A MESSAGE TO THE TAXPAYER

The 2001 New Jersey S Corporation Business Tax Return, Form CBT-100S, and instructions are included in this packet. Use the 2001 tax form for accounting periods ending on or after July 31, 2001 through June 30, 2002. Please be sure to use the proper year's tax form when filing the New Jersey S Corporation Business Tax return.

The following information applies to all accounting periods required to be reported on the 2001 New Jersey S Corporation Business Tax Return:

- P.L. 2001, c. 23 approved February 2, 2001, amended N.J.S.A. 54A:10A-5 to provide for a three-year phase out of the corporate taxation of the ordinary income of New Jersey S corporations with annual income in excess of \$100,000. For taxpayers that have entire net income in excess of \$100,000 for privilege periods ending on or after July 1, 2001, but on or before June 30, 2002, the rate shall be 1.33% (.0133). For privilege periods ending on or after July 1, 2002, but on or before June 30, 2003, the rate shall be .67% (.0067). For privilege periods ending on or after July 1, 2003, there shall be no rate of tax imposed. For a taxpayer that has entire net income of \$100,000 or less for privilege periods ending on or after July 1, 2001, there shall be no rate of tax imposed.
- For tax periods beginning on and after January 1, 2002, the minimum tax is \$210 for both domestic and foreign corporations. For periods that begin prior to January 1, 2002, the minimum tax remains \$200. The minimum tax cannot be prorated for short period returns.
- Schedule I, Certification of Inactivity, is now included in this packet for your convenience. This schedule is designed for inactive corporations for the purpose of simplifying the Corporation Business Tax return filing requirements. A corporation is considered to be inactive if, during the entire period covered by the return, it did not conduct any business activities, did not have any receipts, income or expenses, did not own any assets, did not make any distributions and did not have any change in ownership. In lieu of completing the entire tax return, an inactive corporation need only complete page 1 of the Corporation Business Tax return and attach a completed Schedule I.
- Form CAR-100 should be used to remit the total balance due, as calculated on page 1 of the tax return, as well as to satisfy the taxpayer's yearly Annual Report filing requirement. If an overpayment is calculated on page 1 of the return or the taxpayer remits Corporation Business Tax payments using the Electronic Funds Transfer Program, Form CAR-100 must still be submitted for Annual Report filing purposes. Additional information concerning this form can be found on page 1 of the instructions.
- Schedule NJ-K-1, Shareholder's Share of Income/Loss is required to be submitted with both the New Jersey S Corporation Business Tax return and the shareholder's individual New Jersey Income Tax return.

As a reminder, only corporations that have a valid Federal S Corporation election and that make a separate New Jersey S Corporation election (on Form CBT-2553) are eligible to file form CBT-100S. If you have not made a separate New Jersey election, you should file form CBT-100.

If additional information is needed to complete this return, please contact the Division of Taxation's Customer Service Center at (609) 292-6400, or write to the Division of Taxation, Information and Publications Branch, PO Box 281, Trenton, NJ 08695-0281.

Calendar or fiscal accounting year is the same accounting period upon which the taxpayer is required to report to the United States Treasury Department for Federal Income Tax purposes. Please note the ending month of the accounting period for Federal returns and New Jersey returns must match, however, the tax return year for the Federal and State returns may differ. (i.e. A taxable year ending 8/31/01 may be filed on a 2000 Federal 1120; the same taxable year must be filed on a 2001 NJ CBT-100S.) All accounting periods must end on the last day of the month, except that taxpayers may use the same 52-53 week accounting year that is used for Federal Income Tax purposes, see N.J.A.C. 18:7-2.3.

Do not alter the year appearing in the upper left hand corner or the taxable year caption on page 1 of the CBT-100S. Changing

the above information will delay the processing of your return. If returns are required for a different year, please refer to the forms ordering instructions on page 13 of this booklet.

(b) NEW CORPORATIONS:

- (1) Every New Jersey corporation acquires a taxable status beginning 1) on the date of its incorporation, or 2) on the first day of the month following its incorporation if so stated in its certificate of incorporation. Every corporation which incorporates, qualifies or otherwise acquires a taxable status in New Jersey must file a Corporation Business Tax Return. A tax return must be filed for each fiscal period, or part thereof, beginning on the date the corporation acquired a taxable status in New Jersey regardless of whether it had any assets or conducted any business activities. No return may cover a period exceeding twelve (12) months, even by a day.
- (2) Every corporation which incorporates, qualifies or otherwise acquires a taxable status in New Jersey and which has adopted a fiscal year other than December 31, shall advise the Division of Taxation promptly of the date of such accounting period. If no such advice is received on or before April 15, 2002, the taxpayer will be deemed "delinquent" if no return is filed on or before April 15, 2002.
- (3) Every corporation that elects to be a New Jersey S corporation must file a "New Jersey S Corporation or New Jersey QSSS Election" (Form CBT-2553) within one calendar month subsequent to the Federal S corporation filing requirement.

(c) TRANSACTING BUSINESS WITHOUT A CERTIFICATE OF AUTHORITY: In addition to any other liabilities imposed by law, a foreign corporation which transacts business in this State without a certificate of authority shall forfeit to the State a penalty of not less than \$200.00, nor more than \$1,000.00 for each calendar year, not more than 5 years prior thereto, in which it shall have transacted business in this State without a certificate of authority. N.J.S.A. 14A:13-11(3).

4. (a) PAYMENT OF TAX: Make remittance payable to "State of New Jersey - CBT" and forward with the preprinted payment voucher, CAR-100, provided in this packet. **MAKE OUT A SEPARATE REMITTANCE FOR EACH TAX RETURN (CBT-100S) OR ESTIMATED PAYMENT VOUCHER (CBT-150) SUBMITTED.** Do not remit the tax for two or more returns in one check. Indicate the taxpayer's Federal Employer Identification Number on each remittance.

(b) All corporations are required to make installment payments of estimated tax. Generally, these payments are remitted with the form CBT-150. Refer to Instruction 39 for further information.

(c) Payments received will be first used to satisfy the required annual report fee(s).

5. ELECTRONIC FUNDS TRANSFERS: The Division of Revenue has established procedures to allow the remittance of tax payments through Electronic Funds Transfer (EFT). Taxpayers with a prior year's liability of \$20,000 or more in any one tax are required to remit all tax payments using EFT. If you have any questions concerning the EFT program, call (609) 984-9830 or write to N.J. Division of Revenue EFT Section, PO Box 191, Trenton, N.J. 08646-0191.

6. PERSONAL LIABILITY OF OFFICERS AND DIRECTORS: Any officer or director of any corporation who

shall distribute or cause to be distributed any assets in dissolution or liquidation to the stockholders without having first paid all corporation franchise taxes, fees, penalties and interest imposed upon said corporation, in accordance with N.J.S.A. 14A:6-12, N.J.S.A. 54:50-18 and other applicable provisions of law, shall be personally liable for said unpaid taxes, fees, penalties and interest. Compliance with N.J.S.A. 54:50-13 is also required in the case of certain mergers, consolidations and dissolutions.

7. EXTENSION OF TIME TO FILE RETURN:

(a) The Division of Taxation will grant an automatic extension of six (6) months for filing the final Corporation Business Tax Return. In general, the extended period may not exceed six (6) months from the original due date of the return. No extensions will be granted unless requested on tentative return form CBT-200-T which must be postmarked on or before the due date for filing the return. The Tentative Return must show the full name, address, Federal Employer Identification Number, N.J. Corporation Number, the tax liability, and must be submitted with payment for the total amount due. (b) If an extension has been requested, the corporation should notify all shareholders of such request.

(c) **Installment Payment -** Any taxpayer with a tax liability of less than \$500 on line 1, may make a payment of 50 percent of line 1 in lieu of making the installment payments otherwise required. Taxpayers who report a tax liability of \$500 or more on line 1 should not make an entry on line 2 and are required to make installment payments as indicated in Instruction 39.

(d) PENALTIES AND INTEREST

(1) **Interest -** The annual interest rate is 3% above the average predominant prime rate. Interest is imposed each month or fraction thereof on the unpaid balance of tax from the original due date to the date of payment. At the end of each calendar year, any tax, penalties and interest remaining due will become part of the balance on which interest will be charged. The interest rates assessed by the Division of Taxation are published in the quarterly issues of the *New Jersey State Tax News*. To obtain a copy, refer to the instructions at the bottom of page 13.

NOTE: The average predominant prime rate is the rate as determined by the Board of Governors of the Federal Reserve System, quoted by commercial banks to large businesses on December 1st of the calendar year immediately preceding the calendar year in which payment was due or as redetermined by the Director in accordance with N.J.S.A. 54:48-2.

(2) **Insufficiency Penalty -** If the amount paid with the Tentative Return, Form CBT-200-T, is less than 90% of the tax liability computed on Form CBT-100S, or in the case of a taxpayer whose preceding return covered a full 12 month period, is less than the amount of the tax computed at the rates applicable to the current accounting year but on the basis of the facts shown and the law applicable to the preceding accounting year, the taxpayer may be liable for a penalty of 5% per month or fraction thereof not to exceed 25% of the amount of underpayment from the original due date to the date of actual payment.

8. ACCOUNTING METHOD: The return must be completed using the same method of accounting, cash, accrual or other, that was employed in the taxpayer's Federal Income Tax Return.

(f) **Line 34:** Any tax paid by the corporation on behalf of any shareholder should not have been deducted as an expense on Schedule A. However, if the corporation expensed such taxes on Schedule A, these taxes must be included in line 34.

(g) **Line 35:** Enter the depreciation and other adjustments from Schedule S. (See Instruction 35).

(h) **Line 36(a): DEDUCTION FOR FOREIGN TAXES PAID, WITHHELD, OR DEEMED PAID:** Taxes actually paid to or withheld by a foreign country and claimed as a credit on the Federal Income Tax Return may be deducted only to the extent that the related income is included in entire net income on line 41. Any such taxes appearing as a deduction in arriving at line 31, entire net income before special deductions or net operating loss deduction, must be adjusted to the extent that they relate to dividends excluded from line 41.

The portion of any Section 78 gross-up included in dividend income on line 23(b), Schedule A, that is not excluded from

entire net income on line 41, may be treated as a deduction for foreign taxes.

Lines 36(b) and (c): Use these lines to report amounts of (1) adjustments not otherwise specifically provided for and (2) gross income, less deductions and expenses in connection therewith, from sources outside the United States, not included in Federal taxable income and (3) the net effect of the elimination of non-operational and non-unitary partnership income and expenses from line 36, Schedule O, Part I. Attach separate riders explaining fully such items.

- (i) **Line 38:** A net operating loss for a taxable year may be carried forward as a net operating loss deduction to a succeeding year. An S corporation may carry forward losses generated as a C corporation prior to its New Jersey S election. A net operating loss is the excess of allowable deductions over gross income used in computing entire net income. Neither a net operating loss deduction nor the dividend exclusion is an allowable deduction in computing a net operating loss. The statute authorizes a carryover of the deduction for seven years. Schedule A-1 must be completed if the net operating loss deduction is taken. See instruction 15. The amount of the dividend exclusion allowed to be taken as a deduction is limited to the amount of income reported on line 39 of Schedule A for that tax year.
- (j) **Line 40:** Dividends from all sources must be included in Schedule A. However, an exclusion from entire net income for certain dividend income may be taken as indicated in Schedule R. Taxpayer may not include money market fund income as part of the dividend exclusion. The amount of the dividend exclusion allowed to be taken as a deduction is limited to the amount of income reported on line 39 of Schedule A for that tax year.
- (k) **Line 41:** If line 41 is a negative amount, **DO NOT SUBTRACT** line 42 from line 41. The loss on line 41 should be carried to line 43. The income on line 42 should be multiplied by line 44 and carried to line 45.
- (l) **Line 42:** Must reflect the income used as a basis in determining the Federal tax payable by the corporation as reported on the Federal Form 1120S, such as certain built-in gains, net passive income, etc. Built-in gains must be reported on line 23(d) as a gross amount exclusive of any net effects of taxes paid by the corporation.
- (m) **RIGHT OF DIRECTOR TO CORRECT DISTORTIONS OF NET INCOME:** The Director is authorized to adjust and redetermine items of gross receipts and expenses as may be necessary to make a fair and reasonable determination of tax payable under the Corporation Business Tax Act. For details regarding the conditions under which this authority may be exercised, refer to regulation N.J.A.C. 18:7-5.10.

15. SCHEDULE A-1 - NET OPERATING LOSS DEDUCTION AND CARRYOVER: Complete this schedule only if a net operating loss has been carried forward from a previous tax year and claimed as a deduction on the current year's return. An S corporation may carry forward losses generated as a C corporation prior to its New Jersey S election. Use lines 1 through 7, columns 1 through 4 to compute the net operating loss from a previous tax year or years. Determine the amount of the net operating loss by adding back to the income/loss reported on Schedule A, line 31 (CBT-100S) or Schedule A, line 28 (CBT-100) all New Jersey adjustments except for the dividend exclusion for that tax year. The amount of a net operating loss allowed to be taken as a deduction in

the current tax year is limited to the amount of income reported on line 37 of Schedule A for that tax year. Use lines 8 through 14 in columns 1 and 4 to report for each year a net operating loss deduction is taken, the amount of the previous year's net operating loss used to offset entire net income before the dividend exclusion. The net amount reported on line 15 represents the unused net operating loss carryover available for future use. If space is insufficient due to the filing of more than one tax return for the same tax year, attach a rider to report the required information.

- 16. SCHEDULE A-2 - COST OF GOODS SOLD:** The amounts reported on this schedule must be the same as the amounts reported on the taxpayer's Federal income tax return.
- 17. SCHEDULE A-3 - SUMMARY OF TAX CREDITS:** This schedule must be completed if one or more tax credits are claimed for the current tax period. The total on line 11 must equal the amount reported on page 1, line 10. Refer to Instruction 38 for tax credit information.
- 18. SCHEDULE B - BALANCE SHEET:** Every taxpayer must complete this schedule. The amounts reported must be the same as the year end figures shown on the taxpayer's books.
- 19. SCHEDULE C - RECONCILIATION OF INCOME PER BOOKS WITH INCOME PER RETURN:** Every corporation must complete this schedule.
- 20. SCHEDULE E - GENERAL INFORMATION:** All taxpayers must answer all questions on this schedule. In addition, riders must be submitted where necessary in answering the questions.
- 21. SCHEDULE F - CORPORATE OFFICERS GENERAL INFORMATION AND COMPENSATION:** All applicable information should be provided for each corporate officer regardless of whether or not compensation was received.
- 22. SCHEDULE H - TAXES:** Itemize all taxes which were in any way deducted in arriving at taxable net income, whether reflected at line 2 (Cost of goods sold and/or operations), line 12 (Taxes), line 19 and/or 28 (Other deductions) or anywhere on Schedule A. Also refer to instruction 14(e).
- 23. SCHEDULE I - CERTIFICATION OF INACTIVITY:** In lieu of completing the entire tax return, an inactive corporation may complete this schedule and attach it to a completed page 1 of the tax return. Payment for the related minimum tax, the installment payment (if applicable) and the annual report and/or registered agent change fees must be submitted with Form CAR-100. An inactive corporation is a corporation that, during the entire period covered by the tax return, did not conduct any business, did not have any income, receipts or expenses, did not own any assets, did not make any distributions, and did not have any change in ownership.
- 24. OPTIONAL COPIES OF SCHEDULES A:** Any taxpayer who files a Federal Form 1120S with the Internal Revenue Service may submit copies of page 1 in lieu of completing lines 1 to 21 of Schedule A. Such copies or reproductions must be facsimiles of the complete schedules; they must be of good legibility and on paper of substantially the same weight and texture, and of a quality at least as good as that used in the official form, CBT-100S. They must also be of the same size as that of the official schedules, both as to the overall dimensions of the paper and the image reproduced thereon.

Separate pages must be fastened together in proper order and must be attached to the return form. The taxpayer's full name and identifying number must be typed or printed on each reproduced page or copy.

25. SCHEDULE J PART I - GENERAL INSTRUCTIONS REGARDING ALLOCATION OF ADJUSTED ENTIRE NET INCOME:

- (a) **WHO IS PERMITTED TO ALLOCATE:** No domestic or foreign corporation is permitted to allocate less than 100% of its adjusted entire net income to New Jersey, unless, during the period covered by the return, it **actually maintained a regular place of business outside of New Jersey** other than a statutory office.
- (b) **DEFINITION OF REGULAR PLACE OF BUSINESS:** A “regular place of business” is any bona fide office (other than a statutory office), factory, warehouse, or other space of the taxpayer which is regularly **MAINTAINED, OCCUPIED and USED** by the taxpayer in carrying on its business and in which one or more regular employees are in attendance. To maintain a place of business, the taxpayer must either own or rent the premises. That cost must be borne directly by the taxpayer and not by some related entity or person.
- (c) **ALLOCATION PERCENTAGES:** In computing the allocation factor in Schedule J, division must be carried to six decimal places, e.g., .123456.
- (d) **ELECTION TO ALLOCATE:** If the taxpayer is entitled to allocate, the election should be made with the filing of the Corporation Business Tax return regardless of the amount of income reported on line 41 of Schedule A. Schedule J must be completed to validate the election.
- (e) Only the receipts, property and payroll expenses attributable to operational activity are to be used in computing the allocation factor denominators.

26. SCHEDULE J PART II - AVERAGE VALUES: Average value is generally computed on a quarterly basis where the taxpayer’s accounting practice permits such computation. At the option of the taxpayer or the State, a more frequent basis (monthly, weekly or daily) may be used. Where the taxpayer’s accounting practice does not permit computation of average value on a quarterly or more frequent basis, semi-annual or annual frequency may be used only where no distortion of average value results. If any basis other than quarterly is used, state the basis and reasons for use thereof on rider.

The average values of real and tangible personal property owned which are used in determining the property fraction of the allocation factor are based on book value. The numerator and denominator must take into account accumulated depreciation deferred for net income purposes where the taxpayer accounts for its property on its books on a Federal income tax basis. Rented or leased property is valued at eight times its annual rent, including any amounts (such as taxes) paid or accrued in addition to or in lieu of rent during the period covered by the return. All other property which is used by the taxpayer but is neither owned, rented or leased, should be valued at book value, however, if no such book value exists, the market value of the property should be used.

27. SCHEDULE J PART III - COMPUTATION OF ALLOCATION FACTOR: This schedule may be omitted if the taxpayer does not maintain a regular place of business outside this State other than a statutory office, in which case the tax law requires the allocation factor to be 100%.

- (a) However, if the allocation factor is 100% but the taxpayer in fact pays tax to another state based on or measured by income which is included on Schedule A of this return, it may compute a reduction in its N.J. Corporation Business Tax under certain conditions. Refer to N.J.A.C. 18:7-8.3 for eligibility and the method of computing such reduction. A copy of this regulation

can be obtained from the Taxpayer Forms Service which can be contacted by following the instructions on the bottom of page 13. The credit for taxes paid to other jurisdictions may be claimed on Page 1, line 8. New Jersey S corporations which claim this credit must advise each shareholder of this information so that they may properly complete their New Jersey Gross Income Tax return.

- (b) **LINE 1 - PROPERTY FRACTION:** For general information regarding method of valuation in arriving at average values, see instruction 26. Tangible personal property is within New Jersey if and so long as it is physically situated or located here. Property of the taxpayer held in New Jersey by an agent, consignee or factor is (and property held outside New Jersey by an agent, consignee or factor is not) situated or located within New Jersey. Property, while in transit from a point outside New Jersey to a point in New Jersey or vice versa does not have a fixed situs either within or outside the State and, therefore, will not be deemed to be “situated” or “located” either within or outside New Jersey and accordingly the average value of such property should be omitted from both the numerator and the denominator of the property fraction. Ships, aircraft, satellites used in the communications industry, and other mobile or movable property are subject to the specific rules defined in N.J.A.C. 18:7-8.4.

- (c) **LINE 2(a) - RECEIPTS FRACTION:** Receipts from sales of tangible personal property are allocated to New Jersey where the goods are shipped to points within New Jersey.

Receipts from the sale of goods are allocable to New Jersey if shipped to a New Jersey or a non-New Jersey customer where possession is transferred in New Jersey. Receipts from the sale of goods shipped to a taxpayer from outside of New Jersey to a New Jersey customer by a common carrier are allocable to New Jersey. Receipts from the sale of goods shipped from outside of New Jersey to a New Jersey location where the goods are picked up by a common carrier and transported to a customer outside of New Jersey are not allocable to New Jersey.

Receipts from the following are allocable to New Jersey; services performed in New Jersey; rentals from property situated in New Jersey; royalties from the use in New Jersey of patents or copyrights; all other business receipts earned in New Jersey.

- (d) **LINES 2(e) and 2(g)**

- (1) **RECEIPTS FROM SALES OF CAPITAL ASSETS:** Receipts from sales of capital assets (property not held by the taxpayer for sale to customers in the regular course of business), either within or outside New Jersey, should be included in the numerator and the denominator based upon the net gain recognized and not upon gross selling prices. Where the taxpayer’s business is the buying and selling of real estate or the buying and selling of such securities for trading purposes, gross receipts from the sale of such assets should be included in the numerator and the denominator of the receipts fraction.

- (2) **DIVIDEND INCOME:** The amount of dividends excluded from entire net income at line 40, Schedule A, must not be included in the numerator or denominator of the receipts fraction.

- (e) **Lines 2(h) and 2(i)** - The percentage of receipts in New Jersey should be entered on both lines 2(h) and 2(i) to effect a double-weighted receipts fraction in the computation of the allocation factor.

(f) **LINE 3 - PAYROLL FRACTION:** In general, a taxpayer reporting to the Division of Employment Security in the New Jersey Department of Labor will allocate to New Jersey all wages, salaries and other personal service compensation, etc., reportable to that Division, including the portions thereof, in individual cases, in excess of taxable wages. All executive salaries are includible in both the numerator and denominator. See N.J.S.A. 54:10A-7 for the definition of wages, salaries and other personal services compensation allocable to New Jersey.

(g) **ALLOCATION FACTOR - GENERAL:** The allocation factor is computed by adding together the percentages shown at lines 1(c), 2(h), 2(i) and 3(c) of Schedule J, Part III for the period covered by the return, and dividing the total of the percentages by four (4). However, if the property or payroll fraction is missing, the remaining percentages are added and the sum is divided by three. If the receipts fraction is missing, the other two percentages are added and the sum is divided by two. If two of the fractions are missing, the remaining percentage may be used as the allocation factor. A fraction is not missing merely because its numerator is zero, but is missing if its denominator is zero.

If there is a declaration of nonoperational income, expenses, or assets from Schedule O, those items attributable to the non-operational activity should be excluded from the denominator of all three fractions of the allocation factor.

The assets, liabilities, income and expenses will be treated as those of the parent corporation. Failure to file either a Federal Form 966 or a New Jersey Form CBT-2553 with the

Line 11 Deductions:

- (a) Deduct depreciation on property placed in service after 1980 and prior to taxpayers' fiscal or calendar accounting periods beginning on and after July 7, 1993 on which ACRS and MACRS has been disallowed under 10(a) of this instruction using any method, life and salvage value which would have been allowable under the Federal Internal Revenue Code at December 31, 1980 but using the Federal basis for depreciation on the date the property was placed in service.
- (b) Deduct recomputed depreciation attributable to distributive share of recovery property from a partnership.
- (c) Deduct any item of income included in arriving at Federal taxable income solely as a result of a "safe harbor leasing" election made under Section 168(f)(8) of the Federal Internal Revenue Code provided, however, that any such income which relates to a qualified mass commuting vehicle pursuant to Federal Internal Revenue Code Section 168(f)(8)(D)(v) cannot be deducted from net income.

(e) Gain or loss on property sold or exchanged is the amount properly to be recognized in the determination of Federal taxable income. NOTE: Uncoupling is not required for property placed into service during accounting periods beginning on or after July 7, 1993.

Investments which qualify for the Manufacturing Equipment and Employment Investment Tax Credit cannot also qualify for this credit.

A new employee means a New Jersey resident, hired to fill a regular, permanent position in this State which did not exist prior to the qualified investment, and would not exist but for the qualified investment. The employee must be unrelated to the taxpayer and must not have been employed by the taxpayer during the six months prior to the date the investment was placed in service or use.

The taxpayer cannot claim a credit for a number of new employees that exceeds either the increase in the taxpayer's average employment for the tax year, or one-half of the taxpayer's average employment for the year. Also, individuals counted in determining the New Jobs Factor must not be ones for whom the taxpayer is allowed an Urban Enterprise Zone or Urban Development Project Employees Tax Credit.

A small business taxpayer must also meet the annual payroll and annual gross receipts requirements for the current tax year to qualify.

To claim this credit, the taxpayer must complete Form 304 and attach it to the tax return. This form and related information may be obtained from the Taxpayer Forms Service which can be contacted by following the instructions on the bottom of page 13.

To claim the credit, a completed Form 300 must be attached to the tax return.

This credit is only available to an employer with less than 50 employees. The investment must be at least \$5,000 if there are 10 or fewer employees, and increases by \$500 for each additional employee. To

qualify for the credit, the investment must be approved by the Urban Enterprise Zones Authority. A completed Form 301 must be attached to the tax return to validate the investment tax credit claim.

- (c) **REDEVELOPMENT AUTHORITY PROJECT TAX CREDIT:** Any taxpayer who is actively engaged in the conduct of business at a location within a project as defined in N.J.S.A. 55: 19-1 et seq., and whose business at that location consists primarily of manufacturing or other business that is not retail sales or warehousing oriented, may be entitled to claim the Redevelopment Authority Project Tax Credit. This form and related information may be obtained from the Taxpayer Forms Service which can be contacted by following the instructions on the bottom of page 13. Inquiries regarding the projects should be directed to the New Jersey Redevelopment Authority, PO Box 834, Trenton, New Jersey 08625-0834, phone (609) 292-3732.
- (d) **RECYCLING EQUIPMENT TAX CREDIT:** A taxpayer who purchased qualified recycling equipment on or after October 1, 1987 and who received a certification for this equipment from the Commissioner of the Department of Environmental Protection may be eligible to claim the Recycling Equipment Tax Credit. The recycling equipment must have been used exclusively within New Jersey, except for vehicles which must have been used primarily within New Jersey.

The legislation governing this tax credit expired on December 31, 1996, however, any unused credits claimed prior to January 1, 1997, can be taken on the current tax return subject to the limitations set forth on Form 303.

To claim this credit, the taxpayer must complete Form 303 and attach it to the tax return. This form and related information may be obtained from the Taxpayer Forms Service which can be contacted by following the instructions on the bottom of page 13.

- (e) **MANUFACTURING EQUIPMENT AND EMPLOYMENT INVESTMENT TAX CREDIT:** Investments in qualified manufacturing equipment made in tax years beginning on or after January 1, 1994 may be eligible for the Manufacturing Equipment and Employment Investment Tax Credit. Such investment has the benefit of allowing a tax credit computation for the tax year in which the investment was made as well as each of the following two tax years. The tax credit computation for the first year is based on the cost of the qualified manufacturing equipment placed in service in New Jersey during that tax year. The computations for the two following tax years are based on the average increase in New Jersey residents employed in New Jersey subject to a limitation based on the cost of the investment made in the first year.

The manufacturing equipment portion is limited to 2% of the investment credit base of qualified equipment placed in service in the tax year, up to a maximum allowed credit for the tax year of \$1,000,000. The employment investment portion is valid for each of the two tax years next succeeding the tax year for which the manufacturing equipment credit is allowed, but is limited to 3% of the investment credit base, not to exceed a maximum allowable amount for each of the two tax years of \$1,000 multiplied by the increase in the

average number of qualified employees.

To claim this credit, the taxpayer must complete Form 305 and attach it to the tax return. This form and related information may be obtained from the Taxpayer Forms Service which can be contacted by following the instructions on the bottom of page 13.

- (f) **RESEARCH AND DEVELOPMENT TAX CREDIT:** A taxpayer who has performed qualified research activities in New Jersey may be eligible to claim the Research and Development Tax Credit. A credit for increased research activities is allowed based on qualified expenditures made in taxable years beginning on and after January 1, 1994. It provides a credit of 10% of the excess qualified research expenses over a base amount plus 10% of the basic research payments.

Qualified research is limited to scientific experimentation or engineering activities designed to aid in the development of a new or improved product, process, technique, formula, invention, or computer software programs held for sale, lease, or license, or used by the taxpayer in a trade or business. For in-house research expenses (see Section 41(b)(2) of the Internal Revenue Code), this trade or business requirement will be met if the taxpayer's principal purpose for conducting the research is to use the results of the research in the active conduct of a future trade or business (see Section 41(b)(4) of the Internal Revenue Code).

An S corporation is allowed to claim a credit in connection with increasing research activities to the extent of its New Jersey corporation tax liability. Pass through of this credit to shareholders is not permitted. To claim this credit, the taxpayer must complete Form 306 and attach it to the tax return. This form and related information may be obtained from the Taxpayer Forms Service which can be contacted by following the instructions on the bottom of page 13.

- (g) **SMART MOVES FOR BUSINESS PROGRAMS TAX CREDIT (FORMERLY THE EMPLOYER TRIP REDUCTION PLAN - RIDE SHARE TAX CREDIT):** A taxpayer who has registered with the New Jersey Department of Transportation and who has an authorized report/plan to provide commuter transportation benefits may claim a tax credit based on the direct expenditures attributed to the plan.

The credit may be taken for expenditures attributed to authorized plans approved after January 1, 1994. Taxpayers subject to more than one tax for which the credit can be applied must prorate the credit amount available based on the amount that each liability has to the total of the liabilities in the reporting period.

The ride share credit is equal to 10% of the cost of commuter transportation benefits provided during the reporting period. The maximum calculation equals the per employee limit multiplied by the number of participating employees. The per employee limit is adjusted annually in proportion to the consumer price index.

To claim this credit, the taxpayer must complete Form 307 and attach it to the tax return. This form and related information may be obtained from the Taxpayer Forms Service which can be contacted by following the instructions on the bottom of page 13.

The small high-technology business must employ less than 225 employees, of which 75% must have jobs in New Jersey. The small high-technology business must conduct pilot scale manufacturing or qualified research in New Jersey in the fields of advanced computing, advanced materials, biotechnology, electronic device technology, environmental technology, and medical device technology.
