N.J.S.A. 19:61-9: AUDITS OF ELECTION RESULTS

November 5, 2024 General Election

Audit Date: November 19, 2024

The Gloucester County Board of Elections (GC BOE) performed a post-election audit consistent with the provisions of N.J.S.A. 19:61-9 and the guidelines promulgated by the New Jersey Secretary of State's Office.

The GC BOE conducted a hand-to-eye count of the voter-verifiable paper records for the November 5, 2024 General Election for the offices of President, Senate, House of Representatives, County Commissioner, and either Mayor or Municipal Council/Committee. Fire District elections, Board of Education elections and public questions were excluded from the audit.

Audit units included: voter verified paper audit trails from each voting machine, vote by mail ballots by municipality; and provisional ballots by municipality.

There are two Congressional districts in Gloucester County: the 1st, and 2nd. Pursuant to the statute, based on the number of election districts in each Congressional District a random selection of 2% or at least (2) units/batches of all paper units/batches for each Congressional District were audited. The following audit units were randomly selected for audit on Monday, November 18, 2024.
