority subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature (the "State Legislature") for such purpose. Pursuant to the Act, the Authority has entered into an agreement entitled "Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds," dated as of January 9, 2019 (the "State Contract"), with the Treasurer (the "State Treasurer") of the State of New Jersey (the "State" or "New Jersey") and the Commissioner of the New Jersey Department of Transportation (the "Commissioner") to implement such payments and other arrangements provided for in the Act.

All amounts payable under the State Contract shall be subject to and dependent upon appropriations being made from time to time for such purposes by the State Legislature. The State Legislature has no legal obligation to make any such appropriations.

NEITHER THE STATE NOR ANY POLITICAL SUBDIVISION THEREOF IS OBLIGATED TO PAY, AND NEITHER THE FAITH AND CREDIT NOR TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY TO THE LIMITED EXTENT SET FORTH IN THE RESOLUTION) IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE 2024 SERIES BONDS. THE 2024 SERIES BONDS ARE SPECIAL OBLIGATIONS OF THE AUTHORITY, PAYABLE SOLELY OUT OF PROPERTY PLEDGED UNDER THE RESOLUTION AND FROM ANY AMOUNTS OTHERWISE AVAILABLE UNDER THE RESOLUTION FOR PAYMENT OF THE 2024 SERIES BONDS. THE 2024 SERIES BONDS DO NOT NOW AND SHALL NEVER CONSTITUTE A CHARGE AGAINST THE GENERAL CREDIT OF THE AUTHORITY. THE AUTHORITY HAS NO TAXING POWER. NOTHING IN THE RESOLUTION SHALL BE CONSTRUED TO AUTHORIZE THE AUTHORITY TO INCUR INDEBTEDNESS ON BEHALF OF OR IN ANY WAY OBLIGATE THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY TO THE LIMITED EXTENT SET FORTH IN THE RESOLUTION).

The Manager agrees to use its best efforts to assure that the State meets its objectives in the fair and reasonable allocation of 2024 Series Bonds to members of the underwriting syndicate, in accordance with the Agreement Among Underwriters dated September __, 2024 (the "AAU"). The Manager further agrees that the allocation of 2024 Series Bonds and fees received by each member of the underwriting syndicate shall be reported to the State Treasurer in writing within thirty (30) days after the Closing (as defined herein). The parties hereto agree and acknowledge that the failure by the Manager to comply with the provisions of this paragraph will not void the sale hereunder of the 2024 Series Bonds.

Executive Order No. 9 (Codey 2004) Compliance. Pursuant to Executive Order No. 9 (Codey 2004) ("Executive Order No. 9"), dated and effective as of December 6, 2004, it is the policy of the State that in all cases where bond underwriting services are or may be required by the State or any of its departments, agencies or independent authorities, such department, agency or independent authority shall deal directly with the principals of the underwriting firms or their registered lobbyists. The department, agency or independent authority shall not discuss, negotiate or otherwise interact with any third-party consultant, other than the principals of the underwriting firms and their registered lobbyists, with respect to the possible engagement of the firm to provide bond underwriting services. Compliance with Executive Order No. 9 is a material term and condition of this Purchase Contract and binding upon the parties hereto, including the Underwriters.

Compliance with L. 2005, c. 271. The Manager hereby acknowledges for itself, and, based upon the representations and warranties received by the Manager from the other Underwriters under the AAU, for the other Underwriters, that each Underwriter has been advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission (the "ELEC") pursuant to *N.J.S.A. 19:44A-20.13* (L. 2005, c. 271, section 3) if such Underwriter enters into agreements or contracts, such as this Purchase Contract, with a public entity, such as the Authority, and receives compensation or fees in excess of \$50,000 or more in the aggregate from public entities, such as the Authority, in a calendar year. It is the Underwriters' responsibility to determine if filing is necessary. Failure to do so can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

2. Good Faith Deposit. The Manager herewith delivers, by wire transfer to the Trustee, a good faith deposit in the amount of \$_____ (the "Good Faith Deposit") as security for the performance by the Underwriters of their obligation to accept and pay for the 2024 Series Bonds at the Closing in accordance with the provisions of this Purchase Contract. In the event this offer is not accepted, the Good Faith Deposit shall be immediately returned to the Manager. No interest shall be deemed earned by or payable to the Underwriters on the Good Faith Deposit. Concurrently with the delivery of and payment for the 2024 Series Bonds at the Closing, the Good Faith Deposit will be applied as a portion (\$_____) of the Purchase Price for the 2024 Series Bonds.

Upon a failure to deliver the 2024 Series Bonds at the Closing, or if the conditions to the obligations of the Underwriters contained in this Purchase Contract are not satisfied or waived by the Manager, or if such obligations shall be terminated for any reason permitted by this Purchase Contract, the Good Faith Deposit shall be returned to the Manager by wire transfer from the Trustee, and such return shall constitute a full release and discharge of all claims and rights hereunder of the Underwriters against the Authority.

In the event that the Underwriters fail (other than for a reason permitted under this Purchase Contract) to accept and pay for the 2024 Series Bonds at the Closing, the Good Faith Deposit shall be paid to the Authority by wire transfer from the Trustee and retained by the Authority as and for full liquidated damages for such failure and as and for all defaults hereunder on the part of the Underwriters, and thereupon all claims and rights hereunder of the Authority against the Underwriters shall be fully released and discharged.

3. Offering and Delivery of the 2024 Series Bonds. The Underwriters hereby agree to make an initial public offering of all of the 2024 Series Bonds at prices no higher than, or yields no lower than, those shown in the Official Statement, but the Underwriters reserve the right to lower such initial prices or increase such yields as they shall deem necessary in connection with the marketing of the 2024 Series Bonds. The Manager, at or prior to the Closing (as defined herein), shall deliver to the Authority a certificate signed by an authorized representative of the Manager, substantially in the form set forth in **Exhibit F** hereto, in final form and substance satisfactory to Chiesa Shahinian & Giantomasi PC and M. Jeremy Ostow, Esq., as co-bond counsel to the Authority (collectively, “Bond Counsel”), stating the “issue price” of the Tax-Exempt 2024 Series Bonds, as such term is defined in the Internal Revenue Code of 1986, as amended (the “Code”) and the Treasury Regulations, and such other information reasonably requested by Bond Counsel. The Manager hereby acknowledges for itself, and based upon the representations and warranties received by the Manager from the other Underwriters in the AAU, for the other Underwriters, that each such Underwriter understands and acknowledges that the Authority will rely on such certificate in issuing the Tax-Exempt 2024 Series Bonds.

Delivery of the 2024 Series Bonds in definitive registered form, duly executed and authenticated, bearing CUSIP numbers without coupons with one 2024 Series Bond for each stated maturity of each series registered in the name of The Depository Trust Company (“DTC”), or its nominee, Cede & Co., shall be made to the Trustee as custodian for DTC at the Closing. The delivery of related documentation shall be made at the Closing at the offices of Bond Counsel via electronic means or at such other location as may be agreed upon by the Authority and the Manager.

Payment of the purchase price for the 2024 Series Bonds shall be made in Federal Reserve Funds or other immediately available funds by 10:00 a.m. prevailing Eastern time, on September __, 2024, or such other time or date as shall be mutually agreed upon by the Authority and the Manager. Simultaneously with the payment of the Purchase Price, the Underwriters shall pay \$50,000 (the “Retainage”), or cause the Retainage to be paid, in immediately available funds, to the Trustee, which Retainage shall be applied by the Trustee in accordance with the provisions of Section 10(d) hereof. The delivery of and payment for the 2024 Series Bonds are herein called the “Closing.” In addition, the Authority and the Underwriters agree that there shall be a preliminary closing held at the offices of Bond Counsel commencing at least one (1) day prior to the Closing.

The Authority has previously authorized the distribution of the Preliminary Official Statement, dated September __, 2024 relating to the 2024 Series Bonds (the “Preliminary Official Statement”), which, by execution of this Purchase Contract, it deems final as of its date within the meaning of Rule 15c2-12 promulgated under the provisions of the Securities Exchange Act of 1934, as amended (the “Rule”). The Authority will provide, within seven (7) business days after the date of this Purchase Contract (but in no event later than the date of the Closing), an electronic copy, subject to customary disclaimers regarding the transmission of electronic copies, of the final Official Statement (the “Official Statement”) to the Underwriters in the currently required designated format stated in MSRB Rule G-32 and the EMMA Dataport Manual (as hereinafter

defined). The Official Statement shall be substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Authority and the Underwriters and as are permitted by the Rule. By acceptance of this Purchase Contract, the Authority authorizes the use by the Underwriters of the Official Statement in connection with the public offering and sale of the 2024 Series Bonds. Within one (1) business day after the receipt of the Official Statement from the Authority, but in no event later than the date of the Closing, the Underwriters shall, at their own expense, submit the Official Statement to EMMA (as hereinafter defined). The Underwriters will comply with the provisions of MSRB Rule G-32 as in effect on the date hereof, including without limitation the submission of Form G-32 and the Official Statement and notify the Authority of the date on which the Official Statement has been filed with EMMA.

“EMMA” shall mean the MSRB’s Electronic Municipal Market Access system, or any other electronic municipal securities information access system designated by the MSRB for collecting and disseminating primary offering documents and information.

“EMMA Dataport Manual” shall mean the document(s) designated as such published by the MSRB from time to time setting forth the processes and procedures with respect to submissions to be made to the primary market disclosure service of EMMA by underwriters under MSRB Rule G-32.

In addition, the Underwriters will provide to the Authority a copy of the notice sent to all purchasers of the 2024 Series Bonds from the Underwriters advising them as to the manner pursuant to which such purchasers can obtain a copy of the Official Statement from EMMA and indicating to them that a printed copy of the Official Statement will be provided to them upon their request. The Authority agrees to provide the Underwriters with an amount of printed Official Statements in such quantities that the Underwriters may reasonably request, provided, that the number of copies, the cost for which the Authority is responsible, will not exceed 200 copies. Should the Underwriters require additional copies of the Official Statement, the Authority agrees to cooperate with the Underwriters in obtaining such copies, the cost of such additional copies to be borne by the Underwriters.

4. Establishment of Issue Price.

(a) The Manager, on behalf of the Underwriters, agrees to assist the Authority in establishing the issue price of the Tax-Exempt 2024 Series Bonds and shall execute and deliver to the Authority at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as **Exhibit E**, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Manager, the Authority and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Tax-Exempt 2024 Series Bonds.

The Authority will treat the first price at which 10% of each maturity of the Tax-Exempt 2024 Series Bonds (the “10% test”) is sold to the public as the issue price of that maturity. For purposes of this Section, if Tax-Exempt 2024 Series Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Tax-Exempt 2024 Series Bonds.

(b) [The Manager confirms that the Underwriters have offered the Tax-Exempt 2024 Series Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the “Initial Offering Price”), or at the corresponding yield or yields, set forth in **Schedule 3**

to this Purchase Contract and in the final Official Statement.] [INSERT HOLD-THE-OFFERING-PRICE-PROVISIONS IF NECESSARY].

(c) The Underwriters acknowledge that sales of any Tax-Exempt 2024 Series Bonds to any person that is a related party to an underwriter participating in the initial sale of the Tax-Exempt 2024 Series Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any entity listed on **Schedule 1** attached hereto and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Tax-Exempt 2024 Series Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Tax-Exempt 2024 Series Bonds to the public),

(iii) a purchaser of any of the Tax-Exempt 2024 Series Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Purchase Contract by all parties.

5. Representations and Agreements of the Authority. By its acceptance hereof the Authority hereby represents to, and agrees with, the Underwriters that:

The Authority agrees to reasonably cooperate with the Manager and counsel to the Underwriters in any endeavor to qualify the 2024 Series Bonds for offering and sale under the securities or “Blue Sky” laws of such states as the Manager may request and will assist, if necessary, in continuing the effectiveness of such qualification so long as required for the distribution of the 2024 Series Bonds. The Authority consents to the use of the Official Statement by the Underwriters in obtaining such qualification; provided, however, the Authority shall not be required to consent to service of process or to file a written consent to suit or service of process. The Authority's failure to consent to service of process or to file a written consent to suit or service of process shall not relieve the Underwriters of their obligation to purchase the 2024 Series Bonds under this Purchase Contract.

8. Conditions to the Underwriters' Obligations. The Underwriters' obligations hereunder shall be subject to the due performance by the Authority of its obligations and agreements to be performed hereunder at or prior to the Closing and to the accuracy of and compliance with the Authority's representations and warranties contained herein, as of the date hereof and as of the Closing, and are also subject to the following conditions:

(a) On the date of Closing, (i) the Resolution shall have been duly adopted by the Authority and the State Contract, the Continuing Disclosure Agreement and this Purchase Contract shall have been duly authorized, executed and delivered by the Authority, and all related official action of the Authority necessary to issue the 2024 Series Bonds shall be in full force and effect and shall not have been amended, modified or supplemented, except as may have been agreed to in writing by the Manager, (ii) the Authority shall have duly adopted and there shall be in full force and effect such additional acts or agreements as shall, in the opinion of Bond Counsel, be necessary in connection with the transactions contemplated thereby, (iii) the Authority shall perform or have performed all of its obligations required under or specified in the Act and the State Contract to be performed at or prior to the Closing, (iv) the Official Statement shall not have been amended or supplemented, except in accordance with Section 9 hereof, (v) no Event of Default (as defined in the Resolution) or event which, with the lapse of time or the giving of notice or both would constitute such an Event of Default, shall have occurred and be continuing; and (vi) the Resolution, the State Contract and the Continuing Disclosure Agreement shall be fully enforceable in accordance with their terms.

(b) The Underwriters shall not have elected to cancel their obligations hereunder to purchase the 2024 Series Bonds, which election may be made by written notice by the Manager to the Authority only if between the date hereof and the Closing: (i) legislation shall be enacted by the Congress of the United States or any legislation, ordinance, rule or regulation shall be enacted by any governmental body, department or agency of the State or a final decision by a federal court (including the Tax Court of the United States) or a court of the State shall be rendered, or a final ruling, regulation or release or official statement by or on behalf of, the Treasury Department of the United States, the Internal Revenue Service or other federal or State agency shall be made, with respect to federal or State taxation upon revenues or other income of the general character of interest on the 2024 Series Bonds, or which would have the effect of changing directly or indirectly the federal or State income tax consequences of interest on bonds of the general character of the 2024 Series Bonds in the hands of the holders thereof, and which in the Manager's reasonable opinion, materially adversely affects the marketability of the 2024 Series Bonds; (ii) a stop order, ruling or regulation by, or on behalf of, the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall be issued or made (which is beyond the control of the Underwriters or the Authority to prevent or avoid) to the effect that the issuance, offering or sale of the 2024 Series Bonds, as contemplated by this Purchase Contract or by the Official Statement, or any document relating to the issuance, offering or sale of the 2024 Series Bonds, is in violation or would be in violation of any provision of the Securities Act of 1933, as amended, or the registration provisions of the Securities Exchange Act of 1934, as amended, or of the Trust Indenture Act of 1939, as amended, as of the Closing; (iii) legislation shall be enacted by the Congress of the United States of America, or a final decision by a court of the United States of America shall be rendered, that has the effect of requiring the 2024 Series Bonds to be registered under the Securities Act of 1933, as amended and as then in effect, or the Securities Exchange Act of 1934, as amended and as then in effect, or requiring the Resolution to be qualified under the Trust Indenture Act of 1939, as amended, and as then in effect; (iv) any event shall have occurred that, in the reasonable judgment of the Manager, either (A) makes untrue or incorrect in any material respect any statement or information contained in the Official Statement, or (B) is not reflected in the Official Statement but should be reflected therein in order to make the statements and information contained therein, in light of the circumstances under which they were made, not misleading in any materially adverse respect, and, such event in the reasonable judgment of the Manager, materially adversely affects (x) the marketability of the 2024 Series Bonds or (y) the ability of the Underwriters to enforce confirmations of or contracts for the sale of the 2024 Series Bonds; (v) a general banking moratorium shall have been declared by federal or State authorities and be in force; (vi) since the date of this Purchase Contract, there shall have occurred any new outbreak of hostilities or other national or international crisis or calamity, the effect of which on the financial markets of the United States of America, in the reasonable judgment of the Manager, is such as to materially and adversely affect the ability of the Underwriters to enforce confirmations of or contracts for the sale of the 2024 Series Bonds; or (vii) there shall be in force a general suspension of trading on the New York Stock Exchange, the effect of which on the financial markets is such as to materially and adversely affect the marketability of the 2024 Series Bonds.

(c) On the date of Closing, the Manager shall have received copies of each of the following documents, certificates and opinions, each dated the date of the Closing unless otherwise specified:

- (ii) (A) the approving opinion of Bond Counsel dated the date of Closing, substantially in the form included in the Official Statement; (B) the opinions of Bond

All of the opinions, letters, certificates, instruments and documents (other than those, the form of which is specifically agreed to by the parties and the Underwriters as set forth in this Purchase Contract) shall be deemed to be in compliance with the provisions of this Purchase Contract if, but only if, in the reasonable judgment of the Underwriters, they are satisfactory in form and substance.

If there shall be a failure to satisfy the conditions to the Underwriters' obligations contained in this Purchase Contract, or if the Underwriters' obligations shall be terminated for any reason permitted by this Purchase Contract, this Purchase Contract shall terminate and the parties shall have no further obligations hereunder, except that the respective obligations of the parties to pay expenses, as provided in Section 10 hereof, shall remain in full force and effect and except that the Good Faith Deposit shall be returned to the Manager in accordance with Section 2 hereof.

9. Amendments and Supplements to the Official Statement. The "end of the underwriting period" for the 2024 Series Bonds for all purposes of the Rule is the date of the

Closing. During the period from the date hereof to and including the date which is twenty-five (25) days following the end of the underwriting period for the 2024 Series Bonds (as determined in accordance with this Section 9), the Authority will (a) not adopt any amendment of or supplement to the Official Statement to which, after having been furnished with a copy, the Manager shall reasonably object in writing, unless the Authority has obtained the written opinion of Bond Counsel, stating that such amendment or supplement is necessary in order to make the Official Statement not misleading in light of the circumstances existing at the time that it is delivered to the Manager, and (b) if any event relating to or affecting the Authority, the State or the 2024 Series Bonds shall occur as a result of which it is necessary, in the written opinion of Bond Counsel addressed to the Authority, to amend or to supplement the Official Statement in order to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to the Manager, forthwith prepare and furnish to the Underwriters (at the expense of the Authority) up to 200 copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Authority and the Manager) which will amend or supplement the Official Statement so that the Official Statement, as amended or supplemented, will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements and information contained therein, in light of the circumstances existing at the time the Official Statement is delivered to the Manager, not misleading. For the purpose of this Section 9, the Authority will furnish such information with respect to itself or the State as the Manager may from time to time reasonably request. The cost of any copies of such amendment or supplement to the Official Statement in excess of 200 shall be borne by the Underwriters. In addition, the Authority will provide, subject to customary disclaimers regarding the transmission of electronic copies, an electronic copy of the amendment or supplement to the final Official Statement to the Underwriters in the currently required designated electronic format stated in MSRB Rule G-32. The Underwriters agree to comply with the provisions of MSRB Rule G-32 as in effect on the date hereof, with respect to the filing of such amendment or supplement to the Official Statement and to notify the Authority of the date on which such amendment or supplement to the Official Statement is filed with EMMA.

10. Expenses. (a) If the 2024 Series Bonds are sold to the Underwriters hereunder, there shall be paid from the proceeds of the 2024 Series Bonds, all expenses incidental to the issuance of the 2024 Series Bonds, including but not limited to: (i) the cost of the preparation (including preparation prior to the delivery for final printing), printing and delivery of the Preliminary Official Statement and the Official Statement, together with a number of copies of each which the Underwriters deem reasonable (but not exceeding 200); (ii) the cost of the preparation and printing of the definitive 2024 Series Bonds, if any; (iii) the fees and disbursements of Bond Counsel, the Trustee, the Trustee's counsel, and any other experts or consultants retained by the Authority; and (iv) the charges of the Rating Agencies and filing and listing fees.

(b) The Authority shall not be responsible for the payment of costs incurred by the Underwriters relating to any expenses incurred by them, including, without limitation, the fees and expenses of their counsel and "Blue Sky" filing fees or advertising expenses in connection with the public offering of the 2024 Series Bonds, and the payment of the Underwriters' discount referred to in **Schedule 2** constitutes the only amount due from the Authority to the Underwriters in connection with the sale and issuance of the 2024 Series Bonds.

(c) The Manager shall not charge the Underwriters under the AAU or other similar agreement for a proportionate share of any expenses, unless the amount and type of such expenses have been approved in writing for such proportionate sharing by the State Treasurer.

(d) The Retainage paid by the Underwriters to the Trustee simultaneously with the payment of the Purchase Price shall be held by the Trustee until such time as the Manager has provided the Authority and the State Treasurer with all reports or other documents which the Authority and the State Treasurer may be entitled to pursuant to the Resolution, this Purchase Contract or the other documents executed and delivered in connection herewith or therewith. Upon the delivery of a certificate of the State Treasurer or her designee to the Trustee stating that the Manager has satisfied the condition set forth in the preceding sentence, the Trustee shall disburse the Retainage to the Manager.

Redemption Provisions

Optional Redemption. The 2024 Series AA Bonds maturing on or after June 15, _____ are subject to optional redemption prior to maturity at the option of the Authority, at any time on or after June 15, _____, either in whole or in part, from maturities, and, where applicable, interest rates within maturities, selected by the Authority at a Redemption Price equal to 100% of the principal amount of the 2024 Series AA Bonds being redeemed, plus accrued interest thereon to the redemption date.

The 2024 Series BB Bonds are subject to make-whole redemption prior to maturity by written direction of the Authority, in whole or in part, on any Business Day, at the "Make-Whole Redemption Price" (as hereinafter defined).

The "Make-Whole Redemption Price" is the greater of (i) 100% of the principal amount of the 2024 Series BB Bonds being redeemed or (ii) the sum of the present value of the remaining scheduled payments of principal, plus accrued interest, if any, to the maturity date of the 2024 Series BB Bonds being redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the 2024 Series BB Bonds are redeemed, discounted to the date on which the 2024 Series BB Bonds are redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the adjusted "Treasury Rate" (as hereinafter defined), plus ___ basis points, plus, in each case, accrued and unpaid interest on the 2024 Series BB Bonds being redeemed on the redemption date.

The “Treasury Rate” will be, as of the redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least five (5) Business Days prior to the redemption date (excluding inflation indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the maturity date of the 2024 Series BB Bonds being redeemed; provided, however, that if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

The Make-Whole Redemption Price of the 2024 Series BB Bonds being redeemed pursuant to the make-whole redemption provisions described above will be determined by an independent accounting firm, investment banking firm or financial advisor retained by the Authority at the Authority's expense to calculate such Make-Whole Redemption Price. The Trustee and the Authority may conclusively rely upon the determination of such Make-Whole Redemption Price by such independent accounting firm, investment banking firm or financial advisor, and neither the Trustee nor the Authority will be liable for such reliance.

Selection of 2024 Series Bonds to be Redeemed. If less than all 2024 Series Bonds are called for redemption, the Authority will select the maturity or maturities of the 2024 Series Bonds to be redeemed. If less than all of the 2024 Series Bonds of like maturity shall be called for prior redemption, the particular 2024 Series Bonds or portions of 2024 Series Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate. However, the portion of any 2024 Series Bond to be redeemed shall be in the principal amount of \$5,000 or any multiple thereof, and in selecting 2024 Series Bonds for redemption, the Trustee is required to treat each such 2024 Series Bond as representing that number of 2024 Series Bonds which is obtained by dividing the principal amount of such 2024 Series Bond by \$5,000. While the 2024 Series Bonds are in book-entry only form, DTC's practice is to determine by lot the amount of the interest of each Direct Participant (as such term is defined in APPENDIX VI) to be redeemed.

Adjustment of Sinking Fund Installments Upon Redemption of Bonds. Upon any purchase or redemption (other than mandatory sinking fund redemption) of the 2024 Series Bonds of any maturity for which sinking fund redemption provisions shall have been established, there shall be credited toward each such sinking fund installment thereafter to become due, unless otherwise directed by the Authority, an amount bearing the same ratio to such sinking fund installment as the total principal amount of such 2024 Series Bonds so purchased or redeemed bears to the total amount of all such sinking fund installments to be so credited.

Notice of Redemption

When the Trustee shall receive notice from the Authority of its election or direction to redeem 2024 Series Bonds, and when redemption of 2024 Series Bonds is authorized

or required, the Trustee shall give notice, in the name of the Authority, of the redemption of such 2024 Series Bonds, which notice shall specify the maturities (and, if applicable, interest rate within a maturity) of the 2024 Series Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the 2024 Series Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such 2024 Series Bonds so to be redeemed, and, in the case of 2024 Series Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2024 Series Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of 2024 Series Bonds to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by the Trustee, postage prepaid, not less than twenty-five (25) days prior to the redemption date, to the registered owners of any 2024 Series Bonds or portions of 2024 Series Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books. Failure of the registered owner of any 2024 Series Bonds which are to be redeemed to receive any notice shall not affect the validity of the proceedings for the redemption of the 2024 Series Bonds.

If at the time of the mailing of notice of redemption, the Authority shall not have deposited with the Trustee or the Paying Agent, as applicable, moneys sufficient to redeem all the 2024 Series Bonds called for redemption, such notice shall state that it is conditional and subject to the deposit of the redemption moneys with the Trustee or the Paying Agent, as applicable, on the Redemption Date, and such notice shall be of no effect unless such moneys are so deposited.

So long as DTC is acting as securities depository for the 2024 Series Bonds, all notices of redemption required to be given to the registered owners of the 2024 Series Bonds will be given to DTC.

Mandatory Tender for Purchase in Lieu of Optional Redemption

Whenever any 2024 Series Bonds are subject to redemption at the option of the Authority, the Authority may, upon written notice to the Trustee and the delivery of an opinion of Bond Counsel that such action will not adversely affect the tax-exempt status of any Outstanding 2024 Series Bonds, elect to call such 2024 Series Bonds for mandatory tender for purchase in lieu of optional redemption at a purchase price equal to the then applicable Redemption Price of such 2024 Series Bonds. The Authority shall give written notice to the Trustee of its election not less than two (2) Business Days prior to the date on which the Trustee is required to give notice of such mandatory tender for purchase to the Bondholders (or such shorter period as shall be acceptable to the Trustee). The provisions of the Resolution or any Supplemental Resolution or Series Certificate applicable to the redemption of 2024 Series Bonds at the option of the Authority shall also apply to a mandatory tender for purchase of such 2024 Series Bonds in lieu of optional redemption at the Authority's election.

Ladies and Gentlemen:

[I] [We] have acted as bond counsel in connection with the issuance of \$_____ aggregate principal amount of Transportation Program Bonds, 2024 Series AA (Tax-Exempt) (the “2024 Series AA Bonds”) and \$_____ aggregate principal amount of Transportation Program Bonds, 2024 Series BB (Federally Taxable) (the “2024 Series BB Bonds”) and, together with the 2024 Series AA Bonds, the “2024 Series Bonds”), by the New Jersey Transportation Trust Fund Authority (the “Authority”), a public body corporate and politic organized and existing under the laws of the State of New Jersey (the “State”) created pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, constituting Chapter 73 of the Laws of New Jersey of 1984, as amended and supplemented (the “Act”).

The 2024 Series Bonds are being issued under and pursuant to the Act, and under and pursuant to the Authority’s 2012 Transportation Program Bond Resolution, adopted on October 26, 2012 (the “Bond Resolution”), as amended and supplemented, including as supplemented by the Fifteenth Supplemental Transportation Program Bond Resolution adopted by the Authority on July 18, 2024 (the “Fifteenth Supplemental Resolution”), and a Series Certificate of the Authority dated September __, 2024 (the “Series Certificate”). The Bond Resolution, as amended and supplemented, including as supplemented by the Fifteenth Supplemental Resolution, and, together with the Series Certificate, is referred to collectively herein as the “Resolution.” Capitalized terms used herein and not otherwise defined have the meaning given to such terms in the Resolution or the Bond Purchase Contract relating to the 2024 Series Bonds dated September __, 2024 (the “Purchase Contract”), between the Authority and BofA Securities, Inc., as Manager, acting on behalf of itself and the other Underwriters named therein.

The Act provides for certain payments to be made from the Transportation Trust Fund Account - Subaccount for Debt Service for Transportation Program Bonds in the State General Fund to the Authority, subject to and dependent upon appropriations being made from time to time by the New Jersey State Legislature for such purpose. Pursuant to the Act, the Authority has entered into an agreement entitled "Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds," dated as of January 9, 2019, which amends and restates in its entirety the "Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds" dated as of December 4, 2012 (as amended and restated, the "State Contract"), with the State Treasurer and the Commissioner of the New Jersey Department of Transportation (the "Commissioner") to implement such payments and other arrangements provided for in the Act.

In rendering the opinions set forth below, [I] [we] have examined such matters of law and documents, certificates, records and other instruments as [I] [we] have deemed necessary or appropriate to express the opinions set forth below, including, without limitation, the Act, original counterparts or certified copies of the Resolution, the State Contract, the Purchase Contract, the Continuing Disclosure Agreement and the other documents, certifications, instruments, opinions and records delivered in connection with the issuance of the 2024 Series Bonds. In rendering the opinions set forth below, [I] [we] have assumed and relied upon, with your permission, the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinions [I] [we] have relied, with your permission, upon the truthfulness, completeness and accuracy of the aforesaid instruments, certificates, opinions (other than the Attorney General's opinion), records and other documents without any independent investigation or inquiry.

Based on the foregoing, [I] [we] am of the opinion that:

(1) The Purchase Contract and the Continuing Disclosure Agreement have been duly authorized, executed and delivered by the Authority and constitute legal, valid and binding obligations of the Authority, enforceable against the Authority in accordance with their respective terms, except as the enforcement thereof may be affected by applicable bankruptcy, insolvency, moratorium or other similar laws or legal principles relating to the enforcement of creditors' rights generally from time to time in effect and to the scope of equitable remedies which may be available.

(2) The Continuing Disclosure Agreement has been duly executed and delivered by the State Treasurer and constitutes a legal, valid and binding obligation of the State Treasurer, enforceable against the State Treasurer in accordance with its terms, except as the enforcement thereof may be affected by applicable bankruptcy, insolvency, moratorium or other similar laws or legal principles relating to the enforcement of creditors' rights generally from time to time in effect and to the scope of equitable remedies which may be available.

Re: New Jersey Transportation Trust Fund Authority
\$_____ Transportation Program Bonds, 2024 Series AA (Tax-Exempt)
\$_____ Transportation Program Bonds, 2024 Series BB (Federally
Taxable)

Dear State Treasurer and Members of the Authority:

We have acted as counsel to the State of New Jersey (the “State”) and the New Jersey Transportation Trust Fund Authority (the “Authority”) in connection with the sale and issuance of the above-referenced obligations (the “Bonds”). The Bonds are being issued in accordance with the provisions of New Jersey Transportation Trust Fund Authority Act of 1984, L. 1984, c.73, as amended (the “Act”).

We have examined executed copies of: (i) the Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds,” dated as of January 9, 2019 (the “State Contract”), by and among the State Treasurer, the Authority and the Commissioner of the New Jersey Department of Transportation; (ii) the 2012 Transportation Program Bond Resolution adopted by the Authority on October 26, 2012, as amended and supplemented (the “Bond Resolution”), including as amended and supplemented by the Fifteenth Supplemental Transportation Program Bond Resolution adopted by the Authority on July 18, 2024 (the “Fifteenth Supplemental Resolution”), and a Series Certificate executed by an Authorized Authority Official, dated September __, 2024 (the “Series Certificate”) (collectively, the Bond Resolution, the Fourteenth Supplemental Resolution and the Series Certificate are the “Resolution”); (iii) the Bond Purchase Contract, dated September __, 2024 (the “Bond Purchase Contract”), between BofA Securities, Inc., the manager on behalf of the underwriters listed on Schedule I to the Bond Purchase Contract, and the Authority; (iv) the Official Statement, dated September __, 2024 (the “Official Statement”); (v) the Continuing Disclosure Agreement, dated September __, 2024 (the “Continuing Disclosure Agreement”), among the Authority, the State Treasurer and U.S. Bank Trust Company, National Association, as Dissemination Agent; and (vi) the Escrow Deposit Agreement, dated September __, 2024 (the “Escrow Deposit Agreement”), between the Authority and U.S. Bank Trust Company, National Association, as Escrow Agent.

In connection with the opinions set forth below, we have examined such other documents, records of the Authority, and other instruments, including original counterparts or certified copies of the State Contract, the Bond Resolution, the Fifteenth Supplemental Resolution, the Series Certificate, the Bond Purchase Contract, the Escrow Deposit Agreement, the Continuing Disclosure Agreement, the Official Statement and the other documents listed in the closing memorandum relating to the Bonds and such matters of law and other proofs, as we deemed necessary to enable us to express the opinions set forth below. Capitalized terms used herein not otherwise defined herein shall have the meanings ascribed to them in the Resolution.

Based upon the foregoing, we are of the opinion that:

1. Based on such inquiry and investigation as we have deemed sufficient, except as otherwise set forth in the Official Statement, there is no litigation or other proceeding pending in any court or in any State agency or other administrative body which would affect the adoption of the Bond Resolution and the Fifteenth Supplemental Resolution or would restrain or enjoin the execution and delivery by the Authority of the Series Certificate, the State Contract, the Continuing Disclosure Agreement, the Escrow Deposit Agreement, the Bond Purchase Contract or the Bonds or would have a materially adverse effect on the ability of the Authority to carry out its obligations under such documents or in any way questioning the validity of any of the provisions of the Bond Resolution, the Fifteenth Supplemental Resolution, the Series Certificate, the Continuing Disclosure Agreement, the Escrow Deposit Agreement, the Bond Purchase Contract or the State Contract or the validity of the Bonds, nor do we have direct personal knowledge that any such litigation or proceeding is threatened.

2. The adoption of the Bond Resolution and the Fifteenth Supplemental Resolution, the execution and delivery of the State Contract, the Bond Purchase Contract, the Continuing Disclosure Agreement, the Escrow Deposit Agreement and the Series Certificate and compliance with the provisions thereof under the circumstances contemplated thereby, do not or did not, as applicable, and will not in any material respect conflict with or constitute on the part of the Authority a breach of or default under any regulation, court order or consent decree to which the Authority is subject.

3. No additional or further approval, consent or authorization of any governmental or public agency or authority or any institution not already obtained is required for the adoption and execution by the Authority and performance of its obligations under the Bond Resolution, the Fifteenth Supplemental Resolution, the Series Certificate, the State Contract, the Bond Purchase Contract, the Escrow Deposit Agreement or the Continuing Disclosure Agreement, with the exception that the offer and sale of the Bonds in certain jurisdictions may be subject to the provisions of the securities or "Blue Sky" laws of such jurisdictions.

4. Based upon such inquiry and investigation as we have deemed sufficient, except as otherwise set forth in the Official Statement, there is no litigation or other proceeding in any court or in any State agency or other administrative body which would restrain or enjoin the execution and delivery by the State Treasurer of the State Contract or the Continuing Disclosure Agreement or would have an adverse effect on the State Treasurer's power to make the payments under the State Contract or in any way questioning the validity of any of the provisions of the State Contract or the Continuing Disclosure Agreement, nor do we have direct personal knowledge that any such litigation or proceeding is threatened.

5. No approval or other action by any governmental body, authority or agency is required in connection with the execution or performance by the State Treasurer of the obligations under the State Contract or the Continuing Disclosure Agreement which has not

already been obtained or taken; provided, however, that any payments under the State Contract are subject to, and dependent upon appropriation by the State Legislature.

6. To the best of our knowledge, the statements appearing under the caption "LITIGATION" in the Official Statement are accurate and complete in all material respects as of the date of the Official Statement and as of the date hereof.

In addition, we wish to advise you that no opinion is being rendered as to the availability of any particular remedy under any of the documents set forth above. This opinion is given as of the date of delivery hereof and no opinion is expressed as to any matter not explicitly set forth herein. This opinion is rendered solely in connection with the issuance of the Bonds by the Authority and may not be relied upon by any person other than the addressees hereof.

Sincerely yours,

MATTHEW J. PLATKIN

BofA Securities, Inc.
As Representative of the Underwriters

New York, NY 10025

**Re: \$_____ New Jersey Transportation Trust Fund Authority
Transportation Program Bonds, 2024 Series AA (Tax-Exempt) and 2024
Series BB (Federally Taxable) (collectively, the “Bonds”)**

Ladies and Gentlemen:

We have acted as co-counsel to you, in connection with issuance of the above referenced Bonds, under that certain Bond Purchase Contract dated September ___, 2024 (the “Bond Purchase Contract”) by and between the New Jersey Transportation Trust Fund Authority (the “Authority”) and BofA Securities, Inc. as representative, acting for and on behalf of itself and the other underwriters identified therein (collectively, the “Underwriters”).

In our capacity as your co-counsel, we have examined and relied upon originals or copies, certified or otherwise identified to our satisfaction as being true copies of the following: (1) the Preliminary Official Statement relating to Bonds dated September ___, 2024 (“the Preliminary Official Statement”); (2) the Official Statement relating to the Bonds dated September ___, 2024 (the “Official Statement”); (3) executed copies of certificates delivered pursuant to the Bond Purchase Contract; (4) the opinion letters of (i) [Eckert Seamans Cherin & Mellott, LLC][Connell Foley, LLP] as Co-Underwriters Counsel and (ii) M. Jeremy Ostow, Esq. and Chiesa Shahanian & Giantomasi PC as Co-Bond Counsel; (5) an executed copy of the Bond Purchase Contract; and (6) the Continuing Disclosure Agreement, dated as of the date hereof.

Based on the foregoing, and subject to the limitations and qualifications below, we are of the opinion that:

1. The Bonds are exempted securities described in Section 3(a)(2) of the Securities Act of 1933, as amended. No registration with the Securities and Exchange Commission under the Securities Act of 1933, as amended, need be made in connection with the offering and sale of the Bonds.
2. The Continuing Disclosure Agreement satisfies Section (b)(5)(i) of Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”), which if applicable, requires an undertaking for the benefit of the holders, including beneficial owners, of the Bonds to provide certain annual financial information and event notices to Municipal Securities Rulemaking Board at the time and in the manner required by the Rule.

In accordance with our understanding with you, we are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of any of the statements contained in the Preliminary Official Statement or the Official Statement and make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. We have rendered legal advice and assistance to you in the course of your investigation pertaining to, and your participation in the preparation of, the Preliminary Official Statement and the Official Statement. Rendering such assistance involved, among other things, discussions, telephone conferences and inquiries concerning various legal and related subjects, and reviews of certain documents with you and your representatives, representatives of the State and its bond counsel, and our co-underwriters counsel, Eckert Seamans Cherin & Mellott, LLC, during which the contents of the Preliminary Official Statement and the Official Statement and related matters were discussed and reviewed. We do not express any opinion or belief as to the financial, tabular or statistical data contained in the Preliminary Official Statement and the Official Statement or as to the information contained in the Appendices to the Official Statement.

In the course of our participation in the preparation of the Preliminary Official Statement, and the Official Statement and our representation of you, and without having undertaken to determine independently the accuracy or completeness of the statements contained in the Preliminary Official Statement, and the Official Statement, nothing has come to our attention that would lead us to believe that the Official Statement (except for the financial, tabular and statistical data included therein, information contained under the headings "BOOK-ENTRY-ONLY SYSTEM", "TAX MATTERS," and "RATINGS", and the corresponding provisions in "INTRODUCTION," and information contained in Appendices to the Official Statement, as to all of which we express no view), as of its date and as of the date hereof, contained or contains any untrue statement of a material fact or omitted or omits to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

We are authorized to practice law in the State of New Jersey, and we do not purport to be experts on, or to express any opinion herein concerning, any law, other than the laws of the State of New Jersey, and the applicable laws of the United States of America.

The opinions expressed herein are solely for the benefit of, and may only be relied upon by, the Underwriters. This opinion may not be relied upon by any other person or entity. The opinions expressed herein are as of the date hereof and is limited to the matters expressly stated in the numbered paragraphs herein. We make no undertaking to amend or supplement such opinions as facts and circumstances come to our attention or changes in the law occur which could affect such opinions.

Notwithstanding anything herein to the contrary, we acknowledge that this opinion is a government record subject to release under the Open Public Records Act (N.J.S.A. 47:1A-1 et. seq.)

Re: New Jersey Transportation Trust Fund Authority
\$_____ Transportation System Bonds, 2024 Series A (Tax-Exempt) and
\$_____ Transportation Program Bonds, 2024 Series AA (Tax-Exempt)

BofA Securities, Inc., has acted as manager (the “Manager”) for and on behalf of itself and the respective underwriters (collectively, the “Underwriters”) of the New Jersey Transportation Trust Fund Authority’s (i) \$_____ Transportation System Bonds, 2024 Series A (Tax-Exempt) (the “System Bonds”), pursuant to the Bond Purchase Contract dated September __, 2024, with respect to the System Bonds (the “System Bonds Purchase Contract”) and (ii) \$_____ Transportation Program Bonds, 2024 Series AA (Tax-Exempt) (the “Program Bonds” and, together with the System Bonds, the “Bonds”), pursuant to the Bond Purchase Contract dated September __, 2024, with respect to the Program Bonds (the “Program Bonds Purchase Contract” and, together with the System Bonds Purchase Contract, the “Purchase Contract”). We have been advised by Bond Counsel that the System Bonds and the Program Bonds are treated as a single issue for federal income tax purposes. The undersigned hereby represents in connection with the sale and issuance of the Bonds, to the best of its knowledge and belief, as follows:

1. **Sale of the General Rule Maturities.** The Manager confirms that the Underwriters have offered the Bonds to the public on or before the date of the Purchase Contract at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Schedule II of the Purchase Contract attached hereto. [INSERT HOLD-THE-OFFERING- PRICE-PROVISIONS IF NECESSARY]

2. **Defined Terms.**

(a) *General Rule Maturities* means all Maturities of the Bonds listed in Schedule A attached hereto.

(b) *Issuer* means the New Jersey Transportation Trust Fund Authority.

(c) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(d) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.

(e) *Related Party* means any entity if an Underwriter and such entity are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(f) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is September __, 2024.

(g) *Underwriter* means (i) the Manager, (ii) any other entity listed on Schedule I to the Purchase Contract, and (iii) any person that agrees pursuant to a written contract directly or indirectly with an entity described in clauses (i) or (ii) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

4. **Yield.** We have been asked by the Issuer and Bond Counsel to perform certain calculations with respect to the Bonds. Specifically, we have been asked to calculate the arbitrage yield of the Bonds under Section 148 of the Internal Revenue Code of 1986, as amended and the Treasury Regulations thereunder (collectively, the “Code”), and the weighted average maturity of the Bonds. We have performed these calculations with the express understanding and agreement of Bond Counsel and the Issuer that, notwithstanding the performance of these calculations and the delivery of this Issue Price Certificate: (i) in doing so we are not acting as Municipal Advisor (as defined in Section 15B of the Securities Exchange Act); (ii) we do not have a fiduciary duty to the Issuer; and (iii) we are not to be construed as a “paid preparer” of any tax returns of the Issuer, including specifically (but not limited to) Internal Revenue Service Form 8038-G. We have been advised by Bond Counsel that the yield on an issue of tax-exempt bonds (“Yield”) is the discount rate that produces the same present value on the date of issue thereof that, when used in computing the present value of all payments of principal and interest and qualified guarantee fees to be made with respect to such issue of bonds, equals the present value of the aggregate of the “issue prices” of such issue of bonds.

[Certain Callable Premium Bonds. The System Bonds maturing on June 15 in each of the years ____ through and including ____ and the Program Bonds maturing on June 15 in each of the years ____ through and including ____ (collectively, the “Callable Premium Bonds”) are each issued at an issue price that exceeds their stated redemption price at maturity by more than one-fourth of one percent (0.25%) multiplied by the product of the stated redemption price at maturity and the number of complete years to the first optional redemption date of the Callable Premium Bonds. The Callable Premium Bonds are subject to optional early redemption. As advised by Bond Counsel, in calculating the yield on the Bonds, the Callable Premium Bonds have been treated as redeemed at their stated redemption prices on the optional redemption date that would produce the lowest yield on the Bonds.

The Yield on the Bonds calculated in the manner described in this Section 4 is _____.
For purposes hereof, Yield has been calculated on the basis of a 360-day year consisting of twelve 30 day months, with interest compounded semiannually.]

5. **Weighted Average Maturity.** Bond Counsel has instructed us to calculate the weighted average maturity of the Bonds using the following formula: The weighted average maturity of the Bonds equals the sum of the products of the issue price of each maturity of the Bonds and years to maturity from delivery date (and by taking into account mandatory redemptions) divided by the aggregate issue price of the Bonds. As so calculated, the weighted average maturity of the Bonds is _____ years. We have been advised by Bond Counsel that we may assume that the "issue price" of the Bonds is the aggregate of their initial offering prices and that the methodology described in this paragraph is appropriate. A portion of the proceeds of the Bonds are being applied on the date hereof to the refunding of _____ (the "Refunded Bonds"), as further described on Schedule B. We have been advised by Bond Counsel that the proceeds of the Refunded Bonds were applied [to pay State Transportation System Costs] [to the refunding of portions of the Authority's _____ Bonds]. The remaining weighted average maturity of the Refunded Bonds, using the methodology described in this paragraph, is _____ years.

6. **Underwriters' Fees.** Based on our experience in similar transactions, the amount paid as underwriters' fees or discount in connection with the sale and issuance of the Bonds is reasonable and customary under the circumstances.

7. **Market Based Premium.** The amount of the premium included in the pricing of the Bonds is reasonable to efficiently market the Bonds.

Notwithstanding the foregoing Paragraphs 4-7, we remind you that we are not accountants or actuaries, nor are we engaged in the practice of law. Accordingly, while we believe the calculations described above to be correct, we do not warrant them to be so, nor do we warrant their validity for purposes of Sections 103 and 141-150 of the Code.

We understand that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate and by Chiesa Shahinian & Giantomasi PC and M. Jeremy Ostow, Esq. in connection with rendering their opinions to the Issuer that the interest on the Bonds is not includable in gross income of the owners thereof for federal income tax purposes. The undersigned is certifying only as to facts in existence on the date hereof. Nothing herein represents the undersigned's interpretation of any laws; in particular the regulations under the Internal Revenue Code of 1986, as amended, or the application of any laws to these facts. The certifications contained herein are not necessarily based on personal knowledge, but may instead be based on either inquiry deemed adequate by the undersigned or institutional knowledge (or both) regarding the matters set forth herein and, in certain cases, the Manager may be relying on representations made by other members of the Underwriting Group. Although certain information furnished in this Certificate has been derived from other purchasers, bond houses and brokers and cannot be independently verified by us, we have no reason to believe it to be untrue in any material respect.

Tax Matters: In the opinion of Co-Bond Counsel to the Authority, under existing statutes, regulations, rulings and court decisions, and assuming compliance by the Authority with certain requirements described in “TAX MATTERS” herein, interest on the 2024 Series AA Bonds is not includable in gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and is not treated as a preference item in calculating the alternative minimum tax under the Code. INTRODUCTION

The purpose of this Official Statement (which includes the cover page, the inside cover page and the Appendices hereto) is to set forth certain information concerning the New Jersey Transportation Trust Fund Authority (the “Authority”) and its \$ _____ * Transportation Program Bonds, \$ _____ 2024 Series AA (Tax-Exempt) (the “2024 Series AA Bonds”) and its \$ _____ Transportation Program Bonds, 2024 Series BB (Federally Taxable), (the “2024 Series BB Bonds” and together with the Series 2024 AA Bonds, the “2024 Program Bonds”).

Simultaneously with the offering, sale and issuance of the 2024 Program Bonds, the Authority will be offering, selling and issuing \$ _____ * aggregate principal amount of its Transportation System Bonds, 2024 Series A (the “2024 Series A Bonds”) and \$ _____ aggregate principal amount of its Transportation System Bonds 2024 Series B (Federally Taxable) (the “2024 Series B Bonds” and together with the Series 2024 A Bonds, the “2024 System Bonds”) for the primary purpose of (i) paying the purchase price of certain outstanding Transportation System Bonds of the Authority which have been tendered for purchase by the Authority and (ii) refunding certain outstanding Transportation System Bonds of the Authority. The 2024 System A Bonds are expected to be issued by the Authority on or about _____, 2024. **The 2024 System Bonds are not being offered pursuant to this Official Statement.**

The Authority was created by the State of New Jersey (the “State”) in 1984 pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, as amended and supplemented, constituting N.J.S.A. 27:1B-1 et seq. (the “Act”), to provide a stable, predictable funding mechanism for transportation system improvements undertaken by the New Jersey Department of Transportation (the “Department”). Transportation system improvements financed by the Authority include expenditures for the planning, acquisition, engineering, construction, repair, maintenance and rehabilitation of public facilities for ground, water or air transportation of people or goods. The Authority also finances State aid to counties and municipalities for transportation system improvements.

The Authority is governed by seven members, including the Commissioner of the New Jersey Department of Transportation (the “Commissioner”) and the Treasurer of the State (the “State Treasurer”), both of whom serve as ex-officio members.

The Act, among other things, provides for (i) the funding of transportation projects and (ii) the issuance of bonds, notes or other obligations, including subordinated obligations, by the Authority. The Act, as amended by L. 2016, c. 56, enacted on October 14, 2016 (the “2016 Legislation”), authorized the issuance of new money Transportation Program Bonds for the period commencing on the day that Assembly Concurrent Resolution No. 1 of 2015, an amendment to Article VIII, Section II, paragraph 4 of

* Preliminary, subject to change.

the New Jersey State Constitution (the “State Constitution”), took effect (December 8, 2016), and ending June 30, 2024, in an amount not in excess of \$12,000,000,000. The 2016 Legislation was amended by L. 2024, c.7 (the “2024 Legislation”).

The 2024 Legislation extends and increases the Authority’s existing authorization to issue transportation program bonds as are necessary to fund the Annual Transportation Capital Program from its former maximum level of \$12,000,000,000, which authorization expired on June 30, 2024, to its current funding maximum level of \$15,600,000,000 through June 30, 2029. The issuance of bonds, notes or other obligations, including subordinated obligations, of the Authority for refunding purposes is not subject to the foregoing limit; except that, any premiums received in connection with the issuance of Transportation Program Bonds during such period (whether for new money purposes or for refunding purposes) shall count against any limitation as to the amount of new money Transportation Program Bonds the Authority may issue during such period. See “STATUTORY DEBT ISSUANCE LIMITATIONS” herein.

The Act, as amended by L. 2012, c. 13, effective on June 29, 2012 (the “2012 Legislation”), provides that the payment of debt service on Transportation Program Bonds and any agreement securing such Transportation Program Bonds shall be paid solely from revenues dedicated pursuant to the State Constitution, including Article VIII, Section II, paragraph 4 (the “Constitutionally Dedicated Revenues”), and deposited into the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds (the “Subaccount for Debt Service for Transportation Program Bonds”) established pursuant to the Act. See “SOURCES OF PAYMENT AND SECURITY FOR THE 2024 PROGRAM BONDS – Constitutional Dedication of Certain State Revenues” herein.

To implement the financing arrangement provided for by the 2012 Legislation, the Authority adopted its 2012 Transportation Program Bond Resolution (the “2012 Transportation Program Bond Resolution”) on October 26, 2012, and the Authority, the State Treasurer and the Commissioner entered into the “Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with respect to Transportation Program Bonds,” dated as of December 4, 2012, as amended and restated in its entirety by an agreement entitled “Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act with Respect to Transportation Program Bonds,” dated as of January 9, 2019, as may be further amended from time to time (as amended and restated, the “State Contract”).

The Act provides that no refunding bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the outstanding bonds to be refinanced, with present value computed using a discount rate equal to the yield of those refunding bonds, and yield computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those refunding bonds. The issuance of refunding bonds is also subject to the approval of the Joint Budget Oversight Committee (the “JBOC”) of the New Jersey State Legislature (the “State Legislature”). In accordance with the Act, the present value of the aggregate principal amount of and interest on the Outstanding Bonds to be refinanced will be determined with respect to the 2024 System Bonds and the 2024 Program Bonds in the aggregate.

The Authority is issuing the 2024 Program Bonds for the purposes of: (i) paying the purchase price of certain outstanding Transportation Program Bonds of the Authority which have been tendered for purchase by the Authority more fully described in APPENDIX VII to this Official Statement (the “Bonds to be Purchased”), (ii) refunding certain outstanding Transportation Program Bonds (as hereinafter defined) of the Authority more fully described in APPENDIX VIII to this Official Statement (the “Bonds to be Refunded”) and (iii) paying the costs of issuance of the 2024 Program Bonds and the costs of the Invitation

(as defined herein). See “PLAN OF FINANCE” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The 2024 Program Bonds are being issued pursuant to the Act and the 2012 Transportation Program Bond Resolution, as amended and supplemented, including by the Fifteenth Supplemental Transportation Program Bond Resolution, adopted on July ____, 2024 (the “Fifteenth Supplemental Resolution”) and a series certificate of the Authority to be dated as of the date of sale of the 2024 Program Bonds (the “Series Certificate”). The Authority’s 2012 Transportation Program Bond Resolution, as amended and supplemented, including by the Fifteenth Supplemental Resolution and the Series Certificate, and as the same may be amended and supplemented from time to time, is collectively referred to herein as the “Resolution” or “Program Bond Resolution.” Bonds issued under the Resolution are, pursuant to the Resolution, designated as “Transportation Program Bonds.” U.S. Bank Trust Company, National Association, Edison, New Jersey, has been appointed as trustee (the “Trustee”) and paying agent (the “Paying Agent”) by the Authority for obligations issued under the Resolution, including the 2024 Program Bonds.

The Resolution constitutes a contract between the Authority and the holders of the bonds issued and outstanding thereunder. All such bonds issued pursuant to the Resolution, including the 2024 Program Bonds, are referred to collectively as the “Bonds.” All capitalized terms used but not defined in this Official Statement shall have the meanings given to them in the Resolution. See APPENDIX II — “COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION.”

The 2024 Program Bonds offered hereby are the fifteenth Series of Bonds (or notes, as applicable), to be issued under the Resolution and will be secured on a parity with all Bonds previously issued under the Resolution (the “Prior Program Bonds”), and with all Bonds to be issued from time to time under the Resolution.

As of _____, 2024, the aggregate principal amount of Prior Program Bonds Outstanding was \$_____. After the issuance of the 2024 Program Bonds, the Authority will have \$_____ * in aggregate principal amount of Bonds Outstanding issued under the Resolution.

The 2024 Program Bonds are secured by the Pledged Property (as defined in the Resolution) which consists primarily of revenues received by the Authority from the State pursuant to the Act and the State Contract (as defined herein). The payment of all such revenues to the Authority is subject to and dependent upon appropriations being made from time to time by the State Legislature. However, the State Legislature has no legal obligation to make any such appropriations. The 2024 Program Bonds will be secured on parity with all Bonds issued and to be issued from time to time under the Resolution. See “SOURCES OF PAYMENT AND SECURITY FOR THE 2024 PROGRAM BONDS - Property Pledged to the 2024 Program Bonds; the State Contract; the Act; the Resolution” herein.

As of _____, 2024, the Authority had outstanding \$_____ in aggregate principal amount of its Transportation System Bonds (the “Outstanding Prior Bonds”) issued under its 1995 Transportation System Bond Resolution, as amended and supplemented (the “Prior Bond Resolution”). All bonds issued under the Prior Bond Resolution are collectively referred to herein as “Prior Bonds.” After the issuance of the 2024 Program Bonds, the Authority will have \$_____ * in aggregate principal amount of Prior Bonds Outstanding issued under the Prior Bond Resolution.

All Prior Bonds are payable from the Constitutionally Dedicated Revenues, which are also the source of payment for the Transportation Program Bonds, and the Prior Bonds also benefit from certain

* Preliminary, subject to change.

statutorily dedicated revenues which may not be used to pay debt service on Transportation Program Bonds. It is anticipated that no further bonds will be issued under the Prior Bond Resolution other than Refunding Bonds (as such term is defined therein). Bonds issued by the Authority to finance future State Transportation System Costs are expected to be issued as either (i) Transportation Program Bonds under the Program Bond Resolution or (ii) Federal Highway Reimbursement Notes.

All references in this Official Statement to the Act and the Resolution are qualified in their entirety by reference to the complete text of the Act and the Resolution, copies of which are available from the Authority, and all references to the 2024 Program Bonds are qualified in their entirety by reference to the definitive forms thereof and the provisions with respect thereto contained in the Resolution. SEE APPENDIX II – “COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION” and APPENDIX III – “COPY OF THE STATE CONTRACT” herein.

DESCRIPTION OF THE 2024 PROGRAM BONDS

General

The Resolution, the State Contract and all provisions thereof are incorporated by reference in the text of the 2024 Program Bonds. Copies of the Resolution, including the full text of the form of the 2024 Program Bonds, and the State Contract are on file at the principal corporate trust office of the Trustee and are available there for inspection and copying. The following is a summary of certain provisions of the 2024 Program Bonds and is qualified by reference thereto.

The 2024 Program Bonds

The 2024 Program Bonds will be dated their date of delivery and will mature on the dates and in the principal amounts shown on the inside cover of this Official Statement. The 2024 Program Bonds will be issued in denominations of \$5,000 or any integral multiple thereof (an “Authorized Denomination”) and will bear interest at the rates shown on the inside cover of this Official Statement, payable initially on December 15, 2024, and semiannually thereafter on June 15 and December 15 in each year, until maturity or prior redemption. Interest will be payable by the Trustee to those registered owners of the applicable 2024 Program Bonds whose names appear on the bond register as of the fifteenth (15th) day next preceding each June 15 and December 15 (the “Record Date”). Interest on the 2024 Program Bonds will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The principal and redemption price of the 2024 Program Bonds will be payable upon presentation and surrender of the 2024 Program Bonds at the corporate trust office of the Trustee designated by the Trustee. Interest on the 2024 Program Bonds will be payable by check mailed to the registered owners thereof. However, interest on the 2024 Program Bonds will be paid to any owner of \$1,000,000 or more in aggregate principal amount of 2024 Program Bonds by wire transfer to a wire transfer address within the continental United States upon the written request of such owner received by the Trustee not less than five (5) days prior to the Record Date.

The Depository Trust Company (“DTC”) will act as securities depository for the 2024 Program Bonds. So long as DTC or its nominee is the registered owner of the 2024 Program Bonds, payments of the principal of and interest on the 2024 Program Bonds will be made by the Paying Agent directly to DTC or its nominee, Cede & Co., which will in turn remit such payments to DTC Participants, which will in turn remit such payments to the Beneficial Owners of the 2024 Program Bonds. See APPENDIX VI – “BOOK-ENTRY ONLY SYSTEM.”

The 2024 Program Bonds will be issued in the form of a fully registered certificate for each maturity of the 2024 Program Bonds and, if applicable, each interest rate within a maturity of the 2024 Program Bonds, with such certificates being in the aggregate principal amount of the 2024 Program Bonds, and when issued, will be registered in the name of Cede & Co., as nominee of DTC. See APPENDIX VI – “BOOK-ENTRY ONLY SYSTEM.”

Redemption Provisions*

Optional Redemption. The 2024 Series AA Bonds maturing on or after June 15, _____* are subject to optional redemption prior to maturity at the option of the Authority, at any time on or after June 15, _____*, either in whole or in part, from maturities, and, where applicable, interest rates within maturities, selected by the Authority at a Redemption Price equal to 100% of the principal amount of the 2024 Series AA Bonds being redeemed, plus accrued interest thereon to the redemption date.

The 2024 Series BB Bonds are subject to make-whole redemption prior to maturity by written direction of the Authority, in whole or in part, on any Business Day, at the "Make-Whole Redemption Price" (as hereinafter defined).

The “Make-Whole Redemption Price” is the greater of (i) 100% of the principal amount of the 2024 Series BB Bonds being redeemed or (ii) the sum of the present value of the remaining scheduled payments of principal, plus accrued interest, if any, to the maturity date of the 2024 Series BB Bonds being redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the 2024 Series BB Bonds are redeemed, discounted to the date on which the 2024 Series BB Bonds are redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the adjusted “Treasury Rate” (as hereinafter defined), plus ___ basis points plus, in each case, accrued and unpaid interest on the 2024 Series BB Bonds being redeemed on the redemption date.

The “Treasury Rate” will be, as of the redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least five (5) Business Days prior to the redemption date (excluding inflation indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the maturity date of the 2024 Series BB Bonds being redeemed; provided, however, that if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

The Make-Whole Redemption Price of the 2024 Series BB Bonds being redeemed pursuant to the make-whole redemption provisions described above will be determined by an independent accounting firm, investment banking firm or financial advisor retained by the Authority at the Authority's expense to calculate such Make-Whole Redemption Price. The Trustee and the Authority may conclusively rely upon the determination of such Make-Whole Redemption Price by such independent accounting firm, investment banking firm or financial advisor, and neither the Trustee nor the Authority will be liable for such reliance.

Selection of 2024 Program Bonds to be Redeemed. If less than all 2024 Program Bonds are called for redemption, the Authority will select the maturity or maturities of the 2024 Program Bonds to be redeemed. If less than all of the 2024 Program Bonds of like maturity shall be called for prior redemption,

* Preliminary, subject to change.

the particular 2024 Program Bonds or portions of 2024 Program Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate. However, the portion of any 2024 Program Bond to be redeemed shall be in the principal amount of \$5,000 or any multiple thereof, and in selecting 2024 Program Bonds for redemption, the Trustee is required to treat each such 2024 Program Bond as representing that number of 2024 Program Bonds which is obtained by dividing the principal amount of such 2024 Program Bond by \$5,000. While the 2024 Program Bonds are in book-entry only form, DTC's practice is to determine by lot the amount of the interest of each Direct Participant (as such term is defined in APPENDIX VI) to be redeemed.

Adjustment of Sinking Fund Installments Upon Redemption of Bonds. Upon any purchase or redemption (other than mandatory sinking fund redemption) of the 2024 Program Bonds of any maturity for which sinking fund redemption provisions shall have been established, there shall be credited toward each such sinking fund installment thereafter to become due, unless otherwise directed by the Authority, an amount bearing the same ratio to such sinking fund installment as the total principal amount of such 2024 Program Bonds so purchased or redeemed bears to the total amount of all such sinking fund installments to be so credited.

Notice of Redemption

When the Trustee shall receive notice from the Authority of its election or direction to redeem 2024 Program Bonds, and when redemption of 2024 Program Bonds is authorized or required, the Trustee shall give notice, in the name of the Authority, of the redemption of such 2024 Program Bonds, which notice shall specify the maturities (and, if applicable, interest rate within a maturity) of the 2024 Program Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the 2024 Program Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such 2024 Program Bonds so to be redeemed, and, in the case of 2024 Program Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2024 Program Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of 2024 Program Bonds to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by the Trustee, postage prepaid, not less than twenty-five (25) days prior to the redemption date, to the registered owners of any 2024 Program Bonds or portions of 2024 Program Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books. Failure of the registered owner of any 2024 Program Bonds which are to be redeemed to receive any notice shall not affect the validity of the proceedings for the redemption of the 2024 Program Bonds.

If at the time of the mailing of notice of redemption, the Authority shall not have deposited with the Trustee or the Paying Agent, as applicable, moneys sufficient to redeem all the 2024 Program Bonds called for redemption, such notice shall state that it is conditional and subject to the deposit of the redemption moneys with the Trustee or the Paying Agent, as applicable, on the Redemption Date, and such notice shall be of no effect unless such moneys are so deposited.

So long as DTC is acting as securities depository for the 2024 Program Bonds, all notices of redemption required to be given to the registered owners of the 2024 Program Bonds will be given to DTC.

Mandatory Tender for Purchase in Lieu of Optional Redemption

Whenever any 2024 Program Bonds are subject to redemption at the option of the Authority, the Authority may, upon written notice to the Trustee and the delivery of an opinion of Bond Counsel that such action will not adversely affect the tax-exempt status of any Outstanding 2024 Program Bonds, elect to call such 2024 Program Bonds for mandatory tender for purchase in lieu of optional redemption at a purchase price equal to the then applicable Redemption Price of such 2024 Program Bonds. The Authority shall give written notice to the Trustee of its election not less than two (2) Business Days prior to the date on which the Trustee is required to give notice of such mandatory tender for purchase to the Bondholders (or such shorter period as shall be acceptable to the Trustee). The provisions of the Resolution or any Supplemental Resolution or Series Certificate applicable to the redemption of 2024 Program Bonds at the option of the Authority shall also apply to a mandatory tender for purchase of such 2024 Program Bonds in lieu of optional redemption at the Authority's election.

The information in APPENDIX VI – “BOOK-ENTRY ONLY SYSTEM” concerning DTC and DTC's book-entry system has been obtained from sources that the Authority believes to be reliable, but the Authority takes no responsibility for the accuracy thereof.

Neither the DTC Participants nor the Beneficial Owners (as such terms are defined in APPENDIX VI – “BOOK-ENTRY ONLY SYSTEM”) should rely on such information with respect to such matters but should instead confirm the same with DTC or the DTC Participants, as the case may be.

THE AUTHORITY, THE TRUSTEE, AND THE PAYING AGENT CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC WILL DISTRIBUTE TO THE DIRECT PARTICIPANTS OR THAT THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE 2024 PROGRAM BONDS, (I) PAYMENTS OF PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE 2024 PROGRAM BONDS, (II) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTEREST IN 2024 PROGRAM BONDS OR (III) NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE HOLDER OF THE 2024 PROGRAM BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN APPENDIX VI TO THIS OFFICIAL STATEMENT. NEITHER THE AUTHORITY, THE TRUSTEE NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DIRECT PARTICIPANTS, ANY PERSON CLAIMING A BENEFICIAL OWNERSHIP INTEREST IN THE 2024 PROGRAM BONDS UNDER OR THROUGH DTC OR ANY DIRECT PARTICIPANT, OR ANY OTHER PERSON WHICH IS NOT SHOWN ON THE BOND REGISTER OF THE AUTHORITY KEPT BY THE TRUSTEE AS BEING A 2024 PROGRAM BONDHOLDER.

NEITHER THE AUTHORITY, THE TRUSTEE NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION, EITHER SINGULARLY OR JOINTLY, TO DTC PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DTC PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2024 PROGRAM BONDS UNDER THE RESOLUTION; (III) THE SELECTION BY DTC OR ANY DTC PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2024 PROGRAM BONDS; (IV) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY,

OR INTEREST DUE WITH RESPECT TO THE 2024 PROGRAM BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF 2024 PROGRAM BONDS; OR (VI) ANY OTHER MATTER.

SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF ALL OF THE 2024 PROGRAM BONDS, REFERENCES HEREIN TO THE OWNERS, HOLDERS, OR REGISTERED OWNERS OF THE 2024 PROGRAM BONDS (OTHER THAN UNDER THE CAPTIONS “TAX MATTERS” AND “CONTINUING DISCLOSURE” HEREIN) SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE 2024 PROGRAM BONDS.

In the event that the 2024 Program Bonds are no longer subject to the book-entry only system, the Authority shall immediately advise the Trustee in writing of the procedures for transfer of such 2024 Program Bonds from such book-entry only form to a fully registered form. Thereafter, bond certificates will be printed and delivered as described in the Resolution and Beneficial Owners will become the registered owners of the 2024 Program Bonds.

SOURCES OF PAYMENT AND SECURITY FOR THE 2024 PROGRAM BONDS

Property Pledged to the 2024 Program Bonds; the State Contract; the Act; the Resolution

The 2024 Program Bonds are payable and secured under the Resolution on parity with the Prior Program Bonds and all other Bonds to be issued from time to time thereunder. All Bonds issued under the Resolution are special obligations of the Authority payable solely from the property pledged to their payment as hereinafter described. Pursuant to the Resolution, all of such property is pledged and assigned as security for the payment of the principal of and interest on the Bonds as well as (i) the Authority’s reimbursement obligations or scheduled swap payments with respect to any Financing Facility (which include Swap Agreements and reimbursement agreements for credit facilities) which it may obtain in connection with the issuance of any Series of Bonds and (ii) any Subordinated Debt which may be issued under the Resolution. Currently, there is no Subordinated Debt or Financing Facilities outstanding under the Resolution. The Resolution provides that all Pledged Property shall immediately become subject to the lien of said pledge without any physical delivery thereof or further act, and that such lien shall be valid and binding against all persons having claims of any kind in tort, contract or otherwise against the Authority. See APPENDIX II — “COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION — Section 501 – The Pledge Effected by the Resolution” herein.

Pursuant to the Resolution, the “Pledged Property” consists of:

(i) with respect to the Bond Payment Obligations and, to the extent provided in any Supplemental Resolution or Series Certificate authorizing a Series of Bonds which is to be secured, in whole or in part, by, or payable, in whole or in part, from, a Financing Facility, the applicable Financing Facility Payment Obligations, the State Contract, the Revenues and Funds, other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund, including Investment Securities held in any such Fund under the Resolution, together with all proceeds and revenues of the foregoing and all of the Authority’s right, title and interest in and to the foregoing, and all other moneys, securities or funds pledged for the payment of the Bonds in accordance with the terms and provisions of the Resolution,

(ii) with respect to any Series of Bonds in connection with which the Authority has obtained a Financing Facility, and to the extent provided in the applicable Supplemental Resolution or Series Certificate, the applicable Financing Facility and Financing Facility Revenues and all moneys from time to time held in any applicable subaccount within the Program Debt Service Fund, and

(iii) with respect to any Subordinated Debt, the amounts, if any, on deposit from time to time in the Program Subordinated Debt Fund and available for such payment.

Under the Resolution, “Revenues” means: (i) all amounts appropriated and paid to the Authority from the State Transportation Trust Fund Account - Subaccount for Debt Service for Transportation Program Bonds in the State General Fund pursuant to the Act, (ii) all amounts appropriated and paid to the Authority by the State Treasurer pursuant to the State Contract, (iii) all Swap Revenues, and (iv) interest received or to be received on any moneys or securities held pursuant to the Resolution and paid or required to be paid into the Transportation Program Improvement Fund – Non Proceeds Account; provided, however, that the term “Revenues” does not include Financing Facility Revenues, which are all amounts received by the Authority or the Trustee pursuant to any Financing Facility, or “Revenues” as defined in any other resolution of the Authority. “Funds” constituting the Pledged Property are any Funds established pursuant to the Resolution, including any moneys or Investment Securities held therein, other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund.

Pursuant to the Act, the Authority, the State Treasurer and the Commissioner entered into the State Contract. The State Contract implements the financing and funding arrangements contemplated by the Act with respect to the Authority’s Transportation Program Bonds. See APPENDIX III — “COPY OF THE STATE CONTRACT” herein.

All payments by the State to the Authority are subject to and dependent upon appropriations being made from time to time by the State Legislature for the purposes of the Act. See APPENDIX I attached hereto for a summary of certain financial and other information relating to the State. The State Legislature has always made appropriations in previous Fiscal Years in amounts sufficient to pay debt service on the Bonds, the Prior Bonds and all other obligations of the Authority issued under the Resolution or the Prior Bond Resolution. However, the State Contract does not legally obligate the State Legislature to appropriate moneys sufficient to pay amounts when due on the 2024 Program Bonds or otherwise due under the State Contract. Thus, although the Resolution provides for the remedy of specific performance to require the Authority to perform its covenants in the Resolution (including its covenants relating to the State Contract), there are no remedies available to the Bondholders in the event that the State Legislature does not appropriate sufficient funds to make payments when due under the State Contract.

Event of Non-Appropriation

An “Event of Non-Appropriation” shall be deemed to have occurred under the Resolution if the State Legislature shall fail to appropriate funds to the Authority for any Fiscal Year in an amount sufficient to pay when due the Authority’s Bond Payment Obligations and Financing Facility Payment Obligations coming due in such Fiscal Year.

The Resolution provides that, notwithstanding anything contained therein to the contrary, a failure by the Authority to pay when due any Bond Payment Obligations, Swap Payment Obligations or Financing Facility Payment Obligations required to be made under the Resolution or the Bonds, or a failure by the Authority to observe and perform any covenant, condition or agreement on its part to be observed or performed under the Resolution or the Bonds, resulting from the occurrence of an Event of Non-Appropriation shall not constitute an Event of Default under the Resolution.

Upon the occurrence of an Event of Non-Appropriation (or the failure by the Authority to pay the principal or Redemption Price of and interest on any Series of Bonds or notes resulting from such Event of Non-Appropriation), the Trustee on behalf of the Holders of the applicable Series of Bonds or notes has no remedies. The Trustee may not accelerate Bonds or notes. The Authority has no obligation to pay any Bond

Payment Obligations or Financing Facility Payment Obligations with respect to which an Event of Non-Appropriation has occurred. However, the Authority would remain obligated to pay such Bond Payment Obligations and Financing Facility Payment Obligations, with interest thereon at the rate in effect with respect to the applicable Series of Bonds or notes, and all future Bond Payment Obligations and Financing Facility Payment Obligations, to the extent State appropriations are subsequently made for such purposes.

If an Event of Non-Appropriation shall occur and be continuing, and provided that there shall not have occurred and then be continuing any Event of Default, the Trustee shall apply the Pledged Property, including all moneys, securities, funds and Revenues received by the Trustee pursuant to any right given or action taken under the provisions of the Resolution, together with all Funds held by the Trustee under the Resolution (other than the Program Rebate Fund and the Proceeds Account of the Transportation Program Improvement Fund), as follows and in the following order of priority:

- (i) to the payment of the reasonable and proper fees (including reasonable attorney's fees), charges, expenses and liabilities of the Fiduciaries;
- (ii) to the payment of the interest and principal or Redemption Price then due on the Bonds and Financing Facility Payment Obligations, as follows:

First: To the payment of interest then due on the Bonds and Parity Financing Facility Obligations in the order of the maturity of the installments thereof then due, and, if the amount available shall not be sufficient to pay in full any installment or installments of interest or Parity Financing Facility Obligations maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, without priority or preference of any Bond or Parity Financing Facility Obligation over any other;

Second: To the payment of the unpaid principal or Redemption Price of any Bonds and Parity Financing Facility Obligations which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all Bonds or Parity Financing Facility Obligations due on any date, then to the payment thereof ratably, according to the amounts due in respect of each Bond or Parity Financing Facility Obligation, without any priority or preference over any other; and

Third: To the payment to any Financing Facility Provider of any Subordinated Financing Facility Payment Obligation then due and, if the amounts available are insufficient to pay in full all Subordinated Financing Facility Payment Obligations, then to the payment thereof ratably, without preference or priority of any Subordinated Financing Facility Payment Obligation over any other.

Notwithstanding the foregoing, to the extent provided in the applicable Supplemental Resolution or Series Certificate, Financing Facility Revenues shall be applied to the payment of principal or Redemption Price of, and interest on, the Bonds to which such Financing Facility relate, and amounts which would otherwise be paid to the holders of such Bonds shall be paid to the applicable Financing Facility Provider.

Statutory Dedication of Certain State Revenues

The Act, as amended by Section 5 of the 2016 Legislation, provides that during each Fiscal Year in which the Authority has Bonds outstanding, the State Treasurer shall, to the extent appropriated by the State Legislature, credit to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, a portion of the revenues derived from the following as determined by the State Treasurer:

(a) an amount equivalent to all revenue derived from the collection of the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes (the “Motor Fuels Tax”), as provided in Article VIII, Section II, paragraph 4 of the State Constitution, plus

(b) an amount equivalent to the revenue derived from the tax imposed on the sale of petroleum products pursuant to L. 1990, c. 42 (C. 54:15B-1 et seq.), as provided in Article VIII, Section II, paragraph 4 of the State Constitution, plus

(c) an amount equivalent to the revenue derived from the tax imposed under the “Sales and Use Tax Act,” L. 1966, c. 30 (C. 54:32B-1 et seq.) on the sale of new motor vehicles, provided that such amount shall not be less than \$200,000,000 for any Fiscal Year, as provided in Article VIII, Section II, paragraph 4 of the State Constitution.

The Act further provides that, subject to appropriations being made from time to time by the State Legislature for the purposes of the Act, the State Treasurer shall pay to the Authority, no later than the fifth (5th) business day of the month following the month in which a credit has been made, the amounts credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, and further provided that the revenues deposited into the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds shall consist solely of revenues which are dedicated pursuant to the State Constitution, including Article VIII, Section II, paragraph 4, and paragraphs (a), (b) and (c) above.

In accordance with the Act, the Authority, the State Treasurer and the Commissioner entered into the State Contract, which provides for the payments of these revenues to the Authority, subject to appropriations being made by the State Legislature for the purposes of the Act. The State Contract further provides that in addition to all other amounts to be credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds, there shall be credited to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds in each Fiscal Year any additional amounts from the Sales and Use Tax necessary to secure and provide for the payment of the Transportation Program Bonds, notes or other obligations issued under the Resolution. See “SOURCES OF PAYMENT AND SECURITY FOR THE 2024 PROGRAM BONDS – Constitutional Dedication of Certain State Revenues” below and APPENDIX III – “COPY OF THE STATE CONTRACT” hereto.

Constitutional Dedication of Certain State Revenues

Assembly Concurrent Resolution No. 1 of 2015, which was passed by the State General Assembly and State Senate on January 11, 2016 and approved by the voters of the State in the November 2016 general election, amended Article VIII, Section II, paragraph 4 of the State Constitution to provide as follows:

There shall be credited to a special account in the General Fund the following:

A. for each Fiscal Year commencing on and after July 1, 2007 through the Fiscal Year commencing on July 1, 2015, an amount equivalent to the revenue derived from \$0.105 per gallon from the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes, and for each Fiscal Year thereafter, an amount equivalent to all revenue derived from the collection of the tax imposed on the sale of motor fuels pursuant to Chapter 39 of Title 54 of the Revised Statutes or any other subsequent law of similar effect;

B. for the Fiscal Year 2001 an amount not less than \$100,000,000 derived from the State revenues collected from the tax on the gross receipts of the sale of petroleum products imposed pursuant to L. 1990, c. 42 (C. 54:15B-1 et seq.), as amended and supplemented, or any other subsequent law of similar effect, for each Fiscal Year from Fiscal Year 2002 through Fiscal Year 2016 an amount not less than \$200,000,000 derived from those revenues, and for each Fiscal Year thereafter, an amount equivalent to all revenue derived from the collection of the tax on the gross receipts of the sale of petroleum products imposed pursuant to P.L.1990, c.42 (C.54:15B-1 et seq.) as amended and supplemented, or any other subsequent law of similar effect; and

C. for the Fiscal Year 2002 an amount not less than \$80,000,000 from the State revenue collected from the State tax imposed under the “Sales and Use Tax Act,” pursuant to L. 1966, c. 30 (C. 54:32B-1 et seq.), as amended and supplemented, or any other subsequent law of similar effect, for the Fiscal Year 2003 an amount not less than \$140,000,000 from those revenues, and for each Fiscal Year thereafter an amount not less than \$200,000,000 from those revenues; provided, however, the dedication and use of such revenues as provided in this paragraph shall be subject and subordinate to (i) all appropriations of revenues from such taxes made by laws enacted on or before December 7, 2006 in accordance with Article VIII, Section II, paragraph 3 of the State Constitution in order to provide the ways and means to pay the principal and interest on bonds of the State presently outstanding or authorized to be issued under such laws or (ii) any other use of those revenues enacted into law on or before December 7, 2006.

These amounts shall be appropriated from time to time by the State Legislature, only for the purposes of paying or financing the cost of planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of the transportation system in the State and it shall not be competent for the State Legislature to borrow, appropriate or use these amounts or any part thereof for any other purpose, under any pretense whatsoever. (Article VIII, Section II, paragraph 4 of the State Constitution).

The above provision of the State Constitution does not require that the constitutionally dedicated amounts be appropriated to the Authority and any such amounts not appropriated to the Authority can be used by the State to pay the costs of various transportation system related projects in the State, including the payment of debt service on any indebtedness issued to finance the costs of such projects. However, pursuant to the Act, any contract, such as the State Contract, providing for the payment of Transportation Program Bonds and securing such Transportation Program Bonds, shall provide that such payment shall be made solely from revenues dedicated pursuant to Article VIII, Section II, paragraph 4 of the State Constitution. Pursuant to the State Contract, the State Treasurer must, subject to appropriation by the State Legislature, credit to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds and pay to the Authority, a portion of an amount equivalent to the revenues derived from the dedicated amount of the Motor Fuels Tax and a portion of the dedicated amounts of the other taxes described in clauses B and C above.

For information about the amount of revenues derived from these constitutionally dedicated sources, see APPENDIX I - “FINANCIAL RESULTS AND ESTIMATES - Revenues.”

State Appropriations and Legislation

Although the State Legislature has always made appropriations to the Authority in each Fiscal Year in amounts sufficient to timely pay the debt service on all of the Authority’s outstanding indebtedness coming due in such Fiscal Year under the Resolution and the Prior Bond Resolution, the State Legislature, in several Fiscal Years, has made appropriations to the Authority which were less than the minimum amounts specified for such Fiscal Year in the “Second Amended and Restated Contract Implementing

Funding Provisions of the New Jersey Transportation Trust Fund Authority Act,” dated as of June 1, 2006 (as amended and restated by the “Third Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act”, dated as of December 4, 2012, as amended and restated by the “Fourth Amended and Restated Contract Implementing Funding Provisions of the New Jersey Transportation Trust Fund Authority Act,” dated as of October 3, 2018) with respect to Transportation System Bonds, by and among the Authority, the State Treasurer and the Commissioner.

For Fiscal Year 2025 which began on July 1, 2024, the State Legislature appropriated \$_____ to the Transportation Trust Fund Account – Subaccount for Debt Service for Transportation Program Bonds and \$_____ to the Transportation Trust Fund Account – Subaccount for Debt Service for Prior Bonds. The combined amount is expected to be sufficient to pay the debt service on all of the outstanding indebtedness under the Program Bond Resolution and under the Prior Bond Resolution coming due in such Fiscal Year.

There can be no assurance that, in the event the State experiences financial difficulty, or the adoption of the annual appropriations act is delayed or is subsequently amended, or for any other reason, the State Legislature will appropriate sufficient funds in the future to enable the Authority to timely pay the principal of or interest on the Outstanding Transportation Program Bonds of the Authority, including the 2024 Program Bonds. In addition, any appropriation is subject to the availability of funds. See APPENDIX I – “STATE FINANCES – Budget and Appropriation Process.”

As noted in Footnote 1 to the table under the heading “DEBT SERVICE SCHEDULE – PRIOR BONDS” herein, the debt service payable on the New Jersey Economic Development Authority’s Transportation Project Sublease Revenue and Revenue Refunding Bonds (New Jersey Transit Corporation Projects) 2017 Series, the New Jersey Economic Development Authority’s NJ Transit Transportation Project Bonds, 2020 Series A, and the New Jersey Economic Development Authority’s NJ Transit Transportation Project Bonds, 2022 Series A (Portal North Bridge Project) is also payable from funds appropriated to the Authority and the Transportation Trust Fund Account -- Subaccount for Capital Reserves.

Statutes concerning taxes, including the sales and use tax, motor fuels taxes and petroleum products gross receipts taxes, which are appropriated to pay principal of and interest on the Authority’s Bonds are subject to amendment or repeal by the State Legislature at any time.

Pursuant to N.J.S.A. 54:15B-3(a)(2)(a), the Petroleum Products Gross Receipts Tax is imposed on the gross receipts from the first sale of gasoline, blended fuel that contains gasoline or is intended for use as gasoline, liquefied petroleum gas and aviation fuel at a rate of 4.0 cents per gallon, which rate is fixed and is not subject to adjustment (the “Gasoline PPGR Tax”). Pursuant to N.J.S.A. 54:15B-3(a)(2)(b), the Petroleum Products Gross Receipts Tax is imposed on the gross receipts from the first sale of diesel fuel, blended fuel that contains diesel fuel or is intended for use as diesel fuel, and kerosene, other than aviation grade kerosene, at a rate of 4.0 cents per gallon, before July 1, 2017 (the “Original Diesel Fuel PPGR Tax,” and together with the Gasoline PPGR Tax, the “Original PPGR Tax”) and at a rate of 8.0 cents per gallon on and after July 1, 2017 (the “Diesel Fuel PPGR Tax”), which rate is fixed and is not subject to adjustment.

Chapter 57, which was adopted in October 2016 and amended N.J.S.A. 54:15B-1 et seq., was amended by the 2024 Legislation. Chapter 57 imposed a new separate tax on “highway fuel” (the “Highway Fuels PPGR Tax”), which became a component of the Petroleum Products Gross Receipts Tax, of 22.6 cents per gallon on gasoline and 22.7 cents per gallon on diesel fuel. For purposes of Chapter 57, “highway fuel” is defined to mean gasoline, blended fuel that contains gasoline or is intended for use as gasoline, liquefied petroleum gas, diesel fuel, blended fuel that contains diesel fuel or is intended for use as diesel fuel, and kerosene, other than aviation grade kerosene. Chapter 57 at the time of its original enactment in

October 2016 provided that, for Fiscal Year 2018 and each Fiscal Year thereafter through and including Fiscal Year 2026, the rate at which the Highway Fuels PPGR Tax is imposed is required to be adjusted annually so that total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax in each such Fiscal Year will not exceed a capped amount, as adjusted, determined in accordance with the provisions of Chapter 57 (the “Cap Amount”). In order to implement such annual adjustment of the Highway Fuels PPGR Tax rate, on or before August 15 of each Fiscal Year following Fiscal Year 2017, the State Treasurer and the Legislative Budget and Finance Officer were required to determine the total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected in the prior Fiscal Year (the “Prior Year Total Revenues”). On the basis of such Prior Year Total Revenues, and in consultation with the Legislative Budget and Finance Officer, the State Treasurer then determined the Highway Fuels PPGR Tax rate to be imposed in then current Fiscal Year which was expected to result in the total revenue derived by the State from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected in such current Fiscal Year being equal to the Cap Amount. Pursuant to Chapter 57, the Highway Fuels PPGR Tax rate so determined by the State Treasurer, in consultation with the Legislative Budget and Finance Officer, became effective on October 1 of the then current Fiscal Year, without the need for any further legislative action. Additionally, if the amount of the Prior Year Total Revenues for any prior Fiscal Year exceeded the Cap Amount for such prior Fiscal Year, the Cap Amount for the succeeding Fiscal Year would be decreased by the amount of such excess for the purposes of establishing the Highway Fuels PPGR Tax rate for such succeeding Fiscal Year. If the amount of the Prior Year Total Revenues for any prior Fiscal Year was less than the Cap Amount for such prior Fiscal Year, the Cap Amount for the succeeding Fiscal Year would be increased by the amount of such shortfall for the purposes of establishing the Highway Fuels PPGR Tax rate for such succeeding Fiscal Year.

On September 1, 2023, the State Treasurer announced that, as a result of a projected shortfall in revenues collected from the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax in Fiscal Year 2023, the Cap Amount for Fiscal Year 2024 would be \$1,961,000,000 and that the Highway Fuels PPGR Tax rate for Fiscal Year 2024 which became effective on October 1, 2023, would be 27.8 cents per gallon, an increase of 0.9 cents per gallon over the then current Fiscal Year 2023 rate.

The 2024 Legislation amended Chapter 57, by revising the Highway Fuels PPGR Tax by setting the Cap Amount for Fiscal Years 2025 to 2029 as follows:

- (a) for Fiscal Year 2025, \$2,032,000,000;
- (b) for Fiscal Year 2026, \$2,115,000,000;
- (c) for Fiscal Year 2027, \$2,199,000,000;
- (d) for Fiscal Year 2028, \$2,282,000,000; and
- (e) for Fiscal Year 2029, \$2,366,000,000.

Pursuant to the 2024 Legislation, for Fiscal Years 2025 to 2029, if the actual amount of the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected for a fiscal year is less than the Cap Amount for the fiscal year, the Highway Fuels PPGR Tax for the succeeding fiscal year shall be increased by the amount of the shortfall. Similarly, if the actual amount of the Motor Fuels Tax, the Original PPGR Tax and the Highway Fuels PPGR Tax collected for a fiscal year is greater than the Cap Amount for that fiscal year, the Highway Fuels PPGR Tax for the succeeding fiscal year shall be decreased by the amount of the excess collected.

The 2024 Legislation also amended Chapter 57 to revise the date to implement such annual adjustment of the Highway Fuels PPGR Tax rate, to on or before November 15 of each State Fiscal Year beginning in Fiscal Year 2025, and the Highway Fuels PPGR Tax rate so determined by the State Treasurer, in consultation with the Legislative Budget and Finance Officer, would become effective on

January 1 of the then current Fiscal Year, without the need for any further legislative action.

The following chart is a summary of the cents per gallon tax rate for the Motor Fuels Tax, the Gasoline PPGR Tax, the Diesel Fuel PPGR Tax and the Highway Fuels PPGR Tax as of October 1, 2023:

**Highway Fuel Tax Rates
(cents per gallon)
As of October 1, 2023**

<u>Tax Rate</u>	<u>Gasoline</u>	<u>Diesel Fuel</u>
Motor Fuels Tax	\$0.105	\$0.135
Petroleum Products Gross Receipts Tax (imposed pursuant to N.J.S.A. 54:15B-3(a)(2)(a) & (b))	0.040	0.078
Highway Fuels PPGR Tax	<u>0.278</u>	<u>0.278</u>
TOTAL:	\$0.423	\$0.491

The 2024 Legislation also created a new additional annual fee for zero emission vehicles to be credited to the Transportation Trust Fund Account – Subaccount for Capital Reserves. Pursuant to the 2024 Legislation, unless dedicated pursuant to the State Constitution, no portion of these revenues shall be appropriated to pay debt service on Transportation System Bonds, Transportation Program Bonds or any other bonds, notes or other obligations, including subordinated obligations of the Authority.

State General Taxing Power Not Pledged

Pursuant to the Act and the Resolution, the 2024 Program Bonds shall be special obligations of the Authority and shall not be in any way a debt or liability of the State or any political subdivision thereof (other than the Authority to the limited extent set forth in the Resolution) and shall not create or constitute any indebtedness, liability or obligation of the State or of any political subdivision thereof (other than the Authority to the limited extent set forth in the Resolution) or be or constitute a pledge of the faith and credit of the State or of any political subdivision thereof. The Authority has no taxing power. All bonds, notes or other obligations of the Authority issued under the Resolution, unless funded or refunded by bonds, notes or other obligations of the Authority, shall be payable solely from the Pledged Property under the Resolution.

Flow of Funds

Pursuant to the Resolution, all Revenues are required to be promptly deposited by the Authority as received into the Non Proceeds Account of the Transportation Program Improvement Fund. The Authority is required to pay, transfer or credit to the Trustee, for deposit in the following Funds and Accounts, on the following dates and in the following order of priority the amounts set forth below, but only to the extent the amount in the Non Proceeds Account of the Transportation Program Improvement Fund shall be sufficient therefor:

(1) On or before each Payment Date with respect to each Series of Bonds, for deposit in the Program Debt Service Fund, the amount, if any, required so that the balance in said Fund shall equal the amount of Debt Service on all Series of Bonds coming due on such Payment Date.

(2) On or before the due dates thereof, for deposit in the Program Debt Service Fund, the amount of any Financing Facility Payment Obligations.

(3) On or before the due dates thereof, and subject and subordinate at all times to the payments, credits or transfers required as described in paragraphs 1 and 2 above, for deposit in the Program Subordinated Debt Fund, the amount of any principal, prepayment or Redemption Price, interest or other amounts payable in connection with any Subordinated Debt, including swap termination payments, if any.

Certain Covenants of the State and the Authority

Pursuant to the Act, the State has covenanted (i) that it will not limit or alter the rights or powers of the Authority in any way that would jeopardize the interests of the holders of the bonds, notes or other obligations of the Authority, (ii) that it will not inhibit or prevent performance or fulfillment by the Authority of the terms of any agreements made with the holders of the bonds, notes or other obligations of the Authority, and (iii) that it will not prevent the Authority from obtaining sufficient revenues which, together with other available funds, shall be sufficient to meet all expenses of the Authority and fulfill the terms of any agreement made with the holders of the bonds, notes or other obligations of the Authority, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses in connection with any action or proceeding by or on behalf of the holders of the bonds, notes or other obligations of the Authority, until the bonds, notes or other obligations of the Authority, together with interest thereon, are fully met and discharged or provided for. However, the Act further provides that the failure of the State to appropriate moneys for any purpose of the Act shall not be deemed or construed to be a violation of these covenants.

Under the Resolution, the Authority has covenanted with the Bondholders that it will collect and forthwith cause to be deposited with a Depository in the Non Proceeds Account of the Transportation Program Improvement Fund all amounts, if any, payable to it pursuant to the State Contract and that it will not consent or agree to or permit any amendment, change or modification to the State Contract which would reduce the amounts payable to the Authority or extend the times when such payments are to be made thereunder. In addition, the Resolution provides that the Trustee, as the assignee of the Authority, shall enforce the provisions of the State Contract and agreements thereunder. The Authority has also covenanted to pay, but solely from the Pledged Property, the Debt Service coming due on the Bonds in each year in which Bonds issued by the Authority are outstanding.

Refunding Bonds

One or more series of Refunding Bonds may be issued at any time, in accordance with the requirements of the Act, to refund any or all Outstanding Bonds. Such Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make the deposits in the Funds and Accounts under the Resolution required by the provisions of the Supplemental Resolution authorizing such Refunding Bonds. The Act provides that no Refunding Bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal of and interest on the refunding bonds is less than the present value of the aggregate principal of and interest on the outstanding bonds to be refinanced, with present value to be computed using a discount rate equal to the yield of those Refunding Bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers

of those Refunding Bonds. Any decision by the Authority to issue Refunding Bonds must be approved by the JBOC of the State Legislature. JBOC approved the issuance of the 2024 Program Bonds on [_____, 2024]. In accordance with the Act, the present value of the aggregate principal amount of and interest on the Outstanding Bonds to be refinanced will be determined with respect to the 2024 System Bonds and the 2024 Program Bonds in the aggregate.

See “STATUTORY DEBT ISSUANCE LIMITATIONS” herein and APPENDIX II — “COPY OF THE 2012 TRANSPORTATION PROGRAM BOND RESOLUTION.”

Prior Bonds

As of _____, 2024, the Authority had outstanding \$_____ in aggregate principal amount of its Prior Bonds issued under the Prior Bond Resolution. All Prior Bonds are payable from the Constitutionally Dedicated Revenues, which are also the source of payment for the Transportation Program Bonds, as well as certain statutorily dedicated revenues which may not be used to pay debt service on Transportation Program Bonds.

Amendments to the Resolution

Pursuant to the Program Bond Resolution, any modification or amendment of the Resolution and of the rights and obligations of the Authority and of the Holders of the Bonds thereunder, in any particular, may be made by a Supplemental Resolution with the written consent of (a) the Holders of at least a majority in principal amount of the Bonds Outstanding at the time such consent is given who are affected by the proposed modification or amendment; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds and (b) any Financing Facility Provider the consent of which is required by the applicable Financing Facility. For the purpose of this provision, a Series shall be deemed to be affected by a modification or amendment of the Resolution if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. In the case of amendments or modifications to the Resolution which are to take effect simultaneously with the issuance or remarketing of Bonds of one or more Series and which amendments or modifications are disclosed in the official statement or other offering document for such Series, purchasers of such Bonds shall be deemed to have consented to such amendments or modifications by virtue of their having purchased such Bonds and the written consents of such purchasers shall not be required. In addition, brokers, dealers and municipal securities dealers that purchase Bonds with a view to distribution may vote the Bonds which they purchase if, and only if, the official statements or other offering documents for all existing Bonds at the time Outstanding under the Resolution expressly disclosed that brokers, dealers and municipal securities dealers that purchase Bonds with a view to distribution may vote the Bonds which they purchase.

Notwithstanding the foregoing, no modification or amendment of the Resolution shall permit a change in the terms of redemption (including sinking fund installment) or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto, or shall permit a change in the terms of redemption or prepayment of any Subordinated Debt or the payment of interest thereon or any other amount payable in connection therewith without the consent of the holder of such Subordinated Debt.

STATUTORY DEBT ISSUANCE LIMITATIONS

Transportation Program Bonds – New Money Bonds

The Act, as amended by the 2016 Legislation, authorized the issuance of new money Transportation Program Bonds during the period that commenced on the day that Assembly Concurrent Resolution No. 1 of 2015, a constitutional amendment to Article VIII, Section II, paragraph 4 of the State Constitution, took effect (December 8, 2016 and ending June 30, 2024), in an amount not in excess of \$12,000,000,000. The 2024 Legislation amended the 2016 Legislation by increasing the existing authorization for new money Transportation Program Bonds, to an amount not to exceed \$15,600,000,000 through June 30, 2029. Any premiums received in connection with the issuance of Transportation Program Bonds during such period (whether for new money purposes or for refunding purposes) shall count against any limitation as to the amount of new money Transportation Program Bonds the Authority may issue during such period. Upon the issuance of the 2024 Program Bonds, \$_____ of that \$15,600,000,000 authorization will have been utilized by the Authority.

Refunding Bonds

The issuance by the Authority of bonds, notes or other obligations, including subordinated obligations, for refunding purposes is not subject to the limitations described in the preceding paragraph, except that, any premiums received in connection with the issuance of Transportation Program Bonds issued for refunding purposes shall count against the limitations described in the preceding paragraph with respect to the issuance of Transportation Program Bonds for new money purposes.

The Act provides that no refunding bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the Outstanding Bonds to be refinanced, with present value computed using a discount rate equal to the yield of those refunding bonds, and yield computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those refunding bonds. The Act further provides that upon the decision by the Authority to issue refunding bonds, and prior to the sale of those refunding bonds, the Authority shall transmit to JBOC a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the Authority relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the Authority to issue and sell the refunding bonds at public or private sale and the reasons therefor. In accordance with the Act, the present value of the aggregate principal amount of and interest on the Outstanding Bonds to be refinanced will be determined with respect to the 2024 System Bonds and the 2024 Program Bonds in the aggregate.

Prior Bonds – New Money Bonds

As of the date hereof, there is no remaining unused statutory debt cap under the Act, as amended by L. 2006, c. 3, for the Prior Bonds (except for a nominal amount representing the amount thereof in excess of the nearest integral multiple of \$5,000). Accordingly, under the Act, only refunding bonds may be issued under the Prior Bond Resolution.

Prior Bonds – Refunding Bonds

The Act provides that no refunding bonds shall be issued unless the Authority shall first determine that the present value of the aggregate principal amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the outstanding bonds to be

refinanced, with present value computed using a discount rate equal to the yield of those refunding bonds, and yield computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the Authority by the initial purchasers of those refunding bonds. The Act further provides that upon the decision by the Authority to issue refunding bonds, and prior to the sale of those refunding bonds, the Authority shall transmit to JBOC a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the Authority relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the Authority to issue and sell the refunding bonds at public or private sale and the reasons therefor.

PLAN OF FINANCE

The 2024 Program Bonds are being issued for the purposes of (i) paying the purchase price of certain outstanding Transportation Program Bonds of the Authority which have been tendered for purchase by the Authority pursuant to the Invitation (see “APPENDIX VII-LIST OF BONDS TO BE PURCHASED”), (ii) refunding the Bonds to be Refunded (see “APPENDIX VIII – LIST OF BONDS TO BE REFUNDED”) and (iii) paying the costs of issuance of the 2024 Program Bonds and the costs of the Invitation (as defined herein).

On _____, 2024, the Authority released an Invitation to Tender Bonds (the “Invitation”), inviting the beneficial owners of the Authority’s Outstanding Bonds (as defined in the Invitation) of certain Series and maturities identified in the Invitation (the “Target Bonds”) to tender their Target Bonds for purchase by the Authority on the terms and conditions set forth in the Invitation (the “Tender Offer”). Pursuant to the Invitation, the owners of the Target Bonds may tender their Target Bonds and, subject to the conditions set forth in the Invitation, the Authority expects to purchase some or all of the tendered Target Bonds for cash at the purchase prices and on the other terms and conditions set forth in the Invitation. The tendered Target Bonds to be purchased by the Authority (which constitute the “Bonds to be Purchased” for purposes of this Official Statement and are more fully described in APPENDIX VII to this Official Statement) will be cancelled on the date of issuance and delivery of the 2024 Program Bonds and will no longer be Outstanding under the Resolution. The proceeds of the 2024 Program Bonds will be used by the Authority for (i) paying the purchase prices of the Bonds to be Purchased (ii) the refunding of the Bonds to be Refunded, and (iii) paying the costs of issuance of the 2024 Program Bonds and the costs of the Invitation. See “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Target Bonds will be tendered to the Authority under the terms of the Invitation with the assistance of BofA Securities, Inc. (“BofA Securities”), in its capacity as the Dealer Manager of the Tender Offer. BofA Securities will be reimbursed for any expenses it incurs as the Dealer Manager of the Tender Offer. BofA Securities is also the Underwriter of the 2024 Program Bonds. See “UNDERWRITING” herein.

The above discussion is not intended to summarize the terms of the Invitation, or to solicit offers to tender Target Bonds, and reference is made to the Invitation for a complete discussion of the terms of the Invitation and the conditions for the settlement of the Target Bonds validly tendered and accepted for purchase. The Authority has filed the Invitation with the Municipal Securities Rulemaking Board (“MSRB”) through its Electronic Municipal Market Access service (“EMMA”).

Concurrently with the issuance and delivery of the 2024 Program Bonds, the Authority and U.S. Bank Trust Company, National Association, as escrow agent (in such capacity, the “Escrow Agent”), will enter into an escrow deposit agreement (the “Escrow Deposit Agreement”). Pursuant to the Escrow Deposit Agreement, on the delivery date of the 2024 Program Bonds, proceeds of the 2024 Program Bonds will be deposited with the Escrow Agent and invested in certain “Defeasance Securities” (as such term is defined

in the Resolution), the principal of and interest on which, when due, has been calculated to be sufficient to pay (1) the interest coming due on the Bonds to be Refunded to their respective maturity or redemption dates and (2) the principal or Redemption Price of the Bonds to be Refunded on their respective maturity or redemption dates.

Upon the deposit of proceeds of the 2024 Program Bonds pursuant to the Escrow Deposit Agreement and the investment in Defeasance Securities as provided therein, the Bonds to be Refunded shall no longer be deemed to be Outstanding under the Resolution.

THE NEW JERSEY TRANSPORTATION TRUST FUND AUTHORITY

Legal Authority and Responsibilities

The Authority is a public body corporate and politic, with corporate succession, constituted as an instrumentality of the State organized and existing under and pursuant to the Act. For the purpose of complying with Article V, Section IV, paragraph 1 of the State Constitution, the Authority is allocated within, but is independent of any supervision or control by, the Department. The purpose of the Authority is to provide the payment for and financing of all or a portion of the costs incurred by the Department for the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of the State's transportation system, including, without limitation, (i) the State's share (which may include State advances with respect to any Federal share) under Federal aid highway laws of the costs of planning, acquisition, engineering, construction, reconstruction, repair, resurfacing and rehabilitation of public highways, (ii) the State's share (which may include State advances with respect to any Federal share) of the costs of planning, acquisition, engineering, construction, reconstruction, repair, permitted maintenance and rehabilitation of public transportation projects and other transportation projects in the State, and (iii) State aid to counties and municipalities for transportation projects (collectively, the "State Transportation System Costs").

Under the Act, the Commissioner is also authorized to enter into agreements with public or private entities for the loan of federal funds appropriated to the Department for the purpose of financing all, or a portion of, the costs incurred for the planning, acquisition, engineering, construction, reconstruction, repair and rehabilitation of a transportation project by that public or private entity.

Pursuant to the Act, the Commissioner may from time to time (but not more frequently than monthly) certify to the Authority an amount necessary to fund payments made, or anticipated to be made, by or on behalf of the Department from legislative appropriations to the Department of Authority funds. Under the Act, the Authority is obligated to provide such amount from its revenues or other funds, including proceeds of Bonds. The Act directs the Authority, within fifteen (15) days of receipt of the Commissioner's certificate, to transfer funds to the State Treasurer for deposit in a special fund maintained by the State Treasurer (the "Special Transportation Fund") in an amount equal to the amount so certified by the Commissioner. Expenditures from the Special Transportation Fund may be made on behalf of the Department only pursuant to project-specific legislative appropriations. The Department currently provides such certificates on a monthly basis, when cash is necessary for disbursements for transportation system improvements, to attempt to minimize the amounts maintained in the Special Transportation Fund. The Special Transportation Fund is not pledged as security for obligations issued by the Authority under the Resolution.

Membership and Officers of the Authority

The Act provides that the Authority shall consist of seven members as follows: the Commissioner and the State Treasurer, who are members ex-officio, and five public members. Three of the public members are appointed by the Governor of the State (the "Governor"), with the advice and consent of the State Senate, one of whom must represent the interests of trade unions that work on the construction of public highways and another of whom must represent the interests of owners of firms that are eligible to submit bids for the construction of public highways. The two remaining public members also are appointed by the Governor, one upon the recommendation of the President of the State Senate and the other upon the recommendation of the Speaker of the State General Assembly. The public members serve a four-year term; provided, however, that the public member appointed by the Governor upon recommendation of the Speaker of the State General Assembly serves a two-year term. Each public member holds office for the term of the member's appointment and until a successor has been appointed and qualified. A member shall

be eligible for reappointment. No more than four members of the Authority may be of the same political party. All members of the Authority serve without compensation but may be reimbursed for their actual expenses necessarily incurred in the discharge of their official duties.

The Act provides that the Commissioner shall serve as Chairperson of the Authority and that the members of the Authority annually shall elect one of their members as Vice Chairperson. The members of the Authority also elect a secretary and a treasurer who need not be members of the Authority, and the same person may be elected to serve as both secretary and treasurer.

The present members of the Authority are:

Francis K. O'Connor: *ex-officio*, Chairperson; Acting Commissioner of the New Jersey Department of Transportation.

Elizabeth Maher Muoio: *ex-officio*; Treasurer of the State of New Jersey.

Greg Lavee: Vice Chairperson; Statutory Representative of Interest of Trade Unions; Public Member.

Robert A. Briant, Jr.: Chief Executive Officer of the Utility and Transportation Contractors Association; Statutory Representative of Interest of Firm Owners; Public Member.

Nelson Ferreira: President & Chief Executive Officer of Ferreira Construction Company, Inc., Statutory Representative of a Transportation Firm; Public Member.

Jack Kocsis, Jr.: Chief Executive Officer of the Associated Construction Contractors of New Jersey; Public Member.

Khalid Anjum: Chief Innovation Officer of Middlesex County, New Jersey; Public Member.

The officers of the Authority are:

Charles Maciejunes: Executive Director; Chief Financial Officer, New Jersey Department of Transportation.

Raquel Rangel: Secretary; Division of Budget, New Jersey Department of Transportation.

Kimberly Minter: Assistant Secretary; Division of Budget, New Jersey Department of Transportation.

Powers of the Authority

Under the terms of the Act, the powers of the Authority are vested in the members thereof in office and four members of the Authority shall constitute a quorum at any meeting thereof. No vacancy in the

membership of the Authority shall impair the right of a quorum of the members to exercise all the powers and perform all the duties of the Authority. Action may be taken and motions adopted by the Authority at any meeting thereof by the affirmative vote of at least four members of the Authority. No action taken by the Authority at any meeting shall have force or effect until fifteen (15) days after a true copy of the minutes of such meeting has been delivered by and under the certification of the secretary of the Authority to the Governor, unless during such fifteen (15) day period the Governor (i) vetoes such action, in which case such action shall not become effective, or (ii) approves in writing the same or any part thereof, in which case the action becomes effective upon such approval.

In addition to the power to enter into the contracts with the State described under the heading “SOURCES OF PAYMENT AND SECURITY FOR THE 2024 PROGRAM BONDS — Property Pledged to the 2024 Program Bonds; the State Contract; the Act; the Resolution” herein, the Authority has (among others) the following powers:

(i) to borrow money and issue its bonds, notes and other obligations and to secure the same by its revenues and other funds and to otherwise provide for and secure the payment thereof, and to provide for the refunding thereof;

(ii) to issue subordinated indebtedness and to enter into revolving credit agreements, lines of credit, letters of credit, reimbursement agreements, interest rate exchange agreements, insurance contracts, surety bonds, bond purchase agreements and other security agreements;

(iii) subject to any agreements with holders of its bonds, notes or other obligations, to invest any moneys not required for immediate use, including proceeds from the sale of bonds, notes or other obligations, at the discretion of the Authority, in such obligations, securities and other investments as the Authority shall deem prudent;

(iv) in its own name, or in the name of the State or, in the name of New Jersey Transit Corporation (“NJ Transit”), to apply for and receive and accept appropriations or grants of property, money, services or reimbursements for money previously spent and other assistance made available to it by or from any person, government agency, public authority or any public or private entity whatever for any lawful corporate purpose of the Authority;

(v) subject to any agreement with holders of its bonds, notes or other obligations, to purchase bonds, notes or other obligations of the Authority out of any funds or moneys of the Authority available therefor, and to hold, cancel or resell the bonds, notes or other obligations; and

(vi) to acquire, lease as lessee or lessor, hold and dispose of real and personal property or any interest therein in the exercise of its powers and the performance of its duties under the Act.

No resolution or other action of the Authority providing for the issuance of the bonds, refunding bonds or other obligations shall be adopted by the Authority, or otherwise made effective, without prior written approval of the Governor and the State Treasurer. Any decision by the Authority to issue refunding bonds must be approved by JBOC.

THE TRANSPORTATION SYSTEM IMPROVEMENTS

The transportation system (which includes but is not limited to, highways, roads, bridges, public transit facilities, pedestrian and bicycle trails, railroad rights-of-way, airports and intermodal facilities) of the State is among the most heavily used in the United States. The Department is implementing transportation system improvements which are expected to enable the State to construct, modernize,

reconstruct, rehabilitate and maintain a safe, balanced, sound and efficient transportation system necessary for the well-being of the State's citizens. The State's commitment to the payment for and the financing of the transportation system improvements in a stable fashion is intended to ensure a predictable and continuing public investment in the State's transportation system.

Pursuant to the Act, the transportation system improvements encompass the planning, acquisition, engineering, construction, reconstruction, repair, capital maintenance assistance, maintenance, operations, resurfacing and rehabilitation and improvement of, and acquisition of easements and rights-of-way with respect to, the transportation system, and any equipment, facility or property useful and related to the provision of any ground, waterborne or air transportation for the movement of people and goods. The transportation system improvements also include State aid to counties and municipalities for local transportation system improvements.

Improvements undertaken by the Department are to be funded primarily by a combination of Federal moneys, Authority funds and funds from the Port Authority of New York and New Jersey and from the New Jersey Turnpike Authority. Pursuant to legislative directive, the Authority is responsible for funding that portion of the State's share of these improvements which are not provided by other sources. Pursuant to the Act, the Authority is required to minimize debt incurrence by first relying on appropriations and other revenues available to the Authority before incurring debt to meet its statutory purposes.

THE NEW JERSEY DEPARTMENT OF TRANSPORTATION

The State Transportation System

New Jersey's transportation system consists of approximately 2,330 center line miles of state highways maintained by the Department, 35,906 center line miles maintained by independent state toll road authorities, county governments and municipal governments, and 545 center line miles maintained by other private and public entities. Approximately 6,805 bridges are located throughout the State, of which 2,590 are owned by the Department, 108 are maintained by NJ Transit, 1,326 are owned by independent state toll road authorities, 2,701 are owned by counties and municipalities and the remainder are owned by other private and public entities.

The State's transportation system also consists of commuter rail, light rail, and bus lines in the State, which are principally operated by NJ Transit. Covering a service area of 5,325 square miles, NJ Transit is one of the nation's largest providers of bus, rail and light rail transit, linking major points in New Jersey, New York and Philadelphia. NJ Transit operates a fleet of over 2,259 buses, 1,291 locomotives and rail cars, and 20 light rail cars. NJ Transit also provides more than 539 buses for local and community service. Riders took over 198 million unlinked trips in Fiscal Year 2023 on 263 bus routes, 12 heavy rail lines, and three light rail lines.

NJ Transit also provides connections to other transit systems. At New York's Penn Station, connections are available from NJ Transit lines to Amtrak, the Long Island Railroad and the New York City subway lines. In Trenton, riders can transfer to Southeastern Pennsylvania Transportation Authority ("SEPTA") and Amtrak trains. Hoboken Terminal and Newark Penn Station are transfer points to the Port Authority Trans-Hudson ("PATH") trains to Jersey City and New York City. At Lindenwold in Camden County, the Atlantic City Rail Line operated by NJ Transit connects with New Jersey-Pennsylvania Port Authority Transportation Company ("PATCO") rapid transit services to Camden and Philadelphia and with Amtrak trains.

Organization

The State has an integrated approach to all transportation needs. The Department's responsibilities have steadily changed since its establishment in 1966, with emphasis shifting from primarily highway-related programs to a balanced concern for highways and the preservation and improvement of rail and bus transportation. The Department is responsible for the maintenance and improvement of all State highways and bridges, the provision of assistance to counties and municipalities and the overall planning and coordination of the State's transportation system. The Department also reviews the operations of NJ Transit. Although NJ Transit is self-regulating as to fares and levels of service which it operates or supports, with the exception of interstate bus service, the Department retains certain regulatory control over safety and maintenance. The Department's mission is to provide for the movement of people and goods with a commitment to safety, excellence, efficiency, the environment and its customers-the citizens of the State.

The Department is headed by a Commissioner appointed by and directly responsible to the Governor for fulfilling the purposes and supervising the activities of the Department. The Commissioner is responsible for all policies and directives of the Department and serves as Chairperson of the Authority and of NJ Transit. A Deputy Commissioner, a Chief of Staff, and several Assistant Commissioners assist the Commissioner in managing the Department.

The Deputy Commissioner is responsible for the day-to-day operations of the Department, enabling the Commissioner to better balance his or her time in his or her roles as Chief Executive Officer of the Department, Chairperson of the Authority and of NJ Transit, and an *ex-officio* member of each of the State transportation authorities.

The Chief of Staff is responsible for legislative relations, communications, and customer advocacy.

The Assistant Commissioner of Administration is responsible for planning and implementation of human resource strategy, plan facilities and support services.

The Chief Financial Officer's areas of responsibility include budget, accounting and external auditing, information systems and procurement. The Chief Financial Officer provides general oversight of the Department's financial affairs, ensures that financial transactions are in compliance with State and Federal regulations and implements sound financial management principles. In addition, as the Chief Financial Officer, acts as Executive Director of the Authority.

The Assistant Commissioner for Local Resources and Community Development is responsible for local aid, economic development, environmental resources, grant administration, aeronautics, major access, outdoor advertising and concept development.

The Assistant Commissioner of Statewide Planning, Safety and Capital Investment is responsible for capital investment program coordination, statewide planning and highway safety. This area is responsible for the development of the Statewide Transportation Capital Investment Strategy, the Annual Capital Program and the Statewide Transportation Improvement Program.

The Assistant Commissioner for Capital Program Management ("CPM") is responsible for the development and delivery of the Department's annual Capital Program to ensure that program objectives, project commitments and schedules are met. CPM is comprised of seven divisions: Construction Services and Materials, Project Management, Right of Way and Access Management, Capital Program Support, Highway and Traffic Design, and Bridge Engineering and Infrastructure Management and Maritime Resources. This includes oversight of all aspects of: project management, environmental services, property acquisition, design, quality assurance, and construction management for all active projects. CPM is also

responsible for a number of other engineering functions that are ancillary to the delivery of the Capital Program including: pavement management, the “Good Neighbor” landscaping program, railroad grade crossing safety programs, the Wireless Communications License Program, and statewide compliance with National Bridge Inspection Standards.

The Assistant Commissioner of Operations is responsible for maintenance and operation of the State highway system, including snow and ice removal, emergency patrols, intelligent transportation systems and the equipment fleet and regional maintenance yards. The Assistant Commissioner is also responsible for the Department’s physical plant facilities.

NJ Transit maintains its own financial management and accounting systems, in accordance with its statutory powers and in conformity with general State practices and Federal requirements. As a general practice, NJ Transit draws funds appropriated by the State on a periodic basis and administers its own investments and disbursements. NJ Transit’s finances are audited annually by an independent auditor and are reported to the State Legislature.

LEGALITY FOR INVESTMENT

The Act provides that the State and all public officers, governmental units and agencies thereof, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds or notes issued pursuant to the Act, and such bonds or notes shall be authorized security for any and all public deposits.

LITIGATION

There is no litigation of any nature now pending, or, to the knowledge of the Authority, threatened, restraining or enjoining the issuance, sale, execution or delivery of the 2024 Program Bonds, or the contemplated uses of the proceeds of the 2024 Program Bonds, or in any way contesting or affecting the validity of the 2024 Program Bonds, the State Contract, the Act or any proceedings of the Authority or the State taken with respect to the issuance, sale, execution or delivery thereof, or the pledge or application of any moneys or security provided for the payment of the 2024 Program Bonds or the existence or powers of the Authority or the State Contract or the title of any officers or members of the Authority to their respective positions.

CERTAIN LEGAL MATTERS

Legal matters related to the authorization, execution, issuance and delivery of the 2024 Program Bonds are subject to the approval of M. Jeremy Ostow, Esq., South Orange, New Jersey and Chiesa Shahanian & Giantomasi PC, Roseland, New Jersey Co-Bond Counsel to the Authority (“Co-Bond Counsel”). The opinions of Co-Bond Counsel will be delivered with the 2024 Program Bonds substantially in the form included in this Official Statement as APPENDIX V. Certain legal matters in connection with the 2024 Program Bonds will be passed upon for the Authority by the Attorney General of the State, and for the Underwriters by their co-counsel, Eckert Seamans Cherin & Mellott, LLC, Philadelphia, Pennsylvania and Princeton, New Jersey and Connell Foley LLP, Jersey City, New Jersey.

TAX MATTERS

The 2024 Series AA Bonds

The Internal Revenue Code of 1986, as amended (the “Code”), imposes certain requirements that must be met on a continuing basis subsequent to the issuance and delivery of the 2024 Series AA Bonds in order that interest on the 2024 Series AA Bonds will be and remain excluded from the gross income of the owners thereof for federal income tax purposes under Section 103 of the Code. In its Tax Regulatory Agreement (the “Tax Certificate”) dated the date of issuance and delivery of the 2024 Series AA Bonds, the Authority represents that the Authority expects and intends to be able to comply with, and will, to the extent permitted by law, comply with, the provisions and procedures set forth in the Tax Certificate and will do and perform all acts and things necessary or desirable in order to ensure that interest on the 2024 Series AA Bonds will be and remain excluded from gross income for federal income tax purposes. Failure of the Authority to comply with the requirements of the Code may cause interest on the 2024 Series AA Bonds to be included in gross income of the owners thereof, retroactive to the date of issuance of the 2024 Series AA Bonds. Bond Counsel has relied upon the representations made in the Tax Certificate and has assumed continuing compliance by the Authority with all applicable federal tax law requirements in rendering its opinions with respect to the exclusion of interest on the 2024 Series AA Bonds from gross income for federal income tax purposes. Based upon the foregoing, Bond Counsel is of the opinion that, pursuant to the applicable provisions of the Code and related regulations, rulings and judicial decisions, interest on the 2024 Series AA Bonds is not includable in gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Code and is not treated as a preference item in calculating alternative minimum tax under the Code. However, interest on the 2024 Series AA Bonds is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code.

The 2024 Series AA Bonds are being sold on the same date as the Authority’s 2024 Series A Bonds. The 2024 Series AA Bonds are being issued under and pursuant to a separate bond resolution from the 2024 Series A Bonds and are being sold pursuant to a separate official statement from the 2024 Series A Bonds. Pursuant to Treasury Regulations Section 1.150-1(c)(1), in general, if two or more bond issues are sold at substantially the same time, pursuant to a common plan of finance, and are reasonably expected to be paid from the same source of funds for federal income tax purposes, then such bonds will be treated as part of the same issue for federal income tax purposes. The effect of being treated as one issue for federal income tax purposes is that the failure of one of the bond issues to comply with the requirements of the Code and Treasury Regulations applicable to such bond issue could cause interest on such bond issue to be includable in gross income of the holders of the bonds of such bond issue retroactive to the date of issuance of such bond issue, and could also cause interest on such other bond issue to be includable in gross income of the holders of the bonds of such other bond issue retroactive to the date of issuance of such other bond issue. Accordingly, pursuant to Treasury Regulations Section 1.150-1(c)(1), the 2024 Series AA Bonds and the 2024 Series A Bonds are being treated as part of the same issue for federal income tax purposes, including those provisions of the Code that relate to arbitrage and rebate. Therefore, the continuing federal tax exemption of the 2024 Series AA Bonds will be dependent upon, among other things, compliance by the Authority with the applicable requirements of the Code with respect to the 2024 Series AA Bonds and with respect to the 2024 Series A Bonds.

[Under Section 171(a)(2) of the Code, no deduction is allowed for the amortizable bond premium (determined in accordance with Section 171(b) of the Code) on tax-exempt bonds. Under Section

1016(a)(5) of the Code, however, an adjustment must be made to the owner's basis in such bond to the extent of any amortizable bond premium that is disallowable as a deduction under Section 171(a)(2) of the Code.]

Certain Federal Tax Consequences Relating to the 2024 Series AA Bonds

Although interest on the 2024 Series AA Bonds is excluded from gross income for federal income tax purposes, the accrual or receipt of interest on the 2024 Series AA Bonds may otherwise affect the federal income tax liability of the recipient. The nature and extent of these other tax consequences will depend upon the recipient's particular tax status and other items of income or deduction. Bond Counsel expresses no opinion regarding any federal tax consequences other than as expressly set forth herein. Prospective purchasers of the 2024 Series AA Bonds are advised to consult their own tax advisors as to the tax consequences of purchasing or holding the 2024 Series AA Bonds.

The Internal Revenue Service (the "Service") has an ongoing program of auditing state and local government obligations, which may include randomly selecting bond issues for audit, to determine whether interest paid to the holders thereof is properly excludable from gross income for federal income tax purposes. It cannot be predicted whether the 2024 Series AA Bonds will be audited. If an audit is commenced, under current Service procedures, the holders of the 2024 Series AA Bonds may not be permitted to participate in the audit process. The commencement of an audit could adversely affect the value and liquidity of the 2024 Series AA Bonds until the audit is concluded, regardless of the ultimate outcome.

The 2024 Series BB Bonds

Interest on the 2024 Series BB Bonds is includable in gross income for federal income tax purposes. Each prospective purchaser of the 2024 Series BB Bonds should consult with its own tax advisor concerning the federal income tax and other tax consequences to it of the acquisition, ownership and/or disposition of the Series 2024 BB Bonds, including any tax consequences that may arise under the laws of any governmental authority or local or foreign tax jurisdiction.

New Jersey Gross Income Tax

In the opinion of Co-Bond Counsel, interest on and any gain realized on the sale of the 2024 Program Bonds are not includable in gross income under the existing New Jersey Gross Income Tax Act.

Future Events

Tax legislation, administrative action taken by tax authorities, and court decisions at the federal level may adversely affect the exclusion from gross income of interest on the 2024 Program Bonds for federal income tax purposes, and tax legislation, administrative action taken by tax authorities and court decisions at the State level may adversely affect the exclusion of interest on and any gain realized on the sale of the 2024 Program Bonds under the existing New Jersey Gross Income Tax Act, and any such legislation, administrative action or court decisions could adversely affect the market value or marketability of the 2024 Program Bonds. Co-Bond Counsel is rendering its opinions under existing law as of the issue date of the 2024 Program Bonds and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation thereof, or otherwise.

ALL PURCHASERS OF THE 2024 PROGRAM BONDS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS REGARDING ANY CHANGES IN THE STATUS OF PENDING OR

PROPOSED FEDERAL OR NEW JERSEY STATE TAX LEGISLATION, ADMINISTRATIVE ACTIONS TAKEN BY TAX AUTHORITIES, OR COURT DECISIONS.

ALL PURCHASERS OF THE 2024 PROGRAM BONDS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS IN ORDER TO UNDERSTAND THE IMPLICATIONS OF THE CODE.

CONTINUING DISCLOSURE

Upon the issuance and delivery of the 2024 Program Bonds, the Authority and the State Treasurer will enter into an agreement (the “Continuing Disclosure Agreement”) with the Trustee, as dissemination agent, for the benefit of the holders of the 2024 Program Bonds, to comply with the secondary market disclosure requirements of the United States Securities and Exchange Commission's Rule 15c2-12. Pursuant to the Continuing Disclosure Agreement, the State Treasurer will covenant to provide certain financial information and operating data relating to the State, to the Municipal Securities Rulemaking Board (“MSRB”) through its Electronic Municipal Market Access system (“EMMA”). Further, the Authority will covenant to provide notices of the occurrence of certain enumerated events. The Trustee shall file such information on behalf of the State Treasurer and such notices on behalf of the Authority with the MSRB. The Trustee may meet the continuing disclosure filing requirements described above by providing such information to the MSRB or by complying with any other procedure that may be authorized by the United States Securities and Exchange Commission. The specific nature of the information to be contained in the Treasurer’s Annual Report (as such term is defined in the Continuing Disclosure Agreement) or the notices of enumerated events is described in the form of the Continuing Disclosure Agreement set forth in APPENDIX IV hereto.

In addition, the continuing disclosure agreement relating to the Authority’s outstanding Transportation System Bonds, 2004 Series A provides that the Authority will provide the Authority’s annual report, consisting of the Authority’s audited financial statements for each Fiscal Year ending June 30 (the “Authority’s Annual Report”). The Authority’s Annual Report is required to be filed by the April 1 next following the end of each Fiscal Year. The Authority’s Annual Report for its Fiscal Year ending June 30, 2018, was filed on April 16, 2019 and failure to file notices were not posted in connection with the late filings, but a failure to file notice was subsequently filed on September 12, 2019. The continuing disclosure agreements for all subsequent issues of the Authority’s Transportation System Bonds and Transportation Program Bonds do not require, and the Continuing Disclosure Agreement for the 2024 Program Bonds will not require, that the Authority provide the Authority’s Annual Report. [THIS PARAGRAPH IS SUBJECT TO REMOVAL DEPENDING ON THE DATE OF PRINTING OF THE POS.]

For the Fiscal Year ended June 30, 2021, the Treasurer’s Annual Report was due to the MSRB no later than March 15, 2022, in connection with the State’s general obligation bonds. On March 15, 2022, the State filed a notice of failure to provide annual information on EMMA that the ACFR would not be filed by March 15, 2022, but would be filed as soon as available. The ACFR was filed on EMMA on May 25, 2022.

For the Fiscal Year ended June 30, 2021, the Treasurer’s Annual Report was due to the MSRB no later than April 1, 2022 in connection with the State’s subject-to-appropriation bonds. On April 1, 2022, the State filed a notice of failure to provide annual information on EMMA that the ACFR would not be

filed by April 1, 2022, but would be filed as soon as available. The ACFR was filed on EMMA on May 25, 2022.

For the Fiscal Year ended June 30, 2020, in connection with the then outstanding New Jersey Economic Development Authority (the “NJEDA”), Cigarette Tax Revenue Refunding Bonds, Series 2012 (the “NJEDA Cigarette Tax Bonds”), the Treasurer’s Annual Report for the NJEDA Cigarette Tax Bonds for Fiscal Year 2020 due on April 1, 2021, was posted to EMMA on April 5, 2021, and a failure to file notice was not filed on EMMA. In addition, the Total Cigarette Tax revenues received by the State for the third and fourth calendar quarters of 2021 were not submitted to EMMA and a failure to file notice was not filed on EMMA. On February 4, 2022, the trustee for the NJEDA Cigarette Tax Bonds filed a notice on EMMA of the defeasance of all outstanding NJEDA Cigarette Tax Bonds by the NJEDA.

For Fiscal Year ended June 30, 2022, the Treasurer’s Annual Report was due to the MSRB no later than March 15, 2023 in connection with the State’s General Obligation Bonds, Series 2013. On March 14, 2023, the State filed a notice that the ACFR for the Fiscal Year ended June 30, 2022 would not be filed by March 15, 2023. The ACFR was filed on April 10, 2023. The General Obligation Bonds, Series 2013 were defeased on November 20, 2023, and are no longer outstanding.

On March 2, 2022, Moody’s upgraded the Authority’s Transportation System Bonds, Transportation Program Bonds, and Federal Highway Reimbursement Revenue Notes from Baa1 to A3. A notice of the upgrade was posted to EMMA on March 23, 2022, fourteen (14) business days after the upgrade, and such notice was not linked to the CUSIP numbers for the Federal Highway Reimbursement Revenue Notes. The notice of upgrade has since been linked to the Federal Highway Reimbursement Revenue Notes.

On December 22, 2022, the Treasurer provided notice on EMMA of a June 16, 2022 ratings downgrade by S&P with respect to the NJEDA’s Motor Vehicle Surcharge Revenue Bonds to “BBB”. The notice was posted on EMMA on December 23, 2022.

The State Treasurer and the Authority have become aware of certain facts that they do not consider to be material but that are disclosed below for the benefit of the holders and Beneficial Owners of its Bonds.

Some information that was made available in a timely manner on EMMA may not have been linked to all relevant CUSIP numbers. In addition, filings with respect to certain bond insurer ratings changes were either posted late or the filings were not posted at all. The State Treasurer and the Authority are not always made aware of or may not have received notices from the rating agencies or the bond insurers of changes in the bond insurers’ ratings. Such bond insurer ratings changes may or may not have had an effect on the ratings of the Bonds.

VERIFICATION OF MATHEMATICAL CALCULATIONS

_____ (the “Verification Agent”) will verify from the information provided to them the mathematical accuracy, as of the date of delivery of the 2024 Program Bonds, of the computations contained in the provided schedules to determine that the amount to be deposited pursuant to the Escrow Deposit Agreement will be sufficient to pay, when due, the principal, interest and call premium payment requirements, if any, of the Bonds to be Refunded. The Verification Agent will express no opinion on the assumptions provided to it, nor as to the tax status of the interest on the 2024 Program Bonds.

The initial public offering prices of the 2024 Program Bonds set forth on the inside cover page of this Official Statement may be changed without notice by the Underwriters. The following three sentences have been furnished by BofA Securities, Inc. (“BofA Securities”) for inclusion in this Updated Official Statement. As part of this arrangement, BofA Securities may compensate MLPF&S as a dealer for their selling efforts with respect to the 2024 Program Bonds.

The Authority has not been furnished with any documents relating to the MLPF&S Distribution Agreement and makes no representation of any kind with respect thereto. RATINGS

Fitch Ratings (“Fitch”), Kroll Bond Rating Agency (“KBRA”), Moody’s Investors Service, Inc. Such ratings reflect only the views of each organization, and an explanation of the significance of such ratings can only be obtained from Fitch, KBRA, Moody’s and S&P. There is no assurance that these ratings will remain in effect for any given period of time or that they will not be revised downward or withdrawn entirely by Fitch, KBRA, Moody’s and S&P if, in the judgment of these rating agencies, circumstances so warrant. Any such downgrade revision or withdrawal of such ratings may have an adverse effect on the market price of the 2024 Program Bonds.

BOOK-ENTRY ONLY SYSTEM

The information in this Appendix VI concerning The Depository Trust Company (“DTC”) and DTC’s book-entry only system has been provided by DTC. Accordingly, the Authority takes no responsibility for the accuracy or completeness of such information and neither the DTC Participants nor the Beneficial Owners should rely on such information with respect to such matters but should instead confirm the same with DTC or the DTC Participants, as the case may be.

DTC will act as Securities Depository for the 2024 Program Bonds. The 2024 Program Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered certificate will be issued for each maturity and, if applicable, interest rate within a maturity of the 2024 Program Bonds in the aggregate principal amount of each such maturity and, if applicable, interest rate within the 2024 Program Bonds, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC is rated AA+ by Standard & Poor’s. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of 2024 Program Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2024 Program Bonds on DTC’s records. The ownership interest of each actual purchaser of each 2024 Program Bond (“Beneficial Owner”) is in turn to be recorded on the Direct Participants’ and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2024 Program Bonds are to be accomplished by entries made on the books of Direct Participants and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in 2024 Program Bonds, except in the event that use of the book-entry system for the 2024 Program Bonds is discontinued.

To facilitate subsequent transfers, all 2024 Program Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2024 Program Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial

ownership. DTC has no knowledge of the actual Beneficial Owners of the 2024 Program Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2024 Program Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the 2024 Program Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2024 Program Bonds, such as redemptions, tenders, defaults and proposed amendments to the 2024 Program Bonds documents. For example, Beneficial Owners of the 2024 Program Bonds may wish to ascertain that the nominee holding the 2024 Program Bonds for their benefit has agreed to obtain and transmit notices to the Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the 2024 Program Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to 2024 Program Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts 2024 Program Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the 2024 Program Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2024 Program Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, 2024 Program Bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, 2024 Program Bond certificates will be printed and delivered to DTC.

NONE OF THE AUTHORITY, THE TRUSTEE OR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION, EITHER SINGULARLY OR JOINTLY, TO DTC PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH

RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DTC PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE HOLDERS OF THE 2024 PROGRAM BONDS UNDER THE RESOLUTION; (III) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR INTEREST DUE WITH RESPECT TO THE 2024 PROGRAM BONDS; (IV) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT/INTEREST OF A PARTIAL REDEMPTION OF THE 2024 PROGRAM BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE HOLDER OF THE 2024 PROGRAM BONDS; OR (VI) ANY OTHER MATTER.

SO LONG AS CEDE & CO., AS NOMINEE OF DTC, IS THE REGISTERED OWNER OF ALL OF THE 2024 PROGRAM BONDS, REFERENCES IN THIS APPENDIX VI TO THE OWNERS, HOLDERS, OR REGISTERED OWNERS OF THE 2024 PROGRAM BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE 2024 PROGRAM BONDS.

The 2024 Program Bonds are expected to be issued and secured under the provisions of Act (as defined herein), and the Authority’s 2012 Transportation Program Bond Resolution, adopted on October 26, 2012, as amended and supplemented, including by the Fifteenth Supplemental Transportation Program Bond Resolution adopted on July 18, 2024. The date on which Invited Bonds are purchased for cash pursuant to the Tender Offer is referred to herein as the “Settlement Date”, which Settlement Date shall be the date of issuance and delivery of the 2024 Program Bonds.

I. Availability of Offer Material and Additional Material

The Authority shall cause to be delivered or otherwise made available by Globic Advisors Inc., as Information Agent and Tender Agent (the “Information Agent and Tender Agent”) to each registered owner of any Invited Bonds, to each participant in The Depository Trust Company (“DTC”) appearing in the most recent DTC securities position listing obtained by the Information Agent and Tender Agent as a holder of Invited Bonds (each such registered owner or participant, a “Registered or Beneficial Owner”), as soon as practicable, by electronic means and other means, including (i) by posting on the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access website, located at <http://emma.msrb.org>, using the CUSIP numbers for the Invited Bonds; (ii) to DTC; and (iii) by posting electronically on the website of the Information Agent and Tender Agent at <https://www.globic.com/ttfa>, copies of the Offer Material and any Additional Material, all as set forth in the Tender Offer. Thereafter, to the extent practicable until the expiration of the Tender Offer, the Authority authorizes the Dealer Manager and the Information Agent and Tender Agent to cause copies of such material to be delivered or otherwise made available to each person and/or entity who becomes a Registered or Beneficial Owner of Invited Bonds, provided, however, that the Dealer Manager shall have no obligation to cause any Offer Material to be transmitted generally to the holders of the Invited Bonds.

II. Solicitation of Tender Offers

(a) Dealer Manager agrees to use its best efforts to solicit offers to sell the Invited Bonds to the Authority in connection with the Tender Offer in accordance with instructions from the Authority and in a manner consistent with the performance of such services as are customarily performed by investment banking concerns in connection with invitations of like nature to the Tender Offer.

(b) The Information Agent shall advise the Authority and Dealer Manager as to such matters relating to the Invitation as the Authority and Dealer Manager may reasonably request. The Authority agrees to cause the Information Agent to (i) furnish to the Authority and the Dealer Manager, lists showing the names and addresses of, and

principal amount of the Invited Bonds held by the Registered or Beneficial Owners of the Invited Bonds as of a recent date, and (ii) use their best efforts to advise the Authority and the Dealer Manager from day to day during the period of the Tender Offer as to any changes in identity of the Registered or Beneficial Owners of the Invited Bonds. In addition, the Authority hereby authorizes the Dealer Manager to communicate with the Information Agent with respect to matters relating to the Invitation and the transactions contemplated thereby. The Authority has instructed or will instruct the Information Agent to advise the Authority and the Dealer Manager at least daily, in writing, as to the principal amount of the Invited Bonds tendered and not validly withdrawn pursuant to the Invitation prior to the Expiration Date(s) (as defined in the Invitation) set forth in the Invitation and such other matters in connection with the Invitation as the Authority and the Dealer Manager may request.

(c) (i) The Authority shall not be liable to the Dealer Manager in tort, contract or otherwise hereunder except for its own breach of contract, willful misconduct or bad faith provided, that the foregoing is subject to the limitations of the provisions of the New Jersey Tort Claims Act, N.J.S.A. 59:2-1 et seq. and the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. While the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. is not applicable by its terms to claims arising under contracts with the Authority, the Dealer Manager, by entering into this Agreement, agrees that such statute (except N.J.S.A. 59:13-9) shall be applicable to all claims against the Authority arising under this Agreement.

(ii) Neither the Dealer Manager, nor its respective affiliates, nor any of their respective partners, directors, officers, agents, employees or controlling persons (if any) (collectively, the "Dealer Manager - Related Persons") shall have any liability in tort, contract or otherwise to the Authority hereunder except for its own breach of contract, gross negligence, willful misconduct or bad faith

(d) The Authority agrees to furnish to the Dealer Manager as many copies as they may reasonably request (not to exceed 10 copies) of the Offer Material and any Additional Material in final form for use by them in connection with the Tender Offer. The Authority shall not amend or supplement the Offer Material, or prepare or approve any Additional Material for use in connection with the Tender Offer, without the Dealer Manager's prior consent, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, the Authority shall have the right in its sole discretion to supplement the Preliminary Official Statement at any time and from time to time. All such supplements, if any, shall be delivered or otherwise made available to the Registered and Beneficial Owners of the Invited Bonds in accordance with Section II of this Agreement.

(e) The Authority agrees to advise the Dealer Manager promptly of (i) the occurrence of any event which could cause the Authority to withdraw, rescind, terminate or modify the Tender Offer, (ii) any supplement to the Preliminary Official Statement, (iii) any proposal or requirement of the Authority to amend or supplement the Offer Material

or Additional Material, or (iv) any other information from the Authority relating to the Tender Offer which the Dealer Manager may from time to time reasonably request.

(f) The Authority will not use or publish any Additional Material other than supplements to the Preliminary Official Statement, if any, in connection with the Tender Offer, or refer to the Dealer Manager in any such Additional Material, without the Dealer Manager's consent, which consent shall not be unreasonably withheld. Notwithstanding anything to the contrary contained in this Agreement, the Dealer Manager acknowledges that this Agreement, the Offer Material and the Additional Material are government records subject to release under the Open Public Records Act (N.J.S.A. 47:1A-1 et seq.)

(g) The Authority will promptly inform the Dealer Manager of any litigation or administrative action or claim against the Authority with respect to the Tender Offer.

(h) At the Authority's request and direction, the Dealer Manager obtained or were provided by the Information Agent and Tender Agent the names and addresses of, and principal amount of Invited Bonds held by, the Registered or Beneficial Owners of Invited Bonds as of a recent date. The Authority agrees to use its best efforts to assist and cooperate with the Dealer Manager during the period of the Tender Offer to determine identity of the Registered or Beneficial Owners of Invited Bonds. The Dealer Manager agrees to use such information only in connection with the Tender Offer and not to furnish such information to any other person except in connection with the Tender Offer.

(i) The Authority shall arrange, or cause the Information Agent and Tender Agent to arrange with DTC, to inform the Authority during each business day prior to the expiration of the Tender Offer as to the principal amount of Invited Bonds which have been tendered pursuant to the Tender Offer during the interval since its previous daily report to the Authority under this provision.

III. Compensation and Expenses.

(a) The Authority shall pay to Dealer Manager, as compensation for services as Dealer Manager for the Invitation, a fee (i) of \$2.50 for each \$1,000 in principal amount of those Invited Bonds that are tendered and purchased pursuant to the Tender Offer (the "Dealer Manager Fee"). The Dealer Manager Fee and reasonable expenses will be paid from a portion of the proceeds from the sale of the 2024 Program Bonds issued by the Authority to fund the Invitation.

(b) The Authority shall pay all reasonable expenses incurred in connection with the Invitation, whether or not any Invited Bonds are tendered pursuant to the Tender Offer, including, without limitation, all fees and expenses relating to preparation, printing, mailing, and publishing of the Offer Material and any Additional Material, and all amounts payable to securities dealers (including the Dealer Manager), brokers, banks, trust companies, and nominees as reimbursements of their customary mailing and handling expenses incurred in forwarding the Offer Material and any Additional Material to their customers, and of any

forwarding agent, all advertising charges, all fees and expenses of the Information Agent and the Tender Agent and all other expenses of the Authority in connection with the Invitation and shall reimburse the Dealer Manager for all reasonable out-of-pocket expenses incurred by the Dealer Manager in connection with its services as Dealer Manager under this Agreement, including the reasonable fees and disbursements of counsel to the Dealer Manager. This Section III(b) shall survive the termination of this Agreement (other than pursuant to Section VI(b)(ii)). The provisions of this Section III(b) shall not be construed as an agreement or obligation of the Authority to indemnify or hold the Dealer Manager, any Dealer Manager - Related Persons or any other person harmless for any losses, claims, damages or liabilities arising from this Agreement or the transactions contemplated hereby (other than with respect to the reasonable expenses set forth in this Section 2(b)).

(c) For the avoidance of doubt, the Authority shall not be obligated to pay or reimburse any party for any solicitation or similar fees paid in connection with the Tender Offer.

IV. Representations and Warranties by the Authority

The Authority represents and warrants to, and agrees with, the Dealer Manager that:

(a) The Authority is a public body corporate and politic and an instrumentality of the State of New Jersey (the "State") created pursuant to the New Jersey Transportation Trust Fund Authority Act of 1984, as amended and supplemented, constituting N.J.S.A. 27:1B-1 et seq. (the "Act"), and has the power and authority to make and commence the Tender Offer and perform its obligations set forth in this Agreement and any other document, instrument or agreement to which the Authority is a party relating to the Tender Offer (the "Authority Documents"); to deliver the Offer Material and to deliver the Additional Material; and to engage in the transactions to which it is or is to be a party as contemplated hereby and by the Offer Material and the Additional Material. The delivery of the Offer Material, the delivery of the Additional Material and the use by the Dealer Manager of the Offer Material and the Additional Material has been duly authorized by all necessary action on the part of the Authority.

(b) The Offer Material and any Additional Material (as amended or supplemented, if amended or supplemented) are and will be true and complete in all material respects and, as of the date hereof, do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading in any material respect.

(c) The making and consummation of the Tender Offer (including any related borrowings or other provisions for the payment for Invited Bonds by the Authority), the execution, delivery and performance by the Authority of this Agreement and the consummation of the transactions contemplated hereby do not and will not (i) in any

material respect conflict with, or constitute on the part of the Authority a breach of or default by the Authority under any indenture, agreement or other instrument to which the Authority is a party or by which it is bound or to which any of its property or assets is subject, or (ii) in any material respect conflict with or result in conflict with, violate or result in a breach of any existing applicable law, public administrative rule or regulation, judgment, court order or consent decree to which the Authority is subject.

(d) All approvals, consents and orders of any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to the performance by the Authority of its obligations under the Offer Material and the Additional Material have been obtained and or will have been obtained as of the date of the commencement of the Tender Offer.

(e) Except as described in the Offer Material or the Additional Material, no litigation or other proceeding before or by any court or agency or other administrative body (either State or Federal) is pending against the Authority or, to the knowledge of the Authority, threatened against it, in any way restraining or enjoining, or threatening or seeking to restrain or enjoin, the making and consummation of the Tender Offer or in any way questioning or affecting: (i) the proceedings under which the Tender Offer is to be made and consummated; (ii) the accuracy, completeness or fairness of the Offer Material or the Additional Material; (iii) the legal existence of the Authority or its right to conduct its operations as presently conducted or (iv) the title of its members or officers to their respective offices in such manner as to adversely affect the ability of the Authority to authorize the making and consummation of the Tender Offer or to consummate any of the transactions to which it is or is to be a party as contemplated by the Offer Material or the Additional Material.

(f) As of the date hereof, there is not, except as described in the Offer Material or the Additional Material, any action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending against the Authority, and the Authority has no knowledge of any such action, suit, proceeding, or investigation, at law or in equity, before or by any court, public board or body in any other jurisdiction, and, to the knowledge of the Authority, no such action is threatened, which, if decided adversely to the Authority, would have a material adverse effect on the power or ability of the Authority to perform its obligations hereunder or with respect to the Tender Offer or to consummate the transactions to which it is or is to be a party as contemplated by the Offer Material or the Additional Material.

(g) Any certificates signed by any Authorized Officer and delivered to the Dealer Manager pursuant to this Agreement shall be deemed a representation and warranty by the Authority to the Dealer Manager as to the statements made therein with the same effect as if such representation and warranty were set forth herein.

(h) Subject to the issuance and sale of the Authority's 2024 Program Bonds, the Authority has or will have available funds, and is authorized to use such funds under

applicable law, to pay the full purchase price of the Invited Bonds that it may become committed to purchase pursuant to the Tender Offer and all related fees and expenses.

(i) Subject to the consummation of the Authority's offering of the 2024 Program Bonds and the other conditions set forth in the Tender Offer, the Authority agrees to pay promptly, in accordance with the terms and subject to the conditions of the Offer Material and any Additional Material, such full purchase price and all related fees and expenses.

(j) The Authority has made or will cause the Information Agent and Tender Agent to make appropriate arrangements with DTC to allow for the book-entry movement of tendered Invited Bonds.

BofA Securities, Inc., as Dealer Manager

Re: New Jersey Transportation Trust Fund Authority
Dealer Manager Agreement

Ladies and Gentlemen:

[I] [We] have acted as co-bond counsel to the New Jersey Transportation Trust Fund Authority (the "Authority") in connection with the execution and delivery of the Dealer Manager Agreement, dated the date hereof (the "Agreement"), by and among the Authority and BofA Securities, Inc., as Dealer Manager (the "Dealer Manager"), relating to the Invitation to Tender Bonds, dated the date hereof (the "Invitation"), with respect to certain of the Authority's outstanding Transportation Program Bonds listed therein (the "Invited Bonds"). In such capacity, I have been requested to deliver this opinion pursuant to Section V(e) of the Agreement.

In connection with the opinions set forth below, [I] [we] have examined such documents, records of the Authority and other instruments, including original counterparts or certified copies of the Agreement, the Preliminary Official Statement and the other documents listed in the record of proceedings relating to the issuance of the Bonds, and such matters of law and other proofs, as [I] [we] deemed necessary to enable me to express the opinions set forth below. In [my] [our] examination [I] [we] have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents tendered to [me] [us] as originals and the conformity to original documents of all documents submitted to [me] [us] as certified, conformed or photostatic copies.

In accordance with [my] [our] understanding with the Authority, as its bond counsel, [I] [we] have rendered legal advice and assistance to the Authority in connection with the preparation of the Invitation and the Preliminary Official Statement. Rendering such advice and assistance involved, among other things, discussions concerning various legal and related subjects, and reviews of and the closing transcripts for the Invited Bonds and the Authority's Transportation _____ Bonds, 2024 Series _____ (the "2024 Series Refunding Bonds") and such other

documents, instruments and agreements, and such matters of law as [I] [we] have deemed necessary. [I] [We] also participated in conferences with representatives of the Authority, the Dealer Manager, the State of New Jersey and their respective counsel, during which the Invitation, the Preliminary Official Statement, and related matters were discussed and reviewed.

Based on the foregoing, [I am] [we are] of the opinion that, as of the date hereof:

1. The Authority has the authority to purchase tendered Invited Bonds as described in the Invitation.

2. The Authority has the power and authority to execute and deliver the Agreement and to perform its obligations thereunder. The Agreement has been duly authorized, executed and delivered by the Authority, and, assuming the due authorization, execution and delivery of the Agreement by the Dealer Manager and that the Agreement constitutes a legal, binding and enforceable obligation of the Dealer Manager, the Agreement constitutes a legal, valid and binding obligation of the Authority enforceable against the Authority in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency and other laws affecting creditors' rights or remedies heretofore or hereafter enacted, and is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

3. The Issuer has good right and lawful authority to undertake the activities with respect to which the Tender Offer is to be consummated.

4. The Tender Offer, including the Preliminary Official Statement, has been duly authorized, executed and delivered by the Issuer.

5. All authorizations, consents, approvals and reviews of governmental bodies or regulatory authorities required for the execution and delivery by the Issuer of the Invitation and Preliminary Official Statement and the making and consummation by Issuer of the Tender Offer have been obtained or effected and are in full force and effect.

6. The information contained in the Preliminary Official Statement under the headings "INTRODUCTION", "DESCRIPTION OF THE 2024 SERIES A BONDS: General", "SECURITY FOR THE 2024 SERIES A BONDS", and "STATUTORY DEBT ISSUANCE LIMITATIONS," insofar as such information or statements summarize certain provisions of the Act, the 2024 Series Refunding Bonds, and the Resolution, or matters of law, are as of the date hereof, fair and accurate summaries of such provisions of the Act, the 2024 Series Refunding Bonds, and the Resolution and such matters of law. The statements on the front cover and contained in the section of the Official Statement entitled "TAX MATTERS," insofar as such statements purport to summarize certain provisions of Federal and State tax law, regulations and rulings, are true and accurate summaries in all material respects of the provisions so summarized.

Without having undertaken to determine independently the accuracy or completeness of the statements contained in the Invitation, [I] [we] further advise you that nothing has come to [my] [our] attention which would lead [me] [us] to believe that, as of the date of hereof, the Invitation (except for any CUSIP numbers, financial, accounting, statistical, economic, or

demographic data, including any indicative pricing information contained in the Invitation, any estimates, forecasts, projections, assumptions, or expressions of opinion, and any information concerning ratings, rating agencies, The Depository Trust Company and its book-entry only system, or the Underwriters, which [I] [we] expressly exclude from the scope of this paragraph and as to which [I] [we] express no view) contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

This opinion is issued as of the date hereof, is limited to the matters expressly stated in the numbered paragraphs herein and is based on the assumptions and qualifications set forth herein. [I] [We] assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may come to [my] [our] attention after the date of this opinion, or any changes in law or interpretations thereof that may occur after the date of this opinion, or for any reason whatsoever.

[I am] [We are] admitted to practice law in the State of New Jersey, and [I] [we] express no opinion as to the laws of any jurisdiction other than those of the State of New Jersey and the applicable laws of the United States of America.

This letter is solely for the information of, and assistance to, the addressees hereof and is not to be used, circulated, quoted or otherwise referred to in connection with the Invitation relating to the Invited Bonds or the offering of the 2024 Refunding Bonds, except that reference may be made to this letter in any list of closing documents pertaining to the Invitation relating to the Invited Bonds or the sale of the 2024 Refunding Bonds.

Notwithstanding anything to the contrary contained herein, the undersigned acknowledges that this opinion is a government record subject to release under the Open Public Records Act (N.J.S.A. 47:1A-1 et seq.).

Very truly yours,

Exhibit B

CERTIFICATE OF THE AUTHORITY PURSUANT TO SECTION V(f) OF THE DEALER MANAGER AGREEMENT

I, Charles Maciejunes, Executive Director of the New Jersey Transportation Trust Fund Authority (the "Authority"), pursuant to Section V(f) of the Dealer Manager Agreement dated September __, 2024, by and between the Authority and BofA Securities, Inc., as Dealer Manager, DO HEREBY CERTIFY that:

A. To the best of our knowledge, the delivery of the Preliminary Official Statement, the execution, delivery and performance of the Tender Offer and the Dealer Manager Agreement, the making and consummation of the Tender Offer, under the circumstances contemplated by the Tender Offer, the Dealer Manager Agreement and the Preliminary Official Statement, and compliance with the provisions thereof, will not in any material respect conflict with or constitute on the part of the Issuer a breach of, or a default under, any material agreement or other instrument to which the Issuer is a party and of which we have knowledge or any existing law, court or administrative regulation, decree or order to which the Issuer is subject or by which it is bound and of which we have knowledge.

B. Except as described in the Preliminary Official Statement, there is no litigation or other proceeding pending or, to the best of our knowledge, threatened in any court, agency or other administrative body (either State or Federal) restraining or enjoining or threatening or seeking to restrain or enjoin the making or consummation of the Tender Offer, or in any way questioning or affecting (i) the making or consummation of the Tender Offer, (ii) the proceedings under which the Tender Offer is to be made, (iii) the validity or enforceability of any provision of the Tender Offer or the Dealer Manager Agreement, (iv) the accuracy, completeness or fairness of the Preliminary Official Statement or (v) the legal existence of the Issuer, the right of the Issuer or its subsidiaries or affiliates to use and operate their respective facilities or the title of the members or officers of the Issuer to their respective offices in such manner as to adversely affect the ability of the Issuer to authorize the making or consummation of the Tender Offer or to consummate any of the transactions to which it is or is to be a party as contemplated by the Tender Offer, the Dealer Manager Agreement or the Preliminary Official Statement, or the right of the Issuer to continue to conduct its operations as currently conducted, to perform its obligations under the Dealer Manager Agreement or with respect to the Tender Offer.

C. The Authority is not in default in any material respect under the terms of the Invited Bonds and Issuer will not, as a consequence of the making and consummation of the Tender Offer, be in default in any material respect under the terms of the Invited Bonds.

IN WITNESS WHEREOF, I have executed this Certificate this ____ day of September, 2024.

This Invitation to Tender Bonds, dated __, __, 2024 (as it may be amended or supplemented, this “**Tender Offer**”), describes an invitation by the New Jersey Transportation Trust Fund Authority (the “**Authority**”), with the assistance of BofA Securities, Inc., as dealer manager (the “**Dealer Manager**”), to the beneficial owners (the “**Holders**” or “**Bondholders**”) of the Authority’s outstanding bonds of the series and certain maturities listed on page (i) of this Tender Offer (collectively, the “**Bonds**”) to tender their Bonds for purchase at the offer price on the Bonds tendered and accepted for purchase to but not including the Settlement Date (as hereinafter defined) based on the following:

- With respect to the Bonds listed in Table 1 on page (i) of this Tender Offer, the offer price will be the purchase price set forth in the Tender Offer (the “**Purchase Price**”).
- In addition to the Purchase Price, Bondholders of Bonds accepted for purchase will also receive accrued and unpaid interest (“**Accrued Interest**”) on Bonds listed in Table 1 validly tendered and accepted for purchase from the applicable last interest payment date up to, but not including, the Settlement Date (as defined below), as applicable.

Bondholders whose Bonds are tendered and purchased by the Authority will receive the Purchase Price (as defined herein) and Accrued Interest on such Bonds on the Settlement Date. The source of funds to purchase the Bonds validly tendered and purchased by the Authority pursuant to this Tender Offer will be a portion of the proceeds from the sale of the Authority’s Transportation Program Bonds, 2024 Series AA (the “**Tax-Exempt Refunding Bonds**”). Concurrently with the issuance of the Tax-Exempt Refunding Bonds the Authority plans to issue its 2024 Series BB Bonds (the “**Taxable Refunding Bonds**”; and together with the Tax-Exempt Refunding Bonds, the “**Refunding Bonds**”). If issued, the Refunding Bonds will be dated the Settlement Date and be issued in the manner, on the terms and with the security therefor described in the Preliminary Official Statement dated _____, 2024 attached hereto as APPENDIX A (the “**Refunding Bonds POS**”). The purchase of any Bonds tendered pursuant to this Tender Offer is contingent on, among other things, the issuance of the Tax-Exempt Refunding Bonds, and is also subject to certain other conditions, including, without limitation, the Financing Conditions (as defined herein). See “INTRODUCTION – General” and “TERMS OF THE TENDER OFFER – Conditions to Purchase” herein.

HOLDERS OF BONDS WHO DO NOT TENDER THEIR BONDS, AS WELL AS HOLDERS OF BONDS WHO TENDER BONDS FOR PURCHASE THAT THE AUTHORITY DOES NOT PURCHASE PURSUANT TO THIS TENDER OFFER (THE “UNPURCHASED BONDS”), WILL CONTINUE TO HOLD SUCH UNPURCHASED BONDS AND SUCH UNPURCHASED BONDS WILL REMAIN OUTSTANDING UNDER THE RESOLUTION (AS DEFINED HEREIN). THE AUTHORITY RESERVES THE RIGHT TO DEFEASE THE BONDS WITH CASH, AND MAY DECIDE TO, REFUND IN THE FUTURE SOME OR ALL OF THE UNPURCHASED BONDS THROUGH THE ISSUANCE OF PUBLICLY-OFFERED OR PRIVATELY-PLACED TAXABLE OR TAX-EXEMPT OBLIGATIONS OF THE AUTHORITY. THE AUTHORITY RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO NOT ACCEPT ANY BONDS, IN WHOLE OR IN PART, FOR PURCHASE.

THE AUTHORITY RESERVES THE RIGHT TO ADVANCE REFUND UNPURCHASED BONDS MATURING FROM 2025 – 2029 USING PROCEEDS OF THE TAXABLE REFUNDING BONDS. See “INTRODUCTION – Unpurchased Bonds” and “ADDITIONAL CONSIDERATIONS” herein.

INTRODUCTION

General

This Invitation to Tender Bonds, dated __, __ 2024 (as it may be amended or supplemented, this “**Tender Offer**”), describes an invitation by the New Jersey Transportation Trust Fund Authority (the “**Authority**”), with the assistance of BofA Securities, Inc., as dealer manager (the “**Dealer Manager**”), to the beneficial owners (the “**Holders**” or “**Bondholders**”) of the Authority’s outstanding bonds of the series and certain maturities listed in Table 1 on page (i) of this Tender Offer (collectively, the “**Bonds**”) to tender their Bonds for purchase at the offer price on the Bonds tendered and accepted for purchase plus accrued interest on such Bonds tendered and accepted for purchase to but not including the Settlement Date (as hereinafter defined) based on the following:

- With respect to the Bonds listed in Table 1 on page (i) of this Tender Offer, the offer price will be the purchase price set forth in the Tender Offer (the “**Purchase Price**”).
- In addition to the Purchase Price, Bondholders whose Bonds are tendered and accepted for purchase will also receive accrued and unpaid interest (“**Accrued Interest**”) on Bonds validly tendered and accepted for purchase from the applicable last interest payment date up to, but not including, the Settlement Date, as applicable.

The source of funds to purchase the Bonds validly tendered and purchased by the Authority pursuant to this Tender Offer will be a portion of the proceeds from the sale of the Authority’s Transportation Program Bonds, Series 2024 AA (the “**Tax-Exempt Refunding Bonds**”). The Tax-Exempt Refunding Bonds are being issued for the primary purpose of providing funds to refund certain outstanding bonds of the Authority and, as part of such refunding, to purchase Bonds pursuant to this Tender Offer with proceeds of the Tax-Exempt Refunding Bonds. Concurrently with the issuance of the Tax-Exempt Refunding Bonds, the Authority plans to issue its 2024 Series BB Bonds (the “**Taxable Refunding Bonds**”) and together with the Tax-Exempt Refunding Bonds, the “**Refunding Bonds**”). If issued, the Refunding Bonds will be dated the Settlement Date and will be issued in the manner, on the terms and with the security therefor, all as set forth in the Preliminary Official Statement, dated __ __, 2024, relating to the Refunding Bonds attached hereto as APPENDIX A (the “**Refunding Bonds POS**”). See “**Source of Funds**” herein. For certain information concerning the Authority, the Refunding Bonds, and the security for the Refunding Bonds, see the Refunding Bonds POS. The Bonds were issued by the Authority pursuant to the Authority’s 2012 Transportation Program Bond Resolution, adopted on October 26, 2012, as amended and supplemented from time to time (the “**Resolution**”).

Notwithstanding any other provision of this Tender Offer, the Authority has no obligation to accept for purchase any tendered Bonds, and its obligation to pay for Bonds validly tendered (and not validly withdrawn) and accepted pursuant to this Tender Offer is subject to the satisfaction of or waiver of the following conditions on or prior to the Settlement Date: (a) the successful completion by the Authority of the issuance of the Refunding Bonds, the proceeds of which will be sufficient to (x) fund the purchase of all Bonds validly tendered and accepted for purchase pursuant to this Tender Offer and (y) pay all fees and expenses associated with the issuance of the Refunding Bonds and this Tender Offer; (b) the Authority obtaining satisfactory and sufficient economic benefit as a result of the consummation of this Tender Offer when taken together with the issuance of the Refunding Bonds (collectively, the “Financing Conditions**”), all on terms and conditions that are satisfactory to the Authority in its sole and absolute discretion; and (c) the other conditions set forth in “**TERMS OF THE TENDER OFFER – Conditions to Purchase**” herein. The Authority reserves the right, subject to applicable law, to amend or waive any of the conditions to this Tender Offer, in whole or in part, at any time prior to the Expiration Date (as defined**

herein) or from time to time. This Tender Offer may be withdrawn by the Authority at any time prior to the Expiration Date.

TO MAKE AN INFORMED DECISION AS TO WHETHER AND HOW TO TENDER THEIR BONDS FOR PURCHASE, BONDHOLDERS MUST READ THIS TENDER OFFER AND ALL APPENDICES TO THIS TENDER OFFER.

None of the Authority, the Dealer Manager or the Tender and Information Agent (as defined herein) makes any recommendation that any Bondholder tender or refrain from tendering all or any portion of such Bondholder's Bonds for purchase. Bondholders must make their own decisions and should read this Tender Offer carefully and consult with their broker, account executive, financial advisor, attorney and/or other appropriate professional in making these decisions.

Subject to the terms and conditions of this Tender Offer, the Authority may purchase Bonds tendered for purchase, provided that such Bonds have been validly tendered by 5:00 p.m., New York City time, on _____, _____, 2024 (as extended from time to time in accordance with this Tender Offer, the "**Expiration Date**") and accepted by the Authority on or before 5:00 p.m., New York City time, on _____, _____, 2024 (as extended from time to time in accordance with this Tender Offer, the "**Acceptance Date**"), assuming all conditions to this Tender Offer have then been satisfied or waived by the Authority on or prior to _____, _____, 2024, (such date being the "**Settlement Date**"). Subject to the conditions set forth herein, Bondholders whose Bonds are tendered for purchase in accordance with the provisions of this Tender Offer and purchased by the Authority will receive payment of the applicable purchase price for each maturity and corresponding CUSIP (individually and collectively, the "**Purchase Price**"), plus Accrued Interest on the Bonds of the maturity corresponding thereto tendered for purchase to but not including the Settlement Date.

For Bonds with sinking fund installments, the amount of such Bonds validly tendered and accepted for purchase by the Authority shall be allocated against the scheduled sinking fund installments in such manner as the Authority may direct, and the average lives of the Unpurchased Bonds associated with these CUSIP numbers may change.

In the event tendered Bonds are not purchased by the Authority, or all conditions to this Tender Offer are not satisfied or waived by the Authority on or prior to the Settlement Date, any Bonds tendered pursuant to this Tender Offer shall be returned to the Holder and remain outstanding.

The purchase of any Bonds tendered and accepted for purchase pursuant to this Tender Offer is contingent on the issuance of the Refunding Bonds, and is also subject to certain other conditions, including, without limitation, the Financing Conditions (as defined herein). Pursuant to the Fifteenth Supplemental Transportation Program Bond Resolution, the maximum authorized principal amount of the Refunding Bonds, is \$1,462,500,000.00. See "INTRODUCTION – General" and "TERMS OF THE TENDER OFFER – Conditions to Purchase" herein.

HOLDERS OF BONDS WHO DO NOT TENDER THEIR BONDS, AS WELL AS HOLDERS OF BONDS WHO TENDER BONDS FOR PURCHASE THAT ARE NOT PURCHASED BY THE AUTHORITY PURSUANT TO THIS TENDER OFFER (THE "UNPURCHASED BONDS"), WILL CONTINUE TO HOLD SUCH UNPURCHASED BONDS AND SUCH UNPURCHASED BONDS WILL REMAIN OUTSTANDING UNDER THE RESOLUTION. THE AUTHORITY RESERVES THE RIGHT TO, AND MAY DECIDE TO, REFUND IN THE FUTURE SOME OR ALL OF THE UNPURCHASED BONDS THROUGH THE ISSUANCE OF PUBLICLY-OFFERED OR PRIVATELY-PLACED TAXABLE OR TAX-EXEMPT OBLIGATIONS OF THE AUTHORITY OR FROM ANY OTHER AVAILABLE FUNDS OF THE AUTHORITY OR OTHER FUNDS MADE AVAILABLE TO THE AUTHORITY. IF CERTAIN CONDITIONS ARE NOT MET, THE AUTHORITY RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO NOT ACCEPT ANY BONDS, IN WHOLE OR IN PART, FOR PURCHASE.

THE AUTHORITY RESERVES THE RIGHT TO ADVANCE REFUND UNPURCHASED BONDS MATURING FROM 2025 – 2029 USING PROCEEDS OF THE 2024 SERIES BB BONDS. See "INTRODUCTION – Unpurchased Bonds" and "ADDITIONAL CONSIDERATIONS" herein.

Purpose

This Tender Offer is being issued as part of a plan of finance to use proceeds from the sale of the Refunding Bonds that includes the retirement of the Bonds by purchasing them pursuant to this Tender Offer. Further, as described herein, the Authority's purchase of Bonds pursuant to this Tender Offer is contingent upon receipt of sufficient proceeds for such purpose from the issuance of the Tax-Exempt Refunding Bonds. There can be no assurance that the Tax-Exempt Refunding Bonds will be issued or when they will be issued, or that the proceeds thereof will be sufficient to enable the Authority to purchase any or all of the Bonds validly tendered for purchase.

The purpose of the issuance of the Refunding Bonds is to produce targeted debt service savings as part of a comprehensive, integrated transaction that will reduce the potential amount of the Authority's overall need for new money debt issuance in the future. Thus, the final decision to purchase Bonds, and, if less than all of the Bonds that are tendered are purchased, which Bonds will be accepted for purchase by the Authority, will be based upon market conditions associated with the sale of the Refunding Bonds and other factors outside of the control of the Authority.

Considerations for the Tender Offer

The Bonds. The Purchase Price for the Bonds for each CUSIP tendered pursuant to this Tender Offer is set forth on page (i) of this Tender Offer

Source of Funds

The source of funds to pay the purchase price of the Bonds validly tendered and purchased by the Authority pursuant to this Tender Offer and to pay the Accrued Interest on such Bonds to but not including the Settlement Date will be a portion of the proceeds of the Tax-Exempt Refunding Bonds. **THE PURCHASE OF ANY BONDS VALIDLY TENDERED IS CONTINGENT ON THE ISSUANCE BY THE AUTHORITY OF THE TAX-EXEMPT REFUNDING BONDS.** The Tax-Exempt Refunding Bonds are described in the Refunding Bonds POS attached hereto as APPENDIX A.

Brokerage Commissions and Solicitation Fees

Bondholders will not be obligated to pay any brokerage commissions or solicitation fees to the Authority, the Dealer Manager, or the Tender and Information Agent in connection with this Tender Offer. However, Bondholders should check with their broker, bank, account executive or other financial institution which maintains the account in which their Bonds are held (their “**Financial Representative**”) to determine whether it will charge any commissions or fees.

Unpurchased Bonds

Any Unpurchased Bonds will continue to be outstanding, and payable and secured, pursuant to the terms of the Resolution. THE AUTHORITY RESERVES THE RIGHT TO, AND MAY DECIDE TO, REFUND IN THE FUTURE SOME OR ALL OF THE UNPURCHASED BONDS THROUGH THE ISSUANCE OF PUBLICLY-OFFERED OR PRIVATELY-PLACED TAXABLE OR TAX-EXEMPT OBLIGATIONS OF THE AUTHORITY OR TO DEFEASE SUCH BONDS WITH ANY OTHER AVAILABLE FUNDS OF THE AUTHORITY OR OTHER FUNDS MADE AVAILABLE TO THE AUTHORITY. THE AUTHORITY RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO NOT ACCEPT ANY BONDS, IN WHOLE OR IN PART, FOR PURCHASE.

THE AUTHORITY RESERVES THE RIGHT TO ADVANCE REFUND UNPURCHASED BONDS MATURING FROM 2025 – 2029 USING PROCEEDS OF THE TAXABLE REFUNDING BONDS. See “ADDITIONAL CONSIDERATIONS” herein.

Dealer Manager, Tender and Information Agent

BofA Securities, Inc. is serving as the Dealer Manager for this Tender Offer. Investors with questions about this Tender Offer should contact the Dealer Manager or Globic Advisors Inc., the Tender and Information Agent (the “**Tender and Information Agent**”) for this Tender Offer, at the addresses and telephone numbers set forth on the page preceding the Appendices appended to this Tender Offer. See “DEALER MANAGER” and “TENDER AND INFORMATION AGENT” herein.

TERMS OF THE TENDER OFFER

Expiration Date

This Tender Offer will expire at 5:00 p.m., New York City time, on the Expiration Date, unless earlier terminated or extended, as described in this Tender Offer. Bonds tendered after 5:00 p.m., New York City time, on the Expiration Date and prior to the acceptance of tenders by the Authority as described below under the heading “TERMS OF THE TENDER OFFER – Acceptance of Tenders Constitutes Irrevocable Agreement” may be accepted by the Authority, in its sole discretion, for purchase. See “TERMS OF THE TENDER OFFER – Extension, Termination and Amendment of the Tender Offer; Changes to Terms” below for a discussion of the Authority’s ability to extend the Expiration Date and to terminate or amend this Tender Offer.

Offers Only Through the Authority’s ATOP Account

The Bonds are held in book-entry-only form through the facilities of The Depository Trust Company (“**DTC**”). The Authority, through the Tender and Information Agent, will establish an Automated Tender Offer Program (“**ATOP**”) account (the “**Authority’s ATOP Account**”) at DTC for the Bonds to which this Tender Offer relates promptly after the date of this Tender Offer. Bondholders who wish to tender Bonds pursuant to this Tender Offer must do so through the Authority’s ATOP account.

ALL TENDERS FOR PURCHASE MUST BE MADE THROUGH THE AUTHORITY’S ATOP ACCOUNT. THE AUTHORITY WILL NOT ACCEPT ANY TENDERS FOR PURCHASE THAT ARE NOT MADE THROUGH THE AUTHORITY’S ATOP ACCOUNT. LETTERS OF TRANSMITTAL ARE NOT BEING USED IN CONNECTION WITH THIS TENDER OFFER.

Any financial institution that is a participant in DTC may make a book-entry tender of the Bonds by causing DTC to transfer such Bonds into the Authority's ATOP account relating to this Tender Offer and the applicable series, maturity and CUSIP number in accordance with DTC's procedures for such transfer. Bondholders who are not DTC participants can only tender Bonds pursuant to this Tender Offer by making arrangements with and instructing their Financial Representative to tender the Bondholder's Bonds through the Authority's ATOP account. To ensure a Bondholder's Bonds are tendered to the Authority's ATOP account by 5:00 p.m., New York City time, on the Expiration Date, the Bondholder must provide instructions to the Bondholder's Financial Representative in sufficient time for the Financial Representative to tender the Bonds to the Authority's ATOP account by this deadline. A Bondholder should contact its Financial Representative for information as to when the Financial Representative needs the Bondholder's instructions in order to tender the Bondholder's Bonds to the Authority's ATOP account by 5:00 p.m., New York City time, on the Expiration Date. See "TERMS OF THE TENDER OFFER— Tender of Bonds by Financial Institutions; Authority's ATOP Account."

THE AUTHORITY, THE DEALER MANAGER, AND THE TENDER AND INFORMATION AGENT ARE NOT RESPONSIBLE FOR THE TRANSFER OF ANY TENDERED BONDS TO THE AUTHORITY'S ATOP ACCOUNT OR FOR ANY MISTAKES, ERRORS OR OMISSIONS IN THE TRANSFER OF ANY TENDERED BONDS.

Information to Bondholders

The Authority may give information about this Tender Offer to the market and Bondholders by posting on the EMMA Website. Additionally, the Authority may give information about this Tender Offer to the Tender and Information Agent (collectively referred to herein, together with the EMMA Website, as the "Information Services."). The Tender and Information Agent will deliver information provided to it by the Authority through its website, <https://www.globic.com/ttfa>. Posting by the Authority of information on the EMMA Website will be deemed to constitute delivery of this information to each Bondholder.

The Authority, the Dealer Manager, and the Tender and Information Agent have no obligation to ensure that a Bondholder actually receives any information given to the Information Services.

Bondholders who would like to receive information transmitted by or on behalf of the Authority to the Information Services may receive such information from the Dealer Manager or the Tender and Information Agent by contacting them using the contact information on the page preceding the Appendices appended to this Tender Offer.

Any updates to this Tender Offer, including, without limitation any supplements to the Refunding Bonds POS, will be distributed through the EMMA Website and will additionally be made available to the Tender and Information Agent. The final Official Statement with respect to the Refunding Bonds (which will set forth the maturities, principal amounts and interest rates on the Refunding Bonds) will be posted to the EMMA Website subsequent to the Acceptance Date and prior to the Settlement Date.

Priority of Allocation of Refunding Bonds

The Authority has advised BofA Securities, Inc., as representative of the underwriters (the "Representative") for the Refunding Bonds, that any Holder of the Bonds who tenders Bonds pursuant to this Tender Offer and who submits an order to purchase any Refunding Bonds may, subject to certain limitations, have a preference of allocation of the Refunding Bonds up to the principal amount of the Bonds that such Bondholder is tendering. The Representative has the discretion to accept orders outside of the Authority's advised priorities if it determines that it is in the best interests of the underwriters of the Refunding Bonds, as provided in the rules of the Municipal Securities Rulemaking Board. The Authority also has the discretion to alter its advised priorities.

Minimum Denominations

A Bondholder may tender Bonds for purchase of a particular CUSIP number that it owns in an amount of its choosing, but only in a principal amount equal to the minimum denomination of \$5,000 (the "**Minimum Authorized Denomination**") or any multiple of \$5,000 in excess thereof.

Accrued Interest

The Purchase Price of the Bonds tendered and accepted for purchase will not include any Accrued Interest on a tendered Bond of a particular CUSIP number from the last payment of interest thereon to but not including the Settlement Date. In addition to the Purchase Price of the Bonds purchased by the Authority pursuant to this Tender Offer, Accrued Interest on such Bonds from the last payment of interest thereon to but not including the Settlement Date will be paid by, or on behalf of, the Authority to the tendering Bondholders on the Settlement Date.

Provisions Applicable to All Tenders

Need for Advice. A Bondholder should ask its Financial Representative or financial advisor for help in determining: (i) whether to tender Bonds of a particular CUSIP number for purchase, and (ii) the principal amount of Bonds of such CUSIP number to be tendered. A Bondholder also should inquire as to whether its Financial Representative or financial advisor will charge a fee for submitting tenders. The Authority, the Dealer Manager, and the Tender and Information Agent will not charge any Bondholder for tendering Bonds.

Need for Specificity of Tender. A tender cannot exceed the par amount of Bonds owned by the Bondholder and must include the following information: (1) the CUSIP number(s) of the Bond(s) being tendered, and (2) the principal amount of the Bonds of such CUSIP number being tendered (such principal amount must be equal to or greater than the Minimum Authorized Denomination and, if greater than the Minimum Authorized Denomination, must be stated in integral multiples of \$5,000 and if not so stated, for tenders of less than all of the Holder's position in the Bonds, such principal amount will be reduced to the greatest integral multiple of \$5,000). Any Bondholder located outside of the United States should check with their broker to determine if there are any additional minimal increments, alternative settlement timing or other limitations.

"All or none" offers are not permitted. A Bondholder also cannot condition its offer for any single Bond CUSIP on the acceptance of its offer for a separate Bond CUSIP. No alternative, conditional or contingent tenders will be accepted.

Bonds may be tendered for payment only in principal amounts equal to the Minimum Authorized Denomination and multiples of \$5,000 in excess thereof.

ALL TENDERS FOR PURCHASE MUST BE MADE THROUGH THE AUTHORITY'S ATOP ACCOUNT. THE AUTHORITY WILL NOT ACCEPT ANY TENDERS FOR PURCHASE THAT ARE NOT MADE THROUGH THE AUTHORITY'S ATOP ACCOUNT. LETTERS OF TRANSMITTAL ARE NOT BEING USED IN CONNECTION WITH THIS TENDER OFFER. See "TERMS OF THE TENDER OFFER—Tender of Bonds by Financial Institutions; Authority's ATOP Account" herein.

General. A Bondholder may only tender Bonds it owns or controls. By tendering Bonds pursuant to this Tender Offer, a Bondholder will be deemed to have represented and agreed with the Authority as set forth below under "TERMS OF THE TENDER OFFER—Representations by Tendering Bondholders to the Authority." All tenders shall survive the death or incapacity of the tendering Bondholder.

Bondholders who would like to receive information furnished by the Authority to the Information Services can review the EMMA Website or the website of the Tender and Information Agent at <https://www.globic.com/ttfa>, or otherwise must make appropriate arrangements with their Financial Representatives or the Tender and Information Agent.

Representations by Tendering Bondholders to the Authority

By tendering Bonds for purchase, each tendering Bondholder will be deemed to have represented to and agreed with the Authority that:

(a) the Bondholder has received this Tender Offer, including the Refunding Bonds POS, and has had the opportunity to review this Tender Offer, including the Refunding Bonds POS, in its entirety, prior to making its decision to tender Bonds, and agrees if the purchase of any tendered Bonds is consummated, the purchase of such Bonds shall be on the terms and conditions set forth in this Tender Offer;

(b) the Bondholder has full power and authority to tender, sell, assign and transfer the tendered Bonds; and on the Settlement Date, the Authority will acquire good, marketable and unencumbered title thereto, free and clear of all liens, charges, encumbrances, conditional sales agreements or other obligations and not subject to any adverse claims, upon payment to the Bondholder of the applicable Purchase Price(s) plus Accrued Interest (if applicable);

(c) the Bondholder has made its own independent decision to tender its Bonds for purchase pursuant to this Tender Offer, and as to the terms thereof, and such decision is based upon the Bondholder's own judgment and upon advice from its Financial Representative or such advisors with whom the Bondholder has determined to consult;

(d) the Bondholder is not relying on any communication from the Authority, the Dealer Manager or the Tender and Information Agent as investment advice or as a recommendation to tender the Bondholder's Bonds at the applicable Purchase Price, it being understood that the information from the Authority, the Dealer Manager and the Tender and Information Agent related to the terms and conditions of this Tender Offer shall not be considered investment advice or a recommendation to tender Bonds; and

(e) the Bondholder is capable of assessing the merits of and understanding (on its own and/or through independent professional advice), and understands, agrees and accepts, the terms and conditions of this Tender Offer.

Tender of Bonds by Financial Institutions; Authority's ATOP Account

The Authority, through the Tender and Information Agent, will establish the Authority's ATOP account at DTC for the CUSIP numbers to which this Tender Offer relates promptly after the date of this Tender Offer. Tenders of Bonds pursuant to this Tender Offer may only be made by transfer to the Authority's ATOP account as an offer to sell Bonds for cash. Any financial institution that is a participant in DTC may make a book-entry tender of the Bonds by causing DTC to transfer such Bonds into the Authority's ATOP account in accordance with DTC's procedures.

Concurrently with the delivery of Bonds through book-entry transfer into the Authority's ATOP account, an Agent's Message (as described below) in connection with such book-entry transfer must be transmitted to and received at the Authority's ATOP account by not later than 5:00 p.m., New York City time, on the Expiration Date; provided, however, a tender of Bonds related to an Agent's Message transmitted to the Authority's ATOP account after such time may be accepted by the Authority for purchase if the Authority, in its sole discretion, waives the defect in the timing of the delivery of such message. The confirmation of a book-entry transfer to the Authority's ATOP account as described above is referred to herein as a "**Book-Entry Confirmation.**" The term "**Agent's Message**" means a message transmitted by DTC to, and received by, the Tender and Information Agent and forming a part of a Book-Entry Confirmation which states that DTC has received an express acknowledgment from the DTC participant tendering Bonds that are the subject of such Book-Entry Confirmation, stating the CUSIP number(s) and the principal amount(s) of the Bonds that have been tendered by such DTC participant pursuant to this Tender Offer, and to the effect that such participant agrees to be bound by the terms of this Tender Offer. By causing DTC to transfer Bonds into the Authority's ATOP account, a financial institution warrants to the Authority that it has full authority, and has received from the Bondholder(s) of such Bonds all direction necessary, to tender and sell such Bonds as set forth in this Tender Offer.

ALL TENDERS FOR PURCHASE MUST BE MADE THROUGH THE AUTHORITY'S ATOP ACCOUNT. THE AUTHORITY WILL NOT ACCEPT ANY TENDERS FOR PURCHASE THAT ARE NOT MADE THROUGH THE AUTHORITY'S ATOP ACCOUNT. LETTERS OF TRANSMITTAL ARE NOT BEING USED IN CONNECTION WITH THIS TENDER OFFER.

Bondholders who are not DTC participants can only tender Bonds pursuant to this Tender Offer by making arrangements with and instructing their Financial Representative to tender the Bondholder's Bonds through the Authority's ATOP account. To ensure a Bondholder's Bonds are tendered to the Authority's ATOP account by 5:00 p.m., New York City time, on the Expiration Date, a Bondholder must provide instructions to its Financial

Representative in sufficient time for the Financial Representative to tender the Bondholder's Bonds to the Authority's ATOP account by this deadline. A Bondholder should contact its Financial Representative for information as to when the Financial Representative needs the Bondholder's instructions in order to tender the Bondholder's Bonds to the Authority's ATOP account by 5:00 p.m., New York City time, on the Expiration Date.

THE AUTHORITY, THE DEALER MANAGER, AND THE TENDER AND INFORMATION AGENT ARE NOT RESPONSIBLE FOR THE TRANSFER OF ANY TENDERED BONDS TO THE AUTHORITY'S ATOP ACCOUNT OR FOR ANY MISTAKES, ERRORS OR OMISSIONS IN THE TRANSFER OF ANY TENDERED BONDS.

Determinations as to Form and Validity of Tender Offer; Right of Waiver and Rejection

All questions as to the validity (including the time of receipt of Agent's Messages by the Tender and Information Agent), form, eligibility and acceptance of any Bonds tendered for purchase pursuant to this Tender Offer will be determined by the Authority in its sole discretion and such determinations will be final, conclusive and binding.

The Authority reserves the right to waive any irregularities or defects in any tender. The Authority, the Dealer Manager and the Tender and Information Agent are not obligated to give notice of any defects or irregularities in tenders and will have no liability for failing to give such notice.

The Authority reserves the absolute right to reject any and all offers, whether or not they comply with the terms of this Tender Offer.

Amendment or Withdrawals of Tenders Prior to an Expiration Date

A Bondholder may amend its offer to tender for purchase in respect of the amount being tendered by causing an amended offer to be received at the Authority's ATOP account at or before 5:00 p.m. on the Expiration Date.

An offer to tender for purchase may be withdrawn by a Bondholder by causing a withdrawal notice to be received at the Authority's ATOP Account at or before 5:00 p.m. on the Expiration Date.

An amended offer or a notice of withdrawal must be submitted in substantially the same manner as an offer.

Bondholders who have tendered their Bonds for purchase will not receive any information from the Authority, the Dealer Manager or the Tender and Information Agent concerning offers by other Bondholders. Bondholders will not be afforded an opportunity to amend their offers after 5:00 p.m. on the Expiration Date. An amended or withdrawn offer must specify the applicable CUSIP number, and with respect to amended offers, the principal amount previously offered and the new amount being offered. All questions as to the validity (including the time of receipt) of an amendment or withdrawal will be determined by the Authority in its sole discretion and will be final, conclusive and binding.

ALL TENDERS OF BONDS SHALL BE IRREVOCABLE AT 5:00 P.M. UPON THE EXPIRATION DATE.

Acceptance of Tenders for Purchase; Notice of Acceptance

On the Acceptance Date (i.e., _____, ____ __, 2024, unless extended), upon the terms and subject to the conditions of this Tender Offer, the Authority will announce its acceptance for purchase of the Bonds listed in Table 1 , if any, validly tendered by Bondholders pursuant to this Tender Offer by giving notice in the manner described in "INTRODUCTION – Considerations for the Tender Offer," with acceptance subject to the satisfaction or waiver by the Authority of the conditions to the purchase of tendered Bonds. See "TERMS OF THE TENDER OFFER–Acceptance of Tenders Constitutes Irrevocable Agreement" and – Conditions to Purchase."

The Authority intends to purchase up to all of the Bonds listed in Table 1 pursuant to this Tender Offer, though if certain conditions are not met, the Authority, in its sole discretion, may purchase a lesser principal amount of Bonds. The Authority shall be under no obligation to accept any Bonds tendered for purchase pursuant to this Tender Offer.

The Authority will determine the amount (if any) of the tendered Bonds that it will purchase upon satisfaction or waiver of the Financing Conditions. Should the Authority choose to purchase some but not all the Bonds tendered for purchase of a particular CUSIP, the Authority will accept those Bonds on a pro rata basis reflecting the ratio of (a) the principal amount, if any, the Authority determines to purchase of such CUSIP to (b) the aggregate principal amount of valid offers to sell received (the "Proration Factor"). To avoid returning Bonds to any Bondholder that are not in a Minimum Authorized Denomination, the amount of such Bonds tendered by any Bondholder will be multiplied by the applicable Proration Factor and rounded down to the nearest \$5,000 principal amount and the remainder will be returned to such Bondholder. The Proration Factor will take into consideration the rounding procedure.

With respect to Unpurchased Bonds, the Authority shall have the right in the future to either refund some or all of the Bonds or invite Bondholders to tender their Bonds for purchase by the Authority. The acceptance of Bonds tendered for purchase is expected to be made by notification to the Information Services no later than 5:00 p.m., New York City time, on the Acceptance Date. This notification will state: (i) the principal amount of the Bonds of each maturity and corresponding CUSIP that the Authority has agreed to accept for tender for purchase in accordance with this Tender Offer, which may be zero for a particular maturity and corresponding CUSIP, or (ii) that the Authority has decided not to purchase any Bonds.

All Bonds that were tendered but were not accepted for purchase will be released from the Authority's ATOP account in accordance with DTC's ATOP procedures. The Authority, the Dealer Manager, and the Tender and Information Agent are not responsible or liable for the operation of the Authority's ATOP account by DTC to properly credit such released Bonds to the applicable account of the DTC participant or Financial Representative or by such DTC participant or Financial Representative for the account of the Bondholder.

The Authority is not required to purchase any Bond offered. As described above under "INTRODUCTION – Purpose," the final decision to purchase Bonds, and, if less than all of the Bonds that are tendered are purchased, which Bonds will be accepted for purchase by the Authority, will be based upon market conditions associated with the sale of the Refunding Bonds and other factors outside of the control of the Authority. Subject to the terms and conditions of the Tender Offer set forth herein, the Authority will determine which Bonds (and the corresponding CUSIP), if any, it will purchase. The Authority therefore expressly reserves the right to purchase none, some, or all of the Bonds.

The Authority reserves the right to, and may decide to, refund in the future some or all of the Unpurchased Bonds through the issuance of publicly-offered or privately-placed taxable or tax-exempt obligations of the Authority.

THE AUTHORITY RESERVES THE RIGHT TO ADVANCE REFUND UNPURCHASED BONDS MATURING FROM 2025 – 2029 USING PROCEEDS OF THE TAXABLE REFUNDING BONDS. See also "INTRODUCTION–Unpurchased Bonds" and "ADDITIONAL CONSIDERATIONS" for certain potential impacts on any Unpurchased Bonds.

Notwithstanding any other provision of this Tender Offer, the consummation of this Tender Offer and the Authority's obligation to purchase Bonds validly tendered (and not validly withdrawn) and accepted for purchase pursuant to this Tender Offer is subject to the satisfaction of or waiver of the Financing Conditions (see "INTRODUCTION – General" herein) and the other conditions set forth in "Conditions to Purchase" herein. The Authority reserves the right, subject to applicable law, to amend or waive any of the conditions to this Tender Offer, in whole or in part, at any time prior to the Expiration Date or from time to time, in its sole discretion. This Tender Offer may be withdrawn by the Authority at any time prior to the Expiration Date.

Acceptance of Tenders Constitutes Irrevocable Agreement

Acceptance by the Authority of validly tendered Bonds will constitute an irrevocable agreement between the tendering Bondholder and the Authority to sell and purchase such Bonds, subject to the conditions and terms of this Tender Offer. See "Minimum Denominations" herein and "– Conditions to Purchase" herein.

Settlement Date; Purchase of Bonds

Subject to satisfaction of all conditions to the Authority's obligation to purchase Bonds tendered and accepted for purchase, as described herein, including, without limitation, the Financing Conditions, the Settlement Date is the day on which such Bonds will be purchased at the applicable Purchase Price(s), together with Accrued Interest thereon. The Settlement Date will occur following the Acceptance Date, subject to all conditions to this Tender Offer having been satisfied or waived by the Authority. The expected Settlement Date is _____, _____, 2024, unless extended by the Authority, assuming all conditions to this Tender Offer have been satisfied or waived by the Authority. Bondholders whose Bonds are purchased on the Settlement Date will receive Accrued Interest up to but not including the Settlement Date.

The Authority may, in its sole discretion, change the Settlement Date by giving notice to the Information Services prior to the change. See “TERMS OF THE TENDER OFFER – Conditions to Purchase.”

Subject to satisfaction of all conditions to the Authority’s obligation to purchase Bonds tendered and accepted for purchase pursuant to this Tender Offer, as described herein, payment by the Authority, or on the Authority’s behalf, will be made in immediately available funds on the Settlement Date by deposit with DTC of the aggregate Purchase Price and Accrued Interest on the Bonds accepted for purchase. The Authority expects that, in accordance with DTC’s standard procedures, DTC will transmit the aggregate Purchase Price plus Accrued Interest in immediately available funds to each of its participant financial institutions holding the Bonds accepted for purchase on behalf of Bondholders for delivery to the Bondholders. **The Authority, the Dealer Manager and the Tender and Information Agent have no responsibility or liability for the distribution of the aggregate Purchase Price plus Accrued Interest paid by DTC to DTC participants or by DTC participants to the tendering Bondholders.**

Purchase and Accrued Interest Funds

The source of funds to purchase the Bonds validly tendered and accepted for purchase pursuant to this Tender Offer and to pay the Accrued Interest on such Bonds to but not including the Settlement Date will be proceeds of the Tax-Exempt Refunding Bonds. The purchase of any Bonds tendered pursuant to this Tender Offer is contingent on the issuance by the Authority of the Tax-Exempt Refunding Bonds, as well as certain other conditions which must be satisfied or waived on or prior to the Settlement Date. See “INTRODUCTION – General” and “TERMS OF THE TENDER OFFER – Conditions to Purchase” herein for more information on the conditions precedent to this Tender Offer.

Conditions to Purchase

In addition to the Financing Conditions (see “INTRODUCTION – General” herein), if after the Acceptance Date, but prior to payment for the Bonds accepted by the Authority on the Settlement Date, any of the following events should occur, the Authority will have the absolute right to cancel its obligations to purchase Bonds without any liability to any Bondholder:

- The Tax-Exempt Refunding Bonds are not issued for any reason;
- Litigation or another proceeding is pending or threatened which the Authority believes may, directly or indirectly, have an adverse impact on this Tender Offer or the expected benefits of this Tender Offer to the Authority or the Bondholders;
- A war, national emergency, banking moratorium, suspension of payments by banks, a general suspension of trading by the New York Stock Exchange or a limitation of prices on the New York Stock Exchange exists and the Authority believes this fact makes it inadvisable to proceed with the purchase of Bonds and/or with the sale of the Tax-Exempt Refunding Bonds;
- A material change in the affairs of the Authority or the State has occurred which the Authority believes makes it inadvisable to proceed with the purchase of Bonds and/or with the sale of the Tax-Exempt Refunding Bonds;
- A material change in the net economics of the transaction has occurred due to a material change in market conditions which the Authority, in its sole discretion, believes makes it inadvisable to proceed with the purchase of Bonds and/or with the sale of the Tax-Exempt Refunding Bonds; or
- There shall have occurred a material disruption in securities settlement, payment or clearance services.

These conditions (together with the Financing Conditions, the “**Conditions to Purchase**”) are for the sole benefit of the Authority and may be asserted by the Authority, prior to the time of payment of the Bonds it has agreed to purchase on the Settlement Date, regardless of the circumstances giving rise to any of these conditions or may be waived by the Authority in whole or in part at any time and from time to time in its sole discretion, and may be exercised

independently for each CUSIP. The failure by the Authority at any time to exercise any of these rights will not be deemed a waiver of any of these rights, and the waiver of these rights with respect to particular facts and other circumstances will not be deemed a waiver of these rights with respect to any other facts and circumstances. Each of these rights will be deemed an ongoing right of the Authority which may be asserted at any time and from time to time prior to the time of payment of the Bonds it has agreed to purchase. Any determination by the Authority concerning the events described in this section will be final and binding upon all parties.

HOLDERS OF UNPURCHASED BONDS WILL CONTINUE TO HOLD SUCH BONDS AND SUCH UNPURCHASED BONDS WILL REMAIN OUTSTANDING UNDER THE RESOLUTION. THE AUTHORITY RESERVES THE RIGHT TO, AND MAY DECIDE TO, REFUND IN THE FUTURE SOME OR ALL OF THE UNPURCHASED BONDS THROUGH THE ISSUANCE OF PUBLICLY-OFFERED OR PRIVATELY-PLACED TAXABLE OR TAX-EXEMPT OBLIGATIONS OF THE AUTHORITY OR TO DEFEASE SUCH UNPURCHASED BONDS FROM OTHER AVAILABLE FUNDS OF THE AUTHORITY OR FROM OTHER FUNDS MADE AVAILABLE TO THE AUTHORITY. THE AUTHORITY RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO NOT ACCEPT ANY BONDS, IN WHOLE OR IN PART, FOR PURCHASE.

THE AUTHORITY RESERVES THE RIGHT TO ADVANCE REFUND UNPURCHASED BONDS MATURING FROM 2025 – 2029 USING PROCEEDS OF THE TAXABLE REFUNDING BONDS. See “INTRODUCTION – Unpurchased Bonds” and “ADDITIONAL CONSIDERATIONS” herein.

Extension, Termination and Amendment of the Tender Offer; Changes to Terms

Through and including the Expiration Date, the Authority has the right to extend this Tender Offer, as to any or all of the Bonds, to any date in its sole discretion, provided that a notice of any extension of the Expiration Date is given to the Information Services, including by posting such notice to the EMMA Website on or about 11:00 a.m., New York City time, on the first business day after the Expiration Date.

The Authority also has the right, prior to acceptance of Bonds tendered for purchase as described above under the heading “TERMS OF THE TENDER OFFER – Acceptance of Tenders Constitutes Irrevocable Agreement,” to terminate this Tender Offer at any time by giving notice to the Information Services. The termination will be effective at the time specified in such notice.

The Authority also has the right, prior to acceptance of Bonds tendered for purchase as described above under the heading “TERMS OF THE TENDER OFFER – Acceptance of Tenders Constitutes Irrevocable Agreement,” to amend or waive the terms of this Tender Offer in any respect and at any time by giving notice to the Information Services. Any such amendment or waiver will be effective at the time specified in such notice.

If the Authority extends the Tender Offer, or amends the terms of the Tender Offer to the change the consideration offered for the Bonds, the Authority shall provide notice thereof at least five (5) business days prior to the Expiration Date, as extended. **In such event, any offers submitted with respect to the affected Bonds prior to such change for such Bonds pursuant to the Tender Offer, will remain in full force and effect and any Bondholder of such affected Bonds wishing to revoke their offer to tender such Bonds must affirmatively withdraw such offer prior to the Expiration Date.**

If the Authority amends the terms of this Tender Offer (other than any term that relates to the consideration offered for the Bonds), which amendment may include a waiver of any term, in any material respect, notice of such amendment or waiver will be given no later than three (3) business days before the Expiration Date, as extended to provide reasonable time for dissemination of such amendment or waiver to Holders and for Holders to respond.

No extension, termination or amendment of this Tender Offer (or waiver of any terms of this Tender Offer) will change the Authority’s right to decline to purchase any Bonds without liability. See “TERMS OF THE TENDER OFFER – Conditions to Purchase.”

The Authority, the Dealer Manager and the Tender and Information Agent have no obligation to ensure that a Bondholder actually receives any information given to the Information Services.

AVAILABLE INFORMATION

Certain information relating to the Bonds and the Authority may be obtained by contacting the Dealer Manager or Tender and Information Agent at the contact information set forth on the page preceding the Appendices appended to this Tender Offer. Such information is limited to (i) this Tender Offer, including the information set forth in the Refunding Bonds POS which is attached hereto as APPENDIX A, and (ii) information about the Authority available through the EMMA Website.

References to website addresses herein are for informational purposes only and may be in the form of a hyperlink solely for the reader's convenience. Unless specified otherwise, such websites and the information or links contained therein are not incorporated into, and are not a part of, this Tender Offer.

ADDITIONAL CONSIDERATIONS

None of the Authority, the Dealer Manager or the Tender and Information Agent make any recommendation that any Bondholder tender or refrain from tendering all or any portion of the Bonds. Each Bondholder must make its own informed decision and should read this Tender Offer and the Refunding Bonds POS in their entirety and consult with its broker, account executive, financial advisor and/or other financial professional in making such decision.

In deciding whether to participate in this Tender Offer, each Bondholder should consider carefully, in addition to the other information contained in this Tender Offer, the following:

- In the event that the Tax-Exempt Refunding Bonds are not issued and sold, tendered Bonds accepted for purchase are not required to be purchased by the Authority and in such event, Bondholders will continue to hold their respective tendered Bonds.
- Even if the Authority does not purchase any tendered Bonds, the Authority shall have the right now or in the future to refund all or any portion of the tendered Bonds or may in the future invite Bondholders to tender such tendered Bonds for purchase by the Authority.
- The Authority reserves the right to advance refund Unpurchased Bonds maturing from 2025 – 2029 using proceeds of the Taxable Refunding Bonds
- The purchase or redemption by the Authority of Bonds of any CUSIP number may have certain potential adverse effects on holders of Bonds with such CUSIP not purchased pursuant to this Tender Offer, including, but not limited to, the principal amount of the Bonds of such CUSIP number available to trade publicly may be reduced, which could adversely affect the liquidity and market value of any Unpurchased Bonds of that CUSIP number that remain outstanding.
- For Bonds with sinking fund installments, the amount of such Bonds validly tendered and accepted for purchase by the Authority shall be allocated against the scheduled sinking fund installments in such manner as the Authority may direct, and the average lives of the Unpurchased Bonds associated with these CUSIP numbers may change.

The Authority May Later Acquire Bonds at More Favorable Prices with More Favorable Terms Than Those Offered Pursuant to this Tender Offer

The Authority reserves the right to, and may in the future decide to, acquire some or all of the Bonds not purchased pursuant to this Tender Offer through open market purchases, privately negotiated transactions, subsequent tender offers, exchange offers or otherwise, upon such terms and at such prices as it may determine, which may be more or less than the consideration set forth in this Tender Offer, and which could be for cash or other consideration. Any future acquisition of Bonds may be on the same terms or on terms that are more or less favorable to Bondholders

than the terms described in this Tender Offer. The decision to make future purchases or exchanges by the Authority and the terms of such future transactions will depend on various factors existing at that time. There can be no assurance as to which of these alternatives, if any, the Authority will ultimately choose to pursue in the future.

Timeliness of Offers

This Tender Offer will expire at 5:00 p.m., New York City time, on the Expiration Date (currently scheduled for _____, __ __, 2024), unless extended or terminated as described in “TERMS OF THE TENDER OFFER – Extension, Termination and Amendment of the Tender Offer; Changes to Terms.” Bonds tendered for purchase as described in this Tender Offer after 5:00 p.m., New York City time, on the Expiration Date will not be accepted for tender, except in the Authority’s sole discretion.

Acceptance Date

The Authority will accept tenders of Bonds, if at all, on or before 5:00 p.m., New York City time, on _____, __ __, 2024, unless extended as set forth in this Tender Offer (the “**Acceptance Date**”). Notification of acceptance of Bonds tendered pursuant to this Tender Offer will be given on or before 5:00 p.m., New York City time on the Acceptance Date, unless an Expiration Date is extended or a Tender Offer is terminated. See “TERMS OF THE TENDER OFFER – Acceptance of Tenders for Purchase; Notice of Acceptance” herein.

SUMMARY OF CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The following is a general summary of the U.S. federal income tax consequences for Bondholders that respond to this Tender Offer and have their offer to tender their Bonds accepted by the Authority. The discussion is based on the Internal Revenue Code of 1986, as amended (the “**Code**”), the Treasury Regulations promulgated thereunder, and relevant rulings and decisions now in effect, all of which are subject to change and differing interpretations. No assurances can be given that future changes in U.S. federal income tax laws will not alter the conclusions reached herein. The discussion below does not purport to deal with U.S. federal income tax consequences applicable to all categories of Bondholders. Further, this summary does not discuss all aspects of U.S. federal income taxation that may be relevant to a particular Bondholder of the Bonds in light of the Bondholder’s particular circumstances or to certain types of Bondholders subject to special treatment under U.S. federal income tax laws (including individuals who are neither citizens nor residents of the United States; foreign corporations, trusts and estates, in each case, as defined for U.S. federal income tax purposes; insurance companies; tax-exempt organizations; financial institutions; brokers-dealers; partnerships and other entities classified as partnerships for U.S. federal income tax purposes; and persons who have hedged the risk of owning the Bonds). Tendering Bondholders should note that no rulings have been or will be sought from the Internal Revenue Service (the “**IRS**”), and no assurance can be given that the IRS will not take contrary positions with respect to any of the U.S. federal income tax consequences discussed below. This U.S. federal income tax discussion is included for general information only and should not be construed as a tax opinion nor tax advice by the Authority or any of its advisors or agents to the Bondholders, and Bondholders therefore should not rely upon such discussion.

The discussion does not deal with special classes of Bondholders of the Bonds, such as dealers or traders in securities, investors that elect mark-to-market accounting, banks, financial institutions, insurance companies, retirement plans or other tax-deferred or tax advantaged accounts, tax-exempt organizations, partnerships or other pass-through entities (or entities treated as such for U.S. federal income tax purposes), U.S. expatriates, persons holding their Bonds as a part of a hedging, integration, conversion or constructive sale transaction or a straddle, Bondholders that are “United States persons,” as defined in section 7701(a)(30) of the Code (“**U.S. Holders**”) and are subject to the alternative minimum tax, U.S. Holders that have a functional currency other than the U.S. Dollar, and persons who are not U.S. Holders (all of such holders of the Bonds should consult their tax advisors).

If a partnership or other flow-through entity holds the Bonds, the tax treatment of a partner in the partnership or beneficial owner of the flow-through entity generally will depend upon the status of the partner or beneficial owner and the activities of the partnership or flow-through entity. A partner of a partnership or a beneficial owner of a flow-through entity holding Bonds should consult its own tax advisor regarding the U.S. federal income tax consequences of this Tender Offer.

Non-tendering Bondholders will not be subject to any U.S. federal income tax consequences in connection with this Tender Offer.

BONDHOLDERS SHOULD CONSULT THEIR OWN TAX ADVISORS IN DETERMINING THE U.S. FEDERAL, STATE, LOCAL, FOREIGN AND ANY OTHER TAX CONSEQUENCES TO THEM FROM THE PURCHASE OF THEIR BONDS PURSUANT TO THIS TENDER OFFER.

The tender of a Bond for cash will be a taxable event for U.S. federal income tax purposes. A Bondholder that sells Bonds tendered pursuant to this Tender Offer generally will recognize a gain or loss for U.S. federal income tax purposes in an amount equal to the difference between the (i) the amount of cash received (except to the extent attributable to accrued but unpaid interest on the Bonds) and (ii) the Bondholder's adjusted U.S. federal income tax basis in the Bonds (generally, the purchase price paid by the Bondholder for the Bonds, decreased by any amortized premium, and increased by the amount of any original issue discount previously included in income by such Bondholder with respect to such Bond). Any such gain or loss generally will be a capital gain or loss. In the case of a non-corporate Bondholder, the maximum marginal U.S. federal income tax rate applicable to any such gain will be lower than the maximum marginal U.S. federal income tax rate applicable to ordinary income if such Bondholder's holding period for the Bonds exceeds one year. The deductibility of capital losses is subject to limitations.

Cash received by a Bondholder that sells Bonds tendered pursuant to this Tender Offer that is attributable to accrued but unpaid interest on such Bonds will be taxed as ordinary income.

Bondholders that are U.S. Holders will be subject to "backup withholding" of federal income tax in the event they fail to furnish a taxpayer identification number or there are other, related compliance failures.

Pursuant to the terms of that certain Dealer Manager Agreement between the Authority and the Dealer Manager, the Authority has retained BofA Securities, Inc. In the ordinary course of their various business activities, the Dealer Manager and its affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities and financial instruments which may include bank loans and/or credit default swaps) for their own account and for the accounts of their respective customers and may at any time hold long and short positions in such securities and instruments. Such investment securities activities may involve securities and instruments of the Authority, including the Bonds.

In addition to its role as Dealer Manager for the Bonds, BofA is also serving as the Underwriter for the issuance of the Refunding Bonds, as described in the Refunding Bonds POS.

The Dealer Manager is not acting as a financial or municipal advisor to the Authority in connection with this Tender Offer.

Jeremy Ostow, Esq., South Orange, New Jersey, and Chiesa Shahinian & Giantomasi PC, Roseland, New Jersey as Co-Bond Counsel to the Authority. A copy of the form of opinion of Co-Bond Counsel which will be delivered with the Refunding Bonds is set forth in APPENDIX V of the Refunding Bonds POS attached hereto as APPENDIX A. Certain legal matters in connection with the Refunding Bonds will be passed upon for the Authority by the Attorney General of the State of New Jersey and for the Underwriter by its co-counsel, Eckert Seamans Cherin & Mellott, LLC, Philadelphia, Pennsylvania and Princeton, New Jersey and Connell Foley LLP, Jersey City, New Jersey.

The word “person” shall include corporations, associations, natural persons and public bodies unless the context shall otherwise indicate. Reference to a person other than a natural person shall include its successors.

SECTION 2. (a) There is hereby created and established with the Escrow Agent a special and irrevocable escrow fund designated as the “2024 Series AA Transportation Program Bonds Escrow Fund” (the “Escrow Fund”). The Escrow Fund is to be held by the Escrow Agent as a trust fund for the benefit of the holders of the Refunded Bonds in accordance with the

terms and provisions hereof. The Escrow Fund shall be held by the Escrow Agent separate and apart from all other funds of the Authority and the Escrow Agent.

(b) Concurrently with the execution and delivery of this Agreement, there is hereby deposited with the Escrow Agent, and the Escrow Agent hereby acknowledges the receipt of, immediately available moneys from the Authority in the amount of \$_____ from the proceeds of the sale of the Refunding Bonds, to be deposited in the Escrow Fund as follows: \$_____ shall be applied on the date hereof to purchase the Defeasance Securities described on **Schedule B** attached hereto and made a part hereof, and \$_____ of which shall be held uninvested in cash until needed to pay the principal or Redemption Price of and interest due on the Refunded Bonds on each Payment Date.

SECTION 3. (a) The Escrow Agent shall use the amounts received from the maturing principal of and interest on the Defeasance Securities, together with the other moneys available in the Escrow Fund, to pay the principal or Redemption Price of and interest due on the Refunded Bonds on each Payment Date.

(b) Based solely upon the verification report, dated the date hereof, issued by Samuel Klein & Company, the Authority represents and warrants to the Escrow Agent that the amounts to be received from the maturing principal of and interest on the Defeasance Securities, together with the other moneys deposited in the Escrow Fund pursuant to Section 2, will be sufficient to pay the principal or Redemption Price of and interest on the Refunded Bonds on each Payment Date.

SECTION 4. The Escrow Agent shall, at the written direction of the Authority, invest and reinvest any moneys remaining from time to time in the Escrow Fund in Defeasance Securities which mature in amounts at least equal to their purchase price at or prior to the time such moneys are needed. All interest income received as a result of investments made pursuant to this Section 4 shall be applied to the payment of the principal of and/or interest on the Refunded Bonds on each Payment Date. Notwithstanding the foregoing, the Escrow Agent shall not make any such investment or reinvestment, or enter into a float forward, escrow reinvestment or similar agreement with respect to uninvested moneys in the Escrow Fund, unless the Authority shall obtain and the Escrow Agent shall receive [(a) the opinion of nationally recognized bond counsel or special tax counsel, addressed to the Authority and the Escrow Agent, to the effect that entering into such agreement would not cause any of the [Refunding] [Refunded] Bonds to be an "arbitrage bond" within the meaning of Section 148 of the Internal Revenue Code of 1986, and the regulations thereunder in effect on the date of such investment and applicable to obligations issued on the issue date of the [Refunding] [Refunded] Bonds, and (b)] written confirmation from each rating agency then maintaining a rating on the Refunded Bonds that the execution and delivery of the proposed agreement will not cause a reduction or withdrawal of such rating, provided that the Authority obtained a rating on the Refunded Bonds based on the Defeasance Securities in the Escrow Fund prior to the execution and delivery of the proposed agreement. In the absence of any such instructions from the Authority pursuant to this Section 4, any moneys from time to time on deposit in the Escrow Fund, including amounts to be received from the maturing principal of and interest on the Defeasance Securities, shall be held uninvested until needed to pay the principal of and interest due on the Refunded Bonds on each Payment Date. The maturing principal from investments and reinvestments of moneys remaining from time to time in an Escrow Fund shall be retained in such Escrow Fund and applied to pay the principal of and/or interest on the Refunded Bonds on each Payment Date, and interest earned on such investments and reinvestments not required to be applied to the payment of the Refunded Bonds shall, after the Redemption of the

Refunded Bonds on the Redemption Date, be applied as provided in Section 10 hereof free and clear of the lien of this Agreement.

SECTION 5. [Reserved].

SECTION 6. The trust created by this Agreement shall be irrevocable and the holders of the Refunded Bonds shall have an express lien on, security interest in and an irrevocable pledge of all Defeasance Securities and moneys on deposit in the Escrow Fund until used and applied in accordance with this Agreement. As a result of the trust created hereby and the deposit of the Defeasance Securities and moneys into the Escrow Fund described in Sections 2 and 3 hereof and the instructions to the Escrow Agent set forth in Section 8 hereof, the pledge of the Pledged Property, any Revenues, and other moneys and securities pledged under the Resolution and all covenants, agreements and other obligations of the Authority to the holders of the Refunded Bonds have ceased, terminated and become void and are discharged and satisfied, and the Refunded Bonds have ceased to be entitled to any lien, benefit or security under the Resolution.

SECTION 7. The Escrow Agent shall not be liable for any loss resulting from any investment made pursuant to the terms and provisions of this Agreement, except for losses resulting from the Escrow Agent's negligence or misconduct. The liability of the Escrow Agent for the payment of the principal or Redemption Price of and interest on the Refunded Bonds shall be limited to the amounts deposited pursuant to this Agreement and the earnings thereon when invested in accordance with this Agreement. The Escrow Agent shall assert no lien whatsoever upon any of the Defeasance Securities or moneys on deposit in the Escrow Fund for the payment of fees and expenses for services rendered by the Escrow Agent under this Agreement. The Authority shall pay to the Escrow Agent, in accordance with the Escrow Agent's fee proposal, compensation for all services performed by it hereunder and all of its reasonable expenses, charges, and other disbursements and those of its attorneys, agents and employees, incurred in and about the administration and execution of the trusts hereby created, and the performance of its powers and duties hereunder. In addition, the provisions of paragraph 2 of Section 905 of the Resolution are incorporated herein by reference, shall apply to the performance by the Escrow Agent of its obligations under this Agreement, and shall survive the discharge and defeasance of the Resolution with respect to the Refunded Bonds.

SECTION 8. The Escrow Agent is hereby directed to mail, in the name of the Authority, as soon as practicable after the execution of this Agreement, to The Depository Trust Company ("DTC"), as the registered holder of the Refunded Bonds, at its address as it appears in the registry books, a notice of defeasance of the Refunded Bonds in substantially the form of **Exhibit A** attached hereto and made a part hereof. The Escrow Agent shall be entitled to add such provisions to such notice which it deems appropriate. The Escrow Agent is hereby directed to provide DTC with written notice of the defeasance of the Refunded Bonds in accordance with the Blanket Issuer Letter of Representations, dated January 14, 2019, by and between the Authority and DTC (the "Letter of Representations") executed in connection with all bonds issued or to be issued by the Authority, including the Refunded Bonds. Any notice of defeasance of the Refunded Bonds sent by the Escrow Agent to DTC in accordance with this paragraph shall also be filed by the Escrow Agent with the Municipal Securities Rulemaking Board in accordance with the continuing disclosure agreement relating to the Refunded Bonds.

The Escrow Agent is hereby irrevocably instructed and the Escrow Agent hereby agrees: (i) to take all steps that are necessary or required under the Resolution to cause the Refunded Bonds to be redeemed on the Redemption Date in the principal amounts and at the Redemption

Price set forth on **Schedule C** attached hereto; (ii) to apply the amounts on deposit in the Escrow Fund to the payment of the principal of and/or interest on the Refunded Bonds as the same shall become due on and prior to the Redemption Date as set forth on **Schedule C** attached hereto; and (iii) not less than 25 days prior to the Redemption Date, mail notice, postage prepaid, to The Depository Trust Company ("DTC"), as the registered holder of the Refunded Bonds, of the redemption of the Refunded Bonds substantially in the form of **Exhibit B** attached hereto and made a part hereof. The Escrow Agent shall be entitled to add such provisions to such notice which it deems appropriate. The Escrow Agent is also hereby directed to provide DTC with written notice of the redemption of the Refunded Bonds in accordance with the Blanket Issuer Letter of Representations, dated January 14, 2019, by and between the Authority and DTC (the "Letter of Representations") executed in connection with all bonds issued or to be issued by the Authority, including the Refunded Bonds. Any notice of redemption of each of the Refunded Bonds sent by the Escrow Agent to DTC in accordance with this paragraph shall also be filed by the Escrow Agent with the Municipal Securities Rulemaking Board in accordance with the continuing disclosure agreement relating to the Refunded Bonds.

SECTION 9. This Agreement is made for the benefit of the Authority, the Escrow Agent, and the holders from time to time of the Refunded Bonds and it shall not be repealed, revoked, altered or amended without the written consent of all such holders, the Escrow Agent and the Authority; provided, however, that the Authority and the Escrow Agent may, without the consent of, or notice to, such holders, enter into such agreements supplemental to this Agreement as shall not materially adversely affect the rights of such holders, as shall not be inconsistent with the terms and provisions of this Agreement and as shall not adversely affect the tax exempt status of the Refunding Bonds or the Refunded Bonds, as applicable, for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Agreement;
 - (b) To grant to, or confer upon, the Escrow Agent for the benefit of the holders of the Refunded Bonds, any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such holders or the Escrow Agent;
 - (c) To include under this Agreement additional funds, securities or properties;
- and
- (d) To effect any other changes which shall not materially adversely affect the rights of such holders.

The Escrow Agent shall be entitled to receive and rely conclusively upon an opinion of nationally recognized bond counsel with respect to compliance with this Section 9, including the compliance of any instrument executed in accordance with this Agreement with the conditions and provisions of this Section 9.

If the Authority shall have obtained a rating on the Refunded Bonds based upon the Defeasance Securities and moneys on deposit in the Escrow Fund in accordance with this Agreement, the Authority shall provide each rating agency then maintaining a rating on the Refunded Bonds with a draft of any amendment or supplement to this Agreement prior to its execution.

SECTION 10. Except with respect to the provisions of Section 7 hereof, this Agreement shall terminate when all transfers and payments required to be made by the Escrow

Agent under the provisions hereof shall have been made. The balance of moneys, if any, remaining in the Escrow Fund shall thereafter either (i) be transferred to the Trustee for deposit to the Transportation Improvement Fund to pay State Transportation System Costs, or (ii) be applied in such other manner as may be approved by an Authorized Authority Official; provided however that the Authority shall receive an opinion of nationally recognized bond counsel to the effect that the proposed use of such funds would not adversely affect the exclusion from gross income of interest on the Refunding Bonds for Federal income tax purposes.

SECTION 11. The Escrow Fund shall be and constitute a trust fund for the purposes provided in this Agreement and shall be kept separate and distinct from all other funds of the Authority and the Escrow Agent and used only for the purposes and in the manner provided in this Agreement.

SECTION 12. The Escrow Agent agrees to perform all the duties and obligations expressly imposed upon it by this Agreement, and, except for such duties and obligations, the Escrow Agent shall not have any implied duties.

The Escrow Agent may resign and be discharged of its duties and obligations created by this Agreement and may be removed and discharged as Escrow Agent under this Agreement, upon the same terms and conditions as are set forth in Article IX of the Resolution relating to the resignation or removal of the Trustee, which terms and conditions are incorporated herein by reference. If the Escrow Agent shall resign or be removed as Escrow Agent under this Agreement as aforesaid, then, upon appointment of a successor escrow agent for such purpose, in the same manner as provided in the Resolution for the appointment of a successor Trustee, which provision in the Resolution is incorporated herein by reference, the said successor escrow agent shall become the Escrow Agent hereunder and all the title, rights, duties and obligations of the former Escrow Agent under this Agreement and with respect to the moneys deposited or to be deposited in the Escrow Fund in accordance with this Agreement shall become those of the successor escrow agent, and upon acceptance by such successor escrow agent of the trusts created hereunder, all further title, rights, duties and obligations of the former Escrow Agent under this Agreement shall cease and be discharged, except for any rights or liabilities theretofore accrued by the Authority or the former Escrow Agent. No resignation or discharge of the Escrow Agent shall take effect until a successor shall have been appointed and shall have accepted its appointment as Escrow Agent hereunder, and until the Escrow Fund shall have been transferred to such successor.

Any company into which the Escrow Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which all or substantially all of the corporate trust business shall be sold or transferred, shall be the successor to the Escrow Agent without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and shall be authorized by law to perform all the duties imposed upon it by this Agreement.

SECTION 13. If any one or more of the covenants or agreements provided in this Agreement on the part of the Authority or the Escrow Agent to be performed should be determined by a court of competent jurisdiction to be contrary to law, such covenant or agreement shall be deemed and construed to be severable from the remaining covenants and agreements herein contained and shall in no way affect the validity of the remaining provisions of this Agreement. If the Authority receives notice that any provision of this Agreement shall be

severed and if the Authority shall have obtained a rating on the Refunded Bonds based upon the Defeasance Securities and moneys on deposit in the Escrow Fund in accordance with this Agreement, the Authority shall so notify each rating agency then maintaining a rating on the Refunded Bonds as soon as practicable after receiving such notice.

SECTION 14. All the covenants, promises and agreements in this Agreement contained by or on behalf of the Authority or by or on behalf of the Escrow Agent shall bind and inure to the benefit of their respective successors and assigns, whether so expressed or not.

SECTION 15. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New Jersey.

SECTION 16. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as an original but all of which, together, shall constitute and be but one and the same instrument.

SECTION 17. This Agreement constitutes the necessary action and irrevocable instructions by the Authority to the Escrow Agent as required by Section 1201 of the Resolution in order for the Refunded Bonds to be deemed to have been paid within the meaning and with the effect expressed in Section 1201 of the Resolution.

SECTION 18. Any notice required or permitted to be given under or in connection with this Agreement shall be in writing and shall be mailed by first-class mail, registered or certified, return receipt requested, or recognized overnight carrier, postage prepaid, or sent by e-mail, telex, telegram, telecopy or other similar form of rapid transmission confirmed by mailing (by first-class mail, registered or certified, return receipt requested, or recognized overnight carrier, postage prepaid) written confirmation at substantially the same time as such rapid transmission, or personally delivered to an officer of the receiving party. All such communications shall be mailed, sent or delivered to the addresses set forth below, or as to each party at such other addresses as shall be designated by such party in a written notice to the other party.

EXHIBIT A

Plan of Finance

New Jersey Transportation Trust Fund Authority Transportation System Bonds & Transportation Program Bonds

Plan of Finance Subject to JBOC Approval

As required by Section 9(j) of the New Jersey Transportation Trust Fund Authority Act of 1984, L. 1984, c. 73, as amended and supplemented, (the "Act"), N.J.S.A. 27:1B-1 et seq. , the New Jersey Transportation Trust Fund Authority (the "TTFA" or the "Authority") hereby submits this request for approval by the Joint Budget Oversight Committee ("JBOC") of the sale of (i) Transportation System Bonds (the "Refunding System Bonds") and (ii) Transportation Program Bonds (the "Refunding Program Bonds," and together with the Refunding System Bonds, the "TTFA Refunding Bonds"). Net proceeds of the TTFA Refunding Bonds will be used for the purpose of refunding, on a current and/or advance basis, a portion of the TTFA's outstanding Bonds, as described in Appendix I attached hereto in order to generate debt service savings and reduce the need for new money Program Bond debt issuances by the Authority over the term of the L. 2024, c. 7 reauthorization (the "Reauthorization Period"). This request, together with Appendices I and II attached hereto, shall constitute the "report" required to be submitted to JBOC pursuant to Section 9(j) of the Act in connection with the proposed sale of the TTFA Refunding Bonds as described herein. The proposed sale of the Refunding System Bonds and the Refunding Program Bonds is one comprehensive, integrated refunding transaction issued to generate debt service savings and reduce the need for new money Program Bond debt issuances by the Authority over the Reauthorization Period.

I. Refunding Overview

The TTFA has decided to issue up to \$3,250,000,000 of TTFA Refunding Bonds in multiple series, comprised of up to \$1,787,500,000 of Refunding System Bonds and up to \$1,462,500,000 of Refunding Program Bonds. The sale and issuance of the TTFA Refunding Bonds will occur at the same time. The size of the overall refunding transaction will be dependent upon market conditions at the time of sale. As permitted under the federal tax code, the net proceeds of the TTFA Refunding Bonds will be used to (i) current refund by means of a Tender Offer further described in Section V below, (ii) current refund by means of a par call and/or a make-whole optional redemption, or (iii) advance refund, all or a portion of the Bonds described in Appendix I in order to generate debt service savings and reduce the need for new money Program Bond debt issuances by the Authority over the Reauthorization Period. Based on current market conditions, it is estimated that as a result of the TTFA Refunding Bonds, the TTFA will be in a position to issue approximately \$964.9 million fewer new money Program Bonds during the Reauthorization Period than will be required if this refunding transaction does not occur. This avoidance of \$964.9 of additional new money Program Bonds is projected to save the TTFA approximately \$2.3 billion in additional debt service costs.

The requested approval by JBOC would authorize the TTFA to select all or a portion of the outstanding bonds described in Appendix I for refunding and to determine the overall amount and structure of the TTFA Refunding Bonds to be sold based upon market conditions existing at or

prior to sale. Subject to JBOC approval, the TTFA will proceed with the sale of the TTFA Refunding Bonds, subject to the requirements of Section 9(o) of the Act, N.J.S.A. 27:1B-9(o), which states that:

No refunding bonds shall be issued unless the authority shall first determine that the present value of the aggregate principal of and interest on the refunding bonds is less than the present value of the aggregate principal of and interest on the outstanding bonds to be refinanced, except that, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of those refunding bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the prices paid to the authority by the initial purchasers of those refunding bonds.

For more information on the proposed sale of the TTFA Refunding Bonds, please see the information in Section III below, "Candidates for Bonds to be Refunded." For the reasons described herein, the Authority has determined that the TTFA Refunding Bonds will be sold on a negotiated basis.

The following pages set forth (1) the various structures that are available to effectuate this comprehensive, integrated refunding transaction, and (2) the TTFA's objectives and constraints in structuring the refunding transaction. Attached with this report as Appendix II are estimated results of the proposed refunding of certain outstanding Transportation System Bonds and Transportation Program Bonds, based on interest rates as of July 5, 2024. Also attached with this report as Appendix III is a summary of the TTFA's estimated aggregate debt service requirements, both before and after the execution of the refunding transaction.

II. Refunding Structures

Prior refunding issues approved by JBOC have consisted of either a current, advance or forward refunding. The refunding structures currently expected to be used will involve the issuance of fixed rate bonds to current or advance refund certain outstanding bonds.

Below is a synopsis of refunding structures that the TTFA may implement to effectuate the refundings.

Current Refunding: The TTFA sells the TTFA Refunding Bonds to redeem or defease outstanding obligations (the "Refunded Bonds") whose redemption or maturity date will occur within 90 days of the date of issuance of the refunding issue. To the extent not spent to redeem or purchase the Refunded Bonds on the closing date, net proceeds of the refunding issues are deposited into escrows, and for the Refunding System Bonds, invested in certain "Federal Securities" (as defined in the Authority's 1995 Transportation System Bond Resolution) and for the Refunding Program Bonds in certain "Defeasance Securities" (as defined in the Authority's 2012 Transportation Program Bond Resolution), the maturing principal of and interest on which will pay the principal of, interest on and redemption premium (if any) on the Refunded Bonds on the redemption or payment date. On the redemption or maturity date, the holders of the Refunded Bonds are paid in full from the escrows. Alternatively, as further described in Section V below, the TTFA can purchase Refunded Bonds from current holders of certain Refunded Bonds pursuant to a Tender Offer. Once purchased, such Refunded Bonds are immediately cancelled by the Trustee and are no longer Outstanding. A Tender Offer would be used by the TTFA in cases where the tender price of the Refunded Bonds is below the cost of redeeming or defeasing such

Refunded Bonds. The ability to utilize tax-exempt proceeds to fund the Tender Offer also increases the potential savings.

Advance Refunding: Similar to a current refunding, except that the redemption or payment date on the bonds to be refunded occurs more than 90 days from the date of issuance of the TTFA Refunding Bonds. Under current federal tax law, bonds issued to advance refund tax-exempt bonds are required to be issued on a federally taxable basis. However, under certain circumstances under federal tax law, advance refundings of taxable bonds are permitted to be issued on a tax-exempt basis. Proceeds of the refunding issues are deposited into escrows, and invested in certain "Federal Securities" for the Refunding System Bonds (as defined in the Authority's 1995 Transportation System Bond Resolution), and for the Refunding Program Bonds in certain "Defeasance Securities" (as defined in the Authority's 2012 Transportation Program Bond Resolution), all of which will pay the principal of, interest on and redemption premium (if any) on the Refunded Bonds on the payment or call date.

III. Candidates for Bonds to be Refunded

Individual maturities (or portions of such maturities) of bonds will be selected for the refunding transaction from the outstanding bonds listed in Appendices I to meet the objectives set forth in Section IV, subject to the constraints set forth in the Section I hereof and any federal tax law requirements. The sale of the TTFA Refunding Bonds is one comprehensive, integrated refunding transaction. If the TTFA Refunding Bonds are issued in more than one series, the respective present value savings calculation will be made on an aggregate basis.

The TTFA Refunding Bonds will be issued to, as stated in Section I, generate debt service savings and reduce the need for new money Program Bond debt issuances by the TTFA over the Reauthorization Period. Based on current market conditions, it is estimated that as a result of this refunding transaction, the TTFA will issue approximately \$964.9 million fewer new money bonds during the Reauthorization Period than would be required if the transaction had not occurred. The avoidance of this additional \$964.9 million of new money bonds is projected to save the TTFA approximately \$2.3 billion in additional debt service.

IV. Refunding Transactions

The TTFA currently anticipates entering into the refunding transaction similar to that described in Appendix II. The objective of the refunding transaction is to generate debt service savings and reduce the need for new money Program Bond debt issuances by the TTFA over the Reauthorization Period.

The Authority's existing debt service profile, particularly the elevated level of debt service during the Reauthorization Period, limits the amount of pay-as-you-go ("paygo") funds available for projects. To mitigate this limitation, the TTFA can refund a portion of the TTFA's outstanding Bonds, as described in Appendix I attached hereto in order to reduce near term debt service and increase the amount of paygo funding during the Fiscal Years 2025 to 2029 (the "Reauthorization Period"). The significance of increasing paygo funding lies in its direct impact on reducing future reliance on bond proceeds, which typically entail higher costs due to associated debt service obligations. By avoiding these additional costs, a greater portion of the funding provided during the Reauthorization Period will go towards transportation projects instead of debt service.

Blending the cost of a restructuring with savings from a refunding and/or tender of other outstanding bonds would allow TTFA to target savings into Fiscal Years 2025 to 2029 to increase paygo funding during the Reauthorization Period.

In connection with this comprehensive, integrated refunding transaction, the TTFA will require that in aggregate, the final maturity of the TTFA Refunding Bonds, as applicable, occurs no later than the final maturity date of the bonds to be refunded, as applicable. As required pursuant to Section 9(o) of the Act, N.J.S.A 27:1B-9(o), the TTFA must receive net present value savings from the overall refunding transaction.

V. Tender Offer

The Authority intends to solicit for the purchase of a portion of the Transportation System Bonds and Transportation Program Bonds described in Appendix I by means of an invitation of an offer to sell such Refunded Bonds to the Authority (the “Tender Offer”). The Refunded Bonds included in the Tender Offer either produce gross and present value savings or increase the efficiency of generating savings during the Reauthorization Period. As a result, these Refunded Bonds will reduce the need for new money Program Bond debt issuances by the TTFA during the Reauthorization Period.

VI. Negotiated Sale Rationale

It is the intent of the TTFA to pursue a negotiated sale of the TTFA Refunding Bonds due to the transaction’s complex financing structure and large issue size, as well as volatile market conditions.
