Subject: 2% Audit of 2024 General Election

On November 18, 2024 the Election Board completed a State mandated audit of the paper ballots cast in the November 5, 2024 General Election. This audit was properly advertised and took place in a room open to the public. The audit was performed with seven (7) counting teams of four (4) members each. Each team consisted of two (2) Republicans and two (2) Democrats. As a blind audit, reports verifying the totals for each batch were not reviewed until counting was complete.

On November 20, 2024, the Ocean County Board of Election's Commissioners held a meeting to announce and certify the results of the audit. The findings of the audit as well as the audit batch selections are attached herein. There were 339,024 ballots in 1,500 batches to be selected from in the 2% audit, which would require at least 6,780 ballots be audited. In the audit of the November 5, 2024 General Election, there were 33 batches selected, which was a total of 6,898 ballots.

If you need additional information, please let us know.

Thanks.
