

How to Vote In Person at the Polls on General Election Day

-  **1... Be sure you're registered to vote.** Check your registration status using the **Am I Registered?** link at **VOTE.NJ.GOV**.
-  **2... Verify your polling place** using the **Polling Location** link at **VOTE.NJ.GOV** or by contacting your County Board of Elections. Contact information is available at **VOTE.NJ.GOV**.
-  **3... Check in at the registration table at your polling place.**
NOTE: If there are any issues verifying your eligibility to vote or if you have already been issued a mail-in ballot, you may be issued a provisional ballot. Details on this type of ballot are available at **VOTE.NJ.GOV**.
-  **4... Sign the electronic poll book, after which you will be issued your ballot.**
-  **5... Depending on your county, you will be directed to either a voting machine or provided with a paper ballot and directed to a private booth.**
-  **6... Read the instructions for each section and complete your ballot carefully.** Some races ask you to mark more than one candidate. If you wish to leave a race blank, you may do so without affecting any other portion of your ballot.
NOTE: Paper ballots may have more than one side or page, so look carefully to be sure you vote for each race you intend to. **Cross-outs on paper ballots will render the ballot invalid.** If you wish to make a change to your paper ballot before casting it, take your ballot to a poll worker to receive a new paper ballot.
-  **7... If you have any concerns regarding your ballot,** including if it is smudged or damaged, tell a poll worker to ensure your voting choices can and will be counted.
-  **8... Once you complete these steps, your ballot is ready to go into the ballot box or tabulating machine,** depending on the tabulation process used by your polling place.
-  **9... In order to count, your vote must be cast by 8 p.m. on General Election Day, Tuesday, November 4, 2025.** Accommodations will be made for voters with disabilities.
