JOB DESCRIPTION

The New Jersey Department of the Treasury, Division of Property Management & Construction is seeking a Construction Management Specialist 3. Under direction of a Construction Management Specialist 1 or other supervisory official in a State or local agency, performs the design, project control, cost estimation, contract administration, quality assurance, scheduling. These responsibilities support capital construction and public works projects, as well as programs administered by the division.

The selected candidate will prepare the "draft" scope of work document, translating using agency needs into a requirements document to procure architect and engineer services for design and construction projects. The candidate will schedule and chair scope of work (SOW) kick-off meetings at the project site with the Using Agency Representatives and the Project Team and attend additional planning meetings with using agency representatives and consultants as necessary regarding the project scope. The candidate will research files and assemble SOW reference documentation for each specific project, including previously completed studies, as-built drawings and special requirements unique to the specific facility and using agency programs. The candidate will develop preliminary project schedules and budgetary cost estimates including design, construction, fees and contingencies, in accordance with OMB circular, for each specific project. The candidate will obtain Client Agency representatives and Project Team members' comments and/or approval of the "draft" scope of work document and incorporate them into the "final" scope of work document for inclusion in the project Request for Proposals (RFP). The candidate will obtain the "final" scope of work approval from the Design Manager, Client Agency representatives, Assistant Deputy Director, and DPMC Deputy Director. The candidate will solicit proposals (work orders) from consultants for the preparation of studies to support the development of project specific scopes of work regarding using agency requirements; review, negotiate and recommend approval of work orders; prepare and direct the preparation of correspondence and reports regarding scopes of work and design contract issues; coordinate and monitor consultant activities on studies and investigations regarding compliance with the contract and specific work order requirements to ensure timely completion and receipt of deliverables; review and recommend approval/disapproval of consultant invoices for each specific contract assignment; does other related duties as required.

The standard workweek is Monday through Friday. This position **may** be eligible to participate in the Department's telework program, which allows eligible employees to work remotely for up to two (2) days per week, as approved by management. The position offers a comprehensive benefits package including medical, prescription drug, and dental coverage, benefit leave, paid holidays, Pension, supplemental pension plan options, and tax saving programs.
