

April 2020 Maker Project #7 Supply List

We are turning plastic bottles into beautiful butterflies. Images of butterflies are on the following pages.

Supplies:

Clear plastic bottles, rinsed and dried

Printed or drawn picture of a butterfly (you can choose one of the below or draw your own!)

Sharp scissors or knife to cut bottle (adult assistance, please!)

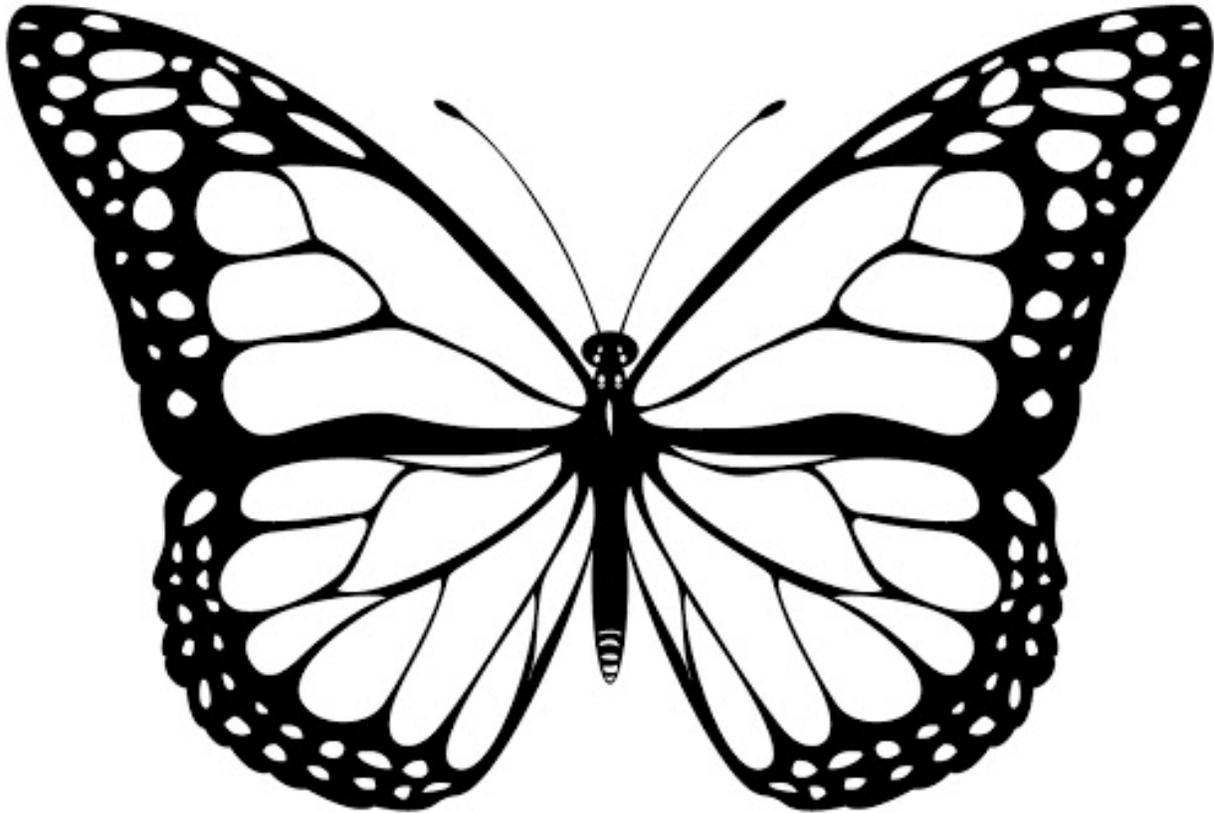

Tape

Sharpie or permanent marker

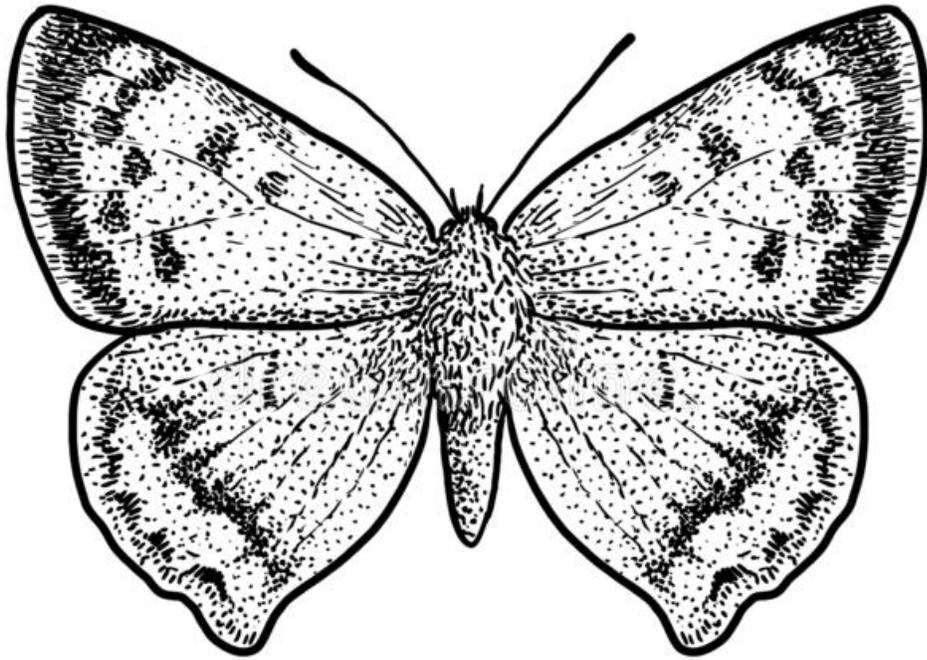

Paints and brushes

Glue gun

Twine or yarn for hanging

Monarch (*Danaus plexippus*)

Lycaena phloeas

American Copper (*Lycaena phloeas*)

Common Buckeye (*Junonia coenia*)

Eastern Tiger Swallowtail (*Papilio glaucus*)
