Getting Financial Aid in New Jersey

Complete a financial aid application to find out what financial aid you may be eligible to receive.

The **Free Application for Federal Student Aid (FAFSA)** is the application most students will need to fill out to apply for both federal and State financial aid. If you are ineligible to apply for federal financial aid, you may still be eligible to apply for State aid if you qualify as an NJ Dreamer. Complete the **New Jersey Alternative Financial Aid Application** instead of the FAFSA.

New Jersey residents with an adjusted gross income between \$0 and \$100,000 may be eligible for significant State aid.
