

June 2020 Maker Project #12 Supply List

Let's make a mobile inspired by the NASA/ SpaceX launch!

Supplies:

- 2 wooden dowels (these could be skewers, chopsticks, or sticks from the park!)
- yarn or twine
- Air-dry clay (play dough, model magic or homemade salt dough all work great)
- clay tools (roller, cookie cutters or stencils, knife)
- scissors
- glue
- card stock or cardboard
- cotton balls
- other decorations (markers, glitter, gems, stickers, pompoms, etc.)
